4. This Memorandum is not intended as a full description of the terms and conditions of the Agreement. This Memorandum shall not replace, alter, or modify any term or condition set forth in the Agreement, nor shall it be used to interpret the terms and conditions of the Agreement.

5. This Memorandum may be executed in several counterparts, and all so executed shall constitute one agreement binding on both parties hereto, notwithstanding that both parties are not signatories to the original or the same counterpart.

6. City shall execute, acknowledge, and deliver to Developer upon Developer's request after the date that all units in the Project have received all required occupancy permits

and City has verified that all improvements required to be constructed in connection with the Project have been completed, a document in recordable form removing this Memorandum from title to the Site.

7. This Memorandum shall encumber Developer's leasehold interest in the Site and not the fee interest.

IN WITNESS WHEREOF, City and Developer have entered into this Memorandum as of the date first set forth above.

ADDENDUM TO STONEGATE PROJECT AGREEMENTS

This ADDENDUM TO STONEGATE PROJECT AGREEMENTS ("**Addendum**") is dated this 14th day of October, 2010, and entered into by and among the CITY OF IRVINE, a California municipal corporation ("**City**"), the IRVINE REDEVELOPMENT AGENCY, a public body, corporate and politic ("**Agency**"), the IRVINE COMMUNITY LAND TRUST, a California nonprofit public benefit corporation ("**Land Trust**"), and STONEGATE HOUSING PARTNERS, L.P., a California limited partnership ("**Developer**").

RECITALS

A. This Addendum is made with reference to the following agreements entered into on or about October 4, 2010 (collectively, the "**Project Agreements**"):

i. the Redevelopment Housing Fund Grant Agreement ("**RDA Agreement**") between Agency and Land Trust for a $2,000,000.00 grant ("**RDA Funds**") to be provided by Agency to Land Trust, a portion of which is to be used for the Stonegate project;

ii. the Community Development Block Agreement ("**CDBG Agreement**") between City and Land Trust for a $464,164.00 grant ("**CDBG Funds**") to be provided by City to Land Trust;

iii. the HOME Grant Agreement ("**HOME Grant Agreement**") between City and Land Trust for a $288,727.00 grant ("**HOME Grant Funds**") to be provided by City to Land Trust;

iv. the Affordable Housing and Loan Agreement ("**HOME Loan Agreement**") between City and Jamboree Housing Corporation, whose interest was assigned to Developer, which agreement relates to a $397,495.00 loan ("**HOME Loan Funds**") to be provided by City to Developer; and

v. the Affordable Housing and Loan Agreement ("**Land Trust Loan Agreement**") between Land Trust and Developer for a $1,602,505.00 loan to be provided by Land Trust to Developer.

B. As of the date of this Addendum, the environmental clearance has not been obtained for, and City has not received from HUD, the HOME and CDBG funds to be provided under the Project Agreements.

C. The parties desire to enter into this Addendum to, among other things, extend the date for the satisfaction of the funding conditions under the Project Agreements and to provide that if the HOME and CDBG funds to be provided under the Project Agreements are not received by City, Land Trust will backfill the shortage with additional RDA Funds received by Land Trust under the RDA Agreement, on the terms set forth herein.

AGREEMENT

NOW THERFORE, City, Agency, Land Trust and Developer hereby agree as follows:

1. Defined Terms. All capitalized terms not defined herein shall have the meaning ascribed in the Project Agreements.

2. Extension of Dates to Satisfy Funding Conditions. The parties agree to extend the dates to satisfy the Funding Conditions in the Project Agreements as follows:

(i) RDA Grant Agreement. City and Land Trust hereby agree that the date to satisfy the Funding Conditions in the RDA Agreement is hereby extended to December 1, 2010.

(ii) CDBG Grant Agreement. City and Land Trust hereby agree that the date to satisfy the Funding Conditions in the CDBG Grant Agreement is hereby extended to December 1, 2010.

(iii) HOME Grant Agreement. City and Land Trust hereby agree that the date to satisfy the Funding Conditions in the HOME Grant Agreement is hereby extended to December 1, 2010.

(iv) HOME Loan Agreement. City and Developer hereby agree that the date to satisfy the Funding Conditions in the HOME Loan Agreement is hereby extended to December 1, 2010.

(v) Land Trust Loan Agreement. Land Trust and Developer hereby agree that the date to satisfy the Funding Conditions in the Land Trust Loan Agreement is hereby extended to December 1, 2010.

3. Substitution RDA Funds Provided if Federal Funds not Received. Pursuant to the RDA Grant Agreement, Land Trust is receiving a grant of RDA Funds from the Agency in the amount of $2,000,000.00, all of which is available to the Project if City does not receive from HUD any or all of the $464,164.00 CDBG Funds under the CDBG Agreement, the $288,727.00 HOME Grant Funds under the HOME Grant Agreement, or the $397,495.00 HOME Loan Funds under the HOME Loan Agreement (collectively, the "**Federal Funds**"), such that the cumulative total of RDA Funds and Federal Funds provided to the Project pursuant to the Project Agreements will equal $2,000,000.00. In connection therewith, if City does not receive the Federal Funds, and provided all of the Funding Conditions in the Project Agreements other than those related to the receipt of such Federal Funds from HUD are satisfied, the Federal Funds not received by City shall be replaced with RDA Funds, as follows:

(i) The RDA Funds that Land Trust is permitted to use for the Stonegate Project under the RDA Grant Agreement will increase by an amount equal to the Federal Funds not received by City.

(ii) The Federal Funds to be provided by Land Trust to Developer under the Land Trust Loan Agreement as part of the $1,602,505.00 will be replaced with RDA Funds to the extent the Federal Funds are not received by City.

(iii) As to the Federal Funds that constitute HOME funds to be provided by City to Developer under the HOME Loan Agreement, if such funds are not received by City, (a) the HOME Loan Agreement will be terminated; and (b) the amount of the loan the Land Trust is providing to Developer under the Land Trust Loan Agreement will increase by the sum of $397,495.00 and the source of such additional funds will be RDA Funds; (c) the terms for Developer's repayment of such increased loan amount shall be the same as the repayment terms for the HOME loan under the HOME Loan Agreement; and (d) the terms for repayment of the existing $1,602,505.00 Land Trust loan will remain the same.

(iv) The parties will amend the Project Agreements as necessary to effectuate the foregoing.

4. Eligible Loan and Grant Expenses. The Project expenses incurred by Developer that are eligible for payment out of the proceeds of the $2,000,000.00 funding to be provided under the Project Agreements are as follows ("**Eligible Expenses**"): (i) a developer fee payable to Developer in the amount of $350,000.00; (ii) the assessments applicable to the Site under Assessment District No. 07-22 that are required to be paid under the Lease in the approximate amount of $620,000.00; and (iii) development costs of the Project as set forth in the Project Budget. The CDBG Funds shall be applied toward payment of the assessments referred to in clause (ii) of the preceding sentence. The HOME Grant Funds and HOME Loan Funds shall be applied toward Eligible Expenses attributable to the 11 HOME Units. Provided City receives the Federal Funds, all of the funds shall be applied toward costs incurred after HUD approves the request for release of funds and related certifications. The Project Agreements are hereby deemed amended to effectuate the foregoing.

5. Execution and Recordation of Documents. Notwithstanding that the Funding Conditions have not been satisfied, the parties agree that the documents attached as exhibits to the Land Trust Loan Agreement and the HOME Loan Agreement that otherwise would be executed and recorded upon the satisfaction of the Funding Conditions (i.e., promissory notes, deeds of trust, regulatory agreements, etc.) shall be executed and recorded concurrently with the Construction Closing, with the understanding that if the Federal Funds are not received the documents will be amended to reflect the substitution of RDA Funds for the Federal Funds. The execution and recordation of such documents is for convenience purposes and does not in any way constitute a commitment of the Federal Funds.

6. Full Force and Effect; Conflicts. Except as expressly set forth in this Addendum, all terms, conditions, and provisions of the Project Agreements shall remain in full force and effect. If there is a conflict between the provisions of this Addendum and the provisions of the Project Agreements, the provisions of this Addendum shall control.

7. Execution in Counterparts. This Addendum may be executed in several counterparts, and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all parties are not signatories to the original or the same counterpart.

[Signatures on next page]

IN WITNESS WHEREOF, City, Agency, Land Trust and Developer have entered into this Addendum as of the date set forth above.

COMMUNITY DEVELOPMENT BLOCK GRANT AGREEMENT

This COMMUNITY DEVELOPMENT BLOCK GRANT AGREEMENT ("**Agreement**") is entered into as of this 4TH day of October, 2010, between the CITY OF IRVINE, a California municipal corporation ("**City**"), and the IRVINE COMMUNITY LAND TRUST, a California nonprofit public benefit corporation ("**Participant**").

RECITALS

A. Participant is a duly organized California nonprofit public benefit corporation, certified by the United States Internal Revenue Service as a public charity under Internal Revenue Code sections 501(c)(3) and 509(a)(3). Participant's specific purpose and formation is for the benefit of, and to carry out the purposes of, the City of Irvine ("**City**") by helping the City ensure that its residents are able to secure decent and affordable housing.

B. City participates in the Community Development Block Grant program administered by the United States Department of Housing and Urban Development ("**HUD**") under Title I of the Housing and Community Development Act of 1974 (42 U.S.C. § 5301 *et seq.*) as amended from time to time, and the regulations promulgated thereunder (24 C.F.R. § 570 *et seq.*). Pursuant to the Community Development Block Grant program, City receives funds from HUD ("**CDBG Funds**") to be used for the support of community development activities that meet at least one of the three national objectives of the program of benefiting low and moderate income persons, preventing and eliminating slums and blight, and addressing a community development need having a particular urgency.

C. Jamboree Housing Corporation, a California nonprofit housing corporation ("**JHC**") holds an option to lease that certain unimproved real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Exhibit "A" ("**Property**"). The Property is owned by the Irvine Company, LLC, a Delaware limited liability company ("**Irvine Company**"). JHC has formed or is forming a limited partnership entity (defined below as the "**Lessee**") which will enter into the lease and develop a 60-unit affordable residential rental project and related improvements on the Property ("**Project**"), which is one phase of the Stonegate Community Development referred to in Recital D below.

D. On or about April 5, 2007, the City's Planning Commission adopted Resolution Nos. 07-2820, 07-2821, and 07-2822, which, in general, approved master plan applications for the development of three (3) multi-story residential apartment communities ("**Stonegate Community Development**"), generally located along the north side of Irvine Boulevard between Sand Canyon Avenue and Groveland in the community village of Stonegate (Planning Area 9B). Specific for purposes of this Agreement, Planning Commission Resolution No. 07-2821 approved the master plan for the development of 134 residential apartment units, lot 700 of Vesting Tentative Tract 16927, totaling 6.08 acres, which residential apartment units are to be affordable so that Irvine Company may fulfill its obligations pursuant to the Master Affordable Housing Plan for the Northern Sphere and satisfy affordable housing obligations under Chapter 2-3 of the Irvine Zoning Ordinance. The Project herein is known as "Phase 1" of the 134-unit project approved by Planning Commission Resolution No. 07-2821. It is anticipated that a subdivision map (referred to herein as the "**Parcel Map**") will be recorded subdividing the

Property such that the portion of the Property upon which the 60-unit Project will be located will be subdivided into a separate legal parcel ("**Project Parcel**"). Pursuant to the terms and conditions of this Agreement, upon the recordation of the Parcel Map, the portion of the Property that is not included within the Project Parcel will, upon request of Participant, be released from this Agreement.

E. On or about April 27, 2010, as part of the City's annual CDBG funding process, City approved an allocation of CDBG Funds to be provided to Participant in the form of a grant in the amount not to exceed the sum of $77,749.00 to be used by Participant for the Project, on the terms set forth herein. In addition, on September 14, 2010, City approved an additional allocation of CDBG Funds to be provided to Participant for the Project in the form of a grant in the amount not to exceed the sum of $386,415.00. On September 15, 2010, Participant's Board of Directors approved both the $77,749.00 and $386,415.00 (for a total of $464,164.00) allocation of CDBG Funds (collectively, the "**City Grant**") and authorized Participant to enter into this Agreement.

F. JHC and Participant have formed or are forming a limited partnership entity known as Stonegate Housing Partners, L.P. ("**Lessee**") that will exercise the option to lease the Property and develop the Project and operate the Program. Participant and JHC will be members of the managing general partner of Stonegate Housing Partners, L.P.

G. City's provision of the City Grant to Participant pursuant to this Agreement, and the fulfillment generally of this Agreement, are in the vital and best interests of the City and the welfare of its residents, and in accordance with the purpose and provisions of the Community Development Block Grant program.

AGREEMENT

Based upon the foregoing Recitals and for good and valuable consideration, the receipt and sufficiency of which is acknowledged by both parties, City and Participant hereby agree as follows:

1. DEFINITIONS.

The following terms as used in this Agreement shall have the meanings given below unless expressly provided to the contrary:

"Affordable Rent" for the following residential units shall mean annual rent that does not exceed the maximum percentage of income that can be devoted to rent (including a reasonable utility allowance) by Eligible Tenants under Health & Safety Code Section 50053, or any successor statute thereto, and the implementing regulations in Title 25 of the California Code of Regulations, which are and shall be for the Affordability Term as follows:

- The Affordable Rent for the residential units designated to be occupied by Eligible Tenants earning 50% or less of Median Income is 30% times 50% of Median Income adjusted for family size appropriate to the Residential Unit.

- The Affordable Rent for the 16 two-bedroom residential units and 11 three-bedroom residential units designated to be occupied by Eligible Tenants earning

60% or less of the Median Income is 30% times 60% of Median Income adjusted for family size appropriate for the Residential Unit.

The Affordable Rent for the residential unit designated to be occupied by an Eligible Tenant earning 120% or less of the Median Income is the greater of either: (i) 30% times 110% of the Median Income adjusted for family size appropriate for the Residential Unit, or (ii) 30% of gross income of the household.

As used herein, "adjusted for family size appropriate to the Residential Unit" shall mean a household of 2 persons in the case of a one-bedroom unit, a household of 3 persons in the case of a two-bedroom unit, and a household of 4.5 persons in the case of a three-bedroom unit.

"Affordable Rent" for the 2 one-bedroom units, 8 two-bedroom units, and 4 three-bedroom units occupied by households earning 60% or less of the Median Income, adjusted for family size, shall mean annual rent that does not exceed the limits set forth in Section 42(g)(2)(A) of the United States Internal Revenue Code for that income level.

"Affordability Term" shall have the same meaning as it does in the Regulatory Agreement attached to the Land Trust Loan Agreement. Said Regulatory Agreement serves as the "Regulatory Agreement" defined below.

"Agreement" shall mean this Community Development Block Grant Agreement between City and Participant, including all exhibits and other documents attached hereto.

"CDBG Funds" shall mean the funds allocated to City by HUD under the Community Development Block Grant program.

"CDBG Requirements" shall collectively refer to the requirements of Title I of the Housing and Community Development Act of 1974 (42 U.S.C. § 5301 *et seq.*) as amended from time to time, and the implementing regulations set forth in 24 C.F.R. § 570 *et seq.* as amended from time to time, and the requirements set forth and referred to in Exhibit "D" attached to this Agreement.

"City" shall mean the City of Irvine, a municipal corporation, organized under the laws of the State of California and having its offices at One Civic Center Plaza, Irvine, CA 92623.

"City Grant" shall mean the grant of CDBG Funds referred to in Recital E of this Agreement to be provided by City to Participant for the Eligible Project Expenses, as more fully explained in Section 2 of this Agreement.

"Contract Officer" shall mean City's Housing Administrator or such other person as may be designated by the City Manager of City.

"Construction Escrow" shall mean the escrow to be opened with the Escrow Holder for the closing of the construction financing for the Project and the City Grant.

"Effective Date" shall mean the date this Agreement is executed by the parties, which date shall be inserted into the preamble to this Agreement.

"Eligible Project Expenses" shall mean the taxes and assessments applicable to the Property for CFD No. 07-1 and Assessment District No. 07-22 that are required to be paid under the Lease as of the closing of the Construction Escrow.

"Eligible Tenant" shall mean persons and families occupying a rental unit on the Property whose income does not exceed the limit permitted for the particular unit as set forth in the Unit Mix.

"Escrow Holder" shall mean Chicago Title Company, the escrow company responsible for the Construction Escrow.

"Funding Conditions" shall mean the conditions set forth in Section 2.2 of this Agreement that must be satisfied prior to City providing the City Grant to Participant.

"HOME Grant Agreement" shall mean the agreement to be entered into between City and Participant providing for City to grant to Participant an amount not to exceed the sum of $288,727.00 for certain Project expenses.

"HOME Loan Agreement" shall mean the agreement to be entered into between City and JHC providing for City to loan to JHC an amount not to exceed the sum of $397,495.00 for certain Project expenses. JHC will assign its interest in the HOME Loan Agreement to Lessee.

"JHC" shall mean Jamboree Housing Corporation, a California nonprofit housing corporation, and its successors and assigns.

"Irvine Company" shall mean the Irvine Company, LLC, a Delaware limited liability company, the fee owner of the Property.

"Land Trust Loan Agreement" shall mean the agreement to be entered into between Participant and Lessee and approved by City providing for Participant to loan to Lessee an amount not to exceed the sum of $1,602,505.00 for the development of the Project.

"Land Use Affordable Housing Regulatory Agreements" shall mean the two agreements to be entered into between City and Irvine Company in such form as approved by City, which will be recorded against fee title to the Property and will memorialize and implement certain affordability restrictions imposed under the land use controls applicable to the Property.

"Lease" shall mean the binding lease agreement to be entered into between Lessee, as lessee, and Irvine Company, as lessor, for the lease of the Property to Lessee, consistent with the terms of Section 3.1 of this Agreement, and approved by the City.

"Lessee" shall mean the limited partnership entity known as "Stonegate Housing Partners, L.P.," formed by JHC and Participant to be the lessee under the Lease and to develop the Project and operate the Program, and its successors and assigns. JHC and Participant must at all times be members of the general partner of Lessee. As to the HOME Loan Agreement and any other agreement entered into by JHC relating to the Project, which agreements are to be assigned to Lessee, the term "Lessee" shall also be deemed to refer to JHC during the period that JHC is obligated under said agreements.

"Median Income" shall mean the Orange County area median income, as periodically published by the State of California Department of Housing and Community Development in Section 6932 of Title 25 of the California Code of Regulations, or successor regulation. Upon request by Participant, City shall provide to Participant the amount of the Median Income.

"Notice to Proceed" shall mean the written notice from City to the Participant Representative notifying Participant that the Funding Conditions have been satisfied such that Participant can commence the activities under this Agreement for the development of the Project. Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to provide any City Grant proceeds for any Eligible Project Expenses incurred prior to City's issuance of the Notice to Proceed.

"Parcel Map" shall have the meaning ascribed in Recital D of this Agreement.

"Participant" shall mean the Irvine Community Land Trust, a California nonprofit public benefit corporation, and its successors and assigns. City agrees that it shall accept performance under this Agreement by the Lessee to the same extent as if performance was tendered by Participant.

"Participant Personnel" shall mean (a) any employee, volunteer, contractor, subcontractor, or agent of Participant or any other person under Participant's supervision and direction, including the contractors and subcontractors constructing the Project, and (b) the Lessee. Participant is responsible for the full compliance of all Participant Personnel with this Agreement, including without limitation all labor standards applicable to the Project.

"Participant Representative" shall mean Mark Asturias, Executive Director, who is designated by Participant to represent Participant in the administration of this Agreement.

"Performance Reports" shall mean the quarterly reports to be submitted by Participant to City on the status of the development of the Project and on the operation of the Program, as more fully explained in Section 8.2.1(a) of this Agreement.

"Program" shall mean the affordable rental housing program to be operated on the Property and all obligations and activities that constitute the Program Services.

"Program Services" shall collectively refer to the following activities and tasks to be performed by Participant under this Agreement: (a) the operation of the Program in accordance with the description set forth in this Agreement and the Regulatory Agreement; and (b) all activities, services, tasks, and operations related to the Program described in this Agreement and the Regulatory Agreement, including without limitation those set forth in Section 4.1 of this Agreement.

"Project" shall mean the acquisition of the leasehold interest in the Property and the grading of the Property and the development on the Property of a 60-unit apartment project with landscaping, driveways, and related improvements, and all other on-site and off-site improvements required for development, with all improvements to be consistent with the development and building plans and permits approved by City. The 60 units shall be comprised of one-bedroom units, two-bedroom units, and three-bedroom units, and shall be restricted to occupancy by Eligible Tenants in accordance with the Unit Mix and Regulatory Agreement. In

the event of any inconsistency between the description of the Project in this Agreement and the approved plans and permits, the approved plans and permits shall govern.

"Project Budget" shall mean the costs estimates for the development of the Project set forth in Exhibit"B" to this Agreement. The Project Budget may not be materially changed without the prior written approval of City's Contract Officer (a material change is a change that causes the total Project costs, or any line item in the Project Budget, to increase or decrease by more than ten percent (10%) from what is shown in the Project Budget).

"Project Parcel" shall have the meaning ascribed in Recital D of this Agreement.

"Property" shall mean that certain real property located at in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Exhibit "A."

"Quarter" shall mean any of the three (3) month periods during a City fiscal year commencing July 1, October 1, January 1, or April 1.

"Redevelopment Agency" shall mean the Irvine Redevelopment Agency, a public body, corporate and politic, organized and existing under the California Community Redevelopment Law (Health & Safety Code § 33000 *et seq.*).

"Redevelopment Agency Grant Agreement" shall mean the agreement to be entered into between the Redevelopment Agency and Participant for the Redevelopment Agency to provide a grant of housing set-aside funds to Participant in an amount not to exceed the sum of $2,000,000.00, a portion of which will be used for the Project.

"Regulatory Agreement" shall have the meaning ascribed in Section 5.2 of this Agreement.

"Schedule of Performance" shall mean that certain Schedule of Performance attached hereto as Exhibit "C" and incorporated herein by reference, setting out the dates and/or time periods by which certain obligations and tasks must be performed and completed.

"Third Party Contracts" shall have the meaning ascribed in Section 5.1 of this Agreement.

"Unit Mix" shall mean the household income levels permitted for each unit on the Property, as follows:

- 10 one-bedroom units, 6 two-bedroom units, and 2 three-bedroom units shall be occupied by households earning 50% or less of the Median Income, adjusted for family size.

- 16 two-bedroom units and 11 three-bedroom units shall be occupied by households earning 60% or less of the Median Income, adjusted for family size.

- 2 one-bedroom units, 8 two-bedroom units, and 4 three-bedroom units shall be occupied by households earning 60% or less of the Median Income, adjusted for family size.

- 1 three-bedroom unit shall be occupied by the on-site residential manager, whose household must be earning 120% or less of the Median Income, adjusted for family size.

2. CITY GRANT.

2.1 Grant of Funds; Eligible Project Expenses. Subject to the terms and conditions set forth herein and provided Participant is not in default of this Agreement, City shall provide the City Grant to Participant to be applied towards the costs of the Eligible Project Expenses. The City Grant proceeds may be used only for the Eligible Project Expenses that are actually and reasonably incurred and approved by City, and for no other purpose.

2.2 City Grant Funding Conditions. Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to disburse any City Grant proceeds until such time that all of the following conditions (collectively the "**Funding Conditions**") are satisfied, or waived by City in its sole discretion:

(a) *Insurance.* Participant shall have provided to City evidence of the insurance required under Section 9.1 of this Agreement.

(b) *Plans and Permits.* Participant or Lessee shall have obtained grading permits for the Project or such permits shall be ready to be issued upon the payment of fees and all other development approvals shall have been issued except for building permits.

(c) *Evidence of Financing.* City shall have approved Lessee's evidence of financing in accordance with Section 2.4 of this Agreement, and the financing specific to the construction of the Project shall close and be available to Lessee.

(d) *Lease.* Lessee shall have entered into the Lease with Irvine Company and the Lease shall be in full force and effect with no defaults existing and all contingencies satisfied (i.e., there are no conditions that remain to be satisfied for the effectiveness of the Lease or the performance of either party thereunder and the fulfillment of the Lease and Lessee's possession of the Property is absolute and not terminable and not subject to any unsatisfied conditions).

(e) *Other Agreements.* The Land Trust Loan Agreement, the Redevelopment Agency Grant Agreement, the HOME Loan Agreement, and the HOME Grant Agreement shall have been executed, there shall be no event of default under any of said agreements or the occurrence of any event which would constitute a default with the passage of time or the giving of notice, and all conditions to the initial disbursement of funds under said agreements shall have been satisfied. The Regulatory Agreement shall have been approved by City, executed by Participant and Lessee, and delivered to City (or to Escrow Holder if approved by City) and is ready to be recorded against the Property.

(f) *Assignment.* JHC shall have assigned its interest in the HOME Loan Agreement to Lessee.

(g) *Clearance.* If applicable, in accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," the Request for Release of Funds and related certifications have been approved for the Project or City has determined an exemption is applicable.

(h) *Approval of Third Party Contracts.* City shall have approved any Third Party Contracts entered into before commencement of construction that City elects to review.

(i) *No Default.* There shall be no event of default under this Agreement, and there shall be no event which, with the passage of time or the giving of notice, would constitute a default, and all representations and warranties of Participant in this Agreement remain true and correct in all material respects.

(j) *HUD Approvals.* City has received all approvals required from HUD for the disbursement of the City Grant and City shall have received sufficient CDBG Funds from HUD to fund the City Grant.

(a) *Land Use Regulatory Agreements.* City and Lessee shall have approved the form of and executed the Land Use Affordable Housing Regulatory Agreements and the agreements shall have been recorded, or shall be ready to be recorded, against the Property and senior to all liens securing any financing.

In the event that any of the Funding Conditions are not satisfied on or before October 20, 2010, or such later deadline as may be mutually approved in writing by City and Participant in the sole and absolute discretion of each of them, City may terminate this Agreement by delivering written notice to Participant.

In connection with clause (j) above, Participant acknowledges and agrees that City's obligation to provide the City Grant to Participant under this Agreement shall be subject to the availability of CDBG Funds and if, for any reason, City does not receive sufficient CDBG Funds from HUD, City shall have no obligation to provide the City Grant to Participant or to fund the City Grant from any other source of funds.

2.3 Disbursement of City Grant. Provided Participant is not in default of this Agreement, the City Grant shall be deposited into the Construction Escrow upon the satisfaction of all of the Funding Conditions and the parties shall instruct the Escrow Holder to apply the City Grant proceeds to the Eligible Project Expenses. In the event the Eligible Project Expenses are not incurred by Participant within fifteen (15) days after City's deposit of said funds, or such longer time as City approves in its sole discretion, City shall have the right to require that Participant return the City Grant proceeds to City. In addition, if it is determined, as a result of an audit or otherwise, that the disbursement of City Grant proceeds were improper or made for expenditures not eligible for payment, Participant shall immediately repay to City the amounts of such disbursements

2.4 Evidence of Financial Capability. No later than five (5) days after the date the Land Trust Loan Agreement is executed by Participant and Lessee, Participant shall submit to City evidence reasonably satisfactory to City that Lessee has the financial capability necessary to develop the Project pursuant to this Agreement and the Project Budget. Such evidence of financial capability shall include the following:

(a) a copy of the commitment or loan agreement obtained by Lessee for each source of funds to assist in financing the construction of the Project. All copies of commitments submitted by Participant to City shall be certified by Lessee to be true and correct copies thereof. Each commitment for financing shall be in such form and content acceptable to City as reasonably evidences a firm and enforceable commitment, with only those conditions which are standard or typical for the lender involved for similar projects;

(b) if the total costs set forth in the Project Budget exceed the amount of financing commitments received pursuant to subparagraph (a) above, a financial statement and/or other documentation reasonably satisfactory to City sufficient to demonstrate that Lessee has adequate funds available and committed to cover such difference; and

(c) a copy of the guaranteed maximum price or stipulated sum construction contract between Lessee and its general contractor for all of the improvements required to be constructed by Lessee hereunder, certified by Lessee to be a true and correct copy thereof.

3. ACQUISITION OF LEASE AND DEVELOPMENT OF PROJECT.

3.1 Acquisition of Leasehold Interest in Property. The Property is currently owned by Irvine Company. Lessee's execution of a ground lease with Irvine Company on the terms set forth herein ("**Lease**") is a Funding Condition. The Lease (a) shall have a term of no less than fifty-five (55) years from the date that all units in the Project have received all required occupancy permits from the City, (b) shall permit the Property to be developed and operated in accordance with the terms set forth in this Agreement and the Regulatory Agreement, and shall otherwise be consistent with this Agreement and the Regulatory Agreement, such that compliance with this Agreement and the Regulatory Agreement will not cause a default under the Lease and vice versa, (c) shall provide leasehold mortgagees notice and cure rights under the Lease in the event of a default by Lessee, (d) shall recognize the rights of leasehold mortgagees to become the legal holder and owner of the interest of Lessee under the Lease by foreclosure or other enforcement proceeding and to thereafter assign the Lease to a new tenant to operate the Property in accordance with the Lease, and (e) shall provide that modifications to the Lease which are inconsistent with any of the foregoing conditions are subject to the prior written approval of City. City shall have the right to approve the form of the Lease before it is executed for the limited purpose of confirming that the foregoing conditions are satisfied. Upon execution of the Lease by Lessee and Irvine Company, Participant shall deliver or cause Lessee to deliver a copy of the executed Lease to City.

3.2 Scope of Work. Participant shall develop or cause to be developed the Project on the Property in strict accordance with the plans and drawings approved by City and in

accordance with all applicable law, rules and regulations, including those set forth in Exhibit "D" to this Agreement. If Participant or Lessee desires to make any change in any approved development or building plans, the proposed change shall be submitted to City for approval. Participant shall be responsible for all construction and installation and for obtaining or causing Lessee to obtain all necessary permits and approvals.

3.3 Development Approvals and Permits. Prior to commencement of the grading of the Property, Participant shall, at its own expense, secure or cause to be secured the grading permit from City and all permits, licenses and approvals which may be required by any governmental agency having jurisdiction over the Property and the Project other than building permits. Prior to commencement of development of any other improvements to the Property, Participant shall have obtained, at its own expense, approval of the final plans for the Project and the building permits for the Project.

3.4 Construction Contract. Participant acknowledges that the requirements of Section 5.1 of this Agreement shall apply to the construction contracts and subcontracts for the Project and Participant shall ensure compliance with all such provisions and requirements. Participant shall cause the inclusion of the applicable classification and wage rate determination for the Project in the construction contract for the Project, which, if authorized by law, may be satisfied by Participant incorporating by reference said classification and wage rate determination. City shall have the right to approve the classification and wage rate that is included with the construction contract and posted for the Project.

3.5 No Debarred, Suspended, or Ineligible Parties. Participant shall not permit Lessee to employ, engage the services of, or award any contractors to any party that is debarred, suspended, or otherwise ineligible to participate in a project that is receiving CDBG Funds pursuant to the CDBG Requirements and any other laws, rules and regulations. Participant shall provide to City such certifications as required by City demonstrating compliance with this Section.

3.6 Construction Meeting. Participant shall attend and cause the contractor(s) for the Project to attend any construction meetings or conferences arranged by City among the contractor, Participant, and City, including pre-construction meetings, relating to undertaking and completing the Project in conformance with this Agreement and applicable local, state, and federal laws.

3.7 Schedule of Performance. Participant shall submit or cause Lessee to submit all required plans and drawings, commence and complete construction of the Project, and satisfy or cause Lessee to satisfy all other obligations and conditions of this Agreement within the times established in the Schedule of Performance and this Agreement. Once construction of the Project is commenced, it shall be continuously and diligently pursued to completion, and shall not be abandoned for more than ten (10) consecutive business days. The Schedule of Performance is subject to revision from time to time as may be mutually agreed upon in writing between Participant and City. During the course of construction, Participant shall, if requested by City, provide to City monthly written reports on the progress of construction.

3.8 Rights of Inspection. Representatives of the City shall have a reasonable right of access to the Property during normal business hours for the purposes of this Agreement,

including, but not limited to, the inspection of the work being performed and the interviewing of laborers and mechanics employed on the Project. Participant shall cooperate with, and shall cause Lessee, the contractor and any subcontractor to cooperate with, City in connection with its inspection and access rights. It is understood that City does not by this Section 3.8 assume any responsibility or liability for a negligent inspection or failure to inspect. All inspections by City or on behalf of City, approvals of payment requests by City and other actions by City in connection therewith are not to be construed as a representation by City that there has been compliance with any permits or plans and specifications, legal requirements, or that the Project is free of defects in materials or workmanship. Any inspections or determinations made by City or lien waivers, receipts, or other agreements, documents, and instruments obtained by City are made or obtained solely for City's own benefit and not in any way for the benefit or protection of Participant. City has no obligation to Participant to ensure compliance by the contractor or any other person in carrying out such construction. No such inspections or review will limit any of the rights and remedies of City pursuant to this Agreement.

3.9 Project Costs. Except to the extent City has specifically agreed to provide the City Grant pursuant to Section 2, Participant and/or Lessee shall be responsible for all costs related to the Project.

3.10 Release from Covenants for Portion of the Property. Upon the final approval pursuant to law and recording in the Official Records for Orange County, California, of the Parcel Map, City shall, upon the request by Participant, release the portion of the Property that is not included within the Project Parcel from this Agreement and the Regulatory Agreement, with the form of said release(s) to be as reasonably approved by Participant and City and their respective legal counsel. The Project Parcel shall remain subject to this Agreement and all documents that are attached as exhibits hereto, and the parties shall execute and record any instruments that may be necessary or proper to ensure that this Agreement and said exhibits remain in place after the recording of Parcel Map. As of the date of this Agreement, the subdivision map that has been designated as the Parcel Map is City of Irvine Tentative Parcel Map No. 2010-128.

4. OPERATION OF PROGRAM; USE OF PROPERTY.

4.1 Obligation to Operate Program; Program Description. Commencing from the date the City Grant is first spent for the Property and continuing for a period of fifty-five (55) years following the date all of the units in the Project have received occupancy permits, Participant shall operate the Program and perform the Program Services on a continuous basis and shall use the Property for no other purpose. The Program shall consist of the operation of a 60-unit affordable housing rental project, with the units rented to Eligible Tenants at an Affordable Rent in accordance with the Unit Mix, on the terms set forth in this Agreement and the Regulatory Agreement.

4.2 Change in Use of Property. The parties agrees that the provisions of 24 C.F.R. 570.505 allowing a change in the use of the Property upon payment of certain amounts to City are not applicable and that the Property shall be subject to the affordability covenants in the Regulatory Agreement for the term set forth therein.

4.3 Standard of Performance. Participant shall operate or cause to be operated the Program, and perform or cause to be performed all Program Services, in a competent, professional, and first class manner and to the satisfaction of City in its reasonable discretion and in accordance with this Agreement. In addition, Participant shall operate the Program and perform the Program Services in compliance with the CDBG Requirements and in a manner that meets the CDBG national objective(s) under which the City Grant was awarded to Participant. In addition to the quarterly reports referred to in Section 8.2, Participant shall, if requested by City, provide to City monthly written reports on the progress of any Program Service. Participant shall cause the Program Services to be performed by Participant or Participant Personnel under Participant's direct supervision, and shall ensure that all Participant Personnel engaged in the Program Services are fully qualified and authorized and permitted under applicable law to operate the Program. Participant shall secure or cause Lessee to secure, at its sole cost and expense, any and all licenses, permits and approvals that may be required by law for the performance of the Program Services. Participant shall be responsible for all costs related to the Program.

4.4 Management. If any manager or supervisor of the Program engages in any of the conduct described in Section 4.6 or knowingly allows such conduct to occur at the Property or by Participant Personnel, or knowingly allows illegal activity to occur at the Property, City shall have the right to require that Participant immediately replace or cause Lessee to replace such manager or supervisor of the Program.

4.5 Drug Free Covenant. Participant shall use best efforts to maintain or cause Lessee to maintain a drug free environment on the Property. Participant covenants to City that Participant shall use its best efforts to ensure that Participant Personnel and all persons working or residing on the Property shall not unlawfully manufacture, distribute, dispense, possess or use controlled substances, as said term is defined in 21 United States Code Section 812 and California Health and Safety Code Section 11007 (or successor statutes), including marijuana, heroin, cocaine, and amphetamines on the Property.

4.6 Program Defaults. If the Participant shall or permit Participant Personnel to:

(a) engage in any act injuring, abusing, mistreating, or endangering any employee or client of the Program or other persons receiving services under the Program, including any tenants or occupants of the Project as reasonably determined by City;

(b) violate the provisions of Section 4.5 above; or

(c) engage in any act or transgression that, in the reasonable judgment of City, may cause embarrassment to Redevelopment Agency or City, reflect adversely upon City or the Redevelopment Agency or their respective funding programs or upon Participant, tend to bring the Program into public disrepute, contempt, scandal, or ridicule, or tend to shock, insult or offend the community or public morals or decency, then

City and Participant agree to meet and confer within ten (10) days of the request of the City to determine a resolution reasonably acceptable to the City and the Participant agrees to thereafter promptly implement the resolution. The failure of the Participant to implement the resolution shall constitute a default under this Agreement ("**Program Default**").

4.7 Occupants of Housing Facilities. To the extent permitted by applicable law, Participant shall cause Lessee to include in its occupancy or lease agreements with the persons residing in the facility ("**Occupants**") a requirement that the occurrence of any illegal activity by the Occupant, or by Occupant's guests at the Property, shall be grounds for immediate termination of the Occupant's right to reside within the housing facility and City shall have the right to require that Participant enforce such provision.

5. AGREEMENTS WITH THIRD PARTIES.

5.1 General. If Participant enters into any agreements ("Third Party Contracts") with contractor(s) for the construction of the Project ("Other Contacting Party"), such Third Party Contract shall be subject to the reasonable approval of City and must be consistent with the terms of this Agreement. Participant shall include in all Third Party Contracts the following minimum requirements: (a) provisions for the Other Contracting Party to comply with all terms of this Agreement to the extent applicable to the work or services provided by the Other Contracting Parry, and all applicable legal requirements, including the CDBG Requirements; (b) provisions for the Other Contracting Party to cooperate with City and make available to City all information, documents, and records reasonably requested by City in connection with the activities under this Agreement; (c) provisions for City to be granted the right of access to the Property for purposes of this Agreement and evaluating Participant's performance hereunder; and (d) a provision naming City as an intended third party beneficiary with the right but not the obligation to enforce the agreement upon the occurrence of and during the continuance of a default under the relevant Third Party Contract. In connection with the preceding sentence, City shall have the right to require Participant to terminate the Third Party Contract if such default occurs. In addition to the foregoing, Participant shall include in its construction contracts for the Project and cause to be included in any subcontracts a provision that City may interview laborers and mechanics employed on the Project and that the contractors and subcontractors shall require any laborers or mechanics employed or engaged by it to cooperate with City . If Participant believes that any of the CDBG Requirements are not applicable to a Third Party Contract, it is Participant's responsibility to provide to City evidence that the requirement is not applicable; however, it is ultimately Participant's responsibility to include all legal requirements in its Third Party Contracts and City shall have no liability for Participant's failure to comply with this obligation. In connection therewith, any statement made by City to Participant as to the non-applicability of a particular legal requirement shall be provided as an accommodation to Participant and as a statement of City's opinion, but shall not be relied upon by Participant or excuse Participant from Participant's responsibility to include all applicable legal requirements in its Third Party Contracts or to comply with such requirements. Participant acknowledges that City's approval of a Third Party Contract shall in no way constitute an assumption by City of any responsibility whatsoever for the construction of the Project or performance of any activity that is the subject of the Third Party Contract, or Participant's or the Other Contracting Party's compliance with applicable laws, statutes, ordinances, codes, rules and regulations, or Participant's compliance with this Agreement. In connection therewith, City assumes no responsibility or liability for any act or omission of any Other Contracting Party and in no way guarantees any of the work to be done or materials to be supplied or services to be performed. Participant shall comply with all terms of Third Party Contracts.

5.2 Lessee Regulatory Agreement. Prior to the commencement of construction of the Project and as a condition to the disbursement of any City Grant Funds, Participant shall enter

into with Lessee and record against the Property or deliver to City for recordation a regulatory agreement in such form as approved by the City Manager or his designee and the City Attorney ("**Regulatory Agreement**"). The Regulatory Agreement shall constitute a Third Party Contract and shall be subject to the provisions of this Agreement, including the requirements of Third Party Contracts set forth in Section 5.1. In addition, the Regulatory Agreement shall contain provisions that it cannot be terminated or modified without the prior written consent of City. The Regulatory Agreement also shall require that the units be rented to Eligible Tenants at an Affordable Rent in accordance with the Unit Mix.

6. PROGRAM INCOME.

Participant shall submit to City quarterly reports as set forth in Section 8.2 on all program income as defined 24 C.F.R. 570.500(a) generated by activities carried out with CDBG Funds, if any. The program income shall, at City's election, either (a) be returned to City, or (b) retained by Participant and utilized for the Project expenses set forth in the Project Budget or such other activities approved in writing by City, in which case all provisions of this Agreement shall apply to the activities funded by the program income or Participant shall, if required by City, enter into a separate agreement governing the use of the program income. Upon the completion of the Project or the earlier termination of this Agreement, all unused program income shall be returned to City at the election of City.

7. ADDITIONAL COVENANTS OF PARTICIPANT.

7.1 Compliance with Laws and Regulations and CDBG Requirements. Participant shall carry out or cause to be carried out the design, construction and operation of the Project, and operate or cause to be operated the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the CDBG Requirements and the legal requirements set forth in Exhibit "D" attached to this Agreement and the statutes referenced therein, the City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all federal and state fair labor standards, including the payment of prevailing wages and compliance with the Davis-Bacon Act unless Participant provides evidence acceptable to City that such requirements are not applicable to the Project. Because the source of the City Grant is funds received from HUD pursuant to the federal government's Community Development Block Grant program, Participant is required to comply with all applicable CDBG Requirements. In the case of any conflict between the CDBG Requirements and this Agreement, the CDBG Requirements shall control; it being understood, however, that in order to be in compliance with this Agreement and the CDBG Requirements, Participant shall, to the extent possible, comply with the most restrictive provisions in this Agreement and the CDBG Requirements. Each and every provision required by law to be included in this Agreement shall be deemed to be included, and this Agreement shall be read and enforced as though all such provisions were included. Participant acknowledges and agrees that it shall be and remain, and shall cause the Participant Personnel to be and remain, fully knowledgeable and apprised of all local, state and federal laws, rules and regulations in any manner affecting the performance under this Agreement, including the CDBG Requirements. Participant shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, expense and/or "increased costs" (including reasonable attorneys' fees, court and litigation costs, and fees

of expert witnesses) that results or arises in any way from any of the following: (a) the noncompliance by Participant or Participant Personnel of any applicable local, state and/or federal law, including, without limitation, any applicable federal and/or state labor laws (including, without limitation, if applicable, the requirement to pay state or federal prevailing wages and hire apprentices); (b) the implementation of Section 1781 of the Labor Code, as the same may be amended from time to time, or any other similar law, by Participant or Participant Personnel; and/or (c) failure by Participant or Participant Personnel to provide any required disclosure or identification as required by Labor Code Section 1781, as the same may be amended from time to time, or any other similar law. The foregoing indemnity shall survive termination of this Agreement. It is agreed by the parties that, in connection with the development and construction of the Project, including, without limitation, any and all public works (as defined by applicable law), Participant shall bear all risks of payment or non-payment of prevailing wages under federal law and California law and/or the implementation of Labor Code Section 1781, as the same may be amended from time to time, and/or any other similar law. "Increased costs," as used in this Section 7.1, shall have the meaning ascribed to it in Labor Code Section 1781, as the same may be amended from time to time.

7.2 Maintenance. Participant shall maintain or cause to be maintained all improvements on the Property in first class condition and repair (and, as to landscaping, in a healthy condition) and in accordance with any approved plans for the Project, and all other applicable laws, rules, ordinances, orders, and regulations, including without limitation the City of Irvine Municipal Code, and all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials. In addition, Participant shall make or cause to be made all repairs and replacements necessary to keep the improvements in first class condition and repair and shall promptly eliminate or cause to be eliminated all graffiti and debris and replace or cause to be replaced dead and diseased plants and landscaping with comparable materials. In the event that Participant breaches any of the covenants contained in this Section 7.2 and such default continues for a period of fifteen (15) days after written or verbal notice from City (with respect to landscaping, graffiti, debris, waste material, or general maintenance) or thirty (30) days after written notice from City (with respect to building improvements), then City, in addition to whatever other remedy it may have at law or in equity, shall have the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the default and to protect, maintain, and preserve the improvements and landscaped areas on the Property. Participant shall, immediately upon demand therefor by City, pay to City an amount equal to the expenditures arising from such acts and work of protection, maintenance, and preservation by City and/or costs of such cure, including a ten percent (10%) administrative charge.

7.3 Obligation to Repair. If the improvements on the Property shall be totally or partially destroyed or rendered wholly or partly uninhabitable by fire or other casualty required to be insured against by Participant or Lessee, Participant shall promptly proceed to obtain or cause Lessee to obtain insurance proceeds and take all steps necessary to begin reconstruction and, immediately upon receipt of insurance proceeds, to promptly and diligently commence or cause Lessee to commence the repair or replacement of the improvements so that the Program can continue to be operated, and Participant shall complete or cause Lessee to complete the same as soon as possible thereafter.

7.4 Relocation. Participant, at its sole cost and expense, shall be responsible for providing or causing Lessee to provide any relocation assistance and paying or causing Lessee to pay all relocation costs to any tenants or occupants who may be displaced from the Property if such benefits or assistance are required to be provided by law. Participant shall indemnify, defend, and hold harmless City and the Redevelopment Agency from and against any and all claims, liabilities, damages or losses made against it by tenants or occupants of the Property, including without limitation claims for relocation assistance, inverse condemnation, and claims otherwise arising from any act or omission of Participant pursuant to this Section 7.4. To the best of Participant's knowledge, there are no occupants or tenants of the Property.

7.5 Liens. Participant shall cause Lessee to pay and promptly discharge all Impositions, liens, encumbrances and charges upon the Property, or any part thereof or interest therein. As used herein, the term "**Impositions**" shall mean all (a) real estate and personal property taxes and other taxes and assessments, water and sewer rates and charges and all other governmental charges and any interest or costs or penalties with respect thereto and charges for any agreement maintained for the benefit of the Property, general and special, ordinary and extraordinary, foreseen and unforeseen, of any kind and nature whatsoever which at any time may be assessed, levied or imposed upon the Project, or the rent or income received therefrom, or any use or occupancy thereof, and (b) other taxes, assessments, fees and governmental charges levied, imposed or assessed upon or against Participant or the Property. In addition, Participant shall cause Lessee to timely make all payments on all loans secured by the Property or other debts which could give rise to a security interest in the Property.

8. RECORDS AND REPORTS.

8.1 Records.

8.1.1 Records to be Maintained. Participant shall keep and maintain or cause Lessee to keep and maintain records providing a full description of the activities undertaken pursuant to this Agreement, including the development of the Project and operation of the Program, records demonstrating that the Program meets one of the CDBG program's national objectives, records demonstrating the eligibility of the activities constituting the Eligible Project Expenses, records demonstrating compliance with this Agreement and CDBG Requirements, data demonstrating client eligibility for services provided including the name, income level, family size of each client and other information for determining eligibility and a record of the services provided to each client, and such other records as may be reasonably required by City to enable City to evaluate the development of the Project and operation of the Program and Participant's compliance with the CDBG Requirements, and to identify and account for the use of the City Grant proceeds and expenditures of Eligible Project Expenses and all costs pertaining to this Agreement, and to enable City to comply with City's record keeping and reporting requirements under the CDBG Requirements, including without limitation the records specified in 24 C.F.R. 570.506 as they pertain to the activities under this Agreement. Books and records pertaining to the Eligible Project Expenses shall be kept and prepared in accordance with generally accepted accounting principles or as otherwise required by City.

8.1.2 Retention. Participant shall retain or cause Lessee to retain the books and records required to be maintained under this Agreement for a period of five (5) years following the date the Property use restriction in Section 4.1 of this Agreement is no longer applicable;

provided, however, in the event any litigation, audit, negotiation, or other action involving the books and records is commenced prior to the expiration of the five (5) year retention period, Participant shall retain or cause Lessee to retain the books and records until completion of the action and resolution of all issues which arise from it.

8.1.3 Location of Records. The books and records required to be maintained under this Agreement shall be kept at the Property or at the office of Lessee or Participant or such other location as approved by City.

8.1.4 Access to Records. City and HUD and/or their representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Participant pertaining to this Agreement at all times during normal business hours.

8.1.5 Audits. Participant shall perform and cause Lessee to perform all audits of their respective books and records required by the CDBG Requirements or City or HUD and a copy of such audits shall be forwarded to the City within thirty (30) days after completion. Participant shall be subject to all audit and review requirements imposed on City in connection with this Agreement and shall, at its sole cost and expense, cause such audits and reviews to be timely performed.

8.2 Reports.

8.2.1 Quarterly Reports. No later than fifteen (15) days after the end of each Quarter, Participant shall submit or cause Lessee to submit to City the following quarterly reports on forms approved by the Contract Officer:

(a) *Performance Reports.* A report on the status of the Project improvements and a summary of the Program Services undertaken by Participant under this Agreement for the previous Quarter ("**Performance Report**"). The Performance Report shall, at a minimum, describe the Program Services performed, the status of the Project, costs incurred, funds remaining, a narrative explanation of problems, delays, or adverse conditions which impaired the ability of Participant to meet any obligations if any were not met, favorable developments which enabled Participant to satisfy obligations and meet objectives sooner or at less cost than anticipated or producing more beneficial results that planned, and any additional pertinent information related to contract performance.

(b) *Client Characteristics.* A report on the number of clients served through the Program in the previous Quarter and on the characteristics of those clients with respect to gender, race/ethnicity, age, and family income, and any other basis for determining eligibility for participation in the Program.

(c) *Program Income.* A report on the program income generated for the Quarter, if any, as more fully explained in Section 6 of this Agreement, which shall include a description of the expenditures of program income and a progress report for the activities funded by the program income if Participant is permitted to retain program income.

8.2.2 Other Reports. In addition to the reports referenced in Section 8.2.1, Participant shall, at such times and in such forms as reasonably required by City, prepare and submit to the Contract Officer, such other reports concerning the activities under this Agreement, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement and compliance with CDBG Requirements, as City may reasonably require from time to time.

9. INSURANCE AND INDEMNITY.

9.1 Insurance. Participant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policy of insurance:

Commercial General Liability Insurance. A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars ($1,000,000) or its equivalent.

Participant shall cause Lessee to procure and maintain, at Lessee's sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance:

(a) *Commercial General Liability Insurance*. A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars ($1,000,000) or its equivalent.

(b) *Worker's Compensation Insurance*. A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California.

(c) *Builder's Risk*. Builder's risk coverage written on a completed value basis in an amount equal to the full replacement cost of the improvements with coverage available on the so-called non-reporting "all risk" form of policy, including coverage against collapse, fire, and water damage, with such insurance to be in such amounts and form and written by such companies as shall be approved by City. City agrees to accept a builder's risk insurance policy from the general contractor for the Project in conformance with the requirements set forth herein, including without limitation the requirement that City be named as a loss payee.

(d) *Automobile Liability Insurance*. Automobile liability insurance (bodily injury and property damage liability) which coverage shall include owned, hired, and non-owned automobiles, with limits of liability of not less than Five Hundred Thousand Dollars ($500,000.00) combined single limit per accident for bodily injury and property damage combined.

All of the above policies of insurance shall be primary insurance and except for the Worker's Compensation Insurance shall name the City, its officers, employees and agents as additional insureds or, with respect to the builder's risk policy, as a loss payee. Said policies shall be satisfactory only if issued by companies qualified to do business in California and rated A:VII or better in the most recent edition of the Best Rating Guide. The insurer shall waive all rights of subrogation and contribution it may have against the City, its officers, employees and

agents and their respective insurers. All of said policies of insurance shall provide that said insurance may not be amended or canceled without providing thirty (30) days prior written notice by registered mail to City. In the event any of said policies of insurance are canceled, Participant shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 9.1 to the Contract Officer. The foregoing obligations shall remain in effect until the completion of the Project, at which time Participant shall cause Lessee to maintain the insurance set forth in the Regulatory Agreement.

Participant agrees that the provisions of this Section 9.1 shall not be construed as limiting in any way the extent to which Participant may be held responsible for the payment of damages to any persons or property resulting from Participant's activities or the activities of any person or persons for which Participant is otherwise responsible or for Participant's indemnity obligations set forth in Section 9.2 herein. No later than the Insurance Approval Date, Participant shall provide evidence of the above-required insurance (such as Certificates of Insurance of appropriate insurance binders) and obtain approval thereof from the Contract Officer, which approval shall not be unreasonably withheld or delayed and may be waived in Contract Officer's sole and absolute discretion. As used herein, the term "**Insurance Approval Date**" shall mean the date that is the earlier of (a) the date that is five (5) days prior to the anticipated closing date of the Construction Escrow; or (b) the later of the date that is five (5) days after the Effective Date, or the date that Lessee and Irvine Company execute the Lease. City's approval of the insurance required hereunder is a Funding Condition.

9.2 Indemnification. Participant shall indemnify, defend, and hold harmless City and its officers, officials, employees, representatives and agents (collectively, the "**Indemnitee**") from and against any and all liability, expense or damage of any kind or nature, and for, from and against any suits, claims or demands, including legal fees and expenses, on account of or arising out of this Agreement or otherwise in connection with the Property, Project or Program, except to the extent of such loss as may be caused by the sole negligence or willful misconduct of an Indemnitee. Upon receiving knowledge of any suit, claim or demand asserted by a third party that City believes is covered by this indemnity, City shall give Participant notice of the matter and an opportunity to defend it, at Participant's sole cost and expense, with legal counsel satisfactory to City.

10. REPRESENTATIONS AND WARRANTIES OF PARTICIPANT.

Participant makes the following representations and warranties as of the date of this Agreement and agrees that such representations and warranties shall survive and continue thereafter:

(a) *Authorization and Validation.* The execution, delivery and performance by Participant of this Agreement (i) are within the powers of Participant and upon its execution will constitute a legal, valid and binding obligation of Participant enforceable in accordance with its terms, and (ii) to Participant's knowledge, will not violate any provisions of law, any order of any court or other agency of government, or any indenture, agreement or any other instrument to which Participant is a party or by which Participant, or any of its property, is bound, or be in conflict with, result in any breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge

or encumbrance of any nature whatsoever upon any of its property or assets, except as contemplated by the provisions of this Agreement.

(b) *Correct Information.* To Participant's knowledge, all reports, papers, data and information given to City with respect to Participant and this Agreement, including the Property and Program are accurate and correct in all material respects and complete insofar as completeness may be necessary to give City a true and accurate knowledge of the subject matters thereof, and there has been no change in such information.

(c) *Defaults.* Participant is not a party to any agreement or instrument that will interfere with its performance under this Agreement, and is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions set forth in any agreement or instrument to which it is a party.

(d) *Pending Litigation.* There is not now pending, or to Participant's knowledge threatened, against or affecting Participant any claim, investigation, action, suit or proceeding at law, or in equity, or before any court or administrative agency which, if adversely determined, would impair or affect the Property or Participant.

(e) *Compliance.* Participant has examined and is familiar with all conditions, restrictions, reservations and ordinances affecting the Property and Project.

11. DEFAULTS AND REMEDIES.

11.1 Defaults-General. The occurrence of any of the following shall be deemed a default under this Agreement:

(a) The failure or delay by either party to perform any term or provision of this Agreement if such failure is not cured, corrected or remedied within any specific time period set forth in this Agreement.

(b) If no other specific time period is set forth herein, the failure to cure a monetary default under this Agreement (other than any monetary defaults specifically listed in any of the other subparagraphs of this Section 11.1) within ten (10) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default.

(c) If no other specific time period is set forth herein, the failure to cure a non-monetary default under this Agreement (other than any non-monetary defaults specifically listed in any of the other subparagraphs of this Section 11.1) within thirty (30) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default; provided, however, that if the failure cannot be corrected within such period, it shall not constitute a default if the failure is correctable without material adverse affect on the Property, and if corrective action is instituted by Participant within such period and diligently pursued until the failure is corrected, and provided further that any such failure is cured within ninety (90) days of receipt of notice of such failure.

(d) Subject to Section 13.10, Participant does not proceed with the commencement, construction and completion of the Project as herein provided.

(e) Subject to Section 13.10, work ceases on the Project for ten (10) consecutive business days.

(f) The occurrence of a Program default described in Section 4.6.

(g) Any of the warranties or representations made by Participant herein are or become false, incorrect or misleading in any material respect and to the extent capable of being cured are not cured within the cure period set forth in subparagraph (c) above.

(h) Participant commits any act of bankruptcy or if any relief under the Bankruptcy Act is sought by or against Participant, or if a receiver is appointed to take charge of the assets or affairs of Participant, or if Participant should make an assignment for the benefit of creditors, or if Participant should become insolvent, or upon any liquidation or termination of Participant; provided, however, that if any such proceeding is brought involuntarily against Participant, Participant shall have ninety (90) days to obtain the dismissal of such proceeding.

(i) The filing of a notice of judgment lien against Participant, or the recording of any abstract of judgment against Participant, or the service of a notice of levy and/or of a writ of attachment or execution, or other like process, against the assets of Participant, or the entry of a judgment, order or decree against Participant, any or all of which would have a material and adverse effect upon Participant's ability to perform under this Agreement, unless the same is dismissed within ninety (90) days.

(j) Participant, JHC or Lessee shall default under any agreements, permits, development documents, construction contracts, bond agreements, or any other instrument executed in connection with the development of the Project or operation of the Project, including without limitation the construction contract, the Redevelopment Agency Grant Agreement, the HOME Loan Agreement, the HOME Grant Agreement, the Land Trust Loan Agreement or the Lease, which default is not cured within any grace and cure period expressly provided in such contract or instrument.

(k) Participant, JHC or Lessee shall default in the payment or performance of any obligation, or any defined event of default, under the terms of any contract or instrument pursuant to which Participant has incurred any debt or other liability to City, the Redevelopment Agency, or any other person or entity that has an interest secured by a lien recorded against the Property, which default is not cured within any grace and cure period expressly provided in such contract or instrument.

The party in default shall provide to the other party immediate written notice of the occurrence of any event that would constitute a default hereunder.

11.2 Remedies Upon Default. In addition to any other rights or remedies available at law or in equity, upon a default under this Agreement (other than a default of City) City may take one or more of the following actions:

(a) Wholly or partially suspend or terminate this Agreement.

(b) Withhold further awards for the Project, including further disbursements of the City Grant.

(c) Require Participant to repay the City Grant funds.

(d) Institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement.

In addition to the foregoing, City shall have the right to withhold disbursements of City Grant proceeds during such period as may be necessary to determine whether a default has occurred and during any cure period. Upon the occurrence of an event which, with the passage of time or the giving of notice, would constitute a default under this Agreement (other than a default of City), City may temporarily withhold disbursements of City Grant proceeds pending correction of the default by Participant.

Except as otherwise expressly provided in this Agreement, any failure or delay by a party in asserting any of its rights and remedies as to any default shall not constitute a waiver of any default, nor shall it change the time of default, nor shall it deprive the non-defaulting party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

11.3 Institution of Legal Actions. In addition to any other rights or remedies, either Party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that county.

11.4 Applicable Law Venue. The internal laws of the State of California without regard to conflict of law principles shall govern the interpretation and enforcement of this Agreement. All legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that County.

11.5 Rights and Remedies are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

11.6 Attorney's Fees. If either party to this Agreement is required to initiate or defend litigation in any way connected with this Agreement, the prevailing party in such litigation, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees from the losing party. If any party to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other party, then the party so litigating shall be entitled to reasonable attorney's fees from the other party to this Agreement. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other

reasonable costs for investigating such action, retaining expert witnesses, taking depositions and discovery, and all other necessary costs incurred with respect to such litigation.

12. TERMINATION.

In addition to any other termination provision set forth in this Agreement, this Agreement may be terminated by City as follows:

(a) *Lack of Funding.* If, for any reason, the CDBG Funds required by City to fund the Eligible Project Expenses are not received by City or are withdrawn from City, the City may unilaterally terminate or modify the terms of this Agreement to reflect the loss of funding. If a reduction in funding is required, City will provide Participant with a modified Project Budget. This subdivision (a) shall not be applicable after the date City has disbursed to Participant the funds for the City Grant, whether the funds provided by City are CDBG Funds or, at City's election and in its sole discretion, another source of funds.

(b) *Default.* If a default shall occur (other than a default of City), City may terminate this Agreement in whole or in part.

(c) *Failure to Receive Environmental Clearance.* In accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," HUD or the state does not approve the Request for Release of Funds (RROF) and related certifications for the Project and the Project is not otherwise exempt such that no RROF is required.

(d) *Termination for Convenience.* This Agreement may be terminated by City for convenience as provided in 24 C.F.R. § 85.44.

Notwithstanding the expiration or earlier termination of this Agreement, the following obligations of Participant shall survive the termination of this Agreement: (a) Participant's indemnity obligations; (b) the obligation to cause audits to be performed relating to Participant's activities and costs under this Agreement; (c) the obligation to repay to City any City Grant proceeds improperly disbursed to Participant or used for ineligible expenditures or otherwise required to be repaid under this Agreement; and (d) any other obligations which cannot by their nature be performed until after the expiration or termination of this Agreement. No termination under this Agreement shall release either party then in default from liability for such default.

13. GENERAL PROVISIONS.

13.1 Notices. All notices required to be delivered under this Agreement to City or Participant shall be delivered to the respective parties at the address set forth next to the party's signature to this Agreement or to such other address as the parties may hereafter designate by written notice to the other party.

13.2 Nonliability of City Officials and Employees. No member, official, employee, or contractor of City shall be personally liable to Participant in the event of any default or breach by City or for any amount which may become due to Participant or on any obligations under this Agreement.

13.3 Enforced Delay; Extension of Times of Performance. Time is of the essence in the performance of each of the parties' respective obligations set forth in this Agreement. In addition to specific provisions of this Agreement, and except as expressly set forth in this Section 13.3, performance by either party hereunder shall not be deemed to be in default and such party shall be entitled to an extension of time to perform its obligations hereunder where delays in performance are due to causes beyond the control and without the fault of such party, including as applicable: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplies that are not caused by Participant; acts of the other party; acts or the failure to act of City or any other public or governmental agency or entity that are not caused by Participant; or other causes beyond the reasonable control of the party. Notwithstanding the foregoing, Participant's inability to secure satisfactory financing, interest rates, and market and economic conditions shall not entitle Participant to an extension of time to perform. An extension of time for any cause permitted under this Section 13.3 shall be limited to the period of the enforced delay, which period shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of knowledge of the commencement of the cause. If no written notice is sent within thirty (30) days, for purposes of measuring the extension period for performance of the obligation in question, the period of the enforced delay shall commence to run from the date written notice is sent to the other party. Times of performance under this Agreement may be extended by mutual written agreement of City and Participant.

13.4 Inspection of Books and Records. City shall have the right at all reasonable times to inspect the books and records of Participant pertaining to the Property and the Project as pertinent to the purposes of this Agreement.

13.5 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against any party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply. The Section headings are for purposes of convenience only, and shall not be construed to limit or extend the meaning of this Agreement.

13.6 Entire Agreement, Waivers and Amendments. This Agreement integrates all of the terms and conditions mentioned herein, or incidental hereto, and supersedes all negotiations and previous agreements between the parties with respect to the City Grant. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the party to be charged, and all amendments and modifications hereto must be in writing and signed by the appropriate authorities of City and Participant.

13.7 Severability. If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. In the event that all or any portion of this Agreement is found to be unenforceable, this Agreement or that portion which is found to be unenforceable shall be deemed to be a statement of intention by the parties; and the parties further agree that in such event, and to the maximum extent permitted

by law, they shall take all steps necessary to comply with such procedures or requirements as may be necessary in order to make valid this Agreement or that portion which is found to be unenforceable.

13.8 Prohibition Against Assignment and Transfer. The qualifications and identity of Participant are of particular concern to City. It is because of those qualifications and identity that City has entered into this Agreement with Participant. Accordingly, Participant shall not, whether voluntarily, involuntarily, or by operation of law, undergo any change in ownership or assign, transfer or convey all or any part of this Agreement or any rights hereunder or in the Property, Lessee or in the Project without City's prior written approval. In considering whether it will grant approval, City shall consider factors such as (a) whether the completion of the Project is jeopardized; (b) the financial credit, strength, and capability of the proposed transferee to perform Participant's obligations hereunder, including the operation of the Program on the Property; and (c) the proposed transferee's experience and expertise in the planning, financing, development, ownership, and operation of similar projects and programs. In the absence of specific written agreement by City, no transfer by Participant of all or any portion of its interest in the Property shall be deemed to relieve it or any successor party from the obligation to complete the Project or any other obligations under this Agreement. No assignment shall be approved if Participant is in default (or a default notice has been issued) of this Agreement. Participant shall be responsible for all costs incurred by City in connection with any request for approval of an assignment. Notwithstanding any provisions in this Section to the contrary, Participant shall have the right to transfer or convey all or any part of this Agreement or any rights hereunder or in the Property or in the Project, without City's prior written approval, to Lessee, JHC, an affiliate of JHC, or a limited partnership in which JHC is the general partner for the development and operation of the Project, so long as the purpose of said transfer or conveyance complies with and facilitates the terms and conditions of the Land Trust Loan Agreement. As used in this Section, the term "affiliate" shall mean an entity that directly or indirectly controls or is controlled by JHC.

13.9 Contract Administration and Approvals. The Contract Officer shall be the person designated by City to administer this Agreement on behalf of City and such administrative authority shall include but not be limited to the right to approve extensions of time on behalf of City and to issue waivers, and the Participant Representative shall be the person designated by Participant to administer this Agreement on behalf of Participant.

The City Manager or his designee shall have the authority to consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities concerning the City Grant, including but not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of City as specified herein. The Participant Executive Director or his designee shall have the authority to consent to any matter requiring Participant approval or consent as provided in this Agreement, and to perform and carry out any activities concerning the City Grant, including but not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of Participant as specified herein.

13.10 Covenants to Run with the Land. This Agreement is designed to create equitable servitudes and covenants running with the Property, in favor of City. This Agreement shall be binding upon the parties hereto and their respective heirs, representatives, transferees,

successors, and assigns and all persons having any right, title or interest in the Property. All conditions, covenants, and restrictions contained in this Agreement shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by, City and its successors and assigns, against Participant, its successors and assigns, to or of the Property or any portion thereof or any interest therein, and any party in possession or occupancy of said Property or portion thereof. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided hereinabove both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate. City shall have the right, in the event of any breach of any such agreement or covenant, to exercise all rights and remedies, including maintaining an action at law or suit in equity or other proper proceedings to obtain damages or enforce the curing of such breach of agreement or covenant.

13.11 Monitoring. City shall monitor and evaluate Participant's performance under this Agreement to determine compliance with this Agreement and the CDBG Requirements. Participant shall cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide or cause to be provided to City the reasonable right of access to the Property for purposes of this Agreement and evaluating Participant's performance hereunder.

13.12 Authority to Execute. The person(s) executing this Agreement on behalf of the parties hereto warrant that (a) such party is duly organized and existing, (b) they are duly authorized to execute and deliver this Agreement on behalf of said party, and (c) by so executing this Agreement, such party is formally bound to the provisions of this Agreement.

13.13 Execution in Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

13.14 Exhibits. This Agreement incorporates by reference the following four (4) Exhibits attached hereto:

Exhibit A	Legal description of Property
Exhibit B	Project Budget
Exhibit C	Schedule of Performance
Exhibit D	Summary of Legal Requirements

SCHEDULE OF PERFORMANCE

	TASK	TIME FOR PERFORMANCE
1.	Participant submits evidence of insurance to City (§ 9.1).	No later than the date that is the earlier of (a) the date that is 5 days prior to the anticipated closing date of the Construction Escrow; or (b) the later of the date that is 5 days after the Effective Date, or the date that Lessee and Irvine Company execute the Lease.
2.	Participant submits evidence of Lessee's financial capability to develop the Project to City (§ 2.4).	No later than 5 days after the execution of the Land Trust Loan Agreement by Participant and Lessee.
3.	Funding Conditions satisfied, including without limitation the execution of the Lease and City's approval of evidence of financial capability (§2.2).	No later than October 20, 2010.
4.	Participant commences or causes the commencement of the grading of the Property (§3.7).	No later than October 30, 2010.
5.	Participant commences or causes the commencement of construction of the vertical improvements for the Project (§3.7).	No later than November 5, 2010.
6.	Participant completes or causes the completion of construction of the Project (§3.7).	No later than April 30, 2012.
7.	Participant causes affordable housing Program to be operated on Property (§§ 4, 5.2).	For a period of 55 years in accordance with the Regulatory Agreement.

It is understood that the foregoing Schedule is subject to all of the terms and conditions of the text of the Agreement. The summary of items of performance in the Schedule is not intended to supersede or modify any more complete description in the text; in the event of any conflict or inconsistency between this Schedule and text of the Agreement, the text of the Agreement shall govern. Times of performance under this Agreement may be extended by mutual written

agreement of City and Participant. The Contract Officer of City shall have the authority on behalf of City to approve extensions of time.

EXHIBIT "D"

SUMMARY OF LEGAL REQUIREMENTS

In addition to the requirements set forth in other provisions of the Agreement, Participant shall comply, and shall cause all Participant Personnel to comply, with the following regulations and requirements.[1]

1. Equal Opportunity and Nondiscrimination.

a. Title VI of the Civil Rights Act of 1964, as amended, including Public Law 88-352 implemented in 24 CFR Part 1. This law provides in part that no person shall, on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. In regard to the sale or lease of the Property, Participant shall cause or require a covenant running with the land to be inserted in the deed and leases prohibiting discrimination under this Title, and providing that City and the United States are beneficiaries of and entitled to enforce such covenants. Participant shall enforce such covenant and shall not itself so discriminate.

b. Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended, including Public Law 90-234. The Fair Housing Act provides in part that there shall be no discrimination in housing practices on the basis of race, color, religion, sex, and national origin. The Fair Housing Act was amended in 1988 to provide protections from discrimination in any aspect of the sale or rental of housing for families with children and persons with disabilities. The Fair Housing Act also establishes requirements for the design and construction of new rental or for-sale multi-family housing to ensure a minimum level of accessibility for persons with disabilities.

c. Section 109 of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq.*, 42 U.S.C. 6101 *et. seq.*, and 29 U.S.C. 794. This law provides in part that no person on the grounds of race, color, national origin, sex, or religion shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any activity funded in whole or part with funds under this Title.

d. Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq*. This law provides in part that any grant under Section 106 shall be made only if the grantee certifies to the satisfaction of the Secretary of HUD that the grantee will, among other things, affirmatively further fair housing.

e. Executive Order 11246, as amended. This order includes a requirement that grantees and subrecipients and their contractors and subcontractors not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

[1] **This exhibit is a list and summary of some of the applicable legal requirements and is not a complete list of all Participant requirements. The description set forth next to a statute or regulation is a summary of certain provisions in the statute or regulation and is in no way intended to be a complete description or summary of the statute or regulation. In the event of any conflict between this summary and the requirements imposed by applicable laws, regulations, and requirements, the applicable laws, regulations, and requirements shall apply.**

f. **Executive Order 11063, as amended, including 24 CFR Part 107.** This order and its implementing regulations include requirements that all actions necessary be taken to prevent discrimination because of race, color, religion, sex, or national origin in the use, occupancy, sale, leasing, rental, or other disposition of property assisted with Federal loans, advances, grants, or contributions.

g. **Section 504 of the Rehabilitation Act of 1973, as amended**. This Act specifies in part that no otherwise qualified individual shall solely by reason of his or her disability or handicap be excluded from participation (including employment), denied program benefits, or subjected to discrimination under any program or activity receiving Federal assistance. Participant must ensure that its programs are accessible to and usable by persons with disabilities.

h. **The Americans with Disabilities Act (ADA) of 1990, as amended.** This Act prohibits discrimination on the basis of disability in employment by state and local governments and in places of public accommodation and commercial facilities. The ADA also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. The Act defines the range of conditions that qualify as disabilities and the reasonable accommodations that must be made to assure equality of opportunity, full participation, independent living, and economic self-sufficiency for persons with disabilities.

i. **The Age Discrimination Act of 1975, as amended**. This law provides in part that no person shall be excluded from participation in, be denied program benefits, or subjected to discrimination on the basis of age under any program or activity receiving federal assistance.

j. **EEO/AA Statement.** Participant shall, in all solicitations or advertisements for employees placed by or on behalf of Participant, state that it is an Equal Opportunity or Affirmative Action employer.

k. **Minority/Women Business Enterprise**. Participant will use its best efforts to afford small businesses and minority and women-owned business enterprises the maximum practicable opportunity to participate in the performance of the Agreement. As used in the Agreement, the term "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women-owned business enterprise" means a business at least fifty-one percent (51%) owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. Participant may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

2. **Environmental**.

a. **Air and Water**. Participant shall comply with the following regulations insofar as they apply to the performance of the Agreement: Clean Air Act, 42 U.S.C. 7401, *et seq.*; Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, *et seq.*, as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder; and the U.S. Environmental Protection City regulations pursuant to 40 CFR Part 50, as amended.

b. **Flood Disaster Protection Act of 1973**. Participant shall assure that for activities located in an area identified by FEMA as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained.

c. **Lead-Based Paint**. Participant shall comply with the Lead-Based Paint Regulations referenced in 24 C.F.R. 570.608, including 24 C.F.R. Part 35, *et. al.*

d. **Historic Preservation**. Participant shall comply with the historic preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 C.F.R. Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties and related laws and Executive Orders, insofar as they apply to the performance of this Agreement. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a federal, state, or local historic property list.

e. **Limitation on Activities Pending Clearance**. In accordance with 24 C.F.R. § 58.22 entitled "Limitations on activities pending clearance, "neither a recipient nor any participant in the development process, including public or private nonprofit or for-profit entities, or any of their contractors, may commit HUD assistance under a program listed in 24 C.F.R. § 58.1(b) on an activity or project until HUD or the state has approved the recipient's Request for Release of Funds (RROF) and the related certifications have been approved. Neither a recipient nor any participant in the development process may commit non-HUD funds or undertake an activity or project that would have an adverse environmental impact or limit the choice of reasonable alternatives. Upon completion of environmental review or receipt of environmental clearance, City shall notify Participant. HUD funds shall not be utilized before this requirement is satisfied. The environmental review or violation of the provisions may result in approval, modification of cancellation of the City Grant. If a project or activity is exempt under 24 C.F.R. § 58.34, or is categorically excluded (except in extraordinary circumstances) under 24 C.F.R. § 58.35(b), no RROF is required and the recipient may undertake the activity immediately after the City has documented its determination that each activity or project is exempt and meets the conditions specified for such exemption under this section by issuing a Notice to Proceed.

3. **Uniform Administrative Requirements**. Participant shall comply with the applicable uniform administrative requirements described in 24 C.F.R. § 570.502.

4. **Other Program Requirements**. Participant shall carry out each activity under the Agreement in accordance with all applicable federal laws and regulations described in Subpart K of 24 C.F.R. § 570 except for City's environmental responsibilities under 24 C.F.R. § 570.604 and City's responsibility for initiating the review process under the provisions of 24 C.F.R. Part 52.

5. **Reversion of Assets**. Upon the completion of the Project or the date the Project is required to be completed, or sooner termination of the Agreement, Participant shall transfer to City (a) any and all unexpended CDBG Funds, (b) any accounts receivable attributable to the use of CDBG Funds. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by Participant for activities under this Agreement shall at the election of City either be (a) transferred to City for the CDBG program, or (b) retained by Participant after compensating City an amount equal

to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment.

6. Relocation. City shall not be responsible for relocating any occupants from the Property in connection with the Program or Project. If required, Participant shall have the sole and exclusive responsibility for providing relocation assistance and paying all relocation costs required to comply with all applicable federal and state laws, rules, and regulations, including the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 42 U.S.C. § 4601 *et seq.*, as amended, and implementing regulations, and HUD Handbook 1378. Participant shall indemnify, defend, and hold City harmless from and against any claims, liabilities, damages, or losses made against it by tenants or occupants of the Property, including without limitation claims for relocation assistance, inverse condemnation, and claims otherwise arising from any act or omission of Participant pursuant to the provision of relocation assistance.

7. Allowable Costs and Audits. Participant shall comply with and administer the Project and Program in accordance with OMB Circular No. A-122 "Cost Principles for Non Profit Organizations" or OMB Circular No. A-21 "Cost Principles for Educational Institutions", as applicable. If Participant is a governmental or quasi-governmental agency, the applicable sections of 24 CFR Part 85, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," and OMB Circular A-87 shall apply. Participant shall have an annual audit conducted in accordance with OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

8. Records and Reports. Participant shall provide to City and shall cause each of its contractors, subcontractors and subrecipients to provide to City all records and reports relating to the Project and Program that may be reasonably requested by City in order to enable it to perform its record keeping and reporting obligations pursuant to the CDBG Requirements, including but not limited to those described in the Agreement and 24 CFR 570.506.

9. Religious Organizations. If Participant is a religious organization as defined by the CDBG Requirements, Participant shall comply with all conditions prescribed by HUD for the use of CDBG funds by religious organizations, including the First Amendment of the United States Constitution regarding church/state principles and the applicable constitutional prohibitions set forth in 24 C.F.R. § 570.200(j).

10. Conflict of Interest. Participant will comply with 24 C.F.R. 84.42, 85.36 and 570.611 regarding the avoidance of conflict of interest, which provisions include (but are not limited to) the following:

i. Participant shall maintain a written code or standards of conduct that shall govern the performance of its officers, employees or agents engaged in the award and administration of contracts supported by Federal funds.

ii. No employee, officer or agent of the Participant shall participate in the selection, or in the award, or administration of, a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

iii. No covered persons who exercise or have exercised any functions or responsibilities with respect to CDBG-assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the CDBG-assisted activity, or with respect to the proceeds from the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee, the Participant, or any designated public agency.

11. Political Activity (24 CFR 570.207(a)(3)). Participant is prohibited from using CDBG funds to finance the use of facilities or equipment for political purposes or to engage in other partisan political activities, such as sponsoring candidate forums, distributing brochures, voter transportation, or voter registration.

12. Anti-Lobbying Certification. By its execution of the Agreement, Participant hereby certifies that:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

iii. It will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. This certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure. At the request of City, Participant shall execute a separate document that contains the certifications set forth above.

13. Drug-Free Workplace Requirements. Participant shall comply with and be subject to the requirements of the federal drug-free workplace requirements, which include the following actions be taken:

i. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

ii. Establishing an ongoing drug-free awareness program to inform employees about: (a) the dangers of drug abuse in the work place; (b) the grantee's policy of maintaining a drug-free workplace; (c) any available drug counseling, rehabilitation, and employee assistance programs; and (d) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

iii. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (i).

iv. Notifying the employee in the statement required by paragraph (i) that, as a condition of employment under the grant, the employee will: (a) abide by the terms of the statement; and (b) notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.

v. Notifying the agency in writing, within ten calendar days after receiving notice under sub-paragraph (iv)(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant.

vi. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (iv)(b), with respect to any employee who is so convicted: (a) taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or (b) requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

vii. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (i), (ii), (iii), (iv), (v), and (vi).

14. Procurement. If applicable, Participant will comply with the procurement standards under 24 CFR 85.36 for governmental subrecipients and 24 CFR 84.40-48 for subrecipients that are non-profit organizations. Participant shall comply with all existing and future City policies concerning the purchase of equipment.

15. Labor Provisions.

a. Section 3 of the Housing and Community Development Act of 1968. Participant shall comply with and cause its contractors and subcontractors to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. § 1701u),

the HUD regulations issued pursuant thereto at 24 C.F.R, Part 135, and any applicable rules and orders of HUD issued thereunder. The Section 3 clause, set forth in 24 C.F.R § 135.38 provides:

i. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

ii. The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

iii. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

iv. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 135.

v. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. Part 135.

vi. Noncompliance with HUD's regulations in 24 C.F.R Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

Participant shall abide by the Section 3 clause set forth above and will also cause this Section 3 clause to be inserted in all contracts relating to the construction of the Project.

b. Labor Standards. Participant shall comply with the provisions of 24 C.F.R. 570.603 and related requirements. Participant shall include in all applicable construction contracts the provisions of federal law imposing labor standards on federally assisted contracts. Participant shall comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended (40 U.S.C. 3141 through 3148), the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 *et seq.* and implementing regulations), the Copeland Anti-Kick Back Act (40 U.S.C. 276c and 18 U.S.C. 874 *et seq.*), the implementing regulations of the U.S. Department of Labor including 29 CFR Parts 1, 3, 5, 6 and 7, and all other applicable Federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. Participant shall maintain documentation that demonstrates compliance with these provisions and such documentation shall be made available to City and HUD for review upon request. Participant shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

c. HUD Form 4010. Participant shall comply and cause Participant Personnel to comply with the provisions of HUD Form 4010 attached hereto. HUD Form 4010 must be included in the bid packet and construction contract and subcontracts for the Project.

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section l(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section l(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section l(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at http://www.dol.gov/esa/whd/forms/wh347instr.htm or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant ',to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false..... shall be fined not more than $5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds $100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in sub paragraph (1) of this paragraph.

(3) **Withholding for unpaid wages and liquidated damages.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) **Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. **Health and Safety.** The provisions of this paragraph C are applicable where the amount of the prime contract exceeds $100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

ADDENDUM TO STONEGATE PROJECT AGREEMENTS

This ADDENDUM TO STONEGATE PROJECT AGREEMENTS ("**Addendum**") is dated this 14th day of October, 2010, and entered into by and among the CITY OF IRVINE, a California municipal corporation ("**City**"), the IRVINE REDEVELOPMENT AGENCY, a public body, corporate and politic ("**Agency**"), the IRVINE COMMUNITY LAND TRUST, a California nonprofit public benefit corporation ("**Land Trust**"), and STONEGATE HOUSING PARTNERS, L.P., a California limited partnership ("**Developer**").

