

CalPERS: Review Beneficiaries

If you're a member of CalPERS, it's important to regularly check and update your beneficiary information to ensure your benefits are distributed according to your wishes.

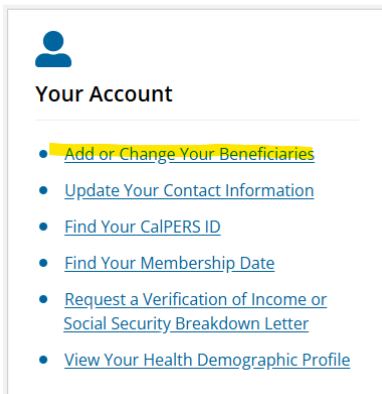

1. To review your beneficiaries on CalPERS, please log in to your myCalPERS account [here](#).

The screenshot shows the myCalPERS website interface. On the left, there is a login section with the myCalPERS logo at the top. Below the logo, there are two input fields: "Username (required)" and "Password (required)". A "Show Password" link is located below the password field. A "Log In" button with a lock icon is positioned below the password field. At the bottom of the login section, there are two links: "Forgot your username?" and "Forgot your password?". On the right, there is a blue "Register for an Account" section. It contains text explaining that members can register to view health information, plan for retirement, enroll in educational classes, or schedule appointments. It also states that employers and business partners must contact the user to register. A "Member Registration" button is located at the bottom of this section.

2. If you need to make changes, you can do so by clicking on “Add or Change Your Beneficiaries” on your home page in the “Your Account” block.

More Information

The screenshot shows a "Your Account" menu. It features a blue person icon at the top left. Below the icon, the text "Your Account" is displayed. A list of links is provided, with the first link, "Add or Change Your Beneficiaries", highlighted in yellow. The other links are "Update Your Contact Information", "Find Your CalPERS ID", "Find Your Membership Date", "Request a Verification of Income or Social Security Breakdown Letter", and "View Your Health Demographic Profile".
