

From Red Tape to Results: Unveiling the Irvine Navigator Program Playbook

Tuesday, December 8 | 9–11 a.m. | Quail Hill Community Center

What does it take to make planning and permitting more efficient, predictable, and business-friendly?

Join the City of Irvine for the unveiling of the Irvine Navigator Program Playbook, a practical guide to streamlining regulatory coordination, reducing barriers to business growth, and helping projects move forward more efficiently.

Who Should Attend

For Economic Development Professionals & Municipal Leaders
Discover how Irvine is rethinking regulatory coordination to better support business growth. Gain actionable insights, lessons learned, and practical approaches you can adapt to improve processes and strengthen economic competitiveness in your own community.

For Site Selectors, Developers, & Businesses
Planning a new location, facility expansion, or major investment in Irvine? Get an inside look at how the Irvine Navigator Program helps businesses navigate City processes, connect with the right departments, and move projects forward with greater clarity, coordination, and predictability.