RECITALS

A. This Addendum is made with reference to the following agreements entered into on or about October 4, 2010 (collectively, the "**Project Agreements**"):

i. the Redevelopment Housing Fund Grant Agreement ("**RDA Agreement**") between Agency and Land Trust for a $2,000,000.00 grant ("**RDA Funds**") to be provided by Agency to Land Trust, a portion of which is to be used for the Stonegate project;

ii. the Community Development Block Agreement ("**CDBG Agreement**") between City and Land Trust for a $464,164.00 grant ("**CDBG Funds**") to be provided by City to Land Trust;

iii. the HOME Grant Agreement ("**HOME Grant Agreement**") between City and Land Trust for a $288,727.00 grant ("**HOME Grant Funds**") to be provided by City to Land Trust;

iv. the Affordable Housing and Loan Agreement ("**HOME Loan Agreement**") between City and Jamboree Housing Corporation, whose interest was assigned to Developer, which agreement relates to a $397,495.00 loan ("**HOME Loan Funds**") to be provided by City to Developer; and

v. the Affordable Housing and Loan Agreement ("**Land Trust Loan Agreement**") between Land Trust and Developer for a $1,602,505.00 loan to be provided by Land Trust to Developer.

B. As of the date of this Addendum, the environmental clearance has not been obtained for, and City has not received from HUD, the HOME and CDBG funds to be provided under the Project Agreements.

C. The parties desire to enter into this Addendum to, among other things, extend the date for the satisfaction of the funding conditions under the Project Agreements and to provide that if the HOME and CDBG funds to be provided under the Project Agreements are not received by City, Land Trust will backfill the shortage with additional RDA Funds received by Land Trust under the RDA Agreement, on the terms set forth herein.

AGREEMENT

NOW THERFORE, City, Agency, Land Trust and Developer hereby agree as follows:

1. Defined Terms. All capitalized terms not defined herein shall have the meaning ascribed in the Project Agreements.

2. Extension of Dates to Satisfy Funding Conditions. The parties agree to extend the dates to satisfy the Funding Conditions in the Project Agreements as follows:

(i) RDA Grant Agreement. City and Land Trust hereby agree that the date to satisfy the Funding Conditions in the RDA Agreement is hereby extended to December 1, 2010.

(ii) CDBG Grant Agreement. City and Land Trust hereby agree that the date to satisfy the Funding Conditions in the CDBG Grant Agreement is hereby extended to December 1, 2010.

(iii) HOME Grant Agreement. City and Land Trust hereby agree that the date to satisfy the Funding Conditions in the HOME Grant Agreement is hereby extended to December 1, 2010.

(iv) HOME Loan Agreement. City and Developer hereby agree that the date to satisfy the Funding Conditions in the HOME Loan Agreement is hereby extended to December 1, 2010.

(v) Land Trust Loan Agreement. Land Trust and Developer hereby agree that the date to satisfy the Funding Conditions in the Land Trust Loan Agreement is hereby extended to December 1, 2010.

3. Substitution RDA Funds Provided if Federal Funds not Received. Pursuant to the RDA Grant Agreement, Land Trust is receiving a grant of RDA Funds from the Agency in the amount of $2,000,000.00, all of which is available to the Project if City does not receive from HUD any or all of the $464,164.00 CDBG Funds under the CDBG Agreement, the $288,727.00 HOME Grant Funds under the HOME Grant Agreement, or the $397,495.00 HOME Loan Funds under the HOME Loan Agreement (collectively, the "**Federal Funds**"), such that the cumulative total of RDA Funds and Federal Funds provided to the Project pursuant to the Project Agreements will equal $2,000,000.00. In connection therewith, if City does not receive the Federal Funds, and provided all of the Funding Conditions in the Project Agreements other than those related to the receipt of such Federal Funds from HUD are satisfied, the Federal Funds not received by City shall be replaced with RDA Funds, as follows:

(i) The RDA Funds that Land Trust is permitted to use for the Stonegate Project under the RDA Grant Agreement will increase by an amount equal to the Federal Funds not received by City.

(ii) The Federal Funds to be provided by Land Trust to Developer under the Land Trust Loan Agreement as part of the $1,602,505.00 will be replaced with RDA Funds to the extent the Federal Funds are not received by City.

(iii) As to the Federal Funds that constitute HOME funds to be provided by City to Developer under the HOME Loan Agreement, if such funds are not received by City, (a) the HOME Loan Agreement will be terminated; and (b) the amount of the loan the Land Trust is providing to Developer under the Land Trust Loan Agreement will increase by the sum of $397,495.00 and the source of such additional funds will be RDA Funds; (c) the terms for Developer's repayment of such increased loan amount shall be the same as the repayment terms for the HOME loan under the HOME Loan Agreement; and (d) the terms for repayment of the existing $1,602,505.00 Land Trust loan will remain the same.

(iv) The parties will amend the Project Agreements as necessary to effectuate the foregoing.

4. Eligible Loan and Grant Expenses. The Project expenses incurred by Developer that are eligible for payment out of the proceeds of the $2,000,000.00 funding to be provided under the Project Agreements are as follows ("**Eligible Expenses**"): (i) a developer fee payable to Developer in the amount of $350,000.00; (ii) the assessments applicable to the Site under Assessment District No. 07-22 that are required to be paid under the Lease in the approximate amount of $620,000.00; and (iii) development costs of the Project as set forth in the Project Budget. The CDBG Funds shall be applied toward payment of the assessments referred to in clause (ii) of the preceding sentence. The HOME Grant Funds and HOME Loan Funds shall be applied toward Eligible Expenses attributable to the 11 HOME Units. Provided City receives the Federal Funds, all of the funds shall be applied toward costs incurred after HUD approves the request for release of funds and related certifications. The Project Agreements are hereby deemed amended to effectuate the foregoing.

5. Execution and Recordation of Documents. Notwithstanding that the Funding Conditions have not been satisfied, the parties agree that the documents attached as exhibits to the Land Trust Loan Agreement and the HOME Loan Agreement that otherwise would be executed and recorded upon the satisfaction of the Funding Conditions (i.e., promissory notes, deeds of trust, regulatory agreements, etc.) shall be executed and recorded concurrently with the Construction Closing, with the understanding that if the Federal Funds are not received the documents will be amended to reflect the substitution of RDA Funds for the Federal Funds. The execution and recordation of such documents is for convenience purposes and does not in any way constitute a commitment of the Federal Funds.

6. Full Force and Effect; Conflicts. Except as expressly set forth in this Addendum, all terms, conditions, and provisions of the Project Agreements shall remain in full force and effect. If there is a conflict between the provisions of this Addendum and the provisions of the Project Agreements, the provisions of this Addendum shall control.

7. Execution in Counterparts. This Addendum may be executed in several counterparts, and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all parties are not signatories to the original or the same counterpart.

[Signatures on next page]

IN WITNESS WHEREOF, City, Agency, Land Trust and Developer have entered into this Addendum as of the date set forth above.

FIRST AMENDMENT TO GROUND LEASE

This First Amendment to Ground Lease ("**Amendment**") is executed as of February 10, 2011 by THE IRVINE COMPANY LLC, a Delaware limited liability company ("**Landlord**"), and STONEGATE HOUSING PARTNERS, LP, a California limited partnership ("**Tenant**").

RECITALS

A. Landlord and Tenant entered into that certain Ground Lease (the "**Lease**") dated October 4, 2010, concerning real property in the City of Irvine, California. Capitalized terms not otherwise defined herein shall have the meaning assigned to such terms in the Lease.

B. Pursuant to Section 1.2 of the Ground Lease, Landlord and Tenant agreed that upon completion of the Subdivision, the Leased Land would include Parcel 1 only. The Subdivision was completed on November 2, 2010 with the recording of Parcel Map No. 2010-128.

C. The parties desire to amend the Ground Lease to further memorialize the modification of the Leased Land resulting from the Subdivision.

NOW, THEREFORE, Landlord and Tenant agree as follows:

1. Description of Leased Land: The land description attached to the Lease as Exhibit A is deleted and replaced with the description attached to this Amendment as Exhibit A. All references in the Lease to the "Leased Land" refer solely to the land described in Exhibit A attached to this Amendment and exclude the Reverting Parcel.

2. Further Assurances: Landlord and Tenant covenant and agree on behalf of themselves, their successors and assigns, without further consideration, to prepare, execute, acknowledge, file, record, publish and deliver such other instruments, documents and statements, and to take such other reasonable action, as may be required by applicable law or necessary or useful to effectively carry out the purposes of this Amendment.

3. Incorporation of Recitals: The above Recitals are incorporated by this reference into the body of this Amendment.

4. Modification: Except as expressly modified herein, the provisions of the Lease remain unchanged. Landlord and Tenant acknowledge that this Amendment does not affect the rights and responsibilities of Landlord and Tenant in that certain Shared Use Agreement and Grant of Reciprocal Easements dated October 19, 2010, by and between Landlord (as the owner of the Reverting Parcel) and Tenant, recorded on December 17, 2010 as Instrument No. 2010000682621 in the Official Records of Orange County, California.

5. Binding: This Amendment shall be binding upon and inure to the benefit of the respective assigns (to the extent assignable), successors and legal representatives of each of the parties.

6. Counterparts: This Amendment may be executed in any number of counterparts, each of which is an original, but all of which shall constitute one instrument. Digitally transmitted signatures, including without limitation signatures transmitted by facsimile, are as effective as originals.

7. Authority: Each person executing this Amendment on behalf of a party represents and warrants that such person is duly and validly authorized to do so on behalf of the entity it purports to bind. Each party represents that it has the authority to enter into this Amendment and perform all of its obligations hereunder.

FIRST AMENDMENT TO GROUND LEASE

(Short Form - Memorandum)

This First Amendment to Ground Lease (Short Form Memorandum) ("***Memorandum***") dated February 10, 2011, is by and between THE IRVINE COMPANY LLC, a Delaware limited liability company, with its principal office located at 110 Innovation Drive, Irvine, CA 92617, Attention: Kenneth McCarren ("***Landlord***"), and STONEGATE HOUSING PARTNERS, LP, a California limited partnership, with its principal office located at 17701 Cowan Avenue, Suite 200, Irvine, CA 92614 ("***Tenant***").

W I T N E S S E T H:

1. Landlord and Tenant entered into that certain Ground Lease (the "***Lease***") dated October 4, 2010, concerning real property in the City of Irvine, California. Capitalized terms not otherwise defined herein shall have the meaning assigned to such terms in the Lease.

2. Pursuant to that certain First Amendment to Ground Lease dated of even date herewith (the "***First Amendment***"), the land description attached to the Lease as Exhibit A was deleted and replaced with the description attached to this Memorandum as Exhibit A. All references in the Lease to the "Leased Land" refer solely to the land described in Exhibit A attached to this Memorandum and exclude the Reverting Parcel.

3. Except as expressly modified in the First Amendment, the provisions of the Lease remain unchanged. Landlord and Tenant acknowledge that the First Amendment does not affect the rights and responsibilities of Landlord and Tenant in that certain Shared Use Agreement and Grant of Reciprocal Easements dated October 19, 2010, by and between Landlord (as the owner of the Reverting Parcel) and Tenant, recorded on December 17, 2010 as Instrument No. 2010000682621 in the Official Records of Orange County, California.

This document is being recorded as an accommodation only and Chicago Title Company assumes no responsibility for correctness or validity thereof.

4. This Memorandum is prepared for the purpose of recordation, and it in no way modifies the provisions of the First Amendment. Should there be any inconsistency between the terms of this instrument and the First Amendment, the terms of the First Amendment shall prevail. The First Amendment is made upon the terms, conditions and covenants and provisions set forth at length in the First Amendment, each and all of which terms, conditions, covenants and provisions are incorporated in this Memorandum with the same force and effect as if set out at length in this Memorandum. This Memorandum may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument.

AFFORDABLE HOUSING AND LOAN AGREEMENT

(Home Funds)

This AFFORDABLE HOUSING AND LOAN AGREEMENT ("**Agreement**") is entered into this 30 day of November, 2012, by and between the CITY OF IRVINE, a California municipal corporation (the "**City**"), and STONEGATE HOUSING PARTNERS II, L.P., a California limited partnership ("**Developer**")

RECITALS

A. City participates in the HOME Investment Partnership Act program administered by the United States Department of Housing and Urban Development ("**HUD**") under Title II of the Cranston-Gonzalez National Affordable Housing Act, as amended (42 U.S.C. § 12741, *et seq.*), and the implementing regulations (24 C.F.R. § 92, *et seq.*). Pursuant to said program, the City receives funds from HUD ("**HOME Funds**") to be used for the development of affordable housing projects. On or about June 13, 2011, as part of the City's annual HOME funding process, City approved an allocation of HOME Funds to Developer in the amount of the City HOME Loan (defined below).

B. Pursuant to the federal Community Development Block Grant ("**CDBG**") program, the City received funds from HUD under Title I of the Housing and Community Development Act of 1974 (42 U.S.C. § 5301, *et seq.*) and the regulations promulgated thereunder (24 C.F.R. § 570, *et seq.*). Pursuant to said program, the City receives funds from HUD ("**CDBG Funds**") to be used for the production and preservation of affordable housing within the City of Irvine. On or about June 13, 2011, as part of the City's annual CDBG funding process, the City approved an allocation of CDBG Funds to Developer in the amount of the City CDBG Loan (defined below).

C. Developer has entered into an option agreement to lease that certain unimproved real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Attachment No. 1 and incorporated herein by this reference ("**Site**"). The Site is comprised of approximately 2.704 acres, which will be the location of the second phase of a 134-unit project approved by Planning Commission Resolution No. 07-2821, referenced in Recital D below. Developer plans to cause to be developed a 74-unit affordable residential rental project and related improvements on a portion of the Site ("**Project**"), which is the second phase of the Stonegate Community Development. The Irvine Company, LLC, a Delaware limited liability company ("**Irvine Company**"), is the owner of fee title to the Site.

D. On or about April 5, 2007, the City's Planning Commission adopted Resolution Nos. 07-2820, 07-2821, and 07-2822, which, in general, approved master plan applications for the development of three (3) multi-story residential apartment communities ("**Stonegate Community Development**"), generally located along the north side of Irvine Boulevard between Sand Canyon Avenue and Groveland in the community village of Stonegate (Planning Area 9B). Specific for purposes of this Agreement, Planning Commission Resolution No. 07-2821 approved the master plan (as extended) for the development of 134 residential apartment units, lot 700 of Vesting Tentative Tract 16927, totaling 6.08 acres, which residential apartment

units are to be affordable so that Irvine Company may fulfill its obligations pursuant to the Master Affordable Housing Plan for the Northern Sphere and satisfy affordable housing obligations under Chapter 2-3 of the Irvine Zoning Ordinance (the "**Master Project**"). An affiliate of Developer developed "Phase 1" of the Master Project, and Developer now intends to develop "Phase 2" of the Master Project.

E. City desires to assist with certain costs attributable to eleven (11) of the Project units referred to herein as the "**HOME Units**" by (a) providing financial assistance to Developer in the form of a loan of HOME Funds in the amount not to exceed the sum of Five Hundred Six Thousand Eight Hundred Ten Dollars ($506,810.00) ("**City HOME Loan**"), on the terms set forth herein, and (b) providing financial assistance to the Irvine Community Land Trust ("**Land Trust**") in the form of a grant of HOME Funds in the amount not to exceed the sum of Four Hundred Thousand Five Hundred Seventy-Two Dollars ($400,572.00) ("**HOME Grant Funds**"). The Land Trust and Developer are each members of the general partner of the limited partnership entity formed to acquire the leasehold in the Site and develop the Project. The Land Trust will be required to use the HOME Grant Funds for certain costs associated with the HOME Units pursuant to a separate loan agreement (the "**Land Trust HOME Loan Agreement**").

F. City desires to assist with certain soft costs attributable to the Project by (a) providing financial assistance to Developer in the form of a loan of CDBG Funds in the amount not to exceed the sum of Ninety-Three Thousand Forty-Three Dollars ($93,043.00) ("**City CDBG Loan**"), on the terms set forth in a separate loan agreement (the "**City CDBG Loan Agreement**") and (b) providing financial assistance to the Land Trust in the form of a grant of CDBG Funds in the amount not to exceed the sum of Two Hundred Eighty-Eight Thousand Nineteen Dollars ($288,019.00) ("**CDBG Grant Funds**"), which the Land Trust will be required to use the CDBG Grant Funds for certain costs associated with the Project pursuant to a separate loan agreement (the "**Land Trust CDBG Loan Agreement**").

G. Pursuant to that certain Redevelopment Affordable Housing Funds Grant Agreement approved by the Department of Finance on the Recognized Obligation Payment Schedule covering the periods of January 1-June 30, 2012, and July 1-December 31, 2012, the Land Trust received former redevelopment agency low and moderate income housing set aside funds in the amount of Nine Hundred Eleven Thousand Four Hundred Nine Dollars ($911,409.00) ("**Set-Aside Grant Funds**"), which the Land Trust will use for certain costs associated with the Project pursuant to a separate loan agreement (the "**Land Trust Set-Aside Loan Agreement**").

H. The Project will be subject to certain affordability covenants requiring that the HOME Units and certain other residential units be rented to income eligible households at an affordable rent.

I. The acquisition of the Site and development and operation of the Project thereon pursuant to this Agreement, and the fulfillment generally of this Agreement, are in the vital and best interests of the City and the welfare of its residents, and in accordance with the public purposes and provisions of applicable federal, state, and local laws and requirements.

Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to disburse any of the City Loan proceeds to Developer unless all of the following conditions (collectively the "**Funding Conditions**") are satisfied, or waived by City in its sole discretion:

(a) *Execution and Delivery of Documents.* Developer shall have executed and delivered to City the documents referred to in Section 2.7 of this Agreement.

(b) *City Title Policy.* Chicago Title Company or such other title company approved by the City ("**Title Company**") is irrevocably committed to issue to City an ALTA lender's policy of title insurance ("**City Title Policy**"), with liability in the amount of the City Loan, showing the leasehold interest in the Site vested in Developer, insuring in favor of City the Leasehold Deed of Trust, subject only to (i) the standard printed exceptions and exclusions contained in the form of the Title Policy commonly used by Title Company; (ii) non-delinquent property taxes and assessments; and (iii) such other matters as may be approved by City in its sole and absolute discretion. Developer shall pay the premium for the City Title Policy.

(c) *Insurance.* Developer shall have provided to City evidence of the insurance required under Section 3.10 of this Agreement.

(d) *Plans and Permits.* Developer shall have obtained the grading permits for the Project or such permits shall be ready to be issued upon the payment of fees and all other development approvals shall have been issued except for building permits.

(e) *Evidence of Financing.* City shall have approved Developer's evidence of financing in accordance with Section 3.11.3 of this Agreement, and the financing specific to the construction of the Project shall close and be available to Developer.

(f) *Ground Lease.* Developer shall have entered into the Ground Lease with Irvine Company and the Ground Lease shall be in full force and effect with no defaults existing and all contingencies satisfied (i.e., there are no conditions that remain to be satisfied for the effectiveness of the Ground Lease or the performance of either party thereunder and the fulfillment of the Ground Lease and Developer's possession of the Site is absolute and not terminable and not subject to any unsatisfied conditions).

(g) *Other Agreements.* The City CDBG Loan Agreement, the Land Trust Loan Agreements, the CDBG Grant Agreement, and the HOME Grant Agreement shall have been executed and all conditions to the initial disbursement of funds under said agreement shall have been satisfied, and no default by the Developer shall exist under the City CDBG Loan Agreement and the Land Trust Loan Agreements.

(h) *Clearance.* If applicable, in accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," the Request for Release of Funds and related certifications have been approved for the Project or City has determined an exemption is applicable.

(i) *Approval of Third Party Contracts.* City shall have approved any Third Party Contracts entered into before commencement of construction that City elects to review.

(j) *No Default.* There shall be no event of default under this Agreement, and there shall be no event which, with the passage of time or the giving of notice, would constitute a default, and all representations and warranties of Developer in this Agreement remain true and correct in all material respects.

(k) *HUD Approvals.* City has received all approvals required from HUD for the disbursement of the City Loan.

(l) *Land Use Regulatory Agreements.* City and Irvine Company shall have approved the form of and executed the Land Use Affordable Housing Regulatory Agreements and the agreements shall have been recorded against the Site and senior to all liens securing any financing.

In the event that any of the Funding Conditions are not satisfied on or before December 15, 2012, or such later deadline as may be mutually approved in writing by City and Developer in the sole and absolute discretion of each of them, City may terminate this Agreement by delivering written notice to Developer.

2.4 Disbursement of City Loan. Provided Developer is not in default of this Agreement, the City Loan shall be deposited into the Construction Escrow upon the satisfaction of all of the Funding Conditions and the parties shall instruct the Escrow Holder to apply the City Loan proceeds to the Eligible Loan Expenses. Disbursement of the City Loan to Developer may be made in more than one draw. Developer shall not request disbursement from the Construction Escrow for the final draw of the City Loan until Developer is prepared to be able to provide City within 120 days thereafter with such project completion information as is required by 24 CFR 92.502(d)(1). In the event the Eligible Loan Expenses are not incurred by Developer within fifteen (15) days after City's deposit of said funds, or such longer time as City approves in its sole discretion, City shall have the right to require that Developer return the City Loan proceeds to City. In addition, if it is determined, as a result of an audit or otherwise, that the disbursement of City Loan proceeds were improper or made for expenditures not eligible for payment, Developer shall immediately repay to City the amounts of such disbursements.

2.5 CDBG Grant Funds and HOME Grant Funds Disbursed First. Notwithstanding any other provision of this Agreement to the contrary, no disbursements of the City Loan shall be made until such time that all of the CDBG Grant Funds and HOME Grant Funds have been disbursed by City to the Land Trust and by the Land Trust to the Developer for the Project. Nothing herein is intended to preclude the concurrent disbursement of the CDBG Grant Funds, HOME Grant Funds and the City Loan.

2.6 Repayment of City Loan; Leasehold Deed of Trust. Developer's obligation to repay the City Loan shall be as set forth in the City Note. The City Note generally provides for Developer to pay to City a percentage of the cash flow generated from the Site. Developer's obligation to repay the City Loan will be secured by the Leasehold Deed of Trust. The Leasehold Deed of Trust contains an acceleration clause entitling City to declare the entire indebtedness evidenced thereby to be immediately due and payable and collectible, regardless of the date of maturity, on the terms and conditions more specifically set forth in the Leasehold Deed of Trust.

2.7 Execution and Delivery of Documents. No later than two (2) days after the Effective Date, or such later date as approved by City, Developer shall deliver to City the following documents to be held by City in trust until the Funding Conditions Satisfaction Date or deposited into the Construction Escrow with the approval of City: (a) the City Note, executed by Developer; (b) the Leasehold Deed of Trust, executed and acknowledged by Developer; (c) the City HOME Funds Regulatory Agreement, executed and acknowledged by Developer; and (d) the Memorandum, executed and acknowledged by Developer. Within ten (10) days after the Funding Conditions Satisfaction Date and prior to City's disbursement of any City Loan proceeds to Developer, City shall execute the City HOME Funds Regulatory Agreement and the Memorandum, and shall cause the City HOME Funds Regulatory Agreement, the Memorandum, and the Leasehold Deed of Trust to be recorded in the Official Records of Orange County, California. In the event the Funding Conditions are not satisfied and this Agreement is terminated pursuant to Section 2.3, City shall return to Developer the documents delivered by Developer to City pursuant to this Section. Notwithstanding any provisions in this Section to the contrary, the Land Use Affordable Housing Regulatory Agreements shall have been executed and recorded, or delivered to Escrow Holder and recorded the day prior to the close of Construction Escrow, prior to City having any obligation to disburse to Developer any of the City Loan funds.

3. ACQUISITION OF GROUND LEASE AND DEVELOPMENT OF THE PROJECT.

3.1 Acquisition of Leasehold Interest in Site. The Site is currently owned by Irvine Company. Developer represents to City that Developer has entered into the Option to Lease, in which Developer has agreed to enter into the Ground Lease of the Site on terms and conditions more fully set forth therein. Developer shall keep City informed of the status of the Option to Lease, including any amendment thereto or termination thereof, and Developer shall promptly notify City in writing of the anticipated date of execution of the Ground Lease once the Developer and Irvine Company have determined said date. From and after the Effective Date of this Agreement, Developer shall exercise diligent efforts to finalize the terms and enter into the Ground Lease with Irvine Company for the lease of the Site no later than the date specified in the Option to Lease. The Ground Lease (a) shall have a term of no less than the lesser of (i) fifty-

eight (58) years or (ii) fifty-five (55) years from the date that all units in the Project have received all required occupancy permits from the City, (b) shall permit the Site to be developed and operated in accordance with the terms set forth in this Agreement (which by definition includes the Attachments), and shall otherwise be consistent with this Agreement, such that compliance with this Agreement will not cause a default under the Ground Lease and vice versa, (c) shall provide leasehold mortgagees notice and cure rights under the Ground Lease in the event of a default by Developer, (d) shall recognize the rights of leasehold mortgagees to become the legal holder and owner of the interest of Developer under the Ground Lease by foreclosure or other enforcement proceeding and to thereafter assign the Ground Lease to a new tenant to operate the Site in accordance with the Ground Lease, and (e) shall provide that modifications to the Ground Lease which are inconsistent with any of the foregoing conditions are subject to the prior written approval of City. City shall have the right to approve the form of the Ground Lease before it is executed for the limited purpose of confirming that the foregoing conditions are satisfied. Upon execution of the Ground Lease by Developer and Irvine Company, Developer shall deliver a copy of the executed Ground Lease to City.

3.2 Scope of Development. Developer shall develop the Project on the Site in strict accordance with the plans and drawings approved by City. If Developer desires to make any change in any approved development or building plans, the proposed change shall be submitted to City for approval. Developer shall be responsible for all construction and installation and for obtaining all necessary permits and approvals.

3.3 Development Approvals and Permits. Prior to commencement of the grading of the Site, Developer shall, at its own expense, secure or cause to be secured the grading permit from City and all permits, licenses and approvals which may be required by any governmental agency having jurisdiction over the Site and the Project other than building permits. Prior to commencement of development of any other improvements to the Site, Developer shall have obtained, at its own expense, approval of the final plans for the Project and the building permits for the Project.

3.4 Construction Contract; Wage Rate. Developer acknowledges that the requirements of Section 3.5 of this Agreement shall apply to the construction contracts and subcontracts for the Project and Developer shall ensure compliance with all such provisions and requirements. Developer shall cause the inclusion of the applicable classification and wage rate determination for the Project in the construction contract for the Project which, if authorized by law, may be satisfied by Developer incorporating by reference said classification and wage rate determination. City shall have the right to approve the classification and wage rate that is included with a construction contract and posted for the Project.

3.5 Third Party Contracts . If Developer enters into any agreements ("Third Party Contracts") with contractor(s) for the construction of the Project ("Other Contacting Party"), such Third Party Contract shall be subject to the reasonable approval of City and must be consistent with the terms of this Agreement. Developer shall include in all Third Party Contracts the following minimum requirements: (a) provisions for the Other Contracting Party to comply with all terms of this Agreement to the extent applicable to the work or services provided by the Other Contracting Party, and all applicable legal requirements, including the HOME Requirements; (b) provisions for the Other Contracting Party to cooperate with City and make

available to City all information, documents, and records reasonably requested by City in connection with the activities under this Agreement; (c) provisions for City to be granted the right of access to the Site for purposes of this Agreement and evaluating Developer's performance hereunder; and (d) a provision naming City as an intended third party beneficiary with the right but not the obligation to enforce the agreement upon the occurrence of and during the continuance of a default under the relevant Third Party Contract. In connection with the preceding sentence, City shall have the right to require Developer to terminate the Third Party Contract if such default occurs. In addition to the foregoing, Developer shall include or cause to be included in its construction contracts for the Project and cause to be included in any subcontracts a provision that City may interview laborers and mechanics employed on the Project and that the contractors and subcontractors shall require any laborers or mechanics employed or engaged by it to cooperate with City. If Developer believes that any of the HOME Requirements are not applicable to a Third Party Contract, it is Developer's responsibility to provide to City evidence that the requirement is not applicable; however, it is ultimately Developer's responsibility to include all legal requirements in its Third Party Contracts and City shall have no liability for Developer's failure to comply with this obligation. In connection therewith, any statement made by City to Developer as to the non-applicability of a particular legal requirement shall be provided as an accommodation to Developer and as a statement of City's opinion, but shall not be relied upon by Developer or excuse Developer from Developer's responsibility to include all applicable legal requirements in its Third Party Contracts or to comply with such requirements. Developer acknowledges that City's approval of a Third Party Contract shall in no way constitute an assumption by City of any responsibility whatsoever for the construction of the Project or performance of any activity that is the subject of the Third Party Contract, or Developer's or the Other Contracting Party's compliance with applicable laws, statutes, ordinances, codes, rules and regulations, or Developer's compliance with this Agreement. In connection therewith, City assumes no responsibility or liability for any act or omission of any Other Contracting Party and in no way guarantees any of the work to be done or materials to be supplied or services to be performed. Developer shall comply with all terms of Third Party Contracts.

3.6 No Debarred, Suspended, or Ineligible Parties. Developer shall not employ, engage the services of, or award any contractors to any party that is debarred, suspended, or otherwise ineligible to participate in a project that is receiving HOME Funds pursuant to the HOME Requirements. Developer shall provide to City such certifications as required by City demonstrating compliance with this Section.

3.7 Construction Meeting. Developer shall attend and cause the contractor(s) for the Project to attend any construction meetings or conferences arranged by City among the contractor, Developer, and City, including pre-construction meetings, relating to undertaking and completing the Project in conformance with this Agreement and applicable local, state, and federal laws. The requirements in this Section may be satisfied by a regular weekly meeting arranged by Developer and attended by Developer and the respective representatives of the contractor(s) and City, as may be needed.

3.8 Schedule of Performance.

(a) Subject to subsection (b) below and the force majeure provisions of Section 9.3 of this Agreement, Developer shall commence, prosecute, and complete construction of the Project within the time set forth in the Schedule of Performance. Construction shall be continuously and diligently pursued to completion and shall not be abandoned for more than ten (10) consecutive business days, except when due to causes beyond the control and without the fault of Developer, as set forth in Section 9.3 of this Agreement. The Schedule of Performance is subject to revision from time to time as may be mutually agreed upon in writing between Developer and City. During the course of construction, Developer shall, if requested by City, provide to City monthly written reports on the progress of construction.

(b) In the event that the Funding Conditions are not satisfied by the time for performance identified as Item #4 in the Schedule of Performance because (i) Developer was unable to close the Construction Escrow by such date due to the unavailability of all financing specific to the construction of the Project as approved by the City, and (ii) the inability of Developer to close the Construction Escrow was not caused by Developer's failure to diligently pursue such financing, then the Contract Officer may extend the times for performance in the Schedule of Performance according to the following: (A) the Funding Conditions (Item #4 in the Schedule of Performance) shall be satisfied, and the Construction Escrow shall close, as soon as possible after December 15, 2012, but in no event later than January 31, 2013, unless a later deadline is mutually approved by the Developer and City; and (B) Developer shall commence or cause the commencement of the grading of the Site and the construction of the vertical improvements for the Project (Items #7 & #8 in the Schedule of Performance) no later than two (2) months after the close of the Construction Escrow. Except as provided in this subsection (b), the times for performance shall remain as set forth in the Schedule of Performance. The Contract Officer may not unreasonably withhold his/her approval of any requested extension of Items #4, #7 and #8 as contemplated by this Section 3.8(b); provided, however, in the event the Contract Officer does not extend such time for performance, then Developer or the City may terminate this Agreement (and all related documents) by written notice delivered to the other party, and any funds disbursed to Developer shall be returned to the City without any further liability of Developer or the City.

3.9 Rights of Inspection. Representatives of the City shall have a reasonable right of access to the Site during normal business hours for the purposes of this Agreement, including, but not limited to, the inspection of the work being performed and the interviewing of laborers and mechanics employed on the Project. Developer shall cooperate with, and shall cause the contractor and any subcontractor to cooperate with, City in connection with its inspection and access rights. It is understood that City does not by this Section 3.9 assume any responsibility or liability for a negligent inspection or failure to inspect. All inspections by City or on behalf of City, approvals of payment requests by City and other actions by City in connection therewith are not to be construed as a representation by City that there has been compliance with any permits or plans and specifications, legal requirements, or that the Project is free of defects in materials or workmanship. Any inspections or determinations made by City or lien waivers, receipts, or other agreements, documents, and instruments obtained by City are made or obtained

solely for City's own benefit and not in any way for the benefit or protection of Developer. City has no obligation to Developer to ensure compliance by the contractor or any other person in carrying out such construction. No such inspections or review will limit any of the rights and remedies of City pursuant to this Agreement.

3.10 Insurance. Developer shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance:

(a) *Commercial General Liability Insurance.* A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars ($1,000,000) or its equivalent.

(b) *Worker's Compensation Insurance.* A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California.

(c) *Builder's Risk.* Builder's risk coverage written on a completed value basis in an amount equal to the full replacement cost of the improvements with coverage available on the so-called non-reporting "all risk" form of policy, including coverage against collapse, fire, and water damage, with such insurance to be in such amounts and form and written by such companies as shall be approved by City. City agrees to accept a builder's risk insurance policy from Developer's general contractor in conformance with the requirements set forth herein, including without limitation the requirement that City be named as a loss payee.

(d) *Automobile Liability Insurance.* Automobile liability insurance (bodily injury and property damage liability) which coverage shall include owned, hired, and non-owned automobiles, with limits of liability of not less than Five Hundred Thousand Dollars ($500,000.00) combined single limit per accident for bodily injury and property damage combined.

All of the above policies of insurance shall be primary insurance and except for the Worker's Compensation Insurance shall name the City, its officers, employees and agents as additional insureds or, with respect to the builder's risk policy, as a loss payee. Said policies shall be satisfactory only if issued by companies qualified to do business in California and rated A:VII or better in the most recent edition of the Best Rating Guide. The insurer shall waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. All of said policies of insurance shall provide that said insurance may not be amended or canceled without providing thirty (30) days prior written notice by registered mail to City. In the event any of said policies of insurance are canceled, Developer shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 3.10 to the Contract Officer. The foregoing obligations shall remain in effect until the completion of the Project, at which time Developer shall maintain the insurance set forth in the City HOME Funds Regulatory Agreement.

Developer agrees that the provisions of this Section 3.10 shall not be construed as limiting in any way the extent to which Developer may be held responsible for the payment of

damages to any persons or property resulting from Developer's activities or the activities of any person or persons for which Developer is otherwise responsible. No later than the Insurance Approval Date, Developer shall provide evidence of the above-required insurance (such as Certificates of Insurance of appropriate insurance binders) and obtain approval thereof from the Contract Officer, which approval shall not be unreasonably withheld or delayed and may be waived in Contract Officer's sole and absolute discretion. As used herein, the term "**Insurance Approval Date**" shall mean the date that is the earlier of (a) the date that is five (5) days prior to the anticipated closing date of the Construction Escrow; or (b) the later of the date that is five (5) days after the Effective Date, or the date that Developer and Irvine Company execute the Ground Lease. City's approval of Developer's insurance is a Funding Condition.

3.11 Financing the Project.

3.11.1 Developer Responsible for Cost of Development. Except to the extent City has specifically agreed to provide the City Loan pursuant to Section 2, Developer shall be responsible for all costs of developing the Project, including but not limited to predevelopment costs incurred for items such as planning, design, engineering, and environmental remediation; all development and building fees; the cost incurred to demolish and clear any and all existing improvements, furnishings, fixtures, and equipment from the Site requiring removal; relocation expenses payable to existing occupants of the Site; costs for insurance and bonds (as required); costs for financing; all on-site construction costs; legal fees and any necessary public improvements not already provided to the Site under the Master Project.

3.11.2 Permitted Encumbrances. Developer may mortgage or encumber its leasehold interest in the Site in order to finance the development and operation of the Project, provided that the terms of any such loan and loan documents are reasonably approved by City and the mortgage or encumbrance (deed of trust) complies with one of the following: (a) a deed of trust(s) that secures the Bank Loan Funds; or (b) a deed of trust(s) that secures the County Loan Funds, with such deed of trust and other loan documents consistent with the County of Orange Commitment Letter and other terms Developer provided to City prior to the date of this Agreement; or (c) a deed of trust(s) that secures the CalHFA Loan Funds, with such deed of trust and other loan documents consistent with the CalHFA Commitment Letter and other terms Developer provided to City prior to the date of this Agreement; or (d) a regulatory agreement in connection with the equity investment of Jamboree in Developer with funds from the HUD CC Grant; or (e) a deed of trust securing financing for the development and operation of the Project for which the cumulative amount of the loans encumbering the Site does not exceed: (i) prior to the completion of construction of the Project, ninety percent (90%) of the appraised as-completed value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, and (ii) after the completion of construction of the Project, ninety percent (90%) of the appraised value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, with said values evidenced by an appraisal or other evidence acceptable to City ("**Permitted Encumbrances**").

3.11.3 Evidence of Financial Capability. No later than two (2) days after the Effective Date, Developer shall submit to City evidence reasonably satisfactory to City that

Developer has the financial capability necessary to develop the Project pursuant to this Agreement and the Project Budget. Such evidence of financial capability shall include the following:

(a) a copy of the commitment or loan agreement obtained by Developer for each source of funds to assist in financing the construction of the Project. All copies of commitments submitted by Developer to City shall be certified by Developer to be true and correct copies thereof. Each commitment for financing shall be in such form and content acceptable to City as reasonably evidences a firm and enforceable commitment, with only those conditions which are standard or typical for the lender involved for similar projects;

(b) if the total costs set forth in the Project Budget exceed the amount of financing commitments received pursuant to subparagraph (a) above, a financial statement and/or other documentation reasonably satisfactory to City sufficient to demonstrate that Developer has adequate funds available and committed to cover such difference; and

(c) a copy of the guaranteed maximum price or stipulated sum construction contract between Developer and its general contractor for all of the improvements required to be constructed by Developer hereunder, certified by Developer to be a true and correct copy thereof.

3.11.4 Subordination. The City Manger of City and the Community Development Director or their respective designees each shall have the authority on behalf of City to enter into subordination agreements, intercreditor agreements, and other similar agreements; provided, however, that nothing herein shall obligate City to subordinate its financing except that City shall subordinate the Leasehold Deed of Trust to the regulatory agreement required by HUD in connection with the HUD CC Grant and the priority lien(s) (deeds of trust) securing the Bank Loan Funds, the County Loan Funds and the CalHFA Loan Funds by subordination agreements approved in form by City in its reasonable discretion. City shall also subordinate the City HOME Funds Regulatory Agreement to the Bank Loan Funds and the CalHFA Loan Funds provided the Land Use Affordable Housing Regulatory Agreements remain senior. The Land Use Affordable Housing Regulatory Agreements shall be senior to all liens (deeds of trust) securing financing for the Project and shall continue to apply to the Project and the Site in the event of a foreclosure (or deed in lieu thereof) by any lienholder.

4. USE OF THE SITE; PROGRAM ACTIVITIES.

4.1 General. Developer and its successors and assigns shall use, operate, and maintain the Site as a rental housing project in accordance with the provisions of this Agreement and the City HOME Funds Regulatory Agreement, consistent with the HOME Requirements. The City HOME Funds Regulatory Agreement contains provisions requiring the units on the Site be maintained as affordable rental units for a period of twenty (20) years.

4.2 Ground Lease. Developer shall comply with each and every condition, responsibility, and obligation it may have pursuant to the Ground Lease in order not to cause a

default thereunder. Developer shall not amend or modify the Ground Lease in any respect inconsistent with this Agreement or any of the agreements attached hereto or in any respect that affects the rights of City as a leasehold mortgagee without the prior written consent of City, which consent City may withhold in its reasonable discretion. Developer shall provide to City notice of any defaults or notices of default under the Ground Lease.

4.3 Program Activities. Developer shall operate the Program and perform all Program Activities in a competent, professional, and first class manner and to the satisfaction of City in its reasonable discretion and in accordance with this Agreement. In addition, Developer shall operate the Program and perform the Program Activities in compliance with the HOME Requirements and the legal requirements set forth in Attachment No. 3 attached to this Agreement and the statutes referenced therein. In addition to the quarterly reports referred to in Section 5.2, Developer shall, if requested by City, provide to City monthly written reports on the progress of any Program Service. Developer shall cause the Program Activities to be performed by Developer or Developer Personnel under Developer's direct supervision, and shall ensure that all Developer Personnel engaged in the Program Activities are fully qualified and authorized and permitted under applicable law to operate the Program. Developer shall secure, at its sole cost and expense, any and all licenses, permits and approvals that may be required by law for the performance of the Program Activities. Developer shall be responsible for all costs related to the Program.

4.4 Management. If any manager or supervisor of the Program engages in any of the conduct that is not in compliance with Section 4.6 or knowingly allows such conduct to occur at the Site or by Developer Personnel, or knowingly allows illegal activity to occur at the Site, City shall have the right to require that Developer immediately replace such manager or supervisor for the Program.

4.5 Drug Free Covenant. Developer shall use its best efforts to maintain a drug free environment on the Site. Developer covenants to City that Developer shall use its best efforts to ensure that all persons working or residing on the Site shall not unlawfully manufacture, distribute, dispense, possess or use controlled substances, as said term is defined in 21 United States Code Section 812 and California Health and Safety Code Section 11007 (or successor statutes), including marijuana, heroin, cocaine, and amphetamines on the Site.

4.6 Program Defaults. If Developer shall or permit Developer Personnel to:

(a) engage in any act injuring, abusing, mistreating, or endangering any employee or client of the Program or other persons receiving services under the Program, including any tenants or occupants of the Project as reasonably determined by City;

(b) violate the provisions of Section 4.5 above; or

(c) engage in any act or transgression that, in the reasonable judgment of City, may cause embarrassment to City, reflect adversely upon the City or its funding programs or upon Developer, tend to bring the Program into public disrepute, contempt,

scandal, or ridicule, or tend to shock, insult or offend the community or public morals or decency, then

Developer and City agree to meet and confer within ten (10) days of the request of City to determine a resolution reasonably acceptable to City and Developer agrees to thereafter promptly implement the resolution. The failure of Developer to implement the resolution shall constitute a default under this Agreement ("**Program Default**").

4.7 Occupants of Housing Facilities. To the extent permitted by applicable law, Developer shall include in its occupancy or lease agreements with the persons residing in the facility ("**Occupants**") a requirement that the occurrence of any illegal activity by the Occupant, or by Occupant's guests at the Site, shall be grounds for immediate termination of the Occupant's right to reside within the housing facility and City shall have the right to require that Developer enforce such provision.

4.8 Monitoring. City shall monitor and evaluate Developer's performance under this Agreement to determine compliance with this Agreement and the HOME Requirements. Developer shall reasonably cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide City the reasonable right of access to the Site and the affordable units during normal business hours for the purpose of assuring compliance with this Agreement and evaluating Developer's performance hereunder.

4.9 Compliance with Laws and Regulations and HOME Requirements. Developer shall carry out the design, construction and operation of the Project, and operate the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the HOME Requirements and the legal requirements set forth in Attachment No. 3 attached to this Agreement and the statutes referenced therein, the City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all federal and state fair labor standards, including the payment of prevailing wages and compliance with the Davis-Bacon Act unless Developer provides evidence acceptable to City that such requirements are not applicable to the Project. Because the source of the City Loan is funds received from HUD pursuant to the federal government's HOME program, Developer is required to comply with all applicable HOME Requirements. In the case of any conflict between the HOME Requirements and this Agreement, the HOME Requirements shall control; it being understood, however, that in order to be in compliance with this Agreement and the HOME Requirements, Developer shall, to the extent possible, comply with the most restrictive provisions in this Agreement and the HOME Requirements. Each and every provision required by law to be included in this Agreement shall be deemed to be included, and this Agreement shall be read and enforced as though all such provisions were included. Developer acknowledges and agrees that it shall be and remain, and shall cause the Developer Personnel to be and remain, fully knowledgeable and apprised of all local, state and federal laws, rules and regulations in any manner affecting the performance under this Agreement, including the HOME Requirements. Developer shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, expense and/or "increased costs" (including reasonable attorneys' fees, court and litigation costs, and fees of expert witnesses) that results or arises in any way from any of the following: (a) the

noncompliance by Developer or Developer Personnel of any applicable local, state and/or federal law, including, without limitation, any applicable federal and/or state labor laws (including, without limitation, if applicable, the requirement to pay state or federal prevailing wages and hire apprentices); (b) the implementation of Section 1781 of the Labor Code, as the same may be amended from time to time, or any other similar law, by Developer or Developer Personnel; and/or (c) failure by Developer or Developer Personnel to provide any required disclosure or identification as required by Labor Code Section 1781, as the same may be amended from time to time, or any other similar law. The foregoing indemnity shall survive termination of this Agreement. It is agreed by the parties that, in connection with the development and construction of the Project, including, without limitation, any and all public works (as defined by applicable law), Developer shall bear all risks of payment or non-payment of prevailing wages under federal law and California law and/or the implementation of Labor Code Section 1781, as the same may be amended from time to time, and/or any other similar law. "Increased costs," as used in this Section 4.9, shall have the meaning ascribed to it in Labor Code Section 1781, as the same may be amended from time to time.

4.10 Program Income. Developer shall submit to City quarterly reports as set forth in Section 5.2 on all program income as defined 24 C.F.R. 92.503(a) generated by activities carried out with HOME Funds, if any. The program income shall, at City's election, (a) be returned to City or (b) retained by Developer and utilized for the Project expenses set forth in the Project Budget or such other activities approved in writing by City, in which case all provisions of this Agreement shall apply to the activities funded by the program income. Upon the completion of the Project or the earlier termination of this Agreement, all unused program income shall be returned to City at the election of City.

4.11 Relocation. City shall not be responsible for relocating any occupants from the Site to the extent any occupants are located on the Site. If relocation is required, Developer shall have the sole and exclusive responsibility for providing relocation assistance and paying all relocation costs required to comply with all applicable federal and state laws, rules, and regulations. Developer shall indemnify, defend, and hold City harmless from and against any claims, liabilities, damages, or losses made against it by tenants or occupants of the Site, including without limitation claims for relocation assistance, inverse condemnation, and claims otherwise arising from any act or omission of Developer pursuant to this Section 4.11.

4.12 Affordability Covenants. Developer acknowledges and agrees that the rental units on the Site will be required to be maintained as affordable rental units in accordance with the City HOME Funds Regulatory Agreement.

4.13 Indemnification. Developer shall indemnify, defend, and hold harmless City and its officers, officials, employees, representatives and agents (collectively, the "**Indemnitee**") from and against any and all claims, causes of action, liabilities, and damages arising out of any acts or omissions of Developer or Developer's officers, employees, contractors, and agents, in the performance under this Agreement and the agreements attached hereto and/or with respect to the Site including the construction of the Project thereon. The Indemnitee shall promptly notify Developer of the filing of any such action and cooperate with Developer in the defense thereof (at no cost to Indemnitee).

4.14 Extended Use Agreement. City acknowledges that Developer and the California Tax Credit Allocation Committee have or intend to enter into an extended use agreement pursuant to Section 42(h) of the Internal Revenue Code ("**Extended Use Agreement**") which will be recorded against the Site. City acknowledges that, in the event of a foreclosure of its interest under the Leasehold Deed of Trust or delivery by Developer of a deed in lieu thereof (collectively, a "**Foreclosure**"), pursuant to Sections 42(h)(6)(E)(ii) of the Internal Revenue Code, for a period of three (3) years from the date of Foreclosure, with respect to any unit that had been regulated by the Extended Use Agreement, (i) none of the eligible tenants occupying those units at the time of Foreclosure may be evicted or their tenancy terminated (other than for good cause), (ii) nor may the rent of any such eligible tenant be increased except as otherwise permitted under Section 42 of the Internal Revenue Code.

5. RECORDS AND REPORTS.

5.1 Records.

5.1.1 Records to be maintained. Developer shall keep and maintain records providing a full description of the Program Activities undertaken, records demonstrating that the Program Activities meet the HOME Requirements, records demonstrating the eligibility of the activities constituting the Eligible Loan Expenses, and such other records as may be reasonably required by City to enable City to evaluate Developer's compliance with the HOME Requirements, to identify and account for the use of the City Loan proceeds and expenditures of Eligible Loan Expenses and all costs pertaining to this Agreement, and to enable City to comply with City's recordkeeping and reporting requirements under the HOME Requirements. Books and records pertaining to the Eligible Loan Expenses shall be kept and prepared in accordance with generally accepted accounting principles.

5.1.2 Retention. The books and records required to be maintained by Developer under this Agreement shall be retained for a period of five (5) years following the date that all units in the Project have received all required occupancy permits from the City; provided, however, in the event any litigation, audit, negotiation, or other action involving the books and records is commenced prior to the expiration of the five (5) year retention period, Developer shall retain the books and records until completion of the action and resolution of all issues which arise from it.

5.1.3 Location of Records. The books and records required to be maintained by Developer shall be kept at the Property or at the office of Developer or such other location in Orange County, California, approved by City.

5.1.4 Access to Records. City and HUD and/or their representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Developer pertaining to this Agreement at all times during normal business hours upon 48 hours prior written notice to Developer.

5.1.5 Audits. Developer shall perform all audits of its books and records required by HUD, the HOME Requirements or reasonably required by City and a copy of such audits shall be forwarded to the City within thirty (30) days after completion. Developer shall be

subject to all audit and review requirements imposed on City in connection with this Agreement and shall, at its sole cost and expense, cause such audits and reviews to be timely performed.

5.2 Reports.

5.2.1 Quarterly Reports. No later than fifteen (15) days after the end of each Quarter, Developer shall submit to City the following quarterly reports on forms approved by the Contract Officer:

(a) *Performance Reports*. A report on the summary of the Program Activities and activities undertaken by Developer under this Agreement for the previous Quarter ("**Performance Report**"). The Performance Report shall, at a minimum, describe the status of each Program Activity required to be performed and met during that Quarter, progress towards completing the other Program Activities, costs incurred, funds remaining, a narrative explanation of problems, delays, or adverse conditions which impaired the ability of Developer to meet any obligations if any were not met, favorable developments which enabled Developer to satisfy obligations and meet objectives sooner or at less cost than anticipated or producing more beneficial results than planned, and any additional pertinent information related to contract performance.

(b) *Program Income*. A report on the program income generated for the Quarter, if any, as more fully explained in Section 4.10 of this Agreement, which shall include a description of the expenditures of program income and a progress report for the activities funded by the program income if Developer is permitted to retain program income.

5.2.2 Other Reports. In addition to the reports referenced in Section 5.2.1, Developer shall, at such times and in such forms as reasonably required by City, prepare and submit to the Contract Officer, such other reports concerning the performance of the Program Activities, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement and compliance with applicable HOME Requirements, as City may reasonably require from time to time.

6. TERMINATION.

6.1 Termination. In addition to any other termination provision set forth in this Agreement, this Agreement may be terminated by City as follows:

(i) *Lack of Funding*. If, for any reason beyond the control of City, the HOME Funds required by City to fund the Eligible Loan Expenses are withdrawn from City by HUD, the City may unilaterally terminate or modify the terms of this Agreement to reflect the loss of funding, without liability to Developer. This subdivision shall not be applicable after the date the City has disbursed to Developer (i) the funds for the City Loan or (ii) City obtains, at City's election and in its sole discretion, another source of funds acceptable to Developer, in Developer's sole discretion.

(ii) *Default*. If a default shall occur under this Agreement that is not cured within an applicable notice and cure period (other than a default of City), City may terminate this Agreement in whole or in part.

(iii) *Failure to Receive Environmental Clearance*. In accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," HUD or the state does not approve the Request for Release of Funds (RROF) and related certifications for the Project and the Project is not otherwise exempt such that no RROF is required.

(iv) *Termination for Convenience*. This Agreement may be terminated by City for convenience as provided in 24 C.F.R. § 85.44.

6.2 Obligations Survive Termination. Notwithstanding the expiration or earlier termination of this Agreement, Developer's obligations to City shall not terminate until all closeout requirements are completed. In addition, the following obligations of Developer shall survive the termination of this Agreement: (a) Developer's indemnity obligations; (b) the obligation to cause audits to be performed relating to Developer's activities and costs under this Agreement; (c) the obligation to repay to City the City Loan proceeds improperly disbursed to Developer or disbursed or used for ineligible expenditures; and (d) any other obligations which cannot by their nature be performed until after the expiration of the Agreement. No termination under this Agreement shall release either party then in default from liability for such default.

7. DEFAULTS AND REMEDIES.

7.1 Defaults-General. The occurrence of any of the following shall be deemed a default under this Agreement:

(a) The failure or delay by either party to perform any term or provision of this Agreement if such failure is not cured, corrected or remedied within any specific time period set forth in this Agreement.

(b) If no other specific time period is set forth herein, the failure to cure a monetary default under this Agreement (other than any monetary defaults specifically listed in any of the other subparagraphs of this Section 7.1) within ten (10) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default.

(c) If no other specific time period is set forth herein, the failure to cure a non-monetary default under this Agreement (other than any non-monetary defaults specifically listed in any of the other subparagraphs of this Section 7.1) within thirty (30) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default; provided, however, that if the failure cannot be corrected within such period, it shall not constitute a default if the failure is correctable without material adverse affect on the Site, and if corrective action is instituted by Developer within such period and diligently pursued until the failure is corrected, and provided further that any such failure is cured within ninety (90) days of receipt of notice of such failure.

(d) Subject to Section 9.3, Developer does not proceed with the commencement, construction and completion of the Project as herein provided.

(e) Subject to Section 9.3, work ceases on the Project for ten (10) consecutive business days.

(f) The occurrence of a Program default described in Section 4.6.

(g) Subject to the notice and cure provisions in Subsection (c) above, any of the warranties or representations made by Developer herein are or become false, incorrect or misleading in any material respect.

(h) Developer commits any act of bankruptcy or if any relief under the federal Bankruptcy Act is sought by or against Developer, or if a receiver is appointed to take charge of the assets or affairs of Developer, or if Developer should make an assignment for the benefit of creditors, or if Developer should become insolvent, or upon any liquidation or termination of Developer; provided, however, that if any such proceeding is brought involuntarily against Developer, Developer shall have ninety (90) days to obtain the dismissal of such proceeding.

(i) The filing of a notice of judgment lien against Developer, or the recording of any abstract of judgment against Developer, or the service of a notice of levy and/or of a writ of attachment or execution, or other like process, against the assets of Developer, or the entry of a judgment, order or decree against Developer, any or all of which would have a material and adverse effect upon Developer's ability to perform under this Agreement, unless the same is dismissed within ninety (90) days.

(j) There is a default (other than by City) of the City CDBG Loan Agreement, or there is a default (other than by Land Trust) of the Land Trust Loan Agreements, after expiration of any notice and cure periods in the applicable agreement(s).

(k) Developer shall default under the Ground Lease and such default is not cured within any grace and cure period expressly provided in the Ground Lease.

(l) Developer shall default in the payment or performance of any obligation, or any defined event of default, under the terms of any contract or instrument pursuant to which Developer has incurred any debt or other liability to City, or any other person or entity that has an interest secured by a lien recorded against the Site, which default is not cured within any grace and cure period expressly provided in such contract or instrument.

The party in default shall provide to the other party immediate written notice of the occurrence of any event that would constitute a default hereunder.

7.2 Remedies Upon Default. In addition to any other rights or remedies available at law or in equity, upon a default under this Agreement (other than a default of City) that is not cured within any applicable notice and cure periods herein, City may take one or more of the following actions:

(i) Wholly or partially suspend or terminate this Agreement.

(ii) Withhold further awards for the Project, including further disbursements of the City Loan.

(iii) Require Developer to repay the City Loan funds.

(iv) Institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement.

In addition to the foregoing, City shall have the right to withhold disbursements of City Loan proceeds during such period as may be necessary to determine whether a default has occurred and during any cure period. Upon the occurrence of an event which, with the passage of time or the giving of notice, would constitute a default under this Agreement (other than a default of City), City may temporarily withhold disbursements of City Loan proceeds pending correction of the default by Developer.

In addition to Developer's cure rights hereunder, Irvine Company (or its entity formed and existing as the equity investor receiving the tax credits), for so long as such entity is a limited partner investor in Developer, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Agreement and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Agreement; provided however, if the non-monetary default is incapable of being cured within thirty (30) days, Irvine Company shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. City shall accept any cure made by Irvine Company as if made by Developer.

Except as otherwise expressly provided in this Agreement, any failure or delay by a party in giving a notice of default or in asserting any of its rights and remedies as to any default shall not constitute a waiver of any default, nor shall it change the time of default, nor shall it deprive such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

7.3 Institution of Legal Actions. In addition to any other rights or remedies, either party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that county.

7.4 Applicable Law and Venue. The internal laws of the State of California without regard to conflict of law principles shall govern the interpretation and enforcement of this Agreement. All legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that County.

7.5 Rights and Remedies are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or

different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Attorney's Fees. If either party to this Agreement is required to initiate or defend litigation in any way connected with this Agreement, the prevailing party in such litigation, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees from the losing party. If any party to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other party, then the party so litigating shall be entitled to reasonable attorney's fees from the other party to this Agreement. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, retaining expert witnesses, taking depositions and discovery, and all other necessary costs incurred with respect to such litigation.

8. REPRESENTATIONS AND WARRANTIES OF DEVELOPER.

Developer makes the following representations and warranties as of the date of this Agreement and agrees that such representations and warranties shall survive and continue thereafter:

(a) *Authorization and Validation.* The execution, delivery and performance by Developer of this Agreement (i) are within the powers of Developer and upon its execution will constitute a legal, valid and binding obligation of Developer enforceable in accordance with its terms, and (ii) to Developer's knowledge will not violate any provisions of law, any order of any court or other agency of government, or any indenture, agreement or any other instrument to which Developer is a party or by which Developer, or any of its property, is bound, or be in conflict with, result in any breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of its property or assets, except as contemplated by the provisions of this Agreement.

(b) *Correct Information.* To Developer's knowledge, all reports, papers, data and information given to City with respect to Developer and this Agreement, including the Site and Program are accurate and correct in all material respects and complete insofar as completeness may be necessary to give City a true and accurate knowledge of the subject matters thereof, and there has been no change in such information.

(c) *Defaults.* Developer is not a party to any agreement or instrument that will interfere with its performance under this Agreement, and is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions set forth in any agreement or instrument to which it is a party would have an adverse affect on its ability to perform its obligations under this Agreement.

(d) *Pending Litigation.* There is not now pending, or to Developer's knowledge threatened, against or affecting Developer any claim, investigation, action,

suit or proceeding at law, or in equity, or before any court or administrative agency which, if adversely determined, would impair or affect the Site or Developer.

(e) *Compliance.* Developer has examined and is familiar with all conditions, restrictions, reservations and ordinances affecting the Site and Project. .

9. GENERAL PROVISIONS.

9.1 Notices, Demands, and Communications Between the Parties. Formal notices, demands, and communications between City and Developer shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, (c) mailing in the United States mail, certified or first class mail, postage prepaid, or (d) delivery by facsimile or electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed to::

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices delivered by facsimile or email shall be deemed

effective the next business day, not less than 24 hours, following the date of transmittal and confirmation of delivery to the intended recipient. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

During the term of the Rider to Loan Agreement attached to this Agreement ("**Rider**"), prior to exercising any remedies under this Agreement, City shall give the Irvine Company (or its limited partner assignee) a copy of any written notice given to Developer under the loan documents at the address set forth in the Rider.

9.2 Nonliability of City Officials and Employees. No member, official, employee, or contractor of City shall be personally liable to Developer in the event of any default or breach by City or for any amount which may become due to Developer or on any obligations under the terms of this Agreement.

9.3 Enforced Delay; Extension of Times of Performance. Time is of the essence in the performance of each of the parties' respective obligations set forth in this Agreement. In addition to specific provisions of this Agreement, and except as expressly set forth in this Section 9.3, performance by either party hereunder shall not be deemed to be in default and such party shall be entitled to an extension of time to perform its obligations hereunder where delays in performance are due to causes beyond the control and without the fault of such party, including as applicable: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplies that are not caused by Developer; acts of the other party; acts or the failure to act of City or any other public or governmental agency or entity that are not caused by Developer; or other causes beyond the reasonable control of the party. Notwithstanding the foregoing, Developer's inability to secure satisfactory financing, interest rates, and market and economic conditions shall not entitle Developer to an extension of time to perform. An extension of time for any cause permitted under this Section 9.3 shall be limited to the period of the enforced delay, which period shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of knowledge of the commencement of the cause. If no written notice is sent within thirty (30) days, for purposes of measuring the extension period for performance of the obligation in question, the period of the enforced delay shall commence to run from the date written notice is sent to the other party. Times of performance under this Agreement may be extended by mutual written agreement of City and Developer.

9.4 Inspection of Books and Records. City shall have the right at all reasonable times to inspect the books and records of Developer pertaining to the Site and the Project as pertinent to the purposes of this Agreement.

9.5 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against any party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

The Section headings are for purposes of convenience only, and shall not be construed to limit or extend the meaning of this Agreement.

9.6 Entire Agreement, Waivers and Amendments. This Agreement integrates all of the terms and conditions mentioned herein, or incidental hereto, and supersedes all negotiations and previous agreements between the parties with respect to the City Loan. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the party to be charged, and all amendments and modifications hereto must be in writing and signed by the appropriate authorities of City and Developer. The City hereby authorizes the Director of Community Development for the City of Irvine or designee, to the extent allowed by federal, state or local law, to approve or consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities, including but not limited to, the execution of any additional agreements, addenda or amendments to effectuate the purpose of this Agreement and the intent of the parties hereto.

9.7 Severability. If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. In the event that all or any portion of this Agreement is found to be unenforceable, this Agreement or that portion which is found to be unenforceable shall be deemed to be a statement of intention by the parties; and the parties further agree that in such event, and to the maximum extent permitted by law, they shall take all steps necessary to comply with such procedures or requirements as may be necessary in order to make valid this Agreement or that portion which is found to be unenforceable.

9.8 Prohibition Against Assignment and Transfer by Developer. The qualifications and identity of Developer are of particular concern to City. It is because of those qualifications and identity that City has provided financial assistance to Developer and entered into this Agreement with Developer. Accordingly, except as expressly set forth herein, Developer shall not, whether voluntarily, involuntarily, or by operation of law, undergo any significant change in ownership, or transfer or assign all or any part of this Agreement or any rights hereunder or in the Site or in the Project without the City's prior written approval. The term "significant change in ownership" shall mean any change by virtue of which Jamboree Housing Corporation does not continue to be the managing member of the general partner of Developer.

Notwithstanding the foregoing paragraph, the following shall not require City approval (except as specifically provided below) for the purpose of this Section 9.8:

(a) a leasehold interest in a residential unit to an Eligible Tenant for Affordable Rent, in accordance with the City HOME Funds Regulatory Agreement and pursuant to a lease form approved by City in accordance with the City HOME Funds Regulatory Agreement; or

(b) any Permitted Encumbrance; or

(c) a transfer of the Developer's leasehold interest in the Site and the Project to Jamboree, provided Jamboree assumes from the Developer this Agreement and all of the agreements attached as exhibits hereto; or

(d) the removal of the general partner of the Developer for any default under the Developer's partnership agreement, provided that any substitute general partner is acceptable to City in its reasonable discretion, including, without limitation, requiring that the new general partner have at least the same level of experience in developing, operating, and managing an affordable multifamily housing complex that is similar to the Project; or

(e) a transfer of the limited partnership interest in the Developer from Irvine Company or another tax credit syndicator or investor to Jamboree, or an affiliate of Jamboree, provided that Jamboree continues to manage and operate the Project.

As used in this Section, the term "affiliate" shall mean an entity that directly or indirectly controls or is controlled by Jamboree.

Developer shall deliver written notice to City requesting approval of any assignment or transfer requiring City approval hereunder. In considering whether it will grant approval to any assignment by Developer of its interest in the Site and this Agreement or any portion thereof, City shall consider factors such as the financial strength and capability of the proposed transferee to perform Developer's obligations hereunder and the proposed assignee's experience and expertise in the planning, financing, development, and operation of similar projects.

No assignment, excluding assignments for Permitted Encumbrances, shall be effective as to City unless and until the proposed assignee and Developer execute and deliver to City an assignment and assumption agreement in form reasonably satisfactory to the Contract Officer and the City Attorney.

9.9 Prohibition Against Assignment and Transfer by City. The City shall not voluntarily assign or transfer its interest in all or any part of this Agreement (which by definition includes all attachments hereto) without Developer's prior written approval, which shall not be unreasonably withheld. Notwithstanding the foregoing sentence, the City may, with the approval of Developer, which shall not be unreasonably withheld or delayed, assign or transfer all or any part of its interest in this Agreement to the Land Trust.

9.10 Third Party Beneficiaries. The Land Trust is an intended third party beneficiary of this Agreement and shall have the right, but not the obligation, to enforce its terms. Except as provided in this Section 9.10, no person or entity other than Developer, City and the Land Trust and the permitted successors and assigns of each of them, shall be authorized to enforce the provisions of this Agreement.

9.11 Authority to Execute Agreement. The persons executing this Agreement on behalf of each party represents and warrants to the other party that by proper action such persons have been duly authorized to execute and deliver this Agreement.

9.12 Contract Administration and Approvals. The Contract Officer shall be the person designated by City to administer this Agreement on behalf of City and such administrative authority shall include but not be limited to the right to approve extensions of time on behalf of City and to issue waivers, and the Developer Representative shall be the person designated by Developer to administer this Agreement on behalf of Developer. The City Manager and the Community Development Director (or their respective authorized representatives) each shall have the authority to consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities concerning the City Loan, including but not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of City as specified herein.

9.13 Covenants to Run with the Land. This Agreement shall be binding on Developer's successors in interest in the Site until the date that all units in the Project have received all required occupancy permits and City has verified that all improvements required to be constructed in connection with the Project have been completed ("**Completion Date**"). Accordingly, the provisions of this Section 9.13 shall be applicable until the Completion Date.

This Agreement is designed to create equitable servitudes and covenants running with the Site, in favor of City. The covenants, conditions, restrictions, reservations, equitable servitudes, liens and charges set forth herein shall be binding upon all persons having any right, title or interest in the Site, or any part thereof, their heirs, successive owners and assigns; shall inure to the benefit of City and its successors and assigns, shall be binding upon Developer, its successors and assigns and successors in interest; and may be enforced by City and its successors and assigns. Developer hereby declares its understanding and intent that the burden of the covenants set forth herein touch and concern the land. Developer hereby further declares its understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Site for purposes of affordable housing. City shall have the right to designate real property as benefited by the covenants contained herein during the term of this Agreement. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided herein both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate.

City shall execute, acknowledge, and deliver to Developer upon Developer's request after the Completion Date, a document in recordable form removing the Memorandum from title to the Site. The removal of the Memorandum from title shall not result in a termination of this Agreement as between Developer and City but any party thereafter owning or acquiring Developer's interest in the Site shall not because of such ownership or acquisition incur any obligation under this Agreement, but such party shall be subject to any other recorded agreements, including without limitation the City HOME Funds Regulatory Agreement and the Leasehold Deed of Trust.

The parties acknowledge that the Memorandum, Regulatory Agreement and Leasehold Deed of Trust recorded against the Site will encumber Developer's leasehold interest in the Site and not the fee interest in the Site.

9.14 Time of the Essence. Time is of the essence in the performance of this Agreement.

9.15 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

9.16 Attachments. This Agreement contains eight (8) Attachments, attached hereto and made a part hereof by this reference. Said Attachments are identified as follows:

1	Legal Description of Site
2	Schedule of Performance
3	Summary of Legal Requirements for HOME Funds
4	Project Budget
5	Promissory Note Secured by Leasehold Deed of Trust
6	Leasehold Deed of Trust with Assignment of Rents

Times of performance under this Agreement may be extended by mutual written agreement of City and Developer.

ATTACHMENT NO. 3

SUMMARY OF LEGAL REQUIREMENTS FOR HOME FUNDS

In addition to the requirements set forth in other provisions of the Agreement, Developer shall comply, and shall cause all Developer Personnel to comply, with the following regulations and requirements.[1]

1. **Use of the HOME Funds**. The City Loan shall be used only for eligible costs (see, e.g., 24 C.F.R. § 92.206, 92.214, 92.300(c), and 92.301), and any development work shall be completed within the times referred to in the Affordable Housing and Loan Agreement between City and Developer.

2. **Affordability**. The units shall meet the affordability requirements of the HOME Requirements (24 C.F.R. § 92.254) or this Agreement and the City HOME Funds Regulatory Agreement,[2] whichever is more restrictive. If the units do not meet the affordability requirements of the HOME Requirements for the specified time period, Developer shall repay the City Loan to City promptly upon demand by City. In such event, Developer shall not be released from the affordability and other covenants and restrictions set forth in this Agreement and the City HOME Funds Regulatory Agreement, which shall continue to apply independent of the HOME Requirements.

3. **Equal Opportunity and Nondiscrimination.**

a. **Title VI of the Civil Rights Act of 1964, as amended, including Public Law 88-352 implemented in 24 CFR Part 1**. This law provides in part that no person shall, on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. In regard to the sale or lease of the Site, Developer shall cause or require a covenant running with the land to be inserted in the deed and leases prohibiting discrimination under this Title, and providing that City and the United States are beneficiaries of and entitled to enforce such covenants. Developer shall enforce such covenant and shall not itself so discriminate.

b. **Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended, including Public Law 90-234.** The Fair Housing Act provides in part that there shall be no discrimination in housing practices on the basis of race, color, religion, sex, and national origin. The Fair Housing Act was amended in 1988 to provide protections from discrimination in any aspect of the sale or rental of housing for families with children and persons with disabilities. The Fair Housing Act also establishes requirements for the design and construction of new rental or for-sale multi-family housing to ensure a minimum level of accessibility for persons with disabilities.

[1] **This exhibit is a list and summary of some of the applicable legal requirements and is not a complete list of all Developer requirements. The description set forth next to a statute or regulation is a summary of certain provisions in the statute or regulation and is in no way intended to be a complete description or summary of the statute or regulation. In the event of any conflict between this summary and the requirements imposed by applicable laws, regulations, and requirements, the applicable laws, regulations, and requirements shall apply.**

c. **Section 109 of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq.*, 42 U.S.C. 6101 *et. seq.*, and 29 U.S.C. 794.** This law provides in part that no person on the grounds of race, color, national origin, sex, or religion shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any activity funded in whole or part with funds under this Title.

d. **Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq*.** This law provides in part that any grant under Section 106 shall be made only if the grantee certifies to the satisfaction of the Secretary of HUD that the grantee will, among other things, affirmatively further fair housing.

e. **Executive Order 11246, as amended.** This order includes a requirement that grantees and subrecipients and their contractors and subcontractors not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

f. **Executive Order 11063, as amended, including 24 CFR Part 107.** This order and its implementing regulations include requirements that all actions necessary be taken to prevent discrimination because of race, color, religion, sex, or national origin in the use, occupancy, sale, leasing, rental, or other disposition of property assisted with Federal loans, advances, grants, or contributions.

g. **Section 504 of the Rehabilitation Act of 1973, as amended**. This Act specifies in part that no otherwise qualified individual shall solely by reason of his or her disability or handicap be excluded from participation (including employment), denied program benefits, or subjected to discrimination under any program or activity receiving Federal assistance. Developer must ensure that its programs are accessible to and usable by persons with disabilities.

h. **The Americans with Disabilities Act (ADA) of 1990, as amended.** This Act prohibits discrimination on the basis of disability in employment by state and local governments and in places of public accommodation and commercial facilities. The ADA also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. The Act defines the range of conditions that qualify as disabilities and the reasonable accommodations that must be made to assure equality of opportunity, full participation, independent living, and economic self-sufficiency for persons with disabilities.

i. **The Age Discrimination Act of 1975, as amended**. This law provides in part that no person shall be excluded from participation in, be denied program benefits, or subjected to discrimination on the basis of age under any program or activity receiving federal assistance.

j. **EEO/AA Statement.** Developer shall, in all solicitations or advertisements for employees placed by or on behalf of Developer, state that it is an Equal Opportunity or Affirmative Action employer.

k. **Minority/Women Business Enterprise**. Developer will use its best efforts to afford small businesses and minority and women-owned business enterprises the maximum practicable opportunity to participate in the performance of the Agreement. As used in the Agreement, the term "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women-owned

business enterprise" means a business at least fifty-one percent (51%) owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. Developer may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

l. **Nondiscrimination**. Developer shall comply with the federal requirements and nondiscrimination provisions in 24 C.F.R. § 92.350, which include requirements on nondiscrimination and equal opportunity, disclosure requirements, debarred, suspended or ineligible contractors, and maintaining a drug-free workplace.

4. **Environmental**.

a. **Air and Water**. Developer shall comply with the following regulations insofar as they apply to the performance of the Agreement: Clean Air Act, 42 U.S.C. 7401, *et seq.*; Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, *et seq.*, as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder; and the U.S. Environmental Protection City regulations pursuant to 40 CFR Part 50, as amended.

b. **Flood Disaster Protection Act of 1973**. Developer shall assure that for activities located in an area identified by FEMA as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained.

c. **Lead-Based Paint**. Developer shall comply with the Lead-Based Paint Regulations referenced in 24 C.F.R. 92.355, including 24 C.F.R. Part 35, *et. al.*

d. **Historic Preservation**. Developer shall comply with the historic preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 C.F.R. Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties and related laws and Executive Orders, insofar as they apply to the performance of this Agreement. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a federal, state, or local historic property list.

e. **Limitation on Activities Pending Clearance**. In accordance with 24 C.F.R. § 58.22 entitled "Limitations on activities pending clearance," neither a recipient nor any participant in the development process, including public or private nonprofit or for-profit entities, or any of their contractors, may commit HUD assistance under a program listed in 24 C.F.R. § 58.1(b) on an activity or project until HUD or the state has approved the recipient's Request for Release of Funds (RROF) and the related certifications have been approved. Neither a recipient nor any participant in the development process may commit non-HUD funds or undertake an activity or project that would have an adverse environmental impact or limit the choice of reasonable alternatives. Upon completion of environmental review or receipt of environmental clearance, City shall notify Developer. HUD funds shall not be utilized before this requirement is satisfied. The environmental review or violation of the provisions may result in approval, modification of cancellation of the City Loan. If a project or activity is exempt under 24 C.F.R. § 58.34, or is categorically excluded (except in extraordinary circumstances) under 24 C.F.R. § 58.35(b), no RROF is required and the recipient

may undertake the activity immediately after the City has documented its determination that each activity or project is exempt and meets the conditions specified for such exemption under this section by issuing a Notice to Proceed.

5. Uniform Administrative Requirements. Developer shall comply with applicable uniform administrative requirements as described in 24 C.F.R. §§ 92.205.

6. Other Program Requirements. Developer shall carry out each activity under the Agreement in accordance with all applicable federal laws and regulations described in Subpart H of 24 C.F.R. § 92 except for City's responsibility for initiating the environmental review process under the provisions of 24 C.F.R. Part 58.

7. Intentionally Omitted.

8. Intentionally Omitted.

9. Project Requirements. Developer shall comply with all project requirements set forth in 24 C.F.R. §§ 92.250-92.258, as applicable in accordance with the type of project assisted.

10. Property Standards. Developer shall perform any construction work and maintain the HOME Units in compliance with the property standards in 24 C.F.R. § 92.251 and the lead-based paint requirements in 24 C.F.R. § 92 Part 35, Subparts A, B, J, K, M and R, as applicable.

11. Records and Reports. Developer shall provide to City all records and reports relating to the Program Activities that may be reasonably requested by City in order to enable it to perform its recordkeeping and reporting obligations pursuant to the HOME Requirements, including 24 C.F.R. §§ 92.508 and 92.509.

12. Intentionally Omitted.

13. Conflict of Interest. Developer will comply with 24 C.F.R. 84.42, 85.36 and 92.356, as applicable, regarding the avoidance of conflict of interest, which provisions include (but are not limited to) the following:

i. Developer shall maintain a written code or standards of conduct that shall govern the performance of its officers, employees or agents engaged in the award and administration of contracts supported by Federal funds.

ii. No employee, officer or agent of the Developer shall participate in the selection, or in the award, or administration of, a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

iii. No covered persons who exercise or have exercised any functions or responsibilities with respect to HOME-assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the HOME-assisted activity, or with

respect to the proceeds from the HOME-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee, the Developer, or any designated public agency.

14. Intentionally Omitted.

15. Affirmative Marketing. If the City Loan will be used for housing containing 5 or more assisted units, Developer shall establish for City's review and approval a plan and procedures to affirmatively market the units. The objective of the plan shall be to provide information and attract eligible persons from all racial, ethnic and general groups in the housing market area to the available housing. In connection therewith, Developer shall perform those affirmative marketing responsibilities set forth in 24 C.F.R. § 92.351(a) and the marketing plan shall include the following:

a. methods for informing the public, owners, and potential tenants about federal fair housing loans and the City's affirmative marketing policy;

b. requirements and practices Developer must adhere to in order to carry out the affirmative marketing procedures and requirements;

c. procedures to be used by Developer to inform and solicit applications from persons in the housing market area that are not likely to apply for the housing without special outreach;

d. records that will be kept describing actions taken by Developer to affirmatively market units and records to assess the results of those actions; and

e. a description of how Developer will assess the success of affirmative marketing actions and what corrective actions will be taken where affirmative marketing requirements are not met.

16. Displacement. Consistent with the other goals and objectives of Subpart H of 24 C.F.R. § 92, Developer shall take all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of the Program Activities.

17. Debarment and Suspension. As required in 24 C.F.R. § 92.357, Developer shall comply with all debarment and suspension certifications.

18. Enforcement of Agreement. In addition to the other provisions set forth in the Agreement, City shall have the authority to enforce Developer's obligation to comply with the HOME Requirements.

19. Return of HOME Funds. Upon the completion of the Project or earlier termination of the Agreement, Developer shall transfer to City any HOME funds on hand for which Eligible Loan Expenses have not been incurred and any accounts receivable attributable to

the use of HOME funds. In addition to the foregoing, in the event the Eligible Loan Expenses for which any disbursement of City Loan funds are disbursed are not incurred by Developer within thirty (30) days after City's disbursement, or such longer time as City approves in its sole discretion, City shall have the right to require that Developer immediately return the City Loan proceeds to City.

20. Monitoring. Not less than once per year, City shall review Developer's activities and operations under the Agreement and Developer's compliance with the HOME Requirements. Such review may include an on-site inspection of the HOME Units (including unit interiors). If such an on-site inspection of the HOME Units is to be undertaken, City shall coordinate such inspection with Developer. The monitoring required pursuant to this paragraph shall be in compliance with the requirements of 24 C.F.R. § 92.504.

21. Tenant Participation Plan. Developer shall provide to City for approval the form of the lease agreement to be used for the rental units, which lease must be fair and provide for a grievance procedure. In addition, Developer shall provide to City for approval a plan that provides for tenant participation in management decisions. (24 C.F.R § 92.303.)

22. Anti-Lobbying Certification. By its execution of the Agreement, Developer hereby certifies that:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

iii. It will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. This certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure. At the request of City, Developer shall execute a separate document that contains the certifications set forth above.

23. Drug-Free Workplace Requirements. Developer shall comply with and be subject to the requirements of the federal drug-free workplace requirements, which include the following actions be taken:

i. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

ii. Establishing an ongoing drug-free awareness program to inform employees about: (a) the dangers of drug abuse in the work place; (b) the grantee's policy of maintaining a drug-free workplace; (c) any available drug counseling, rehabilitation, and employee assistance programs; and (d) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

iii. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (i).

iv. Notifying the employee in the statement required by paragraph (i) that, as a condition of employment under the grant, the employee will: (a) abide by the terms of the statement; and (b) notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.

v. Notifying the agency in writing, within ten calendar days after receiving notice under sub-paragraph (iv)(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant.

vi. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (iv)(b), with respect to any employee who is so convicted: (a) taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or (b) requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

vii. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (i), (ii), (iii), (iv), (v), and (vi).

24. Procurement. If applicable, Developer will comply with the procurement standards under 24 CFR 85.36 for governmental subrecipients and 24 CFR 84.40-48 for subrecipients that are non-profit organizations. Developer shall comply with all existing and future City policies concerning the purchase of equipment.

25. Labor Provisions.

a. Section 3 of the Housing and Community Development Act of 1968. Developer shall comply with and cause its contractors and subcontractors to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. § 1701u), the HUD regulations issued pursuant thereto at 24 C.F.R, Part 135, and any applicable rules and orders of HUD issued thereunder. The Section 3 clause, set forth in 24 C.F.R § 135.38 provides:

i. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

ii. The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

iii. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

iv. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 135.

v. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. Part 135.

vi. Noncompliance with HUD's regulations in 24 C.F.R Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

Developer shall abide by the Section 3 clause set forth above and will also cause this Section 3 clause to be inserted in all contracts relating to the construction of the Project.

b. Labor Standards. Developer shall comply with the provisions of 24 C.F.R. § 92.354 and related requirements. Developer shall include in all applicable construction contracts the provisions of federal law imposing labor standards on federally assisted contracts. Developer shall comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended (40 U.S.C. 3141 through 3148), the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 *et seq.* and implementing regulations), the Copeland Anti-Kick Back Act (40 U.S.C. 276c and 18 U.S.C. 874 *et seq.*), the implementing regulations of the U.S. Department of Labor including 29 CFR Parts 1, 3, 5, 6 and 7, and all other applicable Federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. Developer shall maintain documentation that demonstrates compliance with these provisions and such documentation shall be made available to City and HUD for review upon request. Developer shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

c. HUD Form 4010. Developer shall comply and cause Developer Personnel to comply with the provisions of HUD Form 4010 attached hereto. HUD Form 4010 must be included in the bid packet and construction contract and subcontracts for the Project.

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section l(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section l(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section l(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at *http://www.dol.gov/esa/whd/forms/wh347instr.htm* or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant ',to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false..... shall be fined not more than $5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds $100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in sub paragraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds $100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

PROMISSORY NOTE SECURED BY LEASEHOLD DEED OF TRUST

[Attached]

PROMISSORY NOTE SECURED BY LEASEHOLD DEED OF TRUST

$506,810.00 January 11, 2013

FOR VALUE RECEIVED, the undersigned, STONEGATE HOUSING PARTNERS II, L.P., a California limited partnership ("Borrower"), promises to pay to the CITY OF IRVINE, a California municipal corporation ("City"), the sum of Five Hundred Six Thousand Eight Hundred Ten Dollars ($506,810.00), plus accrued interest on the unpaid principal, plus such other costs, charges, and fees which may be owing from time to time, all subject to the terms, conditions, and provisions set forth in this Promissory Note Secured by Leasehold Deed of Trust ("Note"). All terms not otherwise defined herein shall have the meaning ascribed in Exhibit "A" to this Note.

Reference is made to the following documents (collectively, together with this Note, the "Loan Documents"):

(i) The Affordable Housing and Loan Agreement (HOME Funds), with all Attachments thereto, by and between City and Borrower dated November 30 ___, 2012, as may be amended from time to time, ("Loan Agreement"), which sets forth terms and conditions for Borrower's development and operation of an affordable residential rental project ("Project") on that certain real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached as Attachment No. 1 to the Loan Agreement ("Site"). Capitalized terms used herein and not otherwise defined shall have the same meaning as set forth in the Loan Agreement.

(ii) The Regulatory Agreement and Declaration of Covenants and Restrictions between Borrower and City dated on or about the date hereof and recorded against the Site in the Official Records of Orange County, California, as may be amended from time to time ("Regulatory Agreement").

(iii) The Leasehold Deed of Trust ("Leasehold Deed of Trust") that shall be executed by Borrower for the benefit of City securing the City Loan, and recorded in the Official Records of Orange County, California, as more particularly set forth in the Loan Agreement.

(iv) The Memorandum of Affordable Housing and Loan Agreement ("Memorandum") that shall be executed by Borrower and City on or about the date of this Note, and recorded in the Official Records of Orange County, California, and may be amended from time to time, and as more particularly set forth in the Loan Agreement.

1. Loan Amount. The principal amount of the City's loan to Borrower is Five Hundred Six Thousand Eight Hundred Ten Dollars ($506,810.00) ("City Loan"), which shall accrue simple interest at the rate of 1% per annum commencing on the date of this Note. The City Loan shall be disbursed to Borrower in accordance with the Loan Agreement when costs are incurred for Eligible Loan Expenses.

2. Term of Note; Repayment of Loan Amount. Except as provided below, the entire City Loan and accrued interest shall be due and payable in a single lump-sum payment on the date that is fifty-five (55) years after all units in the Project have received all required occupancy permits from the City, but in no event later than the date that is sixty (60) days prior to the expiration of the term of the Ground Lease. There shall be no penalty to Borrower for any prepayment of the City Loan. Commencing upon the date that the loans provided by the County of Orange and CalHFA are paid in full, Borrower shall make annual payments to City in an amount equal to 8.4489% (*i.e.*, the prorata amount of ten percent (10%) between the City HOME Loan and the City CDBG Loan) of Project Cash Flow for the preceding calendar year. If the City Loan has not been paid in full as of the date the loans to be obtained by Borrower from the Land Trust in the aggregate amount of $1,600,000 is paid in full, the percentage of Project Cash Flow payable to City shall increase from 8.4489% to 21.12225% (*i.e.*, the prorata amount of twenty-five percent (25%) between the City HOME Loan and the City CDBG Loan).

3. Records. For the purposes of ascertaining the amount of Project Cash Flow, Borrower shall prepare and keep or cause to be prepared and kept on the Site or at Borrower's principal place of business if located in Orange County, California (or at such other location approved by City, which approval shall not be unreasonably withheld) for a period of not less than twenty-four (24) months following the end of each calendar year, adequate records for the computation of Gross Income and Operating Expenses.

4. Reports. Borrower shall submit to City on or before the date that is seven (7) months following the end of each calendar year, together with the remittance of the payment due, if any, a written audit report prepared and certified by an independent professional accountant of Borrower's choosing, and acknowledged and signed by Borrower (or if Borrower is a corporation or a partnership, by a duly authorized corporate officer or general partner of Borrower) to be true and correct, showing in reasonable, accurate detail the amount of Project Cash Flow for the immediately preceding calendar year. The reports and certificates referred to herein shall be in such form and style and contain such details and breakdown as City may deem reasonably acceptable. The acceptance by City of payments shall be without prejudice to City's right to an examination of the books and records of Borrower in order to verify the amount of Project Cash Flow. If Borrower fails to prepare and deliver promptly any required audit report, City shall have the right, at Borrower's expense, to make an audit of all books and records of Borrower, including its respective bank accounts, which in any way pertain to or show Project Cash Flow, and to prepare the report or reports which Borrower has failed to prepare and deliver. Borrower shall give City access to such books and records at all reasonable times for purposes of preparing any such report.

5. Audit. From time to time and at any time, City or City's representative may examine any records required to be maintained under Section 3 during regular business hours upon not less than seventy-two (72) hours written notice for the purpose of investigating and verifying the accuracy of any statement of Project Cash Flow. City may from time to time and at any time, upon reasonable notice, cause an audit of Borrower's books and records to be made by a person or persons of City's selection and, if any statements of Project Cash Flow made to City shall be found to be inaccurate, one party shall pay to the other on demand such sums as may be necessary to settle in full the actual payment that should have been paid to City for the calendar years covered by such inaccurate statement or statements. If said audit shall disclose an

inaccuracy which resulted in an underpayment to City greater than five percent (5%) for the applicable period, then Borrower shall immediately pay to City the cost of such audit; otherwise, the cost of such audit shall be paid by City.

6. Default. Borrower shall be deemed in default of this Note in the event (i) Borrower fails to timely make a required payment within ten (10) days following the due date of any payment due hereunder, or (ii) Borrower is in default of any of the other terms of this Note and such default is not cured within thirty (30) days after Borrower's receipt of written notice from City specifying the event constituting the default or, for defaults that cannot be cured within such thirty (30) day period, the cure of such default is not commenced within thirty (30) days after Borrower's receipt of the written notice of default from City and thereafter diligently prosecuted to completion within an additional sixty (60) days following the conclusion of such thirty (30) days period (for a total of ninety (90) days), or (iii) Borrower is in default of the Loan Agreement, the Leasehold Deed of Trust, or the Regulatory Agreement, and fails to timely cure such default under the terms of the applicable agreement, it being understood and agreed by Borrower that a default of any of the foregoing agreements (beyond any applicable cure period) shall be a default of this Note. In the event Borrower is in default under this Note (and after expiration of the cure periods described in the preceding sentence), City may declare the City Loan immediately due and payable.

In addition to Borrower's cure rights, Irvine Company(or its entity formed and existing as the equity investor receiving the tax credits), for so long as such entity is a limited partner investor in Borrower,, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Note and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Note; provided however, if the non-monetary default is incapable of being cured within thirty (30) days, Irvine Company shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. City shall accept any cure made by Irvine Company as if made by Borrower.

7. Additional Terms; Place of Payment, Etc.

(i) Payment of the City Loan shall be in satisfaction of the annual or final payment due from Borrower in accordance with the terms of this Note, and shall be made in lawful money of the United States to City at the address set forth below in this Note or at such other address as City or the holder of this Note may direct pursuant to written notice delivered to Borrower.

(ii) If Borrower fails to timely make a required payment within ten (10) days following the due date of such payment, interest at the rate of ten percent (10%) per annum or the maximum legal rate then applicable, whichever is less, shall accrue on the outstanding amount due commencing from the date payment was due.

(iii) Borrower agrees to pay the following costs, expenses, and reasonable attorney's fees paid or incurred by City, or adjudged by the court, in the collection of amounts in default or other costs incurred as a result of a default by Borrower: (i) reasonable costs of collection, including costs and expenses and attorney's fees paid or incurred in connection with

the collection or enforcement of this Note, whether or not suit is filed, and (ii) costs of suit and such sums as the court may adjudge as reasonable attorney's fees in any action to enforce payment of this Note or any part of it if City prevails in such suit.

8. Assignment. This Note shall not be assignable or assumable without the prior, express, written consent of City which may be given or withheld in City's sole and absolute discretion.

9. Waiver of Presentment. Notwithstanding any other provision herein to the contrary, to the extent permitted by law Borrower hereby waives the following: (i) notice of default or delinquency except defaults or delinquencies of which City has actual notice, (ii) notice of acceleration, (iii) notice of nonpayment, (iv) notice of costs, expenses and losses and interest thereon, (v) notice of interest on interest and late charges, (vi) diligence in taking any action to collect any sums owing under this Note or in proceeding against any of the rights and presentment for payment, demand, protest, and notices of dishonor and/or protest; (vii) the benefits of all waivable exemptions; and (viii) all defenses and pleas on the grounds of any extension or extensions of the time of payment or of any due date under this Note, in whole or in part, whether before or after maturity and with or without notice.

10. Acceleration Upon Sale, Lease, Encumbrance, or Refinance. To the extent permitted by applicable law, if: (a) Borrower shall directly or indirectly, voluntarily or involuntarily, or by operation of law or otherwise, including transfers by devise, foreclosure (or deed in lieu of foreclosure) on another deed of trust other than the City's Leasehold Deed of Trust, sell, assign, transfer, dispose of, alienate, encumber, lease, or agree to sell, assign, transfer, dispose of, alienate, encumber, or lease all or any portion of the interest in the property encumbered by the Leasehold Deed of Trust (excluding the lease of the units on the Site in accordance with the Loan Agreement and Regulatory Agreement, the lien of the Permitted Encumbrances, a transfer that is permitted under the Loan Agreement or the Regulatory Agreement without City approval provided an assignment and assumption agreement in a form approved by City is executed, and any other assignment, transfer, or encumbrance approved in writing by City's Contract Officer); (b) Borrower shall refinance any lien or encumbrance on terms not reasonably approved by City or, unless otherwise approved in writing by City's Contract Officer, for a loan amount which when combined with all of the other security financing encumbering the Site exceeds: (i) prior to the completion of construction of the Project, ninety percent (90%) of the appraised as-completed value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, and (ii) after the completion of construction of the Project, ninety percent (90%) of the appraised value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, with said values evidenced by an appraisal or other evidence acceptable to City; (c) Borrower shall refinance any lien or encumbrance and use the proceeds for any purpose other than the construction and operation of the rental project on the Site; (d) any default shall occur under the Loan Documents other than a default of City, or Borrower shall be in default under any documents relating to any other financing that is secured by the Site, and any such default is not cured under the terms of the applicable agreement if there is a cure period; or (e) Borrower's Ground Lease for the Site terminates for any reason, then City, at its option, may declare the entire indebtedness evidenced

hereby to be immediately due and payable and collectible then or thereafter as City may elect, regardless of the date of maturity.

11. Collection Costs; Litigation. If this Note is not paid when due, whether at maturity or by acceleration, Borrower promises to pay all costs of collection, including, but not limited to, reasonable attorneys' fees and all expenses incurred in connection with the protection or realization of the collateral securing the payment hereof or enforcement of any guarantee, incurred by City on account of such collection, whether or not suit is filed hereon. In any litigation between the parties arising out of this Note, the Superior Court of the State of California in and for the County of Orange shall have exclusive jurisdiction. The prevailing party in any litigation between the parties arising out of or connected to this Note, in addition to whatever other relief to which the prevailing party is entitled, shall also be entitled to reasonable attorney's fees, including fees and costs for discovery, and any fees and costs for appeal.

12. No Waiver by City. No waiver of any breach, default, or failure of condition under the terms of this Note or the Leasehold Deed of Trust or the obligations secured thereby shall be implied from any failure of City to take, or any delay be implied from any failure by City in taking, action with respect to such breach, default, or failure from any prior waiver of any similar or unrelated breach, default, or failure.

13. Severability; Governing Law; Amendment. The unenforceability or invalidity of any provision or provisions of this Note as to any persons or circumstances shall not render that provision or those provisions unenforceable or invalid as to any other provisions or circumstances, and all provisions hereof, in all other respects, shall remain valid and enforceable. This Note has been executed and delivered by Borrower in the State of California and is to be governed and construed in accordance with the laws thereof without regard to conflict of law principles. Neither this Note nor any term hereof may be waived, amended, discharged, modified, changed, or terminated orally; nor shall any waiver of any provision hereof be effective except by an instrument in writing signed by Borrower and City.

14. Time of the Essence. Time is of the essence in this Note.

15. Notices. Formal notices, demands, and communications between City and Borrower shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, (c) mailing in the United States mail, certified or first class mail, postage prepaid, or (d) delivery by facsimile or electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed to:

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices delivered by facsimile or email shall be deemed effective the next business day, not less than 24 hours, following the date of transmittal and confirmation of delivery to the intended recipient. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

During the term of the Rider to Loan Agreement attached to the Loan Agreement ("Rider"), prior to exercising any remedies under this Note, City shall give the Irvine Company (or its limited partner assignee) a copy of any written notice given to Borrower under the loan documents at the address set forth in the Rider.

16. Nonrecourse Obligation. Borrower shall not have any personal liability under this Note or any of the other Loan Documents to pay the indebtedness evidenced under this Note, and any judgment, decree or order for the payment of money obtained in any action to enforce the obligation of Borrower to pay the City Loan shall be enforceable against Borrower only to the extent of Borrower's interest in the Site. The foregoing shall not apply to the extent Borrower no longer retains in interest in the Site. Nothing contained in this Section 16 shall in any manner or way constitute or be deemed a release of the debt evidenced by the Note or otherwise affect or impair the enforceability against Borrower of the liens, deeds of trust, assignments, rights and security interests created by the Leasehold Deed of Trust or any other instrument or agreement evidencing, securing or related to the indebtedness evidenced by the Note. Nothing in this Section 16 shall: (a) preclude City from foreclosing the lien of the Leasehold Deed of Trust or from enforcing any of its rights or remedies in law or in equity

against Borrower or its assets except as stated in this Section 16; (b) impair, in any manner, any right, remedy or recourse City may have against any party executing a guaranty or indemnity or any obligor of a performance or payment bond furnished under the Loan Documents pursuant to such performance or payment bond; (c) impair, in any manner, any right, remedy or recourse City may have against Borrower for fraud, bad faith waste or an intentional or knowing breach of any of the representations and warranties contained in any of the Loan Documents; (d) impair, in any manner, any right, remedy or recourse City may have against Borrower for indemnification under any of the Loan Documents; (e) impair, in any manner, any right, remedy or recourse City may have against Borrower for Borrower's failure to procure or maintain policies of insurance required by City to the extent of any loss proceeds which would have been generated by an uninsured loss which Borrower was required to insure hereunder; or (f) impair, in any manner, any right, remedy or recourse City may have against Borrower for any prohibited sale, transfer, conveyance or encumbrance in breach of any of the Loan Documents.

IN WITNESS WHEREOF, Borrower has executed this Note as of the date set forth above.

EXHIBIT A TO PROMISSORY NOTE

DEFINITIONS APPLICABLE TO PROMISSORY NOTE

"Acquisition Loan" shall mean a deed of trust or mortgage securing a loan the proceeds of which are to acquire Borrower's interest in the Site following the foreclosure of any first-position Approved Mortgage, provided that (A) the principal amount of the Acquisition Loan is not more than the initial maximum aggregate principal amounts of the first position deed of trust or mortgage loan and the Subordinate Financing (increased annually by the annual increase in the Index), (B) the requirements of the Ground Lease are satisfied and (C) the foreclosure transferee to whom the Acquisition Loan is made or by whom it is assumed is not the Lender who foreclosed the first-position Approved Mortgage or an affiliate of such Lender or the Borrower, or an affiliate of the Borrower.

"Approved Mortgage" shall have the meaning ascribed in Section 15.1 of the Ground Lease.

"Assessments" shall mean any and all special assessments, levies and charges on the Site made by any governmental entity, political subdivision, maintenance district, and any like entity, and homeowner association payments applicable to the Site and payable by Borrower.

"Gross Income" shall mean all amounts received by Borrower from third parties for the use or occupancy of the Project or any portion thereof, and for services provided thereon, whether or not denominated rent, including without limitation, rent, cost reimbursements, parking charges and amounts (less broker's fees, normal closing costs, and amounts paid to Mortgagees in connection with obtaining an Approved Mortgage, such as loan fees) received by, payable to, or payable to the order of Borrower, but excluding security deposits.

"Ground Lease" shall mean the ground lease for the Site between Borrower and Irvine Company.

"Index" shall mean the Consumer Price Index--Urban Consumers (Los Angeles-Anaheim-Riverside CA, area; Base 1982-8 = 100), as published by the United States Department of Labor, Bureau of Labor Statistics or any successor index or agency reasonably acceptable to the parties.

"Irvine Company" shall mean Irvine Company, LLC, a Delaware limited liability company, the fee owner of the Site.

"Lender" shall mean an institutional lender, which shall include a state or nationally chartered bank or savings and loan association, pension fund, real estate investment trust, insurance company or international trading company with assets in excess of $200,000,000, or a mortgage banking company with assets in excess of $100,000,000, or any of the following lenders:

Bank of America, N.A.

California Housing Finance Agency
City of Irvine
Irvine Community Land Trust
County of Orange
State of California, or a political subdivision thereof
Wells Fargo Bank, N.A.
Citibank
California Federal Bank
US Bank National Association
Federal Home Loan Bank
Fannie Mae
Federal Home Loan Mortgage Corporation
U.S. Department of Housing and Urban Development (including Federal Housing Administration)
Government National Mortgage Association
Washington Mutual
Union Bank of California, N.A.

"Mortgagee" shall mean any Lender that has made a loan to Borrower and who holds a lien upon any portion of the Site as security for such loan.

"Operating Expenses" shall mean, subject to the limitations set forth below, all expenses paid by Borrower in connection with the Project, whether ordinary or extraordinary, except expenses reimbursed by insurance, to the extent so reimbursed, and federal and state taxes on net income. The term Operating Expenses shall include, without limitation, (I) all insurance premiums, including, without limitation, premiums for fire, extended coverage, earthquake and flood insurance, liability insurance, boiler and machinery insurance and business interruption and loss of rents insurance and any other insurance required by any Mortgagee or any limited partner of Borrower; (II) all Taxes and Assessments; (III) all costs and expenses of ownership, operation, management, maintenance and repair of the Project (including walkways, parking areas and landscaped areas), including, but not limited to, the following costs by way of illustration: (i) utility expenses (including heating, ventilating, and air conditioning); (ii) labor costs, costs of materials, and contractors' fees incurred in the management, maintenance, repair and/or operation of the Project; (iii) maintenance, repair and component replacement of mechanical, plumbing, heating and air conditioning systems and elevators (whether considered an operating or capitalized expense); (iv) property management fees not to exceed $480.00 per unit per year (which limit increases by 3% per year); (v) accounting; (vi) janitorial; (vii) security; (viii) supplies; (ix) materials and equipment; and (x) waste disposal; (IV) debt service on (A) indebtedness secured by a first position mortgage or deed of trust (other than the indebtedness payable from Project Cash Flow) in accordance with the original loan documents consented to by City evidencing such indebtedness or any refinancing of such indebtedness consented to by City and by Irvine Company pursuant to the Ground Lease and any other party with approval rights (if such first position mortgage or deed of trust loan is exonerated or satisfied as a result of a foreclosure proceeding, deed in lieu, or any like transaction, then an amount equal to what the debt service would have been on such loan shall be included in the computation of Operating Expenses to the extent such financing is not replaced by an Acquisition Loan (B) any

Acquisition Loan, subject to the limitations in the Ground Lease, and (C) any loan consented to by City and Irvine Company and any other party with approval rights to the extent the proceeds are used to restore, repair (and, if necessary, reconfigure) the improvements on the Site to the extent the proceeds of Borrower's portion of an award from a partial taking are insufficient or unavailable for such work provided City and Irvine Company and any other party with approval rights have approved the amount and terms of such loan in the exercise of their reasonable discretion; and (d) any deed of trust or mortgage securing a loan the proceeds of which are used to repair, restore, maintain, improve or alter the improvements on the Site, if (i) such maintenance, repair, improvement or alterations is required or permitted by the terms of the Ground Lease and (ii) Irvine Company and City (and any other party with approval rights) have approved the amount and terms of such loan in the exercise of their reasonable discretion; (V) payments into operating and replacement reserves otherwise required by a mortgagee or limited partner in Borrower and approved as an Operating Expense by City and Irvine Company in their reasonable discretion; (VI) any partnership management fee paid to a general partner in Borrower not to exceed $10,000 per calendar year (which limit increases annually by two and one-half percent (2.5%)) and any asset management fee paid to a limited partner in Borrower not to exceed $5,000 per calendar year (which limit increases annually by two and one-half percent (2.5%)); (VII) a social services fee payable to the general partner of Borrower (or an affiliate of the general partner of Borrower) in the amount of $610.00 per unit per calendar year (which limit increases annually commencing the second calendar year by two and one-half percent (2.5%)); (VIII) payments of a developer fee not to exceed Six Hundred Thousand Dollars ($600,000.00) in the aggregate, to the extent such developer fee is not paid from capital contributions to Borrower or from financing proceeds; and (IX) the repayment of operating deficit loans made either by the general partner of Borrower or Jamboree Housing Corporation pursuant to that certain Operating Deficit Agreement by and between Jamboree Housing Corporation and Irvine Company dated of or about even date of this Note, to the extent that (i) such loans do not accrue any interest, (ii) are used to pay expenses for items described in subsections (I), (II), or (III) above, and (iii) such loan amounts do not exceed the positive difference, if any, between Operating Expenses during the calendar year in which the loan was made minus Gross Income during the calendar year in which the loan was made; and (X) the minimum rent payable under the Ground Lease.

Notwithstanding anything to the contrary in the foregoing, Operating Expenses shall not exceed the reasonable cost thereof as measured by fees paid to third parties rendering similar services, Operating Expenses shall not include any items paid from any of the reserves described in subsection (V) above, or the proceeds of any partner loans described in subsection (IV) above, and Operating Expenses shall not include debt service on the indebtedness evidenced by the Subordinate Financing. Legal and accounting fees shall only be included in Operating Expenses to the extent directly related to the operation, maintenance, improvement or leasing of the Project, drafting and negotiating leases and construction contracts, calculating tenant reimbursements, prosecuting unlawful detainer actions, preparation of tax returns, accounting reports and audits, reports and studies required by any Mortgagee or any governmental agency, appeals in respect of taxes, assessments, or income and franchise taxes, and the like; provided, however, that costs associated with appeals of real property taxes and assessments shall be included in Operating Expenses only if City and Irvine Company and any other party with approval rights have approved Borrower's undertaking the applicable appeal in writing in advance (such approval not to unreasonably withheld, conditioned or delayed).

"Project Cash Flow" shall mean, with respect to any calendar year, the amount of Gross Income for such calendar year reduced by the Operating Expenses for such calendar year, determined on a basis consistent with prior periods in accordance with the cash method of accounting, and otherwise in accordance with generally accepted business and accounting principles; provided, however that for purposes of calculating Project's Cash Flow, the term "Operating Expenses" may not include the amount of any Taxes for which Borrower (or any successor under the Ground Lease) is or was entitled to an exemption under Sections 214(g) or 236 of the California Revenue and Taxation Code, and such exemption was not obtained due to a failure on the part of said Borrower or successor to use commercially reasonable efforts to obtain the exemption.

"Subordinate Financing" shall have the meaning ascribed in the Ground Lease

"Taxes" shall mean real and personal property taxes, fees, assessments and charges, water and sewer rates and charges, and other similar governmental charges and impositions, whether general or special, ordinary or extraordinary, which may be levied, assessed, charged or imposed, or may become a lien or charge upon the Site or any part or parts thereof, or upon Borrower's leasehold interest in the Site, Borrower's ownership rights in the improvements and fixtures on the Site, and Borrower's rights pursuant to the Ground Lease (and excluding any and all limited partnership interests in Borrower), or upon Irvine Company's fee simple ownership of the Site, Irvine Company's rights pursuant to the Ground Lease, and Irvine Company's reversionary rights in and to the Site upon termination or expiration of the Ground Lease.

LEASEHOLD DEED OF TRUST WITH ASSIGNMENT OF RENTS
(HOME Loan)

This LEASEHOLD DEED OF TRUST WITH ASSIGNMENT OF RENTS ("Leasehold Deed of Trust") is made this 11th day of January, 2013, among STONEGATE HOUSING PARTNERS II, L.P., a California limited partnership ("Trustor"), whose address is 17701 Cowan Avenue, Suite 200, Irvine, CA 92614, CHICAGO TITLE INSURANCE COMPANY, a California corporation ("Trustee"), and the CITY OF IRVINE, a California municipal corporation ("Beneficiary").

1. Grant In Trust. For the purposes and upon the terms and conditions in this Leasehold Deed of Trust, Trustor grants, transfers, and assigns to Trustee, in trust, with power of sale and right of entry and possession, the following property and any interest therein (collectively, the "Trust Estate"): (a) Trustor's leasehold interest in and to that certain real property in the City of Irvine, County of Orange, State of California, described as set forth in Exhibit "A" attached hereto and incorporated herein by reference, as provided by that certain Ground Lease dated of or about even date as this Leasehold Deed of Trust ("Ground Lease"), by and between Trustor and the fee owner of the property ("Real Property"); (b) all buildings and other improvements and structures now or hereafter located on the Real Property (collectively, the "Improvements" and together with the Real Property shall sometimes be referred to as the "Site"); (c) all existing and future leases, subleases, subtenancies, licenses, agreements and concessions relating to the use, occupancy or enjoyment of all or any part of the Site, together with any and all guaranties and other agreements relating to or made in connection with any of the foregoing (individually, a "Lease", and collectively, the "Leases"); and (d) all rents, issues, income, revenues, royalties, profits, proceeds and earnings now or hereafter payable with respect to or otherwise derived from the ownership, use, management, operation, leasing or occupancy of the Site, including, without limitation, cash or security deposited under any of the leases to secure the performance by the lessees of their obligations thereunder (collectively, the "Rents").

2. Obligations Secured. Trustor makes this grant and assignment for the purpose of securing the following: (a) payment of the sum of Five Hundred Six Thousand Eight Hundred Ten Dollars ($506,810.00), according to the terms of a promissory note dated on or about the date hereof made by Trustor, payable to order of Beneficiary, and extensions, modifications or renewals thereof ("City Note"); (b) Trustor's performance of the obligations and all amounts that become due under this Leasehold Deed of Trust; and (c) payment of additional sums and interest thereon which may hereafter be loaned to Trustor, or its successors or assigns, when evidenced by a promissory note or notes reciting that they are secured by this Leasehold Deed of Trust. This Leasehold Deed of Trust, the City Note, the Affordable Housing and Loan Agreement (HOME Funds) between Trustor and Beneficiary dated November 30, 2012 ("Loan Agreement"), and the Regulatory Agreement and Declaration of Covenants and Restrictions between Trustor and Beneficiary recorded against Developer's leasehold interest in the Site on or about the date hereof, in the Official Records of Orange County, California ("Regulatory Agreement"), as such agreements may be amended from time to time, are collectively referred to herein as the "Loan Documents." Any capitalized terms contained in this Leasehold Deed of Trust which are not defined herein shall have the meaning given in the Loan Agreement, unless expressly provided to the contrary.

3. Acceleration of Loan Upon Sale, Encumbrance, Refinance, or Default. To the extent permitted by applicable law, if: (a) Trustor shall directly or indirectly, voluntarily or involuntarily, or by operation of law or otherwise, including transfers by devise, foreclosure (or deed in lieu of foreclosure) on another deed of trust other than this Leasehold Deed of Trust, sell, assign, transfer, dispose of, alienate, encumber, lease, or agree to sell, assign, transfer, dispose of, alienate, encumber, or lease all or any portion of the Trust Estate (excluding the lease of the units on the Site in accordance with the Loan Agreement and Regulatory Agreement, the lien of the Permitted Encumbrances, a transfer that is permitted under the Loan Agreement or the Regulatory Agreement without Beneficiary approval provided an assignment and assumption agreement in a form approved by Beneficiary is executed, and any other assignment, transfer, or encumbrance approved in writing by Beneficiary's Contract Officer); (b) Trustor shall refinance any lien or encumbrance on terms not reasonably approved by Beneficiary or, unless otherwise approved in writing by Beneficiary's Contract Officer, for a loan amount which when combined with all of the other security financing encumbering the Site exceeds: (i) prior to the completion of construction of the Project, ninety percent (90%) of the appraised as-completed value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, and (ii) after the completion of construction of the Project, ninety percent (90%) of the appraised value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, with said values evidenced by an appraisal or other evidence acceptable to Beneficiary; (c) Trustor shall refinance any lien or encumbrance and use the proceeds for any purpose other than the construction and operation of the rental project on the Site; (d) any default shall occur under the Loan Documents other than a default of Beneficiary, or Trustor shall be in default under any documents relating to any other financing that is secured by the Site, and any such default is not cured under the terms of the applicable agreement if there is a cure period; or (e) if Trustor's Ground Lease for the Site terminates for any reason, then Beneficiary, at its option, may declare the entire indebtedness evidenced hereby to be immediately due and payable and collectible then or thereafter as Beneficiary may elect, regardless of the date of maturity.

AN EVENT OF ACCELERATION OR PAYMENT UNDER THE CITY NOTE, WHETHER VOLUNTARY OR DUE TO AN EVENT OF ACCELERATION, SHALL NOT TERMINATE THE REGULATORY AGREEMENT.

4. Assignment of Rents and Performance of Leases.

4.1 Assignment of Rents and Leases. Subject to the rights of each mortgagee or beneficiary of any mortgage, deed of trust, or other security instrument authorized to have priority over this Leasehold Deed of Trust, Trustor hereby irrevocably, absolutely and unconditionally assigns and transfers to Beneficiary all of Trustor's right, title and interest in and to the Leases and the Rents; provided, however, that so long as no default has occurred and is continuing, Trustor shall have the right under a license granted hereby to collect and receive all Rents as trustee for the benefit of Beneficiary and to apply the amounts so collected first to the payment of costs and expenses associated with the ownership, maintenance, operation and leasing of the Site, including, principal, interest and all other amounts required to be paid under the Loan Documents, before using or applying such Rents for any other purpose. No Rents or such other income shall be distributed or paid to Trustor, unless such costs and expenses which are then due have been paid in full. Thereafter, so long as no Event of Default has occurred and is continuing, the balance may be distributed to Trustor. If an Event of Default has occurred and is continuing, Trustor's right to collect and receive the Rents under the license granted hereby shall cease and the license shall be revoked automatically, and Beneficiary shall have the sole right, with or without taking possession of the Site, to collect all Rents; provided, however, if such Event of Default is cured, then such license shall be automatically reinstated. This is an absolute assignment and not an assignment for security only. For purposes of this Section 4.1, the term "Event of Default" shall mean (a) the failure of Trustor to timely pay, within ten (10) days of its due date, any payment due under the City Note, or (b) the failure of Trustor to promptly and completely observe or perform any term, condition, covenant, agreement or obligation contained in any of the Loan Documents or any other instrument or agreement secured hereby, and the continuation of such failure following the expiration of any applicable notice, cure or grace period, if any, provided for therein or herein; provided, however, that in the event no cure or grace period is otherwise provided for herein or therein, such failure shall not be an Event of Default hereunder if Trustor observes or performs such term, condition, covenant, agreement or obligation within thirty (30) days of receipt of written notice from Beneficiary of Trustor's failure to observe or perform any such term, condition, covenant, agreement or obligation or, if not reasonably susceptible of cure within thirty (30) days, then provided the cure is commenced in thirty (30) days and diligently and continuously prosecuted to completion within an additional sixty (60) days following the conclusion of such thirty (30) days period (for a total of ninety (90) days).

4.2 Covenants Regarding Leases. Trustor shall not, without the prior written consent of Beneficiary, (a) collect any rent from any lessee for a period of more than one (1) month in advance, or (b) except as may be expressly permitted under the Loan Agreement, execute any further assignment of any of its right, title and interest in the Leases and the Rents. Trustor shall (a) observe, perform and discharge each and every obligation, term, covenant, condition and agreement of Trustor under the Leases in all material respects, (b) enforce the performance of each and every obligation, term, covenant, condition and agreement in the Leases to be performed by any lessee or guarantor thereof in all material respects, (c) use good faith

commercially reasonable efforts to keep the Site leased at a good and sufficient rental and on such other terms and conditions as are reasonably acceptable to Beneficiary, (d) execute and deliver to Beneficiary upon demand, at any time and from time to time, any and all assignments and other instruments which Beneficiary may deem reasonably advisable to carry out the true purposes and intent of the assignment set forth in Section 4.1 above, and (e) at the written request of Beneficiary, cause any or all tenants under a lease or sublease to execute a subordination, nondisturbance and attornment agreement and estoppel certificate in form and substance reasonably satisfactory to Beneficiary.

5. Default. Trustor shall be deemed in default of this Leasehold Deed of Trust in the event Trustor fails to perform any obligation hereunder and such default is not cured within thirty (30) days after Trustor's receipt of written notice from Beneficiary specifying the event constituting the default or, for defaults that cannot be cured within such thirty (30) day period, the cure of such default is not commenced within thirty (30) days after Trustor's receipt of the notice of default and thereafter diligently prosecuted to completion within an additional sixty (60) days following the conclusion of such thirty (30) days period (for a total of ninety (90) days).

In addition to Trustor's cure rights, the Irvine Company, a Delaware limited liability company (or its entity formed and existing as the equity investor receiving the tax credits), ("Irvine Company"), for so long as such entity is a limited partner investor in Trustor, shall have ten (10) days after receipt of a default notice from Beneficiary to cure a monetary default secured by this Leasehold Deed of Trust and thirty (30) days after receipt of a default notice to cure any non-monetary default of this Leasehold Deed of Trust; provided however, if the non-monetary default is incapable of being cured within thirty (30) days, Irvine Company shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. Beneficiary shall accept any cure made by Irvine Company as if made by Trustor.

During the term of the Rider to Loan Agreement attached to the Loan Agreement ("Rider"), prior to exercising any remedies under this Leasehold Deed of Trust, Beneficiary shall give the Irvine Company (or its limited partner assignee) a copy of any written notice given to Trustor under the loan documents at the address set forth in the Rider.

6. Actions Affecting Property. Trustor shall give Beneficiary and Trustee prompt written notice of the assertion of any claim with respect to, or the filing of any action or proceeding purporting to affect the Site, the security hereof or the rights or powers of Beneficiary or Trustee. Trustor shall appear in and contest any such action or proceeding and shall pay all costs and expenses, including cost of evidence of title and attorney's fees, in any such action or proceeding.

7. Beneficiary Expenditures. If any action or proceeding is commenced that would materially affect Beneficiary's interest in the Site or if Trustor fails to comply with any provision of this Leasehold Deed of Trust or any Loan Documents, including but not limited to Trustor's failure to discharge or pay when due any amounts Trustor is required to discharge or pay under this Leasehold Deed of Trust or the Loan Documents, Beneficiary on Trustor's behalf may (but shall not be obligated to) take any action that Beneficiary deems appropriate, including but not

limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Site and paying all costs for insuring, maintaining and preserving the Site. All such expenses will become a part of the indebtedness secured by this Leasehold Deed of Trust and, at Beneficiary's option, will (i) be payable upon demand, (ii) be added to the balance of the City Note and be payable on the same terms as the original amount provided thereunder, or (iii) be treated as a balloon payment which will be due and payable upon the maturity date of the City Note. This Leasehold Deed of Trust shall secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Beneficiary may be entitled upon a default. Notwithstanding the foregoing, Trustor shall have the right to contest in good faith and with reasonable diligence the amount or validity of any lien or claim of lien so long as Trustor shall provide Beneficiary, at Trustor's sole cost and expense, with such bond or other security as Beneficiary may reasonably require to insure payment thereof and prevent any sale, foreclosure or forfeiture of all or any part of the Site.

8. **Nonrecourse Obligation**. The repayment of the City Loan and any other indebtedness secured by this Leasehold Deed of Trust shall be nonrecourse to Borrower, on the terms, and subject to the conditions, set forth in paragraph 16 of the City Note.

7. **Repair of Damage.** Notwithstanding anything herein to the contrary, Beneficiary shall permit insurance and condemnation proceeds to be used to rebuild the Project provided that (i) sufficient funds are provided from other sources to effectively rebuild the Project to a lawfully authorized multifamily housing complex, and (ii) subject to the rights of senior lenders, Beneficiary shall hold all such proceeds and disburse them based on the progress of construction, subject to such additional reasonable conditions as Beneficiary may impose.

8. **Incorporation of Fictitious Leasehold Deed of Trust**. To protect the security of this Leasehold Deed of Trust, and with respect to the Site above described, Trustor expressly makes each and all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth in subdivision A, and it is mutually agreed that each and all of the terms and provisions set forth in subdivision B, of the fictitious deed of trust recorded in the Orange County Recorder's Office on August 17, 1964, and in all other counties on August 18, 1964, in the book and at the page of Official Records in the office of the county recorder of the county where said property is located, noted below opposite the name of such county, namely:

DO NOT RECORD

The following is a copy of Subdivisions A and B of the fictitious Deed of Trust recorded in each county in California as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

A. To protect the security of this Deed of Trust, Trustor agrees:

1) To keep said property in good condition and repair, not to remove or demolish any building thereon; to complete or restore promptly and in a good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor, to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at the option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

4) To pay: at least ten (10) days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary of Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same is such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from the date of expenditure at the amount allowed by law in effect at the date hereof, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. It is mutually agreed:

1) That any award in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

3) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon, or join in any extension agreement or any agreement subordinating the lien or charge hereof.

4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The Grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in the performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or be a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collecting of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6) That upon default by Trustor in payment of any indebtedness secured hereby or in the performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

8) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

This Regulatory Agreement and Declaration of Covenants and Restrictions is recorded at the request and for the benefit of the City of Irvine and is exempt from the payment of a recording fee pursuant to Government Code Section 27383.

REGULATORY AGREEMENT AND DECLARATION OF COVENANTS AND RESTRICTIONS (City HOME Funds)

This REGULATORY AGREEMENT AND DECLARATION OF COVENANTS AND RESTRICTIONS ("**Agreement**") is entered into as of this 11th day of January, 2013 ("**Regulatory Agreement Effective Date**"), by and between the CITY OF IRVINE, a California municipal corporation ("**City**"), and STONEGATE HOUSING PARTNERS II, L.P., a California limited partnership ("**Declarant**") (hereinafter, City and Declarant are sometimes collectively referred to as "**Parties**" and individually referred to as a "**Party**").

RECITALS

A. Declarant is the ground lessee of that certain real property in the City of Irvine, County of Orange, State of California, more particularly described in Exhibit "A" attached hereto and incorporated herein by this reference ("**Site**").

B. City and Declarant are parties to that certain Affordable Housing and Loan Agreement (HOME Funds) dated November 30, 2012 ("**Loan Agreement**"), which provides for Declarant to develop a 74-unit affordable residential rental project and related improvements ("**Project**") on the Site. The Loan Agreement further provides for City to loan to Declarant an amount not to exceed the sum of Five Hundred Six Thousand Eight Hundred Ten Dollars ($506,810.00) ("**City HOME Loan**") to assist Declarant with the acquisition costs of eleven (11) of the Project units referred to herein as the "**HOME Units**". The Loan Agreement is a public record available for inspection at City Hall, One Civic Center Plaza, Irvine, CA 92623-9575. Capitalized terms used herein and not otherwise defined shall have the same meaning as set forth in the Loan Agreement.

C. The source of the funds for the City Loan is funds received by City from the United States Department of Housing and Urban Development ("**HUD**") under the HOME Investment Partnership Act at Title II of the Cranston-Gonzalez National Affordable Housing

Act, as amended (42 U.S.C. § 12741, *et seq.*), and the implementing regulations (24 C.F.R. § 92, *et seq.*).

D. City and Declarant desire to enter into this Agreement to place certain covenants and restrictions on Declarant's development, use and operation of the Site, including the imposition of affordability covenants requiring that the HOME Units be rented to households of certain income levels at affordable rent.

E. It is the intent of the City and Declarant that Declarant's leasehold interest in the Site shall be subject to this Regulatory Agreement and that the terms hereof shall be binding on the Declarant and its successors in interest in the Site for so long as this Regulatory Agreement shall remain in effect.

AGREEMENT

Based upon the foregoing Recitals, which are hereby incorporate by this reference, and for good and valuable consideration, the receipt and sufficiency of which is acknowledged, the Parties hereby agree as follows:

1. Definitions. The following terms shall have the meanings in this Agreement given below unless expressly provided to the contrary:

"Affordability Term" shall have the meaning ascribed in Section 3 of this Agreement.

"HOME Affordable Rent" shall mean the rent limits set forth in the HOME Requirements including 24 C.F.R. §92.252, which are summarized in Section 4.6 of this Agreement.

"Agreement" shall mean this Regulatory Agreement and Declaration of Covenants and Restrictions by and between City and Declarant.

"City" shall mean the City of Irvine, a municipal corporation, organized under the laws of the State of California and having its offices at One Civic Center Plaza, Irvine, CA 92623-9575.

"City HOME Loan" shall mean the loan to be provided by City to Declarant in the amount not to exceed the sum of Five Hundred Six Thousand Eight Hundred Ten Dollars ($506,810.00) for certain costs attributable to the HOME Units.

"Contract Officer" shall mean the Housing Administrator of City or such other person as may be designated by the City Manager to administer this Agreement.

"Declarant" shall mean Stonegate Housing Partners II, L.P., a California limited partnership, and its permitted successors and assigns in and to the Site.

"Declarant Personnel" shall mean any employee, volunteer, contractor, subcontractor, or agent of Declarant or any other person under Declarant's supervision and direction, including the contractors and subcontractors constructing the Project. Declarant is responsible for the full

compliance of all Declarant Personnel with this Agreement and the Loan Agreement, including without limitation all labor standards applicable to the Project.

"Eligible Tenant" shall mean a tenant of one of the HOME Units within the Project whose household income as of the commencement date of his or her occupancy does not exceed the limit permitted for the particular HOME Unit as set forth in the HOME Unit Mix, and thereafter does not exceed the limit permitted under this Agreement.

"Ground Lease" shall mean the Ground Lease between Declarant, as lessee, and the Irvine Company, as lessor, for the ground lease of the Site to Declarant.

"HOME Requirements" shall collectively refer to the requirements of the HOME Investment Partnership Act, as amended (42 U.S.C. § 12741, *et seq.*), and the implementing regulations (24 C.F.R. § 92, *et seq.*), and the legal requirements summarized or referenced in Attachment No. 3 to the Loan Agreement which is incorporated herein by this reference.

"HOME Term" shall mean period commencing on the Regulatory Agreement Effective Date and continuing for a period equal to the later of (a) twenty (20) years following the date that all Residential Units in the Project have received all required occupancy permits from the City or (b) the date the City HOME Loan and all amounts due under the Loan Agreement, City Note and Leasehold Deed of Trust have been paid in full.

"HOME Unit Mix" shall mean the household income levels permitted for each HOME Unit, as follows:

(a) 5 two-bedroom units and 4 three-bedroom units shall be occupied by households earning 50% or less of the Median Income, adjusted for family size.

(b) 2 one-bedroom units shall be occupied by households earning 60% or less of the Median Income, adjusted for family size..

This Unit Mix shall constitute the City's affordability requirements for the HOME Units with respect to the City Loan provided to Declarant.. Nothing in this Unit Mix or Agreement shall be deemed to preclude Declarant from reserving more residential units in the Project to very low income households earning 50% or less of the HOME Median Income, adjusted for family size, if Declarant otherwise agrees to do so either unilaterally or with a third party, so long as any other agreement does not otherwise conflict with the terms and conditions of this Agreement or provisions of applicable federal, state, and local law.

"HOME Units" shall mean the eleven (11) units in the Project comprised of 2 one-bedroom units, 5 two-bedroom units, and 4 three-bedroom units, which are restricted to occupancy by Eligible Tenants in accordance with the HOME Unit Mix. In accordance with 24 C.F.R. § 92.252(j), the HOME Units shall be permitted to float among all 74 units in the Project so long as the HOME Units are comprised of the bedroom mix set forth in the HOME Unit Mix and each substituted HOME Unit is comparable in terms of size and features to the originally designated HOME Unit.

"HUD" shall mean the United States Department of Housing and Urban Development.

"Irvine Company" shall mean the Irvine Company, LLC, a Delaware limited liability company. Irvine Company is the fee owner of the Site.

"Jamboree" shall mean Jamboree Housing Corporation, a California nonprofit public benefit corporation. Jamboree is the managing member of the managing general partner of Declarant.

"Loan Agreement" shall mean the certain Affordable Housing and Loan Agreement between City and Declarant, referenced in Recital B of this Agreement, including all exhibits and other documents attached thereto, as may be amended from time to time.

"Median Income" shall mean the Orange County area median income, as periodically published by the HUD pursuant to the HOME Requirements, or successor regulation. Upon request by Declarant, City shall provide to Declarant the amount of the Median Income.

"Note" shall mean that certain Promissory Note Secured by Deed of Trust, evidencing Declarant's obligation to repay the City Loan.

"Partnership Agreement" shall mean the Limited Partnership Agreement of Stonegate Housing Partners, LP.

"Program" shall mean the affordable rental housing program to be operated on the Site and all obligations and activities that constitute the Program Activities.

"Program Activities" shall mean the tasks, activities, and operations set forth in this Agreement, all activities assisted with the City Loan, and all other obligations under this Agreement that Declarant is required to perform.

"Program Default" shall have the meaning ascribed in Section 6.4 of this Agreement.

"Project" shall mean the acquisition of the leasehold interest in the Site, the grading of the Site and the development on the Site of a 74-unit apartment project with landscaping, driveways, and related improvements, and all other on-site and off-site improvements required for development, with all improvements to be consistent with the development and building plans and permits approved by City. In the event of any inconsistency between the description of the Project in this Agreement and the approved plans and permits, the approved plans and permits shall govern.

"Property Manager" shall have the meaning ascribed in Section 9.1 of this Agreement.

"Property Management Plan" shall have the meaning ascribed in Section 9.3 of this Agreement.

"Residential Unit(s)" shall mean the seventy-four (74) residential units to be developed on the Site. The Residential Units shall include the HOME Units, to be comprised of one-bedroom, two-bedroom and three-bedroom units in accordance with the HOME Unit Mix.

"Site" shall mean that certain real property located in the City of Irvine, more particularly described in the legal description attached hereto as Exhibit "A" and incorporated herein by this reference

2. Development of the Project. Declarant shall commence and complete development of the Project on the Site within the times and subject to the terms and conditions set forth in the Loan Agreement.

3. Term. The covenants set forth in this Agreement shall commence on the Regulatory Agreement Effective Date and shall remain in effect until the later of (a) the date that is twenty (20) years following the date that all Residential Units in the Project have received all required occupancy permits from the City, or (b) the date the City HOME Loan and all amounts due under the Loan Agreement, City Note and Leasehold Deed have been paid in full ("**Affordability Term**").

4. Use; Affordability Covenants. Declarant hereby covenants and agrees that the Site shall be managed and operated in accordance with the provisions set forth in this Section 4.

4.1 General. Declarant shall devote the Site for use as an affordable residential rental complex with the HOME Units to be rented to and occupied or held available for occupancy only by Eligible Tenants at Affordable Rent in compliance with the HOME Unit Mix. Declarant shall not permit the Residential Units to be utilized on a transient basis, or as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, trailer court or park, day care facilities, or non-residential uses.

4.2. Occupancy by Eligible Tenants. The lease for each HOME Unit shall provide that it is to be used as the principal residence of the HOME Unit's Eligible Tenant and for no other purpose. The lease shall further provide that an Eligible Tenant shall not lease or sublease its HOME Unit or its right of occupancy. Declarant shall institute a program to ensure that the HOME Units remain occupied by the Eligible Tenants.

4.3 Occupancy Limits. The number of persons permitted to occupy each HOME Unit shall not exceed the occupancy permitted pursuant to the general requirements of the United States Department of Housing and Urban Development, which as of the date of this Agreement is two persons per bedroom, plus one person (e.g., for a two bedroom unit the maximum number of persons residing in the unit can be five persons). The lease for each HOME Unit shall include a provision limiting the number of persons permitted to occupy each HOME Unit in accordance with the preceding sentence and Declarant shall enforce such occupancy restrictions.

4.4 Determination of Eligible Tenant Status. Immediately prior to an Eligible Tenant's occupancy of a HOME Unit, Declarant shall obtain an Income Computation and Certification Form in a form approved by City (which may be the form used in connection with the regulatory agreement for low income housing tax credits, or other form approved by the Contract Officer) from each such Eligible Tenant dated immediately prior to the date of initial occupancy of the HOME Unit by such Eligible Tenant. In addition, Declarant shall provide such further information as may be reasonably required by City for purposes of verifying a tenant's

status as an Eligible Tenant, provided the same is reasonably available to Declarant without unreasonable expense in connection with obtaining the same. Declarant shall use good faith efforts to verify that the income provided by an applicant is accurate by taking the following steps as a part of the verification process: (a) obtain three (3) pay stubs for the most recent pay periods; (b) obtain a written verification of income and employment from the applicant's current employer; (c) obtain an income verification form from the Social Security Administration, California Department of Social Services, and/or California Employment Development Department if the applicant receives assistance from any of said agencies; (d) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other evidence and/or verification of such applicant's total income received during the calendar year from any source, taxable or nontaxable; and (e) such other information as may be requested by the City to verify an applicant's income. Declarant shall maintain in its records each Income Computation and Certification Form obtained pursuant to this Section and Section 4.5 for a minimum period of five (5) years.

4.5 Recertification. Within sixty (60) days prior to the first anniversary date of the occupancy of a HOME Unit by an Eligible Tenant, and on each anniversary date thereafter, or if preferred by Declarant and approved in writing by City, within sixty (60) days prior to January 1 of each year, Declarant shall recertify the income of such Eligible Tenant by obtaining a completed Income Computation and Certification Form based upon the current income of each occupant of the HOME Unit. Subject to Section 5.2 during the HOME Term, in the event the recertification demonstrates that such household's income exceeds one hundred forty percent (140%) of the income at which such household originally qualified, such household will no longer qualify as an Eligible Tenant at that original income level. If the occupant's income falls within one of the other income categories of Eligible Tenants, the rent shall be increased to the Affordable Rent applicable to the new income category, provided a HOME Unit reserved for the new income category exists and is permitted pursuant to Declarant's agreement with any third party as may be in effect as described in the definition of "Unit Mix" set forth in Section 1 of this Agreement. To the extent permitted by applicable law, including the requirements of Section 42 of the United States Internal Revenue Code, if the income exceeds the income permitted for Eligible Tenant status, the occupants' lease shall not be renewed and said occupants shall be required to vacate the unit within one hundred eighty (180) days after the recertification. Otherwise, the next available Residential Unit will be leased to an Eligible Tenant at an income level that will cause the Project to be in compliance with the HOME Unit Mix as quickly as possible.

4.6 Affordable Rent. The rent for each HOME Unit shall not exceed the rent limits set forth in the HOME Requirements including 24 C.F.R. §92.252. The allowable rent under the HOME Requirements is summarized below:

(a) HOME Rent Limitations. The HOME Requirements establish maximum rent limits at the lesser of (a) the fair market rent for existing housing for comparable units in the area as established by HUD under 24 C.F.R. § 888.111, or (b) a rent that does not exceed thirty percent (30%) of the adjusted income of a family whose annual income equals sixty-five percent (65%) of the median income for the Orange County area, as determined by HUD, with adjustments for the number of bedrooms in the HOME Unit. The HOME rent limits provided by HUD will include average occupancy per unit and adjusted income assumptions.

(b) Additional HOME Rent Limitations. The Home Requirements also require that affordable units occupied by Eligible Tenants whose income does not exceed 50% of the median income meet one of the following rent requirements:

(i) The rent does not exceed the lesser of (X) the rent calculated under subparagraph (a) above, or (Y) an amount equal to thirty percent (30%) of the annual income of a family whose income equals fifty percent (50%) of the Median Income, with adjustments for smaller and larger families. HUD provides the HOME rent limits which include average occupancy per unit and adjusted income assumptions.

(ii) The rent does not exceed 30% of the family's adjusted income. If the HOME Unit receives federal or state project-based rental subsidy and the Eligible Tenant pays as a contribution toward rent not more than 30% of the family's adjusted income, then the maximum rent (i.e., tenant contribution plus project-based rental subsidy) is the rent allowable under the federal or state project-based rental subsidy program.

If the Eligible Tenant is paying utilities and services, the rent may not exceed the maximum rent minus the monthly allowance established by the Orangey County Housing Authority for utilities and services.

It shall constitute a default for Declarant to charge or accept rent amounts in excess of the Affordable Rent. In the event that Declarant charges or receives such higher rental amounts, in addition to any other remedy City shall have, Declarant shall be required to pay to City the entire amount of rent received in excess of the amount permitted pursuant to this Agreement.

4.7 Leasing HOME Units. The HOME Units shall be available for rental on a continuous basis and Declarant shall not give preference to any particular class or group in renting HOME Units, except to the extent that the HOME Units are required to be rented to Eligible Tenants and except as provided in the next sentence. Declarant shall maintain a list of persons who have applied for a HOME Unit and, subject to the priority to be given to displaced persons as set forth above, should multiple tenants be equally eligible (as to income, credit history, and other nondiscriminatory criteria) and qualified to rent a HOME Unit, Declarant shall rent available HOME Units to Eligible Tenants on a first qualified (with reasonable efforts made to qualify applicants in the order that the applications are received), first offered basis, or pursuant to a lottery system. Declarant shall use commercially reasonable efforts to lease HOME Units that become available as quickly as possible. Declarant shall market the HOME Units to the citizens of the City of Irvine on a nonexclusive basis.

4.8 Rental Agreement. The form of the lease agreement between Declarant and each of the Eligible Tenants shall be reasonably approved by City prior to the rental or leasing of any of the HOME Units. Once approved, no material changes shall be made to the form of the lease agreement without City's prior written reasonable approval. The lease agreement shall obligate the Eligible Tenants to comply with the provisions set forth in Section 4 of this Agreement and an Eligible Tenant who violates such requirements shall be in default under the rental agreement. Each lease agreement with an Eligible Tenant shall include a

provision to the effect that the Declarant has relied on the information provided by the Eligible Tenant on the Income Computation and Certification Form and all other supporting information supplied by the Eligible Tenant in determining qualification for occupancy of the applicable HOME Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease agreement. In addition, each lease agreement shall contain a provision that failure to cooperate with the annual recertification process may disqualify the Eligible Tenant as such and will be will be cause for immediate termination of such lease agreement.

5. HOME Requirements. The covenants set forth in this Section 5 shall be applicable during the HOME Term and shall apply notwithstanding any other provision herein to the contrary.

5.1 Compliance with HOME Requirements. Declarant shall operate the Project in accordance with, and shall comply with, all applicable HOME Requirements. Declarant, at its expense, shall submit to the appropriate entities any and all reports requested by City that are required to be submitted pursuant to the HOME Requirements. In the case of any conflict between the HOME Requirements and this Agreement, the HOME Requirements shall control; it being understood, however, that in order to be in compliance with this Agreement and the HOME Requirements, Declarant shall, to the extent possible, comply with the most restrictive provisions in this Agreement and the applicable HOME Requirements.

5.2 Recertification. In accordance with 24 C.F.R. §92.252(i), in the event a recertification demonstrates that a household's income exceeds the income allowed for Eligible Tenant status, such household will no longer qualify as an Eligible Tenant and will be required to pay as rent an amount equal to the lesser of the amount payable by the tenant under State or local law or 30% of the family's adjusted income, except that if the HOME Unit has been allocated low income housing tax credits by a housing credit agency pursuant to Section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42), the tenant must pay rent governed by Section 42.

5.3 Lease. The form of the lease between Declarant and each of the Eligible Tenants for the HOME Units shall be approved by City prior to the rental or leasing of any of the HOME Units, which approval shall not be unreasonably withheld, conditioned or delayed so long as the lease is consistent with this Agreement and the HOME Requirements. Once approved, no changes shall be made to the form of the lease without City's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed so long as the lease is consistent with this Agreement and the HOME Requirements. The lease between Declarant and the Eligible Tenants shall comply with 24 C.F.R. § 92.253 and may not contain any of the following provisions: (i) an agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of Declarant in a lawsuit brought in connection with the lease; (ii) an agreement by the tenant that Declarant may seize or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties (this provision does not apply to disposition of personal property of a tenant who has vacated his/her unit); (iii) an agreement by the tenant not to hold Declarant or Declarant's agents legally responsible for any action or failure to act, whether intentional or negligent; (iv) an agreement of the tenant that Declarant may institute a lawsuit without notice to the tenant; (v) an agreement by the tenant that Declarant may evict the tenant or household members without instituting a civil

court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties; (vi) an agreement by the tenant to waive any right to a trial by jury; (vii) an agreement by the tenant to waive the tenant's right to appeal or to otherwise challenge in court a court decision in connection with the lease; and (viii) an agreement by the tenant to pay attorneys' fees or other legal costs even if the tenant wins in a court proceeding by Declarant against the tenant (the tenant may, however be obligated to pay costs if the tenant loses).

5.4 Monitoring. City shall monitor and evaluate Declarant's performance under this Agreement to determine compliance with this Agreement and the HOME Requirements. Declarant shall reasonably cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide City the reasonable right of access to the Site and the HOME Units during normal business hours for the purpose of assuring compliance with this Agreement and evaluating Declarant's performance hereunder.

5.5 Records to be Maintained. Declarant shall keep and maintain records providing a full description of the activities undertaken pursuant to this Agreement demonstrating that the activities meet the HOME Requirements, and such other records as may be reasonably required by City to enable City to evaluate Declarant's compliance with the HOME Requirements and to enable City to comply with City's recordkeeping and reporting requirements under the HOME Requirements. The books and records required to be maintained by Declarant shall be kept at a location in Orange County, California. City and HUD and/or their representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Declarant pertaining to this Agreement at all times during normal business hours upon 48 hours prior written notice to Declarant.

5.6 Audits. Declarant shall perform all audits of its books and records required by HUD or the HOME Requirements or reasonably required by City and a copy of such audits shall be forwarded to the City within thirty (30) days after completion. Declarant shall be subject to all audit and review requirements imposed on City in connection with this Agreement and shall, at its sole cost and expense, cause such audits and reviews to be timely performed.

6. Operation of Program.

6.1 Standard of Performance. Declarant shall operate or cause to be operated the Program, and perform or cause to be performed all Program Activities, in a competent, professional, and first class manner and to the satisfaction of City in its reasonable discretion and in accordance with this Agreement and in compliance with all applicable laws including the HOME Requirements. In addition, Declarant shall operate the Program and perform the Program Activities in compliance with the HOME Requirements. Declarant shall, if requested by City, provide to City monthly written reports on the progress of any Program Service. Declarant shall cause the Program Activities to be performed by Declarant or Declarant Personnel under Declarant's direct supervision, and shall ensure that all Declarant Personnel engaged in the Program Activities are fully qualified and authorized and permitted under applicable law to operate the Program. Declarant shall secure, at its sole cost and expense, any

and all licenses, permits and approvals that may be required by law for the performance of the Program Activities. Declarant shall be responsible for all costs related to the Program.

6.2 Management. If any manager or supervisor of the Program engages in any of the conduct described in Section 6.4 or knowingly allows such conduct to occur at the Site or by Declarant Personnel, or knowingly allows illegal activity to occur at the Site, City shall have the right to require that Declarant immediately replace such manager or supervisor of the Program.

6.3 Drug Free Covenant. Declarant shall use best efforts to maintain a drug free environment on the Site. Declarant covenants to City that Declarant shall use its best efforts to ensure that Declarant Personnel and all persons working or residing on the Site shall not unlawfully manufacture, distribute, dispense, possess or use controlled substances, as said term is defined in 21 United States Code Section 812 and California Health and Safety Code Section 11007 (or successor statutes), including marijuana, heroin, cocaine, and amphetamines on the Site.

6.4 Program Defaults. If Declarant shall or permit Declarant Personnel to:

(a) engage in any act injuring, abusing, mistreating, or endangering any employee or client of the Program or other persons receiving services under the Program, including any tenants or occupants of the Project as reasonably determined by City;

(b) violate the provisions of Section 6.3 above; or

(c) engage in any act or transgression that, in the reasonable judgment of City, may cause embarrassment to the City, reflect adversely upon the City or its funding programs or upon Declarant, tend to bring the Program into public disrepute, contempt, scandal, or ridicule, or tend to shock, insult or offend the community or public morals or decency, then

Declarant and City agree to meet and confer within ten (10) days of the request of City to determine a resolution reasonably acceptable to City and Declarant agrees to thereafter promptly implement the resolution. The failure of Declarant to implement the resolution shall constitute a default under this Agreement ("**Program Default**").

6.5 Occupants of Housing Facilities. To the extent permitted by applicable law, Declarant shall cause Lessee to include in its occupancy or lease agreements with the tenants of the HOME Units a requirement that the occurrence of any illegal activity by the tenant or by the tenant's guests at the Site, shall be grounds for immediate termination of the tenant's right to reside within the HOME Unit and City shall have the right to require that Declarant enforce such provision.

7. No Discrimination. Declarant shall not discriminate against, or segregate, any person or group of persons on account of race, color, creed, national origin, ancestry, sex, marital status, or religion in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Site, nor shall the Declarant for itself or any person claiming under or through it, establish or

permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Site.

8. Maintenance of Site. For the entire Affordability Term, Declarant shall maintain or cause to be maintained the Site and all improvements on the Site in a good condition and repair (and, as to landscaping, in a healthy condition) and in accordance with all applicable laws, rules, ordinances, orders, and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction. City places prime importance on quality maintenance to protect its investment and to ensure that affordable housing projects are not allowed to deteriorate due to substandard maintenance. In addition, Declarant shall keep the Site free from all graffiti and any accumulation of debris or waste material. Declarant shall make all repairs and replacements necessary to keep the improvements in first class condition and repair and shall promptly eliminate all graffiti and replace dead and diseased plants and landscaping with comparable approved materials. In the event that Declarant breaches any of the covenants contained in this Section 8, and such default continues for a period of fifteen (15) days after written notice from City or such longer period of time as is reasonably necessary to correct the condition (with respect to landscaping, graffiti, debris, waste material, and general maintenance) or thirty (30) days after written notice from City or such longer period of time as is reasonably necessary to correct the condition (with respect to building improvements), then City in addition to whatever other remedy it may have at law or in equity, shall have the right to enter upon the Site and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, City shall be permitted (but not required) to enter upon the Site and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Site, and to charge a fee to Declarant in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by City and/or costs of such cure, including a ten percent (10%) administrative charge, which amount shall be promptly paid by Declarant to City upon demand.

9. Management.

9.1 Property Manager. Declarant shall manage or cause the Project, and all appurtenances thereto, to be managed in accordance with this Agreement and in a prudent and business-like manner, consistent with good property management standards for other comparable high quality, well-managed affordable rental housing projects in the City of Irvine. Declarant may contract with a property management company or individual property manager to operate and maintain the Project in accordance with the terms of this Section 9.1 ("**Property Manager**"); provided, however, the selection and hiring of the Property Manager (and each successor or assignee) is and shall be subject to the prior written approval of City in its reasonable discretion. Declarant shall conduct due diligence and background evaluation of any potential third party property manager or property management company to evaluate experience, references, credit worthiness, and related qualifications as a property manager. Any proposed property manager shall have significant and relevant prior experience with affordable housing projects and properties comparable to the Project, and the references and credit record of such property manager/company shall be investigated (or caused to be investigated) by Declarant prior to submitting the name and qualifications of such proposed property manager to City for review and approval. A complete and true copy of the results of such background

evaluation shall be provided to City. Approval of a Property Manager by City shall not be unreasonably delayed but shall be in its sole reasonable discretion, and City shall use good faith efforts to respond as promptly as practicable in order to facilitate effective and ongoing property management of the Project by one qualified Property Manager. The replacement of the Property Manager by Declarant and/or the selection by Declarant of any new or different Property Manager shall also be subject to the foregoing requirements.

9.2 On-Site Residential Manager. The Property Manager, or an employee or agent of Property Manager, shall reside full-time in a residential unit located within the Master Project (and not necessarily within one of the Residential Units in the Project), and said residential unit shall be the Property Manager's only residence.

9.3 Property Management Plan. Prior to the completion of the Project, Declarant shall prepare and submit to City for review and approval, which approval shall not be unreasonably withheld, a management plan which shall include a detailed plan and strategy for long term marketing, operation, maintenance, repair and security of the Project, and the method of selection of tenants, rules and regulations for tenants, and other rental policies for the Project ("**Property Management Plan**"). The ongoing management and operation of the Project shall be in compliance with the approved Property Management Plan. Declarant and its Property Manager may from time to time submit to City amendments to the Property Management Plan, the implementation of which shall be subject to the prior written approval of City, which approval shall not be unreasonably withheld.

9.4 Gross Mismanagement. In the event of "Gross Mismanagement" (as that term is defined below) of the Project, City shall have and retain the authority to direct and require any condition(s), acts, or inactions of Gross Mismanagement to cease and/or be corrected immediately, and further to direct and require the immediate removal of the Property Manager. For purposes of this Agreement, the term "Gross Mismanagement" shall mean management of the Project in a manner which violates the terms and/or intention of this Agreement to operate a high quality affordable housing complex, and shall include, but is not limited to, any one or more of the following occurring twice within a 365 day period:

(a) Leasing to tenants who exceed the prescribed income levels with the knowledge that the tenants do not income qualify;

(b) Allowing the tenants to exceed the prescribed occupancy levels without taking immediate action to stop such overcrowding upon learning of the violation;

(c) Underfunding required reserve accounts to the extent sufficient cash flow is available;

(d) The failure to timely maintain the Project in accordance with the Property Management Plan and this Agreement, which is not corrected within the periods specified in Section 19;

(e) Fraud or embezzlement of Project funds, including without limitation funds in the reserve accounts;

(f) Failing to comply with reasonable recommendations of the Irvine Police Department or other local law enforcement agency(ies) with jurisdiction over the Project, in maintaining a crime-free environment within the Project upon learning of the violation;

(g) Failing to reasonably cooperate with City, including its code enforcement division, or other local health and safety enforcement agency(ies) with jurisdiction over the Project, in maintaining a decent, safe, and sanitary environment within the Project, upon learning of the violation; and

(h) Spending funds from the Capital Replacement Reserve account for items that are not defined eligible as costs, including eligible capital and/or replacement costs, under the standards imposed by generally accepted accounting principles ("GAAP") (and/or, as applicable, generally accepted auditing principles).

Notwithstanding the requirements of the Property Manager to correct any condition of Gross Mismanagement as described above, Declarant is obligated and shall use its best efforts to correct any defects in property management or operations at the earliest feasible time and, if necessary, to replace the Property Manager, as provided above. Declarant shall include provisions of the foregoing requirements and requirements of this Agreement within any contract between Declarant and its Property Manager for the Site.

10. Code Enforcement. Declarant acknowledges and agrees that City and its employees and authorized agents shall have the right to conduct code compliance and/or code enforcement inspections of the Project and the individual Residential Units, both exterior and interior, at reasonable times and upon reasonable notice to Declarant and/or an individual tenant. If such notice is provided by City or its representative(s) to Declarant, then Declarant (or its Property Manager) shall promptly and directly advise any affected tenant of such upcoming inspection and cause access to the area(s) and/or Residential Units of the Project to be made available and open for inspection. Declarant shall include express advisement of such inspection rights within the lease agreements for each Residential Unit of the Project in order for each and every tenant and tenant household to be aware of this inspection right.

11. Reserves.

11.1 Capital Reserve Requirements. Commencing upon the date that the construction financing for the Project is converted to permanent financing, Declarant shall annually set aside an amount of not less than Five Hundred Dollars ($500.00) per Residential Unit (or such increased amount as reasonably agreed upon by City and Declarant from time to time) into a separate interest-bearing trust account ("**Capital Replacement Reserve**"). Funds in the Capital Replacement Reserve shall be used only for capital repairs, improvements and replacements to the Project, including fixtures and equipment, which are normally capitalized under GAAP. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve or lessen Declarant's obligation to undertake any and all necessary capital repairs, improvements, or replacements and to continue to maintain the Project in the manner prescribed herein. Not less than once per year, Declarant, at its expense, shall submit to City an accounting for the Capital Replacement Reserve. Capital improvements and repairs to, and replacements of the Project shall include only those items with a long life in

excess of one year, including without limitation the following: carpet and drapery replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement; irrigation pipe and controls replacement; sewer line replacement; water line replacement; gas line replacement; and lighting fixture replacement. Any capital replacement reserve requirements of any other lenders or parties shall not increase the Capital Replacement Reserve funding requirements under this Section. Any capital replacement reserve requirements of any other lenders that are not an affiliate (as defined in Section 20.3 below) of Jamboree, third parties, or the Irvine Company, shall be deemed to satisfy the Capital Replacement Reserve funding requirements under this Section upon approval by City in its reasonable discretion.

11.2 Operating Reserve. Declarant shall establish an interest bearing account to be known as the "**Operating Reserve Account**." Commencing upon the closing of the permanent financing for the Project, Declarant shall deposit into the Operating Reserve Account an amount equal to pay both three (3) months' of Operating Expenses and three (3) months' of debt service for the Site ("**Target Balance**"). Funds in the Operating Reserve Account shall be invested in an interest bearing account and any earnings shall become and remain a part of the Operating Reserve Account. Declarant may draw upon the funds in the Operating Reserve Account only when the amount of Affordable Rent received by Declarant is insufficient to pay Operating Expenses. If for any reason the amount in the Operating Reserve Account falls below an amount equal to 50% of the Target Balance amount, Declarant shall deposit Project Cash Flow in the priority specified in Section 6.3(a)of the Partnership Agreement in the Operating Reserve Account until the Target Balance is restored. In the event of a failure by Declarant to pay Operating Expenses or in the event of a default by Declarant under the Loan Agreement or this Agreement that would provide for the acceleration of the City Loan, then City may, after delivery of notice to Declarant and the expiration of any applicable cure periods, apply the funds in the Operating Reserve Account to the City Loan or use such funds for the continued operation of the Project. Nothing in this Section 11.2 shall modify or be deemed to modify any payment obligation of Declarant pursuant to the Loan Agreement or any attachments thereto entered into by and between Declarant and City. "**Operating Expenses**" shall have the meaning ascribed to that term in the Promissory Note evidencing the City Loan. Upon the Project achieving an annual debt service coverage ratio of 1.15 or greater for three consecutive years after permanent loan funding for the Project, this Operating Reserve requirement is released.

12. Records. Declarant shall maintain complete and accurate records pertaining to the HOME Units for a period of five (5) years (unless a longer period of time is expressly set forth herein), and shall permit any duly authorized representative of City to inspect the books and records of Declarant pertaining to the HOME Units.

13. Right to Inspect. City shall have the right to inspect the Site and the Residential Units for purposes of assuring compliance with this Agreement during normal business hours on not less than seventy-two (72) hours written notice.

14. Relocation. Declarant shall be responsible for providing any relocation benefits or assistance and paying relocation costs to any tenants or occupants who may be displaced from

the Site if such benefits or assistance are required to be provided by a public agency, such as the City, under any applicable federal, state, or local laws, rules or regulations. Declarant shall indemnify, defend, and hold harmless City from and against any and all claims, liabilities, damages or losses arising out of any claims for relocation benefits or assistance that may be asserted by any tenants or occupants of the Project.

15. Indemnification. Declarant shall defend, indemnify and hold harmless City and its officers, officials, agents, employees, representatives, and volunteers from and against any loss, damage, costs, expenses, liability, claim, or judgment relating in any manner to the Site and the operation of the rental project thereon or Declarant's performance under this Agreement, except to the extent caused by the active negligence or willful misconduct of City.

16. Insurance. Upon completion of the Project and for the term of this Agreement, Declarant shall procure and keep in full force and effect or cause to be procured and kept in full force and effect for the mutual benefit of Declarant and City, and shall provide City evidence reasonably acceptable to City, of insurance policies meeting the minimum requirements set forth in this Section 16.

16.1. Types of Insurance Policies. The insurance policies to be maintained by Declarant upon completion of the Project and for the duration of the term of this Agreement are as follows:

i. Commercial General Liability insurance with respect to the Site and the operations of or on behalf of Declarant, in an amount not less than One Million Dollars ($1,000,000.00) per occurrence combined single limit including products, completed operations, contractual, bodily injury, personal injury, death and property damage liability, subject to such increases in amount as City may reasonably require from time to time; provided, that the percentage increase in coverage shall not be required to exceed the percentage increase in the Consumer Price Index published by the United States Department of Labor, Bureau of Labor Statistics, for Urban Wage Earners and Clerical Workers, Los Angeles-Long Beach-Anaheim Average, All Items (1984 = 100) (the "Index"), from and after the date of this Agreement, or, if said Index is discontinued, such official index as may then be in existence and which is most nearly equivalent to said Index (the "CPI Adjustment"). Unless otherwise approved in advance by the City, the insurance to be provided by Declarant may provide for a deductible or self-insured retention of not more than Ten Thousand Dollars ($10,000.00), with such maximum amount to increase at the same rate as the periodic increases in the minimum amount of total insurance coverage set forth above. City and its officers, officials, employees, volunteers, agents, and representatives shall be named as additional insureds under such policy or policies.

ii. With respect to the improvements and any fixtures and furnishings to be owned or leased by Declarant on the Site, all risk property insurance against fire, vandalism, and malicious mischief, and such other additional perils, hazards, and risks as now are or may be included in the standard "all risk" form in general use in Orange County, California, with the standard form fire insurance coverage in an amount equal to full actual replacement cost thereof, as the same may change from time to time. The above insurance policy or policies shall include coverage for earthquakes to the extent generally and commercially available at commercially reasonable rates, if such insurance is generally obtained for rental apartment projects of this size and type in Orange County, California. City shall be a loss payee under such policy or policies and such insurance shall contain a replacement cost endorsement.

16.2 Policy Requirements. A copy of each paid-up policy evidencing such insurance (appropriately authenticated by the insurer) or a certificate of the insurer, certifying that such policy has been issued, providing the coverage required herein, and containing the provisions specified herein, shall be delivered to City on or prior to the completion of the Project, and thereafter, upon renewals, not less than thirty (30) days prior to the expiration of coverage (10 days for non-payment of premiums). City may, at any time, and from time to time, inspect and/or copy any and all insurance policies required to be procured by Declarant hereunder. In no event shall the limits of any policy be considered as limiting the liability of Declarant hereunder. In addition to the requirements set forth in Section 16.1, each insurance policy required to be carried by Declarant pursuant to this Agreement:

i. shall be primary insurance and not contributory with any other insurance which City or its officers, officials, employees, volunteers, agents, or representatives may have;

ii. shall contain no special limitations on the scope of protection afforded to City or its officers, officials, employees, volunteers, agents, and representatives;

iii. shall be "per occurrence" rather than "claims made" insurance;

iv. shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability;

v. shall provide that the policy will not be cancelled by the insurer or Declarant unless there is a minimum of thirty (30) days (10 days for nonpayment of premium) prior written notice by mail, return receipt requested to City;

vi. shall be written by a California licensed insurer with a Best rating of not less than A:VII;

vii. shall be endorsed to state that any failure to comply with the reporting provisions of the policies shall not affect coverage provided to City and its officers, officials, employees, volunteers, agents, and representatives; and

viii. shall contain a waiver by the insurer of any right to subrogation against City, and its officers, officials, employees, volunteer and agents, which arises or might arise by reason of any payment under such policy or policies or by reason of any act or omission of City or its officers, officials, members, employees, agents, or representatives.

17. Repair of Damage. If any improvements on the Site shall be totally or partially destroyed or rendered wholly or partly uninhabitable by fire or other casualty, Declarant shall promptly proceed to obtain insurance proceeds, and, provided the insurance proceeds are sufficient to restore the Site and the insurance proceeds are made available therefor by the secured lenders, take all steps necessary to begin reconstruction and, immediately upon receipt of insurance proceeds, to promptly and diligently commence the repair or replacement of the improvements to substantially the same condition as the improvements are required to be maintained in pursuant to this Agreement, and Declarant shall complete the same as soon as possible thereafter so that the Project can continue to be operated and occupied as an affordable housing project in accordance with this Agreement. In no event shall the repair, replacement, or restoration period exceed two (2) years from the date of the destruction subject to events of force majeure unless City, in its sole and absolute discretion, approves a longer period of time.

18. Declarant Ground Lease. Declarant represents and warrants that Declarant's performance under this Agreement will not cause Declarant to be in default of the Ground Lease, and the development, use and operation of the Site under this Agreement is consistent with the use of the Site permitted under the terms of the Ground Lease. Declarant shall comply with each and every condition, responsibility, and obligation it may have pursuant to the Ground Lease in order not to cause a default thereunder. Declarant shall not amend or modify the Ground Lease in any respect inconsistent with this Agreement or in any respect that affects the rights of City as a leasehold mortgagee, without the prior written consent of City, which consent City may withhold in its reasonable discretion. Declarant shall promptly give City notice of any defaults and default notices issued under the Ground Lease.

19. Defaults and Remedies.

19.1 Defaults. Failure or delay by any Party to perform any term or provision of this Agreement which is not cured within thirty (30) days after receipt of notice from the other Party specifying the default (or such other period specifically provided herein) constitutes a default under this Agreement; provided, however, if such default is of the nature requiring more than thirty (30) days to cure, the defaulting Party shall avoid default hereunder by commencing to cure within such thirty (30) day period, and thereafter diligently pursuing such cure to completion within an additional sixty (60) days following the conclusion of such thirty (30) day period (for a total of ninety (90) days). Except as required to protect against further damages, the injured Party may not institute proceedings against the Party in default until the time for cure has

expired. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default.

In addition to Declarant's cure rights hereunder, Irvine Company, for so long as Irvine Company is a limited partner investor in Declarant, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Agreement and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Agreement; provided, however if the non-monetary default is incapable of being cured within thirty (30) days, Irvine Company shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. City shall accept any cure made by Irvine Company as if made by Declarant.

19.2 Institution of Legal Actions. In addition to any other rights or remedies, any Party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that county.

19.3 Rights and Remedies are Cumulative. The rights and remedies of the Parties are cumulative, and the exercise by either Party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

20. Miscellaneous.

20.1 Entire Agreement, Waivers, and Amendments. This Agreement contains the entire agreement between the Parties relating to the subject matter hereof, and supersedes all negotiations and previous agreements between the Parties with respect to all or part of the subject matter hereof, with the exception of the Loan Agreement and the agreements attached to the Loan Agreement. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the Party to be charged. A waiver of the breach of the covenants, conditions or obligations under this Agreement by either Party shall not be construed as a waiver of any succeeding breach of the same or other covenants, conditions or obligations of this Agreement. Any amendment or modification to this Agreement must be in writing and executed by the appropriate authorities of City and Declarant.

20.2 Attorney's Fees and Costs. If either Party to this Agreement commences an action against the other Party to this Agreement arising out of or in connection with this Agreement, the prevailing Party shall be entitled to recover reasonable attorney's fees, expert witness fees, costs of investigation, and costs of suit from the losing Party.

20.3 Prohibition Against Assignment and Transfer by Declarant. The qualifications and identity of Declarant and Jamboree are of particular concern to City. It is because of those qualifications and identity that City has provided financial assistance to Declarant and entered into this Agreement with Declarant. Accordingly, except as expressly set forth herein, Declarant shall not, whether voluntarily, involuntarily, or by operation of law, undergo any significant change in ownership or assign all or any part of this Agreement or any

rights hereunder or in the Site or in the Project without the City's prior written approval. As used herein, the term "significant change in ownership" shall mean any change by virtue of which Jamboree does not continue to be the managing member of the general partner of Declarant.

Notwithstanding the foregoing paragraph, the following shall not require City approval (except as specifically provided below) for the purpose of this Section 20.3:

(a) A transfer of Declarant's leasehold interest in the Site and the Project to Jamboree;

(b) The removal of the general partner of the partnership for Declarant for any default under the partnership's partnership agreement, provided that any substitute general partner is acceptable to City in its reasonable discretion, including, without limitation, requiring that the new general partner have at least the same level of experience in developing, operating, and managing an affordable multifamily housing complex that is similar to the Project;

(c) A transfer of the limited partnership interest in Declarant from Irvine Company or another tax credit syndicator or investor to Jamboree, or an affiliate of Jamboree, provided that Jamboree continues to manage and operate the Project;

(d) A leasehold interest in a HOME Unit to an Eligible Tenant for Affordable Rent, in accordance with this Agreement and pursuant to a lease form approved by City in accordance with this Agreement; or

(e) Any Permitted Encumbrance.

As used in this Section, the term "affiliate" shall mean an entity that directly or indirectly controls or is controlled by Jamboree.

Declarant shall deliver written notice to City requesting approval of any assignment or transfer requiring City approval hereunder. In considering whether it will grant approval to any assignment by Declarant of its interest in the Site and this Agreement or any portion thereof, Declarant shall consider factors such as the financial strength and capability of the proposed transferee to perform Declarant's obligations hereunder and the proposed assignee's experience and expertise in the planning, financing, development, and operation of similar projects.

No assignment, excluding assignments for Permitted Encumbrances, shall be effective as to City unless and until the proposed assignee and Declarant execute and deliver to City an assignment and assumption agreement in form reasonably satisfactory to the Contract Officer and legal counsel for City.

20.4 Prohibition Against Assignment and Transfer by City. The City shall not voluntarily assign or transfer its interest in all or any part of this Agreement (which by definition includes all attachments hereto) without Declarant's prior written approval, which shall not be unreasonably withheld. Notwithstanding the foregoing sentence, the City may

assign or transfer all or any part of its interest in this Agreement without Declarant's prior written approval to the Land Trust.

20.5 Compliance with Laws and Regulations. Declarant shall carry out the design, construction and operation of the Project, and operate the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the legal requirements set forth in Attachment No. 3 to the Loan Agreement and the statutes referenced therein. Each and every provision required by law to be included in this Agreement shall be deemed to be included, and this Agreement shall be read and enforced as though all such provisions were included. Declarant acknowledges and agrees that it shall be and remain, and shall cause the Declarant Personnel to be and remain, fully knowledgeable and apprised of all local, state and federal laws, rules and regulations in any manner affecting the performance under this Agreement, including the HOME Requirements. Declarant shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, and/or expense (including reasonable attorneys' fees, court and litigation costs, and fees of expert witnesses) that results or arises in any way from any of the following the noncompliance by Declarant or Declarant Personnel of any applicable local, state and/or federal law.

20.6 Interpretation; Governing Law. This Agreement shall be construed according to its fair meaning and as if prepared by both of the Parties hereto. This Agreement shall be interpreted in accordance with the internal laws of the State of California, without regard to conflict of law principles.

20.7 Severability. If any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Agreement, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision(s) had never been contained herein.

20.8. Third Party Beneficiaries. The Irvine Community Land Trust is an intended third party beneficiary of this Agreement and shall have the right, but not the obligation, to enforce its terms including the rights and benefits that City has under this Agreement. Except as provided herein, no person or entity other than City, Declarant and the Irvine Community Land Trust and the permitted successors and assigns of each of them, shall be authorized to enforce the provisions of this Agreement.

20.9. Notices. Formal notices, demands, and communications between City and Declarant shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, (c) mailing in the United States mail, certified or first class mail, postage prepaid, or (d) delivery by facsimile or electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed to:

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices delivered by facsimile or email shall be deemed effective the next business day, not less than 24 hours, following the date of transmittal and confirmation of delivery to the intended recipient. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

During the term of the Rider to Loan Agreement attached to the Loan Agreement ("**Rider**"), prior to exercising any remedies under this Agreement, City shall give the Irvine Company (or its limited partner assignee) a copy of any written notice given to Declarant under the loan documents at the address set forth in the Rider.

20.10 Covenants Run with the Land. This Agreement shall be binding on Declarant's successors in interest in the Site until the expiration of the Affordability Term. This Agreement is designed to create equitable servitudes and covenants running with the Site, in

favor of City. The covenants, conditions, restrictions, reservations, equitable servitudes, liens and charges set forth herein shall be binding upon all persons having any right, title or interest in the Site, or any part thereof, their heirs, successive owners and assigns; shall inure to the benefit of City and its successors and assigns, shall be binding upon Declarant, its successors and assigns and successors in interest; and may be enforced by Declarant and its successors and assigns. Declarant hereby declares its understanding and intent that the burden of the covenants set forth herein touch and concern the land. Declarant hereby further declares its understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Site for purposes of affordable housing. City shall have the right to designate real property as benefited by the covenants contained herein during the term of this Agreement. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided herein both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate.

The parties acknowledge and agree that this Agreement encumbers Declarant's leasehold interest in the Site and not the fee interest.

20.11 Compliance with Other Agreements. The parties acknowledge that other affordable housing regulatory agreements will be recorded against the Site, imposing income restrictions on the tenants of the Residential Units and limiting the amount of rent that may be charged, which agreements include the Land Use Affordable Housing Regulatory Agreement between City and Irvine Company implementing the land use controls applicable to the Site, and the Regulatory Agreement and Declaration of Covenants and Restrictions between Declarant and the Irvine Community Land Trust to which City is an intended third party beneficiary. Declarant shall comply with the most restrictive terms of such agreements. Delcarant acknowledges that in order to effectuate the foregoing the actual rent paid by Eligible Tenants to Declarant may be less than the Affordable Rent amounts set forth in this Agreement.

20.12 Execution in Counterparts. This Agreement may be executed in two or more counterparts, each of which when so executed and delivered shall be deemed an original and all of which, when taken together, shall constitute one and the same instrument.

[signatures on next page]

IN WITNESS WHEREOF, City and Declarant have caused this instrument to be executed on their behalf by their respective officers or agents herein duly authorized as of the date set forth above.

MEMORANDUM OF AFFORDABLE HOUSING AND LOAN AGREEMENT

This MEMORANDUM OF AFFORDABLE HOUSING AND LOAN AGREEMENT ("Memorandum") is entered into this 11 day of January, 2013, by and between the CITY OF IRVINE, a California municipal corporation ("City"), and STONEGATE HOUSING PARTNERS II, L.P., a California limited partnership ("Developer").

This Memorandum is made with reference to the following:

1. Developer is the ground lessee of that certain real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Exhibit "A" ("Site").

2. On or about November 30, 2012, City and Developer entered into that certain Affordable Housing and Loan Agreement (HOME Funds) ("Agreement") relating to the development and operation of an affordable housing rental project on the Site.

3. The Agreement provides for City and Developer to enter into this Memorandum and to record the same in the Official Records of Orange County, California, to provide notice to all persons of the existence of said Agreement, which Agreement is binding on Developer and Developer's successors-in-interest in and to the Site.

4. This Memorandum is not intended as a full description of the terms and conditions of the Agreement. This Memorandum shall not replace, alter, or modify any term or condition set forth in the Agreement, nor shall it be used to interpret the terms and conditions of the Agreement.

5. This Memorandum may be executed in several counterparts, and all so executed shall constitute one agreement binding on both parties hereto, notwithstanding that both parties are not signatories to the original or the same counterpart.

6. City shall execute, acknowledge, and deliver to Developer upon Developer's request after the date that all units in the Project have received all required occupancy permits

and City has verified that all improvements required to be constructed in connection with the Project have been completed, a document in recordable form removing this Memorandum from title to the Site.

7. This Memorandum shall encumber Developer's leasehold interest in the Site and not the fee interest.

IN WITNESS WHEREOF, City and Developer have entered into this Memorandum as of the date first set forth above.

RIDER TO LOAN AGREEMENT
(City Home Funds)

WHEREAS, the CITY OF IRVINE, a California municipal corporation ("**Lender**"), has made or will make a loan in the maximum principal amount of $506,810.00 (the "**Loan**") to STONEGATE HOUSING PARTNERS II, L.P., a California limited partnership ("**Borrower**") and the Loan will be secured by certain property located in Irvine, California (the "**Project**");

WHEREAS, The Irvine Company LLC, a Delaware limited liability company ("**TIC**" and "**Limited Partner**"), is being admitted as a limited partner of Borrower on or about the date hereof. Upon an assignment of TIC's limited partner interest in Borrower, the term "Limited Partner" shall mean the successors and assigns of TIC's interest in the Borrower to the extent the interest is transferred in compliance with Borrower's partnership agreement;

WHEREAS, as a condition to consenting to the Loan and becoming a limited partner in the Borrower, Limited Partner requires that the parties hereto grant certain protections to Limited Partner under any one or more of the documents (the "**Loan Documents**") evidencing or securing the Loan; and

WHEREAS, the parties hereto desire to grant such requests of Limited Partner.

THEREFORE, notwithstanding anything to the contrary set forth in the Loan Documents, the parties make the covenants and representations set forth in this Rider.

1. Prior to exercising remedies under the Loan Documents, Lender will give Limited Partner a copy of any written notice it gives to Borrower under the Loan Documents at the following address:

2. If Limited Partner presents payment or otherwise cures a monetary or non-monetary default within the cure periods set forth in the Loan Documents, Lender will accept such action as curing the respective default under the Loan Documents.

3. Lender approves Limited Partner's admission to Borrower.

4. Lender will permit Limited Partner to transfer its limited partner interest to any person or entity at any time, provided such transfer does not result in a transfer of the general partner interest.

5. Lender will permit Limited Partner to remove and replace the general partner of Borrower in accordance with Borrower's partnership agreement, provided that any substitute general partner is acceptable to Lender in its reasonable discretion, including, without limitation, requiring that the new general partner have at least the same level of experience in developing, operating, and managing an affordable multifamily housing complex that is similar to the Project.

6. Lender will permit insurance and condemnation proceeds to be used to rebuild the Project provided that sufficient funds are available to effectively rebuild the Project to a multifamily housing complex.

7. Lender has not and will not cross-default or cross-collateralize the Loan with any loan made with respect to another property.

8. Limited Partner is intended to be a direct beneficiary of the covenants set forth in this Rider and is entitled to bring an action to enforce the same independent of any rights of Borrower. Lender will not materially modify the Loan Documents without Limited Partner's prior written consent.

9. This Rider may be executed in multiple counterparts, each of which is deemed to be an original. Digitally transmitted signatures are as effective as originals.

10. Subject to the last sentence of this paragraph, until expiration of the tax credit compliance period for all buildings in the Project, upon a default of Borrower under the Loan Documents, Lender must not exercise remedies which could cause or require transfer of title to the Project for so long as Limited Partner is diligently pursuing its right to remove Borrower's general partner and is curing any remaining default following such removal, up to a maximum cure period of 270 days. The foregoing does not preclude Lender from participating in any

foreclosure proceeding (including acquiring the Project through such proceeding) that is initiated by another party during any such cure period.

AFFORDABLE HOUSING AND LOAN AGREEMENT

(CDBG Funds)

This AFFORDABLE HOUSING AND LOAN AGREEMENT ("**Agreement**") is entered into this 30 day of November, 2012, by and between the CITY OF IRVINE, a California municipal corporation (the "**City**"), and STONEGATE HOUSING PARTNERS II, L.P., a California limited partnership ("**Developer**")

RECITALS

A. City participates in the HOME Investment Partnership Act program administered by the United States Department of Housing and Urban Development ("**HUD**") under Title II of the Cranston-Gonzalez National Affordable Housing Act, as amended (42 U.S.C. § 12741, *et seq.*), and the implementing regulations (24 CFR § 92, *et seq.*). Pursuant to said program, the City receives funds from HUD ("**HOME Funds**") to be used for the development of affordable housing projects. On or about June 13, 2011, as part of the City's annual HOME funding process, City approved an allocation of HOME Funds to Developer in the amount of the City HOME Loan (defined below).

B. Pursuant to the federal Community Development Block Grant ("**CDBG**") program, the City received funds from HUD under Title I of the Housing and Community Development Act of 1974 (42 U.S.C. § 5301, *et seq.*) and the regulations promulgated thereunder (24 CFR § 570, *et seq.*). Pursuant to said program, the City receives funds from HUD ("**CDBG Funds**") to be used for the production and preservation of affordable housing within the City of Irvine. On or about June 13, 2011, as part of the City's annual CDBG funding process, the City approved an allocation of CDBG Funds to Developer in the amount of the City CDBG Loan (defined below).

C. Developer has entered into an option agreement to lease that certain unimproved real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Attachment No. 1 and incorporated herein by this reference ("**Site**"). The Site is comprised of approximately 2.704 acres, which will be the location of the second phase of a 134-unit project approved by Planning Commission Resolution No. 07-2821, referenced in Recital D below. Developer plans to cause to be developed a 74-unit affordable residential rental project and related improvements on a portion of the Site ("**Project**"), which is the second phase of the Stonegate Community Development. The Irvine Company, LLC, a Delaware limited liability company ("**Irvine Company**"), is the owner of fee title to the Site.

D. On or about April 5, 2007, the City's Planning Commission adopted Resolution Nos. 07-2820, 07-2821, and 07-2822, which, in general, approved master plan applications for the development of three (3) multi-story residential apartment communities ("**Stonegate Community Development**"), generally located along the north side of Irvine Boulevard between Sand Canyon Avenue and Groveland in the community village of Stonegate (Planning Area 9B). Specific for purposes of this Agreement, Planning Commission Resolution No. 07-2821 approved the master plan (as extended) for the development of 134 residential apartment units, lot 700 of Vesting Tentative Tract 16927, totaling 6.08 acres, which residential apartment units are to be affordable so that Irvine Company may fulfill its obligations pursuant to the Master Affordable Housing Plan for the Northern Sphere and satisfy affordable housing

obligations under Chapter 2-3 of the Irvine Zoning Ordinance (the "**Master Project**"). An affiliate of Developer developed "Phase 1" of the Master Project, and Developer now intends to develop "Phase 2" of the Master Project.

E. City desires to assist with certain costs attributable to eleven (11) of the Project units referred to herein as the "**HOME Units**" by (a) providing financial assistance to Developer in the form of a loan of HOME Funds in the amount not to exceed the sum of Five Hundred Six Thousand Eight Hundred Ten Dollars ($506,810.00) ("**City HOME Loan**"), on the terms set forth in a separate loan agreement, and (b) providing financial assistance to the Irvine Community Land Trust ("**Land Trust**") in the form of a grant of HOME Funds in the amount not to exceed the sum of Four Hundred Thousand Five Hundred Seventy-Two Dollars ($400,572.00) ("**HOME Grant Funds**"). The Land Trust and Developer are each members of the general partner of the limited partnership entity formed to acquire the leasehold in the Site and develop the Project. The Land Trust will be required to use the HOME Grant Funds for certain costs associated with the HOME Units pursuant to a separate loan agreement (the "**Land Trust HOME Loan Agreement**").

F. City desires to assist with certain soft costs attributable to the Project by (a) providing financial assistance to Developer in the form of a loan of CDBG Funds in the amount not to exceed the sum of Ninety-Three Thousand Forty-Three Dollars ($93,043.00) ("**City CDBG Loan**"), on the terms set forth herein (the "**City CDBG Loan Agreement**") and (b) providing financial assistance to the Land Trust in the form of a grant of CDBG Funds in the amount not to exceed the sum of Two Hundred Eighty-Eight Thousand Nineteen Dollars ($288,019.00) ("**CDBG Grant Funds**"), which the Land Trust will be required to use the CDBG Grant Funds for certain costs associated with the Project pursuant to a separate loan agreement (the "**Land Trust CDBG Loan Agreement**").

G. Pursuant to that certain Redevelopment Affordable Housing Funds Grant Agreement approved by the Department of Finance on the Recognized Obligation Payment Schedule covering the periods of January 1-June 30, 2012, and July 1-December 31, 2012, the Land Trust received former redevelopment agency low and moderate income housing set aside funds in the amount of Nine Hundred Eleven Thousand Four Hundred Nine Dollars ($911,409.00) ("**Set-Aside Grant Funds**"), which the Land Trust will use for certain costs associated with the Project pursuant to a separate loan agreement (the "**Land Trust Set-Aside Loan Agreement**").

H. The Project will be subject to certain affordability covenants requiring that the HOME Units and certain other residential units be rented to income eligible households at an affordable rent.

I. The acquisition of the Site and development and operation of the Project thereon pursuant to this Agreement, and the fulfillment generally of this Agreement, are in the vital and best interests of the City and the welfare of its residents, and in accordance with the public purposes and provisions of applicable federal, state, and local laws and requirements.

AGREEMENT

Based upon the foregoing Recitals and for good and valuable consideration, the receipt and sufficiency of which is acknowledged by both parties, City and Developer hereby agree as follows:

1. DEFINITIONS.

In addition to any capitalized words and terms as defined throughout this Agreement, the following terms as used in this Agreement shall have the meanings given below unless expressly provided to the contrary:

"Affordable Rent" shall have the meaning ascribed in the City CDBG Funds Regulatory Agreement.

"Agreement" shall mean this Affordable Housing and Loan Agreement between City and Developer, including all exhibits and other documents attached hereto.

"Bank Loan Funds" shall mean the construction and permanent loan amount not to exceed $11,000,000.00, as specified in the Commitment Letter, dated March 9, 2012, to Jamboree.

"Business day" shall mean every day of the week for which City Hall for the City of Irvine is open to the public.

"CalHFA Loan Funds" shall mean the permanent loan amount not to exceed $1,169,850, as specified in the Commitment Letter, dated July 23, 2012 (as amended December 14, 2012), from the California Finance Housing Agency, to Jamboree.

Pursuant to all of the terms and conditions of this Agreement, Developer shall be permitted to use the City Loan proceeds only for the Eligible Loan Expenses that are actually and reasonably incurred by Developer and approved by City, and for no other purpose.

2.3 City Loan Funding Conditions. Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to disburse any of the City Loan proceeds to Developer unless all of the following conditions (collectively the "**Funding Conditions**") are satisfied, or waived by City in its sole discretion:

(a) *Execution and Delivery of Documents.* Developer shall have executed and delivered to City the documents referred to in Section 2.7 of this Agreement.

(b) *City Title Policy.* Chicago Title Company or such other title company approved by the City ("**Title Company**") is irrevocably committed to issue to City an ALTA lender's policy of title insurance ("**City Title Policy**"), with liability in the amount of the City Loan, showing the leasehold interest in the Site vested in Developer, insuring in favor of City the Leasehold Deed of Trust, subject only to (i) the standard printed exceptions and exclusions contained in the form of the Title Policy commonly used by Title Company; (ii) non-delinquent property taxes and assessments; and (iii) such

other matters as may be approved by City in its sole and absolute discretion. Developer shall pay the premium for the City Title Policy.

(c) *Insurance.* Developer shall have provided to City evidence of the insurance required under Section 3.10 of this Agreement.

(d) *Plans and Permits.* Developer shall have obtained the grading permits for the Project or such permits shall be ready to be issued upon the payment of fees and all other development approvals shall have been issued except for building permits.

(e) *Evidence of Financing.* City shall have approved Developer's evidence of financing in accordance with Section 3.11.3 of this Agreement, and the financing specific to the construction of the Project shall close and be available to Developer.

(f) *Ground Lease.* Developer shall have entered into the Ground Lease with Irvine Company and the Ground Lease shall be in full force and effect with no defaults existing and all contingencies satisfied (i.e., there are no conditions that remain to be satisfied for the effectiveness of the Ground Lease or the performance of either party thereunder and the fulfillment of the Ground Lease and Developer's possession of the Site is absolute and not terminable and not subject to any unsatisfied conditions).

(g) *Other Agreements.* The City HOME Loan Agreement, the Land Trust Loan Agreements, the CDBG Grant Agreement, and the HOME Grant Agreement shall have been executed and all conditions to the initial disbursement of funds under said agreement shall have been satisfied, and no default by the Developer shall exist under the City HOME Loan Agreement and the Land Trust Loan Agreements.

(h) *Clearance.* If applicable, in accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," the Request for Release of Funds and related certifications have been approved for the Project or City has determined an exemption is applicable.

(i) *Approval of Third Party Contracts.* City shall have approved any Third Party Contracts entered into before commencement of construction that City elects to review.

(j) *No Default.* There shall be no event of default under this Agreement, and there shall be no event which, with the passage of time or the giving of notice, would constitute a default, and all representations and warranties of Developer in this Agreement remain true and correct in all material respects.

(k) *HUD Approvals.* City has received all approvals required from HUD for the disbursement of the City Loan.

(l) *Land Use Regulatory Agreements.* City and Irvine Company shall have approved the form of and executed the Land Use Affordable Housing Regulatory

Agreements and the agreements shall have been recorded against the Site and senior to all liens securing any financing.

In the event that any of the Funding Conditions are not satisfied on or before December 15, 2012, or such later deadline as may be mutually approved in writing by City and Developer in the sole and absolute discretion of each of them, City may terminate this Agreement by delivering written notice to Developer.

2.4 Disbursement of City Loan. Provided Developer is not in default of this Agreement, the City Loan shall be deposited into the Construction Escrow upon the satisfaction of all of the Funding Conditions and the parties shall instruct the Escrow Holder to apply the City Loan proceeds to the Eligible Loan Expenses. In the event the Eligible Loan Expenses are not incurred by Developer within fifteen (15) days after City's deposit of said funds, or such longer time as City approves in its sole discretion, City shall have the right to require that Developer return the City Loan proceeds to City. In addition, if it is determined, as a result of an audit or otherwise, that the disbursement of City Loan proceeds were improper or made for expenditures not eligible for payment, Developer shall immediately repay to City the amounts of such disbursements.

2.5 CDBG Grant Funds and HOME Grant Funds Disbursed First. Notwithstanding any other provision of this Agreement to the contrary, no disbursements of the City Loan shall be made until such time that all of the CDBG Grant Funds and HOME Grant Funds have been disbursed by City to the Land Trust and by the Land Trust to the Developer for the Project. Nothing herein is intended to preclude the concurrent disbursement of the CDBG Grant Funds, HOME Grant Funds and the City Loan.

2.6 Repayment of City Loan; Leasehold Deed of Trust. Developer's obligation to repay the City Loan shall be as set forth in the City Note. The City Note generally provides for Developer to pay to City a percentage of the cash flow generated from the Site. Developer's obligation to repay the City Loan will be secured by the Leasehold Deed of Trust. The Leasehold Deed of Trust contains an acceleration clause entitling City to declare the entire indebtedness evidenced thereby to be immediately due and payable and collectible, regardless of the date of maturity, on the terms and conditions more specifically set forth in the Leasehold Deed of Trust.

2.7 Execution and Delivery of Documents. No later than two (2) days after the Effective Date, or such later date as approved by City, Developer shall deliver to City the following documents to be held by City in trust until the Funding Conditions Satisfaction Date or deposited into the Construction Escrow with the approval of City: (a) the City Note, executed by Developer; (b) the Leasehold Deed of Trust, executed and acknowledged by Developer; (c) the Regulatory Agreement, executed and acknowledged by Developer; and (d) the Memorandum, executed and acknowledged by Developer. Within ten (10) days after the Funding Conditions Satisfaction Date and prior to City's disbursement of any City Loan proceeds to Developer, City shall execute the Regulatory Agreement and the Memorandum, and shall cause the Regulatory Agreement, the Memorandum, and the Leasehold Deed of Trust to be recorded in the Official Records of Orange County, California. In the event the Funding Conditions are not satisfied and this Agreement is terminated pursuant to Section 2.3, City shall return to Developer the documents delivered by Developer to City pursuant to this Section. Notwithstanding any provisions in this Section to the contrary, the Land Use Affordable Housing Regulatory

Agreements shall have been executed and recorded, or delivered to Escrow Holder and recorded the day prior to the close of Construction Escrow, prior to City having any obligation to disburse to Developer any of the City Loan funds.

3. ACQUISITION OF GROUND LEASE AND DEVELOPMENT OF THE PROJECT.

3.1 Acquisition of Leasehold Interest in Site. The Site is currently owned by Irvine Company. Developer represents to City that Developer has entered into the Option to Lease, in which Developer has agreed to enter into the Ground Lease of the Site on terms and conditions more fully set forth therein. Developer shall keep City informed of the status of the Option to Lease, including any amendment thereto or termination thereof, and Developer shall promptly notify City in writing of the anticipated date of execution of the Ground Lease once the Developer and Irvine Company have determined said date. From and after the Effective Date of this Agreement, Developer shall exercise diligent efforts to finalize the terms and enter into the Ground Lease with Irvine Company for the lease of the Site no later than the date specified in the Option to Lease. The Ground Lease (a) shall have a term of no less than the lesser of (i) fifty-eight (58) years or (ii) fifty-five (55) years from the date that all units in the Project have received all required occupancy permits from the City, (b) shall permit the Site to be developed and operated in accordance with the terms set forth in this Agreement (which by definition includes the Attachments), and shall otherwise be consistent with this Agreement, such that compliance with this Agreement will not cause a default under the Ground Lease and vice versa, (c) shall provide leasehold mortgagees notice and cure rights under the Ground Lease in the event of a default by Developer, (d) shall recognize the rights of leasehold mortgagees to become the legal holder and owner of the interest of Developer under the Ground Lease by foreclosure or other enforcement proceeding and to thereafter assign the Ground Lease to a new tenant to operate the Site in accordance with the Ground Lease, and (e) shall provide that modifications to the Ground Lease which are inconsistent with any of the foregoing conditions are subject to the prior written approval of City. City shall have the right to approve the form of the Ground Lease before it is executed for the limited purpose of confirming that the foregoing conditions are satisfied. Upon execution of the Ground Lease by Developer and Irvine Company, Developer shall deliver a copy of the executed Ground Lease to City.

3.2 Scope of Development. Developer shall develop the Project on the Site in strict accordance with the plans and drawings approved by City. If Developer desires to make any change in any approved development or building plans, the proposed change shall be submitted to City for approval. Developer shall be responsible for all construction and installation and for obtaining all necessary permits and approvals.

3.3 Development Approvals and Permits. Prior to commencement of the grading of the Site, Developer shall, at its own expense, secure or cause to be secured the grading permit from City and all permits, licenses and approvals which may be required by any governmental agency having jurisdiction over the Site and the Project other than building permits. Prior to commencement of development of any other improvements to the Site, Developer shall have obtained, at its own expense, approval of the final plans for the Project and the building permits for the Project.

3.4 Construction Contract; Wage Rate. Developer acknowledges that the requirements of Section 3.5 of this Agreement shall apply to the construction contracts and subcontracts for the Project and Developer shall ensure compliance with all such provisions and

requirements. Developer shall cause the inclusion of the applicable classification and wage rate determination for the Project in the construction contract for the Project which, if authorized by law, may be satisfied by Developer incorporating by reference said classification and wage rate determination. City shall have the right to approve the classification and wage rate that is included with a construction contract and posted for the Project.

3.5 Third Party Contracts . If Developer enters into any agreements ("**Third Party Contracts**") with contractor(s) for the construction of the Project ("**Other Contacting Party**"), such Third Party Contract shall be subject to the reasonable approval of City and must be consistent with the terms of this Agreement. Developer shall include in all Third Party Contracts the following minimum requirements: (a) provisions for the Other Contracting Party to comply with all terms of this Agreement to the extent applicable to the work or services provided by the Other Contracting Party, and all applicable legal requirements, including the CDBG Requirements; (b) provisions for the Other Contracting Party to cooperate with City and make available to City all information, documents, and records reasonably requested by City in connection with the activities under this Agreement; (c) provisions for City to be granted the right of access to the Site for purposes of this Agreement and evaluating Developer's performance hereunder; and (d) a provision naming City as an intended third party beneficiary with the right but not the obligation to enforce the agreement upon the occurrence of and during the continuance of a default under the relevant Third Party Contract. In connection with the preceding sentence, City shall have the right to require Developer to terminate the Third Party Contract if such default occurs. In addition to the foregoing, Developer shall include or cause to be included in its construction contracts for the Project and cause to be included in any subcontracts a provision that City may interview laborers and mechanics employed on the Project and that the contractors and subcontractors shall require any laborers or mechanics employed or engaged by it to cooperate with City. If Developer believes that any of the CDBG Requirements are not applicable to a Third Party Contract, it is Developer's responsibility to provide to City evidence that the requirement is not applicable; however, it is ultimately Developer's responsibility to include all legal requirements in its Third Party Contracts and City shall have no liability for Developer's failure to comply with this obligation. In connection therewith, any statement made by City to Developer as to the non-applicability of a particular legal requirement shall be provided as an accommodation to Developer and as a statement of City's opinion, but shall not be relied upon by Developer or excuse Developer from Developer's responsibility to include all applicable legal requirements in its Third Party Contracts or to comply with such requirements. Developer acknowledges that City's approval of a Third Party Contract shall in no way constitute an assumption by City of any responsibility whatsoever for the construction of the Project or performance of any activity that is the subject of the Third Party Contract, or Developer's or the Other Contracting Party's compliance with applicable laws, statutes, ordinances, codes, rules and regulations, or Developer's compliance with this Agreement. In connection therewith, City assumes no responsibility or liability for any act or omission of any Other Contracting Party and in no way guarantees any of the work to be done or materials to be supplied or services to be performed. Developer shall comply with all terms of Third Party Contracts.

3.6 No Debarred, Suspended, or Ineligible Parties. Developer shall not employ, engage the services of, or award any contractors to any party that is debarred, suspended, or otherwise ineligible to participate in a project that is receiving CDBG Funds pursuant to the

CDBG Requirements. Developer shall provide to City such certifications as required by City demonstrating compliance with this Section.

3.7 Construction Meeting. Developer shall attend and cause the contractor(s) for the Project to attend any construction meetings or conferences arranged by City among the contractor, Developer, and City, including pre-construction meetings, relating to undertaking and completing the Project in conformance with this Agreement and applicable local, state, and federal laws. The requirements in this Section may be satisfied by a regular weekly meeting arranged by Developer and attended by Developer and the respective representatives of the contractor(s) and City, as may be needed.

3.8 Schedule of Performance.

(a) Subject to subsection (b) below and the force majeure provisions of Section 9.3 of this Agreement, Developer shall commence, prosecute, and complete construction of the Project within the time set forth in the Schedule of Performance. Construction shall be continuously and diligently pursued to completion and shall not be abandoned for more than ten (10) consecutive business days, except when due to causes beyond the control and without the fault of Developer, as set forth in Section 9.3 of this Agreement. The Schedule of Performance is subject to revision from time to time as may be mutually agreed upon in writing between Developer and City. During the course of construction, Developer shall, if requested by City, provide to City monthly written reports on the progress of construction.

(b) In the event that the Funding Conditions are not satisfied by the time for performance identified as Item #4 in the Schedule of Performance because (i) Developer was unable to close the Construction Escrow by such date due to the unavailability of all financing specific to the construction of the Project as approved by the City, and (ii) the inability of Developer to close the Construction Escrow was not caused by Developer's failure to diligently pursue such financing, then the Contract Officer may extend the times for performance in the Schedule of Performance according to the following: (A) the Funding Conditions (Item #4 in the Schedule of Performance) shall be satisfied, and the Construction Escrow shall close, as soon as possible after December 15, 2012, but in no event later than January 31, 2013, unless a later deadline is mutually approved by the Developer and the City; and (B) Developer shall commence or cause the commencement of the grading of the Site and the construction of the vertical improvements for the Project (Items #7 & #8 in the Schedule of Performance) no later than two (2) months after the close of the Construction Escrow. Except as provided in this subsection (b), the times for performance shall remain as set forth in the Schedule of Performance. The Contract Officer may not unreasonably withhold his/her approval of any requested extension of Items #4, #7 and #8 as contemplated by this Section 3.8(b); provided, however, in the event the Contract Officer does not extend such time for performance, then Developer or the City may terminate this Agreement (and all related documents) by written notice delivered to the other party, and any funds disbursed to Developer shall be returned to the City without any further liability of Developer or the City.

3.9 Rights of Inspection. Representatives of the City shall have a reasonable right of access to the Site during normal business hours for the purposes of this Agreement, including,

but not limited to, the inspection of the work being performed and the interviewing of laborers and mechanics employed on the Project. Developer shall cooperate with, and shall cause the contractor and any subcontractor to cooperate with, City in connection with its inspection and access rights. It is understood that City does not by this Section 3.9 assume any responsibility or liability for a negligent inspection or failure to inspect. All inspections by City or on behalf of City, approvals of payment requests by City and other actions by City in connection therewith are not to be construed as a representation by City that there has been compliance with any permits or plans and specifications, legal requirements, or that the Project is free of defects in materials or workmanship. Any inspections or determinations made by City or lien waivers, receipts, or other agreements, documents, and instruments obtained by City are made or obtained solely for City's own benefit and not in any way for the benefit or protection of Developer. City has no obligation to Developer to ensure compliance by the contractor or any other person in carrying out such construction. No such inspections or review will limit any of the rights and remedies of City pursuant to this Agreement.

3.10 Insurance. Developer shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance:

(a) *Commercial General Liability Insurance.* A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars ($1,000,000) or its equivalent.

(b) *Worker's Compensation Insurance.* A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California.

(c) *Builder's Risk.* Builder's risk coverage written on a completed value basis in an amount equal to the full replacement cost of the improvements with coverage available on the so-called non-reporting "all risk" form of policy, including coverage against collapse, fire, and water damage, with such insurance to be in such amounts and form and written by such companies as shall be approved by City. City agrees to accept a builder's risk insurance policy from Developer's general contractor in conformance with the requirements set forth herein, including without limitation the requirement that City be named as a loss payee.

(d) *Automobile Liability Insurance.* Automobile liability insurance (bodily injury and property damage liability) which coverage shall include owned, hired, and non-owned automobiles, with limits of liability of not less than Five Hundred Thousand Dollars ($500,000.00) combined single limit per accident for bodily injury and property damage combined.

All of the above policies of insurance shall be primary insurance and except for the Worker's Compensation Insurance shall name the City, its officers, employees and agents as additional insureds or, with respect to the builder's risk policy, as a loss payee. Said policies shall be satisfactory only if issued by companies qualified to do business in California and rated A:VII or better in the most recent edition of the Best Rating Guide. The insurer shall waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. All of said policies of insurance shall provide that said

insurance may not be amended or canceled without providing thirty (30) days prior written notice by registered mail to City. In the event any of said policies of insurance are canceled, Developer shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 3.10 to the Contract Officer. The foregoing obligations shall remain in effect until the completion of the Project, at which time Developer shall maintain the insurance set forth in the Regulatory Agreement.

Developer agrees that the provisions of this Section 3.10 shall not be construed as limiting in any way the extent to which Developer may be held responsible for the payment of damages to any persons or property resulting from Developer's activities or the activities of any person or persons for which Developer is otherwise responsible. No later than the Insurance Approval Date, Developer shall provide evidence of the above-required insurance (such as Certificates of Insurance of appropriate insurance binders) and obtain approval thereof from the Contract Officer, which approval shall not be unreasonably withheld or delayed and may be waived in Contract Officer's sole and absolute discretion. As used herein, the term "**Insurance Approval Date**" shall mean the date that is the earlier of (a) the date that is five (5) days prior to the anticipated closing date of the Construction Escrow; or (b) the later of the date that is five (5) days after the Effective Date, or the date that Developer and Irvine Company execute the Ground Lease. City's approval of Developer's insurance is a Funding Condition.

3.11 Financing the Project.

3.11.1 Developer Responsible for Cost of Development. Except to the extent City has specifically agreed to provide the City Loan pursuant to Section 2, Developer shall be responsible for all costs of developing the Project, including but not limited to predevelopment costs incurred for items such as planning, design, engineering, and environmental remediation; all development and building fees; the cost incurred to demolish and clear any and all existing improvements, furnishings, fixtures, and equipment from the Site requiring removal; relocation expenses payable to existing occupants of the Site; costs for insurance and bonds (as required); costs for financing; all on-site construction costs; legal fees and any necessary public improvements not already provided to the Site under the Master Project.

3.11.2 Permitted Encumbrances. Developer may mortgage or encumber its leasehold interest in the Site in order to finance the development and operation of the Project, provided that the terms of any such loan and loan documents are reasonably approved by City and the mortgage or encumbrance (deed of trust) complies with one of the following: (a) a deed of trust(s) that secures the Bank Loan Funds; or (b) a deed of trust(s) that secures the County Loan Funds, with such deed of trust and other loan documents consistent with the County of Orange Commitment Letter and other terms Developer provided to City prior to the date of this Agreement; or (c) a deed of trust(s) that secures the CalHFA Loan Funds, with such deed of trust and other loan documents consistent with the CalHFA Commitment Letter and other terms Developer provided to City prior to the date of this Agreement; or (d) a regulatory agreement in connection with the equity investment of Jamboree in Developer with funds from the HUD CC Grant; or (e) a deed of trust securing financing for the development and operation of the Project for which the cumulative amount of the loans encumbering the Site does not exceed: (i) prior to the completion of construction of the Project, ninety percent (90%) of the appraised as-completed value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, and (ii) after the completion of construction of the Project, ninety percent (90%) of

the appraised value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, with said values evidenced by an appraisal or other evidence acceptable to City ("**Permitted Encumbrances**").

3.11.3 Evidence of Financial Capability. No later than two (2) days after the Effective Date, Developer shall submit to City evidence reasonably satisfactory to City that Developer has the financial capability necessary to develop the Project pursuant to this Agreement and the Project Budget. Such evidence of financial capability shall include the following:

(a) a copy of the commitment or loan agreement obtained by Developer for each source of funds to assist in financing the construction of the Project. All copies of commitments submitted by Developer to City shall be certified by Developer to be true and correct copies thereof. Each commitment for financing shall be in such form and content acceptable to City as reasonably evidences a firm and enforceable commitment, with only those conditions which are standard or typical for the lender involved for similar projects;

(b) if the total costs set forth in the Project Budget exceed the amount of financing commitments received pursuant to subparagraph (a) above, a financial statement and/or other documentation reasonably satisfactory to City sufficient to demonstrate that Developer has adequate funds available and committed to cover such difference; and

(c) a copy of the guaranteed maximum price or stipulated sum construction contract between Developer and its general contractor for all of the improvements required to be constructed by Developer hereunder, certified by Developer to be a true and correct copy thereof.

3.11.4 Subordination. The City Manger of City and the Community Development Director or their respective designees each shall have the authority on behalf of City to enter into subordination agreements, intercreditor agreements, and other similar agreements; provided, however, that nothing herein shall obligate City to subordinate its financing except that City shall subordinate the Leasehold Deed of Trust to the regulatory agreement required by HUD in connection with the HUD CC Grant and the priority lien(s) (deeds of trust) securing the Bank Loan Funds, the County Loan Funds and the CalHFA Loan Funds by subordination agreements approved in form by City in its reasonable discretion. City shall also subordinate the Regulatory Agreement to the Bank Loan Funds and the CalHFA Loan Funds provided the Land Use Affordable Housing Regulatory Agreements remain senior. The Land Use Affordable Housing Regulatory Agreements shall be senior to all liens (deeds of trust) securing financing for the Project and shall continue to apply to the Project and the Site in the event of a foreclosure (or deed in lieu thereof) by any lienholder.

4. USE OF THE SITE; PROGRAM ACTIVITIES.

4.1 General. Developer and its successors and assigns shall use, operate, and maintain the Site as a rental housing project in accordance with the provisions of this Agreement

and the Regulatory Agreement. The Regulatory Agreement contains provisions requiring the units on the Site be maintained as affordable rental units for a period of twenty (20) years.

4.2 Ground Lease. Developer shall comply with each and every condition, responsibility, and obligation it may have pursuant to the Ground Lease in order not to cause a default thereunder. Developer shall not amend or modify the Ground Lease in any respect inconsistent with this Agreement or any of the agreements attached hereto or in any respect that affects the rights of City as a leasehold mortgagee without the prior written consent of City, which consent City may withhold in its reasonable discretion. Developer shall provide to City notice of any defaults or notices of default under the Ground Lease.

4.3 Program Activities.

4.3.1 Generally. Developer shall operate the Program and perform all Program Activities in a competent, professional, and first class manner and to the satisfaction of City in its reasonable discretion and in accordance with this Agreement. In addition, Developer shall operate the Program and perform the Program Activities in compliance with the CDBG Requirements and the legal requirements set forth in Attachment No. 3 attached to this Agreement and the statutes referenced therein. In addition to the quarterly reports referred to in Section 5.2, Developer shall, if requested by City, provide to City monthly written reports on the progress of any Program Service. Developer shall cause the Program Activities to be performed by Developer or Developer Personnel under Developer's direct supervision, and shall ensure that all Developer Personnel engaged in the Program Activities are fully qualified and authorized and permitted under applicable law to operate the Program. Developer shall secure, at its sole cost and expense, any and all licenses, permits and approvals that may be required by law for the performance of the Program Activities. Developer shall be responsible for all costs related to the Program.

4.3.2 Change in Use of Property. The parties agree that the provisions of 24 CFR section 570.505 allowing a change in the use of the Site upon payment of certain amounts to Land Trust are not applicable and that the Site shall be subject to the affordability covenants in the Regulatory Agreement for the term set forth therein.

4.4 Management. If any manager or supervisor of the Program engages in any of the conduct that is not in compliance with Section 4.6 or knowingly allows such conduct to occur at the Site or by Developer Personnel, or knowingly allows illegal activity to occur at the Site, City shall have the right to require that Developer immediately replace such manager or supervisor for the Program.

4.5 Drug Free Covenant. Developer shall use its best efforts to maintain a drug free environment on the Site. Developer covenants to City that Developer shall use its best efforts to ensure that all persons working or residing on the Site shall not unlawfully manufacture, distribute, dispense, possess or use controlled substances, as said term is defined in 21 United States Code Section 812 and California Health and Safety Code Section 11007 (or successor statutes), including marijuana, heroin, cocaine, and amphetamines on the Site.

4.6 Program Defaults. If Developer shall or permit Developer Personnel to:

(a) engage in any act injuring, abusing, mistreating, or endangering any employee or client of the Program or other persons receiving services under the Program, including any tenants or occupants of the Project as reasonably determined by City;

(b) violate the provisions of Section 4.5 above; or

(c) engage in any act or transgression that, in the reasonable judgment of City, may cause embarrassment to City, reflect adversely upon the City or its funding programs or upon Developer, tend to bring the Program into public disrepute, contempt, scandal, or ridicule, or tend to shock, insult or offend the community or public morals or decency, then

Developer and City agree to meet and confer within ten (10) days of the request of City to determine a resolution reasonably acceptable to City and Developer agrees to thereafter promptly implement the resolution. The failure of Developer to implement the resolution shall constitute a default under this Agreement ("**Program Default**").

4.7 Occupants of Housing Facilities. To the extent permitted by applicable law, Developer shall include in its occupancy or lease agreements with the persons residing in the facility ("**Occupants**") a requirement that the occurrence of any illegal activity by the Occupant, or by Occupant's guests at the Site, shall be grounds for immediate termination of the Occupant's right to reside within the housing facility and City shall have the right to require that Developer enforce such provision.

4.8 Monitoring. City shall monitor and evaluate Developer's performance under this Agreement to determine compliance with this Agreement and the CDBG Requirements. Developer shall reasonably cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide City the reasonable right of access to the Site and the affordable units during normal business hours for the purpose of assuring compliance with this Agreement and evaluating Developer's performance hereunder.

4.9 Compliance with Laws and Regulations and CDBG Requirements. Developer shall carry out the design, construction and operation of the Project, and operate the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the CDBG Requirements and the legal requirements set forth in Attachment No. 3 attached to this Agreement and the statutes referenced therein, the City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all federal and state fair labor standards, including the payment of prevailing wages and compliance with the Davis-Bacon Act unless Developer provides evidence acceptable to City that such requirements are not applicable to the Project. Because the source of the City Loan is funds received from HUD pursuant to the federal government's CDBG program, Developer is required to comply with all applicable CDBG Requirements. In the case of any conflict between the CDBG Requirements and this Agreement, the CDBG Requirements shall control; it being understood, however, that in order to be in compliance with this Agreement and the CDBG Requirements, Developer shall, to the extent possible, comply with the most restrictive provisions in this Agreement and the CDBG

Requirements. Each and every provision required by law to be included in this Agreement shall be deemed to be included, and this Agreement shall be read and enforced as though all such provisions were included. Developer acknowledges and agrees that it shall be and remain, and shall cause the Developer Personnel to be and remain, fully knowledgeable and apprised of all local, state and federal laws, rules and regulations in any manner affecting the performance under this Agreement, including the CDBG Requirements. Developer shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, expense and/or "increased costs" (including reasonable attorneys' fees, court and litigation costs, and fees of expert witnesses) that results or arises in any way from any of the following: (a) the noncompliance by Developer or Developer Personnel of any applicable local, state and/or federal law, including, without limitation, any applicable federal and/or state labor laws (including, without limitation, if applicable, the requirement to pay state or federal prevailing wages and hire apprentices); (b) the implementation of Section 1781 of the Labor Code, as the same may be amended from time to time, or any other similar law, by Developer or Developer Personnel; and/or (c) failure by Developer or Developer Personnel to provide any required disclosure or identification as required by Labor Code Section 1781, as the same may be amended from time to time, or any other similar law. The foregoing indemnity shall survive termination of this Agreement. It is agreed by the parties that, in connection with the development and construction of the Project, including, without limitation, any and all public works (as defined by applicable law), Developer shall bear all risks of payment or non-payment of prevailing wages under federal law and California law and/or the implementation of Labor Code Section 1781, as the same may be amended from time to time, and/or any other similar law. "Increased costs," as used in this Section 4.9, shall have the meaning ascribed to it in Labor Code Section 1781, as the same may be amended from time to time.

4.10 Program Income. Developer shall submit to City quarterly reports as set forth in Section 5.2 on all program income as defined 24 CFR 570.500(a) generated by activities carried out with CDBG Funds, if any. The program income shall, at City's election, (a) be returned to City or (b) retained by Developer and utilized for the Project expenses set forth in the Project Budget or such other activities approved in writing by City, in which case all provisions of this Agreement shall apply to the activities funded by the program income. Upon the completion of the Project or the earlier termination of this Agreement, all unused program income shall be returned to City at the election of City.

4.11 Relocation. City shall not be responsible for relocating any occupants from the Site to the extent any occupants are located on the Site. If relocation is required, Developer shall have the sole and exclusive responsibility for providing relocation assistance and paying all relocation costs required to comply with all applicable federal and state laws, rules, and regulations. Developer shall indemnify, defend, and hold City harmless from and against any claims, liabilities, damages, or losses made against it by tenants or occupants of the Site, including without limitation claims for relocation assistance, inverse condemnation, and claims otherwise arising from any act or omission of Developer pursuant to this Section 4.11.

4.12 Affordability Covenants. Developer acknowledges and agrees that the rental units on the Site will be required to be maintained as affordable rental units in accordance with the Regulatory Agreement.

4.13 Indemnification. Developer shall indemnify, defend, and hold harmless City and its officers, officials, employees, representatives and agents (collectively, the "**Indemnitee**") from and against any and all claims, causes of action, liabilities, and damages arising out of any acts or omissions of Developer or Developer's officers, employees, contractors, and agents, in the performance under this Agreement and the agreements attached hereto and/or with respect to the Site including the construction of the Project thereon. The Indemnitee shall promptly notify Developer of the filing of any such action and cooperate with Developer in the defense thereof (at no cost to Indemnitee).

4.14 Extended Use Agreement. City acknowledges that Developer and the California Tax Credit Allocation Committee have or intend to enter into an extended use agreement pursuant to Section 42(h) of the Internal Revenue Code ("**Extended Use Agreement**") which will be recorded against the Site. City acknowledges that, in the event of a foreclosure of its interest under the Leasehold Deed of Trust or delivery by Developer of a deed in lieu thereof (collectively, a "**Foreclosure**"), pursuant to Sections 42(h)(6)(E)(ii) of the Internal Revenue Code, for a period of three (3) years from the date of Foreclosure, with respect to any unit that had been regulated by the Extended Use Agreement, (i) none of the eligible tenants occupying those units at the time of Foreclosure may be evicted or their tenancy terminated (other than for good cause), (ii) nor may the rent of any such eligible tenant be increased except as otherwise permitted under Section 42 of the Internal Revenue Code.

5. RECORDS AND REPORTS.

5.1 Records.

5.1.1 Records to be maintained. Developer shall keep and maintain records providing a full description of the Program Activities undertaken, records demonstrating that the Program Activities meet the CDBG Requirements, records demonstrating the eligibility of the activities constituting the Eligible Loan Expenses, and such other records as may be reasonably required by City to enable City to evaluate Developer's compliance with the CDBG Requirements, to identify and account for the use of the City Loan proceeds and expenditures of Eligible Loan Expenses and all costs pertaining to this Agreement, and to enable City to comply with City's recordkeeping and reporting requirements under the CDBG Requirements. Books and records pertaining to the Eligible Loan Expenses shall be kept and prepared in accordance with generally accepted accounting principles.

5.1.2 Retention. The books and records required to be maintained by Developer under this Agreement shall be retained for a period of five (5) years following the date that all units in the Project have received all required occupancy permits from the City; provided, however, in the event any litigation, audit, negotiation, or other action involving the books and records is commenced prior to the expiration of the five (5) year retention period, Developer shall retain the books and records until completion of the action and resolution of all issues which arise from it.

5.1.3 Location of Records. The books and records required to be maintained by Developer shall be kept at the Property or at the office of Developer or such other location in Orange County, California, approved by City.

5.1.4 Access to Records. City and HUD and/or their representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Developer pertaining to this Agreement at all times during normal business hours upon 48 hours prior written notice to Developer.

5.1.5 Audits. Developer shall perform all audits of its books and records required by HUD, the CDBG Requirements or reasonably required by City and a copy of such audits shall be forwarded to the City within thirty (30) days after completion. Developer shall be subject to all audit and review requirements imposed on City in connection with this Agreement and shall, at its sole cost and expense, cause such audits and reviews to be timely performed.

5.2 Reports.

5.2.1 Quarterly Reports. No later than fifteen (15) days after the end of each Quarter, Developer shall submit to City the following quarterly reports on forms approved by the Contract Officer:

(a) *Performance Reports.* A report on the summary of the Program Activities and activities undertaken by Developer under this Agreement for the previous Quarter ("**Performance Report**"). The Performance Report shall, at a minimum, describe the status of each Program Activity required to be performed and met during that Quarter, progress towards completing the other Program Activities, costs incurred, funds remaining, a narrative explanation of problems, delays, or adverse conditions which impaired the ability of Developer to meet any obligations if any were not met, favorable developments which enabled Developer to satisfy obligations and meet objectives sooner or at less cost than anticipated or producing more beneficial results than planned, and any additional pertinent information related to contract performance.

(b) *Program Income.* A report on the program income generated for the Quarter, if any, as more fully explained in Section 4.10 of this Agreement, which shall include a description of the expenditures of program income and a progress report for the activities funded by the program income if Developer is permitted to retain program income.

5.2.2 Other Reports. In addition to the reports referenced in Section 5.2.1, Developer shall, at such times and in such forms as reasonably required by City, prepare and submit to the Contract Officer, such other reports concerning the performance of the Program Activities, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement and compliance with applicable CDBG Requirements, as City may reasonably require from time to time.

6. TERMINATION.

6.1 Termination. In addition to any other termination provision set forth in this Agreement, this Agreement may be terminated by City as follows:

(a) *Lack of Funding.* If, for any reason beyond the control of City, the CDBG Funds required by City to fund the Eligible Loan Expenses are withdrawn from

City by HUD, the City may unilaterally terminate or modify the terms of this Agreement to reflect the loss of funding, without liability to Developer. This subdivision shall not be applicable after the date the City has disbursed to Developer (i) the funds for the City Loan or (ii) City obtains, at City's election and in its sole discretion, another source of funds acceptable to Developer, in Developer's sole discretion.

(b) *Default*. If a default shall occur under this Agreement that is not cured within an applicable notice and cure period (other than a default of City), City may terminate this Agreement in whole or in part.

(c) *Failure to Receive Environmental Clearance*. In accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," HUD or the state does not approve the Request for Release of Funds (RROF) and related certifications for the Project and the Project is not otherwise exempt such that no RROF is required.

(d) *Termination for Convenience*. This Agreement may be terminated by City for convenience as provided in 24 CFR § 85.44.

6.2 Obligations Survive Termination. Notwithstanding the expiration or earlier termination of this Agreement, Developer's obligations to City shall not terminate until all closeout requirements are completed. In addition, the following obligations of Developer shall survive the termination of this Agreement: (a) Developer's indemnity obligations; (b) the obligation to cause audits to be performed relating to Developer's activities and costs under this Agreement; (c) the obligation to repay to City the City Loan proceeds improperly disbursed to Developer or disbursed or used for ineligible expenditures; and (d) any other obligations which cannot by their nature be performed until after the expiration of the Agreement. No termination under this Agreement shall release either party then in default from liability for such default.

7. DEFAULTS AND REMEDIES.

7.1 Defaults-General. The occurrence of any of the following shall be deemed a default under this Agreement:

(a) The failure or delay by either party to perform any term or provision of this Agreement if such failure is not cured, corrected or remedied within any specific time period set forth in this Agreement.

(b) If no other specific time period is set forth herein, the failure to cure a monetary default under this Agreement (other than any monetary defaults specifically listed in any of the other subparagraphs of this Section 7.1) within ten (10) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default.

(c) If no other specific time period is set forth herein, the failure to cure a non-monetary default under this Agreement (other than any non-monetary defaults specifically listed in any of the other subparagraphs of this Section 7.1) within thirty (30) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default; provided, however, that if the failure cannot be corrected within such period, it shall not constitute a default if the failure is correctable

without material adverse affect on the Site, and if corrective action is instituted by Developer within such period and diligently pursued until the failure is corrected, and provided further that any such failure is cured within ninety (90) days of receipt of notice of such failure.

(d) Subject to Section 9.3, Developer does not proceed with the commencement, construction and completion of the Project as herein provided.

(e) Subject to Section 9.3, work ceases on the Project for ten (10) consecutive business days.

(f) The occurrence of a Program default described in Section 4.6.

(g) Subject to the notice and cure provisions in Subsection (c) above, any of the warranties or representations made by Developer herein are or become false, incorrect or misleading in any material respect.

(h) Developer commits any act of bankruptcy or if any relief under the federal Bankruptcy Act is sought by or against Developer, or if a receiver is appointed to take charge of the assets or affairs of Developer, or if Developer should make an assignment for the benefit of creditors, or if Developer should become insolvent, or upon any liquidation or termination of Developer; provided, however, that if any such proceeding is brought involuntarily against Developer, Developer shall have ninety (90) days to obtain the dismissal of such proceeding.

(i) The filing of a notice of judgment lien against Developer, or the recording of any abstract of judgment against Developer, or the service of a notice of levy and/or of a writ of attachment or execution, or other like process, against the assets of Developer, or the entry of a judgment, order or decree against Developer, any or all of which would have a material and adverse effect upon Developer's ability to perform under this Agreement, unless the same is dismissed within ninety (90) days.

(j) There is a default (other than by City) of the City CDBG Loan Agreement, or there is a default (other than by Land Trust) of the Land Trust Loan Agreements, after expiration of any notice and cure periods in the applicable agreement(s).

(k) Developer shall default under the Ground Lease and such default is not cured within any grace and cure period expressly provided in the Ground Lease.

(l) Developer shall default in the payment or performance of any obligation, or any defined event of default, under the terms of any contract or instrument pursuant to which Developer has incurred any debt or other liability to City, or any other person or entity that has an interest secured by a lien recorded against the Site, which default is not cured within any grace and cure period expressly provided in such contract or instrument.

The party in default shall provide to the other party immediate written notice of the occurrence of any event that would constitute a default hereunder.

7.2 Remedies Upon Default. In addition to any other rights or remedies available at law or in equity, upon a default under this Agreement (other than a default of City) that is not cured within any applicable notice and cure periods herein, City may take one or more of the following actions:

(a) Wholly or partially suspend or terminate this Agreement.

(b) Withhold further awards for the Project, including further disbursements of the City Loan.

(c) Require Developer to repay the City Loan funds.

(d) Institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement.

In addition to the foregoing, City shall have the right to withhold disbursements of City Loan proceeds during such period as may be necessary to determine whether a default has occurred and during any cure period. Upon the occurrence of an event which, with the passage of time or the giving of notice, would constitute a default under this Agreement (other than a default of City), City may temporarily withhold disbursements of City Loan proceeds pending correction of the default by Developer.

In addition to Developer's cure rights hereunder, Irvine Company (or its entity formed and existing as the equity investor receiving the tax credits), for so long as such entity is a limited partner investor in Developer, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Agreement and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Agreement; provided however, if the non-monetary default is incapable of being cured within thirty (30) days, Irvine Company shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. City shall accept any cure made by Irvine Company as if made by Developer.

Except as otherwise expressly provided in this Agreement, any failure or delay by a party in giving a notice of default or in asserting any of its rights and remedies as to any default shall not constitute a waiver of any default, nor shall it change the time of default, nor shall it deprive such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

7.3 Institution of Legal Actions. In addition to any other rights or remedies, either party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that county.

7.4 Applicable Law and Venue. The internal laws of the State of California without regard to conflict of law principles shall govern the interpretation and enforcement of this Agreement. All legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that County.

7.5 Rights and Remedies are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Attorney's Fees. If either party to this Agreement is required to initiate or defend litigation in any way connected with this Agreement, the prevailing party in such litigation, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees from the losing party. If any party to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other party, then the party so litigating shall be entitled to reasonable attorney's fees from the other party to this Agreement. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, retaining expert witnesses, taking depositions and discovery, and all other necessary costs incurred with respect to such litigation.

8. REPRESENTATIONS AND WARRANTIES OF DEVELOPER.

Developer makes the following representations and warranties as of the date of this Agreement and agrees that such representations and warranties shall survive and continue thereafter:

(a) *Authorization and Validation.* The execution, delivery and performance by Developer of this Agreement (i) are within the powers of Developer and upon its execution will constitute a legal, valid and binding obligation of Developer enforceable in accordance with its terms, and (ii) to Developer's knowledge will not violate any provisions of law, any order of any court or other agency of government, or any indenture, agreement or any other instrument to which Developer is a party or by which Developer, or any of its property, is bound, or be in conflict with, result in any breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of its property or assets, except as contemplated by the provisions of this Agreement.

(b) *Correct Information.* To Developer's knowledge, all reports, papers, data and information given to City with respect to Developer and this Agreement, including the Site and Program are accurate and correct in all material respects and complete insofar as completeness may be necessary to give City a true and accurate knowledge of the subject matters thereof, and there has been no change in such information.

(c) *Defaults.* Developer is not a party to any agreement or instrument that will interfere with its performance under this Agreement, and is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions set forth in any agreement or instrument to which it is a party would have an adverse affect on its ability to perform its obligations under this Agreement.

(d) *Pending Litigation.* There is not now pending, or to Developer's knowledge threatened, against or affecting Developer any claim, investigation, action, suit or proceeding at law, or in equity, or before any court or administrative agency which, if adversely determined, would impair or affect the Site or Developer.

(e) *Compliance.* Developer has examined and is familiar with all conditions, restrictions, reservations and ordinances affecting the Site and Project. .

9. GENERAL PROVISIONS.

9.1 Notices, Demands, and Communications Between the Parties. Formal notices, demands, and communications between City and Developer shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, (c) mailing in the United States mail, certified or first class mail, postage prepaid, or (d) delivery by facsimile or electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed to::

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices delivered by facsimile or email shall be deemed

effective the next business day, not less than 24 hours, following the date of transmittal and confirmation of delivery to the intended recipient. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

During the term of the Rider to Loan Agreement attached to this Agreement ("**Rider**"), prior to exercising any remedies under this Agreement, City shall give the Irvine Company (or its limited partner assignee) a copy of any written notice given to Developer under the loan documents at the address set forth in the Rider.

9.2 Nonliability of City Officials and Employees. No member, official, employee, or contractor of City shall be personally liable to Developer in the event of any default or breach by City or for any amount which may become due to Developer or on any obligations under the terms of this Agreement.

9.3 Enforced Delay; Extension of Times of Performance. Time is of the essence in the performance of each of the parties' respective obligations set forth in this Agreement. In addition to specific provisions of this Agreement, and except as expressly set forth in this Section 9.3, performance by either party hereunder shall not be deemed to be in default and such party shall be entitled to an extension of time to perform its obligations hereunder where delays in performance are due to causes beyond the control and without the fault of such party, including as applicable: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplies that are not caused by Developer; acts of the other party; acts or the failure to act of City or any other public or governmental agency or entity that are not caused by Developer; or other causes beyond the reasonable control of the party. Notwithstanding the foregoing, Developer's inability to secure satisfactory financing, interest rates, and market and economic conditions shall not entitle Developer to an extension of time to perform. An extension of time for any cause permitted under this Section 9.3 shall be limited to the period of the enforced delay, which period shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of knowledge of the commencement of the cause. If no written notice is sent within thirty (30) days, for purposes of measuring the extension period for performance of the obligation in question, the period of the enforced delay shall commence to run from the date written notice is sent to the other party. Times of performance under this Agreement may be extended by mutual written agreement of City and Developer.

9.4 Inspection of Books and Records. City shall have the right at all reasonable times to inspect the books and records of Developer pertaining to the Site and the Project as pertinent to the purposes of this Agreement.

9.5 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against any party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply. The Section headings are for purposes of convenience only, and shall not be construed to limit or extend the meaning of this Agreement.

9.6 Entire Agreement, Waivers and Amendments. This Agreement integrates all of the terms and conditions mentioned herein, or incidental hereto, and supersedes all negotiations and previous agreements between the parties with respect to the City Loan. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the party to be charged, and all amendments and modifications hereto must be in writing and signed by the appropriate authorities of City and Developer. The City hereby authorizes the Director of Community Development for the City of Irvine or designee, to the extent allowed by federal, state or local law, to approve or consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities, including but not limited to, the execution of any additional agreements, addenda or amendments to effectuate the purpose of this Agreement and the intent of the parties hereto.

9.7 Severability. If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. In the event that all or any portion of this Agreement is found to be unenforceable, this Agreement or that portion which is found to be unenforceable shall be deemed to be a statement of intention by the parties; and the parties further agree that in such event, and to the maximum extent permitted by law, they shall take all steps necessary to comply with such procedures or requirements as may be necessary in order to make valid this Agreement or that portion which is found to be unenforceable.

9.8 Prohibition Against Assignment and Transfer by Developer. The qualifications and identity of Developer are of particular concern to City. It is because of those qualifications and identity that City has provided financial assistance to Developer and entered into this Agreement with Developer. Accordingly, except as expressly set forth herein, Developer shall not, whether voluntarily, involuntarily, or by operation of law, undergo any significant change in ownership, or transfer or assign all or any part of this Agreement or any rights hereunder or in the Site or in the Project without the City's prior written approval. The term "significant change in ownership" shall mean any change by virtue of which Jamboree Housing Corporation does not continue to be the managing member of the general partner of Developer.

Notwithstanding the foregoing paragraph, the following shall not require City approval (except as specifically provided below) for the purpose of this Section 9.8:

(a) a leasehold interest in a residential unit to an Eligible Tenant for Affordable Rent, in accordance with the Regulatory Agreement and pursuant to a lease form approved by City in accordance with the Regulatory Agreement; or

(b) any Permitted Encumbrance; or

(c) a transfer of the Developer's leasehold interest in the Site and the Project to Jamboree, provided Jamboree assumes from the Developer this Agreement and all of the agreements attached as exhibits hereto; or

(d) the removal of the general partner of the Developer for any default under the Developer's partnership agreement, provided that any substitute general partner is acceptable to City in its reasonable discretion, including, without limitation, requiring

that the new general partner have at least the same level of experience in developing, operating, and managing an affordable multifamily housing complex that is similar to the Project; or

(e) a transfer of the limited partnership interest in the Developer from Irvine Company or another tax credit syndicator or investor to Jamboree, or an affiliate of Jamboree, provided that Jamboree continues to manage and operate the Project.

As used in this Section, the term "affiliate" shall mean an entity that directly or indirectly controls or is controlled by Jamboree.

Developer shall deliver written notice to City requesting approval of any assignment or transfer requiring City approval hereunder. In considering whether it will grant approval to any assignment by Developer of its interest in the Site and this Agreement or any portion thereof, City shall consider factors such as the financial strength and capability of the proposed transferee to perform Developer's obligations hereunder and the proposed assignee's experience and expertise in the planning, financing, development, and operation of similar projects.

No assignment, excluding assignments for Permitted Encumbrances, shall be effective as to City unless and until the proposed assignee and Developer execute and deliver to City an assignment and assumption agreement in form reasonably satisfactory to the Contract Officer and the City Attorney.

9.9 Prohibition Against Assignment and Transfer by City. The City shall not voluntarily assign or transfer its interest in all or any part of this Agreement (which by definition includes all attachments hereto) without Developer's prior written approval, which shall not be unreasonably withheld. Notwithstanding the foregoing sentence, the City may, with the approval of Developer, which shall not be unreasonably withheld or delayed, assign or transfer all or any part of its interest in this Agreement to the Land Trust.

9.10 Third Party Beneficiaries. The Land Trust is an intended third party beneficiary of this Agreement and shall have the right, but not the obligation, to enforce its terms. Except as provided in this Section 9.10, no person or entity other than Developer, City and the Land Trust and the permitted successors and assigns of each of them, shall be authorized to enforce the provisions of this Agreement.

9.11 Authority to Execute Agreement. The persons executing this Agreement on behalf of each party represents and warrants to the other party that by proper action such persons have been duly authorized to execute and deliver this Agreement.

9.12 Contract Administration and Approvals. The Contract Officer shall be the person designated by City to administer this Agreement on behalf of City and such administrative authority shall include but not be limited to the right to approve extensions of time on behalf of City and to issue waivers, and the Developer Representative shall be the person designated by Developer to administer this Agreement on behalf of Developer. The City Manager and the Community Development Director (or their respective authorized representatives) each shall have the authority to consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities concerning the City Loan, including but

not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of City as specified herein.

9.13 Covenants to Run with the Land. This Agreement shall be binding on Developer's successors in interest in the Site until the date that all units in the Project have received all required occupancy permits and City has verified that all improvements required to be constructed in connection with the Project have been completed ("**Completion Date**"). Accordingly, the provisions of this Section 9.13 shall be applicable until the Completion Date.

This Agreement is designed to create equitable servitudes and covenants running with the Site, in favor of City. The covenants, conditions, restrictions, reservations, equitable servitudes, liens and charges set forth herein shall be binding upon all persons having any right, title or interest in the Site, or any part thereof, their heirs, successive owners and assigns; shall inure to the benefit of City and its successors and assigns, shall be binding upon Developer, its successors and assigns and successors in interest; and may be enforced by City and its successors and assigns. Developer hereby declares its understanding and intent that the burden of the covenants set forth herein touch and concern the land. Developer hereby further declares its understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Site for purposes of affordable housing. City shall have the right to designate real property as benefited by the covenants contained herein during the term of this Agreement. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided herein both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate.

City shall execute, acknowledge, and deliver to Developer upon Developer's request after the Completion Date, a document in recordable form removing the Memorandum from title to the Site. The removal of the Memorandum from title shall not result in a termination of this Agreement as between Developer and City but any party thereafter owning or acquiring Developer's interest in the Site shall not because of such ownership or acquisition incur any obligation under this Agreement, but such party shall be subject to any other recorded agreements, including without limitation the Regulatory Agreement and the Leasehold Deed of Trust.

The parties acknowledge that the Memorandum, Regulatory Agreement and Leasehold Deed of Trust recorded against the Site will encumber Developer's leasehold interest in the Site and not the fee interest in the Site.

9.14 Time of the Essence. Time is of the essence in the performance of this Agreement.

9.15 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

9.16 Attachments. This Agreement contains eight (8) Attachments, attached hereto and made a part hereof by this reference. Said Attachments are identified as follows:

1	Legal Description of Site

Times of performance under this Agreement may be extended by mutual written agreement of City and Developer.

ATTACHMENT NO. 3

SUMMARY OF LEGAL REQUIREMENTS FOR CDBG FUNDS

In addition to the requirements set forth in other provisions of the Agreement, Developer shall comply, and shall cause all Developer Personnel to comply, with the following regulations and requirements.[1]

1. **Intentionally Omitted.**

2. **Intentionally Omitted.**

3. **Equal Opportunity and Nondiscrimination.**

a. **Title VI of the Civil Rights Act of 1964, as amended, including Public Law 88-352 implemented in 24 CFR Part 1.** This law provides in part that no person shall, on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. In regard to the sale or lease of the Site, Developer shall cause or require a covenant running with the land to be inserted in the deed and leases prohibiting discrimination under this Title, and providing that Land Trust, City and the United States are beneficiaries of and entitled to enforce such covenants. Developer shall enforce such covenant and shall not itself so discriminate.

b. **Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended, including Public Law 90-234.** The Fair Housing Act provides in part that there shall be no discrimination in housing practices on the basis of race, color, religion, sex, and national origin. The Fair Housing Act was amended in 1988 to provide protections from discrimination in any aspect of the sale or rental of housing for families with children and persons with disabilities. The Fair Housing Act also establishes requirements for the design and construction of new rental or for-sale multi-family housing to ensure a minimum level of accessibility for persons with disabilities.

c. Section 109 of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq.*, 42 U.S.C. 6101 *et. seq.*, and 29 U.S.C. 794. This law provides in part that no person on the grounds of race, color, national origin, sex, or religion shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any activity funded in whole or part with funds under this Title.

d. **Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq*.** This law provides in part that any

The description set forth next to a statute or regulation is a summary of certain provisions in the statute or regulation and is in no way intended to be a complete description or summary of the statute or regulation. In the event of any conflict between this summary and the requirements imposed by applicable laws, regulations, and requirements, the applicable laws, regulations, and requirements shall apply.**

grant under Section 106 shall be made only if the grantee certifies to the satisfaction of the Secretary of HUD that the grantee will, among other things, affirmatively further fair housing.

e. **Executive Order 11246, as amended**. This order includes a requirement that grantees and subrecipients and their contractors and subcontractors not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

f. **Executive Order 11063, as amended, including 24 CFR Part 107.** This order and its implementing regulations include requirements that all actions necessary be taken to prevent discrimination because of race, color, religion, sex, or national origin in the use, occupancy, sale, leasing, rental, or other disposition of property assisted with Federal loans, advances, grants, or contributions.

g. **Section 504 of the Rehabilitation Act of 1973, as amended**. This Act specifies in part that no otherwise qualified individual shall solely by reason of his or her disability or handicap be excluded from participation (including employment), denied program benefits, or subjected to discrimination under any program or activity receiving Federal assistance. Developer must ensure that its programs are accessible to and usable by persons with disabilities.

h. **The Americans with Disabilities Act (ADA) of 1990, as amended.** This Act prohibits discrimination on the basis of disability in employment by state and local governments and in places of public accommodation and commercial facilities. The ADA also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. The Act defines the range of conditions that qualify as disabilities and the reasonable accommodations that must be made to assure equality of opportunity, full participation, independent living, and economic self-sufficiency for persons with disabilities.

i. **The Age Discrimination Act of 1975, as amended**. This law provides in part that no person shall be excluded from participation in, be denied program benefits, or subjected to discrimination on the basis of age under any program or activity receiving federal assistance.

j. **EEO/AA Statement.** Developer shall, in all solicitations or advertisements for employees placed by or on behalf of Developer, state that it is an Equal Opportunity or Affirmative Action employer.

k. **Minority/Women Business Enterprise**. Developer will use its best efforts to afford small businesses and minority and women-owned business enterprises the maximum practicable opportunity to participate in the performance of the Agreement. As used in the Agreement, the term "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women-owned business enterprise" means a business at least fifty-one percent (51%) owned and controlled by minority group members or women. For the purpose of this definition, "minority

group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. Developer may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

l. Intentionally Omitted.

4. Environmental.

a. Air and Water. Developer shall comply with the following regulations insofar as they apply to the performance of the Agreement: Clean Air Act, 42 U.S.C. 7401, *et seq.*; Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, *et seq.*, as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder; and the U.S. Environmental Protection City regulations pursuant to 40 CFR Part 50, as amended.

b. Flood Disaster Protection Act of 1973. Developer shall assure that for activities located in an area identified by FEMA as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained.

c. Lead-Based Paint. Developer shall comply with the Lead-Based Paint Regulations referenced in 24 CFR 570.608, including 24 CFR Part 35, *et. al.*

d. Historic Preservation. Developer shall comply with the historic preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 CFR Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties and related laws and Executive Orders, insofar as they apply to the performance of this Agreement. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a federal, state, or local historic property list.

e. Limitation on Activities Pending Clearance. In accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," neither a recipient nor any participant in the development process, including public or private nonprofit or for-profit entities, or any of their contractors, may commit HUD assistance under a program listed in 24 CFR § 58.1(b) on an activity or project until HUD or the state has approved the recipient's Request for Release of Funds (RROF) and the related certifications have been approved. Neither a recipient nor any participant in the development process may commit non-HUD funds or undertake an activity or project that would have an adverse environmental impact or limit the choice of reasonable alternatives. Upon completion of environmental review or receipt of environmental clearance, City shall notify Developer. HUD funds shall not be utilized before this requirement is satisfied. The environmental review or violation of the provisions may result in approval, modification of cancellation of the City Loan. If a project or activity is exempt under 24 CFR § 58.34, or is categorically excluded (except in extraordinary circumstances) under 24 CFR § 58.35(b), no RROF is required and the recipient may undertake the activity immediately after the

City has documented its determination that each activity or project is exempt and meets the conditions specified for such exemption under this section by issuing a Notice to Proceed.

5. **Uniform Administrative Requirements**. Developer shall comply with applicable uniform administrative requirements as described in 24 CFR § 570.502.

6. **Other Program Requirements**. Developer shall carry out each activity under the Agreement in accordance with all applicable federal laws and regulations described in Subpart H of 24 CFR § 570 except for City's environmental responsibilities under 24 CFR § 570.604 and City's responsibility for initiating the environmental review process under the provisions of 24 CFR Part 58.

7. **Reversion of Assets**. Upon the completion of the Project or the date the Project is required to be completed, or sooner termination of the Agreement, Developer shall transfer to City (a) any and all unexpended CDBG Funds, (b) any accounts receivable attributable to the use of CDBG Funds. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by Developer for activities under this Agreement shall at the election of Land Trust either be (a) transferred to City for the CDBG program, or (b) retained by Developer after compensating City an amount equal to the current fair market value of the equipment less the percentage of non-CDBG Funds used to acquire the equipment.

8. **Relocation**. City shall not be responsible for relocating any occupants from the Property in connection with the Program or Project. If required, Developer shall have the sole and exclusive responsibility for providing relocation assistance and paying all relocation costs required to comply with all applicable federal and state laws, rules, and regulations, including the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 42 U.S.C. § 4601 *et seq.*, as amended, and implementing regulations, and HUD Handbook 1378. Developer shall indemnify, defend, and hold City harmless from and against any claims, liabilities, damages, or losses made against it by tenants or occupants of the Property, including without limitation claims for relocation assistance, inverse condemnation, and claims otherwise arising from any act or omission of Developer pursuant to the provision of relocation assistance.

9. **Allowable Costs and Audits**. Developer shall comply with and administer the Project and Program in accordance with OMB Circular No. A-122 "Cost Principles for Non Profit Organizations" or OMB Circular No. A-21 "Cost Principles for Educational Institutions", as applicable. If Developer is a governmental or quasi-governmental agency, the applicable sections of 24 CFR Part 85, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," and OMB Circular A-87 shall apply. Developer shall have an annual audit conducted in accordance with OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations.

10. **Intentionally Omitted**.

11. **Records and Reports**. Developer shall provide to City and shall cause each of its contractors, subcontractors and subrecipients to provide to City all records and reports relating

to the Project and Program that may be reasonably requested by City in order to enable it to perform its record keeping and reporting obligations pursuant to the CDBG Requirements, including but not limited to those described in the Agreement and 24 CFR 570.506.

12. Religious Organizations. If Developer is a religious organization as defined by the CDBG Requirements, Developer shall comply with all conditions prescribed by HUD for the use of CDBG funds by religious organizations, including the First Amendment of the United States Constitution regarding church/state principles and the applicable constitutional prohibitions set forth in 24 CFR § 570.200(j).

13. Conflict of Interest. Developer will comply with 24 CFR 84.42, 85.36 and 570.611, as applicable, regarding the avoidance of conflict of interest, which provisions include (but are not limited to) the following:

i. Developer shall maintain a written code or standards of conduct that shall govern the performance of its officers, employees or agents engaged in the award and administration of contracts supported by Federal funds.

ii. No employee, officer or agent of the Developer shall participate in the selection, or in the award, or administration of, a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

iii. No covered persons who exercise or have exercised any functions or responsibilities with respect to CDBG-assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the CDBG-assisted activity, or with respect to the proceeds from the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee, the Developer, or any designated public agency.

14. Political Activity (24 CFR 570.207(a)(3)). Developer is prohibited from using CDBG funds to finance the use of facilities or equipment for political purposes or to engage in other partisan political activities, such as sponsoring candidate forums, distributing brochures, voter transportation, or voter registration.

22. Anti-Lobbying Certification. By its execution of the Agreement, Developer hereby certifies that:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

iii. It will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. This certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure. At the request of City, Developer shall execute a separate document that contains the certifications set forth above.

23. Drug-Free Workplace Requirements. Developer shall comply with and be subject to the requirements of the federal drug-free workplace requirements, which include the following actions be taken:

i. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

ii. Establishing an ongoing drug-free awareness program to inform employees about: (a) the dangers of drug abuse in the work place; (b) the grantee's policy of maintaining a drug-free workplace; (c) any available drug counseling, rehabilitation, and employee assistance programs; and (d) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

iii. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (i).

iv. Notifying the employee in the statement required by paragraph (i) that, as a condition of employment under the grant, the employee will: (a) abide by the terms of the statement; and (b) notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.

v. Notifying the agency in writing, within ten calendar days after receiving notice under sub-paragraph (iv)(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant.

vi. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (iv)(b), with respect to any employee who is so convicted: (a) taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or (b) requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

vii. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (i), (ii), (iii), (iv), (v), and (vi).

24. Procurement. If applicable, Developer will comply with the procurement standards under 24 CFR 85.36 for governmental subrecipients and 24 CFR 84.40-48 for subrecipients that are non-profit organizations. Developer shall comply with all existing and future City policies concerning the purchase of equipment.

25. Labor Provisions.

a. Section 3 of the Housing and Community Development Act of 1968. Developer shall comply with and cause its contractors and subcontractors to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. § 1701u), the HUD regulations issued pursuant thereto at 24 C.F.R, Part 135, and any applicable rules and orders of HUD issued thereunder. The Section 3 clause, set forth in 24 C.F.R § 135.38 provides:

i. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

ii. The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

iii. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

iv. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

v. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

vi. Noncompliance with HUD's regulations in 24 C.F.R Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

Developer shall abide by the Section 3 clause set forth above and will also cause this Section 3 clause to be inserted in all contracts relating to the construction of the Project.

b. Labor Standards. Developer shall comply with the provisions of 24 CFR § 570.603 and related requirements. Developer shall include in all applicable construction contracts the provisions of federal law imposing labor standards on federally assisted contracts. Developer shall comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended (40 U.S.C. 3141 through 3148), the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 *et seq.* and implementing regulations), the Copeland Anti-Kick Back Act (40 U.S.C. 276c and 18 U.S.C. 874 *et seq.*), the implementing regulations of the U.S. Department of Labor including 29 CFR Parts 1, 3, 5, 6 and 7, and all other applicable Federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. Developer shall maintain documentation that demonstrates compliance with these provisions and such documentation shall

be made available to City and HUD for review upon request. Developer shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

c. HUD Form 4010. Developer shall comply and cause Developer Personnel to comply with the provisions of HUD Form 4010 attached hereto. HUD Form 4010 must be included in the bid packet and construction contract and subcontracts for the Project.

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract in the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at http://www.dol.gov/esa/whd/forms/wh347instr.htm or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U S Criminal Code, 18 U.S C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false .. shall be fined not more than $5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds $100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in sub paragraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds $100,000

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

PROMISSORY NOTE SECURED BY LEASEHOLD DEED OF TRUST

[Attached]

PROMISSORY NOTE SECURED BY LEASEHOLD DEED OF TRUST

$93,043.00 January 11, 2013

FOR VALUE RECEIVED, the undersigned, STONEGATE HOUSING PARTNERS II, L.P., a California limited partnership ("Borrower"), promises to pay to the CITY OF IRVINE, a California municipal corporation ("City"), the sum of Ninety-Three Thousand Forty-Three Dollars ($93,043.00), plus accrued interest on the unpaid principal, plus such other costs, charges, and fees which may be owing from time to time, all subject to the terms, conditions, and provisions set forth in this Promissory Note Secured by Leasehold Deed of Trust ("Note"). All terms not otherwise defined herein shall have the meaning ascribed in Exhibit "A" to this Note.

Reference is made to the following documents (collectively, together with this Note, the "Loan Documents"):

(i) The Affordable Housing and Loan Agreement (CDBG Funds), with all Attachments thereto, by and between City and Borrower dated November 30, 2012, as may be amended from time to time, ("Loan Agreement"), which sets forth terms and conditions for Borrower's development and operation of an affordable residential rental project ("Project") on that certain real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached as Attachment No. 1 to the Loan Agreement ("Site"). Capitalized terms used herein and not otherwise defined shall have the same meaning as set forth in the Loan Agreement.

(ii) The Regulatory Agreement and Declaration of Covenants and Restrictions between Borrower and City dated on or about the date hereof and recorded against the Site in the Official Records of Orange County, California, as may be amended from time to time ("Regulatory Agreement").

(iii) The Leasehold Deed of Trust ("Leasehold Deed of Trust") that shall be executed by Borrower for the benefit of City securing the City Loan, and recorded in the Official Records of Orange County, California, as more particularly set forth in the Loan Agreement.

(iv) The Memorandum of Affordable Housing and Loan Agreement ("Memorandum") that shall be executed by Borrower and City on or about the date of this Note, and recorded in the Official Records of Orange County, California, and may be amended from time to time, and as more particularly set forth in the Loan Agreement.

1. Loan Amount. The principal amount of the City's loan to Borrower is Ninety-Three Thousand Forty-Three Dollars ($93,043.00) ("City Loan"), which shall accrue simple interest at the rate of 1% per annum commencing on the date of this Note. The City Loan shall be disbursed to Borrower in accordance with the Loan Agreement when costs are incurred for Eligible Loan Expenses.

2. Term of Note; Repayment of Loan Amount. Except as provided below, the entire City Loan and accrued interest shall be due and payable in a single lump-sum payment on

the date that is fifty-five (55) years after all units in the Project have received all required occupancy permits from the City, but in no event later than the date that is sixty (60) days prior to the expiration of the term of the Ground Lease. There shall be no penalty to Borrower for any prepayment of the City Loan. Commencing upon the date that the loans provided by the County of Orange and CalHFA are paid in full, Borrower shall make annual payments to City in an amount equal to 1.5511% (*i.e.*, the pro rata amount of ten percent (10%) between the City HOME Loan and the City CDBG Loan) of Project Cash Flow for the preceding calendar year. If the City Loan has not been paid in full as of the date the loans to be obtained by Borrower from the Land Trust in the aggregate amount of $1,600,000 is paid in full, the percentage of Project Cash Flow payable to City shall increase from 1.5511% to 3.87775% (*i.e.*, the pro rata amount of twenty-five percent (25%) between the City HOME Loan and the City CDBG Loan).

3. Records. For the purposes of ascertaining the amount of Project Cash Flow, Borrower shall prepare and keep or cause to be prepared and kept on the Site or at Borrower's principal place of business if located in Orange County, California (or at such other location approved by City, which approval shall not be unreasonably withheld) for a period of not less than twenty-four (24) months following the end of each calendar year, adequate records for the computation of Gross Income and Operating Expenses.

4. Reports. Borrower shall submit to City on or before the date that is seven (7) months following the end of each calendar year, together with the remittance of the payment due, if any, a written audit report prepared and certified by an independent professional accountant of Borrower's choosing, and acknowledged and signed by Borrower (or if Borrower is a corporation or a partnership, by a duly authorized corporate officer or general partner of Borrower) to be true and correct, showing in reasonable, accurate detail the amount of Project Cash Flow for the immediately preceding calendar year. The reports and certificates referred to herein shall be in such form and style and contain such details and breakdown as City may deem reasonably acceptable. The acceptance by City of payments shall be without prejudice to City's right to an examination of the books and records of Borrower in order to verify the amount of Project Cash Flow. If Borrower fails to prepare and deliver promptly any required audit report, City shall have the right, at Borrower's expense, to make an audit of all books and records of Borrower, including its respective bank accounts, which in any way pertain to or show Project Cash Flow, and to prepare the report or reports which Borrower has failed to prepare and deliver. Borrower shall give City access to such books and records at all reasonable times for purposes of preparing any such report.

5. Audit. From time to time and at any time, City or City's representative may examine any records required to be maintained under Section 3 during regular business hours upon not less than seventy-two (72) hours written notice for the purpose of investigating and verifying the accuracy of any statement of Project Cash Flow. City may from time to time and at any time, upon reasonable notice, cause an audit of Borrower's books and records to be made by a person or persons of City's selection and, if any statements of Project Cash Flow made to City shall be found to be inaccurate, one party shall pay to the other on demand such sums as may be necessary to settle in full the actual payment that should have been paid to City for the calendar years covered by such inaccurate statement or statements. If said audit shall disclose an inaccuracy which resulted in an underpayment to City greater than five percent (5%) for the applicable period, then Borrower shall immediately pay to City the cost of such audit; otherwise, the cost of such audit shall be paid by City.

6. **Default**. Borrower shall be deemed in default of this Note in the event (i) Borrower fails to timely make a required payment within ten (10) days following the due date of any payment due hereunder, or (ii) Borrower is in default of any of the other terms of this Note and such default is not cured within thirty (30) days after Borrower's receipt of written notice from City specifying the event constituting the default or, for defaults that cannot be cured within such thirty (30) day period, the cure of such default is not commenced within thirty (30) days after Borrower's receipt of the written notice of default from City and thereafter diligently prosecuted to completion within an additional sixty (60) days following the conclusion of such thirty (30) days period (for a total of ninety (90) days), or (iii) Borrower is in default of the Loan Agreement, the Leasehold Deed of Trust, or the Regulatory Agreement, and fails to timely cure such default under the terms of the applicable agreement, it being understood and agreed by Borrower that a default of any of the foregoing agreements (beyond any applicable cure period) shall be a default of this Note. In the event Borrower is in default under this Note (and after expiration of the cure periods described in the preceding sentence), City may declare the City Loan immediately due and payable.

In addition to Borrower's cure rights, Irvine Company(or its entity formed and existing as the equity investor receiving the tax credits), for so long as such entity is a limited partner investor in Borrower,, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Note and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Note; provided however, if the non-monetary default is incapable of being cured within thirty (30) days, Irvine Company shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. City shall accept any cure made by Irvine Company as if made by Borrower.

7. **Additional Terms; Place of Payment, Etc**.

(i) Payment of the City Loan shall be in satisfaction of the annual or final payment due from Borrower in accordance with the terms of this Note, and shall be made in lawful money of the United States to City at the address set forth below in this Note or at such other address as City or the holder of this Note may direct pursuant to written notice delivered to Borrower.

(ii) If Borrower fails to timely make a required payment within ten (10) days following the due date of such payment, interest at the rate of ten percent (10%) per annum or the maximum legal rate then applicable, whichever is less, shall accrue on the outstanding amount due commencing from the date payment was due.

(iii) Borrower agrees to pay the following costs, expenses, and reasonable attorney's fees paid or incurred by City, or adjudged by the court, in the collection of amounts in default or other costs incurred as a result of a default by Borrower: (i) reasonable costs of collection, including costs and expenses and attorney's fees paid or incurred in connection with the collection or enforcement of this Note, whether or not suit is filed, and (ii) costs of suit and such sums as the court may adjudge as reasonable attorney's fees in any action to enforce payment of this Note or any part of it if City prevails in such suit.

8. Assignment. This Note shall not be assignable or assumable without the prior, express, written consent of City which may be given or withheld in City's sole and absolute discretion.

9. Waiver of Presentment. Notwithstanding any other provision herein to the contrary, to the extent permitted by law Borrower hereby waives the following: (i) notice of default or delinquency except defaults or delinquencies of which City has actual notice, (ii) notice of acceleration, (iii) notice of nonpayment, (iv) notice of costs, expenses and losses and interest thereon, (v) notice of interest on interest and late charges, (vi) diligence in taking any action to collect any sums owing under this Note or in proceeding against any of the rights and presentment for payment, demand, protest, and notices of dishonor and/or protest; (vii) the benefits of all waivable exemptions; and (viii) all defenses and pleas on the grounds of any extension or extensions of the time of payment or of any due date under this Note, in whole or in part, whether before or after maturity and with or without notice.

10. Acceleration Upon Sale, Lease, Encumbrance, or Refinance. To the extent permitted by applicable law, if: (a) Borrower shall directly or indirectly, voluntarily or involuntarily, or by operation of law or otherwise, including transfers by devise, foreclosure (or deed in lieu of foreclosure) on another deed of trust other than the City's Leasehold Deed of Trust, sell, assign, transfer, dispose of, alienate, encumber, lease, or agree to sell, assign, transfer, dispose of, alienate, encumber, or lease all or any portion of the interest in the property encumbered by the Leasehold Deed of Trust (excluding the lease of the units on the Site in accordance with the Loan Agreement and Regulatory Agreement, the lien of the Permitted Encumbrances, a transfer that is permitted under the Loan Agreement or the Regulatory Agreement without City approval provided an assignment and assumption agreement in a form approved by City is executed, and any other assignment, transfer, or encumbrance approved in writing by City's Contract Officer); (b) Borrower shall refinance any lien or encumbrance on terms not reasonably approved by City or, unless otherwise approved in writing by City's Contract Officer, for a loan amount which when combined with all of the other security financing encumbering the Site exceeds: (i) prior to the completion of construction of the Project, ninety percent (90%) of the appraised as-completed value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, and (ii) after the completion of construction of the Project, ninety percent (90%) of the appraised value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, with said values evidenced by an appraisal or other evidence acceptable to City; (c) Borrower shall refinance any lien or encumbrance and use the proceeds for any purpose other than the construction and operation of the rental project on the Site; (d) any default shall occur under the Loan Documents other than a default of City, or Borrower shall be in default under any documents relating to any other financing that is secured by the Site, and any such default is not cured under the terms of the applicable agreement if there is a cure period; or (e) Borrower's Ground Lease for the Site terminates for any reason, then City, at its option, may declare the entire indebtedness evidenced hereby to be immediately due and payable and collectible then or thereafter as City may elect, regardless of the date of maturity.

11. Collection Costs; Litigation. If this Note is not paid when due, whether at maturity or by acceleration, Borrower promises to pay all costs of collection, including, but not

limited to, reasonable attorneys' fees and all expenses incurred in connection with the protection or realization of the collateral securing the payment hereof or enforcement of any guarantee, incurred by City on account of such collection, whether or not suit is filed hereon. In any litigation between the parties arising out of this Note, the Superior Court of the State of California in and for the County of Orange shall have exclusive jurisdiction. The prevailing party in any litigation between the parties arising out of or connected to this Note, in addition to whatever other relief to which the prevailing party is entitled, shall also be entitled to reasonable attorney's fees, including fees and costs for discovery, and any fees and costs for appeal.

12. No Waiver by City. No waiver of any breach, default, or failure of condition under the terms of this Note or the Leasehold Deed of Trust or the obligations secured thereby shall be implied from any failure of City to take, or any delay be implied from any failure by City in taking, action with respect to such breach, default, or failure from any prior waiver of any similar or unrelated breach, default, or failure.

13. Severability; Governing Law; Amendment. The unenforceability or invalidity of any provision or provisions of this Note as to any persons or circumstances shall not render that provision or those provisions unenforceable or invalid as to any other provisions or circumstances, and all provisions hereof, in all other respects, shall remain valid and enforceable. This Note has been executed and delivered by Borrower in the State of California and is to be governed and construed in accordance with the laws thereof without regard to conflict of law principles. Neither this Note nor any term hereof may be waived, amended, discharged, modified, changed, or terminated orally; nor shall any waiver of any provision hereof be effective except by an instrument in writing signed by Borrower and City.

14. Time of the Essence. Time is of the essence in this Note.

15. Notices. Formal notices, demands, and communications between City and Borrower shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, (c) mailing in the United States mail, certified or first class mail, postage prepaid, or (d) delivery by facsimile or electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed to:

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices delivered by facsimile or email shall be deemed effective the next business day, not less than 24 hours, following the date of transmittal and confirmation of delivery to the intended recipient. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

During the term of the Rider to Loan Agreement attached to the Loan Agreement ("Rider"), prior to exercising any remedies under this Note, City shall give the Irvine Company (or its limited partner assignee) a copy of any written notice given to Borrower under the loan documents at the address set forth in the Rider.

16. Nonrecourse Obligation. Borrower shall not have any personal liability under this Note or any of the other Loan Documents to pay the indebtedness evidenced under this Note, and any judgment, decree or order for the payment of money obtained in any action to enforce the obligation of Borrower to pay the City Loan shall be enforceable against Borrower only to the extent of Borrower's interest in the Site. The foregoing shall not apply to the extent Borrower no longer retains in interest in the Site. Nothing contained in this Section 16 shall in any manner or way constitute or be deemed a release of the debt evidenced by the Note or otherwise affect or impair the enforceability against Borrower of the liens, deeds of trust, assignments, rights and security interests created by the Leasehold Deed of Trust or any other instrument or agreement evidencing, securing or related to the indebtedness evidenced by the Note. Nothing in this Section 16 shall: (a) preclude City from foreclosing the lien of the Leasehold Deed of Trust or from enforcing any of its rights or remedies in law or in equity against Borrower or its assets except as stated in this Section 16; (b) impair, in any manner, any right, remedy or recourse City may have against any party executing a guaranty or indemnity or any obligor of a performance or payment bond furnished under the Loan Documents pursuant to such performance or payment bond; (c) impair, in any manner, any right, remedy or recourse City may have against Borrower for fraud, bad faith waste or an intentional or knowing breach of any of the representations and warranties contained in any of the Loan Documents; (d) impair, in any manner, any right, remedy or recourse City may have against Borrower for indemnification under any of the Loan Documents; (e) impair, in any manner, any right, remedy or recourse City

may have against Borrower for Borrower's failure to procure or maintain policies of insurance required by City to the extent of any loss proceeds which would have been generated by an uninsured loss which Borrower was required to insure hereunder; or (f) impair, in any manner, any right, remedy or recourse City may have against Borrower for any prohibited sale, transfer, conveyance or encumbrance in breach of any of the Loan Documents.

IN WITNESS WHEREOF, Borrower has executed this Note as of the date set forth above.

EXHIBIT A TO PROMISSORY NOTE

DEFINITIONS APPLICABLE TO PROMISSORY NOTE

"Acquisition Loan" shall mean a deed of trust or mortgage securing a loan the proceeds of which are to acquire Borrower's interest in the Site following the foreclosure of any first-position Approved Mortgage, provided that (A) the principal amount of the Acquisition Loan is not more than the initial maximum aggregate principal amounts of the first position deed of trust or mortgage loan and the Subordinate Financing (increased annually by the annual increase in the Index), (B) the requirements of the Ground Lease are satisfied and (C) the foreclosure transferee to whom the Acquisition Loan is made or by whom it is assumed is not the Lender who foreclosed the first-position Approved Mortgage or an affiliate of such Lender or the Borrower, or an affiliate of the Borrower.

"Approved Mortgage" shall have the meaning ascribed in Section 15.1 of the Ground Lease.

"Assessments" shall mean any and all special assessments, levies and charges on the Site made by any governmental entity, political subdivision, maintenance district, and any like entity, and homeowner association payments applicable to the Site and payable by Borrower.

"Gross Income" shall mean all amounts received by Borrower from third parties for the use or occupancy of the Project or any portion thereof, and for services provided thereon, whether or not denominated rent, including without limitation, rent, cost reimbursements, parking charges and amounts (less broker's fees, normal closing costs, and amounts paid to Mortgagees in connection with obtaining an Approved Mortgage, such as loan fees) received by, payable to, or payable to the order of Borrower, but excluding security deposits.

"Ground Lease" shall mean the ground lease for the Site between Borrower and Irvine Company.

"Index" shall mean the Consumer Price Index--Urban Consumers (Los Angeles-Anaheim-Riverside CA, area; Base 1982-8 = 100), as published by the United States Department of Labor, Bureau of Labor Statistics or any successor index or agency reasonably acceptable to the parties.

"Irvine Company" shall mean Irvine Company, LLC, a Delaware limited liability company, the fee owner of the Site.

"Lender" shall mean an institutional lender, which shall include a state or nationally chartered bank or savings and loan association, pension fund, real estate investment trust, insurance company or international trading company with assets in excess of $200,000,000, or a mortgage banking company with assets in excess of $100,000,000, or any of the following lenders:

U.S. Department of Housing and Urban Development (including Federal Housing Administration)
Government National Mortgage Association
Washington Mutual
Union Bank of California, N.A.

"Mortgagee" shall mean any Lender that has made a loan to Borrower and who holds a lien upon any portion of the Site as security for such loan.

"Operating Expenses" shall mean, subject to the limitations set forth below, all expenses paid by Borrower in connection with the Project, whether ordinary or extraordinary, except expenses reimbursed by insurance, to the extent so reimbursed, and federal and state taxes on net income. The term Operating Expenses shall include, without limitation, (I) all insurance premiums, including, without limitation, premiums for fire, extended coverage, earthquake and flood insurance, liability insurance, boiler and machinery insurance and business interruption and loss of rents insurance and any other insurance required by any Mortgagee or any limited partner of Borrower; (II) all Taxes and Assessments; (III) all costs and expenses of ownership, operation, management, maintenance and repair of the Project (including walkways, parking areas and landscaped areas), including, but not limited to, the following costs by way of illustration: (i) utility expenses (including heating, ventilating, and air conditioning); (ii) labor costs, costs of materials, and contractors' fees incurred in the management, maintenance, repair and/or operation of the Project; (iii) maintenance, repair and component replacement of mechanical, plumbing, heating and air conditioning systems and elevators (whether considered an operating or capitalized expense); (iv) property management fees not to exceed $480.00 per unit per year (which limit increases by 3% per year); (v) accounting; (vi) janitorial; (vii) security; (viii) supplies; (ix) materials and equipment; and (x) waste disposal; (IV) debt service on (A) indebtedness secured by a first position mortgage or deed of trust (other than the indebtedness payable from Project Cash Flow) in accordance with the original loan documents consented to by City evidencing such indebtedness or any refinancing of such indebtedness consented to by City and by Irvine Company pursuant to the Ground Lease and any other party with approval rights (if such first position mortgage or deed of trust loan is exonerated or satisfied as a result of a foreclosure proceeding, deed in lieu, or any like transaction, then an amount equal to what the debt service would have been on such loan shall be included in the computation of Operating Expenses to the extent such financing is not replaced by an Acquisition Loan (B) any Acquisition Loan, subject to the limitations in the Ground Lease, and (C) any loan consented to by City and Irvine Company and any other party with approval rights to the extent the proceeds are used to restore, repair (and, if necessary, reconfigure) the improvements on the Site to the

extent the proceeds of Borrower's portion of an award from a partial taking are insufficient or unavailable for such work provided City and Irvine Company and any other party with approval rights have approved the amount and terms of such loan in the exercise of their reasonable discretion; and (d) any deed of trust or mortgage securing a loan the proceeds of which are used to repair, restore, maintain, improve or alter the improvements on the Site, if (i) such maintenance, repair, improvement or alterations is required or permitted by the terms of the Ground Lease and (ii) Irvine Company and City (and any other party with approval rights) have approved the amount and terms of such loan in the exercise of their reasonable discretion; (V) payments into operating and replacement reserves otherwise required by a mortgagee or limited partner in Borrower and approved as an Operating Expense by City and Irvine Company in their reasonable discretion; (VI) any partnership management fee paid to a general partner in Borrower not to exceed $10,000 per calendar year (which limit increases annually by two and one-half percent (2.5%)) and any asset management fee paid to a limited partner in Borrower not to exceed $5,000 per calendar year (which limit increases annually by two and one-half percent (2.5%)); (VII) a social services fee payable to the general partner of Borrower (or an affiliate of the general partner of Borrower) in the amount of $610.00 per unit per calendar year (which limit increases annually commencing the second calendar year by two and one-half percent (2.5%)); (VIII) payments of a developer fee not to exceed Six Hundred Thousand Dollars ($600,000.00) in the aggregate, to the extent such developer fee is not paid from capital contributions to Borrower or from financing proceeds; and (IX) the repayment of operating deficit loans made either by the general partner of Borrower or Jamboree Housing Corporation pursuant to that certain Operating Deficit Agreement by and between Jamboree Housing Corporation and Irvine Company dated of or about even date of this Note, to the extent that (i) such loans do not accrue any interest, (ii) are used to pay expenses for items described in subsections (I), (II), or (III) above, and (iii) such loan amounts do not exceed the positive difference, if any, between Operating Expenses during the calendar year in which the loan was made minus Gross Income during the calendar year in which the loan was made; and (X) the minimum rent payable under the Ground Lease.

Notwithstanding anything to the contrary in the foregoing, Operating Expenses shall not exceed the reasonable cost thereof as measured by fees paid to third parties rendering similar services, Operating Expenses shall not include any items paid from any of the reserves described in subsection (V) above, or the proceeds of any partner loans described in subsection (IV) above, and Operating Expenses shall not include debt service on the indebtedness evidenced by the Subordinate Financing. Legal and accounting fees shall only be included in Operating Expenses to the extent directly related to the operation, maintenance, improvement or leasing of the Project, drafting and negotiating leases and construction contracts, calculating tenant reimbursements, prosecuting unlawful detainer actions, preparation of tax returns, accounting reports and audits, reports and studies required by any Mortgagee or any governmental agency, appeals in respect of taxes, assessments, or income and franchise taxes, and the like; provided, however, that costs associated with appeals of real property taxes and assessments shall be included in Operating Expenses only if City and Irvine Company and any other party with approval rights have approved Borrower's undertaking the applicable appeal in writing in advance (such approval not to unreasonably withheld, conditioned or delayed).

"Project Cash Flow" shall mean, with respect to any calendar year, the amount of Gross Income for such calendar year reduced by the Operating Expenses for such calendar year, determined on a basis consistent with prior periods in accordance with the cash method of

accounting, and otherwise in accordance with generally accepted business and accounting principles; provided, however that for purposes of calculating Project's Cash Flow, the term "Operating Expenses" may not include the amount of any Taxes for which Borrower (or any successor under the Ground Lease) is or was entitled to an exemption under Sections 214(g) or 236 of the California Revenue and Taxation Code, and such exemption was not obtained due to a failure on the part of said Borrower or successor to use commercially reasonable efforts to obtain the exemption.

"Subordinate Financing" shall have the meaning ascribed in the Ground Lease.

"Taxes" shall mean real and personal property taxes, fees, assessments and charges, water and sewer rates and charges, and other similar governmental charges and impositions, whether general or special, ordinary or extraordinary, which may be levied, assessed, charged or imposed, or may become a lien or charge upon the Site or any part or parts thereof, or upon Borrower's leasehold interest in the Site, Borrower's ownership rights in the improvements and fixtures on the Site, and Borrower's rights pursuant to the Ground Lease (and excluding any and all limited partnership interests in Borrower), or upon Irvine Company's fee simple ownership of the Site, Irvine Company's rights pursuant to the Ground Lease, and Irvine Company's reversionary rights in and to the Site upon termination or expiration of the Ground Lease.

LEASEHOLD DEED OF TRUST WITH ASSIGNMENT OF RENTS
(CDBG Loan)

This LEASEHOLD DEED OF TRUST WITH ASSIGNMENT OF RENTS ("Leasehold Deed of Trust") is made this 3rd day of December, 2012, among STONEGATE HOUSING PARTNERS II, L.P., a California limited partnership ("Trustor"), whose address is 17701 Cowan Avenue, Suite 200, Irvine, CA 92614, CHICAGO TITLE INSURANCE COMPANY, a California corporation ("Trustee"), and the CITY OF IRVINE, a California municipal corporation ("Beneficiary").

1. Grant In Trust. For the purposes and upon the terms and conditions in this Leasehold Deed of Trust, Trustor grants, transfers, and assigns to Trustee, in trust, with power of sale and right of entry and possession, the following property and any interest therein (collectively, the "Trust Estate"): (a) Trustor's leasehold interest in and to that certain real property in the City of Irvine, County of Orange, State of California, described as set forth in Exhibit "A" attached hereto and incorporated herein by reference, as provided by that certain Ground Lease dated of or about even date as this Leasehold Deed of Trust ("Ground Lease"), by and between Trustor and the fee owner of the property ("Real Property"); (b) all buildings and other improvements and structures now or hereafter located on the Real Property (collectively, the "Improvements" and together with the Real Property shall sometimes be referred to as the "Site"); (c) all existing and future leases, subleases, subtenancies, licenses, agreements and concessions relating to the use, occupancy or enjoyment of all or any part of the Site, together with any and all guaranties and other agreements relating to or made in connection with any of the foregoing (individually, a "Lease", and collectively, the "Leases"); and (d) all rents, issues, income, revenues, royalties, profits, proceeds and earnings now or hereafter payable with respect to or otherwise derived from the ownership, use, management, operation, leasing or occupancy of the Site, including, without limitation, cash or security deposited under any of the leases to secure the performance by the lessees of their obligations thereunder (collectively, the "Rents").

2. Obligations Secured. Trustor makes this grant and assignment for the purpose of securing the following: (a) payment of the sum of Ninety-Three Thousand Forty-Three Dollars ($93,042.00), according to the terms of a promissory note dated on or about the date hereof made

by Trustor, payable to order of Beneficiary, and extensions, modifications or renewals thereof ("City Note"); (b) Trustor's performance of the obligations and all amounts that become due under this Leasehold Deed of Trust; and (c) payment of additional sums and interest thereon which may hereafter be loaned to Trustor, or its successors or assigns, when evidenced by a promissory note or notes reciting that they are secured by this Leasehold Deed of Trust. This Leasehold Deed of Trust, the City Note, the Affordable Housing and Loan Agreement (CDBG Funds) between Trustor and Beneficiary dated November 30, 2012 ("Loan Agreement"), and the Regulatory Agreement and Declaration of Covenants and Restrictions between Trustor and Beneficiary recorded against Developer's leasehold interest in the Site on or about the date hereof, in the Official Records of Orange County, California ("Regulatory Agreement"), as such agreements may be amended from time to time, are collectively referred to herein as the "Loan Documents." Any capitalized terms contained in this Leasehold Deed of Trust which are not defined herein shall have the meaning given in the Loan Agreement, unless expressly provided to the contrary.

3. Acceleration of Loan Upon Sale, Encumbrance, Refinance, or Default. To the extent permitted by applicable law, if: (a) Trustor shall directly or indirectly, voluntarily or involuntarily, or by operation of law or otherwise, including transfers by devise, foreclosure (or deed in lieu of foreclosure) on another deed of trust other than this Leasehold Deed of Trust, sell, assign, transfer, dispose of, alienate, encumber, lease, or agree to sell, assign, transfer, dispose of, alienate, encumber, or lease all or any portion of the Trust Estate (excluding the lease of the units on the Site in accordance with the Loan Agreement and Regulatory Agreement, the lien of the Permitted Encumbrances, a transfer that is permitted under the Loan Agreement or the Regulatory Agreement without Beneficiary approval provided an assignment and assumption agreement in a form approved by Beneficiary is executed, and any other assignment, transfer, or encumbrance approved in writing by Beneficiary's Contract Officer); (b) Trustor shall refinance any lien or encumbrance on terms not reasonably approved by Beneficiary or, unless otherwise approved in writing by Beneficiary's Contract Officer, for a loan amount which when combined with all of the other security financing encumbering the Site exceeds: (i) prior to the completion of construction of the Project, ninety percent (90%) of the appraised as-completed value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, and (ii) after the completion of construction of the Project, ninety percent (90%) of the appraised value of the Site plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, with said values evidenced by an appraisal or other evidence acceptable to Beneficiary; (c) Trustor shall refinance any lien or encumbrance and use the proceeds for any purpose other than the construction and operation of the rental project on the Site; (d) any default shall occur under the Loan Documents other than a default of Beneficiary, or Trustor shall be in default under any documents relating to any other financing that is secured by the Site, and any such default is not cured under the terms of the applicable agreement if there is a cure period; or (e) if Trustor's Ground Lease for the Site terminates for any reason, then Beneficiary, at its option, may declare the entire indebtedness evidenced hereby to be immediately due and payable and collectible then or thereafter as Beneficiary may elect, regardless of the date of maturity.

AN EVENT OF ACCELERATION OR PAYMENT UNDER THE CITY NOTE, WHETHER VOLUNTARY OR DUE TO AN EVENT OF ACCELERATION, SHALL NOT TERMINATE THE REGULATORY AGREEMENT.

4. Assignment of Rents and Performance of Leases.

4.1 Assignment of Rents and Leases. Subject to the rights of each mortgagee or beneficiary of any mortgage, deed of trust, or other security instrument authorized to have priority over this Leasehold Deed of Trust, Trustor hereby irrevocably, absolutely and unconditionally assigns and transfers to Beneficiary all of Trustor's right, title and interest in and to the Leases and the Rents; provided, however, that so long as no default has occurred and is continuing, Trustor shall have the right under a license granted hereby to collect and receive all Rents as trustee for the benefit of Beneficiary and to apply the amounts so collected first to the payment of costs and expenses associated with the ownership, maintenance, operation and leasing of the Site, including, principal, interest and all other amounts required to be paid under the Loan Documents, before using or applying such Rents for any other purpose. No Rents or such other income shall be distributed or paid to Trustor, unless such costs and expenses which are then due have been paid in full. Thereafter, so long as no Event of Default has occurred and is continuing, the balance may be distributed to Trustor. If an Event of Default has occurred and is continuing, Trustor's right to collect and receive the Rents under the license granted hereby shall cease and the license shall be revoked automatically, and Beneficiary shall have the sole right, with or without taking possession of the Site, to collect all Rents; provided, however, if such Event of Default is cured, then such license shall be automatically reinstated. This is an absolute assignment and not an assignment for security only. For purposes of this Section 4.1, the term "Event of Default" shall mean (a) the failure of Trustor to timely pay, within ten (10) days of its due date, any payment due under the City Note, or (b) the failure of Trustor to promptly and completely observe or perform any term, condition, covenant, agreement or obligation contained in any of the Loan Documents or any other instrument or agreement secured hereby, and the continuation of such failure following the expiration of any applicable notice, cure or grace period, if any, provided for therein or herein; provided, however, that in the event no cure or grace period is otherwise provided for herein or therein, such failure shall not be an Event of Default hereunder if Trustor observes or performs such term, condition, covenant, agreement or obligation within thirty (30) days of receipt of written notice from Beneficiary of Trustor's failure to observe or perform any such term, condition, covenant, agreement or obligation or, if not reasonably susceptible of cure within thirty (30) days, then provided the cure is commenced in thirty (30) days and diligently and continuously prosecuted to completion within an additional sixty (60) days following the conclusion of such thirty (30) days period (for a total of ninety (90) days).

4.2 Covenants Regarding Leases. Trustor shall not, without the prior written consent of Beneficiary, (a) collect any rent from any lessee for a period of more than one (1) month in advance, or (b) except as may be expressly permitted under the Loan Agreement, execute any further assignment of any of its right, title and interest in the Leases and the Rents. Trustor shall (a) observe, perform and discharge each and every obligation, term, covenant, condition and agreement of Trustor under the Leases in all material respects, (b) enforce the performance of each and every obligation, term, covenant, condition and agreement in the Leases to be performed by any lessee or guarantor thereof in all material respects, (c) use good faith commercially reasonable efforts to keep the Site leased at a good and sufficient rental and on such other terms and conditions as are reasonably acceptable to Beneficiary, (d) execute and deliver to Beneficiary upon demand, at any time and from time to time, any and all assignments and other instruments which Beneficiary may deem reasonably advisable to carry out the true purposes and intent of the assignment set forth in Section 4.1 above, and (e) at the written

request of Beneficiary, cause any or all tenants under a lease or sublease to execute a subordination, nondisturbance and attornment agreement and estoppel certificate in form and substance reasonably satisfactory to Beneficiary.

5. Default. Trustor shall be deemed in default of this Leasehold Deed of Trust in the event Trustor fails to perform any obligation hereunder and such default is not cured within thirty (30) days after Trustor's receipt of written notice from Beneficiary specifying the event constituting the default or, for defaults that cannot be cured within such thirty (30) day period, the cure of such default is not commenced within thirty (30) days after Trustor's receipt of the notice of default and thereafter diligently prosecuted to completion within an additional sixty (60) days following the conclusion of such thirty (30) days period (for a total of ninety (90) days).

In addition to Trustor's cure rights, the Irvine Company, a Delaware limited liability company (or its entity formed and existing as the equity investor receiving the tax credits), ("Irvine Company"), for so long as such entity is a limited partner investor in Trustor, shall have ten (10) days after receipt of a default notice from Beneficiary to cure a monetary default secured by this Leasehold Deed of Trust and thirty (30) days after receipt of a default notice to cure any non-monetary default of this Leasehold Deed of Trust; provided however, if the non-monetary default is incapable of being cured within thirty (30) days, Irvine Company shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. Beneficiary shall accept any cure made by Irvine Company as if made by Trustor.

During the term of the Rider to Loan Agreement attached to the Loan Agreement ("Rider"), prior to exercising any remedies under this Leasehold Deed of Trust, Beneficiary shall give the Irvine Company (or its limited partner assignee) a copy of any written notice given to Trustor under the loan documents at the address set forth in the Rider.

6. Actions Affecting Property. Trustor shall give Beneficiary and Trustee prompt written notice of the assertion of any claim with respect to, or the filing of any action or proceeding purporting to affect the Site, the security hereof or the rights or powers of Beneficiary or Trustee. Trustor shall appear in and contest any such action or proceeding and shall pay all costs and expenses, including cost of evidence of title and attorney's fees, in any such action or proceeding.

7. Beneficiary Expenditures. If any action or proceeding is commenced that would materially affect Beneficiary's interest in the Site or if Trustor fails to comply with any provision of this Leasehold Deed of Trust or any Loan Documents, including but not limited to Trustor's failure to discharge or pay when due any amounts Trustor is required to discharge or pay under this Leasehold Deed of Trust or the Loan Documents, Beneficiary on Trustor's behalf may (but shall not be obligated to) take any action that Beneficiary deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Site and paying all costs for insuring, maintaining and preserving the Site. All such expenses will become a part of the indebtedness secured by this Leasehold Deed of Trust and, at Beneficiary's option, will (i) be payable upon demand, (ii) be added to the balance of the City Note and be payable on the same terms as the original amount provided thereunder, or (iii) be treated as a balloon payment which will be due and payable upon the maturity date of the City Note. This Leasehold Deed of Trust shall secure payment of these

amounts. Such right shall be in addition to all other rights and remedies to which Beneficiary may be entitled upon a default. Notwithstanding the foregoing, Trustor shall have the right to contest in good faith and with reasonable diligence the amount or validity of any lien or claim of lien so long as Trustor shall provide Beneficiary, at Trustor's sole cost and expense, with such bond or other security as Beneficiary may reasonably require to insure payment thereof and prevent any sale, foreclosure or forfeiture of all or any part of the Site.

8. **Nonrecourse Obligation**. The repayment of the City Loan and any other indebtedness secured by this Leasehold Deed of Trust shall be nonrecourse to Borrower, on the terms, and subject to the conditions, set forth in paragraph 16 of the City Note.

7. **Repair of Damage.** Notwithstanding anything herein to the contrary, Beneficiary shall permit insurance and condemnation proceeds to be used to rebuild the Project provided that (i) sufficient funds are provided from other sources to effectively rebuild the Project to a lawfully authorized multifamily housing complex, and (ii) subject to the rights of senior lenders, Beneficiary shall hold all such proceeds and disburse them based on the progress of construction, subject to such additional reasonable conditions as Beneficiary may impose.

8. **Incorporation of Fictitious Leasehold Deed of Trust**. To protect the security of this Leasehold Deed of Trust, and with respect to the Site above described, Trustor expressly makes each and all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth in subdivision A, and it is mutually agreed that each and all of the terms and provisions set forth in subdivision B, of the fictitious deed of trust recorded in the Orange County Recorder's Office on August 17, 1964, and in all other counties on August 18, 1964, in the book and at the page of Official Records in the office of the county recorder of the county where said property is located, noted below opposite the name of such county, namely:

DO NOT RECORD

The following is a copy of Subdivisions A and B of the fictitious Deed of Trust recorded in each county in California as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

A. To protect the security of this Deed of Trust, Trustor agrees:

1) To keep said property in good condition and repair, not to remove or demolish any building thereon; to complete or restore promptly and in a good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor, to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at the option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

4) To pay: at least ten (10) days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary of Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may make or do the same is such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from the date of expenditure at the amount allowed by law in effect at the date hereof, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. It is mutually agreed:

1) That any award in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

3) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon, or join in any extension agreement or any agreement subordinating the lien or charge hereof

4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The Grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in the performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or be a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collecting of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6) That upon default by Trustor in payment of any indebtedness secured hereby or in the performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any

portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

8) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

"Partnership Agreement" shall mean the Limited Partnership Agreement of Stonegate Housing Partners, LP.

"Program" shall mean the affordable rental housing program to be operated on the Site and all obligations and activities that constitute the Program Activities.

"Program Activities" shall mean the tasks, activities, and operations set forth in this Agreement, all activities assisted with the City Loan, and all other obligations under this Agreement that Declarant is required to perform.

"Program Default" shall have the meaning ascribed in Section 6.4 of this Agreement.

"Project" shall mean the acquisition of the leasehold interest in the Site, the grading of the Site and the development on the Site of a 74-unit apartment project with landscaping, driveways, and related improvements, and all other on-site and off-site improvements required for development, with all improvements to be consistent with the development and building plans and permits approved by City. In the event of any inconsistency between the description of the Project in this Agreement and the approved plans and permits, the approved plans and permits shall govern.

"Property Manager" shall have the meaning ascribed in Section 9.1 of this Agreement.

"Property Management Plan" shall have the meaning ascribed in Section 9.3 of this Agreement.

"Residential Unit(s)" shall mean the seventy-four (74) residential units to be developed on the Site.

"Site" shall mean that certain real property located in the City of Irvine, more particularly described in the legal description attached hereto as Exhibit "A" and incorporated herein by this reference

In addition to the terms defined above, the following additional terms shall have the meanings given below for purposes of this Agreement unless expressly provided to the contrary:

"Affordable Rent" shall mean annual rent that does not exceed the maximum percentage of income that can be devoted to rent (including a reasonable utility allowance) by Eligible Tenants under Health & Safety Code Section 50053 (or any successor statute thereto) and the implementing regulations in Title 25 of the California Code of Regulations for the Set-Aside 30% and Set-Aside 45% Residential Units, and Section Section 42(g)(2)(A) of the United States Internal Revenue Code for the Non-Set-Aside 60% Residential Units, which are and shall be for the duration of the Affordability Term as follows:

(a) The Affordable Rent for the Residential Units designated as the Set-Aside 30% Residential Units (as defined in the "Unit Mix" below) shall be 30% times 30% of the Median Income adjusted for family size appropriate to the Residential Unit.

(b) The Affordable Rent for the Residential Units designated as the Set-Aside 45% Residential Units (as defined in the "Unit Mix" below) shall be 30% times 45% of Median Income adjusted for family size appropriate for the Residential Unit.

(c) The Affordable Rent for the Residential Units designated as the Non-Set-Aside 60% Residential Units (as defined in the "Unit Mix" below) shall be the maximum rent for a unit occupied by a low income unit (60% unit) as determined pursuant to Section 42(g)(2)(A) of the United States Internal Revenue Code.

As used herein, "adjusted for family size appropriate to the Residential Unit" shall mean a household of 2 persons in the case of a one-bedroom unit, a household of 3 persons in the case of a two-bedroom unit, and a household of 4.5 persons in the case of a three-bedroom unit.

"Median Income" shall mean the Orange County area median income, as periodically published by the State of California Department of Housing and Community Development in Section 6932 of Title 25 of the California Code of Regulations, or successor regulation. Upon request by Declarant, Land Trust shall provide to Declarant the amount of the Median Income.

"Unit Mix" shall mean the household income levels permitted for each Residential Unit as follows:

(i) Eight (8) one-bedroom units, nine (9) two-bedroom units, and five (5) three-bedroom units for a total of twenty-two (22) Residential Units, shall be occupied by households earning 30% or less of the Median Income, adjusted for family size (collectively, the "Set-Aside 30% Residential Units").

(ii) Five (5) one-bedroom units, seventeen (17) two-bedroom units, and eleven (11) three-bedroom units for a total of thirty-three (33) Residential Units, shall be occupied by households earning 45% or less of the Median Income, adjusted for family size (collectively, the "Set-Aside 45% Residential Units").

(iii) Two (2) one-bedroom units, ten (10) two-bedroom units, and six (6) three-bedroom units for a total of eighteen (18) Residential Units, shall be occupied by households earning 60% or less of the Median Income, adjusted for family size (collectively, the "Non-Set-Aside 60% Residential Units").

This Unit Mix shall be interpreted as the City's affordability requirements for the Residential Units. Nothing in this Unit Mix or Agreement shall be deemed to preclude Declarant from reserving more Residential Units to very low income households earning 50% or less of the Medium Income, adjusted for family size, if Declarant otherwise agrees to do so either unilaterally or with a third party, so long as any other agreement does not otherwise conflict with the terms and conditions of this Agreement or provisions of applicable federal, state, and local law.

2. Development of the Project. Declarant shall commence and complete development of the Project on the Site within the times and subject to the terms and conditions set forth in the Loan Agreement.

3. Term. The covenants set forth in this Agreement shall commence on the Regulatory Agreement Effective Date and shall remain in effect until the later of (a) the date that is twenty (20) years following the date that all Residential Units in the Project have received all required occupancy permits from the City, or (b) the date the City Loan and all amounts due under the Loan Agreement, City Note and Leasehold Deed have been paid in full ("**Affordability Term**").

4. Use; Affordability Covenants. Declarant hereby covenants and agrees that the Site shall be managed and operated in accordance with the provisions set forth in this Section 4.

4.1 General. Declarant shall devote the Site for use as an affordable residential rental complex with the Residential Units to be rented to and occupied or held available for occupancy only by Eligible Tenants at Affordable Rent in compliance with the Unit Mix. Declarant shall not permit the Residential Units to be utilized on a transient basis, or as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, trailer court or park, day care facilities, or non-residential uses.

4.2. Occupancy by Eligible Tenants. The lease for each Residential Unit shall provide that it is to be used as the principal residence of the Residential Unit's Eligible Tenant and for no other purpose. The lease shall further provide that an Eligible Tenant shall not lease or sublease its Residential Unit or its right of occupancy. Declarant shall institute a program to ensure that the Residential Units remain occupied by the Eligible Tenants.

4.3 Occupancy Limits. The number of persons permitted to occupy each Residential Unit shall not exceed the occupancy permitted pursuant to the general requirements of the United States Department of Housing and Urban Development, which as of the date of this Agreement is two persons per bedroom, plus one person (e.g., for a two bedroom unit the maximum number of persons residing in the unit can be five persons). The lease for each Residential Unit shall include a provision limiting the number of persons permitted to occupy each Residential Unit in accordance with the preceding sentence and Declarant shall enforce such occupancy restrictions.

4.4 Determination of Eligible Tenant Status. Immediately prior to an Eligible Tenant's occupancy of a HOME Unit, Declarant shall obtain an Income Computation and Certification Form in a form approved by City (which may be the form used in connection with the regulatory agreement for low income housing tax credits, or other form approved by the Contract Officer) from each such Eligible Tenant dated immediately prior to the date of initial occupancy of the HOME Unit by such Eligible Tenant. In addition, Declarant shall provide such further information as may be reasonably required by City for purposes of verifying a tenant's status as an Eligible Tenant, provided the same is reasonably available to Declarant without unreasonable expense in connection with obtaining the same. Declarant shall use good faith efforts to verify that the income provided by an applicant is accurate by taking the following steps as a part of the verification process: (a) obtain three (3) pay stubs for the most recent pay periods; (b) obtain a written verification of income and employment from the applicant's current employer; (c) obtain an income verification form from the Social Security Administration, California Department of Social Services, and/or California Employment Development Department if the applicant receives assistance from any of said agencies; (d) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other evidence and/or verification of such applicant's total income received during the calendar year from any source, taxable or nontaxable; and (e) such other information as may be requested by the City to verify an applicant's income. Declarant shall maintain in its records each Income Computation and Certification Form obtained pursuant to this Section and Section 4.5 for a minimum period of five (5) years.

4.5 Recertification. Within sixty (60) days prior to the first anniversary date of the occupancy of a Residential Unit by an Eligible Tenant, and on each anniversary date thereafter, or if preferred by Declarant and approved in writing by City, within sixty (60) days prior to January 1 of each year, Declarant shall recertify the income of such Eligible Tenant by obtaining a completed Income Computation and Certification Form based upon the current income of each occupant of the Residential Unit. In the event the recertification demonstrates that such household's income exceeds one hundred forty percent (140%) of the income at which such household originally qualified, such household will no longer qualify as an Eligible Tenant at that original income level. If the occupant's income falls within one of the other income categories of Eligible Tenants, the rent shall be increased to the Affordable Rent applicable to the new income category, provided a Residential Unit reserved for the new income category exists and is permitted pursuant to Declarant's agreement with any third party as may be in effect as described in the definition of "Unit Mix" set forth in Section 1 of this Agreement. To the extent permitted by applicable law, including the requirements of Section 42 of the United States Internal Revenue Code, if the income exceeds the income permitted for Eligible Tenant status, the occupants' lease shall not be renewed and said occupants shall be required to vacate the unit within one hundred eighty (180) days after the recertification. Otherwise, the next available

Residential Unit will be leased to an Eligible Tenant at an income level that will cause the Project to be in compliance with the Unit Mix as quickly as possible.

4.6 Leasing Residential Units. The Residential Units shall be available for rental on a continuous basis and Declarant shall not give preference to any particular class or group in renting Residential Units, except to the extent that the Residential Units are required to be rented to Eligible Tenants and except as provided in the next sentence. Declarant shall maintain a list of persons who have applied for a Residential Unit and, subject to the priority to be given to displaced persons as set forth above, should multiple tenants be equally eligible (as to income, credit history, and other nondiscriminatory criteria) and qualified to rent a Residential Unit, Declarant shall rent available Residential Units to Eligible Tenants on a first qualified (with reasonable efforts made to qualify applicants in the order that the applications are received), first offered basis, or pursuant to a lottery system. Declarant shall use commercially reasonable efforts to lease Residential Units that become available as quickly as possible. Declarant shall market the Residential Units to the citizens of the City of Irvine on a nonexclusive basis.

4.7 Rental Agreement. The form of the lease agreement between Declarant and each of the Eligible Tenants shall be reasonably approved by City prior to the rental or leasing of any of the Residential Units. Once approved, no material changes shall be made to the form of the lease agreement without City's prior written reasonable approval. The lease agreement shall obligate the Eligible Tenants to comply with the provisions set forth in Section 4 of this Agreement and an Eligible Tenant who violates such requirements shall be in default under the rental agreement. Each lease agreement with an Eligible Tenant shall include a provision to the effect that the Declarant has relied on the information provided by the Eligible Tenant on the Income Computation and Certification Form and all other supporting information supplied by the Eligible Tenant in determining qualification for occupancy of the applicable Residential Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease agreement. In addition, each lease agreement shall contain a provision that failure to cooperate with the annual recertification process may disqualify the Eligible Tenant as such and will be will be cause for immediate termination of such lease agreement.

5. Operation of Program.

5.1 Standard of Performance. Declarant shall operate or cause to be operated the Program, and perform or cause to be performed all Program Activities, in a competent, professional, and first class manner and to the satisfaction of City in its reasonable discretion and in accordance with this Agreement and in compliance with all applicable laws including the CDBG Requirements. In addition, Declarant shall operate the Program and perform the Program Activities in compliance with the CDBG Requirements. Declarant shall, if requested by City, provide to City monthly written reports on the progress of any Program Service. Declarant shall cause the Program Activities to be performed by Declarant or Declarant Personnel under Declarant's direct supervision, and shall ensure that all Declarant Personnel engaged in the Program Activities are fully qualified and authorized and permitted under applicable law to operate the Program. Declarant shall secure, at its sole cost and expense, any and all licenses, permits and approvals that may be required by law for the performance of the Program Activities. Declarant shall be responsible for all costs related to the Program.

5.2 Management. If any manager or supervisor of the Program engages in any of the conduct described in Section 5.4 or knowingly allows such conduct to occur at the Site or by Declarant Personnel, or knowingly allows illegal activity to occur at the Site, City shall have the right to require that Declarant immediately replace such manager or supervisor of the Program.

5.3 Drug Free Covenant. Declarant shall use best efforts to maintain a drug free environment on the Site. Declarant covenants to City that Declarant shall use its best efforts to ensure that Declarant Personnel and all persons working or residing on the Site shall not unlawfully manufacture, distribute, dispense, possess or use controlled substances, as said term is defined in 21 United States Code Section 812 and California Health and Safety Code Section 11007 (or successor statutes), including marijuana, heroin, cocaine, and amphetamines on the Site.

5.4 Program Defaults. If Declarant shall or permit Declarant Personnel to:

(a) engage in any act injuring, abusing, mistreating, or endangering any employee or client of the Program or other persons receiving services under the Program, including any tenants or occupants of the Project as reasonably determined by City;

(b) violate the provisions of Section 5.3 above; or

(c) engage in any act or transgression that, in the reasonable judgment of City, may cause embarrassment to the City, reflect adversely upon the City or its funding programs or upon Declarant, tend to bring the Program into public disrepute, contempt, scandal, or ridicule, or tend to shock, insult or offend the community or public morals or decency, then

Declarant and City agree to meet and confer within ten (10) days of the request of City to determine a resolution reasonably acceptable to City and Declarant agrees to thereafter promptly implement the resolution. The failure of Declarant to implement the resolution shall constitute a default under this Agreement ("**Program Default**").

5.5 Occupants of Housing Facilities. To the extent permitted by applicable law, Declarant shall cause Lessee to include in its occupancy or lease agreements with the tenants of the Residential Units a requirement that the occurrence of any illegal activity by the tenant or by the tenant's guests at the Site, shall be grounds for immediate termination of the tenant's right to reside within the Residential Unit and City shall have the right to require that Declarant enforce such provision.

5.7 Monitoring. City shall monitor and evaluate Declarant's performance under this Agreement to determine compliance with this Agreement and the CDBG Requirements. Declarant shall reasonably cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide City the reasonable right of access to the Site and the Residential Units during normal business hours for the purpose of assuring compliance with this Agreement and evaluating Declarant's performance hereunder.

5.8 Records to be Maintained. Declarant shall keep and maintain records providing a full description of the activities undertaken pursuant to this Agreement demonstrating that the activities meet the CDBG Requirements and such other records as may be reasonably required by City to enable City to evaluate Declarant's compliance with the CDBG Requirements and to enable Land Trust to comply with City's recordkeeping and reporting requirements under the CDBG Requirements. The books and records required to be maintained by Declarant shall be kept at a location in Orange County, California. City, HUD, and/or their representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Declarant pertaining to this Agreement at all times during normal business hours upon 48 hours prior written notice to Declarant.

5.9 Audits. Declarant shall perform all audits of its books and records required by HUD, or the CDBG Requirements, or reasonably required by City and a copy of such audits shall be forwarded to the City within thirty (30) days after completion. Declarant shall be subject to all audit and review requirements imposed on City in connection with this Agreement and shall, at its sole cost and expense, cause such audits and reviews to be timely performed.

5.10 Program Activities.

(a) Generally. Declarant shall perform and complete all Program Activities diligently and in a timely manner to the reasonable satisfaction of City and in accordance with this Agreement. If any Program Activity constitutes a specific task or activity that is required under this Agreement to be commenced or completed by a certain date or time period, Declarant shall commence, complete, and perform the task or activity within the specified time period, subject to any notice and cure periods set forth in this Agreement. In addition to the quarterly reports referred in this Agreement, Declarant shall, if requested by City, provide to City monthly written reports on the progress of any Program Activity. The Program Activities will be performed by Declarant under its direct supervision. Declarant shall ensure that all personnel engaged in the Program Activities shall be fully qualified and authorized and permitted under applicable law to perform such Program Activities.

(b) Change in Use of Property. The Parties agree that the provisions of 24 CFR section 570.505 allowing a change in the use of the Site upon payment of certain amounts to Land Trust are not applicable and that the Site shall be subject to the affordability covenants for the Affordability Term set forth in this Agreement.

6. No Discrimination. Declarant shall not discriminate against, or segregate, any person or group of persons on account of race, color, creed, national origin, ancestry, sex, marital status, or religion in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Site, nor shall the Declarant for itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Site.

7. Maintenance of Site. For the entire Affordability Term, Declarant shall maintain or cause to be maintained the Site and all improvements on the Site in a good condition and repair (and, as to landscaping, in a healthy condition) and in accordance with all applicable laws,

rules, ordinances, orders, and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction. City places prime importance on quality maintenance to protect its investment and to ensure that affordable housing projects are not allowed to deteriorate due to substandard maintenance. In addition, Declarant shall keep the Site free from all graffiti and any accumulation of debris or waste material. Declarant shall make all repairs and replacements necessary to keep the improvements in first class condition and repair and shall promptly eliminate all graffiti and replace dead and diseased plants and landscaping with comparable approved materials. In the event that Declarant breaches any of the covenants contained in this Section 7, and such default continues for a period of fifteen (15) days after written notice from City or such longer period of time as is reasonably necessary to correct the condition (with respect to landscaping, graffiti, debris, waste material, and general maintenance) or thirty (30) days after written notice from City or such longer period of time as is reasonably necessary to correct the condition (with respect to building improvements), then City in addition to whatever other remedy it may have at law or in equity, shall have the right to enter upon the Site and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, City shall be permitted (but not required) to enter upon the Site and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Site, and to charge a fee to Declarant in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by City and/or costs of such cure, including a ten percent (10%) administrative charge, which amount shall be promptly paid by Declarant to City upon demand.

8. Management.

8.1 Property Manager. Declarant shall manage or cause the Project, and all appurtenances thereto, to be managed in accordance with this Agreement and in a prudent and business-like manner, consistent with good property management standards for other comparable high quality, well-managed affordable rental housing projects in the City of Irvine. Declarant may contract with a property management company or individual property manager to operate and maintain the Project in accordance with the terms of this Section 8.1 ("**Property Manager**"); provided, however, the selection and hiring of the Property Manager (and each successor or assignee) is and shall be subject to the prior written approval of City in its reasonable discretion. Declarant shall conduct due diligence and background evaluation of any potential third party property manager or property management company to evaluate experience, references, credit worthiness, and related qualifications as a property manager. Any proposed property manager shall have significant and relevant prior experience with affordable housing projects and properties comparable to the Project, and the references and credit record of such property manager/company shall be investigated (or caused to be investigated) by Declarant prior to submitting the name and qualifications of such proposed property manager to City for review and approval. A complete and true copy of the results of such background evaluation shall be provided to City. Approval of a Property Manager by City shall not be unreasonably delayed but shall be in its sole reasonable discretion, and City shall use good faith efforts to respond as promptly as practicable in order to facilitate effective and ongoing property management of the Project by one qualified Property Manager. The replacement of the Property Manager by Declarant and/or the selection by Declarant of any new or different Property Manager shall also be subject to the foregoing requirements.

8.2 On-Site Residential Manager. The Property Manager, or an employee or agent of Property Manager, shall reside full-time in a residential unit located within the Master Project (and not necessarily within one of the Residential Units in the Project), and said residential unit shall be the Property Manager's only residence.

8.3 Property Management Plan. Prior to the completion of the Project, Declarant shall prepare and submit to City for review and approval, which approval shall not be unreasonably withheld, a management plan which shall include a detailed plan and strategy for long term marketing, operation, maintenance, repair and security of the Project, and the method of selection of tenants, rules and regulations for tenants, and other rental policies for the Project ("**Property Management Plan**"). The ongoing management and operation of the Project shall be in compliance with the approved Property Management Plan. Declarant and its Property Manager may from time to time submit to City amendments to the Property Management Plan, the implementation of which shall be subject to the prior written approval of City, which approval shall not be unreasonably withheld.

8.4 Gross Mismanagement. In the event of "Gross Mismanagement" (as that term is defined below) of the Project, City shall have and retain the authority to direct and require any condition(s), acts, or inactions of Gross Mismanagement to cease and/or be corrected immediately, and further to direct and require the immediate removal of the Property Manager. For purposes of this Agreement, the term "Gross Mismanagement" shall mean management of the Project in a manner which violates the terms and/or intention of this Agreement to operate a high quality affordable housing complex, and shall include, but is not limited to, any one or more of the following occurring twice within a 365 day period:

(a) Leasing to tenants who exceed the prescribed income levels with the knowledge that the tenants do not income qualify;

(b) Allowing the tenants to exceed the prescribed occupancy levels without taking immediate action to stop such overcrowding upon learning of the violation;

(c) Underfunding required reserve accounts to the extent sufficient cash flow is available;

(d) The failure to timely maintain the Project in accordance with the Property Management Plan and this Agreement, which is not corrected within the periods specified in Section 18;

(e) Fraud or embezzlement of Project funds, including without limitation funds in the reserve accounts;

(f) Failing to comply with reasonable recommendations of the Irvine Police Department or other local law enforcement agency(ies) with jurisdiction over the Project, in maintaining a crime-free environment within the Project upon learning of the violation;

(g) Failing to reasonably cooperate with City, including its code enforcement division, or other local health and safety enforcement agency(ies) with jurisdiction over the Project, in maintaining a decent, safe, and sanitary environment within the Project, upon learning of the violation; and

(h) Spending funds from the Capital Replacement Reserve account for items that are not defined eligible as costs, including eligible capital and/or replacement costs, under the standards imposed by generally accepted accounting principles ("GAAP") (and/or, as applicable, generally accepted auditing principles).

Notwithstanding the requirements of the Property Manager to correct any condition of Gross Mismanagement as described above, Declarant is obligated and shall use its best efforts to correct any defects in property management or operations at the earliest feasible time and, if necessary, to replace the Property Manager, as provided above. Declarant shall include provisions of the foregoing requirements and requirements of this Agreement within any contract between Declarant and its Property Manager for the Site.

9. Code Enforcement. Declarant acknowledges and agrees that City and its employees and authorized agents shall have the right to conduct code compliance and/or code enforcement inspections of the Project and the individual Residential Units, both exterior and interior, at reasonable times and upon reasonable notice to Declarant and/or an individual tenant. If such notice is provided by City or its representative(s) to Declarant, then Declarant (or its Property Manager) shall promptly and directly advise any affected tenant of such upcoming inspection and cause access to the area(s) and/or Residential Units of the Project to be made available and open for inspection. Declarant shall include express advisement of such inspection rights within the lease agreements for each Residential Unit of the Project in order for each and every tenant and tenant household to be aware of this inspection right.

10. Reserves.

10.1 Capital Reserve Requirements. Commencing upon the date that the construction financing for the Project is converted to permanent financing, Declarant shall annually set aside an amount of not less than Five Hundred Dollars ($500.00) per Residential Unit (or such increased amount as reasonably agreed upon by City and Declarant from time to time) into a separate interest-bearing trust account ("**Capital Replacement Reserve**"). Funds in the Capital Replacement Reserve shall be used only for capital repairs, improvements and replacements to the Project, including fixtures and equipment, which are normally capitalized under GAAP. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve or lessen Declarant's obligation to undertake any and all necessary capital repairs, improvements, or replacements and to continue to maintain the Project in the manner prescribed herein. Not less than once per year, Declarant, at its expense, shall submit to City an accounting for the Capital Replacement Reserve. Capital improvements and repairs to, and replacements of the Project shall include only those items with a long life in excess of one year, including without limitation the following: carpet and drapery replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement; irrigation pipe and controls replacement; sewer line replacement; water line replacement; gas line replacement; and lighting fixture replacement. Any capital replacement reserve requirements of any other lenders or parties shall not increase the Capital Replacement Reserve funding requirements under this Section. Any capital replacement reserve requirements of any other lenders that are not an affiliate (as defined in Section 19.3 below) of Jamboree, third parties, or the Irvine Company, shall be deemed to

satisfy the Capital Replacement Reserve funding requirements under this Section upon approval by City in its reasonable discretion.

10.2 Operating Reserve. Declarant shall establish an interest bearing account to be known as the "**Operating Reserve Account.**" Commencing upon the closing of the permanent financing for the Project, Declarant shall deposit into the Operating Reserve Account an amount equal to pay both three (3) months' of Operating Expenses and three (3) months' of debt service for the Site ("**Target Balance**"). Funds in the Operating Reserve Account shall be invested in an interest bearing account and any earnings shall become and remain a part of the Operating Reserve Account. Declarant may draw upon the funds in the Operating Reserve Account only when the amount of Affordable Rent received by Declarant is insufficient to pay Operating Expenses. If for any reason the amount in the Operating Reserve Account falls below an amount equal to 50% of the Target Balance amount, Declarant shall deposit Project Cash Flow in the priority specified in Section 6.3(a)of the Partnership Agreement in the Operating Reserve Account until the Target Balance is restored. In the event of a failure by Declarant to pay Operating Expenses or in the event of a default by Declarant under the Loan Agreement or this Agreement that would provide for the acceleration of the City Loan, then City may, after delivery of notice to Declarant and the expiration of any applicable cure periods, apply the funds in the Operating Reserve Account to the City Loan or use such funds for the continued operation of the Project. Nothing in this Section 10.2 shall modify or be deemed to modify any payment obligation of Declarant pursuant to the Loan Agreement or any attachments thereto entered into by and between Declarant and City. "**Operating Expenses**" shall have the meaning ascribed to that term in the Promissory Note evidencing the City Loan. Upon the Project achieving an annual debt service coverage ratio of 1.15 or greater for three consecutive years after permanent loan funding for the Project, this Operating Reserve requirement is released.

11. Records. Declarant shall maintain complete and accurate records pertaining to the Residential Units for a period of five (5) years (unless a longer period of time is expressly set forth herein), and shall permit any duly authorized representative of City to inspect the books and records of Declarant pertaining to the Residential Units.

12. Right to Inspect. City shall have the right to inspect the Site and the Residential Units for purposes of assuring compliance with this Agreement during normal business hours on not less than seventy-two (72) hours written notice.

13. Relocation. Declarant shall be responsible for providing any relocation benefits or assistance and paying relocation costs to any tenants or occupants who may be displaced from the Site if such benefits or assistance are required to be provided by a public agency, such as the City, under any applicable federal, state, or local laws, rules or regulations. Declarant shall indemnify, defend, and hold harmless City from and against any and all claims, liabilities, damages or losses arising out of any claims for relocation benefits or assistance that may be asserted by any tenants or occupants of the Project.

14. Indemnification. Declarant shall defend, indemnify and hold harmless City and its officers, officials, agents, employees, representatives, and volunteers from and against any loss, damage, costs, expenses, liability, claim, or judgment relating in any manner to the Site and the operation of the rental project thereon or Declarant's performance under this Agreement, except to the extent caused by the active negligence or willful misconduct of City.

15. Insurance. Upon completion of the Project and for the term of this Agreement, Declarant shall procure and keep in full force and effect or cause to be procured and kept in full force and effect for the mutual benefit of Declarant and City, and shall provide City evidence reasonably acceptable to City, of insurance policies meeting the minimum requirements set forth in this Section 15.

15.1. Types of Insurance Policies. The insurance policies to be maintained by Declarant upon completion of the Project and for the duration of the term of this Agreement are as follows:

i. Commercial General Liability insurance with respect to the Site and the operations of or on behalf of Declarant, in an amount not less than One Million Dollars ($1,000,000.00) per occurrence combined single limit including products, completed operations, contractual, bodily injury, personal injury, death and property damage liability, subject to such increases in amount as City may reasonably require from time to time; provided, that the percentage increase in coverage shall not be required to exceed the percentage increase in the Consumer Price Index published by the United States Department of Labor, Bureau of Labor Statistics, for Urban Wage Earners and Clerical Workers, Los Angeles-Long Beach-Anaheim Average, All Items (1984 = 100) (the "Index"), from and after the date of this Agreement, or, if said Index is discontinued, such official index as may then be in existence and which is most nearly equivalent to said Index (the "CPI Adjustment"). Unless otherwise approved in advance by the City, the insurance to be provided by Declarant may provide for a deductible or self-insured retention of not more than Ten Thousand Dollars ($10,000.00), with such maximum amount to increase at the same rate as the periodic increases in the minimum amount of total insurance coverage set forth above. City and its officers, officials, employees, volunteers, agents, and representatives shall be named as additional insureds under such policy or policies.

ii. With respect to the improvements and any fixtures and furnishings to be owned or leased by Declarant on the Site, all risk property insurance against fire, vandalism, and malicious mischief, and such other additional perils, hazards, and risks as now are or may be included in the standard "all risk" form in general use in Orange County, California, with the standard form fire insurance coverage in an amount equal to full actual replacement cost thereof, as the same may change from time to time. The above insurance policy or policies shall include coverage for earthquakes to the extent generally and commercially available at commercially reasonable rates, if such insurance is generally obtained for rental apartment projects of this size and type in Orange County, California. City shall be a loss payee under such policy or policies and such insurance shall contain a replacement cost endorsement.

15.2 Policy Requirements. A copy of each paid-up policy evidencing such insurance (appropriately authenticated by the insurer) or a certificate of the insurer, certifying that such policy has been issued, providing the coverage required herein, and containing the provisions specified herein, shall be delivered to City on or prior to the completion of the Project, and thereafter, upon renewals, not less than thirty (30) days prior to the expiration of coverage (10 days for non-payment of premiums). City may, at any time, and from time to time, inspect and/or copy any and all insurance policies required to be procured by Declarant hereunder. In no event shall the limits of any policy be considered as limiting the liability of Declarant hereunder. In addition to the requirements set forth in Section 16.1, each insurance policy required to be carried by Declarant pursuant to this Agreement:

i. shall be primary insurance and not contributory with any other insurance which City or its officers, officials, employees, volunteers, agents, or representatives may have;

ii. shall contain no special limitations on the scope of protection afforded to City or its officers, officials, employees, volunteers, agents, and representatives;

iii. shall be "per occurrence" rather than "claims made" insurance;

iv. shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability;

v. shall provide that the policy will not be cancelled by the insurer or Declarant unless there is a minimum of thirty (30) days (10 days for nonpayment of premium) prior written notice by mail, return receipt requested to City;

vi. shall be written by a California licensed insurer with a Best rating of not less than A:VII;

vii. shall be endorsed to state that any failure to comply with the reporting provisions of the policies shall not affect coverage provided to City and its officers, officials, employees, volunteers, agents, and representatives; and

viii. shall contain a waiver by the insurer of any right to subrogation against City, and its officers, officials, employees, volunteer and agents, which arises or might arise by reason of any payment under such policy or policies or by reason of any act or omission of City or its officers, officials, members, employees, agents, or representatives.

16. Repair of Damage. If any improvements on the Site shall be totally or partially destroyed or rendered wholly or partly uninhabitable by fire or other casualty, Declarant shall promptly proceed to obtain insurance proceeds, and, provided the insurance proceeds are sufficient to restore the Site and the insurance proceeds are made available therefor by the

secured lenders, take all steps necessary to begin reconstruction and, immediately upon receipt of insurance proceeds, to promptly and diligently commence the repair or replacement of the improvements to substantially the same condition as the improvements are required to be maintained in pursuant to this Agreement, and Declarant shall complete the same as soon as possible thereafter so that the Project can continue to be operated and occupied as an affordable housing project in accordance with this Agreement. In no event shall the repair, replacement, or restoration period exceed two (2) years from the date of the destruction subject to events of force majeure unless City, in its sole and absolute discretion, approves a longer period of time.

17. Declarant Ground Lease. Declarant represents and warrants that Declarant's performance under this Agreement will not cause Declarant to be in default of the Ground Lease, and the development, use and operation of the Site under this Agreement is consistent with the use of the Site permitted under the terms of the Ground Lease. Declarant shall comply with each and every condition, responsibility, and obligation it may have pursuant to the Ground Lease in order not to cause a default thereunder. Declarant shall not amend or modify the Ground Lease in any respect inconsistent with this Agreement or in any respect that affects the rights of City as a leasehold mortgagee, without the prior written consent of City, which consent City may withhold in its reasonable discretion. Declarant shall promptly give City notice of any defaults and default notices issued under the Ground Lease.

18. Defaults and Remedies.

18.1 Defaults. Failure or delay by any Party to perform any term or provision of this Agreement which is not cured within thirty (30) days after receipt of notice from the other Party specifying the default (or such other period specifically provided herein) constitutes a default under this Agreement; provided, however, if such default is of the nature requiring more than thirty (30) days to cure, the defaulting Party shall avoid default hereunder by commencing to cure within such thirty (30) day period, and thereafter diligently pursuing such cure to completion within an additional sixty (60) days following the conclusion of such thirty (30) day period (for a total of ninety (90) days). Except as required to protect against further damages, the injured Party may not institute proceedings against the Party in default until the time for cure has expired. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default.

In addition to Declarant's cure rights hereunder, Irvine Company, for so long as Irvine Company is a limited partner investor in Declarant, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Agreement and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Agreement; provided, however if the non-monetary default is incapable of being cured within thirty (30) days, Irvine Company shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. City shall accept any cure made by Irvine Company as if made by Declarant.

18.2 Institution of Legal Actions. In addition to any other rights or remedies, any Party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that county.

18.3 Rights and Remedies are Cumulative. The rights and remedies of the Parties are cumulative, and the exercise by either Party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

19. Miscellaneous.

19.1 Entire Agreement, Waivers, and Amendments. This Agreement contains the entire agreement between the Parties relating to the subject matter hereof, and supersedes all negotiations and previous agreements between the Parties with respect to all or part of the subject matter hereof, with the exception of the Loan Agreement and the agreements attached to the Loan Agreement. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the Party to be charged. A waiver of the breach of the covenants, conditions or obligations under this Agreement by either Party shall not be construed as a waiver of any succeeding breach of the same or other covenants, conditions or obligations of this Agreement. Any amendment or modification to this Agreement must be in writing and executed by the appropriate authorities of City and Declarant.

19.2 Attorney's Fees and Costs. If either Party to this Agreement commences an action against the other Party to this Agreement arising out of or in connection with this Agreement, the prevailing Party shall be entitled to recover reasonable attorney's fees, expert witness fees, costs of investigation, and costs of suit from the losing Party.

19.3 Prohibition Against Assignment and Transfer by Declarant. The qualifications and identity of Declarant and Jamboree are of particular concern to City. It is because of those qualifications and identity that City has provided financial assistance to Declarant and entered into this Agreement with Declarant. Accordingly, except as expressly set forth herein, Declarant shall not, whether voluntarily, involuntarily, or by operation of law, undergo any significant change in ownership or assign all or any part of this Agreement or any rights hereunder or in the Site or in the Project without the City's prior written approval. As used herein, the term "significant change in ownership" shall mean any change by virtue of which Jamboree does not continue to be the managing member of the general partner of Declarant.

Notwithstanding the foregoing paragraph, the following shall not require City approval (except as specifically provided below) for the purpose of this Section 19.3:

(a) A transfer of Declarant's leasehold interest in the Site and the Project to Jamboree;

(b) The removal of the general partner of the partnership for Declarant for any default under the partnership's partnership agreement, provided that any substitute general partner is acceptable to City in its reasonable discretion, including, without limitation, requiring that the new general partner have at least the same level of experience in developing, operating, and managing an affordable multifamily housing complex that is similar to the Project;

(c) A transfer of the limited partnership interest in Declarant from Irvine Company or another tax credit syndicator or investor to Jamboree, or an affiliate of Jamboree, provided that Jamboree continues to manage and operate the Project;

(d) A leasehold interest in a Residential Unit to an Eligible Tenant for Affordable Rent, in accordance with this Agreement and pursuant to a lease form approved by City in accordance with this Agreement; or

(e) Any Permitted Encumbrance.

As used in this Section, the term "affiliate" shall mean an entity that directly or indirectly controls or is controlled by Jamboree.

Declarant shall deliver written notice to City requesting approval of any assignment or transfer requiring City approval hereunder. In considering whether it will grant approval to any assignment by Declarant of its interest in the Site and this Agreement or any portion thereof, Declarant shall consider factors such as the financial strength and capability of the proposed transferee to perform Declarant's obligations hereunder and the proposed assignee's experience and expertise in the planning, financing, development, and operation of similar projects.

No assignment, excluding assignments for Permitted Encumbrances, shall be effective as to City unless and until the proposed assignee and Declarant execute and deliver to City an assignment and assumption agreement in form reasonably satisfactory to the Contract Officer and legal counsel for City.

19.4 Prohibition Against Assignment and Transfer by City. The City shall not voluntarily assign or transfer its interest in all or any part of this Agreement (which by definition includes all attachments hereto) without Declarant's prior written approval, which shall not be unreasonably withheld. Notwithstanding the foregoing sentence, the City may assign or transfer all or any part of its interest in this Agreement without Declarant's prior written approval to the Land Trust.

19.5 Compliance with Laws and Regulations. Declarant shall carry out the design, construction and operation of the Project, and operate the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the legal requirements set forth in Attachment No. 3 to the Loan Agreement and the statutes referenced therein. Each and every provision required by law to be included in this Agreement shall be deemed to be included, and this Agreement shall be read and enforced as though all such provisions were included. Declarant acknowledges and agrees that it shall be and remain, and shall cause the Declarant Personnel to be and remain, fully knowledgeable and apprised of all local, state and federal laws, rules and regulations in any manner affecting the performance under this Agreement, including the CDBG Requirements. Declarant shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, and/or expense (including reasonable attorneys' fees, court and litigation costs, and fees of expert witnesses) that results or arises in any way from any of the following the noncompliance by Declarant or Declarant Personnel of any applicable local, state and/or federal law.

19.6 Interpretation; Governing Law. This Agreement shall be construed according to its fair meaning and as if prepared by both of the Parties hereto. This Agreement shall be interpreted in accordance with the internal laws of the State of California, without regard to conflict of law principles.

19.7 Severability. If any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Agreement, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision(s) had never been contained herein.

19.8. Third Party Beneficiaries. The Irvine Community Land Trust is an intended third party beneficiary of this Agreement and shall have the right, but not the obligation, to enforce its terms including the rights and benefits that City has under this Agreement. Except as provided herein, no person or entity other than City, Declarant and the Irvine Community Land Trust and the permitted successors and assigns of each of them, shall be authorized to enforce the provisions of this Agreement.

19.9. Notices. Formal notices, demands, and communications between City and Declarant shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, (c) mailing in the United States mail, certified or first class mail, postage prepaid, or (d) delivery by facsimile or electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed to:

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices delivered by facsimile or email shall be deemed effective the next business day, not less than 24 hours, following the date of transmittal and confirmation of delivery to the intended recipient. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

During the term of the Rider to Loan Agreement attached to the Loan Agreement ("**Rider**"), prior to exercising any remedies under this Agreement, City shall give the Irvine Company (or its limited partner assignee) a copy of any written notice given to Declarant under the loan documents at the address set forth in the Rider.

19.10 Covenants Run with the Land. This Agreement shall be binding on Declarant's successors in interest in the Site until the expiration of the Affordability Term. This Agreement is designed to create equitable servitudes and covenants running with the Site, in favor of City. The covenants, conditions, restrictions, reservations, equitable servitudes, liens and charges set forth herein shall be binding upon all persons having any right, title or interest in the Site, or any part thereof, their heirs, successive owners and assigns; shall inure to the benefit of City and its successors and assigns, shall be binding upon Declarant, its successors and assigns and successors in interest; and may be enforced by Declarant and its successors and assigns. Declarant hereby declares its understanding and intent that the burden of the covenants set forth herein touch and concern the land. Declarant hereby further declares its understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Site for purposes of affordable housing. City shall have the right to designate real property as benefited by the covenants contained herein during the term of this Agreement. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided herein both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate.

The parties acknowledge and agree that this Agreement encumbers Declarant's leasehold interest in the Site and not the fee interest.

19.11 Compliance with Other Agreements. The parties acknowledge that other affordable housing regulatory agreements will be recorded against the Site, imposing

income restrictions on the tenants of the Residential Units and limiting the amount of rent that may be charged, which agreements include the Land Use Affordable Housing Regulatory Agreement between City and Irvine Company implementing the land use controls applicable to the Site, and the Regulatory Agreement and Declaration of Covenants and Restrictions between Declarant and the Irvine Community Land Trust to which City is an intended third party beneficiary. Declarant shall comply with the most restrictive terms of such agreements. Declarant acknowledges that in order to effectuate the foregoing the actual rent paid by Eligible Tenants to Declarant may be less than the Affordable Rent amounts set forth in this Agreement.

19.12 Execution in Counterparts. This Agreement may be executed in two or more counterparts, each of which when so executed and delivered shall be deemed an original and all of which, when taken together, shall constitute one and the same instrument.

[signatures on next page]

IN WITNESS WHEREOF, City and Declarant have caused this instrument to be executed on their behalf by their respective officers or agents herein duly authorized as of the date set forth above.

(City CDBG Funds)

WHEREAS, the CITY OF IRVINE, a California municipal corporation ("**Lender**"), has made or will make a loan in the maximum principal amount of $93,043.00 (the "**Loan**") to STONEGATE HOUSING PARTNERS II, L.P., a California limited partnership ("**Borrower**") and the Loan will be secured by certain property located in Irvine, California (the "**Project**");

WHEREAS, The Irvine Company LLC, a Delaware limited liability company ("**TIC**" and "**Limited Partner**"), is being admitted as a limited partner of Borrower on or about the date hereof. Upon an assignment of TIC's limited partner interest in Borrower, the term "Limited Partner" shall mean the successors and assigns of TIC's interest in the Borrower to the extent the interest is transferred in compliance with Borrower's partnership agreement;

WHEREAS, as a condition to consenting to the Loan and becoming a limited partner in the Borrower, Limited Partner requires that the parties hereto grant certain protections to Limited Partner under any one or more of the documents (the "**Loan Documents**") evidencing or securing the Loan; and

WHEREAS, the parties hereto desire to grant such requests of Limited Partner.

THEREFORE, notwithstanding anything to the contrary set forth in the Loan Documents, the parties make the covenants and representations set forth in this Rider.

1. Prior to exercising remedies under the Loan Documents, Lender will give Limited Partner a copy of any written notice it gives to Borrower under the Loan Documents at the following address:

2. If Limited Partner presents payment or otherwise cures a monetary or non-monetary default within the cure periods set forth in the Loan Documents, Lender will accept such action as curing the respective default under the Loan Documents.

3. Lender approves Limited Partner's admission to Borrower.

4. Lender will permit Limited Partner to transfer its limited partner interest to any person or entity at any time, provided such transfer does not result in a transfer of the general partner interest.

5. Lender will permit Limited Partner to remove and replace the general partner of Borrower in accordance with Borrower's partnership agreement, provided that any substitute general partner is acceptable to Lender in its reasonable discretion, including, without limitation, requiring that the new general partner have at least the same level of experience in developing, operating, and managing an affordable multifamily housing complex that is similar to the Project.

6. Lender will permit insurance and condemnation proceeds to be used to rebuild the Project provided that sufficient funds are available to effectively rebuild the Project to a multifamily housing complex.

7. Lender has not and will not cross-default or cross-collateralize the Loan with any loan made with respect to another property.

8. Limited Partner is intended to be a direct beneficiary of the covenants set forth in this Rider and is entitled to bring an action to enforce the same independent of any rights of Borrower. Lender will not materially modify the Loan Documents without Limited Partner's prior written consent.

9. This Rider may be executed in multiple counterparts, each of which is deemed to be an original. Digitally transmitted signatures are as effective as originals.

10. Subject to the last sentence of this paragraph, until expiration of the tax credit compliance period for all buildings in the Project, upon a default of Borrower under the Loan Documents, Lender must not exercise remedies which could cause or require transfer of title to the Project for so long as Limited Partner is diligently pursuing its right to remove Borrower's general partner and is curing any remaining default following such removal, up to a maximum cure period of 270 days. The foregoing does not preclude Lender from participating in any

foreclosure proceeding (including acquiring the Project through such proceeding) that is initiated by another party during any such cure period.

Re: Affordable Housing In-Lieu Fee Program
Medium-Density Land Value Opinion
City of Irvine, California
P.O. No. P77856

Ladies & Gentlemen:

Pursuant to your request and authorization, we have conducted the investigations and analyses necessary to form an opinion of the market value of a hypothetical 12 acre vacant parcel of land in a rough graded fairly level condition, with access and utilities available, zoned for residential land use with a density of approximately 12 dwelling units per acre, and having entitlements to build on the property, located within the City of Irvine, Orange County, California.

Based upon the investigations conducted, the analyses made, and on our experience as real estate consultants and appraisers, we have formed the opinion that, as of April 14, 2006, and subject to the Assumptions and Limiting Conditions set forth in the self-contained report which follows, the subject hypothetical 12 acre site has a market value of the fee simple estate on a per acre basis, assuming the site is rough graded and in a fairly level condition, zoned for medium-density residential land use with a density of approximately 12 dwelling units per acre (Du's/Ac), and having entitlements to build, as follows:

FOUR MILLION FOUR HUNDRED THOUSAND DOLLARS PER ACRE

The consulting evaluation transmitted in a self-contained report format, which follows, sets forth the data and analyses upon which our opinion of value is, in part, predicated.

Respectfully submitted,

INTRODUCTION

Purpose of this Consulting Evaluation and Property Identification

The purpose of this consulting evaluation is to set forth the data, analyses, and conclusions relative to our opinion of the market value of a hypothetical 12 acre vacant parcel of land in a rough graded fairly level condition, with access and utilities available, zoned for residential land use with a density of approximately 12 dwelling units per acre, and having entitlements to build on the property, located within the City of Irvine, Orange County, California.

This consulting evaluation is transmitted in a self-contained report format and the opinion of land value represents a limited appraisal since there is no specifically located subject property.

The value opinion set forth represents our opinion of an average value of a land parcel within the City of Irvine based on our research and analyses regarding land sale data, demand trends, and home price trends.

The opinions set forth in this report are subject to the Assumptions and Limiting Conditions presented beginning on page 4.

Consulting Reporting Option

In compliance with Standards Rule 2-2 of the Uniform Standards of Professional Appraisal Practice this consulting report has been prepared under the Self-Contained Report option.

Scope of the Consulting Evaluation

The scope of the consulting evaluation involved applying the applicable recognized methods and techniques that are necessary in order to produce a credible consulting opinion. The procedures used for this assignment are summarized as follow:

1. Personal inspections of the developing areas within the City of Irvine were completed.

2. Analyses of the characteristics and development trends for the competing markets and the neighborhoods throughout the City were conducted.

3. An analysis of the highest and best use of the hypothetical subject property was made, giving consideration to existing zoning, as well as current and prospective uses for the property.

4. Research and analysis were conducted to collect and verify market data related to the hypothetical subject property and comparable properties.

5. The consulting analysis was completed by developing a value indication from the applicable valuation approach. From this valuation approach, a value opinion for the hypothetical subject property was reached.

6. A self-contained report was prepared to provide an identification and description of the hypothetical subject property, to summarize the market data considered, and to outline the analysis and conclusions leading to the opinion of value.

This consulting report has been prepared in conformance with the Uniform Standards of Professional Appraisal Practice of the Appraisal Foundation, as well as the Code of Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute, in effect as of the date of the report.

Date of Valuation

The consulting evaluation opinion expressed in this report is as of April 14, 2006.

The effective date of the report is the same date as set forth on the transmittal letter.

Interest Appraised

This consulting evaluation includes a valuation opinion of the fee simple estate in the subject 12 acre hypothetical site.

Market Value Defined

The term "market value"[1] is defined as follows:

> Market value means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:
>
> 1. Buyer and seller are typically motivated;
>
> 2. Both parties are well informed or well advised, and each acting in what they consider their own best interest;
>
> 3. A reasonable time is allowed for exposure in the open market;

[1] Office of the Comptroller of the Currency 12CFR, Part 34, Subpart C-Appraisals, 34.42 Definitions (f).

4. Payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and

5. The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

This consulting evaluation is predicated on an all cash to the seller transaction at a price equal to the value conclusion reached in this consulting evaluation along with a reasonable exposure time in the open market ranging from 3 months to 12 months prior to the date of value.

Fee Simple Estate Defined

The term "fee simple estate"[2] is defined as follows:

> Absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power, and escheat.

Highest and Best Use Defined

"Highest and Best Use"[3] is a valuation concept which has been defined as follows:

> The reasonably probable and legal use of vacant land or an improved property that is physically possible, legally permissible, appropriately supported, financially feasible, and that results in the highest value.
>
> Alternatively, that use, from among reasonable probable and legal alternative uses, found to be physically possible, appropriately supported, financially feasible, and which results in highest land value.

Intended Use of the Consulting Evaluation and the Intended Users

This consulting evaluation is intended for use by the intended user(s), of whom we have knowledge, for their specific need.

The intended use of this consulting evaluation is as a part of the update process for the existing City of Irvine's Affordable Housing In-Lieu Fee program.

The intended user is the City of Irvine.

Assumptions and Limiting Conditions

The analyses and opinions set forth in this consulting evaluation are subject to the following assumptions and limiting conditions:

No responsibility is assumed by us for matters which are legal in nature. No opinion of title is rendered, and the hypothetical property is appraised as though free of all encumbrances and the title is assumed to be marketable.

No survey of the boundaries of the property was undertaken by us. All areas and dimensions furnished to us are presumed to be correct.

This consulting analysis is transmitted in a self-contained report format and the opinions of value for the City of Irvine represent a limited appraisal since there is no specifically located subject property.

The value opinion set forth in this consulting evaluation represents an average value for land within the City of Irvine based on our research and analyses regarding land sale data, home demand trends, and home price trends.

Information contained in this consulting analysis has been gathered from sources which are believed to be reliable, and, where feasible, has been verified. No responsibility is assumed for the accuracy of information supplied by others.

No title insurance policy has been reviewed since there is no specific subject property. It is assumed that the only easements are normal utility easements which do not adversely affect the value of the subject property.

This consulting analysis is predicated on the assumption that no hazardous materials, impact the hypothetical subject property.

No soils or geological reports were uncovered in our investigations since there is no specific subject property. It is assumed that soil conditions are fairly stable and that the underlying geological formations are adequate to support any proposed highest and best use improvements. No representations, however, are made concerning these matters.

We assume no responsibility for economic or physical factors which may affect the opinions herein stated which may occur at some date after the date of value.

The subject property is appraised assuming it is under responsible ownership and competent management.

No inspection of the subject property has been made as a part of this consulting analysis since there is no specific subject property. Knowledge of residential market activities in the City of Irvine is based on our current research, district wide inspections, and our experience in real estate appraising and consulting on properties located throughout Orange County over the prior 29 years.

No opinion is expressed as to the value of sub-surface oil, gas, or mineral rights, or whether the subject property is subject to surface entry for the exploration or removal of such materials except as is expressly stated.

No opinion is intended to be expressed on matters which require legal expertise or specialized investigation or knowledge beyond that customarily employed by real estate consultants and appraisers.

Maps, plats, and exhibits included herein are for illustration only, as an aid in visualizing matters discussed within the report. They should not be considered as surveys nor relied upon for any other purpose, nor should they be removed from, reproduced, or used apart from this report.

We shall not be required, by reason of this consulting analysis, to give testimony or to be in attendance in court or any governmental or other hearing with reference to the subject property without prior arrangements having first been made with us relative to such additional employment.

No engineering survey has been made by us. Except as specifically stated, data relative to size and area were taken from sources considered reliable. No encroachment of real property improvements is considered to exist, except where specifically set forth.

The forecasts of future events which influence the valuation process are predicated on the continuation of historic and current trends in the market as perceived as of the date of value. The actual outcomes may differ due to changes in the environment between the date of value and the future date involved in the forecast.

The signatory of this consulting evaluation is a member of the Appraisal Institute. The Bylaws and Regulations of the Appraisal Institute require each member to control the use and distribution of each report signed by such member. Therefore, except as hereinafter provided, the party for whom this consulting report was prepared may distribute copies of it, in its entirety, to such third parties as may be selected by the party for whom this report was prepared; however, selected portions of this report shall not be given to third parties without the prior written consent of the signatory of this report. Further, neither all nor part of this report shall be disseminated to the general public by the use of advertising media, public relations media, news media, sales media or other media for public communication without the prior written consent of the signatory of this report.

Legal Description

There is no legal description of the subject property since there is no specific subject property.

The value opinion reached as a part of this consulting analysis represents an average value of land within the City of Irvine based on our research and analyses regarding land sale data, home demand trends, and home price trends.

Ownership

There is no specific owner since there is no specific subject property.

Property Transfer History

Since there is no specific subject property, there is no property transfer history.

SUBJECT PROPERTY DESCRIPTION

The property that is the subject of this consulting analysis consists of a 12 acre vacant parcel of land in a rough graded fairly level condition, with access and utilities available, zoned for residential land use with a density of 12 Du's/Ac, having entitlements to build, and located within the City of Irvine, California.

The City of Irvine is bounded by the Cities of Tustin and Foothill Ranch as well as unincorporated areas of the County of Orange to the north; the Cities of Lake Forest, Laguna Hills, and Laguna Beach to the east; the City of Newport Beach to the south; and the Cities of Costa Mesa, Santa Ana, and Tustin to the west.

A map indicating the location of the Planning Areas within the City of Irvine is included on the following page for reference. The yellow areas are planning areas that include future residential development and the blue areas are planning areas that include currently developing residential development.

Zoning and Planning

The General Plan designation for the subject site is assumed to be Medium Density Residential and the zoning is also assumed to be 2.3 Medium Density Residential.

Medium Density Residential allows residential development with a maximum density of 12.5 dwelling units per acre (Du'/Ac).

According to the requirements of the City of Irvine General Plan as well as the zoning code, there is a requirement that an Affordable Housing Plan be prepared. There is a requirement that affordable housing be included in each residential development, if financial and/or processing incentives are available.

The density range allowed according to the medium-density zoning designation is from 0 to 12.5 dwelling units per net acre (Du's/Ac).

The minimum lot size is 2,400 sq.ft. There is no maximum site coverage. The setback requirements are 15' adjacent to local streets, 5' for side yards, and 10' for rear yards. The setback from freeways is 50'.

For purposes of this consulting analysis, it is specifically assumed that entitlements for a medium-density residential development on the hypothetical subject property have been received as of the date of value at a density of approximately 12 Du's/Ac.

The parking requirements for residential developments are one covered space for a studio unit, 1.5 spaces for a one bedroom unit with one space covered, 2.0 covered spaces for units with two or more bedrooms, plus guest parking of 0.4 of a space per unit for projects providing covered parking in carports or 0.7 of a space per unit for projects providing covered parking in garages.

Nuisances and Hazards

This consulting analysis is based on the assumption that the hypothetical subject property parcel is not located in a flood hazard area or an earthquake or seismic special study zone as defined in the Alquist-Priolo Act.

This consulting analysis is also predicated on the assumption that no hazardous materials exist on the hypothetical subject property.

Highest and Best Use

This consulting analysis is based on the assumption that the highest and best use of the hypothetical 12 acre subject property is for residential development at a density of approximately 12 dwelling units per acre (Du's/Ac).

MARKET ANALYSIS

The subject property is located in the City of Irvine, Orange County, California. A Location Map is included on the following page for reference.

Physical Environment

The physical environment affecting the subject property is composed of both natural and man-made resources. The natural environment consists of positive aspects such as the temperate Southern California weather. The man-made environment includes a combination of various community facilities, services, and transportation systems.

Air transportation is provided by the Orange County Airport located adjacent to the west of the City of Irvine.

Rail transportation for freight is available from the Burlington Northern Santa Fe Railroad.

Commuter rail service is provided by MetroRail and Amtrak. The nearest commuter rail service available is in the Spectrum Area of the City of Irvine. Bus service is available throughout the city.

The City of Irvine is served by reputable hospitals as well as very good quality schools. There is also adequate police and fire protection.

Access to and throughout the City of Irvine is provided by various means of transportation. The San Diego and Santa Ana Freeways bisect the city. These freeway are linked to the villages that comprise the City of Irvine through a variety of surface streets.

Social Environment

According to the California Department of Finance, the population in the City of Irvine was estimated to be approximately 180,803 persons as of January 2005. This indicates a compound annual growth rate of 3.98% between the years of 1996 and 2005, as well as a 4.79% compound annual growth rate from the 2000 census figure. The subject area appears to have a growing population with growth anticipated to continue into the foreseeable future at a similar rate as experienced over the prior 5 years, or in the range from 4.0% to 4.5% annually on a compound basis.

There were 68,916 housing units in the City of Irvine as of January 2005, according to the California Department of Finance. This represents a compound annual increase of 5.07% per year since 2000 based on data from the California Department of Finance.

LOCATION MAP

A comparison of the population growth rate over the prior 4 years (4.79%), as set forth above, with the increase rate in housing units over the same time period (5.07%), indicates that the number of housing units in the City of Irvine is growing slightly faster than the population growth rate, which should result in a lower population per household and less pressure for price increases. This conclusion is supported by a comparison of the population per occupied household in the City of Irvine as of January 2000, of 2.89, according to data from the California Department of Finance, versus the 2.73 persons per occupied household in the City of Irvine as of January 2005.

The average occupied household size in the City of Irvine as of January 1990, according to the State Department of Finance, was 2.52 persons. The average household size as of the 2000 Census was 2.66 persons (versus 2.89 persons according to the California Department of Finance as of January 1, 2000). The increase in the number of persons per household over the 1990-2000 time period is due to the increase in the number of housing units being less than the proportional increase in population. For comparison purposes, the average number of persons per household in Orange County was 3.00 according to the 2000 Census.

The median home price from the 8 zip code areas that comprise the City of Irvine (92602, 92603, 92604, 92606, 92612, 92614, 92618, & 92620), as of February 2006, was approximately $665,000 and the median price per square foot range was indicated to be from $365 to $470.

According to data provided by Experian/Applied Geographic Solutions, as of 2005, the median age for the City of Irvine population was 35 years old.

The number of renters as a percent of the total occupied housing units in the City of Irvine was 40%, as of 2005. For the same time period, the number of renters as a percent of the total occupied housing units in the County of Orange was also 40%.

Economic Environment

The economic environment in the City of Irvine, as well as throughout Orange County, is in a sluggish expansion stage. The forecast is for continued sluggish economic expansion during 2006. Important economic indicators for Orange County and the Los Angeles Metropolitan Area include import/export activity, interest rates, and availability of affordable housing for the growing workforce. Interest rates are affordable, but have been increasing steadily over the prior year, while import/export activity is up from the prior year. Housing affordability and high apartment rental rates are a major problem to many employers and employees.

The unemployment rate in Orange County was 3.6% as of February 2006, which reflects a decrease of 0.1% from the 3.7% unemployment rate reported in February 2005. Orange County has a lower unemployment rate than the seasonally adjusted unemployment rates for the State of California (5.0%) and the United States (4.8%) as of February 2006. In addition, the unemployment rate for the City of Irvine was reported to be 3.6% as of February 2006, which is the same as the Orange County unemployment rate.

There was a net job gain of 18,700 jobs in Orange County between December 2004 and December 2005. Expanding job categories include utilities, transportation, construction, insurance, and real estate, as well as wholesale and retail sales. Declining job categories included manufacturing and services.

The largest employers in the City of Irvine are UC Irvine, Allergan Inc., Edwards Lifesciences, Verizon Wireless, Option One Mortgage, and Toshiba America Information Systems.

The income levels in the City of Irvine, according to 2005 data provided by Experian/Applied Geographic Solutions, indicate a median household income of $82,141 and a average household income of $112,676. The Orange County median household income from the same source and same time period was $65,354 and the average household income was $94,6773.

Using a median income of approximately $83,000, based on the income data set forth above, an 80% loan-to-value ratio, an interest rate of 6.5%, and a requirement that a maximum of 30% of the income could be used for mortgage expenses, a home of approximately $410,000 would be affordable, if the down payment of $82,000 could be saved.

Based on the median price for homes within the City of Irvine set forth previously ($665,000), it appears that a home is not affordable to most of the population, in addition to the need to save the down payment and closing costs.

Political Environment

The governmental environment of the City of Irvine is oriented toward maintaining a high quality of life through active planning and land use compatibility. The City of Irvine is one of the largest planned urban communities in the nation.

There are numerous air quality control and emissions measures imposed by the South Coast Air Quality Control Board that are perceived as hampering the ability of the local area to attract new industry.

There is no rent control on apartment rentals in the City of Irvine.

Neighborhood Description and Surrounding Land Uses

Since there is no specific subject property, no neighborhood description or surrounding land use description are included.

Residential Market Overview

To be consistent with the purpose of this consulting evaluation, it is specifically assumed that entitlements for medium-density development with a density of approximately 12 Du's/Ac have been received as of the date of value. Therefore, an overview of the residential market was performed.

The residential market overview is based on a physical inspection of the surrounding area and a review of data on Orange County residential projects prepared by the Real Estate and Construction Report, published by the Real Estate Research Council of Southern California, as well as residential median price and sale data published by DataQuick Information Systems.

According to the Real Estate Research Council, construction of single-family units in Orange County have varied over the years with the recent trend being downward. A summary of the number of single-family units in Orange County for which building permits were issued is set forth on the following page.

Year	No. of Single-Family Units Permitted	% Increase
1995	5,663	–
1996	7,070	+24.85%
1997	8,219	+16.25%
1998	7,366	(-10.38%)
1999	7,686	+ 4.34%
2000	6,794	(-11.61%)
2001	5,925	(-12.79%)
2002	6,423	+ 8.41%
2003	5,565	(-13.36%)
2004	4,395	(-21.02%)
2005	4,063	(- 7.55%)

Our research within the immediate surrounding area indicated that new construction is occurring in a variety of areas within the City of Irvine.

A comparison of the number of new single-family dwellings constructed annually between 1995 and 2005 (6,288/yr. on average) in Orange County and the growth in single-family dwelling households (8,050/yr. on average over the same time frame) indicates that demand has increased faster than supply. Therefore, there is upward pressure on prices to rise or for additional units to be constructed in certain submarkets.

Prices in the residential market in the City of Irvine have been on an upward trend since 1996.

Year	Median Price	% Change	No. of Transactions	% Change
1996	$233,500	----	----	----
1997	$242,000	3.6%	2,525	----
1998	$258,500	6.8%	3,406	+ 34.9%
1999	$262,500	1.5%	----	----
2000	$291,500	11.0%	2,660	----
2001	$330,000	13.2%	2,484	- 6.6%
2002	$375,000	13.6%	3,158	+ 27.1%
2003	$462,500	23.3%	3,271	+ 3.6%
2004	$587,000	26.9%	2,871	- 12.2%
2005	$672,500	14.6%	3,373	+ 17.5%

While median prices have been increasing, the number of transactions per year appear to be somewhat stable over the prior 4 years in the range from 2,871 to 3,373 transactions per year.

The construction of residential dwelling units in the City of Irvine is impacted primarily by the land development activity of The Irvine Company and the housing development activity of a variety of residential builders. Most new construction is occurring on land in the northeastern, southeastern, and western parts of the City of Irvine.

According to the Orange County Residential Trends Executive Summary, published by Market Pointe Realty Advisors, the asking price for new single-family detached dwellings in the Newport Beach/Irvine submarket decreased by 8.8% to $1,388,078 as of December 2005 compared to the same time in 2004. This is based on a house that contains approximately 2,694 sq.ft. of living area. Absorption of homes in the local submarket was reported to be at a rate in the range from 0.81 to 4.00 homes per week on average per project, with approximately 3 months of existing single-family detached dwelling inventory based on that absorption rate.

Within the Newport Beach/Irvine submarket new detached home prices start in the $433,000 to $500,000 price range, but most of the sales in the 4th quarter of 2005 have been for homes in the greater than $825,000 price range.

New attached home prices start in the $425,000 to $500,000 price range, but most of the sales in the 4th quarter of 2005 have been for homes in the $675,000 to $730,000 price range.

According to the Orange County Residential Trends Executive Summary, published by Market Pointe Realty Advisors, there were 24 actively marketing new residential projects within the City of Irvine as of December 2005. Of these 24 projects, 9 were attached projects and 15 were detached projects. Of the 15 detached residential projects, the lot sizes vary from 2,500 sq.ft. to 13,000 sq.ft. The most frequent lot sizes are 3,00 sq.ft. and 5,000 sq.ft. Three projects have average lot sizes of 3,000 sq.ft. and three projects have average lot sizes of 5,000 sq.ft. The median lot size is 4,000 sq.ft. and the average lot size is 4,710 sq.ft.

Based on our review of supply and demand data regarding single-family residential properties, it appears that additions to supply are occurring at a rate that is keeping pace with local demand. The impact from strong demand, along with a corresponding increase in supply, is typically level prices. The market data indicates that even with supply growing at a fairly rapid rate, prices have continued to increase. The current increases in prices are also related to increases in the costs of labor and materials as well as permits and fees.

Market Analysis Conclusions

The social environment of the local market area can be described as continuing to grow. The economic environment is in a sluggish expansion phase. Expansion is hampered by slow job growth and a huge state budget deficit. The unemployment rate has recently been decreasing. The regulations imposed by all levels of government have attempted to promote orderly growth, provide a mix of land uses, and create a desirable environment in which to live and work.

The physical environment of the area is desirable as evidenced by continued growth in the City of Irvine and Orange County over the last decade. The natural environment, with its mild weather, is supported by an overcrowded transportation network and an adequate public service infrastructure.

The residential market overview supports the strength of demand in the local area. The fundamental demand characteristics are fairly strong due to a reasonably high percentage of owners in the area, the high income levels, good quality schools, recreational facilities in close proximity, good linkage to retail uses, and good freeway accessibility. Our analysis of the relationship between population and income levels indicates that demand for attached and detached residential properties exists within the local population.

VALUATION METHODOLOGY

Basis of Valuation

Valuation is based upon general and specific background experience, opinions of qualified informed persons, consideration of all data gathered during the investigative phase of the appraisal, and analysis of all market data available to the appraiser.

Valuation Approaches

Three basic approaches to value are available to the appraiser: the Cost Approach, the Income Approach, and the Sales Comparison Approach.

Cost Approach

This approach entails the preparation of a replacement or reproduction cost estimate of the subject property improvements as if they were new and then deducting for losses in value sustained through age, wear and tear, functionally obsolescent features, and external factors affecting the property.

The land value is then added to the depreciated cost and entrepreneurial incentive to arrive at a value estimate.

Income Approach

This approach is based upon the theory that the value of property tends to be set by the expected net income to the owner. It is in effect the capitalization of the expected future income into present worth. This approach requires an estimate of net income, an analysis of all expense items, the selection of a capitalization technique, and the processing of the net income stream into a value estimate.

Sales Comparison Approach

This approach is based upon the principle that the value of a property tends to be set by the price at which comparable properties have recently been sold or for which they can be acquired.

This approach requires a detailed comparison of sales of comparable properties with the subject property. One of the main requisites, therefore, is that sufficient transactions of comparable properties be available to provide an accurate indicator of value and that accurate information regarding price, terms, property description, and use be obtained through interview and observation.

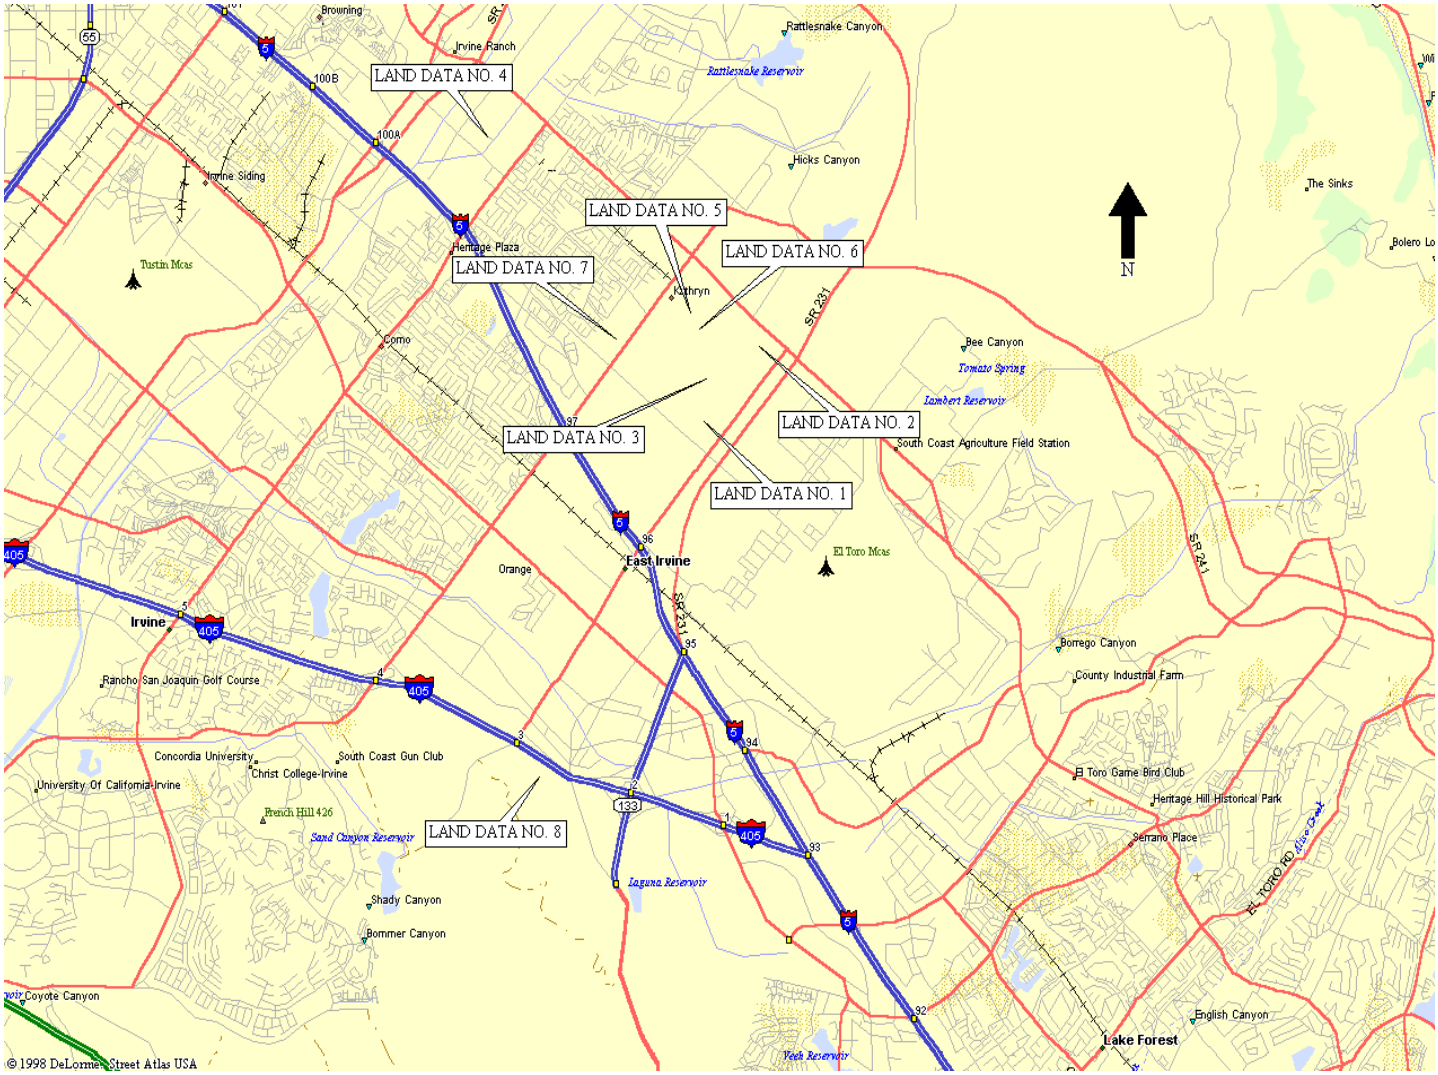
Since the hypothetical subject site is a vacant land parcel, the Sales Comparison Approach has been utilized to arrive at an opinion of the value.

No Cost Approach or Income Approach were utilized, since they are not relevant valuation approaches for formulating an opinion of the value of a vacant parcel of real estate.

SALES COMPARISON APPROACH

The Sales Comparison Approach to Value consists of a comparison of the entire property being appraised or various portions thereof with other similar properties which have sold or which are offered for sale. The indication of market value is the price at which an equally desirable property has recently sold, or can be purchased in the open market. The value found by the study of comparable sales yields market value directly in accordance with its legal definition. This approach is based on the principle of substitution which asserts that, when a property is replaceable, its value tends to be set by the cost of acquisition of an equally desirable substitute property, assuming no costly delay is encountered in making the substitutions.

Market Data Investigation



A search was undertaken to uncover sales of comparable residentially zoned land within the City of Irvine that occurred between June 2003 and the current time. Our search uncovered 5 closed sales and 3 escrows located in the competitive market area within the City of Irvine.

On the following page is a summary of the land sale data used in the valuation analyses. On the page after the sales summary is a map indicating the location of the sale data. After the map are data sheets with comparative characteristics between the hypothetical subject property and each of the sales. Following the data sheets is the land data analysis. Photographs of the comparable land data are included in the Addenda to this report for reference.

This property sold with a tract map approval for the development of 111 cluster style single-family residences to be constructed in 5 phases. The finished site cost was estimated to be approximately $245,000. In addition to the reported sale price for the land, The Irvine Company also receives a portion of the profit from the sale of the homes constructed on the land.

Compared with the subject site, this parcel is smaller in size and it is in a newly developing area of the City of Irvine. This site is in a similar vacant site physical condition as the subject property. The zoning on this site is similar and this property sold with similar fee requirements. The density of development is similar. This site is similar to the subject site in having approvals for development. This site has typical street visibility and access, which is comparable to the subject property. This arm's length, all cash to the seller, fee simple estate transfer occurred approximately 33 months prior to the date of value. After making the necessary adjustments, the indicated value of the subject site from this comparable is $362,571 per unit or $97.04 per square foot.

Analysis of the Land Sale Data

Five comparable closed land sales and three escrows with a very high probability of closing were utilized in the analysis to reach an opinion of the hypothetical subject property's site value. Based on discussions with developers of similar properties and active real estate agents in the local market, the units of comparison used in the local market for residentially zoned land are the price per unit and the price per square foot of site area.

Adjustments to all of the comparables were considered for property rights transferred, condition of sale, financing terms, demolition costs, date of sale or market conditions, status of development approvals, location, fee requirements, physical condition of the site, density of development, size of the site, and zoning differences.

Adjustments to the land sale data were based on interviews with buyers, sellers, and agents active in the local market, general economic trends, analysis of the land sale data set to extract matched-pair adjustments, where possible, and from our appraisal experience from analyzing similar data sets to extract similar adjustments. Included below are a summary of the adjustments considered for each of the comparable land data.

Price Per Unit Analysis

All of the sales were transfers of fee simple estate's, therefore no property rights transferred adjustments are necessary for any of the comparables.

All of the sales were arm’s length transactions with no adjustments necessary.

All of the sales were all cash to the seller transactions and the escrows are also indicated to be based on an all cash transaction, therefore no adjustments are necessary for financing.

All of the land comparables were vacant sites and no demolition costs adjustments are necessary.

The market conditions adjustment for the time period from 7/04 to the current time was extracted through a comparative analysis of Land Data Nos. 1 and 6, which are in the same planning area, have similar densities of development, and fairly similar site sizes. This comparative analysis provided market support for a 2.5% per month increase over the time period from 7/04 through the current time.

For the 6/03 to 7/04 time period a comparative analysis of other land sale data in our files from the Village of Woodbury, that are similar in size and similar in density, indicated market support for a 20% increase over the 6/03 to the 7/04 time period. Based on the changes in market conditions supported above, upward adjustments of 2.5%, 42.5%, 50%, 70%, and 70% were applied to Land Data Nos. 4 through 8, respectively.

Land Data Nos. 1, 2, and 3 have currently scheduled escrows closing and no adjustments for market conditions or the escrow status are necessary. The escrow status is only to provide time for completion of the land improvements so that the home builder can construct homes. Therefore, no adjustments for the escrow status of Land Data Nos. 1 through 3 are warranted.

The status of approvals adjustment relates to the governmental approvals necessary before development can occur on a site. As stated previously, the subject property is specifically assumed to have approvals for development of a medium-density residential project within a density of 12 Du's/Ac.

The zoning and status of approvals adjustments are considered as one adjustment since the zoning is often modified through the process of obtaining approvals for development.

All of the land data had approvals for development at the time of sale and no adjustment for that factor is necessary.

Note that all percentage adjustments are extracted from and applied to the arm's length, all cash, vacant site, current time adjusted price indicator from each sale comparable.

All of the comparables were in a ready to develop condition similar to the subject site, as of the date of sale. Therefore, no adjustments are necessary for physical conditions.

No location adjustment was extracted or applied since all of the comparable land data are located within the City of Irvine. Although some locations are superior (e.g., south of the San Diego Freeway) to others within the City of Irvine, the opinion provided in this consulting analysis represents an average value for a medium-density residential site anywhere in the City of Irvine.

All residential parcels in the City of Irvine have similar fee requirements and no adjustments are necessary for fee differences.

All of the sale comparables have an approved density of development range from 7 to 17 dwelling units per acre. A comparison of the adjusted indicators from each of the sale data supported downward adjustments of 35%, 25%, 10%, and 10% to Land Data Nos. 4, 6, 1, and 7, respectively, due to their lower densities compared to the subject property. Land Data Nos. 5, 8, 2, and 3 were adjusted upward by 3%, 3%, 5%, and 8%, respectively, due to their higher densities of development.

After making all of the previously discussed adjustments, a comparison of the adjusted indicators was made to extract or observe any adjustment for size differences. The comparative analysis indicated no support for an adjustment to the land data for size differences between 8.40 acres and 12.00 acres. In addition, the phased take-down of the land parcels results in most take-down parcels being similar in size and containing from 14 to 25 units per phase.

The price per unit indicators from the comparable land sales range from $207,065 to $553,111 before making any adjustments. After adjustments were considered for property rights transferred, condition of sale, financing, demolition costs, time of sale or market conditions, physical condition of the land, fee requirements, location, status of development approvals, density of development, and site size, the indicated price range per unit for the subject property, based on a density level of 12 Du's/Ac and a size of 12 acres, from the comparables is from $348,840 to $430,264.

The greatest weight has been given to the value indications provided by Land Data Nos. 3, 5, and 8, due to similarities to the subject property in either time of sale, physical condition, location, density, status of approvals, size, or zoning.

Secondary weight has been given to the value indication provided by Land Data Nos. 1, 2, and 7, due to those comparables being similar to the subject property in either time of sale or density.

The least weight has been given to the value indication provided by Land Data Nos. 4 and 6, due to those comparables having the lowest densities of development.

Based on the comparative analysis performed, we have concluded on an opinion of the value for the subject hypothetical site, based on a density of 12 Du's/Ac and a size of 12 acres, of $370,000 per unit. Based on a potential of 12 units per acre, the land value per acre is calculated as follows:

12 Units X $370,000 = $4,440,000

Say $4,440,000 per Acre

Price Per Square Foot Analysis

The price per square foot analysis was performed in the same manner as the price per unit analysis.

The price per square foot indicators from the comparables range from $54.25 to $130.72 before making any adjustments. After adjustments were considered for property rights transferred, condition of sale, financing, demolition costs, time of sale or market conditions, fee requirements, physical condition of the land, location, status of development approvals, density of development, and site size, the indicated price range per square foot for the subject property, based on a density level of 12 Du's/Ac, from the comparables is from $86.80 to $105.60.

The greatest weight has been given to the value indications provided by Land Data Nos. 3, 5, and 8, due to similarities to the subject property in either time of sale, physical condition, location, density, status of approvals, size, or zoning.

Secondary weight has been given to the value indication provided by Land Data Nos. 1, 2, and 7, due to those comparables being similar to the subject property in either time of sale or density.

The least weight has been given to the value indication provided by Land Data Nos. 4 and 6, due to those comparables having the lowest densities of development.

Based on the comparative analysis performed, we have concluded on an opinion of the value for the subject site, based on a density of 12 Du's/Ac and a size of 12 acres, of $96.00 per square foot of site area. Based on a one acre site, the land value is calculated as follows:

43,560 Sq.Ft. X $96.00 = $4,181,760

Say $4,180,000 per Acre

Reconciliation of the Sales Comparison Approach

The price per unit value opinion for the subject hypothetical parcel (12 acres in size) is $4,440,000 per acre. The price per square foot value opinion is $4,180,000 per acre.

The greatest weight is given to the price per unit analysis since the most probable buyer, a developer, is most interested in the number of units that can be constructed on the property.

The price per square foot analysis is given secondary weight since it is relied upon by developers in the local market, but not to the degree that the price per unit is relied upon.

Based on the preceding investigations and analyses, the market value opinion for the hypothetical subject property is $4,400,000 per acre for a site size that totals 12 acres with approvals for development at a density of 12 Du's/Ac and located within the City of Irvine.

VALUATION

Based upon the investigations conducted, the analyses made, and on our experience as real estate consultants and appraisers, we have formed the opinion that, as of April 14, 2006, and subject to the Assumptions and Limiting Conditions set forth in this report, the subject hypothetical property located within the City of Irvine has a market value of the fee simple estate per acre, assuming the site is rough graded and in a fairly level condition, with access and utilities available, zoned for medium-density residential land use with a density of 12 dwelling units per acre (Du's/Ac), and has entitlements to build, as follow:

FOUR MILLION FOUR HUNDRED THOUSAND DOLLARS PER ACRE

$4,400,000/Acre

HOME GRANT AGREEMENT

This HOME GRANT AGREEMENT ("**Agreement**") is entered into as of this 1st day of November, 2013, between the CITY OF IRVINE, a California municipal corporation ("**City**"), and the IRVINE COMMUNITY LAND TRUST, a California nonprofit public benefit corporation ("**Participant**").

RECITALS

A. Participant is a duly organized California nonprofit public benefit corporation, certified by the United States Internal Revenue Service as a public charity under Internal Revenue Code sections 501(c)(3) and 509(a)(3).

B. AMCAL Multi-Housing, Inc., a California nonprofit public benefit corporation ("**AMCAL**") has entered into an Affordable Housing and Development Agreement ("**Original AHDA**") with Participant pursuant to which Participant has agreed to ground lease that certain unimproved real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Exhibit "A" ("**Property**") to AMCAL, and AMCAL has agreed to develop and operate thereon a 104-unit affordable residential rental project and related improvements ("**Project**"). The Original AHDA has been amended on two previous occasions (as amended, the "**AHDA**").

C. City participates in the HOME Investment Partnerships Act program administered by the United States Department of Housing and Urban Development ("**HUD**") under Title II of the Cranston-Gonzalez National Affordable Housing Act, as amended (42 U.S.C. § 12741, *et seq.*), and the implementing regulations (24 C.F.R. § 92, *et seq.*). Pursuant to said program, the City receives funds from HUD ("**HOME Funds**") to be used for the acquisition and development of affordable housing projects.

D. On or about April 23, 2013, as part of City's 2013-14 program year funding process for HOME, City approved an allocation of HOME Funds to be provided to Participant for the acquisition costs attributable to four (4) of the Project units referred to herein as the "**HOME Units**" in the form of a grant in an amount not to exceed the sum of Three Hundred Eighty-Two Thousand Nine Hundred Forty-Eight Dollars ($382,948). On or about July 23, 2013, City increased its allocation of HOME Funds to be provided to Participant for the acquisition costs attributable to the HOME Units to an amount not to exceed the sum of Four Hundred Sixteen Thousand Nine Hundred Thirty Dollars ($416,930) ("**HOME Grant Amount**" or "**City Grant**").

E. AMCAL Multi-Housing Two LLC, a California limited liability company and Participant have entered into that certain Operating Agreement of Alegre GP, LLC, a California limited liability company ("**Alegre GP**") dated November 1, 2013 ("**Operating Agreement**"), pursuant to which a limited partnership entity known as AMCAL Alegre Fund, L.P. ("**Lessee**") will assume AMCAL's rights and obligations under the AHDA to ground lease the Property, develop the Project, and operate the Programs. Participant and Alegre GP are members of the administrative general partner of the Lessee.

F. City's provision of the City Grant to Participant pursuant to this Agreement, and the fulfillment generally of this Agreement, are in the vital and best interests of the City and the

welfare of its residents, and in accordance with the purpose and provisions of the HOME Investment Partnerships Act program.

AGREEMENT

Based upon the foregoing Recitals, which are incorporated herein by this reference, and for good and valuable consideration, the receipt and sufficiency of which is acknowledged by both parties, City and Participant hereby agree as follows:

1. DEFINITIONS.

The following terms as used in this Agreement (including in the Recitals above) shall have the meanings given below unless expressly provided to the contrary:

"AD 11-24 Assessment Lien" shall mean the assessment lien on the Property payable to AD-24, pursuant to the requirement of Section 3.2 of the Irvine Company Declaration.

"Affordable Rent" shall mean the rent limits set forth in the HOME Requirements including 24 C.F.R. §92.252.

"Agreement" shall mean this Home Grant Agreement between City and Participant, including all exhibits and other documents attached hereto. This Agreement also constitutes the written agreement required under 24 C.F.R. §§ 92.504(b) and 92.504(c)(3) to be entered into by an owner/Participant for disbursements of HOME Funds.

"AMCAL" shall mean AMCAL Multi-Housing, Inc., a California nonprofit public benefit corporation, and its successors and assigns.

"AMCAL Multi-Housing Two" shall mean AMCAL Multi-Housing Two LLC, a California limited liability company, and its successors and assigns.

"CFD No. 09-1" shall mean Community Facilities District No. 09-1 of the Irvine Unified School District.

"HOME Units" shall mean four (4) units in the Project comprised of 2 two-bedroom units, 1 three-bedroom unit, and 1 four-bedroom unit, which shall be income restricted in accordance with the Unit Mix. The initial Home Units shall be designated in the Regulatory Agreement. Thereafter, in accordance with 24 C.F.R. § 92.252(j), the HOME Units shall be permitted to float among all 104 units in the Project so long as the HOME Units are comprised of the bedroom mix set forth in the preceding sentence and each substituted HOME Unit is comparable in terms of size and features to the originally designated HOME Unit.

"Irvine Company" shall mean, collectively, the Irvine Land Company, LLC, a Delaware limited liability company, and the Irvine Community Development Company, LLC, a Delaware limited liability company.

"Irvine Company Declaration" shall mean that certain Declaration of Special Land Use Restrictions entered into between City and the Irvine Company and recorded on June 1, 2012, as Instrument No. 2012-000313707, in the Official Records of the County of Orange, which, in

addition to other restrictions, restricts the use of the Property for the development of affordable housing.

"Land Trust Loan Agreement" shall mean, for this Agreement, that certain Affordable Housing and Loan Agreement (HOME Funds), of or about even date as this Agreement, entered into between Participant and Lessee providing for Participant to loan to Lessee an amount not to exceed the HOME Grant Amount for the development of the Project.

"Lease" shall mean the binding lease agreement to be entered into between Lessee, as lessee, and Participant, as lessor, for the lease of the Property to Lessee, consistent with the terms of Section 3.1 of this Agreement, and approved by the City.

"Lessee" shall mean the limited partnership entity known as "AMCAL Alegre Fund, L.P.," formed by Alegre GP to be the "Lessee" under the Lease and to develop the Project and operate the Program, and its successors and assigns. Alegre GP and Participant must at all times be members of the administrative general partner of the Lessee. As to the AHDA and any other agreement entered into by AMCAL relating to the Project, which agreements are to be assigned to Lessee, the term "Lessee" shall also be deemed to refer to AMCAL during the period that AMCAL is obligated under said agreements.

"Median Income" shall mean the Orange County area median income, as determined by HUD pursuant to the HOME Requirements.

"NITM Agreement" shall mean that certain NITM Program implementing Agreement between City, on the one hand, and Irvine Community Development Company LLC and the Irvine Company, on the other hand, dated July 15, 2003, and recorded in the Official Records of the County of Orange as Instrument No. 2003-000885815.

"Notice to Proceed" shall mean the written notice from City to the Participant Representative notifying Participant that the Funding Conditions have been satisfied such that Participant can commence the activities under this Agreement for the development of the Project. Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to provide any City Grant proceeds for any Eligible Project Expenses incurred prior to City's issuance of the Notice to Proceed.

"Other Land Trust and City Loan Documents" shall mean the following: (i) the AHDA, (ii) the Land Trust Loan Agreement, (iii) the Regulatory Agreement, (iv) that certain Community Development Block Grant Agreement entered into by and between City and Participant concurrently herewith, (v) that certain Affordable Housing and Loan Agreement (CDBG Funds) of or about even date hereof by and between Participant and Lessee, (vi) that certain Regulatory Agreement and Declaration of Covenants and Restrictions (CDBG Funds) of or about even date hereof by and between Participant and Lessee, and (vii) that certain Affordable Housing Regulatory Agreement of or about even date hereof and between Participant and Lessee, and as any of those aforementioned agreements may be amended from time to time.

"Participant" shall mean the Irvine Community Land Trust, a California nonprofit public benefit corporation, and its successors and assigns. City agrees that it shall accept performance under this Agreement by the Lessee to the same extent as if performance was tendered by Participant.

"Participant Personnel" shall mean (a) any employee, volunteer, contractor, subcontractor, or agent of Participant or any other person under Participant's supervision and direction, including the contractors and subcontractors constructing the Project, and (b) the Lessee. Participant is responsible for the full compliance of all Participant Personnel with this Agreement, including without limitation all labor standards applicable to the Project.

"Participant Representative" shall mean Mark Asturias, Executive Director, who is designated by Participant to represent Participant in the administration of this Agreement.

"Performance Reports" shall mean the semi-annual reports to be submitted by Participant to City on the status of the development of the Project and on the operation of the Program, as more fully explained in Section 8.2.1(a) of this Agreement.

"Program" shall mean the affordable rental housing program to be operated on the Property and all obligations and activities that constitute the Program Services.

"Program Services" shall collectively refer to the following activities and tasks to be performed by Participant under this Agreement: (a) the operation of the Program in accordance with the description set forth in this Agreement and the Regulatory Agreement; and (b) all activities, services, tasks, and operations related to the Program described in this Agreement and the Regulatory Agreement, including without limitation those set forth in Section 4.1 of this Agreement.

"Project" shall mean the acquisition of the leasehold interest in the Property and the grading of the Property and the development on the Property of a 104-unit apartment project with landscaping, driveways, and related improvements, and all other on-site and off-site improvements required for development, with all improvements to be consistent with the development and building plans and permits approved by City. The 104 units shall be comprised of one-bedroom units, two-bedroom units, three-bedroom units, and four-bedroom units, and shall be restricted to occupancy by Eligible HOME Unit Tenants in accordance with the Unit Mix and Regulatory Agreement. In the event of any inconsistency between the description of the Project in this Agreement and the approved plans and permits, the approved plans and permits shall govern.

"Project Budget" shall mean the costs estimates for the development of the Project set forth in Exhibit"B" to this Agreement. The Project Budget may not be materially changed without the prior written approval of City's Contract Officer (a material change is a change that causes the total Project costs, or any line item in the Project Budget, to increase or decrease by more than ten percent (10%) from what is shown in the Project Budget).

"Property" shall mean that certain real property located at in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Exhibit "A."

"Regulatory Agreement" shall mean that certain Regulatory Agreement and Declaration of Covenants and Restrictions (HOME Funds) to be entered into by and between Participant and Lessee in the form attached to and pursuant to the Land Trust Loan Agreement, which will require that the HOME Units be rented to Eligible HOME Unit Tenants at an Affordable Rent.

"Schedule of Performance" shall mean that certain Schedule of Performance attached hereto as Exhibit "C" and incorporated herein by reference, setting out the dates and/or time periods by which certain obligations and tasks must be performed and completed.

"Six-Month Period" shall mean each of the two (6) month periods during a fiscal year commencing July 1 or January 1.

"Third Party Contracts" shall have the meaning ascribed in Section 5 of this Agreement.

"Unit Mix" shall mean the household income levels permitted for each HOME Unit on the Property as set forth in the Regulatory Agreement.

2. CITY GRANT.

2.1 Grant of Funds; Eligible Project Expenses. Subject to the terms and conditions set forth herein and provided Participant is not in default of this Agreement, City shall provide the City Grant to Participant to be applied towards the costs of the Eligible Project Expenses. The City Grant proceeds may be used only for the Eligible Project Expenses that are actually and reasonably incurred and approved by City, and for no other purpose.

2.2 City Grant Funding Conditions. Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to disburse any City Grant proceeds until such time that all of the following conditions (collectively the "**Funding Conditions**") are satisfied, or waived by City in its sole discretion:

(a) *Insurance.* Participant shall have provided to City evidence of the insurance required under Section 9.1 of this Agreement.

(b) *Plans and Permits.* Participant or Lessee shall have obtained grading permits for the Project or such permits shall be ready to be issued upon the payment of fees and all other development approvals shall have been issued except for building permits.

(c) *Evidence of Financing.* City shall have approved Lessee's evidence of financing in accordance with Section 2.4 of this Agreement, and the financing specific to the construction of the Project shall close and be available to Lessee.

(d) *Ground Lease.* Lessee and Participant shall have entered into the Lease and the Lease shall be in full force and effect with no defaults existing and all contingencies satisfied (i.e., there are no conditions that remain to be satisfied for the effectiveness of the Lease or the performance of either party thereunder and the fulfillment of the Lease and Lessee's possession of the Property is absolute and not terminable and not subject to any unsatisfied conditions).

(e) *Other Agreements.* The Other Land Trust and City Loan Documents shall have been executed by Lessee and be ready to be recorded against the Property (as applicable), there shall be no event of default under any of said agreements or the occurrence of any event which would constitute a default with the passage of time or the giving of notice, and all conditions to the initial disbursement of funds under said

agreements shall have been satisfied. The Regulatory Agreement shall have been executed by Participant and Lessee, and be ready to be recorded against the Property.

(f) *Assignment.* AMCAL shall have assigned its interest in the AHDA and the Other Land Trust and City Loan Documents to which it is a party to Lessee.

(g) *Clearance.* If applicable, in accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," the Request for Release of Funds and related certifications have been approved for the Project or City has determined an exemption is applicable.

(h) *Approval of Third Party Contracts.* City shall have approved any Third Party Contracts entered into before commencement of construction that City elects to review.

(i) *No Default.* There shall be no event of default under this Agreement, and there shall be no event which, with the passage of time or the giving of notice, would constitute a default, and all representations and warranties of Participant in this Agreement remain true and correct in all material respects.

(j) *HUD Approvals.* City has received all approvals required from HUD for the disbursement of the City Grant.

In the event that any of the Funding Conditions are not satisfied on or before November 15, 2013, or such later deadline as may be mutually approved by City and Participant in the sole and absolute discretion of each of them, City may terminate this Agreement by delivering written notice to Participant.

2.3 Disbursement of City Grant. Provided Participant is not in default of this Agreement, the City Grant, less the Holdback Amount, shall be deposited into the Construction Escrow upon the satisfaction of all of the Funding Conditions and the parties shall instruct the Escrow Holder to apply the deposited City Grant proceeds (e.g., the City Grant less the Holdback Amount) to the Eligible Project Expenses incurred at the close of the Construction Escrow. In the event the Eligible Project Expenses are not incurred by Participant within ten (10) days after City's deposit of said funds, or such longer time as City approves in its sole discretion, City shall have the right to require that Participant return the City Grant proceeds to City. In addition, if it is determined, as a result of an audit or otherwise, that the disbursement of City Grant proceeds were improper or made for expenditures not eligible for payment, Participant shall immediately repay to City the amounts of such disbursements. City shall release the Holdback Amount to Participant on or after the date that is twelve (12) months prior to the date City anticipates that all building permits issued for the Project will have obtained final inspection approval (as noted on each building permit card).

2.4 Evidence of Financial Capability. No later than five (5) days after the Effective Date, Participant shall submit to City evidence reasonably satisfactory to City that Lessee has the financial capability necessary to develop the Project pursuant to this Agreement and the Project Budget. Such evidence of financial capability shall include the following:

(a) a copy of the commitment or loan agreement obtained by Lessee for each source of funds to assist in financing the construction of the Project. All copies of commitments submitted by Participant to City shall be certified by Lessee to be true and correct copies thereof. Each commitment for financing shall be in such form and content acceptable to City as reasonably evidences a firm and enforceable commitment, with only those conditions which are standard or typical for the lender involved for similar projects;

(b) if the total costs set forth in the Project Budget exceed the amount of financing commitments received pursuant to subparagraph (a) above, a financial statement and/or other documentation reasonably satisfactory to City sufficient to demonstrate that Lessee has adequate funds available and committed to cover such difference; and

(c) a copy of the guaranteed maximum price or stipulated sum construction contract between Lessee and its general contractor for all of the improvements required to be constructed by Lessee hereunder, certified by Lessee to be a true and correct copy thereof.

3. ACQUISITION OF LEASE AND DEVELOPMENT OF PROJECT.

3.1 Acquisition of Leasehold Interest in Property. Lessee's execution of a ground lease with Participant ("**Lease**") on the terms set forth herein is a Funding Condition. The Lease (a) shall have a term of no less than the lesser of (i) fifty-nine (59) years or (ii) fifty-six (56) years from the date that all buildings in the Project have obtained final inspection approval under the building permits issued therefor (as noted on each building permit card), (b) shall permit the Property to be developed and operated in accordance with the terms set forth in this Agreement and the Regulatory Agreement, and shall otherwise be consistent with this Agreement and the Regulatory Agreement, such that compliance with this Agreement and the Regulatory Agreement will not cause a default under the Lease and vice versa, (c) shall provide leasehold mortgagees notice and cure rights under the Lease in the event of a default by Lessee, and (d) shall recognize the rights of leasehold mortgagees to become the legal holder and owner of the interest of Lessee under the Lease by foreclosure or other enforcement proceeding and to thereafter assign the Lease to a new tenant to operate the Property in accordance with the Lease. City shall have the right to approve the form of the Lease before it is executed for the limited purpose of confirming that the foregoing conditions are satisfied. Upon execution of the Lease by Participant and Lessee, Participant shall deliver or cause Lessee to deliver a copy of the executed Lease to City. Notwithstanding the foregoing, City approves the form of the ground lease attached as Attachment No. 10 to the AHDA.

3.2 Scope of Work. Participant shall develop or cause to be developed the Project on the Property in strict accordance with the plans and drawings approved by City and in accordance with all applicable law, rules and regulations, including those set forth in Exhibit "D" to this Agreement. If Participant or Lessee desires to make any change in any approved development or building plans, the proposed change shall be submitted to City for approval. Participant shall be responsible for all construction and installation and for obtaining or causing Lessee to obtain all necessary permits and approvals.

3.3 Development Approvals and Permits. Prior to commencement of the grading of the Property, Participant shall, at its own expense, secure or cause to be secured the grading permit from City and all permits, licenses and approvals which may be required by any governmental agency having jurisdiction over the Property and the Project other than building permits. Prior to commencement of development of any other improvements to the Property, Participant shall have obtained, at its own expense, approval of the final plans for the Project and the building permits for the Project.

3.4 Construction Contract. Participant acknowledges that the requirements of Section 5 of this Agreement shall apply to the construction contracts and subcontracts for the Project and Participant shall ensure compliance with all such provisions and requirements. Participant shall cause the inclusion of the applicable classification and wage rate determination for the Project in the construction contract for the Project, which, if authorized by law, may be satisfied by Participant incorporating by reference said classification and wage rate determination. City shall have the right to approve the classification and wage rate that is included with the construction contract and posted for the Project.

3.5 No Debarred, Suspended, or Ineligible Parties. Participant shall not permit Lessee to employ, engage the services of, or award any contractors to any party that is debarred, suspended, or otherwise ineligible to participate in a project that is receiving HOME Funds pursuant to the HOME Requirements and any other laws, rules and regulations. Participant shall provide to City such certifications as required by City demonstrating compliance with this Section.

3.6 Construction Meeting. Participant shall attend and cause the contractor(s) for the Project to attend any construction meetings or conferences arranged by City among the contractor, Participant, and City, including pre-construction meetings, relating to undertaking and completing the Project in conformance with this Agreement and applicable local, state, and federal laws.

3.7 Schedule of Performance. Participant shall submit or cause Lessee to submit all required plans and drawings, commence and complete construction of the Project, and satisfy or cause Lessee to satisfy all other obligations and conditions of this Agreement within the times established in the Schedule of Performance and this Agreement. Once construction of the Project is commenced, it shall be continuously and diligently pursued to completion, and shall not be abandoned for more than ten (10) consecutive business days. The Schedule of Performance is subject to revision from time to time as may be mutually agreed upon between Participant and City, including extensions to complete the Funding Conditions (Item 3 in the Schedule of Performance), commencement of grading (Item 4 in the Schedule of Performance), and/or commencement of construction of vertical improvements for the Project (Item 5 in the Schedule of Performance) resulting from a delay caused by a party to an agreement with Lessee in approving or disbursing that party's funding for the construction of the Project by the anticipated closing date of the Construction Escrow. During the course of construction, Participant shall, if requested by City, provide to City monthly written reports on the progress of construction.

3.8 Rights of Inspection. Representatives of the City shall have a reasonable right of access to the Property during normal business hours for the purposes of this Agreement,

including, but not limited to, the inspection of the work being performed and the interviewing of laborers and mechanics employed on the Project. Participant shall cooperate with, and shall cause Lessee, the contractor and any subcontractor to cooperate with, City in connection with its inspection and access rights. It is understood that City does not by this Section 3.8 assume any responsibility or liability for a negligent inspection or failure to inspect. All inspections by City or on behalf of City, approvals of payment requests by City and other actions by City in connection therewith are not to be construed as a representation by City that there has been compliance with any permits or plans and specifications, legal requirements, or that the Project is free of defects in materials or workmanship. Any inspections or determinations made by City or lien waivers, receipts, or other agreements, documents, and instruments obtained by City are made or obtained solely for City's own benefit and not in any way for the benefit or protection of Participant. City has no obligation to Participant to ensure compliance by the contractor or any other person in carrying out such construction. No such inspections or review will limit any of the rights and remedies of City pursuant to this Agreement.

3.9 Project Costs. Except to the extent City has specifically agreed to provide the City Grant pursuant to Section 2, Participant and/or Lessee shall be responsible for all costs related to the Project.

4. OPERATION OF PROGRAM; USE OF PROPERTY.

4.1 Obligation to Operate Program; Program Description. Commencing from the date the City Grant is first spent for the Property and continuing for the term of the Regulatory Agreement, Participant shall operate or cause the operation of the Program and perform the Program Services on a continuous basis and shall use the Property for no other purpose. The Program shall consist of the operation of a 104-unit affordable housing rental project, with the HOME Units rented to Eligible HOME Unit Tenants at an Affordable Rent in accordance with the Unit Mix, on the terms set forth in this Agreement and the Regulatory Agreement.

4.2 Standard of Performance. Participant shall operate or cause to be operated the Program, and perform or cause to be performed all Program Services, in a competent, professional, and first class manner and to the satisfaction of City in its reasonable discretion and in accordance with this Agreement. In addition, Participant shall operate the Program and perform the Program Services in compliance with the HOME Requirements. In addition to the semi-annual reports referred to in Section 8.2, Participant shall, if requested by City, provide to City monthly written reports on the progress of any Program Service. Participant shall cause the Program Services to be performed by Participant or Participant Personnel under Participant's direct supervision, and shall ensure that all Participant Personnel engaged in the Program Services are fully qualified and authorized and permitted under applicable law to operate the Program. Participant shall secure or cause Lessee to secure, at its sole cost and expense, any and all licenses, permits and approvals that may be required by law for the performance of the Program Services. Participant shall be responsible for all costs related to the Program.

4.3 Management. If any manager or supervisor of the Program engages in any of the conduct described in Section 4.5 or knowingly allows such conduct to occur at the Property or by Participant Personnel, or knowingly allows illegal activity to occur at the Property, City shall have the right to require that Participant immediately replace or cause Lessee to replace such manager or supervisor of the Program.

4.4 Drug Free Covenant. Participant shall use best efforts to maintain or cause Lessee to maintain a drug free environment on the Property. Participant covenants to City that Participant shall use its best efforts to ensure that Participant Personnel and all persons working or residing on the Property shall not unlawfully manufacture, distribute, dispense, possess or use controlled substances, as said term is defined in 21 United States Code Section 812 and California Health and Safety Code Section 11007 (or successor statutes), including marijuana, heroin, cocaine, and amphetamines on the Property.

4.5 Program Defaults. If the Participant shall or permit Participant Personnel to:

(a) engage in any act injuring, abusing, mistreating, or endangering any employee or client of the Program or other persons receiving services under the Program, including any tenants or occupants of the Project as reasonably determined by City;

(b) violate the provisions of Section 4.4 above; or

(c) engage in any act or transgression that, in the reasonable judgment of City, may cause embarrassment to City, reflect adversely upon City or City's funding programs or upon Participant, tend to bring the Program into public disrepute, contempt, scandal, or ridicule, or tend to shock, insult or offend the community or public morals or decency, then

City and Participant agree to meet and confer within ten (10) days of the request of the City to determine a resolution reasonably acceptable to the City and the Participant agrees to thereafter promptly implement the resolution. The failure of the Participant to implement the resolution shall constitute a default under this Agreement ("**Program Default**").

4.6 Occupants of Housing Facilities. To the extent permitted by applicable law, Participant shall cause Lessee to include in its occupancy or lease agreements with the persons residing in the facility ("**Occupants**") a requirement that the occurrence of any illegal activity by the Occupant, or by Occupant's guests at the Property, shall be grounds for immediate termination of the Occupant's right to reside within the housing facility and City shall have the right to require that Participant enforce such provision.

5. AGREEMENTS WITH THIRD PARTIES.

5.1 General. If Participant enters into any agreements ("Third Party Contracts") with contractor(s) for the construction of the Project ("Other Contacting Party"), such Third Party Contract shall be subject to the reasonable approval of City and must be consistent with the terms of this Agreement. Participant shall include in all Third Party Contracts the following minimum requirements: (a) provisions for the Other Contracting Party to comply with all terms of this Agreement to the extent applicable to the work or services provided by the Other Contracting Party, and all applicable legal requirements, including the HOME Requirements; (b) provisions for the Other Contracting Party to cooperate with City and make available to City all information, documents, and records reasonably requested by City in connection with the activities under this Agreement; (c) provisions for City to be granted the right of access to the Property for purposes of this Agreement and evaluating Participant's performance hereunder; and (d) a provision naming City as an intended third party beneficiary with the right but not the obligation to enforce the agreement upon the occurrence of and during the continuance of a

default under the relevant Third Party Contract. In connection with the preceding sentence, City shall have the right to require Participant to terminate the Third Party Contract if such default occurs. In addition to the foregoing, Participant shall include in its construction contracts for the Project and cause to be included in any subcontracts a provision that City may interview laborers and mechanics employed on the Project and that the contractors and subcontractors shall require any laborers or mechanics employed or engaged by it to cooperate with City. If Participant believes that any of the HOME Requirements are not applicable to a Third Party Contract, it is Participant's responsibility to provide to City evidence that the requirement is not applicable; however, it is ultimately Participant's responsibility to include all legal requirements in its Third Party Contracts and City shall have no liability for Participant's failure to comply with this obligation. In connection therewith, any statement made by City to Participant as to the non-applicability of a particular legal requirement shall be provided as an accommodation to Participant and as a statement of City's opinion, but shall not be relied upon by Participant or excuse Participant from Participant's responsibility to include all applicable legal requirements in its Third Party Contracts or to comply with such requirements. Participant acknowledges that City's approval of a Third Party Contract shall in no way constitute an assumption by City of any responsibility whatsoever for the construction of the Project or performance of any activity that is the subject of the Third Party Contract, or Participant's or the Other Contracting Party's compliance with applicable laws, statutes, ordinances, codes, rules and regulations, or Participant's compliance with this Agreement. In connection therewith, City assumes no responsibility or liability for any act or omission of any Other Contracting Party and in no way guarantees any of the work to be done or materials to be supplied or services to be performed. Participant shall comply with all terms of Third Party Contracts.

5.2 Lessee Regulatory Agreement. Prior to the commencement of construction of the Project and as a condition to the disbursement of any HOME Grant Funds, Participant shall enter into with Lessee and record against the Property or deliver to City for recordation the Regulatory Agreement. The Regulatory Agreement shall constitute a Third Party Contract and shall be subject to the provisions of this Agreement, including the requirements of Third Party Contracts set forth in Section 5.1. In addition, the Regulatory Agreement shall contain provisions that it cannot be terminated or modified without the prior written consent of City. The Regulatory Agreement also shall require that the HOME Units be rented to Eligible HOME Unit Tenants at an Affordable Rent in accordance with the Unit Mix.

6. PROGRAM INCOME.

Participant shall submit to City semi-annual reports as set forth in Section 8.2 on all program income as defined 24 C.F.R. 92.503(a) generated by activities carried out with HOME Funds, if any. The program income shall, at City's election, (a) be returned to City or (b) retained by Participant and utilized for the Project expenses set forth in the Project Budget or such other activities approved in writing by City, in which case all provisions of this Agreement shall apply to the activities funded by the program income. Upon the completion of the Project or the earlier termination of this Agreement, all unused program income shall be returned to City at the election of City.

7. ADDITIONAL COVENANTS OF PARTICIPANT.

7.1 Compliance with Laws and Regulations and HOME Requirements. Participant shall carry out or cause to be carried out the design, construction and operation of the Project, and operate or cause to be operated the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the HOME Requirements and the legal requirements set forth in Exhibit "D" attached to this Agreement and the statutes referenced therein, the City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all federal and state fair labor standards, including the payment of prevailing wages and compliance with the Davis-Bacon Act unless Participant provides evidence acceptable to City that such requirements are not applicable to the Project. Because the source of the City Grant is funds received from HUD pursuant to the federal government's HOME program, Participant is required to comply with all applicable HOME Requirements. In the case of any conflict between the HOME Requirements and this Agreement, the HOME Requirements shall control; it being understood, however, that in order to be in compliance with this Agreement and the HOME Requirements, Participant shall, to the extent possible, comply with the most restrictive provisions in this Agreement and the HOME Requirements. Each and every provision required by law to be included in this Agreement shall be deemed to be included, and this Agreement shall be read and enforced as though all such provisions were included. Participant acknowledges and agrees that it shall be and remain, and shall cause the Participant Personnel to be and remain, fully knowledgeable and apprised of all local, state and federal laws, rules and regulations in any manner affecting the performance under this Agreement, including the HOME Requirements. Participant shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, expense and/or "increased costs" (including reasonable attorneys' fees, court and litigation costs, and fees of expert witnesses) that results or arises in any way from any of the following: (a) the noncompliance by Participant or Participant Personnel of any applicable local, state and/or federal law, including, without limitation, any applicable federal and/or state labor laws (including, without limitation, if applicable, the requirement to pay state or federal prevailing wages and hire apprentices); (b) the implementation of Section 1781 of the Labor Code, as the same may be amended from time to time, or any other similar law, by Participant or Participant Personnel; and/or (c) failure by Participant or Participant Personnel to provide any required disclosure or identification as required by Labor Code Section 1781, as the same may be amended from time to time, or any other similar law. The foregoing indemnity shall survive termination of this Agreement. It is agreed by the parties that, in connection with the development and construction of the Project, including, without limitation, any and all public works (as defined by applicable law), Participant shall bear all risks of payment or non-payment of prevailing wages under federal law and California law and/or the implementation of Labor Code Section 1781, as the same may be amended from time to time, and/or any other similar law. "Increased costs," as used in this Section 7.1, shall have the meaning ascribed to it in Labor Code Section 1781, as the same may be amended from time to time.

7.2 Maintenance. Participant shall maintain or cause to be maintained all improvements on the Property in first class condition and repair (and, as to landscaping, in a healthy condition) and in accordance with any approved plans for the Project, and all other applicable laws, rules, ordinances, orders, and regulations, including without limitation the City

of Irvine Municipal Code, and all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials. In addition, Participant shall make or cause to be made all repairs and replacements necessary to keep the improvements in first class condition and repair and shall promptly eliminate or cause to be eliminated all graffiti and debris and replace or cause to be replaced dead and diseased plants and landscaping with comparable materials. In the event that Participant breaches any of the covenants contained in this Section 7.2 and such default continues for a period of fifteen (15) days after written or verbal notice from City (with respect to landscaping, graffiti, debris, waste material, or general maintenance) or thirty (30) days after written notice from City (with respect to building improvements), then City, in addition to whatever other remedy it may have at law or in equity, shall have the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the default and to protect, maintain, and preserve the improvements and landscaped areas on the Property. Participant shall, immediately upon demand therefor by City, pay to City an amount equal to the expenditures arising from such acts and work of protection, maintenance, and preservation by City and/or costs of such cure, including a ten percent (10%) administrative charge.

7.3 Obligation to Repair. If the improvements on the Property shall be totally or partially destroyed or rendered wholly or partly uninhabitable by fire or other casualty required to be insured against by Participant or Lessee, Participant shall promptly proceed to obtain or cause Lessee to obtain insurance proceeds and take all steps necessary to begin reconstruction and, immediately upon receipt of insurance proceeds, to promptly and diligently commence or cause Lessee to commence the repair or replacement of the improvements so that the Program can continue to be operated, and Participant shall complete or cause Lessee to complete the same as soon as possible thereafter.

7.4 Relocation. Participant, at its sole cost and expense, shall be responsible for providing or causing Lessee to provide any relocation assistance and paying or causing Lessee to pay all relocation costs to any tenants or occupants who may be displaced from the Property if such benefits or assistance are required to be provided by law. Participant shall indemnify, defend, and hold harmless City from and against any and all claims, liabilities, damages or losses made against it by tenants or occupants of the Property, including without limitation claims for relocation assistance, inverse condemnation, and claims otherwise arising from any act or omission of Participant pursuant to this Section 7.4. To the best of Participant's knowledge, there are no occupants or tenants of the Property.

7.5 Liens. Participant shall cause Lessee to pay and promptly discharge all Impositions, liens, encumbrances and charges upon the Property, or any part thereof or interest therein. As used herein, the term "**Impositions**" shall mean all (a) real estate and personal property taxes and other taxes and assessments, water and sewer rates and charges and all other governmental charges and any interest or costs or penalties with respect thereto and charges for any agreement maintained for the benefit of the Property, general and special, ordinary and extraordinary, foreseen and unforeseen, of any kind and nature whatsoever which at any time may be assessed, levied or imposed upon the Project, or the rent or income received therefrom, or any use or occupancy thereof, and (b) other taxes, assessments, fees and governmental charges levied, imposed or assessed upon or against Participant or the Property. In addition, Participant

shall cause Lessee to timely make all payments on all loans secured by the Property or other debts which could give rise to a security interest in the Property.

8. RECORDS AND REPORTS.

8.1 Records.

8.1.1 Records to be Maintained. Participant shall keep and maintain or cause Lessee to keep and maintain records providing a full description of the activities undertaken pursuant to this Agreement, including the development of the Project and operation of the Program, records demonstrating the eligibility of the activities constituting the Eligible Project Expenses, records demonstrating compliance with this Agreement and HOME Requirements, data demonstrating client eligibility for services provided including the name, income level, family size of each client and other information for determining eligibility and a record of the services provided to each client, and such other records as may be reasonably required by City to enable City to evaluate the development of the Project and operation of the Program and Participant's compliance with the HOME Requirements, and to identify and account for the use of the City Grant proceeds and expenditures of Eligible Project Expenses and all costs pertaining to this Agreement, and to enable City to comply with City's record keeping and reporting requirements under the HOME Requirements. Books and records pertaining to the Eligible Project Expenses shall be kept and prepared in accordance with generally accepted accounting principles or as otherwise required by City.

8.1.2 Retention. Participant shall retain or cause Lessee to retain the books and records required to be maintained under this Agreement for a period of five (5) years following the date that the Regulatory Agreement expires or terminates; provided, however, in the event any litigation, audit, negotiation, or other action involving the books and records is commenced prior to the expiration of the five (5) year retention period, Participant shall retain or cause Lessee to retain the books and records until completion of the action and resolution of all issues which arise from it.

8.1.3 Location of Records. The books and records required to be maintained under this Agreement shall be kept at the Property or at the office of Lessee or Participant or such other location as approved by City.

8.1.4 Access to Records. City and its representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Participant pertaining to this Agreement at all times during normal business hours.

8.1.5 Audits. Participant shall perform and cause Lessee to perform all audits of their respective books and records required by the HOME Requirements or City or HUD and a copy of such audits shall be forwarded to the City within thirty (30) days after completion. Participant shall be subject to all audit and review requirements imposed on City in connection with this Agreement and shall, at its sole cost and expense, cause such audits and reviews to be timely performed.

8.2 Reports.

8.2.1 Semi-Annual Reports. No later than fifteen (15) days after the end of each Six-Month Period, Participant shall submit or cause Lessee to submit to City the following semi-annual reports on forms approved by the Contract Officer:

(a) *Performance Reports.* A report on the status of the Project improvements and a summary of the Program Services undertaken by Participant under this Agreement for the previous Six-Month Period ("**Performance Report**"). The Performance Report shall, at a minimum, describe the Program Services performed, the status of the Project, costs incurred, funds remaining, a narrative explanation of problems, delays, or adverse conditions which impaired the ability of Participant to meet any obligations if any were not met, favorable developments which enabled Participant to satisfy obligations and meet objectives sooner or at less cost than anticipated or producing more beneficial results that planned, and any additional pertinent information related to contract performance.

(b) *Program Income.* A report on the program income generated for the Six-Month Period, if any, as more fully explained in Section 6 of this Agreement, which shall include a description of the expenditures of program income and a progress report for the activities funded by the program income if Participant is permitted to retain program income.

8.2.2 Other Reports. In addition to the reports referenced in Section 8.2.1, Participant shall, at such times and in such forms as reasonably required by City, prepare and submit to the Contract Officer, such other reports concerning the activities under this Agreement, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement and compliance with HOME Requirements, as City may reasonably require from time to time.

9. INSURANCE AND INDEMNITY.

9.1 Insurance. Participant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policy of insurance:

Commercial General Liability Insurance. A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars ($1,000,000) or its equivalent.

Participant shall cause Lessee to procure and maintain, at Lessee's sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance:

(a) *Commercial General Liability Insurance.* A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars ($1,000,000) or its equivalent.

(b) *Worker's Compensation Insurance.* A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California.

(c) *Builder's Risk.* Builder's risk coverage written on a completed value basis in an amount equal to the full replacement cost of the improvements with coverage available on the so-called non-reporting "all risk" form of policy, including coverage against collapse, fire, and water damage, with such insurance to be in such amounts and form and written by such companies as shall be approved by City. City agrees to accept a builder's risk insurance policy from the general contractor for the Project in conformance with the requirements set forth herein, including without limitation the requirement that City be named as a loss payee.

(d) *Automobile Liability Insurance.* Automobile liability insurance (bodily injury and property damage liability) which coverage shall include owned, hired, and non-owned automobiles, with limits of liability of not less than Five Hundred Thousand Dollars ($500,000.00) combined single limit per accident for bodily injury and property damage combined.

All of the above policies of insurance shall be primary insurance and except for the Worker's Compensation Insurance shall name the City, its officers, employees and agents as additional insureds or, with respect to the builder's risk policy, as a loss payee. Said policies shall be satisfactory only if issued by companies qualified to do business in California and rated A:VII or better in the most recent edition of the Best Rating Guide. The insurer shall waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. All of said policies of insurance shall provide that said insurance may not be amended or canceled without providing thirty (30) days prior written notice by registered mail to City. In the event any of said policies of insurance are canceled, Participant shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 9.1 to the Contract Officer. The foregoing obligations shall remain in effect until the completion of the Project, at which time Participant shall cause Lessee to maintain the insurance set forth in the Regulatory Agreement.

Participant agrees that the provisions of this Section 9.1 shall not be construed as limiting in any way the extent to which Participant may be held responsible for the payment of damages to any persons or property resulting from Participant's activities or the activities of any person or persons for which Participant is otherwise responsible or for Participant's indemnity obligations set forth in Section 9.2 herein. No later than the "Insurance Approval Date" (as that term is defined below), Participant shall provide evidence of the above-required insurance (such as Certificates of Insurance of appropriate insurance binders) and obtain approval thereof from the Contract Officer, which approval shall not be unreasonably withheld or delayed and may be waived in Contract Officer's sole and absolute discretion. As used herein, the term "**Insurance Approval Date**" shall mean the date that is the earlier of (a) the date that is five (5) days prior to the anticipated closing date of the Construction Escrow; or (b) the date that is five (5) days after the Effective Date. City's approval of the insurance required hereunder is a Funding Condition.

9.2 Indemnification. Participant shall indemnify, defend, and hold harmless City and its officers, officials, employees, representatives and agents (collectively, the "**Indemnitee**") from and against any and all liability, expense or damage of any kind or nature, and for, from

and against any suits, claims or demands, including legal fees and expenses, on account of or arising out of this Agreement or otherwise in connection with the Property, Project or Program, except to the extent of such loss as may be caused by the sole negligence or willful misconduct of an Indemnitee. Upon receiving knowledge of any suit, claim or demand asserted by a third party that City believes is covered by this indemnity, City shall give Participant notice of the matter and an opportunity to defend it, at Participant's sole cost and expense, with legal counsel satisfactory to City.

10. REPRESENTATIONS AND WARRANTIES OF PARTICIPANT.

Participant makes the following representations and warranties as of the date of this Agreement and agrees that such representations and warranties shall survive and continue thereafter:

(a) *Authorization and Validation.* The execution, delivery and performance by Participant of this Agreement (i) are within the powers of Participant and upon its execution will constitute a legal, valid and binding obligation of Participant enforceable in accordance with its terms, and (ii) to Participant's knowledge, will not violate any provisions of law, any order of any court or other agency of government, or any indenture, agreement or any other instrument to which Participant is a party or by which Participant, or any of its property, is bound, or be in conflict with, result in any breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of its property or assets, except as contemplated by the provisions of this Agreement.

(b) *Correct Information.* To Participant's knowledge, all reports, papers, data and information given to City with respect to Participant and this Agreement, including the Property and Program are accurate and correct in all material respects and complete insofar as completeness may be necessary to give City a true and accurate knowledge of the subject matters thereof, and there has been no change in such information.

(c) *Defaults.* Participant is not a party to any agreement or instrument that will interfere with its performance under this Agreement, and is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions set forth in any agreement or instrument to which it is a party.

(d) *Pending Litigation.* There is not now pending, or to Participant's knowledge threatened, against or affecting Participant any claim, investigation, action, suit or proceeding at law, or in equity, or before any court or administrative agency which, if adversely determined, would impair or affect the Property or Participant.

(e) *Compliance.* Participant has examined and is familiar with all conditions, restrictions, reservations and ordinances affecting the Property and Project.

11. DEFAULTS AND REMEDIES.

11.1 Defaults-General. The occurrence of any of the following shall be deemed a default under this Agreement:

(a) The failure or delay by either party to perform any term or provision of this Agreement if such failure is not cured, corrected or remedied within any specific time period set forth in this Agreement.

(b) If no other specific time period is set forth herein, the failure to cure a monetary default under this Agreement (other than any monetary defaults specifically listed in any of the other subparagraphs of this Section 11.1) within ten (10) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default.

(c) If no other specific time period is set forth herein, the failure to cure a non-monetary default under this Agreement (other than any non-monetary defaults specifically listed in any of the other subparagraphs of this Section 11.1) within thirty (30) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default; provided, however, that if the failure cannot reasonably be corrected within such period, it shall not constitute a default if the failure is correctable without material adverse affect on the Property, and if corrective action is instituted by Participant within such period and diligently pursued until the failure is corrected, and provided further that any such failure is cured within ninety (90) days of receipt of notice of such failure.

(d) Subject to Section 13.3, Participant does not proceed with the commencement, construction and completion of the Project as herein provided.

(e) Subject to Section 13.3, work ceases on the Project for ten (10) consecutive business days.

(f) The occurrence of a Program default described in Section 4.5.

(g) Any of the warranties or representations made by Participant herein are or become false, incorrect or misleading in any material respect and to the extent capable of being cured are not cured within the cure period set forth in subparagraph (c) above.

(h) Participant commits any act of bankruptcy or if any relief under the Bankruptcy Act is sought by or against Participant, or if a receiver is appointed to take charge of the assets or affairs of Participant, or if Participant should make an assignment for the benefit of creditors, or if Participant should become insolvent, or upon any liquidation or termination of Participant; provided, however, that if any such proceeding is brought involuntarily against Participant, Participant shall have ninety (90) days to obtain the dismissal of such proceeding.

(i) The filing of a notice of judgment lien against Participant, or the recording of any abstract of judgment against Participant, or the service of a notice of levy and/or of a writ of attachment or execution, or other like process, against the assets of Participant, or the entry of a judgment, order or decree against Participant, any or all of which would have a material and adverse effect upon Participant's ability to perform under this Agreement, unless the same is dismissed within ninety (90) days.

(j) Participant, Alegre GP, AMCAL, AMCAL Multi-Housing Two, or Lessee shall default under any agreements, permits, development documents, construction contracts, bond agreements, or any other instrument executed in connection with the development or operation of the Project, including without limitation the Other Land Trust and City Loan Documents, which default is not cured within any grace and cure period expressly provided in such contract or instrument.

(k) Participant, Alegre GP, AMCAL, AMCAL Multi-Housing, or Lessee shall default in the payment or performance of any obligation, or any defined event of default, under the terms of any contract or instrument pursuant to which Participant has incurred any debt or other liability to City or any other person or entity that has an interest secured by a lien recorded against the Property, which default is not cured within any grace and cure period expressly provided in such contract or instrument.

The party in default shall provide to the other party immediate written notice of the occurrence of any event that would constitute a default hereunder.

11.2 Remedies Upon Default. In addition to any other rights or remedies available at law or in equity, upon a default under this Agreement (other than a default of City) City may take one or more of the following actions:

(a) Wholly or partially suspend or terminate this Agreement.

(b) Withhold further awards for the Project, including further disbursements of the City Grant.

(c) Require Participant to repay the City Grant funds.

(d) Institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement.

In addition to the foregoing, City shall have the right to withhold disbursements of City Grant proceeds during such period as may be necessary to determine whether a default has occurred and during any cure period. Upon the occurrence of an event which, with the passage of time or the giving of notice, would constitute a default under this Agreement (other than a default of City), City may temporarily withhold disbursements of City Grant proceeds pending correction of the default by Participant.

Except as otherwise expressly provided in this Agreement, any failure or delay by a party in asserting any of its rights and remedies as to any default shall not constitute a waiver of any default, nor shall it change the time of default, nor shall it deprive the non-defaulting party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

11.3 Institution of Legal Actions. In addition to any other rights or remedies, either Party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such

legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that county.

11.4 Applicable Law Venue. The internal laws of the State of California without regard to conflict of law principles shall govern the interpretation and enforcement of this Agreement. All legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that County.

11.5 Rights and Remedies are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

11.6 Attorney's Fees. If either party to this Agreement is required to initiate or defend litigation in any way connected with this Agreement, the prevailing party in such litigation, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees from the losing party. If any party to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other party, then the party so litigating shall be entitled to reasonable attorney's fees from the other party to this Agreement. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, retaining expert witnesses, taking depositions and discovery, and all other necessary costs incurred with respect to such litigation.

12. TERMINATION.

In addition to any other termination provision set forth in this Agreement, this Agreement may be terminated by City as follows:

(a) *Lack of Funding.* If, for any reason, the HOME Funds required by City to fund the Eligible Project Expenses are withdrawn from City, the City may unilaterally terminate or modify the terms of this Agreement to reflect the loss of funding. This subdivision shall not be applicable after the date City has disbursed to Participant (i) the funds for the City Grant or (ii) at City's election and in its sole discretion, another source of funds.

(b) *Default.* If a default shall occur (other than a default of City), City may terminate this Agreement in whole or in part.

(c) *Failure to Receive Environmental Clearance.* In accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," HUD or the state does not approve the Request for Release of Funds (RROF) and related certifications for the Project and the Project is not otherwise exempt such that no RROF is required.

(d) *Termination for Convenience.* This Agreement may be terminated by City for convenience as provided in 24 C.F.R. § 85.44.

Notwithstanding the expiration or earlier termination of this Agreement, the following obligations of Participant shall survive the termination of this Agreement: (a) Participant's indemnity obligations; (b) the obligation to cause audits to be performed relating to Participant's activities and costs under this Agreement; (c) the obligation to repay to City any City Grant proceeds improperly disbursed to Participant or used for ineligible expenditures or otherwise required to be repaid under this Agreement; and (d) any other obligations which cannot by their nature be performed until after the expiration or termination of this Agreement. No termination under this Agreement shall release either party then in default from liability for such default.

13. GENERAL PROVISIONS.

13.1 Notices. All notices required to be delivered under this Agreement to City or Participant shall be delivered to the respective parties at the address set forth next to the party's signature to this Agreement or to such other address as the parties may hereafter designate by written notice to the other party.

13.2 Nonliability of City Officials and Employees. No member, official, employee, or contractor of City shall be personally liable to Participant in the event of any default or breach by City or for any amount which may become due to Participant or on any obligations under this Agreement.

13.3 Enforced Delay; Extension of Times of Performance. Time is of the essence in the performance of each of the parties' respective obligations set forth in this Agreement. In addition to specific provisions of this Agreement, and except as expressly set forth in this Section 13.3, performance by either party hereunder shall not be deemed to be in default and such party shall be entitled to an extension of time to perform its obligations hereunder where delays in performance are due to causes beyond the control and without the fault of such party, including as applicable: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplies that are not caused by Participant; acts of the other party; acts or the failure to act of City or any other public or governmental agency or entity that are not caused by Participant; or other causes beyond the reasonable control of the party. Notwithstanding the foregoing, Participant's inability to secure satisfactory financing, interest rates, and market and economic conditions shall not entitle Participant to an extension of time to perform. An extension of time for any cause permitted under this Section 13.3 shall be limited to the period of the enforced delay, which period shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of knowledge of the commencement of the cause. If no written notice is sent within thirty (30) days, for purposes of measuring the extension period for performance of the obligation in question, the period of the enforced delay shall commence to run from the date written notice is sent to the other party. Times of performance under this Agreement may be extended by mutual written agreement of City and Participant.

13.4 [Intentionally Omitted]

13.5 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against any party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply. The Section headings are for purposes of convenience only, and shall not be construed to limit or extend the meaning of this Agreement.

13.6 Entire Agreement, Waivers and Amendments. This Agreement integrates all of the terms and conditions mentioned herein, or incidental hereto, and supersedes all negotiations and previous agreements between the parties with respect to the City Grant. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the party to be charged, and all amendments and modifications hereto must be in writing and signed by the appropriate authorities of City and Participant.

13.7 Severability. If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. In the event that all or any portion of this Agreement is found to be unenforceable, this Agreement or that portion which is found to be unenforceable shall be deemed to be a statement of intention by the parties; and the parties further agree that in such event, and to the maximum extent permitted by law, they shall take all steps necessary to comply with such procedures or requirements as may be necessary in order to make valid this Agreement or that portion which is found to be unenforceable.

13.8 Prohibition Against Assignment and Transfer. The qualifications and identity of Participant are of particular concern to City. It is because of those qualifications and identity that City has entered into this Agreement with Participant. Accordingly, Participant shall not, whether voluntarily, involuntarily, or by operation of law, undergo any change in ownership or assign, transfer or convey all or any part of this Agreement or any rights hereunder or in the Property, Lessee or in the Project without City's prior written approval. In considering whether it will grant approval, City shall consider factors such as (a) whether the completion of the Project is jeopardized; (b) the financial credit, strength, and capability of the proposed transferee to perform Participant's obligations hereunder, including the operation of the Program on the Property; and (c) the proposed transferee's experience and expertise in the planning, financing, development, ownership, and operation of similar projects and programs. In the absence of specific written agreement by City, no transfer by Participant of all or any portion of its interest in the Property shall be deemed to relieve it or any successor party from the obligation to complete the Project or any other obligations under this Agreement. No assignment shall be approved if Participant is in default (or a default notice has been issued) of this Agreement. Participant shall be responsible for all costs incurred by City in connection with any request for approval of an assignment. Notwithstanding any provisions in this Section to the contrary, Participant shall have the right to transfer or convey all or any part of this Agreement or any rights hereunder or in the Property or in the Project, without City's prior written approval, to Lessee, AMCAL, an affiliate of AMCAL, or a limited partnership in which AMCAL is the general partner for the development and operation of the Project, so long as the purpose of said transfer or conveyance complies with and facilitates the terms and conditions of the Land Trust Loan Agreement. Further, none of the assignments, actions, or transfers listed in Section 9.7 (a), (b), (c), (d), (e), (f), or (g) of the Land Trust Loan Agreement shall require prior City approval.

As used in this Section, the term "affiliate" shall mean an entity that directly or indirectly controls or is controlled by AMCAL.

13.9 Contract Administration and Approvals. The Contract Officer shall be the person designated by City to administer this Agreement on behalf of City and such administrative authority shall include but not be limited to the right to approve extensions of time on behalf of City and to issue waivers, and the Participant Representative shall be the person designated by Participant to administer this Agreement on behalf of Participant.

The City Manager or his designee shall have the authority to consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities concerning the City Grant, including but not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of City as specified herein. The Participant Executive Director or his designee shall have the authority to consent to any matter requiring Participant approval or consent as provided in this Agreement, and to perform and carry out any activities concerning the City Grant, including but not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of Participant as specified herein.

13.10 Covenants to Run with the Land. This Agreement is designed to create equitable servitudes and covenants running with the Property, in favor of City. This Agreement shall be binding upon the parties hereto and their respective heirs, representatives, transferees, successors, and assigns and all persons having any right, title or interest in the Property. All conditions, covenants, and restrictions contained in this Agreement shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by, City and its successors and assigns, against Participant, its successors and assigns, to or of the Property or any portion thereof or any interest therein, and any party in possession or occupancy of said Property or portion thereof. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided hereinabove both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate. City shall have the right, in the event of any breach of any such agreement or covenant, to exercise all rights and remedies, including maintaining an action at law or suit in equity or other proper proceedings to obtain damages or enforce the curing of such breach of agreement or covenant.

13.11 Monitoring. City shall monitor and evaluate Participant's performance under this Agreement to determine compliance with this Agreement and the HOME Requirements. Participant shall cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide or cause to be provided to City the reasonable right of access to the Property for purposes of this Agreement and evaluating Participant's performance hereunder.

13.12 Authority to Execute. The person(s) executing this Agreement on behalf of the parties hereto warrant that (a) such party is duly organized and existing, (b) they are duly authorized to execute and deliver this Agreement on behalf of said party, and (c) by so executing this Agreement, such party is formally bound to the provisions of this Agreement.

13.13 Execution in Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

13.14 Exhibits. This Agreement incorporates by reference the following four (4) Exhibits attached hereto:

Exhibit A	Legal Description of Property
Exhibit B	Project Budget
Exhibit C	Schedule of Performance
Exhibit D	Summary of Legal Requirements

[signatures on next page]

IN WITNESS WHEREOF, City and Participant have entered into this Agreement to be effective as of the date set forth above.

LEGAL DESCRIPTION OF PROPERTY

Real property in the City of Irvine, County of Orange, State of California, described as follows:

Lots 4 and Lettered Lot "I" of Tract No. 17394, in the City of Irvine, County of Orange, State of California, as per Map recorded in Book 902 Pages 33 through 43, Inclusive of Miscellaneous Maps, in the Office of the County Recorder of said County.

Excepting therefrom all oil, oil rights, minerals, mineral rights, natural gas rights and other hydrocarbons by whatsoever name known, geothermal steam, and all products derived from any of the foregoing, that may be within or under the land, together with the perpetual right of drilling, mining, exploring and operating therefor, and storing in and removing the same from said land or any other land, including the right to whipstock or directionally drill and mine from lands other than the land, oil or gas wells, tunnels and shafts into, through or across the subsurface of the land, and to bottom such whipstocked or directionally drilled wells, tunnels and shafts under and beneath or beyond the exterior limits thereof, and to redrill, retunnel, equip, maintain, repair, deepen and operate any such wells or mines, without, however, the right to drill, mine, store, explore and operate through the surface or the upper 500 feet of the subsurface of the land, as reserved by The Irvine Company in the deed recorded November 30, 2005 as Instrument No. 2005000953645 of Official Records.

Also excepting therefrom any and all water, water rights or interests therein appurtenant or relating to the land or owned or used by The Irvine Company in connection with or with respect to the land (no matter how acquired by The Irvine Company), whether such water rights shall be riparian, overlying, appropriative, littoral, percolating, prescriptive, adjudicated, statutory or contractual, together with the right and power to explore, drill, redrill, remove and store the same from or in the land or to divert or otherwise utilize such water, rights or interests on any other property owned or leased by The Irvine Company; but without, however, any right to enter upon the surface of the land in the exercise of such rights, as reserved by The Irvine Company in the deed recorded November 30, 2005 as Instrument No. 2005000953645 of Official Records.

SUMMARY OF LEGAL REQUIREMENTS

In addition to the requirements set forth in other provisions of the Agreement, Participant shall comply, and shall cause all Participant Personnel to comply, with the following regulations and requirements.[1]

1. **Use of the HOME Funds.** The City Grant shall be used only for eligible costs (see, e.g., 24 C.F.R. § 92.206, 92.214, 92.300(c), and 92.301), and any development work shall be completed within the times referred to in the Affordable Housing and Loan Agreement between City and Participant.

2. **Affordability.** The units shall meet the affordability requirements of the HOME Requirements (24 C.F.R. § 92.254) or this Agreement and the Regulatory Agreement, whichever is more restrictive. If the units do not meet the affordability requirements of the HOME Requirements for the specified time period, Participant shall repay the City Grant to City promptly upon demand by City. In such event, Participant and Lessee shall not be released from the affordability and other covenants and restrictions set forth in this Agreement and the Regulatory Agreement, which shall continue to apply independent of the HOME Requirements.

3. **Equal Opportunity and Nondiscrimination.**

a. **Title VI of the Civil Rights Act of 1964, as amended, including Public Law 88-352 implemented in 24 CFR Part 1.** This law provides in part that no person shall, on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. In regard to the sale or lease of the Property, Participant shall cause or require a covenant running with the land to be inserted in the deed and leases prohibiting discrimination under this Title, and providing that City and the United States are beneficiaries of and entitled to enforce such covenants. Participant shall enforce such covenant and shall not itself so discriminate.

b. **Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended, including Public Law 90-234.** The Fair Housing Act provides in part that there shall be no discrimination in housing practices on the basis of race, color, religion, sex, and national origin. The Fair Housing Act was amended in 1988 to provide protections from discrimination in any aspect of the sale or rental of housing for families with children and persons with disabilities. The Fair Housing Act also establishes requirements for the design and construction of new rental or for-sale multi-family housing to ensure a minimum level of accessibility for persons with disabilities.

c. **Section 109 of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq.*, 42 U.S.C. 6101 *et. seq.*, and 29 U.S.C. 794.**

[1] **This exhibit is a list and summary of some of the applicable legal requirements and is not a complete list of all Participant requirements. The description set forth next to a statute or regulation is a summary of certain provisions in the statute or regulation and is in no way intended to be a complete description or summary of the statute or regulation. In the event of any conflict between this summary and the requirements imposed by applicable laws, regulations, and requirements, the applicable laws, regulations, and requirements shall apply.**

This law provides in part that no person on the grounds of race, color, national origin, sex, or religion shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any activity funded in whole or part with funds under this Title.

d. **Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq*.** This law provides in part that any grant under Section 106 shall be made only if the grantee certifies to the satisfaction of the Secretary of HUD that the grantee will, among other things, affirmatively further fair housing.

e. **Executive Order 11246, as amended**. This order includes a requirement that grantees and subrecipients and their contractors and subcontractors not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

f. **Executive Order 11063, as amended, including 24 CFR Part 107.** This order and its implementing regulations include requirements that all actions necessary be taken to prevent discrimination because of race, color, religion, sex, or national origin in the use, occupancy, sale, leasing, rental, or other disposition of property assisted with Federal loans, advances, grants, or contributions.

g. **Section 504 of the Rehabilitation Act of 1973, as amended**. This Act specifies in part that no otherwise qualified individual shall solely by reason of his or her disability or handicap be excluded from participation (including employment), denied program benefits, or subjected to discrimination under any program or activity receiving Federal assistance. Participant must ensure that its programs are accessible to and usable by persons with disabilities.

h. **The Americans with Disabilities Act (ADA) of 1990, as amended.** This Act prohibits discrimination on the basis of disability in employment by state and local governments and in places of public accommodation and commercial facilities. The ADA also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. The Act defines the range of conditions that qualify as disabilities and the reasonable accommodations that must be made to assure equality of opportunity, full participation, independent living, and economic self-sufficiency for persons with disabilities.

i. **The Age Discrimination Act of 1975, as amended**. This law provides in part that no person shall be excluded from participation in, be denied program benefits, or subjected to discrimination on the basis of age under any program or activity receiving federal assistance.

j. **EEO/AA Statement.** Participant shall, in all solicitations or advertisements for employees placed by or on behalf of Participant, state that it is an Equal Opportunity or Affirmative Action employer.

k. **Minority/Women Business Enterprise**. Participant will use its best efforts to afford small businesses and minority and women-owned business enterprises the maximum practicable opportunity to participate in the performance of the Agreement. As used in the Agreement, the term "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women-owned business enterprise" means a business at least fifty-one percent (51%) owned and controlled by minority group members or women. For the purpose of this definition, "minority group members"

are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. Participant may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

l. **Nondiscrimination.** Participant shall comply with the federal requirements and nondiscrimination provisions in 24 C.F.R. § 92.350, which include requirements on nondiscrimination and equal opportunity, disclosure requirements, debarred, suspended or ineligible contractors, and maintaining a drug-free workplace.

4. **Environmental.**

a. **Air and Water.** Participant shall comply with the following regulations insofar as they apply to the performance of the Agreement: Clean Air Act, 42 U.S.C. 7401, *et seq.*; Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, *et seq.*, as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder; and the U.S. Environmental Protection City regulations pursuant to 40 CFR Part 50, as amended.

b. **Flood Disaster Protection Act of 1973.** Participant shall assure that for activities located in an area identified by FEMA as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained.

c. **Lead-Based Paint.** Participant shall comply with the Lead-Based Paint Regulations referenced in 24 C.F.R. 92.355, including 24 C.F.R. Part 35, *et. al.*

d. **Historic Preservation.** Participant shall comply with the historic preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 C.F.R. Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties and related laws and Executive Orders, insofar as they apply to the performance of this Agreement. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a federal, state, or local historic property list.

e. **Limitation on Activities Pending Clearance.** In accordance with 24 C.F.R. § 58.22 entitled "Limitations on activities pending clearance, "neither a recipient nor any participant in the development process, including public or private nonprofit or for-profit entities, or any of their contractors, may commit HUD assistance under a program listed in 24 C.F.R. § 58.1(b) on an activity or project until HUD or the state has approved the recipient's Request for Release of Funds (RROF) and the related certifications have been approved. Neither a recipient nor any participant in the development process may commit non-HUD funds or undertake an activity or project that would have an adverse environmental impact or limit the choice of reasonable alternatives. Upon completion of environmental review or receipt of environmental clearance, City shall notify Participant. HUD funds shall not be utilized before this requirement is satisfied. The environmental review or violation of the provisions may result in approval, modification of cancellation of the City Grant. If a project or activity is exempt under 24 C.F.R. § 58.34, or is categorically excluded (except in extraordinary circumstances) under 24 C.F.R. § 58.35(b), no RROF is required and the recipient may undertake the activity immediately after the City has documented its determination that each

activity or project is exempt and meets the conditions specified for such exemption under this section by issuing a Notice to Proceed.

5. **Uniform Administrative Requirements.** Participant shall comply with applicable uniform administrative requirements as described in 24 C.F.R. § 92.205.

6. **Other Program Requirements.** Participant shall carry out each activity under the Agreement in accordance with all applicable federal laws and regulations described in Subpart H of 24 C.F.R. § 92.

7. **Project Requirements.** Participant shall comply with all project requirements set forth in 24 C.F.R. §§ 92.250-92.258, as applicable in accordance with the type of project assisted.

8. **Property Standards.** Participant shall perform any construction work and maintain the HOME Units in compliance with the property standards in 24 C.F.R. § 92.251 and the lead-based paint requirements in 24 C.F.R. § 92 Part 35, Subparts A, B, J, K, M and R, as applicable.

9. **Records and Reports.** Participant shall provide to City all records and reports relating to the Program Activities that may be reasonably requested by City in order to enable it to perform its recordkeeping and reporting obligations pursuant to the HOME Requirements, including 24 C.F.R. §§ 92.508 and 92.509.

10. **Conflict of Interest.** Participant will comply with 24 C.F.R. 84.42, 85.36 and 92.356, as applicable, regarding the avoidance of conflict of interest, which provisions include (but are not limited to) the following:

i. Participant shall maintain a written code or standards of conduct that shall govern the performance of its officers, employees or agents engaged in the award and administration of contracts supported by Federal funds.

ii. No employee, officer or agent of the Participant shall participate in the selection, or in the award, or administration of, a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

iii. No covered persons who exercise or have exercised any functions or responsibilities with respect to HOME-assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the HOME-assisted activity, or with respect to the proceeds from the HOME-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee, the Participant, or any designated public agency.

11. **Affirmative Marketing.** If the City Grant will be used for housing containing 5 or more assisted units, Participant shall cause Lessee to establish for City's review and approval

a plan and procedures to affirmatively market the units. The objective of the plan shall be to provide information and attract eligible persons from all racial, ethnic and general groups in the housing market area to the available housing. In connection therewith, Participant shall perform those affirmative marketing responsibilities set forth in 24 C.F.R. § 92.351(a) and the marketing plan shall include the following:

a. methods for informing the public, owners, and potential tenants about federal fair housing loans and the City's affirmative marketing policy;

b. requirements and practices Participant must adhere to in order to carry out the affirmative marketing procedures and requirements;

c. procedures to be used by Participant to inform and solicit applications from persons in the housing market area that are not likely to apply for the housing without special outreach;

d. records that will be kept describing actions taken by Participant to affirmatively market units and records to assess the results of those actions; and

e. a description of how Participant will assess the success of affirmative marketing actions and what corrective actions will be taken where affirmative marketing requirements are not met.

12. Displacement. Consistent with the other goals and objectives of Subpart H of 24 C.F.R. § 92, Participant shall take all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of the Program Activities.

13. Debarment and Suspension. As required in 24 C.F.R. § 92.357, Participant shall comply with all debarment and suspension certifications.

14. Enforcement of Agreement. In addition to the other provisions set forth in the Agreement, City shall have the authority to enforce Participant's obligation to comply with the HOME Requirements.

15. Return of HOME Funds. Upon the completion of the Project or earlier termination of the Agreement, Participant shall transfer to City any HOME funds on hand for which Eligible Loan Expenses have not been incurred and any accounts receivable attributable to the use of HOME funds. In addition to the foregoing, in the event the Eligible Loan Expenses for which any disbursement of City Grant funds are disbursed are not incurred by Participant within thirty (30) days after City's disbursement, or such longer time as City approves in its sole discretion, City shall have the right to require that Participant immediately return the City Grant proceeds to City.

16. Monitoring. Not less than once per year, City shall review Participant's activities and operations under the Agreement and Participant's compliance with the HOME Requirements. Such review may include an on-site inspection of the HOME Units (including unit interiors). If such an on-site inspection of the HOME Units is to be undertaken, City shall

coordinate such inspection with Participant. The monitoring required pursuant to this paragraph shall be in compliance with the requirements of 24 C.F.R. § 92.504.

17. Tenant Participation Plan. Participant shall provide to City for approval the form of the lease agreement to be used for the HOME Units, which lease must be fair and provide for a grievance procedure. In addition, Participant shall provide to City for approval a plan that provides for tenant participation in management decisions. (24 C.F.R § 92.303.)

18. Anti-Lobbying Certification. By its execution of the Agreement, Participant hereby certifies that:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

iii. It will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. This certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure. At the request of City, Participant shall execute a separate document that contains the certifications set forth above.

19. Drug-Free Workplace Requirements. Participant shall comply with and be subject to the requirements of the federal drug-free workplace requirements, which include the following actions be taken:

i. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

ii. Establishing an ongoing drug-free awareness program to inform employees about: (a) the dangers of drug abuse in the work place; (b) the grantee's policy of

maintaining a drug-free workplace; (c) any available drug counseling, rehabilitation, and employee assistance programs; and (d) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

iii. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (i).

iv. Notifying the employee in the statement required by paragraph (i) that, as a condition of employment under the grant, the employee will: (a) abide by the terms of the statement; and (b) notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.

v. Notifying the agency in writing, within ten calendar days after receiving notice under sub-paragraph (iv)(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant.

vi. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (iv)(b), with respect to any employee who is so convicted: (a) taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or (b) requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

vii. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (i), (ii), (iii), (iv), (v), and (vi).

20. Procurement. If applicable, Participant will comply with the procurement standards under 24 CFR 85.36 for governmental subrecipients and 24 CFR 84.40-48 for subrecipients that are non-profit organizations. Participant shall comply with all existing and future City policies concerning the purchase of equipment.

21. Labor Provisions.

a. Section 3 of the Housing and Community Development Act of 1968. Participant shall comply with and cause its contractors and subcontractors to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. § 1701u), the HUD regulations issued pursuant thereto at 24 C.F.R, Part 135, and any applicable rules and orders of HUD issued thereunder. The Section 3 clause, set forth in 24 C.F.R § 135.38 provides:

i. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent

feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

ii. The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

iii. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

iv. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 135.

v. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. Part 135.

vi. Noncompliance with HUD's regulations in 24 C.F.R Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

Participant shall abide by the Section 3 clause set forth above and will also cause this Section 3 clause to be inserted in all contracts relating to the construction of the Project.

b. Labor Standards. Participant shall comply with the provisions of 24 C.F.R. § 92.354. Participant shall include in all applicable construction contracts the provisions of federal law imposing labor standards on federally assisted contracts. Participant shall comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended (40 U.S.C. 3141 through 3148), the provisions of Contract Work Hours and Safety Standards Act (40

U.S.C. 327 *et seq.* and implementing regulations), the Copeland Anti-Kick Back Act (40 U.S.C. 276c and 18 U.S.C. 874 *et seq.*), the implementing regulations of the U.S. Department of Labor including 29 CFR Parts 1, 3, 5, 6 and 7, and all other applicable Federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. Participant shall maintain documentation that demonstrates compliance with these provisions and such documentation shall be made available to City and HUD for review upon request. Participant shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

c. HUD Form 4010. Participant shall comply and cause Participant Personnel to comply with the provisions of HUD Form 4010 attached hereto. HUD Form 4010 must be included in the bid packet and construction contract and subcontracts for the Project.

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5 5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section l(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section l(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at *http://www dol gov/esa/whd/forms/wh347instr htm* or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following.

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5 5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false..... shall be fined not more than $5,000 or imprisoned not more than two years, or both "

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds $100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in sub paragraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds $100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

COMMUNITY DEVELOPMENT BLOCK GRANT AGREEMENT

This COMMUNITY DEVELOPMENT BLOCK GRANT AGREEMENT ("**Agreement**") is entered into as of this 1st day of November, 2013, between the CITY OF IRVINE, a California municipal corporation ("**City**"), and the IRVINE COMMUNITY LAND TRUST, a California nonprofit public benefit corporation ("**Participant**").

RECITALS

A. Participant is a duly organized California nonprofit public benefit corporation, certified by the United States Internal Revenue Service as a public charity under Internal Revenue Code sections 501(c)(3) and 509(a)(3).

B. AMCAL Multi-Housing, Inc., a California nonprofit public benefit corporation ("**AMCAL**") has entered into an Affordable Housing and Development Agreement ("**Original AHDA**") with Participant pursuant to which Participant has agreed to ground lease that certain unimproved real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Exhibit "A" ("**Property**") to AMCAL, and AMCAL has agreed to develop and operate thereon a 104-unit affordable residential rental project and related improvements ("**Project**"). The Original AHDA has been amended on two previous occasions (as amended, the "**AHDA**").

C. City participates in the Community Development Block Grant program administered by the United States Department of Housing and Urban Development ("**HUD**") under Title I of the Housing and Community Development Act of 1974 (42 U.S.C. § 5301 *et seq.*) as amended from time to time, and the regulations promulgated thereunder (24 C.F.R. § 570 *et seq.*). Pursuant to the Community Development Block Grant program, City receives funds from HUD ("**CDBG Funds**") to be used for the support of community development activities that meet at least one of the three national objectives of the program of benefiting low and moderate income persons, preventing and eliminating slums and blight, and addressing a community development need having a particular urgency.

D. On or about April 23, 2013, as part of the City's annual CDBG funding process, the City approved an allocation of CDBG Funds to be provided to Land Trust for the Project in the amount of Seven Hundred Fifty-Five Thousand Seven Hundred Six Dollars ($755,706). On or about July 23, 2013 City increased its allocation of CDBG Funds to be provided to Land Trust for the Project to an amount not to exceed the sum of Eight Hundred Thirty-Seven Thousand Six Hundred Seventy-Three Dollars ($837,673) ("**CDBG Grant Amount**" or "**City Grant**").

E. AMCAL Multi-Housing Two LLC, a California limited liability company and Participant have entered into that certain Operating Agreement of Alegre GP, LLC, a California limited liability company ("**Alegre GP**"), dated November 1, 2013 ("**Operating Agreement**"), pursuant to which a limited partnership entity known as AMCAL Alegre Fund, L.P. ("**Lessee**") will assume AMCAL's rights and obligations under the AHDA to ground lease the Property, develop the Project, and operate the Programs. Participant and Alegre GP are members of the administrative general partner of the Lessee.

F. City's provision of the "City Grant" to Participant pursuant to this Agreement, and the fulfillment generally of this Agreement, are in the vital and best interests of the City and the welfare of its residents, and in accordance with the purpose and provisions of the Community Development Block Grant program.

AGREEMENT

Based upon the foregoing Recitals, which are incorporated herein by this reference, and for good and valuable consideration, the receipt and sufficiency of which is acknowledged by both parties, City and Participant hereby agree as follows:

1. DEFINITIONS.

The following terms as used in this Agreement (including in the Recitals above) shall have the meanings given below unless expressly provided to the contrary:

Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to provide any City Grant proceeds for any Eligible Project Expenses incurred prior to City's issuance of the Notice to Proceed.

"Other Land Trust and City Loan Documents" shall mean the following: (i) the AHDA, (ii) the Land Trust Loan Agreement, (iii) the Regulatory Agreement, (iv) that certain HOME Grant Agreement entered into by and between City and Participant concurrently herewith, (v) that certain Affordable Housing and Loan Agreement (HOME Funds) of or about even date hereof by and between Participant and Lessee, (vi) that certain Regulatory Agreement and Declaration of Covenants and Restrictions (HOME Funds) of or about even date hereof by and between Participant and Lessee, and (vii) that certain Affordable Housing Regulatory Agreement

of or about even date hereof and between Participant and Lessee, and as any of those aforementioned agreements may be amended from time to time.

"Participant" shall mean the Irvine Community Land Trust, a California nonprofit public benefit corporation, and its successors and assigns. City agrees that it shall accept performance under this Agreement by the Lessee to the same extent as if performance was tendered by Participant.

"Participant Personnel" shall mean (a) any employee, volunteer, contractor, subcontractor, or agent of Participant or any other person under Participant's supervision and direction, including the contractors and subcontractors constructing the Project, and (b) the Lessee. Participant is responsible for the full compliance of all Participant Personnel with this Agreement, including without limitation all labor standards applicable to the Project.

"Participant Representative" shall mean Mark Asturias, Executive Director, who is designated by Participant to represent Participant in the administration of this Agreement.

"Performance Reports" shall mean the semi-annual reports to be submitted by Participant to City on the status of the development of the Project and on the operation of the Program, as more fully explained in Section 8.2.1(a) of this Agreement.

"Program" shall mean the affordable rental housing program to be operated on the Property and all obligations and activities that constitute the Program Services.

"Program Services" shall collectively refer to the following activities and tasks to be performed by Participant under this Agreement: (a) the operation of the Program in accordance with the description set forth in this Agreement and the Regulatory Agreement; and (b) all activities, services, tasks, and operations related to the Program described in this Agreement and the Regulatory Agreement, including without limitation those set forth in Section 4.1 of this Agreement.

"Project" shall mean the acquisition of the leasehold interest in the Property and the grading of the Property and the development on the Property of a 104-unit apartment project with landscaping, driveways, and related improvements, and all other on-site and off-site improvements required for development, with all improvements to be consistent with the development and building plans and permits approved by City. The 104 units shall be comprised of one-bedroom units, two-bedroom units, three-bedroom units and four-bedroom units, and fifty (50) of the units shall be restricted to occupancy by Eligible CDBG Unit Tenants in accordance with the Regulatory Agreement. In the event of any inconsistency between the description of the Project in this Agreement and the approved plans and permits, the approved plans and permits shall govern.

"Project Budget" shall mean the costs estimates for the development of the Project set forth in Exhibit"B" to this Agreement. The Project Budget may not be materially changed without the prior written approval of City's Contract Officer (a material change is a change that causes the total Project costs, or any line item in the Project Budget, to increase or decrease by more than ten percent (10%) from what is shown in the Project Budget).

"Property" shall mean that certain real property located at in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Exhibit "A."

"Regulatory Agreement" shall mean that certain Regulatory Agreement and Declaration of Covenants and Restrictions (CDBG Funds) to be entered into by and between Participant and Lessee in the form attached to and pursuant to the Land Trust Loan Agreement, which will require that the CDBG Units be rented to Eligible CDBG Unit Tenants at an Affordable Rent.

"Schedule of Performance" shall mean that certain Schedule of Performance attached hereto as Exhibit "C" and incorporated herein by reference, setting out the dates and/or time periods by which certain obligations and tasks must be performed and completed.

"Six-Month Period" shall mean each of the two (6) month periods during a fiscal year commencing July 1 or January 1.

"Third Party Contracts" shall have the meaning ascribed in Section 5.1 of this Agreement.

2. CITY GRANT.

2.1 Grant of Funds; Eligible Project Expenses. Subject to the terms and conditions set forth herein and provided Participant is not in default of this Agreement, City shall provide the City Grant to Participant to be applied towards the costs of the Eligible Project Expenses. The City Grant proceeds may be used only for the Eligible Project Expenses that are actually and reasonably incurred and approved by City, and for no other purpose.

2.2 City Grant Funding Conditions. Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to disburse any City Grant proceeds until such time that all of the following conditions (collectively the "**Funding Conditions**") are satisfied, or waived by City in its sole discretion:

(a) *Insurance.* Participant shall have provided to City evidence of the insurance required under Section 9.1 of this Agreement.

(b) *Plans and Permits.* Participant or Lessee shall have obtained grading permits for the Project or such permits shall be ready to be issued upon the payment of fees and all other development approvals shall have been issued except for building permits.

(c) *Evidence of Financing.* City shall have approved Lessee's evidence of financing in accordance with Section 2.4 of this Agreement, and the financing specific to the construction of the Project shall close and be available to Lessee.

(d) *Ground Lease.* Lessee and Participant shall have entered into the Lease and the Lease shall be in full force and effect with no defaults existing and all contingencies satisfied (i.e., there are no conditions that remain to be satisfied for the effectiveness of the Lease or the performance of either party thereunder and the

fulfillment of the Lease and Lessee's possession of the Property is absolute and not terminable and not subject to any unsatisfied conditions).

(e) *Other Agreements.* The Other Land Trust and City Loan Documents shall have been executed by Lessee and be ready to be recorded against the Property (as applicable), there shall be no event of default under any of said agreements or the occurrence of any event which would constitute a default with the passage of time or the giving of notice, and all conditions to the initial disbursement of funds under said agreements shall have been satisfied. The Regulatory Agreement shall have been executed by Participant and Lessee and be ready to be recorded against the Property.

(f) *Assignment.* AMCAL shall have assigned its interest in the AHDA and the Other Land Trust and City Loan Documents to which it is a party to Lessee.

(g) *Clearance.* If applicable, in accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," the Request for Release of Funds and related certifications have been approved for the Project or City has determined an exemption is applicable.

(h) *Approval of Third Party Contracts.* City shall have approved any Third Party Contracts entered into before commencement of construction that City elects to review.

(i) *No Default.* There shall be no event of default under this Agreement, and there shall be no event which, with the passage of time or the giving of notice, would constitute a default, and all representations and warranties of Participant in this Agreement remain true and correct in all material respects.

(j) *HUD Approvals.* City has received all approvals required from HUD for the disbursement of the City Grant.

In the event that any of the Funding Conditions are not satisfied on or before November 15, 2013, or such later deadline as may be mutually approved by City and Participant in the sole and absolute discretion of each of them, City may terminate this Agreement by delivering written notice to Participant.

2.3 Disbursement of City Grant. Provided Participant is not in default of this Agreement, the City Grant, less the Holdback Amount, shall be deposited into the Construction Escrow upon the satisfaction of all of the Funding Conditions and the parties shall instruct the Escrow Holder to apply the deposited City Grant proceeds (e.g., the City Grant less the Holdback Amount) to the Eligible Project Expenses incurred at the close of the Construction Escrow. In the event the Eligible Project Expenses are not incurred by Participant within ten (10) days after City's deposit of said funds, or such longer time as City approves in its sole discretion, City shall have the right to require that Participant return the City Grant proceeds to City. In addition, if it is determined, as a result of an audit or otherwise, that the disbursement of City Grant proceeds were improper or made for expenditures not eligible for payment, Participant shall immediately repay to City the amounts of such disbursements. City shall release the Holdback Amount to Participant on or after the date that is twelve (12) months prior to the date City anticipates that all

building permits issued for the Project will have obtained final inspection approval (as noted on each building permit card).

2.4 Evidence of Financial Capability. No later than five (5) days after the Effective Date, Participant shall submit to City evidence reasonably satisfactory to City that Lessee has the financial capability necessary to develop the Project pursuant to this Agreement and the Project Budget. Such evidence of financial capability shall include the following:

(a) a copy of the commitment or loan agreement obtained by Lessee for each source of funds to assist in financing the construction of the Project. All copies of commitments submitted by Participant to City shall be certified by Lessee to be true and correct copies thereof. Each commitment for financing shall be in such form and content acceptable to City as reasonably evidences a firm and enforceable commitment, with only those conditions which are standard or typical for the lender involved for similar projects;

(b) if the total costs set forth in the Project Budget exceed the amount of financing commitments received pursuant to subparagraph (a) above, a financial statement and/or other documentation reasonably satisfactory to City sufficient to demonstrate that Lessee has adequate funds available and committed to cover such difference; and

(c) a copy of the guaranteed maximum price or stipulated sum construction contract between Lessee and its general contractor for all of the improvements required to be constructed by Lessee hereunder, certified by Lessee to be a true and correct copy thereof.

3. ACQUISITION OF LEASE AND DEVELOPMENT OF PROJECT.

3.1 Acquisition of Leasehold Interest in Property. Lessee's execution of a ground lease with Participant ("**Lease**") on the terms set forth herein is a Funding Condition. The Lease (a) shall have a term of no less than the lesser of (i) fifty-nine (59) years or (ii) fifty-six (56) years from the date that all buildings in the Project have obtained final inspection approval under the building permits issued therefor (as noted on each building permit card), (b) shall permit the Property to be developed and operated in accordance with the terms set forth in this Agreement and the Regulatory Agreement, and shall otherwise be consistent with this Agreement and the Regulatory Agreement, such that compliance with this Agreement and the Regulatory Agreement will not cause a default under the Lease and vice versa, (c) shall provide leasehold mortgagees notice and cure rights under the Lease in the event of a default by Lessee, and (d) shall recognize the rights of leasehold mortgagees to become the legal holder and owner of the interest of Lessee under the Lease by foreclosure or other enforcement proceeding and to thereafter assign the Lease to a new tenant to operate the Property in accordance with the Lease. City shall have the right to approve the form of the Lease before it is executed for the limited purpose of confirming that the foregoing conditions are satisfied. Upon execution of the Lease by Participant and Lessee, Participant shall deliver or cause Lessee to deliver a copy of the executed Lease to City. Notwithstanding the foregoing, City approves the form of the ground lease attached as Attachment No. 10 to the AHDA.

3.2 Scope of Work. Participant shall develop or cause to be developed the Project on the Property in strict accordance with the plans and drawings approved by City and in accordance with all applicable law, rules and regulations, including those set forth in Exhibit "D" to this Agreement. If Participant or Lessee desires to make any change in any approved development or building plans, the proposed change shall be submitted to City for approval. Participant shall be responsible for all construction and installation and for obtaining or causing Lessee to obtain all necessary permits and approvals.

3.3 Development Approvals and Permits. Prior to commencement of the grading of the Property, Participant shall, at its own expense, secure or cause to be secured the grading permit from City and all permits, licenses and approvals which may be required by any governmental agency having jurisdiction over the Property and the Project other than building permits. Prior to commencement of development of any other improvements to the Property, Participant shall have obtained, at its own expense, approval of the final plans for the Project and the building permits for the Project.

3.4 Construction Contract. Participant acknowledges that the requirements of Section 5.1 of this Agreement shall apply to the construction contracts and subcontracts for the Project and Participant shall ensure compliance with all such provisions and requirements. Participant shall cause the inclusion of the applicable classification and wage rate determination for the Project in the construction contract for the Project, which, if authorized by law, may be satisfied by Participant incorporating by reference said classification and wage rate determination. City shall have the right to approve the classification and wage rate that is included with the construction contract and posted for the Project.

3.5 No Debarred, Suspended, or Ineligible Parties. Participant shall not permit Lessee to employ, engage the services of, or award any contractors to any party that is debarred, suspended, or otherwise ineligible to participate in a project that is receiving CDBG Funds pursuant to the CDBG Requirements and any other laws, rules and regulations. Participant shall provide to City such certifications as required by City demonstrating compliance with this Section.

3.6 Construction Meeting. Participant shall attend and cause the contractor(s) for the Project to attend any construction meetings or conferences arranged by City among the contractor, Participant, and City, including pre-construction meetings, relating to undertaking and completing the Project in conformance with this Agreement and applicable local, state, and federal laws.

3.7 Schedule of Performance. Participant shall submit or cause Lessee to submit all required plans and drawings, commence and complete construction of the Project, and satisfy or cause Lessee to satisfy all other obligations and conditions of this Agreement within the times established in the Schedule of Performance and this Agreement. Once construction of the Project is commenced, it shall be continuously and diligently pursued to completion, and shall not be abandoned for more than ten (10) consecutive business days. The Schedule of Performance is subject to revision from time to time as may be mutually agreed upon between Participant and City, including extensions to complete the Funding Conditions (Item 3 in the Schedule of Performance), commencement of grading (Item 4 in the Schedule of Performance), and/or commencement of construction of vertical improvements for the Project (Item 5 in the

Schedule of Performance) resulting from a delay caused by a party to an agreement with Lessee in approving or disbursing that party's funding for the construction of the Project by the anticipated closing date of the Construction Escrow. During the course of construction, Participant shall, if requested by City, provide to City monthly written reports on the progress of construction.

3.8 Rights of Inspection. Representatives of the City shall have a reasonable right of access to the Property during normal business hours for the purposes of this Agreement, including, but not limited to, the inspection of the work being performed and the interviewing of laborers and mechanics employed on the Project. Participant shall cooperate with, and shall cause Lessee, the contractor and any subcontractor to cooperate with, City in connection with its inspection and access rights. It is understood that City does not by this Section 3.8 assume any responsibility or liability for a negligent inspection or failure to inspect. All inspections by City or on behalf of City, approvals of payment requests by City and other actions by City in connection therewith are not to be construed as a representation by City that there has been compliance with any permits or plans and specifications, legal requirements, or that the Project is free of defects in materials or workmanship. Any inspections or determinations made by City or lien waivers, receipts, or other agreements, documents, and instruments obtained by City are made or obtained solely for City's own benefit and not in any way for the benefit or protection of Participant. City has no obligation to Participant to ensure compliance by the contractor or any other person in carrying out such construction. No such inspections or review will limit any of the rights and remedies of City pursuant to this Agreement.

3.9 Project Costs. Except to the extent City has specifically agreed to provide the City Grant pursuant to Section 2, Participant and/or Lessee shall be responsible for all costs related to the Project.

4. OPERATION OF PROGRAM; USE OF PROPERTY.

4.1 Obligation to Operate Program; Program Description. Commencing from the date the City Grant is first spent for the Property and continuing for the term of the Regulatory Agreement, Participant shall operate or cause the operation of the Program and perform the Program Services on a continuous basis and shall use the Property for no other purpose. The Program shall consist of the operation of a 104-unit affordable housing rental project, with the CDBG Units rented to Eligible CDBG Unit Tenants at an Affordable Rent in accordance with the terms set forth in this Agreement and the Regulatory Agreement.

4.2 Change in Use of Property. The parties agrees that the provisions of 24 C.F.R. 570.505 allowing a change in the use of the Property upon payment of certain amounts to City are not applicable and that the Property shall be subject to the affordability covenants in the Regulatory Agreement for the term set forth therein.

4.3 Standard of Performance. Participant shall operate or cause to be operated the Program, and perform or cause to be performed all Program Services, in a competent, professional, and first class manner and to the satisfaction of City in its reasonable discretion and in accordance with this Agreement. In addition, Participant shall operate the Program and perform the Program Services in compliance with the CDBG Requirements and in a manner that meets the CDBG national objective(s) under which the City Grant was awarded to Participant.

In addition to the semi-annual reports referred to in Section 8.2, Participant shall, if requested by City, provide to City monthly written reports on the progress of any Program Service. Participant shall cause the Program Services to be performed by Participant or Participant Personnel under Participant's direct supervision, and shall ensure that all Participant Personnel engaged in the Program Services are fully qualified and authorized and permitted under applicable law to operate the Program. Participant shall secure or cause Lessee to secure, at its sole cost and expense, any and all licenses, permits and approvals that may be required by law for the performance of the Program Services. Participant shall be responsible for all costs related to the Program.

4.4 Management. If any manager or supervisor of the Program engages in any of the conduct described in Section 4.6 or knowingly allows such conduct to occur at the Property or by Participant Personnel, or knowingly allows illegal activity to occur at the Property, City shall have the right to require that Participant immediately replace or cause Lessee to replace such manager or supervisor of the Program.

4.5 Drug Free Covenant. Participant shall use best efforts to maintain or cause Lessee to maintain a drug free environment on the Property. Participant covenants to City that Participant shall use its best efforts to ensure that Participant Personnel and all persons working or residing on the Property shall not unlawfully manufacture, distribute, dispense, possess or use controlled substances, as said term is defined in 21 United States Code Section 812 and California Health and Safety Code Section 11007 (or successor statutes), including marijuana, heroin, cocaine, and amphetamines on the Property.

4.6 Program Defaults. If the Participant shall or permit Participant Personnel to:

(a) engage in any act injuring, abusing, mistreating, or endangering any employee or client of the Program or other persons receiving services under the Program, including any tenants or occupants of the Project as reasonably determined by City;

(b) violate the provisions of Section 4.5 above; or

(c) engage in any act or transgression that, in the reasonable judgment of City, may cause embarrassment to City, reflect adversely upon City or City's funding programs or upon Participant, tend to bring the Program into public disrepute, contempt, scandal, or ridicule, or tend to shock, insult or offend the community or public morals or decency, then

City and Participant agree to meet and confer within ten (10) days of the request of the City to determine a resolution reasonably acceptable to the City and the Participant agrees to thereafter promptly implement the resolution. The failure of the Participant to implement the resolution shall constitute a default under this Agreement ("**Program Default**").

4.7 Occupants of Housing Facilities. To the extent permitted by applicable law, Participant shall cause Lessee to include in its occupancy or lease agreements with the persons residing in the facility ("**Occupants**") a requirement that the occurrence of any illegal activity by the Occupant, or by Occupant's guests at the Property, shall be grounds for immediate termination of the Occupant's right to reside within the housing facility and City shall have the right to require that Participant enforce such provision.

5. AGREEMENTS WITH THIRD PARTIES.

5.1 General. If Participant enters into any agreements ("Third Party Contracts") with contractor(s) for the construction of the Project ("Other Contacting Party"), such Third Party Contract shall be subject to the reasonable approval of City and must be consistent with the terms of this Agreement. Participant shall include in all Third Party Contracts the following minimum requirements: (a) provisions for the Other Contracting Party to comply with all terms of this Agreement to the extent applicable to the work or services provided by the Other Contracting Party, and all applicable legal requirements, including the CDBG Requirements; (b) provisions for the Other Contracting Party to cooperate with City and make available to City all information, documents, and records reasonably requested by City in connection with the activities under this Agreement; (c) provisions for City to be granted the right of access to the Property for purposes of this Agreement and evaluating Participant's performance hereunder; and (d) a provision naming City as an intended third party beneficiary with the right but not the obligation to enforce the agreement upon the occurrence of and during the continuance of a default under the relevant Third Party Contract. In connection with the preceding sentence, City shall have the right to require Participant to terminate the Third Party Contract if such default occurs. In addition to the foregoing, Participant shall include in its construction contracts for the Project and cause to be included in any subcontracts a provision that City may interview laborers and mechanics employed on the Project and that the contractors and subcontractors shall require any laborers or mechanics employed or engaged by it to cooperate with City. If Participant believes that any of the CDBG Requirements are not applicable to a Third Party Contract, it is Participant's responsibility to provide to City evidence that the requirement is not applicable; however, it is ultimately Participant's responsibility to include all legal requirements in its Third Party Contracts and City shall have no liability for Participant's failure to comply with this obligation. In connection therewith, any statement made by City to Participant as to the non-applicability of a particular legal requirement shall be provided as an accommodation to Participant and as a statement of City's opinion, but shall not be relied upon by Participant or excuse Participant from Participant's responsibility to include all applicable legal requirements in its Third Party Contracts or to comply with such requirements. Participant acknowledges that City's approval of a Third Party Contract shall in no way constitute an assumption by City of any responsibility whatsoever for the construction of the Project or performance of any activity that is the subject of the Third Party Contract, or Participant's or the Other Contracting Party's compliance with applicable laws, statutes, ordinances, codes, rules and regulations, or Participant's compliance with this Agreement. In connection therewith, City assumes no responsibility or liability for any act or omission of any Other Contracting Party and in no way guarantees any of the work to be done or materials to be supplied or services to be performed. Participant shall comply with all terms of Third Party Contracts.

5.2 Lessee Regulatory Agreement. Prior to the commencement of construction of the Project and as a condition to the disbursement of any CDBG Grant Funds, Participant shall enter into with Lessee and record against the Property or deliver to City for recordation the Regulatory Agreement. The Regulatory Agreement shall constitute a Third Party Contract and shall be subject to the provisions of this Agreement, including the requirements of Third Party Contracts set forth in Section 5.1. In addition, the Regulatory Agreement shall contain provisions that it cannot be terminated or modified without the prior written consent of City. The Regulatory Agreement also shall require that the CDBG Units be rented to Eligible CDBG Unit Tenants at an Affordable Rent.

6. PROGRAM INCOME.

Participant shall submit to City semi-annual reports as set forth in Section 8.2 on all program income as defined 24 C.F.R. 570.500(a) generated by activities carried out with CDBG Funds, if any. The program income shall, at City's election, either (a) be returned to City, or (b) retained by Participant and utilized for the Project expenses set forth in the Project Budget or such other activities approved in writing by City, in which case all provisions of this Agreement shall apply to the activities funded by the program income or Participant shall, if required by City, enter into a separate agreement governing the use of the program income. Upon the completion of the Project or the earlier termination of this Agreement, all unused program income shall be returned to City at the election of City.

7. ADDITIONAL COVENANTS OF PARTICIPANT.

7.1 Compliance with Laws and Regulations and CDBG Requirements. Participant shall carry out or cause to be carried out the design, construction and operation of the Project, and operate or cause to be operated the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the CDBG Requirements and the legal requirements set forth in Exhibit "D" attached to this Agreement and the statutes referenced therein, the City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all federal and state fair labor standards, including the payment of prevailing wages and compliance with the Davis-Bacon Act unless Participant provides evidence acceptable to City that such requirements are not applicable to the Project. Because the source of the City Grant is funds received from HUD pursuant to the federal government's Community Development Block Grant program, Participant is required to comply with all applicable CDBG Requirements. In the case of any conflict between the CDBG Requirements and this Agreement, the CDBG Requirements shall control; it being understood, however, that in order to be in compliance with this Agreement and the CDBG Requirements, Participant shall, to the extent possible, comply with the most restrictive provisions in this Agreement and the CDBG Requirements. Each and every provision required by law to be included in this Agreement shall be deemed to be included, and this Agreement shall be read and enforced as though all such provisions were included. Participant acknowledges and agrees that it shall be and remain, and shall cause the Participant Personnel to be and remain, fully knowledgeable and apprised of all local, state and federal laws, rules and regulations in any manner affecting the performance under this Agreement, including the CDBG Requirements. Participant shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, expense and/or "increased costs" (including reasonable attorneys' fees, court and litigation costs, and fees of expert witnesses) that results or arises in any way from any of the following: (a) the noncompliance by Participant or Participant Personnel of any applicable local, state and/or federal law, including, without limitation, any applicable federal and/or state labor laws (including, without limitation, if applicable, the requirement to pay state or federal prevailing wages and hire apprentices); (b) the implementation of Section 1781 of the Labor Code, as the same may be amended from time to time, or any other similar law, by Participant or Participant Personnel; and/or (c) failure by Participant or Participant Personnel to provide any required disclosure or identification as required by Labor Code Section 1781, as the same may be amended from time to time, or any other similar law. The foregoing indemnity shall survive

termination of this Agreement. It is agreed by the parties that, in connection with the development and construction of the Project, including, without limitation, any and all public works (as defined by applicable law), Participant shall bear all risks of payment or non-payment of prevailing wages under federal law and California law and/or the implementation of Labor Code Section 1781, as the same may be amended from time to time, and/or any other similar law. "Increased costs," as used in this Section 7.1, shall have the meaning ascribed to it in Labor Code Section 1781, as the same may be amended from time to time.

7.2 Maintenance. Participant shall maintain or cause to be maintained all improvements on the Property in first class condition and repair (and, as to landscaping, in a healthy condition) and in accordance with any approved plans for the Project, and all other applicable laws, rules, ordinances, orders, and regulations, including without limitation the City of Irvine Municipal Code, and all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials. In addition, Participant shall make or cause to be made all repairs and replacements necessary to keep the improvements in first class condition and repair and shall promptly eliminate or cause to be eliminated all graffiti and debris and replace or cause to be replaced dead and diseased plants and landscaping with comparable materials. In the event that Participant breaches any of the covenants contained in this Section 7.2 and such default continues for a period of fifteen (15) days after written or verbal notice from City (with respect to landscaping, graffiti, debris, waste material, or general maintenance) or thirty (30) days after written notice from City (with respect to building improvements), then City, in addition to whatever other remedy it may have at law or in equity, shall have the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the default and to protect, maintain, and preserve the improvements and landscaped areas on the Property. Participant shall, immediately upon demand therefor by City, pay to City an amount equal to the expenditures arising from such acts and work of protection, maintenance, and preservation by City and/or costs of such cure, including a ten percent (10%) administrative charge.

7.3 Obligation to Repair. If the improvements on the Property shall be totally or partially destroyed or rendered wholly or partly uninhabitable by fire or other casualty required to be insured against by Participant or Lessee, Participant shall promptly proceed to obtain or cause Lessee to obtain insurance proceeds and take all steps necessary to begin reconstruction and, immediately upon receipt of insurance proceeds, to promptly and diligently commence or cause Lessee to commence the repair or replacement of the improvements so that the Program can continue to be operated, and Participant shall complete or cause Lessee to complete the same as soon as possible thereafter.

7.4 Relocation. Participant, at its sole cost and expense, shall be responsible for providing or causing Lessee to provide any relocation assistance and paying or causing Lessee to pay all relocation costs to any tenants or occupants who may be displaced from the Property if such benefits or assistance are required to be provided by law. Participant shall indemnify, defend, and hold harmless City from and against any and all claims, liabilities, damages or losses made against it by tenants or occupants of the Property, including without limitation claims for relocation assistance, inverse condemnation, and claims otherwise arising from any act or omission of Participant pursuant to this Section 7.4. To the best of Participant's knowledge, there are no occupants or tenants of the Property.

7.5 Liens. Participant shall cause Lessee to pay and promptly discharge all Impositions, liens, encumbrances and charges upon the Property, or any part thereof or interest therein. As used herein, the term "**Impositions**" shall mean all (a) real estate and personal property taxes and other taxes and assessments, water and sewer rates and charges and all other governmental charges and any interest or costs or penalties with respect thereto and charges for any agreement maintained for the benefit of the Property, general and special, ordinary and extraordinary, foreseen and unforeseen, of any kind and nature whatsoever which at any time may be assessed, levied or imposed upon the Project, or the rent or income received therefrom, or any use or occupancy thereof, and (b) other taxes, assessments, fees and governmental charges levied, imposed or assessed upon or against Participant or the Property. In addition, Participant shall cause Lessee to timely make all payments on all loans secured by the Property or other debts which could give rise to a security interest in the Property.

8. RECORDS AND REPORTS.

8.1 Records.

8.1.1 Records to be Maintained. Participant shall keep and maintain or cause Lessee to keep and maintain records providing a full description of the activities undertaken pursuant to this Agreement, including the development of the Project and operation of the Program, records demonstrating that the Program meets one of the CDBG program's national objectives, records demonstrating the eligibility of the activities constituting the Eligible Project Expenses, records demonstrating compliance with this Agreement and CDBG Requirements, data demonstrating client eligibility for services provided including the name, income level, family size of each client and other information for determining eligibility and a record of the services provided to each client, and such other records as may be reasonably required by City to enable City to evaluate the development of the Project and operation of the Program and Participant's compliance with the CDBG Requirements, and to identify and account for the use of the City Grant proceeds and expenditures of Eligible Project Expenses and all costs pertaining to this Agreement, and to enable City to comply with City's record keeping and reporting requirements under the CDBG Requirements, including without limitation the records specified in 24 C.F.R. 570.506 as they pertain to the activities under this Agreement. Books and records pertaining to the Eligible Project Expenses shall be kept and prepared in accordance with generally accepted accounting principles or as otherwise required by City.

8.1.2 Retention. Participant shall retain or cause Lessee to retain the books and records required to be maintained under this Agreement for a period of five (5) years following the date that the Regulatory Agreement expires or terminates; provided, however, in the event any litigation, audit, negotiation, or other action involving the books and records is commenced prior to the expiration of the five (5) year retention period, Participant shall retain or cause Lessee to retain the books and records until completion of the action and resolution of all issues which arise from it.

8.1.3 Location of Records. The books and records required to be maintained under this Agreement shall be kept at the Property or at the office of Lessee or Participant or such other location as approved by City.

8.1.4 Access to Records. City and its representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Participant pertaining to this Agreement at all times during normal business hours.

8.1.5 Audits. Participant shall perform and cause Lessee to perform all audits of their respective books and records required by the CDBG Requirements or City or HUD and a copy of such audits shall be forwarded to the City within thirty (30) days after completion. Participant shall be subject to all audit and review requirements imposed on City in connection with this Agreement and shall, at its sole cost and expense, cause such audits and reviews to be timely performed.

8.2 Reports.

8.2.1 Semi-Annual Reports. No later than fifteen (15) days after the end of each Six-Month Period, Participant shall submit or cause Lessee to submit to City the following semi-annual reports on forms approved by the Contract Officer:

(a) *Performance Reports.* A report on the status of the Project improvements and a summary of the Program Services undertaken by Participant under this Agreement for the previous Six-Month Period ("**Performance Report**"). The Performance Report shall, at a minimum, describe the Program Services performed, the status of the Project, costs incurred, funds remaining, a narrative explanation of problems, delays, or adverse conditions which impaired the ability of Participant to meet any obligations if any were not met, favorable developments which enabled Participant to satisfy obligations and meet objectives sooner or at less cost than anticipated or producing more beneficial results that planned, and any additional pertinent information related to contract performance.

(b) *Program Income.* A report on the program income generated for the Six-Month Period, if any, as more fully explained in Section 6 of this Agreement, which shall include a description of the expenditures of program income and a progress report for the activities funded by the program income if Participant is permitted to retain program income.

8.2.2 Other Reports. In addition to the reports referenced in Section 8.2.1, Participant shall, at such times and in such forms as reasonably required by City, prepare and submit to the Contract Officer, such other reports concerning the activities under this Agreement, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement and compliance with CDBG Requirements, as City may reasonably require from time to time.

9. INSURANCE AND INDEMNITY.

9.1 Insurance. Participant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policy of insurance:

Commercial General Liability Insurance. A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars ($1,000,000) or its equivalent.

Participant shall cause Lessee to procure and maintain, at Lessee's sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance:

(a) *Commercial General Liability Insurance.* A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars ($1,000,000) or its equivalent.

(b) *Worker's Compensation Insurance.* A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California.

(c) *Builder's Risk.* Builder's risk coverage written on a completed value basis in an amount equal to the full replacement cost of the improvements with coverage available on the so-called non-reporting "all risk" form of policy, including coverage against collapse, fire, and water damage, with such insurance to be in such amounts and form and written by such companies as shall be approved by City. City agrees to accept a builder's risk insurance policy from the general contractor for the Project in conformance with the requirements set forth herein, including without limitation the requirement that City be named as a loss payee.

(d) *Automobile Liability Insurance.* Automobile liability insurance (bodily injury and property damage liability) which coverage shall include owned, hired, and non-owned automobiles, with limits of liability of not less than Five Hundred Thousand Dollars ($500,000.00) combined single limit per accident for bodily injury and property damage combined.

All of the above policies of insurance shall be primary insurance and except for the Worker's Compensation Insurance shall name the City, its officers, employees and agents as additional insureds or, with respect to the builder's risk policy, as a loss payee. Said policies shall be satisfactory only if issued by companies qualified to do business in California and rated A:VII or better in the most recent edition of the Best Rating Guide. The insurer shall waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. All of said policies of insurance shall provide that said insurance may not be amended or canceled without providing thirty (30) days prior written notice by registered mail to City. In the event any of said policies of insurance are canceled, Participant shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 9.1 to the Contract Officer. The foregoing obligations shall remain in effect until the completion of the Project, at which time Participant shall cause Lessee to maintain the insurance set forth in the Regulatory Agreement.

Participant agrees that the provisions of this Section 9.1 shall not be construed as limiting in any way the extent to which Participant may be held responsible for the payment of damages to any persons or property resulting from Participant's activities or the activities of any person or persons for which Participant is otherwise responsible or for Participant's indemnity obligations

set forth in Section 9.2 herein. No later than the "Insurance Approval Date" (as that term is defined below), Participant shall provide evidence of the above-required insurance (such as Certificates of Insurance of appropriate insurance binders) and obtain approval thereof from the Contract Officer, which approval shall not be unreasonably withheld or delayed and may be waived in Contract Officer's sole and absolute discretion. As used herein, the term "**Insurance Approval Date**" shall mean the date that is the earlier of (a) the date that is five (5) days prior to the anticipated closing date of the Construction Escrow; or (b) the date that is five (5) days after the Effective Date. City's approval of the insurance required hereunder is a Funding Condition.

9.2 Indemnification. Participant shall indemnify, defend, and hold harmless City and its officers, officials, employees, representatives and agents (collectively, the "**Indemnitee**") from and against any and all liability, expense or damage of any kind or nature, and for, from and against any suits, claims or demands, including legal fees and expenses, on account of or arising out of this Agreement or otherwise in connection with the Property, Project or Program, except to the extent of such loss as may be caused by the sole negligence or willful misconduct of an Indemnitee. Upon receiving knowledge of any suit, claim or demand asserted by a third party that City believes is covered by this indemnity, City shall give Participant notice of the matter and an opportunity to defend it, at Participant's sole cost and expense, with legal counsel satisfactory to City.

10. REPRESENTATIONS AND WARRANTIES OF PARTICIPANT.

Participant makes the following representations and warranties as of the date of this Agreement and agrees that such representations and warranties shall survive and continue thereafter:

(a) *Authorization and Validation.* The execution, delivery and performance by Participant of this Agreement (i) are within the powers of Participant and upon its execution will constitute a legal, valid and binding obligation of Participant enforceable in accordance with its terms, and (ii) to Participant's knowledge, will not violate any provisions of law, any order of any court or other agency of government, or any indenture, agreement or any other instrument to which Participant is a party or by which Participant, or any of its property, is bound, or be in conflict with, result in any breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of its property or assets, except as contemplated by the provisions of this Agreement.

(b) *Correct Information.* To Participant's knowledge, all reports, papers, data and information given to City with respect to Participant and this Agreement, including the Property and Program are accurate and correct in all material respects and complete insofar as completeness may be necessary to give City a true and accurate knowledge of the subject matters thereof, and there has been no change in such information.

(c) *Defaults.* Participant is not a party to any agreement or instrument that will interfere with its performance under this Agreement, and is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions set forth in any agreement or instrument to which it is a party.

(d) *Pending Litigation.* There is not now pending, or to Participant's knowledge threatened, against or affecting Participant any claim, investigation, action, suit or proceeding at law, or in equity, or before any court or administrative agency which, if adversely determined, would impair or affect the Property or Participant.

(e) *Compliance.* Participant has examined and is familiar with all conditions, restrictions, reservations and ordinances affecting the Property and Project.

11. DEFAULTS AND REMEDIES.

11.1 Defaults-General. The occurrence of any of the following shall be deemed a default under this Agreement:

(a) The failure or delay by either party to perform any term or provision of this Agreement if such failure is not cured, corrected or remedied within any specific time period set forth in this Agreement.

(b) If no other specific time period is set forth herein, the failure to cure a monetary default under this Agreement (other than any monetary defaults specifically listed in any of the other subparagraphs of this Section 11.1) within ten (10) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default.

(c) If no other specific time period is set forth herein, the failure to cure a non-monetary default under this Agreement (other than any non-monetary defaults specifically listed in any of the other subparagraphs of this Section 11.1) within thirty (30) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default; provided, however, that if the failure cannot reasonably be corrected within such period, it shall not constitute a default if the failure is correctable without material adverse affect on the Property, and if corrective action is instituted by Participant within such period and diligently pursued until the failure is corrected, and provided further that any such failure is cured within ninety (90) days of receipt of notice of such failure.

(d) Subject to Section 13.3, Participant does not proceed with the commencement, construction and completion of the Project as herein provided.

(e) Subject to Section 13.3, work ceases on the Project for ten (10) consecutive business days.

(f) The occurrence of a Program default described in Section 4.6.

(g) Any of the warranties or representations made by Participant herein are or become false, incorrect or misleading in any material respect and to the extent capable of being cured are not cured within the cure period set forth in subparagraph (c) above.

(h) Participant commits any act of bankruptcy or if any relief under the Bankruptcy Act is sought by or against Participant, or if a receiver is appointed to take charge of the assets or affairs of Participant, or if Participant should make an assignment

for the benefit of creditors, or if Participant should become insolvent, or upon any liquidation or termination of Participant; provided, however, that if any such proceeding is brought involuntarily against Participant, Participant shall have ninety (90) days to obtain the dismissal of such proceeding.

(i) The filing of a notice of judgment lien against Participant, or the recording of any abstract of judgment against Participant, or the service of a notice of levy and/or of a writ of attachment or execution, or other like process, against the assets of Participant, or the entry of a judgment, order or decree against Participant, any or all of which would have a material and adverse effect upon Participant's ability to perform under this Agreement, unless the same is dismissed within ninety (90) days.

(j) Participant, Alegre GP, AMCAL, AMCAL Multi-Housing Two, or Lessee shall default under any agreements, permits, development documents, construction contracts, bond agreements, or any other instrument executed in connection with the development or operation of the Project, including without limitation the Other Land Trust and City Loan Documents, which default is not cured within any grace and cure period expressly provided in such contract or instrument.

(k) Participant, Alegre GP, AMCAL, AMCAL Multi-Housing, or Lessee shall default in the payment or performance of any obligation, or any defined event of default, under the terms of any contract or instrument pursuant to which Participant has incurred any debt or other liability to City or any other person or entity that has an interest secured by a lien recorded against the Property, which default is not cured within any grace and cure period expressly provided in such contract or instrument.

The party in default shall provide to the other party immediate written notice of the occurrence of any event that would constitute a default hereunder.

11.2 Remedies Upon Default. In addition to any other rights or remedies available at law or in equity, upon a default under this Agreement (other than a default of City) City may take one or more of the following actions:

(a) Wholly or partially suspend or terminate this Agreement.

(b) Withhold further awards for the Project, including further disbursements of the City Grant.

(c) Require Participant to repay the City Grant funds.

(d) Institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement.

In addition to the foregoing, City shall have the right to withhold disbursements of City Grant proceeds during such period as may be necessary to determine whether a default has occurred and during any cure period. Upon the occurrence of an event which, with the passage of time or the giving of notice, would constitute a default under this Agreement (other than a

default of City), City may temporarily withhold disbursements of City Grant proceeds pending correction of the default by Participant.

Except as otherwise expressly provided in this Agreement, any failure or delay by a party in asserting any of its rights and remedies as to any default shall not constitute a waiver of any default, nor shall it change the time of default, nor shall it deprive the non-defaulting party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

11.3 Institution of Legal Actions. In addition to any other rights or remedies, either Party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that county.

11.4 Applicable Law Venue. The internal laws of the State of California without regard to conflict of law principles shall govern the interpretation and enforcement of this Agreement. All legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that County.

11.5 Rights and Remedies are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

11.6 Attorney's Fees. If either party to this Agreement is required to initiate or defend litigation in any way connected with this Agreement, the prevailing party in such litigation, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees from the losing party. If any party to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other party, then the party so litigating shall be entitled to reasonable attorney's fees from the other party to this Agreement. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, retaining expert witnesses, taking depositions and discovery, and all other necessary costs incurred with respect to such litigation.

12. TERMINATION.

In addition to any other termination provision set forth in this Agreement, this Agreement may be terminated by City as follows:

(a) *Lack of Funding.* If, for any reason, the CDBG Funds required by City to fund the Eligible Project Expenses are withdrawn from City, the City may unilaterally terminate or modify the terms of this Agreement to reflect the loss of funding. This subdivision shall not be applicable after the date City has disbursed to Participant (i) the funds for the City Grant or, (ii) at City's election and in its sole discretion, another source of funds.

(b) *Default.* If a default shall occur (other than a default of City), City may terminate this Agreement in whole or in part.

(c) *Failure to Receive Environmental Clearance.* In accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," HUD or the state does not approve the Request for Release of Funds (RROF) and related certifications for the Project and the Project is not otherwise exempt such that no RROF is required.

(d) *Termination for Convenience.* This Agreement may be terminated by City for convenience as provided in 24 C.F.R. § 85.44.

Notwithstanding the expiration or earlier termination of this Agreement, the following obligations of Participant shall survive the termination of this Agreement: (a) Participant's indemnity obligations; (b) the obligation to cause audits to be performed relating to Participant's activities and costs under this Agreement; (c) the obligation to repay to City any City Grant proceeds improperly disbursed to Participant or used for ineligible expenditures or otherwise required to be repaid under this Agreement; and (d) any other obligations which cannot by their nature be performed until after the expiration or termination of this Agreement. No termination under this Agreement shall release either party then in default from liability for such default.

13. GENERAL PROVISIONS.

13.1 Notices. All notices required to be delivered under this Agreement to City or Participant shall be delivered to the respective parties at the address set forth next to the party's signature to this Agreement or to such other address as the parties may hereafter designate by written notice to the other party.

13.2 Nonliability of City Officials and Employees. No member, official, employee, or contractor of City shall be personally liable to Participant in the event of any default or breach by City or for any amount which may become due to Participant or on any obligations under this Agreement.

13.3 Enforced Delay; Extension of Times of Performance. Time is of the essence in the performance of each of the parties' respective obligations set forth in this Agreement. In addition to specific provisions of this Agreement, and except as expressly set forth in this Section 13.3, performance by either party hereunder shall not be deemed to be in default and such party shall be entitled to an extension of time to perform its obligations hereunder where delays in performance are due to causes beyond the control and without the fault of such party, including as applicable: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplies that are not caused by Participant; acts of the other party; acts or the failure to act of City or any other public or governmental agency or entity that are not caused by Participant; or other causes beyond the reasonable control of the party. Notwithstanding the foregoing, Participant's inability to secure satisfactory financing, interest rates, and market and economic conditions shall not entitle Participant to an extension of time to perform. An extension of time for any cause permitted under this Section 13.3 shall be limited to the period of the enforced

delay, which period shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of knowledge of the commencement of the cause. If no written notice is sent within thirty (30) days, for purposes of measuring the extension period for performance of the obligation in question, the period of the enforced delay shall commence to run from the date written notice is sent to the other party. Times of performance under this Agreement may be extended by mutual written agreement of City and Participant.

13.4 [Intentionally Omitted]

13.5 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against any party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply. The Section headings are for purposes of convenience only, and shall not be construed to limit or extend the meaning of this Agreement.

13.6 Entire Agreement, Waivers and Amendments. This Agreement integrates all of the terms and conditions mentioned herein, or incidental hereto, and supersedes all negotiations and previous agreements between the parties with respect to the City Grant. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the party to be charged, and all amendments and modifications hereto must be in writing and signed by the appropriate authorities of City and Participant.

13.7 Severability. If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. In the event that all or any portion of this Agreement is found to be unenforceable, this Agreement or that portion which is found to be unenforceable shall be deemed to be a statement of intention by the parties; and the parties further agree that in such event, and to the maximum extent permitted by law, they shall take all steps necessary to comply with such procedures or requirements as may be necessary in order to make valid this Agreement or that portion which is found to be unenforceable.

13.8 Prohibition Against Assignment and Transfer. The qualifications and identity of Participant are of particular concern to City. It is because of those qualifications and identity that City has entered into this Agreement with Participant. Accordingly, Participant shall not, whether voluntarily, involuntarily, or by operation of law, undergo any change in ownership or assign, transfer or convey all or any part of this Agreement or any rights hereunder or in the Property, Lessee or in the Project without City's prior written approval. In considering whether it will grant approval, City shall consider factors such as (a) whether the completion of the Project is jeopardized; (b) the financial credit, strength, and capability of the proposed transferee to perform Participant's obligations hereunder, including the operation of the Program on the Property; and (c) the proposed transferee's experience and expertise in the planning, financing, development, ownership, and operation of similar projects and programs. In the absence of specific written agreement by City, no transfer by Participant of all or any portion of its interest in the Property shall be deemed to relieve it or any successor party from the obligation to complete the Project or any other obligations under this Agreement. No assignment shall be

approved if Participant is in default (or a default notice has been issued) of this Agreement. Participant shall be responsible for all costs incurred by City in connection with any request for approval of an assignment. Notwithstanding any provisions in this Section to the contrary, Participant shall have the right to transfer or convey all or any part of this Agreement or any rights hereunder or in the Property or in the Project, without City's prior written approval, to Lessee, AMCAL, an affiliate of AMCAL, or a limited partnership in which AMCAL is the general partner for the development and operation of the Project, so long as the purpose of said transfer or conveyance complies with and facilitates the terms and conditions of the Land Trust Loan Agreement. Further, none of the assignments, actions, or transfers listed in Section 9.7 (a), (b), (c), (d), (e), (f), or (g) of the Land Trust Loan Agreement shall require prior City approval. As used in this Section, the term "affiliate" shall mean an entity that directly or indirectly controls or is controlled by AMCAL.

13.9 Contract Administration and Approvals. The Contract Officer shall be the person designated by City to administer this Agreement on behalf of City and such administrative authority shall include but not be limited to the right to approve extensions of time on behalf of City and to issue waivers, and the Participant Representative shall be the person designated by Participant to administer this Agreement on behalf of Participant.

The City Manager or his designee shall have the authority to consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities concerning the City Grant, including but not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of City as specified herein. The Participant Executive Director or his designee shall have the authority to consent to any matter requiring Participant approval or consent as provided in this Agreement, and to perform and carry out any activities concerning the City Grant, including but not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of Participant as specified herein.

13.10 Covenants to Run with the Land. This Agreement is designed to create equitable servitudes and covenants running with the Property, in favor of City. This Agreement shall be binding upon the parties hereto and their respective heirs, representatives, transferees, successors, and assigns and all persons having any right, title or interest in the Property. All conditions, covenants, and restrictions contained in this Agreement shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by, City and its successors and assigns, against Participant, its successors and assigns, to or of the Property or any portion thereof or any interest therein, and any party in possession or occupancy of said Property or portion thereof. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided hereinabove both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate. City shall have the right, in the event of any breach of any such agreement or covenant, to exercise all rights and

remedies, including maintaining an action at law or suit in equity or other proper proceedings to obtain damages or enforce the curing of such breach of agreement or covenant.

13.11 Monitoring. City shall monitor and evaluate Participant's performance under this Agreement to determine compliance with this Agreement and the CDBG Requirements. Participant shall cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide or cause to be provided to City the reasonable right of access to the Property for purposes of this Agreement and evaluating Participant's performance hereunder.

13.12 Authority to Execute. The person(s) executing this Agreement on behalf of the parties hereto warrant that (a) such party is duly organized and existing, (b) they are duly authorized to execute and deliver this Agreement on behalf of said party, and (c) by so executing this Agreement, such party is formally bound to the provisions of this Agreement.

13.13 Execution in Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

13.14 Exhibits. This Agreement incorporates by reference the following four (4) Exhibits attached hereto:

Exhibit A	Legal Description of Property
Exhibit B	Project Budget
Exhibit C	Schedule of Performance
Exhibit D	Summary of Legal Requirements

[signatures on next page]

IN WITNESS WHEREOF, City and Participant have entered into this Agreement to be effective as of the date set forth above.

LEGAL DESCRIPTION OF PROPERTY

Real property in the City of Irvine, County of Orange, State of California, described as follows:

Lots 4 and Lettered Lot "I" of Tract No. 17394, in the City of Irvine, County of Orange, State of California, as per Map recorded in Book 902 Pages 33 through 43, Inclusive of Miscellaneous Maps, in the Office of the County Recorder of said County.

Excepting therefrom all oil, oil rights, minerals, mineral rights, natural gas rights and other hydrocarbons by whatsoever name known, geothermal steam, and all products derived from any of the foregoing, that may be within or under the land, together with the perpetual right of drilling, mining, exploring and operating therefor, and storing in and removing the same from said land or any other land, including the right to whipstock or directionally drill and mine from lands other than the land, oil or gas wells, tunnels and shafts into, through or across the subsurface of the land, and to bottom such whipstocked or directionally drilled wells, tunnels and shafts under and beneath or beyond the exterior limits thereof, and to redrill, retunnel, equip, maintain, repair, deepen and operate any such wells or mines, without, however, the right to drill, mine, store, explore and operate through the surface or the upper 500 feet of the subsurface of the land, as reserved by The Irvine Company in the deed recorded November 30, 2005 as Instrument No. 2005000953645 of Official Records.

Also excepting therefrom any and all water, water rights or interests therein appurtenant or relating to the land or owned or used by The Irvine Company in connection with or with respect to the land (no matter how acquired by The Irvine Company), whether such water rights shall be riparian, overlying, appropriative, littoral, percolating, prescriptive, adjudicated, statutory or contractual, together with the right and power to explore, drill, redrill, remove and store the same from or in the land or to divert or otherwise utilize such water, rights or interests on any other property owned or leased by The Irvine Company; but without, however, any right to enter upon the surface of the land in the exercise of such rights, as reserved by The Irvine Company in the deed recorded November 30, 2005 as Instrument No. 2005000953645 of Official Records.

It is understood that the foregoing Schedule is subject to all of the terms and conditions of the text of the Agreement. The summary of items of performance in the Schedule is not intended to supersede or modify any more complete description in the text; in the event of any conflict or inconsistency between this Schedule and text of the Agreement, the text of the Agreement shall govern. Times of performance under this Agreement may be extended by mutual written agreement of City and Participant. The Contract Officer of City shall have the authority on behalf of City to approve extensions of time.

EXHIBIT "D"

SUMMARY OF LEGAL REQUIREMENTS

In addition to the requirements set forth in other provisions of the Agreement, Participant shall comply, and shall cause all Participant Personnel to comply, with the following regulations and requirements.[1]

1. Equal Opportunity and Nondiscrimination.

a. Title VI of the Civil Rights Act of 1964, as amended, including Public Law 88-352 implemented in 24 CFR Part 1. This law provides in part that no person shall, on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. In regard to the sale or lease of the Property, Participant shall cause or require a covenant running with the land to be inserted in the deed and leases prohibiting discrimination under this Title, and providing that City and the United States are beneficiaries of and entitled to enforce such covenants. Participant shall enforce such covenant and shall not itself so discriminate.

b. Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended, including Public Law 90-234. The Fair Housing Act provides in part that there shall be no discrimination in housing practices on the basis of race, color, religion, sex, and national origin. The Fair Housing Act was amended in 1988 to provide protections from discrimination in any aspect of the sale or rental of housing for families with children and persons with disabilities. The Fair Housing Act also establishes requirements for the design and construction of new rental or for-sale multi-family housing to ensure a minimum level of accessibility for persons with disabilities.

c. Section 109 of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq.*, 42 U.S.C. 6101 *et. seq.*, and 29 U.S.C. 794. This law provides in part that no person on the grounds of race, color, national origin, sex, or religion shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any activity funded in whole or part with funds under this Title.

d. Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq*. This law provides in part that any grant under Section 106 shall be made only if the grantee certifies to the satisfaction of the Secretary of HUD that the grantee will, among other things, affirmatively further fair housing.

e. Executive Order 11246, as amended. This order includes a requirement that grantees and subrecipients and their contractors and subcontractors not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

---

[1] **This exhibit is a list and summary of some of the applicable legal requirements and is not a complete list of all Participant requirements. The description set forth next to a statute or regulation is a summary of certain provisions in the statute or regulation and is in no way intended to be a complete description or summary of the statute or regulation. In the event of any conflict between this summary and the requirements imposed by applicable laws, regulations, and requirements, the applicable laws, regulations, and requirements shall apply.**

f. **Executive Order 11063, as amended, including 24 CFR Part 107.** This order and its implementing regulations include requirements that all actions necessary be taken to prevent discrimination because of race, color, religion, sex, or national origin in the use, occupancy, sale, leasing, rental, or other disposition of property assisted with Federal loans, advances, grants, or contributions.

g. **Section 504 of the Rehabilitation Act of 1973, as amended**. This Act specifies in part that no otherwise qualified individual shall solely by reason of his or her disability or handicap be excluded from participation (including employment), denied program benefits, or subjected to discrimination under any program or activity receiving Federal assistance. Participant must ensure that its programs are accessible to and usable by persons with disabilities.

h. **The Americans with Disabilities Act (ADA) of 1990, as amended.** This Act prohibits discrimination on the basis of disability in employment by state and local governments and in places of public accommodation and commercial facilities. The ADA also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. The Act defines the range of conditions that qualify as disabilities and the reasonable accommodations that must be made to assure equality of opportunity, full participation, independent living, and economic self-sufficiency for persons with disabilities.

i. **The Age Discrimination Act of 1975, as amended**. This law provides in part that no person shall be excluded from participation in, be denied program benefits, or subjected to discrimination on the basis of age under any program or activity receiving federal assistance.

j. **EEO/AA Statement.** Participant shall, in all solicitations or advertisements for employees placed by or on behalf of Participant, state that it is an Equal Opportunity or Affirmative Action employer.

k. **Minority/Women Business Enterprise**. Participant will use its best efforts to afford small businesses and minority and women-owned business enterprises the maximum practicable opportunity to participate in the performance of the Agreement. As used in the Agreement, the term "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women-owned business enterprise" means a business at least fifty-one percent (51%) owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. Participant may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

2. **Environmental.**

a. **Air and Water**. Participant shall comply with the following regulations insofar as they apply to the performance of the Agreement: Clean Air Act, 42 U.S.C. 7401, *et seq.*; Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, *et seq.*, as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder; and the U.S. Environmental Protection City regulations pursuant to 40 CFR Part 50, as amended.

b. Flood Disaster Protection Act of 1973. Participant shall assure that for activities located in an area identified by FEMA as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained.

c. Lead-Based Paint. Participant shall comply with the Lead-Based Paint Regulations referenced in 24 C.F.R. 570.608, including 24 C.F.R. Part 35, *et. al.*

d. Historic Preservation. Participant shall comply with the historic preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 C.F.R. Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties and related laws and Executive Orders, insofar as they apply to the performance of this Agreement. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a federal, state, or local historic property list.

e. Limitation on Activities Pending Clearance. In accordance with 24 C.F.R. § 58.22 entitled "Limitations on activities pending clearance, "neither a recipient nor any participant in the development process, including public or private nonprofit or for-profit entities, or any of their contractors, may commit HUD assistance under a program listed in 24 C.F.R. § 58.1(b) on an activity or project until HUD or the state has approved the recipient's Request for Release of Funds (RROF) and the related certifications have been approved. Neither a recipient nor any participant in the development process may commit non-HUD funds or undertake an activity or project that would have an adverse environmental impact or limit the choice of reasonable alternatives. Upon completion of environmental review or receipt of environmental clearance, City shall notify Participant. HUD funds shall not be utilized before this requirement is satisfied. The environmental review or violation of the provisions may result in approval, modification of cancellation of the City Grant. If a project or activity is exempt under 24 C.F.R. § 58.34, or is categorically excluded (except in extraordinary circumstances) under 24 C.F.R. § 58.35(b), no RROF is required and the recipient may undertake the activity immediately after the City has documented its determination that each activity or project is exempt and meets the conditions specified for such exemption under this section by issuing a Notice to Proceed.

3. Uniform Administrative Requirements. Participant shall comply with the applicable uniform administrative requirements described in 24 C.F.R. § 570.502.

4. Other Program Requirements. Participant shall carry out each activity under the Agreement in accordance with all applicable federal laws and regulations described in Subpart K of 24 C.F.R. § 570 except for City's environmental responsibilities under 24 C.F.R. § 570.604 and City's responsibility for initiating the review process under the provisions of 24 C.F.R. Part 52.

5. Reversion of Assets. Upon the completion of the Project or the date the Project is required to be completed, or sooner termination of the Agreement, Participant shall transfer to City (a) any and all unexpended CDBG Funds, (b) any accounts receivable attributable to the use of CDBG Funds. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by Participant for activities under this Agreement shall at the election of City either be (a) transferred to City for the CDBG program, or (b) retained by Participant after compensating City an amount equal

to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment.

6. Relocation. City shall not be responsible for relocating any occupants from the Property in connection with the Program or Project. If required, Participant shall have the sole and exclusive responsibility for providing relocation assistance and paying all relocation costs required to comply with all applicable federal and state laws, rules, and regulations, including the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 42 U.S.C. § 4601 *et seq.*, as amended, and implementing regulations, and HUD Handbook 1378. Participant shall indemnify, defend, and hold City harmless from and against any claims, liabilities, damages, or losses made against it by tenants or occupants of the Property, including without limitation claims for relocation assistance, inverse condemnation, and claims otherwise arising from any act or omission of Participant pursuant to the provision of relocation assistance.

7. Allowable Costs and Audits. Participant shall comply with and administer the Project and Program in accordance with OMB Circular No. A-122 "Cost Principles for Non Profit Organizations" or OMB Circular No. A-21 "Cost Principles for Educational Institutions", as applicable. If Participant is a governmental or quasi-governmental agency, the applicable sections of 24 CFR Part 85, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," and OMB Circular A-87 shall apply. Participant shall have an annual audit conducted in accordance with OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

8. Records and Reports. Participant shall provide to City and shall cause each of its contractors, subcontractors and subrecipients to provide to City all records and reports relating to the Project and Program that may be reasonably requested by City in order to enable it to perform its record keeping and reporting obligations pursuant to the CDBG Requirements, including but not limited to those described in the Agreement and 24 CFR 570.506.

9. Religious Organizations. If Participant is a religious organization as defined by the CDBG Requirements, Participant shall comply with all conditions prescribed by HUD for the use of CDBG funds by religious organizations, including the First Amendment of the United States Constitution regarding church/state principles and the applicable constitutional prohibitions set forth in 24 C.F.R. § 570.200(j).

10. Conflict of Interest. Participant will comply with 24 C.F.R. 84.42, 85.36 and 570.611 regarding the avoidance of conflict of interest, which provisions include (but are not limited to) the following:

i. Participant shall maintain a written code or standards of conduct that shall govern the performance of its officers, employees or agents engaged in the award and administration of contracts supported by Federal funds.

ii. No employee, officer or agent of the Participant shall participate in the selection, or in the award, or administration of, a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

iii. No covered persons who exercise or have exercised any functions or responsibilities with respect to CDBG-assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the CDBG-assisted activity, or with respect to the proceeds from the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee, the Participant, or any designated public agency.

11. Political Activity (24 CFR 570.207(a)(3)). Participant is prohibited from using CDBG funds to finance the use of facilities or equipment for political purposes or to engage in other partisan political activities, such as sponsoring candidate forums, distributing brochures, voter transportation, or voter registration.

12. Anti-Lobbying Certification. By its execution of the Agreement, Participant hereby certifies that:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

iii. It will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. This certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure. At the request of City, Participant shall execute a separate document that contains the certifications set forth above.

13. Drug-Free Workplace Requirements. Participant shall comply with and be subject to the requirements of the federal drug-free workplace requirements, which include the following actions be taken:

i. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

ii. Establishing an ongoing drug-free awareness program to inform employees about: (a) the dangers of drug abuse in the work place; (b) the grantee's policy of maintaining a drug-free workplace; (c) any available drug counseling, rehabilitation, and employee assistance programs; and (d) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

iii. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (i).

iv. Notifying the employee in the statement required by paragraph (i) that, as a condition of employment under the grant, the employee will: (a) abide by the terms of the statement; and (b) notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.

v. Notifying the agency in writing, within ten calendar days after receiving notice under sub-paragraph (iv)(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant.

vi. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (iv)(b), with respect to any employee who is so convicted: (a) taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or (b) requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

vii. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (i), (ii), (iii), (iv), (v), and (vi).

14. Procurement. If applicable, Participant will comply with the procurement standards under 24 CFR 85.36 for governmental subrecipients and 24 CFR 84.40-48 for subrecipients that are non-profit organizations. Participant shall comply with all existing and future City policies concerning the purchase of equipment.

15. Labor Provisions.

a. Section 3 of the Housing and Community Development Act of 1968. Participant shall comply with and cause its contractors and subcontractors to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. § 1701u),

the HUD regulations issued pursuant thereto at 24 C.F.R, Part 135, and any applicable rules and orders of HUD issued thereunder. The Section 3 clause, set forth in 24 C.F.R § 135.38 provides:

i. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

ii. The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

iii. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

iv. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 135.

v. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. Part 135.

vi. Noncompliance with HUD's regulations in 24 C.F.R Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

Participant shall abide by the Section 3 clause set forth above and will also cause this Section 3 clause to be inserted in all contracts relating to the construction of the Project.

b. Labor Standards. Participant shall comply with the provisions of 24 C.F.R. 570.603 and related requirements. Participant shall include in all applicable construction contracts the provisions of federal law imposing labor standards on federally assisted contracts. Participant shall comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended (40 U.S.C. 3141 through 3148), the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 *et seq.* and implementing regulations), the Copeland Anti-Kick Back Act (40 U.S.C. 276c and 18 U.S.C. 874 *et seq.*), the implementing regulations of the U.S. Department of Labor including 29 CFR Parts 1, 3, 5, 6 and 7, and all other applicable Federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. Participant shall maintain documentation that demonstrates compliance with these provisions and such documentation shall be made available to City and HUD for review upon request. Participant shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

c. HUD Form 4010. Participant shall comply and cause Participant Personnel to comply with the provisions of HUD Form 4010 attached hereto. HUD Form 4010 must be included in the bid packet and construction contract and subcontracts for the Project.

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S Department of Labor, Washington, D.C 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section l(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5 5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section l(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at *http://www.dol.gov/esa/whd/forms/wh347instr.htm* or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5 5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A 3 (i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . Influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false..... shall be fined not more than $5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds $100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in sub paragraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds $100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

REQUEST FOR CITY COUNCIL ACTION

MEETING DATE: JANUARY 26, 2016

TITLE: FUNDING FOR AFFORDABLE HOUSING

Director of Community Development

City Manager

RECOMMENDED ACTION

Consider the request by Councilmember Krom to increase the percentage of funds for affordable housing from five percent to twenty percent as permitted in the "Dismissal Agreement in Connection with the State of California Department of Finance Settlement Negotiations by and between City of Irvine Successor Agency to the Dissolved Irvine Redevelopment Agency and Irvine Community Land Trust".

EXECUTIVE SUMMARY

Councilmember Krom submitted the attached memorandum requesting the City Council support her recommendation to increase the percentage of funding for affordable housing as provided by the "Dismissal Agreement in Connection with the State of California Department of Finance Settlement Negotiations by and between City of Irvine Successor Agency to the Dissolved Irvine Redevelopment Agency and Irvine Community Land Trust" (Dismissal Agreement). In the Dismissal Agreement, the City designated five percent of the settlement to go to the Land Trust to meet the City's housing objective. Subsequent to the approval of the Dismissal Agreement, the City Council has supported recommendations to consider the housing needs for persons with developmental disabilities and veterans. To ensure the City has the resources needed to achieve its goals, Councilmember Krom requests the Council consider increasing the five percent to twenty percent.

COMMISSION/BOARD/COMMITTEE RECOMMENDATION

Not applicable.

ANALYSIS

History

The City of Irvine and the Successor Agency to the Dissolved Irvine Redevelopment Agency (collectively 'City') filed actions in 2013 against the State of California (State) to enforce agreements the State had alleged were not valid. Concurrently, the Irvine Community Land Trust (Land Trust) filed its own action to enforce an agreement with the Irvine Redevelopment Agency the State had deemed invalid. The City entered into

settlement negotiations with the State and as part of the negotiations, the State requested the City bring all parties, including the Land Trust, toward a settlement. On July 9, 2014, the City and State executed a Settlement Agreement and Release of Claims (Settlement Agreement) by which terms the City would receive approximately $292 million to be paid over time from Redevelopment Property Tax Trust Fund money. Concurrent with the Settlement Agreement, the City, State and Land Trust executed the Dismissal Agreement referenced above.

Dismissal Agreement

The Dismissal Agreement provides that five percent ($14.6 million) of the funds received by the City are to be dedicated to the Land Trust for affordable housing purposes. Section 2 of the Dismissal Agreement states, in part:

> "Upon its receipt of each periodic payment in satisfaction of the Judgment Amount, the City shall pay to the Land Trust an amount equal to five percent (5%) of such periodic payment."

Section 2 also states:

> "Nothing in the foregoing prevents the City, in its sole and absolute discretion, from paying more than five percent (5%) to the Land Trust and/or accelerating payments to the Land Trust".

Request for Funding for Affordable Housing

Councilmember Krom is requesting the City Council consider increasing the percentage of funding to the twenty percent level that would have been required had redevelopment agencies not been dissolved by the State. She notes this would help to ensure that the City has as many tools as possible to achieve its affordable housing goals.

ALTERNATIVES CONSIDERED

No alternatives are suggested as this item is presented for consideration by City Councilmember Krom.

FINANCIAL IMPACT

The current dedicated amount of funds to the Land Trust for affordable housing from the Dismissal Agreement is $14.6 million (five percent). Increasing the percentage to twenty percent would dedicate $58.4 million for affordable housing purposes.

REPORT PREPARED BY Mark Asturias, Housing Manager

Re: Funding for Affordable Housing

When the Irvine Redevelopment Agency was in place, 20% of the redevelopment funds generated were to be set aside by statute for affordable housing. Following the settlement by the State to the City of Irvine, the City Council was asked to designate a percentage of the settlement funds of $292 million to continue the important work we have been doing to create high quality affordable housing in the City of Irvine through the Irvine Community Land Trust.

At the time, a majority of the City Council favored dedicating 5% of the settlement funds for that purpose. Since that time the City Council has supported recommendations to consider the needs of the developmentally disabled and veterans when planning for new affordable housing projects. To ensure that we have as many tools as possible to achieve our ambitious goals, I would like to place an item on the agenda for the January 26th City Council meeting requesting that the City Council consider increasing the percentage of funding from the settlement funds to the 20% level that would have been required had the Redevelopment Agency remained intact.

Given that there has been City Council support for affordable housing, the Irvine Community Land Trust and the needs of special populations such as veterans and the developmentally disabled, my hope is that the City Council will support my recommendation.

Thank you.

PLEDGE OF ALLEGIANCE

Mayor Choi led the Pledge of Allegiance.

INVOCATION

Mayor Choi invited Pastor Frank Winans from Woodbridge Community Church in Irvine to provide the invocation.

MUSICAL PRESENTATION

Mayor Choi introduced Serena Yu, sophomore from Northwood High School and music student from Young Musician's Ensemble, who performed "When Johnny Comes Marching Home Again" followed by "Passepied" by C.A. Debussy.

2. PRESENTATIONS

2.1 Proclaim February 11, 2016 as "Irvine 2/11 Marine Battalion Day"

Mayor Choi introduced Commanding Officer Lieutenant Colonel Daniel Whitley, Sergeant Major Justin Ezell, and Lieutenant Matthew Miller from the Irvine 2nd Battalion, 11th Marine Regiment, 1st Marine Division (Irvine 2/11); as well as members of the Irvine 2/11 Marine Adoption Committee and presented a proclamation recognizing February 11, 2016 as "Irvine 2/11 Marine Battalion Day."

Mayor Choi and Councilmembers Krom, Lalloway and Shea each pledged grant funding from their respective Community Partnership Grant Funds in support of the Irvine 2/11 Marines. Mayor Pro Tempore Schott noted her pledge in the amount of $1,000 that was approved at the January 12, 2016 City Council meeting.

2.2 Commend Vivian Clecak, Chief Executive Officer, Human Options

Mayor Choi introduced Vivian Clecak, Chief Executive Officer, Human Options, and presented a Commendation in recognition of her upcoming retirement and over 30 years of serving victims of domestic abuse.

CITY MANAGER'S REPORT

City Manager Joyce introduced Grace Leung, his new appointee as the City's Director of Administrative Services. He also introduced Barbara Arenado, Management Analyst II, who provided a status report on the performance of the City's plan to retire its unfunded pension liability.

City Council discussion included: estimated vs. actual projections and how these projections impacted the timeline to retire the City's unfunded pension liability; requested a follow-up with a more detailed update at a future City Council meeting; steps that the City Council could take, such as using additional carryover funds, to stay on course and maintain its goal of reaching 97% within ten years; and noted that the City is one of the first in the state to address the issue of unfunded pension liability.

Stephen Wontrobski, Mission Viejo resident, expressed opposition to proposed legislation introduced by Orange County Fire Authority employee unions to make member cities liable for OCFA's unfunded pension liability.

Additional City Council discussion included: whether the proposed legislation would be limited to firefighters or all public safety personnel; clarification that the proposed legislation was introduced by a legislator and not union personnel; and noted that the proposed legislation was not currently active.

City Manager Joyce noted that staff continues to monitor the proposed legislation and would continue to keep the City Council informed of any legislative changes.

ANNOUNCEMENTS/COMMITTEE REPORTS/COUNCIL REPORTS

Councilmember Shea announced that the City will host the County of Orange Veteran Advisory Council meeting on Friday, February 10 in the Council Chamber. Those interested in housing issues for veterans are encouraged to attend to hear a presentation by the City on veteran housing policies.

Councilmember Schott, as the City's delegate to the Orange County Mosquito and Vector Control District, noted that several mosquito-borne diseases were currently active in Orange County and provided suggestions on how to prevent the breeding of mosquitos. She further noted that more detailed information on mosquito-borne diseases would be forthcoming at a future City Council meeting.

Mayor Choi made the following announcements:

- The Mayor's annual State of the City Address will be held on Tuesday, February 9 at the Irvine Civic Center, which will highlight the major accomplishments of 2015 and look ahead to what the New Year holds for the City. A public reception begins at 5 p.m. in the Main Lobby followed by the Address at 6 p.m. The regular City Council meeting will be held at 4 p.m.

- The City is celebrating its 45th Anniversary with a photo contest, aiming to capture the essence of Irvine. A grand prize winner, as well as winners in five categories, will be revealed in the Fall issue of *Inside Irvine* magazine. The grand prize winner will receive a $250 gift card. For information on how to submit photos, visit *cityofirvine.org.*

- Registration has begun for the 2016 Irvine Junior Games, presented by Irvine Children's Fund. This key fundraising effort provides scholarships for before- and after-school child care to low-income working families in the school district. Parents of Irvine Unified School District students are invited to register their child online at *irvinejuniorgames.com.* Registration closes February 19 for grades 4 through 6, and March 11 for grades 7 through 8.

- The Public Information Office is launching a "Ring the Bell" campaign, reminding the community to be courteous and safe while enjoying beautiful trails and bikeways in the City. Bicyclists are encouraged to ring their bike bells to alert pedestrians or other cyclists and slowly pass on the left.

ADDITIONS AND DELETIONS

City Manager Joyce asked that Item No. 3.9 (Jeffrey/Alton Intersection Improvement Project) and 3.13 (Waste Disposal Agreement Extension) be removed from the agenda, which would return at a date to be determined. He also noted that with respect to Item No. 3.6, the Orange County Great Park Board took action to recommend that the City Council direct that funds received pursuant to the Fire Station 20 Site Acquisition Agreement be allocated to the Great Park Fund at a future date (as reflected in Recommended Action Item No. 2).

4. PUBLIC HEARINGS

4.1 REQUEST FINDING THAT THERE ARE NO NONPROFIT AGENCIES READILY AVAILABLE TO PROVIDE PARATRANSIT SERVICES

Laurie Hoffman, Director of Community Services, presented the staff report and was available for questions.

Mayor Choi opened the public hearing at 6:06 p.m. There were no requests to speak.

ACTION: Moved by Mayor Choi, seconded by Councilmember Lalloway, and unanimously carried to close the public hearing at 6:07 p.m.

There was no City Council discussion.

ACTION: Moved by Councilmember Lalloway, seconded by Councilmember Shea, and unanimously carried to:

Adopt RESOLUTION NO. 16-10 - A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IRVINE, CALIFORNIA, FINDING THAT THERE ARE NO NONPROFIT AGENCIES READILY AVAILABLE TO PROVIDE PARATRANSIT SERVICES TO SENIORS AND INDIVIDUALS WITH DISABILITIES, AS REQUIRED BY THE FEDERAL TRANSIT ADMINISTRATION FOR A SECTION 5310 GRANT APPLICATION

4.2 APPEAL OF PLANNING COMMISSION ACTION APPROVING VESTING TENTATIVE TRACT MAPS IN DEVELOPMENT DISTRICTS 5 AND A PORTION OF 6 (00648088-PTT), 1-NORTH (00647883-PTT) AND 1-SOUTH (00647880-PTT) LOCATED IN THE GREAT PARK NEIGHBORHOODS (PLANNING AREA 51)

Mayor Choi turned to Councilmember Krom, who summarized her concerns for filing the appeal as reflected in her memo dated January 4, 2016.

Barry Curtis, Manager of Planning Services, and Tim Gehrich, Deputy Director of Community Development, presented the staff report and responded to questions.

Mayor Choi opened the public hearing at 6:22 p.m.

Patrick Strader, representing Starpointe Ventures and on behalf of the applicant, spoke in opposition to the appeal, clarifying that the number of units reflected in the appeal memo were previously approved and not an additional amount of units; and noted mitigation measures and conditions approved by the Planning Commission to address concerns noted in the appeal.

Harvey Liss, Irvine resident, spoke in support of the appeal, expressing concern about contaminants found near the future Portola High School as well as other potential contamination issues that could arise in the future.

Mary Ann Gaido, Planning Commissioner, spoke in support of the appeal, noting concerns about a substantial increase in vehicle trips and traffic impacts to surrounding areas.

City Council discussion included: Planning Commission approval of the vesting tentative tract maps without the proper level of specificity; noted that public hearing notices were only mailed to those within 500 feet of the project, thereby excluding those in surrounding neighborhoods, and occurred one week prior to the Christmas holiday; potential traffic impacts to major arterial roadways; noted the citywide traffic study currently underway to address traffic circulation in the City; comparing traffic circulation patterns of this project to Turtle Rock and Turtle Ridge; importance of the completion of Marine Way to mitigate traffic concerns; noted that the impacts of development could not be accurately determined without a Master Plan; and the remedies used related to contaminants that had been found near the future Portola High School.

ACTION: Moved by Councilmember Krom to:

Send this matter back to the Planning Commission with instructions to do the following before taking any further action:

1) To require the concurrent submittal of a master plan so that a more complete and holistic vision of the proposed development may be evaluated by the Planning Commission before any approvals are issued.
2) That more specifically and thoroughly, the Planning Commission must consider the design and content of the tract maps, which it now does not have the information to do.
3) To consider deferral of a final determination on the applications until such time as the results of the now pending Citywide traffic analysis can be studied and factored into the Planning Commission's evaluation of the vested tentative tract maps.

The motion failed for lack of second.

ACTION: By consensus of the members present (Councilmember Lalloway absent for vote), Mayor Choi closed the public hearing at 6:47 p.m.

Additional City Council discussion included: findings in the environmental review of the south end of the Great Park near the soccer fields; whether the Planning Commission was a policy level body and able to create and approve policy; comparison of standards since the development of Woodbridge Village; other contaminants discovered on the proposed alternative high school site (Site B); which agencies reviewed contamination concerns near the future Portola High School site (Portola High School), their roles in the review process, and the accuracy of their reports; noted that the City had done everything possible to investigate concerns related to contaminants at Portola High School; clarification of

the date and time of when the Planning Commission heard this item; noted that Portola High School had been deemed safe by multiple agencies; clarified that all concerns noted in the appeal have already been reviewed and addressed by the Planning Commission; noted the responsibility of the school district to ensure safety of its school sites; recent comments made in the Irvine Community News and Views regarding contaminates at the future Portola High School; clarification that the appeal was not to deny the project, but rather, to send back to the Planning Commission for further evaluation; whether a commercial shopping center, child care center, and places of worship were planned as part of the project; and comments made by a City consultant related to concerns about safety at Portola High School.

City Attorney Litfin noted that the Planning Commission is a body designated in State law and tasked to address planning type needs; however, it does not have independent authority to create and approve ordinances. He further clarified that the Planning Commission implements the laws in place that govern the jurisdiction as directed by State law or the City Council.

City Manager Joyce noted a public statement he had made at a prior City Council meeting regarding an unqualified opinion from a field crew member of an environmental firm about the safety of the Portola High School site. He then clarified what had been discovered and cleaned up and that the soil left behind was deemed safe. Assistant City Manager Tolles noted that the substance found was adjacent to, and not on, the school site and that construction had immediately stopped in order to go through the proper protocol process.

ACTION: Moved by Councilmember Lalloway, seconded by Councilmember Shea, to:

Deny the appeal, thereby upholding the Planning Commission's decisions:

A. Adopt RESOLUTION NO. 16-11- A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IRVINE, CALIFORNIA, DENYING AN APPEAL THEREBY UPHOLDING PLANNING COMMISSION APPROVAL OF VESTING TENTATIVE TRACT MAP NO. 17940 (FILE NO. 00648088-PTT) TO SUBDIVIDE APPROXIMATELY 448 GROSS-ACRES INTO 76 NUMBERED LOTS AND 11 LETTERED LOTS FOR THE DEVELOPMENT OF SINGLE-FAMILY RESIDENTIAL, MULTI-FAMILY RESIDENTIAL, PRIVATE PARK, MULTI-USE PURPOSES AND A K-8 SCHOOL, LOCATED IN DEVELOPMENT

5. COUNCIL BUSINESS

5.1 PARTNERSHIP FOR EDUCATIONAL EXCELLENCE FUNDING FOR FISCAL YEAR 2016-17 AND FISCAL YEAR 2017-18

Veronica Dolleschel, Senior Management Analyst, presented the staff report and responded to questions. Michelle Grettenberg, Assistant to the City Manager, and Laurie Gruschka, Senior Management Analyst, were also available for questions.

The following individuals expressed their appreciation to the City Council for its support of Irvine and Tustin Unified School Districts:

Neda Eaton, President and CEO, Irvine Public Schools Foundation
Stan Machesky, Irvine Unified School District
Mike Williams, Principal, Orchard Hills Elementary School, Tustin Unified School District

City Council discussion included: compliance with Measure BB and streamlining the Educational Partnership Fund Program; noted that Irvine is a high education city and a top reason why people choose to move to Irvine; priorities established when the Irvine Educational Partnership Fund Program was created; providing additional funding for health clerks and nurses; whether review of the program would come to the City Council to ensure compliance with the program; and noted that the new streamlined process would allow schools to independently allocate more for health clerks and nurses at their discretion.

ACTION: Moved by Councilmember Shea, seconded by Councilmember Lalloway, and unanimously carried to:

1) Adopt RESOLUTION NO. 16-14 - A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IRVINE, CALIFORNIA, SUPERSEDING RESOLUTION NO. 06-08, RESOLUTION NO. 06-72 AND RESOLUTION NO. 07-14 PERTAINING TO IMPLEMENTING THE EDUCATIONAL PARTNERSHIP FUND PARTNERSHIP FOR EDUCATIONAL EXCELLENCE PROGRAM FOR FISCAL YEARS 2016-17 AND 2017-18; authorizing $2.5 million for the Educational Partnership Fund annually for Fiscal Years 2016-17 and 2017-18.
2) Adopt RESOLUTION NO. 16-15 - A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IRVINE, CALIFORNIA, IMPLEMENTING THE CHALLENGE MATCH GRANT PARTNERSHIP FOR EDUCATIONAL EXCELLENCE PROGRAM FOR FISCAL YEARS 2016-17 AND 2017-18; authorizing $1.5 million for the Challenge Match Grant program annually for Fiscal Years 2016-17 and 2017-18.
3) Authorize the Mayor to execute the Memorandum of Understanding for the Educational Partnership Fund program for Fiscal Years 2016-17 and 2017-18 with Irvine Unified and Tustin Unified School Districts.

5) Sunset the Educational Partnership Fund Advisory Committee.

Councilmember Lalloway left the meeting at 8:25 p.m.

5.2 FUNDING FOR AFFORDABLE HOUSING

This item was agendized at the request of Councilmember Krom, who asked for City Council consideration of increasing the percentage of redevelopment settlement funds from the State of California from five percent to twenty percent for affordable housing.

City Council discussion included: interests in affordable housing to also include veterans and the developmentally disabled populations; increasing the level of funding to twenty percent was consistent with prior requirements of redevelopment agencies; expressed concern about whether the settlement payment schedule would be adhered to by the State and noted future reconsideration should payments be made in a

timely manner; clarification of when the repayment period commenced and whether payments have been received on time thus far; how funding is disseminated to the Irvine Community Land Trust (Land Trust) based on the current payment schedule and how much has been transferred to the Land Trust to date; increasing funding to ten vs. twenty percent; and noted the outstanding and future projects at the Orange County Great Park and the potential to use settlement funds for those projects.

ACTION: Moved by Councilmember Krom to:

> Increase the percentage of funds for affordable housing from five percent to twenty percent as permitted in the "Dismissal Agreement in Connection with the State of California Department of Finance Settlement Negotiations by and between the City of Irvine, City of Irvine Successor Agency to the Dissolved Irvine Redevelopment Agency and Irvine Community Land Trust".

Motion failed for lack of second.

ACTION: Moved by Councilmember Shea, seconded by Councilmember Krom, to:

PUBLIC COMMENTS

Michael Klubniken noted recent actions by the Orange County Board of Supervisors, and spoke on behalf of the Tseglin family, who continue experiencing a domestic issue related to an autistic family member.

Stephen Wontrobski, Mission Viejo resident, spoke in opposition to labor agreements and salaries of personnel at the Orange County Fire Authority.

Ilya and Robert Tseglin reiterated a domestic issue related to an autistic family member.

Gang Chen, Irvine resident, spoke about the need for additional cell towers in villages with poor reception and in support of citywide Wi-Fi.

ADJOURNMENT

Moved by Councilmember Krom, seconded by Councilmember Shea, and unanimously carried by those members present (Councilmember Lalloway absent) to adjourn the regular City Council meeting at 8:41 p.m.

AFFORDABLE HOUSING LAND DISPOSITION, LOAN AND DEVELOPMENT AGREEMENT
(Donations, Option to Lease, Trip Credit Transfers and City Loan)

This AFFORDABLE HOUSING LAND DISPOSITION, LOAN AND DEVELOPMENT AGREEMENT ("Agreement") is entered into this 10th day of February 2015, by and among the CITY OF IRVINE, a municipal corporation ("City"), LENNAR CENTRAL PARK, LLC, a Delaware limited liability company ("LCP") and 17275 DERIAN, LLC, a California limited liability company ("Developer"). City, LCP and Developer are sometimes referred to collectively as "Parties" and individually as a "Party."

RECITALS

A. These Recitals utilize certain capitalized terms which are defined in Section 1.

B. City is a municipal corporation organized and existing pursuant to the City's Charter and the Constitution and laws of the State of California.

C. LCP is the developer of the Central Park West ("CPW") development within the City.

D. Developer's members are experienced developers and operators of multifamily rental affordable projects in California.

E. LCP has certain inclusionary affordable housing obligations to the City related to its development of CPW pursuant to Chapter 2-3 of the City Municipal Code.

F. On November 6, 2014, the City Planning Commission approved a Revised Affordable Housing Plan ("CPW Housing Plan") for the CPW development. This Agreement implements the CPW Housing Plan, including the conveyance of the Property as recommended by the City Planning Commission.

G. Pursuant to the CPW Housing Plan, LCP will meet its inclusionary affordable housing obligations for the CPW development through the Developer's development of 80 units of affordable housing, including one management unit, ("Project") on the real property located at 17275 Derian in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached as Attachment No. 1 and more particularly depicted in the map attached as Attachment No. 2, ("Property"). Under the CPW Housing Plan, LCP will donate the Property to City Assign to be ground leased by City Assign to the Developer for ninety-nine (99) years for annual ground rent in the amount of One Dollar, LCP will donate funds to the City to be loaned to the Developer for development of the Project, and LCP will sell transportation trip credits to the Developer for the Project.

H. Under this Agreement, the Developer agrees to be ground lessee of the Property for ninety-nine (99) years and to develop and operate the Project as affordable housing as further provided in this Agreement.

I. The Project will be subject to affordability covenants requiring that certain Residential Units be rented to income eligible households at an affordable rent.

J. On March 14, 2006, the City adopted a policy document entitled "Housing Strategy and Implementation Plan", which sets a community goal to create permanent affordable housing. The Project is proposed to assist the City in meeting this goal.

K. This Agreement is in furtherance of City's goals to provide and preserve affordable housing units in the City, is in furtherance of LCP's obligations to provide affordable housing within the City to allow it to develop the CPW development, and in furtherance of Developer's purpose to develop, operate, and manage affordable housing for very low income households.

L. Pursuant to Section 15161 of the State California Environmental Quality Act (CEQA) Guidelines, this project is covered by a previously certified Environmental Impact Report (SCH No. 91011023), which was certified on August 24, 2004.

AGREEMENT

Based upon the foregoing Recitals, which are incorporated herein by this reference, and for good and valuable consideration, the receipt and sufficiency of which is acknowledged by all Parties, LCP, City and Developer hereby agree as follows:

1. DEFINITIONS

In addition to any capitalized words and terms as defined throughout this Agreement, the following terms as used in this Agreement shall have the meanings given below:

"Agreement" shall mean this Affordable Housing Land Disposition, Loan and Development Agreement among City, LCP and Developer, including all exhibits and other documents attached hereto.

"Approved Title Exceptions" is defined in Section 5.2(a).

"City" shall mean the City of Irvine, a municipal corporation, organized under the laws of the State of California and having its offices at One Civic Center Plaza, Irvine, CA 92623-9575.

"City Assign" is defined in Section 4.3.

"City Assign Released Parties" is defined in Section 5.6(c).

"City Loan" shall mean the loan from the City to the Developer an aggregate amount not to exceed the sum of One Million Five Hundred Thirty Three Thousand Seven Hundred Seventy-Five Dollars ($1,533,775) for predevelopment, development and construction costs for the Project, including with limitation purchase of transportation trip credits.

"City Loan Documents" shall mean this Agreement, the City Note, the Leasehold Deed of Trust and the Regulatory Agreement.

"City Loan Title Policy" is defined in Section 3.3(b).

"City Manager" shall mean the City Manager of the City or his or her designee or such other person as may be designated by the City Council to administer this Agreement.

"City Note" shall mean the Promissory Note Secured by Leasehold Deed of Trust, substantially in the form attached as Attachment No. 5, which sets for the terms for Developer's repayment of the City Loan to City.

"City Assign Owners Title Policy" is defined in Section 5.3(d).

"Close of Escrow" is defined in Section 5.1.

"Extended Use Agreement" is defined in Section 9.6.

"FIRPTA Certificate" is defined in Section 5.7(a)(iii).

"Foreclosure" is defined in Section 9.6.

"Funding Conditions" shall mean the conditions set forth in Section 3.3 of this Agreement that must be satisfied prior to City providing the City Loan to Developer.

"Grant Deed" is defined in Section 5.2(b).

"Ground Lease" shall mean the binding lease agreement to be entered into between Developer, as lessee, and City Assign, as lessor, for the lease of the Property, substantially in the form attached as Attachment No. 4.

"Hazardous Materials" means any chemical, material or substance now or hereafter defined as or included in the definition of hazardous substances, hazardous wastes, hazardous materials, extremely hazardous waste, restricted hazardous waste, toxic substances, pollutant or contaminant, imminently hazardous chemical substance or mixture, hazardous air pollutant, toxic pollutant, or words of similar import under any local, state or federal law or under the regulations adopted or publications promulgated pursuant thereto applicable to the Property, including, without limitation: the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. 9601, et seq. ("CERCLA"); the Hazardous Materials Transportation Act, as amended, 49 U.S.C. 1801, et seq.; the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, et seq.; and the Resource Conservation and Recovery Act of 1976, 42 U.S.C. 6901, et seq. ("RCRA"). The term Hazardous Materials shall also include any of the following: any and all toxic or hazardous substances, materials or wastes listed in the United States Department of Transportation Table (49 CFR 172.101) or by the Environmental Protection Agency as hazardous substances (40 CFR Part 302) and in any and all amendments thereto in effect as of the date of Close of Escrow; oil, petroleum, petroleum products (including, without limitation, crude oil or any fraction thereof), natural gas, natural gas liquids, liquefied natural gas or

synthetic gas usable for fuel, not otherwise designated as a hazardous substance under CERCLA; any substance which is toxic, explosive, corrosive, reactive, flammable, infectious or radioactive (including any source, special nuclear or by product material as defined at 42 U.S.C. 2011, et seq.), carcinogenic, mutagenic, or otherwise hazardous and is or becomes regulated by any governmental authority; asbestos in any form; urea formaldehyde foam insulation; transformers or other equipment which contain dielectric fluid containing levels of polychlorinated byphenyls; radon gas; or any other chemical, material or substance (i) which poses a hazard to the Property, to adjacent properties, or to persons on or about the Property, (ii) which causes the Property to be in violation of any of the aforementioned laws or regulations, or (iii) the presence of which on or in the Property requires investigation, reporting or remediation under any such laws or regulations. Notwithstanding the foregoing, "Hazardous Materials" shall not include such products in quantities as are customarily used in the construction, maintenance, development or management of residential developments or associated buildings and grounds, or typically used in residential activities in a manner generally used in other comparable residential developments, or substances commonly ingested by a significant population living within the Project including, without limitation, alcohol, aspirin, tobacco and saccharine provided that in each case, the products are used, stored, transported and disposed of in compliance with applicable law.

"Holder" is defined in Section 7.2.

"Indemnitee" is defined in Section 9.5.

"Insurance Approval Date" is defined in Section 6.4.

"LCP Released Parties" is defined in Section 5.5(c).

"LCP Representative" shall mean a member of LCP who is designated by LCP to represent LCP in the administration of this Agreement. As of the Effective Date, Donna Kelly is the LCP Representative. LCP may change the LCP Representative by delivering written notice thereof to the other Parties.

"Lease Assignment" is defined in Section 5.7(a)(iv).

"Leasehold Deed of Trust" shall mean the Leasehold Deed of Trust With Assignment of Rents, substantially in the form attached as Attachment No. 6, which secures, among other things, Developer's payment obligations under the City Note.

"Memorandum of Agreement" shall mean the memorandum of this Agreement, substantially in the form attached hereto as Attachment No. 3, to be executed and acknowledged by all Parties and to be recorded upon the Property.

"Memo of Lease" is defined in Section 5.2(c).

"Parties" shall mean City, LCP and Developer collectively.

"Party" shall mean any of City, LCP and Developer individually.

"Permitted Encumbrances" is defined in Section 6.5.2.

"Permitted Transfer" is defined in Section 7.1.

"Project" shall mean the acquisition of the leasehold interest in the Property and the grading of the Property and the development on the Property of an 80 unit apartment project with landscaping, driveways, and related improvements, and all other on-Property and off-Property improvements required for development, with all improvements to be consistent with the development and building plans and permits approved by City. The 80 units shall be comprised of one-bedroom units, two-bedroom units, and three-bedroom units, and shall be restricted to occupancy by low income eligible tenants at affordable rent, other than one management unit, as provided in the Density Bonus Agreement and the Regulatory Agreement. In the event of any inconsistency between the description of the Project in this Agreement and the approved plans and permits, the approved plans and permits shall govern.

"Regulatory Agreement" shall mean the Regulatory Agreement and Declaration of Covenants and Restrictions, substantially in the form attached as Attachment No. 7.

"Residential Unit(s)" shall mean the eighty (80) residential units to be developed on the Property.

"Partnership" is defined in Section 7.1(c).

"Transfer" is defined in Section 7.1.

"Withholding Affidavit" is defined in Section 5.7(a)(ii).

2. LCP'S CASH DONATION FOR THE PROJECT; PURCHASE OF TRANSPORTATION TRIP CREDITS

2.1 Cash Donation. In partial satisfaction of the CPW inclusionary affordable housing obligations and on the terms and conditions set forth in this Agreement, LCP will provide a cash donation to the City in the amount of One Million Five Hundred Thirty Three Thousand Seven Hundred Seventy-Five Dollars ($1,533,775) ("Donation Amount") to assist the Project. LCP will deposit the Donation Amount into Escrow no later than five (5) days after the latter to occur of the approval of the First Amendment of the Development Agreement for CPW, the approval of the Density Bonus Agreement for the Project, and the approval of the Conditional Use Permit and Park Plan for the Project and the running of the administrative appeal period for each approval with no appeal being filed ("Land Use Approvals").

2.2 Transportation Trip Credits. The Property is currently assigned transportation trip credits sufficient to build 62 units. For the 80-unit Project, the Developer will need to purchase an additional 18 transportation trip credits ("Credits"). LCP agrees to sell to Developer, and Developer agrees to purchase from LCP, the 18 Credits for the Project for the amount of Two Hundred Seven Thousand Six Hundred Seventy-Five Dollars ($207,675) through the Close of Escrow. The Developer shall pay for the Credits through the proceeds of the City Loan. LCP agrees to provide evidence of the transfer of the Credits into Escrow. Developer and LCP will provide mutually acceptable escrow instructions to the Escrow Holder with regard to the transfer of the Credits and payment therefor.

3. CITY LOAN

3.1 Amount and Source of City Loan. Subject to the terms and conditions set forth herein, City shall provide Developer financial assistance in the form of a predevelopment, construction and permanent loan not to exceed the sum of One Million Five Hundred Thirty Three Thousand Seven Hundred Seventy-Five Dollars ($1,533,775). The documentation for the City Loan shall be entered into through the Close of Escrow. The City Loan Documents shall provide that the Developer can immediately draw funds from the City Loan proceeds to purchase the Credits from LCP, to reimburse Developer for incurred predevelopment costs for the Project, and to pay closing costs.

3.2 Permissible Uses of City Loan. Pursuant to all of the terms and conditions of this Agreement, Developer shall be permitted to use the City Loan proceeds only for premiums for the City Assign Owners Title Policy, the Developer Title Policy, and the City Loan Title Policy, the escrow fees, any recording fees, any other closing fees, predevelopment expenses and soft costs for the Project that are actually and reasonably incurred by Developer, and for no other purposes.

3.3 City Loan Funding Conditions. Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to disburse any of the City Loan proceeds to Developer unless all of the following conditions (collectively "Funding Conditions") are satisfied, or waived by City in its sole discretion:

(a) *Execution and Delivery of Documents.* Developer shall have executed and delivered to Escrow Holder the documents referred to in Section 5.7(c)(ii), (iii), (iv) and (v) of this Agreement.

(b) *City Loan Title Policy.* Title Company is irrevocably committed to issue to City an ALTA lender's policy of title insurance ("City Loan Title Policy"), with liability in the amount of One Million Five Hundred Thirty Three Thousand Seven Hundred Seventy-Five Dollars ($1,533,775), showing the leasehold interest in the Property vested in Developer, insuring in favor of City the Leasehold Deed of Trust, subject only to (i) the standard printed exceptions and exclusions contained in the form of the Title Policy commonly used by Title Company; (ii) non-delinquent property taxes and assessments; (iii) the Density Bonus Agreement and (iv) such other matters as may be approved by City in its sole and absolute discretion.

(c) *Insurance.* Developer shall have provided to City evidence of the insurance required under Section 6.4 of this Agreement.

(d) *Ground Lease.* Developer and City or its successor shall have entered into the Ground Lease and the Ground Lease shall be in full force and effect with no defaults existing and all contingencies satisfied (i.e., there are no conditions that remain to be satisfied for the effectiveness of the Ground Lease or the performance of either party thereunder and the fulfillment of the Ground Lease and Developer's possession of the Property is absolute and not terminable and not subject to any unsatisfied conditions).

(e) *Donation Amount and Trip Credits Transfer Evidence.* LCP has deposited the Donation Amount into Escrow pursuant to Section 2.1, and LCP has deposited into Escrow evidence of the transfer of the Credits pursuant to Section 2.2.

(f) *No Default.* There shall be no event of default under this Agreement, and there shall be no event which, with the passage of time or the giving of notice, would constitute a default, and all representations and warranties of Developer in this Agreement shall remain true and correct in all material respects.

In the event that any of the Funding Conditions are not satisfied on or before March 31, 2016, or such later deadline as may be mutually approved in writing by the Parties in the sole and absolute discretion of each of them, any Party may terminate this Agreement by delivering written notice to all other Parties.

3.4 Disbursement of City Loan. Provided Developer is not in default of this Agreement, the City Loan proceeds shall be deposited into Escrow upon the satisfaction of all of the Funding Conditions and the parties shall instruct the Escrow Holder to apply the deposited City Loan proceeds as set forth in the approved settlement statement. Upon Close of Escrow, Escrow Holder shall deliver the remainder of the City Loan proceeds (i) to an escrow agent to be held, invested and disbursed under the terms of an escrow agreement reasonably acceptable to the City Manager if required by Developer's other construction lenders or tax credit investor; or (ii) to the City to be disbursed based on monthly draw requests from Developer. If an escrow agreement is used, City shall authorize disbursements of City Loan proceeds by the escrow agent

in accordance with the applicable provisions of the escrow agreement for payment of Project predevelopment, development and construction costs, but if an escrow agreement is not used, City shall disburse the City Loan proceeds itself. However, the City shall not be obligated to authorize disbursement or disburse, as applicable, remaining Loan Proceeds unless: (i) Developer is not in default under this Agreement or any of the documents executed by Developer under this Agreement, (ii) the disbursement is not less than thirty (30) days since the last disbursement of City Loan proceeds, (iii) the City has received unconditional lien releases from contractors/subcontractors for the work covered by the previous disbursement of City Loan proceeds and conditional lien releases for the work covered by the current requested disbursement, (iv) the City has received a written disbursement request from Developer describing the amount requested and the specific work for which it is requested and copies of invoices from the contractor(s) for such work.

3.5 City Loan Interest Rate. Simple interest at the rate of one-quarter percent (0.25%) per annum will accrue on the outstanding principal under the City Loan except as provided in the City Note in the event of default but in no event greater than the maximum rate permitted by law. If required by investors or lenders to the Project, the City and Developer agree that the interest under the City Loan can be reset to one-half percent (0.5%) simple interest through an administrative amendment to this Agreement and the City Note signed by the City Manager and the Developer's Representative.

3.6 City Loan Term. The term of the City Loan shall end fifty-five (55) years after the date of the last certificate of occupancy to be issued for the Project.

3.7 Repayment of City Loan; Leasehold Deed of Trust. Developer's obligation to repay the City Loan shall be as set forth in the City Note. The City Note generally provides that all payments under the City Note shall be deferred until expiration of the term of the City Loan. Developer's obligation to repay the City Loan will be secured by the Leasehold Deed of Trust. The Leasehold Deed of Trust contains an acceleration clause entitling City to declare the entire indebtedness evidenced thereby to be immediately due and payable and collectible, regardless of the date of maturity, on the terms and conditions more specifically set forth in the Leasehold Deed of Trust.

3.8 Subordination. Subject to City's rights reserved pursuant to Section 4.3, City will execute reasonable subordination agreements subordinating the Leasehold Deed of Trust and Regulatory Agreement, if requested by the construction or permanent lender to the Project, to such lender's deed of trust and any refinancing thereof that meets the requirements in the following paragraph; provided, however neither City nor its successors or assigns to the Ground Lease shall have any obligation to subordinate either the fee interest in the Property or the Density Bonus Agreement.

For purposes of this Section 3.8, a "reasonable subordination agreement" provides that Developer's (or its successor's or assign's) obligations to perform in accordance with the Leasehold Deed of Trust and Regulatory Agreement will not be modified, limited, or impaired under the subordination agreement as long as Developer (or its successor or assign) timely pays the construction or permanent lender under the applicable instrument to be benefitted by the subordination agreement. Any subordination agreement requested to be executed by City in

connection with any refinancing of all or any part of a construction or permanent loan shall be subject to the following limitations (which limits include reasonable and necessary costs associated with the closing and/or the refinancing): (i) the outstanding debt secured by the deed of trust securing such new loan does not exceed a combined loan-to-value ratio of 80% of the fair market value of the Property (based on rental restrictions in place) at the time of the refinancing as determined by an independent appraisal commissioned by the lender originating such new loan, (ii) the refinancing results in a maximum debt service coverage ratio of 1.15 using for basis of calculation the actual proposed interest rate for the new loan which must be at a fixed rate of interest, and (iii) Developer's obligations to perform in accordance with the Leasehold Deed of Trust and Regulatory Agreement are not materially modified, limited, or impaired by such refinancing. Developer shall have the obligation to deliver to City notice of such refinancing and any supporting documents reasonably requested by City to ensure the terms and conditions authorized in this Section 3.8 have been followed. Nothing in this Section 3 does or shall be construed to limit the terms and conditions subject to City review and approval in its reasonable discretion.

3.9 Non-Recourse. The Developer shall not have any direct or indirect personal liability for payment of the principal of, or interest on, the City Loan and City Note or the performance of the covenants of the Developer under this Agreement, the Leasehold Deed of Trust or the Regulatory Agreement. The sole recourse of the City with respect to the principal of, or interest on, the City Loan and Promissory Note and defaults by Developer in the performance of its covenants under this Agreement, the City Note, the Leasehold Deed of Trust and the Regulatory Agreement shall be to the property described in the Leasehold Deed of Trust.

4. ACQUISITION, DONATION AND GROUND LEASE OF PROPERTY

4.1 Acquisition of Property. To secure the land needed for the Project, an affiliate of two members of Derian, C&C Development Co., LLC, a California limited liability company, and LCP have entered into an agreement of purchase and sale and joint escrow instructions, as amended, with the current owner of the Property. LCP agrees to complete the purchase of the Property as set forth in purchase and sale agreement for the Property provided that all Land Use Approvals have been obtained. All Parties to this Agreement agree to deliver counterpart originals of the Memorandum of Agreement, duly executed and acknowledged by each Party to LCP. As part of the close of escrow on the Property for LCP's acquisition of the Property, LCP will cause the recordation of the Memorandum of this Agreement on the Property, evidencing LCP's commitment to donate the Property to the City Assign upon the terms and conditions of this Agreement.

4.2 Donation of Property. Within five (5) days after the occurrence of the Land Use Approvals, LCP will convey the Property to the City Assign at no cost to meet the CPW inclusionary affordable housing obligations on the terms and conditions set forth in this Agreement. If the Land Use Approvals are not obtained on or before March 31, 2016, LCP shall have the right, by written notice to Developer and City, to terminate this Agreement. Notwithstanding any other provision of this Agreement and if this Agreement has not been earlier terminated, LCP agrees to dedicate the Property and donate the Donation Amount to the City by December 31, 2017, provided that the Land Use Approvals have been granted.

4.3 City Assignment of Rights to Property and Interests Therein. City shall, as administrative actions that may be implemented by instruments executed by the City Manager, assign its rights and obligations related to: (a) the no cost conveyance of the Property from LCP, and (b) the ground lease of the Property to the Developer as set forth in this Agreement and the Ground Lease, to the Irvine Community Land Trust or to another entity affiliated with the Developer without Developer's consent ("City Assign").

4.4 Acquisition of Leasehold Interest in Property. City Assign and Developer shall enter into the Ground Lease through the Close of Escrow. The Ground Lease shall, among other terms and conditions mutually agreed upon by City Assign and Developer, provide for the following: (a) have a term of ninety-nine (99) years, (b) provide for annual ground rent in the amount of $1 a year, (c) require the Property to be developed and operated in accordance with the terms set forth in the Regulatory Agreement and Density Bonus Agreement, and shall otherwise be consistent with this Agreement, such that compliance with this Agreement will not cause a default under the Ground Lease and vice versa, (d) provide for severance of improvements from land so Developer owns the improvements in fee during the Ground Lease term, (e) will not permit the subordination of the fee interest in the Property nor the Density Bonus Agreement to any lender or loan, (f) permit the subordination and/or encumbrance of the Leasehold Deed of Trust and Regulatory Agreement to construction and permanent loans necessary of the Project, (g) provide leasehold mortgagees notice and cure rights under the Ground Lease in the event of a default by Developer, (h) recognize the rights of leasehold mortgagees to become the legal holder and owner of the interest of Developer under the Ground Lease by foreclosure or other enforcement proceeding and to thereafter assign the Ground Lease to a new tenant to operate the Property in accordance with the Ground Lease, and (i) include provisions consistent with this Agreement, including without limitation Sections 5.5, 6, 7 and 9. The Ground Lease will provide a schedule for the development of the Project.

5. CLOSE OF ESCROW

5.1 Opening and Closing of Escrow. Within two (2) business days of the Effective Date, LCP shall cause an escrow ("Escrow") to be opened with Escrow Holder for the donation of the Property by LCP to City Assign, the ground lease of the Property by the City Assign to the Developer, the donation of the Donation Amount to the City from LCP, the sale of the Credits by LCP to the Developer and the closing on the City Loan from the City to the Developer. The Parties agree that Escrow may close simultaneously with the close of escrow for LCP's acquisition of the Property. The Parties shall deposit with Escrow Holder a fully executed duplicate original of this Agreement as the escrow instructions for the Escrow. The Parties shall provide such additional instructions as shall be necessary and consistent with this Agreement. Provided that each of the conditions to closing described in Section 5.3 below have been satisfied, Escrow shall close ("Close of Escrow") the next business day after satisfaction of all the closing conditions described in Section 5.3, but no later than March 31, 2016. If the Escrow does not occur by such date, any Party not then in default may terminate this Agreement by written notice to the other and all the funds and documents deposited with Escrow Agent shall be promptly refunded or returned, as the case may be, by Escrow Agent to the depositing party, except that all escrow and title cancellation fees shall be paid by LCP.

5.2 Condition of Title; Title Insurance.

(a) City (for itself and the City Assign) and Developer each hereby approve title exceptions A, B and 1-6 of that certain amended preliminary title report dated December 15, 2014 issued by the Fidelity National Title Company as Order No.: 010-23045136-B-TC1 and the Memorandum of Agreement ("Approved Title Exceptions"). Except for the Memorandum of Agreement, LCP shall not further encumber the Property unless and until the Property is donated by LCP to City Assign.

(b) At the Close of Escrow, LCP shall convey fee title to the Property to City Assign by grant deed at no cost to City Assign ("Grant Deed"). Title to the Property shall be conveyed subject to all Approved Title Exceptions.

(c) At the Close of Escrow, City Assign and Developer shall enter into the Ground Lease and shall record a Memorandum of Ground Lease on the leasehold interest in the Property ("Memo of Lease"). Leasehold title to the Property shall be conveyed subject to all Approved Title Exceptions.

5.3 Conditions to Close of Escrow. The obligations of the Parties under this Agreement to close Escrow shall be subject to the satisfaction (or express written waiver by the benefited party) of each of the following conditions (collectively, "Closing Conditions"):

(a) There shall have been no change to the physical condition of the Property that would materially and adversely affect the development, construction, use or operation of the Project.

(b) The representations and warranties of each Party contained in this Agreement being true and correct.

(c) The delivery by each Party of all documents and funds required to be delivered by it pursuant to Section 5.7 below.

(d) The Title Company shall have committed to issue at the Close of Escrow an Owner's Title Insurance Policy to City Assign in the amount of the fair market value of the Property, as established by appraisal which is Seven Million, Six Hundred Fifty Thousand Dollars ($7,650,000), with any endorsements reasonably requested by City Assign, showing fee simple title to the Property vested in City Assign, subject only to the standard printed exceptions and exclusions contained in the form of the Title Policy commonly used by Title Company and the Approved Title Exceptions ("City Assign Owners Title Policy").

(e) The Title Company shall have committed to issue at the Close of Escrow a Leasehold Owner's Title Insurance Policy to Developer in the amount of the fair market value of the Property, as established by appraisal which is Seven Million, Six Hundred Fifty Thousand Dollars ($7,650,000), with any endorsements reasonably requested by Developer, showing leasehold title to the Property and fee title to any improvements vested in Developer, subject only to the standard printed exceptions and exclusions contained in the form of the Title Policy commonly used by Title Company and the Approved Title Exceptions and the Density Bonus Agreement ("Developer Title Policy").

(f) The Title Company shall have committed to issue at the Close of Escrow the City Loan Title Policy.

(g) All tenants and other occupants of the Property shall have vacated, and shall have no rights to occupy the Property, other than Riviera Beverages, LLC, which, according to representations and warranties from Developer, is on a month-to-month lease and, based on representations and warranties from Developer, has waived any right to relocation benefits.

5.4 Costs; Escrow Holder Settlement Statement.

(a) The Developer shall use the proceeds of the City Loan to pay the premiums for the City Assign Owners Title Policy, the Developer Title Policy, and the City Loan Title Policy, the escrow fees, any recording fees and any other closing fees.

(b) Escrow Holder is authorized on the Close of Escrow to pay and charge Developer for such fees, charges and costs as set forth on settlement statement approved by the Parties.

5.5 Condition of the Property to City Assign.

(a) Disclosure of Reports. Developer, not LCP nor City, is conducting the due diligence review of the Property. Prior to the Effective Date, Developer shall provide copies of all reports it has obtained regarding the Property to LCP and City.

(b) "As-Is" Conveyance. City acknowledges and agrees on behalf of City Assign that City Assign is acquiring the Property in its "AS IS" condition, WITH ALL FAULTS, IF ANY, AND, EXCEPT AS EXPRESSLY SET FORTH HEREIN, WITHOUT ANY WARRANTY, EXPRESS OR IMPLIED and neither LCP nor any agents, representatives, officers, or employees of LCP have made any representations or warranties, direct or indirect, oral or written, express or implied, to City Assign or any agents, representatives, or employees of City Assign with respect to the condition of the Property, its fitness for any particular purpose, or its compliance with any laws, and City Assign is not aware of and does not rely upon any such representation. Neither LCP nor any of its representatives is making or shall be deemed to have made any express or implied representation or warranty, of any kind or nature, as to (a) the physical, legal or financial status of the Property, (b) the Property's compliance with applicable laws, or (c) any other matter relating to the Property.

(c) Releases and Waivers. City on behalf of the City Assign hereby waives its right to recover from and fully and irrevocably releases LCP and its employees, officers, directors, representatives, agents, servants, attorneys, successors and assigns ("LCP Released Parties") from any and all claims, responsibility and/or liability that it may now have or hereafter acquire against any of the LCP Released Parties for any costs, loss, liability, damage, expenses, demand, action or cause of action arising from or related to the condition (including any defects, errors, omissions or other conditions, latent or otherwise, and the presence in the soil, air, structures and surface and subsurface waters of materials or substances that have been or may in the future be determined to be Hazardous Materials or otherwise toxic, hazardous, undesirable or subject to regulation and that may need to be specially treated, handled and/or removed from the

Property under current or future federal, state and local laws regulations or guidelines), valuation, salability or utility of the Property, or its suitability for any purpose whatsoever. This release includes claims of which City is presently unaware or which City does not presently suspect to exist which, if known by City, would materially affect City's release to LCP. In that regard, City specifically waives the provision of California Civil Code Section 1542, which provides as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR EXPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN TO HIM OR HER MUST HAVE MATERIALLY AFFECTED THE SETTLEMENT WITH THE DEBTOR."

In this connection and to the extent permitted by law, City on behalf of City Assign hereby agrees, represents and warrants that City realizes and acknowledges that factual matters now unknown to it may have given or may hereafter give rise to causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses which are presently unknown, unanticipated and unsuspected, and City further agrees, represents and warrants on behalf of City Assign that the waivers and releases herein have been negotiated and agreed upon in light of that realization and that City on behalf of City Assign nevertheless hereby intends to release, discharge and acquit LCP Released Parties from any such unknown causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses which might in any way be included as a material portion of the consideration given to LCP by City Assign in exchange for LCP's performance hereunder.

City on behalf of City Assign hereby agrees that, if at any time after the Close of Escrow any third party or any governmental agency seeks to hold City Assign responsible for the presence of, or any loss, cost or damage associated with, Hazardous Materials in, on, above or beneath the Property or emanating therefrom, then City on behalf of City Assign waives any rights it may have against LCP in connection therewith, including, without limitation, under CERCLA (as defined in the definition of "Hazardous Materials" in Section 1.1) and City on behalf of City Assign agrees that it shall not (i) implead LCP, (ii) bring a contribution action or similar action against LCP, or (iii) attempt in any way to hold LCP responsible with respect to any such matter. The provisions of this Section 5.5(c) shall survive the Close of Escrow.

LCP has given City Assign material concessions regarding this transaction in exchange for City agreeing to the provisions of this Section 5.5(c). City on behalf of City Assign and LCP have each initialed this Section 5.5(c) to further indicate their awareness and acceptance of each and every provision hereof.

(d) Environmental Indemnity. From and after the recordation of the Memo of Lease, Developer shall indemnify, protect, defend and hold harmless any and all City Assign Released Parties from and against any and all claims, liabilities, suits, losses, costs, expenses and damages, including but not limited to attorneys' fees and costs, arising directly or indirectly out of any claim for loss or damage to any property, including the Property, injuries to or death of persons, or for the cost of cleaning up the Property and removing Hazardous Materials or toxic

substances, materials and waste therefrom, by reason of contamination or adverse effects on the environment, or by reason of any statutes, ordinances, orders, rules or regulations of any governmental entity or agency requiring the clean-up of any Hazardous Materials caused by or resulting from any Hazardous Material, or toxic substances or waste existing on or under, any portion of the Property to the extent the presence or release of the Hazardous Materials was not caused by any City Assign Released Party. Developer shall extend the releases, waivers, and indemnity provided for in Sections 5.6(c) and (d) to any other entity not affiliated with Developer but approved to be a successor or assignee of City pursuant to Section 4.3, and such other entity shall be deemed a "City Assign Released Party" as provided herein.

(e) Delivery of Possession. Upon the Close of Escrow, City Assign shall deliver possession of the Property to Developer free of occupants, other than Riviera Beverages, LLC, the current existing tenant which, according to representations and warranties from Developer, is on a month-to-month lease and, based on representations and warranties from Developer, has waived any right to relocation benefits.

(f) Existing Tenant; Relocation Obligations. Developer acknowledges and agrees that City and Irvine Community Land Trust are materially relying on the representations and warranties of Developer that (i) Riviera Beverages, LLC, is the only existing tenant on the Property as of the Effective Date, (ii) Riviera Beverages, LLC, is on a month-to-month tenancy, and (iii) Riviera Beverages, LLC, has waived any right to relocation benefits. In light of the foregoing, Developer shall be liable for any and all claims for relocation benefits sought by any existing or former tenants on the Property pursuant to any federal, state, or local relocation law, regulation, or policy, including but not limited to the Uniform Relocation Act (42 U.S.C. § 4601 *et seq.*) and implementing regulations, California Government Code Section 7260 *et seq.*, and implementing regulations (collectively referred to herein as "Relocation Laws"). The City Assign Released Parties shall have no obligation to pay or provide any relocation assistance under the Relocation Laws to any third party, former or current tenants (including Riviera Beverages, LLC), or any person or entity claiming a right to occupancy or use of the Property. Developer shall indemnify, protect, defend (with legal counsel of City's choosing), and hold harmless any and all City Assign Released Parties from and against any and all alleged or actual claims, liabilities, suits, losses, costs, expenses and damages, including but not limited to attorneys' fees and cost, arising directly or indirectly from the transfer of the Property to the City Assign and subsequent conveyance to Developer as set forth in this Agreement, including without limitation claims for property and franchise rights and interest, relocation benefits and assistance under any Relocation Laws, all leasehold interests and rights of tenancy or occupancy, any bonus value, business goodwill, lost income (past or future), failure to locate a suitable replacement residential or business location, lost rental income or sublease or license income, severance damages (if any), pre-condemnation damages (if any), economic or consequential damages, professional consultant fees, attorney's fees and costs, expert witness fees and costs, and any and all compensable interests, and/or damages, and/or claims, of any kind and nature, claimed or to be claimed, suffered or to be suffered, by any person or entity that is or claims to be a current or former tenant or sub-tenant or occupant with a right to use or occupy the Property.

5.7 Deposits into Escrow.

(a) LCP hereby covenants and agrees to deliver to Escrow Holder prior to the Close of Escrow the following funds, instruments and documents, the delivery of each of which shall be a condition of the Close of Escrow:

(i) The LCP Grant Deed, duly executed and acknowledged by LCP;

(ii) The affidavit as contemplated by California Revenue and Taxation Code Section 18662 (a "Withholding Affidavit");

(iii) Certification of Non Foreign Status in accordance with I.R.C. Section 1445 (a "FIRPTA Certificate");

(iv) An original counterpart assignment of the lease to Riviera Beverages, LLC to the Developer (either from LCP's seller, if LCP is acquiring the Property simultaneously with the Close of Escrow or from LCP), duly executed by LCP's seller or LCP as applicable ("Lease Assignment");

(v) Cash funds in the amount of the Donation Amount; and

(vi) Such proof of LCP's authority and authorization to enter into this transaction as the Title Company may reasonably require to issue the City Assign Owners Title Policy.

(b) City (on behalf of City Assign) hereby covenants and agrees to deliver to Escrow Holder prior to the Close of Escrow the following instruments and documents, the delivery of each of which shall be a condition of the Close of Escrow:

(i) Two original counterparts of the Ground Lease, duly executed by City Assign;

(ii) Original Memo of Lease, duly executed and acknowledged by City Assign;

(iii) Three original counterparts of the Regulatory Agreement, executed and acknowledged by City;

(iv) Three original counterparts of the Density Bonus Agreement, executed and acknowledged by City; and

(v) Such proof of City's and City Assign's authority and authorization to enter into this transaction as the Title Company may reasonably require in order to issue the City Assign Owners Title Policy and the City Loan Title Policy.

(c) Developer hereby covenants and agrees to deliver to Escrow Holder prior to the Close of Escrow the following instruments and documents, the delivery of each of which shall be a condition of the Close of Escrow:

(i) Two original counterparts of the Ground Lease, duly executed by Developer;

(ii) Original Memo of Lease, duly executed and acknowledged by Developer;

(iii) Original City Note, executed by Developer;

(iv) Original Leasehold Deed of Trust, executed and acknowledged by Developer;

(v) Three original counterparts of the Regulatory Agreement, executed and acknowledged by Developer;

(vi) Three original counterparts of the Density Bonus Agreement, executed and acknowledged by Developer;

(vii) An original counterpart assignment of the lease to Riviera Beverages, LLC to the Developer (either from LCP's seller, if LCP is acquiring the Property simultaneously with the Close of Escrow or from LCP), duly executed by Developer ("Lease Assignment");

(viii) Such proof of Developer's authority and authorization to enter into this transaction as the Title Company may reasonably require in order to issue Developer Title Policy.

5.8 Authorization to Record Documents and Disburse Funds. Escrow Holder is hereby authorized to record the documents and disburse the funds and documents called for hereunder upon the Close of Escrow, provided each of the following conditions has then been fulfilled:

(a) The Title Company can issue the City Assign Owners Title Policy, the Developer Title Policy and the City Loan Title Policy.

(b) All Parties have deposited into Escrow the documents and funds required pursuant to Section 5.7.

(c) The Parties shall have confirmed to Escrow Holder that all of the other Funding Conditions set forth in Section 3.3 and the Closing Conditions set forth in Section 5.3 have been satisfied or expressly waived in writing.

Unless otherwise instructed in writing, Escrow Holder is authorized to record at the Close of Escrow any instrument delivered through the Escrow if necessary or proper for issuance of the City Assign Owners Title Policy, the Developer Title Policy and the City Loan Title Policy.

5.9 Escrow Holder's Closing Actions. On Close of Escrow, Escrow Holder shall:

(a) Record the following documents in the following Order with the Orange County Recorder:

(i) Grant Deed on fee interest of the Property (which shall be deemed delivery of said instrument to City Assign);

(ii) Memo of Lease on fee interest of the Property;

(iii) Density Bonus Agreement on the leasehold interest of the Property;

(iv) Leasehold Deed of Trust on the leasehold interest of the Property; and

(v) Regulatory Agreement on the leasehold interest of the Property.

(b) Issue the City Assign Owners Title Policy, Developer Title Policy and City Loan Title Policy (or cause the Title Company to issue the City Assign Owners Title Policy, Developer Title Policy and City Loan Title Policy).

(c) Prorate taxes, assessments, rents, and other charges as of the Close of Escrow in accordance with the settlement statements approved by the Parties.

(d) Pay prorated amounts and charges to be paid by or on behalf of the Parties.

(e) Prepare and deliver to all Parties one signed copy of Escrow Holder's closing statement showing all receipts and disbursements of the Escrow.

(f) Deliver to City Assign the original City Assign Owners Title Policy

(g) Deliver to City the original City Loan Title Policy and original City Note.

(h) Prepare and deliver to each of the City and Developer one fully executed original of the Density Bonus Agreement.

(i) Prepare and deliver to each of the City Assign and Developer one fully executed original of the Ground Lease.

(j) Deliver to Developer the original Developer Title Policy and the original Lease Assignment.

(k) Prepare and deliver to all Parties, a set of all escrow instructions delivered into Escrow countersigned by the Escrow Company, copies of all the documents submitted into Escrow, which are to include, where applicable, recording information certified as correct by Title Company, and copies of each of the Title Policies.

5.10 Additional Instructions. If required by the Escrow Holder or if deemed appropriate by the Parties, the Parties shall execute appropriate escrow instructions, prepared by

the Escrow Holder, which are not inconsistent herewith. If there is any inconsistency between the terms hereof and the terms of the escrow instructions, the terms hereof shall control unless an intent to amend the terms hereof is expressly stated in such instructions.

6. DEVELOPMENT OF THE PROJECT

6.1 Scope of Development. Developer shall develop the Project on the Property in strict accordance with the plans and drawings approved by the City. If Developer desires to make any change in any approved development or building plans, the proposed change shall be submitted to City for approval. Developer shall be responsible for all construction and installation and for obtaining all necessary permits and approvals.

6.2 Development Approvals and Permits. Prior to commencement of the grading of the Property, Developer shall secure or cause to be secured the grading permit from the City and all permits, licenses and approvals which may be required by any governmental agency having jurisdiction over the Property and the Project other than building permits. Prior to commencement of development of any other improvements to the Property, Developer shall have obtained approval of the final plans for the Project and the building permits for the Project.

6.3 Rights of Inspection. Representatives of City shall have a reasonable right of access to the Property during normal business hours for the purposes of this Agreement, including, but not limited to, the inspection of the work being performed. Developer shall cooperate with, and shall cause the contractor and any subcontractor to cooperate with, City in connection with its inspection and access rights. It is understood that City does not by this Section 6.3 assume any responsibility or liability for a negligent inspection or failure to inspect. All inspections by City or on behalf of City and other actions by City in connection therewith are not to be construed as a representation by City that there has been compliance with any permits or plans and specifications, legal requirements, or that the Project is free of defects in materials or workmanship. Any inspections or determinations made by City or lien waivers, receipts, or other agreements, documents, and instruments obtained by City are made or obtained solely for City's benefit and not in any way for the benefit or protection of Developer. City has no obligation to Developer to ensure compliance by the contractor or any other person in carrying out such construction. No such inspections or review will limit any of the rights and remedies of City pursuant to this Agreement.

6.4 Insurance. Developer shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof except as provided below, the following policies of insurance:

(a) *Commercial General Liability Insurance.* A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars ($1,000,000) or its equivalent.

(b) *Worker's Compensation Insurance.* A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California to extent Developer has employees.

(c) *Builder's Risk.* Upon commencement of construction of the Project, builder's risk coverage written on a completed value basis in an amount equal to the full replacement cost of the improvements with coverage available on the so-called non-reporting "all risk" form of policy, including coverage against collapse, fire, and water damage, with such insurance to be in such amounts and form and written by such companies as shall be approved by City. City agrees to accept a builder's risk insurance policy from Developer's general contractor in conformance with the requirements set forth herein, including without limitation the requirement that City be named as a loss payee.

(d) *Automobile Liability Insurance.* Automobile liability insurance (bodily injury and property damage liability) which coverage shall include owned, hired, and non-owned automobiles, with limits of liability of not less than Five Hundred Thousand Dollars ($500,000.00) combined single limit per accident for bodily injury and property damage combined to the extent Developer owns any automobiles.

All of the above policies of insurance shall be primary insurance and except for the Worker's Compensation Insurance shall name the City and, if applicable, Irvine Community Land Trust (if the City Assign pursuant to this Agreement) and its (or, if applicable, their respective) officers, employees and agents as additional insureds or, with respect to the builder's risk policy, as loss payee(s). Said policies shall be satisfactory only if issued by companies qualified to do business in California and rated A:VII or better in the most recent edition of the Best Rating Guide. The insurer shall waive all rights of subrogation and contribution it may have against the City and, if applicable, Irvine Community Land Trust, and its (or, if applicable, their respective) officers, employees and agents and its respective insurers. All of said policies of insurance shall provide that said insurance may not be amended or canceled without providing thirty (30) days prior written notice to City or, if applicable, Irvine Community Land Trust. In the event any of said policies of insurance are canceled, Developer shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 6.4 to the City Manager and, if applicable, the Executive Director of the Irvine Community Land Trust. The foregoing obligations shall remain in effect until the completion of the Project, at which time Developer shall maintain the insurance set forth in the Regulatory Agreement and/or the Ground Lease.

Developer agrees that the provisions of this Section 6.4 shall not be construed as limiting in any way the extent to which Developer may be held responsible for the payment of damages to any persons or property resulting from Developer's activities or the activities of any person or persons for which Developer is otherwise responsible. No later than Insurance Approval Date (as that term is defined below), Developer shall provide evidence of the above-required insurance (such as Certificates of Insurance of appropriate insurance binders) and obtain approval thereof from the City Manager and, if applicable, the Executive Director of the Irvine Community Land Trust, which approval shall not be unreasonably withheld or delayed and may be waived in City Manager's (and, if applicable, Executive Director's) reasonable discretion. As used herein, the term "Insurance Approval Date" shall mean the date that is five (5) days prior to the anticipated date of the Close of Escrow for all insurance other than builder's risk insurance and the date that is five (5) days prior to the anticipated date of commencement of construction for builder's risk insurance.

6.5 Financing the Project.

(a) Cost of Development. Neither LCP nor the City are required to provide for any of the costs of financing the Project except as otherwise agreed in writing between LCP and Developer prior to the Effective Date and as provided in this Agreement. Developer shall use its best commercial efforts to obtain financing for all others costs of developing the Project.

(b) Permitted Encumbrances. Developer may mortgage or encumber its leasehold interest in the Property under the Ground Lease and its fee interest in the improvements thereon to finance the development and operation of the Project ("Permitted Encumbrances"). No deed of trust or mortgage shall encumber the City Assign's fee interest in the Property.

(c) Subordination. The City Manager shall have the authority on behalf of the City to enter into subordination agreements, intercreditor agreements, and other similar agreements subordinating the City's interest in the Leasehold Deed of Trust and Regulatory Agreement (but not the fee interest in the Property) to construction and permanent loans necessary of the Project, provided that any such agreements shall provide that the Density Bonus Agreement recorded on the leasehold interest in the Property shall be and remain senior to the lien(s) (deeds of trust) securing any financing obtained by Developer for development of the Project. Subordination agreements shall comply with Section 3.8 of this Agreement.

7. LIMITATIONS ON TRANSFERS; SECURITY INTERESTS; INVESTOR RIGHTS

7.1 Restriction on Transfer of Developer's Rights and Obligations. Developer shall not sell, assign, transfer, mortgage, lease, hypothecate, or convey (collectively, a "Transfer") the leasehold interest in Property, or any part thereof or any of Developer's rights or obligations hereunder without the City's or City Assign's prior written consent, which consent may be granted or withheld in the City's or City Assign's reasonable discretion except for the following ("Permitted Transfers"):

(a) Permitted Encumbrances;

(b) a conveyance of the Developer's leasehold interest in the Property under the Ground Lease and/or the Developer's interest in the fee interest in the improvements thereon resulting from the foreclosure of a Permitted Encumbrance (or a deed-in-lieu of such a foreclosure);

(c) the transfer of the Developer's interest in this Agreement, the Developer's leasehold interest in the Property under the Ground Lease and the Developer's fee interest in the improvements thereon by the Developer to a to-be-formed limited partnership in which at least two members of the Developer or their affiliates serve as general partners, and at least two members of the Developer or their affiliates have and maintains a controlling interest in the management and ownership of the limited partnership ("Partnership");

(d) any transfer of equity in the Developer that does not change management or operational control of the Project other than to permit the admittance of an affiliate of Innovative Housing Opportunities, Inc. as the managing general partner of the Partnership;

(e) the lease of the Residential Units consistent with the Regulatory Agreement;

(f) the transfer and sale of limited partnership interests in the Partnership;

(g) in the event that any general partner of the Partnership is removed by the limited partner of the Partnership for cause following default under the partnership agreement, the transfer of the general partner interest to an affiliate of the limited partner or a 501(c)(3) tax exempt nonprofit corporation selected by the limited partner and approved by City or City Assign, in its reasonable discretion, if the successor nonprofit corporation has the same or substantially similar experience, assets and access to capital and private funding as Developer did at the Effective Date of this Agreement;

(h) the transfer of the Project from the Partnership to one of the general partners the Developer or an affiliate of the general partners the Developer at the end of the tax credit compliance period for the Project; and

(i) any dilution of a General Partner's interest in the Partnership in accordance with the Partnership's limited partnership agreement, which limited partnership agreement is subject to approval by City Assign in its reasonable discretion.

Developer acknowledges that the identity of Developer is of particular concern to the City, and it is because of Developer's identity that the City has entered into this Agreement with Developer. Except for pursuant to any Permitted Transfer (defined in this Section 7.1), no voluntary or involuntary successor in interest of Developer shall acquire any rights or powers under this Agreement.

7.2 Holders of Deeds of Trust. Developer shall notify the City and City Assign of the name and address of any lender of record holding any secured interest in Developer's leasehold interest in the Property under the Ground Lease or its interest in the improvements on the Property, including a Permitted Encumbrance (a "Holder").

7.3 Rights of Holders. The City and City Assign shall deliver a copy of any notice or demand to Developer concerning any breach or default by Developer under this Agreement, the Ground Lease, or the City Loan Documents to each Holder. Any notice of breach or default by Developer shall not be effective against any such Holder unless given to such Holder. Such Holder shall have the right at its option to cure or remedy any such default and to add the cost thereof to the secured debt and the lien of its security interest. If such breach or default can only be remedied or cured by such Holder upon obtaining possession, such Holder may remedy or cure such breach or default within a reasonable period of time after obtaining possession, provided such Holder seeks possession with diligence through a receiver or foreclosure. Such Holder shall not undertake or continue the construction or completion of the Project beyond the

extent necessary to conserve or complete the Project. No Holder shall have a right of possession to City Assign's fee interest in the Property.

7.4 Noninterference with Holders. The provisions of this Agreement do not limit the right of Holders (a) to foreclose or otherwise enforce any mortgage, deed of trust, or other security instrument encumbering Developer's leasehold interest under the Ground Lease to the Property, and the improvements owned by Developer thereon, (b) to pursue any remedies for the enforcement of any pledge or lien encumbering Developer's leasehold interest under the Ground Lease to the Property or improvements owned by Developer thereon, or (c) to accept, or cause its nominee to accept, a deed or other conveyance in lieu of foreclosure or other realization. The City for itself and on behalf of the City Assign agrees to execute such further documentation regarding the rights of any Holder as is customary with respect to construction or permanent financing, as the case may be, to the extent that such documentation complies with the terms and conditions of this Agreement, is reasonably requested by any Holder, and is approved by the City and City Assign in their reasonable discretion.

7.5 Right of City to Cure. In the event of a default or breach by the Developer of a loan by a senior lienholder prior to the completion of the Project, the City may, upon prior written notice to the Developer, cure the default, prior to the completion of any foreclosure. In such event the City shall be entitled to reimbursement from the Developer of all costs and expenses incurred by the City in curing the default. The City shall also be entitled to add such costs and expenses to the obligations secured by the Leasehold Deed of Trust.

7.6 Right of City and City Assign to Satisfy Other Liens. After the Close of Escrow and after the Developer has had a reasonable time to challenge, cure, or satisfy any liens or encumbrances on Developer's leasehold interest under the Ground Lease to the Property or any improvements owned by Developer thereon, and has failed to do so, in whole or in part, the City and City Assign each shall, upon prior written notice to the Developer, have the right to satisfy any such lien or encumbrances; however, nothing in this Agreement shall require the Developer to pay or make provision for the payment of any tax, assessment, lien or charge so long as the Developer in good faith shall contest the validity or amount therein and so long as such delay in payment shall not subject the Property or any portion thereof to forfeiture or sale.

7.7 Investor Limited Partner Provisions. If and when the Developer admits an investor limited partner into Developer's partnership, the other Parties agree to the following provisions, in addition to the Permitted Transfers relating to the investor limited partner, for the benefit of the Developer's investor limited partner:

(a) Each Party will give the limited partner a copy of any notice (provided the limited partner's address has been provided in a written notice by Developer to the other Parries) that such Party gives to the Developer under this Agreement, the Density Bonus Agreement, the Ground Lease and the City Loan Documents;

(b) Each applicable Party will give the limited partner thirty (30) days after such notice is given to cure a non-payment of any sum due under this Agreement, the Density Bonus Agreement, the Ground Lease and the City Loan Documents;

(c) Each applicable Party will give the limited partner sixty (60) days after such notice is given to cure any other default under this Agreement, the Density Bonus Agreement, the Ground Lease and the City Loan Documents;

(d) If a non-monetary default is incapable of being cured within said sixty (60) days, each applicable Party will give the limited partner an additional ninety (90) days to cure such default provided the limited partner has commenced to cure such default and is diligently proceeding to cure such default through the end of the additional 90-day period;

(e) If the limited partner makes any such payment or otherwise cures such default, each applicable Party will accept such action as curing such default as if such payment or cure were made by the Developer;

(f) The other Parties will permit the limited partner to transfer the limited partner's interest to any person or entity at any time provided that, if at the time of such transfer the limited partner has not made one hundred percent (100%) of the capital contributions the limited partner is required to make to the Partnership, the limited partner shall remain liable to the Developer for such capital contributions;

(g) The other Parties will permit the limited partner to remove the general partner of the Partnership in accordance with the partnership agreement, provided that the substitute general partner is reasonably acceptable to the other Parties and the substitute general partner meets the requirements for completing a Permitted Transfer pursuant to Section 7.1(g); and

(h) The other Parties will permit insurance and condemnation proceeds to be used to rebuild the Project provided that (i) sufficient funds are provided from other sources to effectively rebuild the Development to a lawful affordable housing multi-family complex consistent with the requirements of this Agreement, and (ii) subject to the rights of any senior lenders, City shall hold all such proceeds and disburse them based on the progress of construction, subject to such additional reasonable conditions as City may impose.

8. LCP'S ROLE

8.1 Inclusionary Affordable Housing Obligation. Upon LCP's conveyance of the Property to the City Assign at no cost, the donation of the Donation Amount to the City and sale of the Credits, or if this Agreement is terminated before the Developer purchases the Credits, upon LCP's conveyance of the Property to the City Assign at no cost, the transfer of the Credits to the City at no cost, and the donation of the Donation Amount less $207,675 (the cost of the Credits) to the City, LCP will have fulfilled all of its inclusionary affordable housing obligations to the City related to the CPW development.

8.2 LCP's Termination. LCP will cease to be a Party to this Agreement upon Close of Escrow and all rights and obligations of LCP under this Agreement shall terminate upon Close of Escrow, except for Section 8.1 and any indemnification provisions applicable to LCP.

9. USE OF THE PROPERTY

9.1 General. Developer and its successors and assigns shall use, operate, and maintain the Property as a rental housing project in accordance with the provisions of the Ground Lease, the Density Bonus Agreement and the Regulatory Agreement. The Developer agrees to provide a preference to veterans in the leasing of the residential units in the Project, to the extent permitted under applicable fair housing laws and regulations.

9.2 Other Agreements. Developer shall comply with each and every condition, responsibility, and obligation it may have pursuant to the Ground Lease, the Density Bonus Agreement and the Regulatory Agreement.

9.3 Compliance with Laws and Regulations. Developer shall carry out the design, construction and operation of the Project in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code.

9.4 Affordability Covenants. Developer acknowledges and agrees that rental units on the Property will be required to be maintained as affordable rental units in accordance with the Ground Lease, the Density Bonus Agreement and the Regulatory Agreement.

9.5 Indemnification. Developer shall indemnify, defend, and hold harmless City, the City Assign and their respective officers, officials, employees, representatives and agents (collectively, "Indemnitee") from and against any and all claims, causes of action, liabilities, and damages arising out of any acts or omissions of Developer or Developer's officers, employees, contractors, and agents, in the performance under this Agreement and the agreements attached hereto and/or with respect to the Property including the construction of the Project thereon. The Indemnitee shall promptly notify Developer of the filing of any such action and cooperate with Developer in the defense thereof (at no cost to Indemnitee).

9.6 Extended Use Agreement. City acknowledges that Developer and the California Tax Credit Allocation Committee have or intend to enter into an extended use agreement pursuant to Section 42(h) of the Internal Revenue Code ("Extended Use Agreement") which will be recorded against the Developer's leasehold interest in the Property under the Ground Lease and its ownership interest in the improvements on the Property that constitute the Project. City acknowledges that, in the event of a foreclosure of its interest under the Leasehold Deed of Trust or delivery by Developer of a deed in lieu thereof (collectively, a "Foreclosure"), pursuant to Sections 42(h)(6)(E)(ii) of the Internal Revenue Code, for a period of three (3) years from the date of Foreclosure, with respect to any unit that had been regulated by the Extended Use Agreement, (i) none of the eligible tenants occupying those units at the time of Foreclosure may be evicted or their tenancy terminated (other than for good cause), (ii) nor may the rent of any such eligible tenant be increased except as otherwise permitted under Section 42 of the Internal Revenue Code.

10. RECORDS

10.1 Records. Developer shall keep and maintain records to identify and account for the use of the City Loan proceeds and all costs pertaining to this Agreement. Books and records shall be kept and prepared in accordance with generally accepted accounting principles.

10.2 Retention of Records. The books and records required to be maintained by Developer under this Agreement shall be retained for a period of five (5) years following the date that all certificates of occupancy have been issued for the Project; provided, however, in the event any litigation, audit, negotiation, or other action involving the books and records is commenced prior to the expiration of the five (5) year retention period, Developer shall retain the books and records until completion of the action and resolution of all issues which arise from it.

10.3 Location of Records. The books and records required to be maintained by Developer shall be kept at the Property or at an office of Developer located in Orange County, California.

10.4 Access to Records. City, City Assign and/or their representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Developer pertaining to this Agreement at all times during normal business hours.

11. TERMINATION

11.1 Termination. In addition to any other termination provision set forth in this Agreement, this Agreement may be terminated as follows:

(a) *Termination of Purchase and Sale Agreement.* If the purchase and sale agreement with the current owner of the Property is terminated by its terms, LCP and/or Developer shall have the right to terminate this Agreement by written notice to the other Party(ies).

(b) *Failure to Secure Land Use Entitlements.* If the City approval for the First Amendment of the Development Agreement for the CPW development and the running of the administrative appeal period for such approval with no appeal filed have not occurred on or before March 31, 2016, LCP shall have the right, by written notice to Developer and City, to terminate this Agreement.

(c) *Lack of Funding.* If, for any reason beyond the control of Developer, the Developer has been unable to secure full funding for the Project by December 31, 2017, any Party may terminate this Agreement in which case the Ground Lease will be terminated, possession of Developer's leasehold interest under the Ground Lease to the Property and the Credits shall be returned to the City, the Density Bonus Agreement and Regulatory Agreement shall be released from title, the City Leasehold Deed of Trust shall be reconveyed, Developer shall return any unused City Loan proceeds to the City, the City Note and City Loan shall be forgiven, and Developer shall not owe any other Party any monetary or other obligations under this Agreement. If there is a termination of this Agreement pursuant to this Section 11.1(c), none of the Property (including fee interest owned by City Assign), Donation Amount or Credits will be returned to LCP under such termination, it being expressly understood and agreed by the

Parties that, after Close of Escrow, LCP has no right of reversion to any interest in the Property, the Donation Amount, and the Credits, and that the City Assign shall retain the Property and the City shall retain the Donation Amount, and Credits upon such termination.

(d) *Default.* If a default shall occur under this Agreement that is not cured within an applicable notice and cure period, any Party may terminate this Agreement.

(e) *Termination Date.* This Agreement will terminate upon the end of the term of the City Loan if not sooner terminated under the terms of this Agreement.

11.2 Obligations Survive Termination. Notwithstanding the expiration or earlier termination of this Agreement, the following obligations shall survive the termination of this Agreement: (a) any indemnity obligations; (b) if Close of Escrow occurred prior to termination of this Agreement, the provisions of Section 8.1; (c) any provision of this Agreement that states it survives termination of this Agreement; and (d) any other obligations which cannot by their nature be performed until after the expiration of the Agreement. No termination under this Agreement shall release any Party then in default from liability for such default except as otherwise provided in this Agreement.

12. DEFAULTS AND REMEDIES

12.1 Defaults. The occurrence of any of the following shall be deemed a default under this Agreement:

(a) The failure or delay by any Party to perform any term or provision of this Agreement if such failure is not cured, corrected or remedied within any specific time period set forth in this Agreement.

(b) If no other specific time period is set forth herein, the failure to cure a monetary default under this Agreement (other than any monetary defaults specifically listed in any of the other subsections of this Section 12.1) within ten (10) days after the nonperforming Party's receipt of written notice from another Party specifying the nature of the default.

(c) If no other specific time period is set forth herein, the failure to cure a non-monetary default under this Agreement (other than any non-monetary defaults specifically listed in any of the other subparagraphs of this Section 12.1) within thirty (30) days after the nonperforming Party's receipt of written notice from the other Party(ies) specifying the nature of the default; provided, however, that if the failure cannot reasonably be corrected within such period, it shall not constitute a default if the failure is correctable without material adverse effect on the Property, and if corrective action is instituted by the non-performing Party within such period and diligently pursued until the failure is corrected, and provided further that any such failure is cured within ninety (90) days of receipt of notice of such failure.

(d) Any of the warranties or representations made by any Party herein are or become false, incorrect, or misleading in any material respect, and to the extent capable of being cured are not cured within the cure period set forth in subsection (c) above.

(e) Any Party commits any act of bankruptcy or if any relief under the federal Bankruptcy Act is sought by or against any Party, or if a receiver is appointed to take charge of the assets or affairs of any Party or if any Party should make an assignment for the benefit of creditors, or if any Party should become insolvent, or upon any liquidation or termination of any Party; provided, however, that if any such proceeding is brought involuntarily against a Party, such Party shall have ninety (90) days to obtain the dismissal of such proceeding.

(f) There is a default under any of the City Loan Documents, after expiration of any notice and cure periods in the applicable agreement(s).

(g) There is a default under the Ground Lease and such default is not cured within any grace and cure period expressly provided in the Ground Lease.

(h) There is a default under the Density Bonus Agreement and such default is not cured within any grace and cure period expressly provided in the Density Bonus Agreement.

The Party in default shall provide to the other Party immediate written notice of the occurrence of any event that would constitute a default hereunder.

Nothing in this Section 12.1 or this Agreement does or shall be construed as abdicating any discretionary authority of the City, or requiring the performance of the City, to review and approve, approve with conditions, or deny the Land Use Approvals, which shall be governed as provided by applicable law.

12.2 Remedies Upon Default. In addition to any other rights or remedies available at law or in equity, upon a default under this Agreement that is not cured within any applicable notice and cure periods herein, a non-defaulting Party may take one or more of the following actions:

(a) Terminate this Agreement.

(b) Withhold further disbursements of the City Loan.

(c) Institute legal action to cure, correct, or remedy any default or to obtain any other remedy consistent with the purposes of this Agreement.

Except as otherwise expressly provided in this Agreement, any failure or delay by a Party in giving a notice of default or in asserting any of its rights and remedies as to any default shall not constitute a waiver of any default, nor shall it change the time of default, nor shall it deprive such Party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

12.3 Institution of Legal Actions. In addition to any other rights or remedies, any Party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement.

12.4 Applicable Law and Venue. The internal laws of the State of California without regard to conflict of law principles shall govern the interpretation and enforcement of this

Agreement. All legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that County.

12.5 Rights and Remedies are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the Parties are cumulative, and the exercise by any Party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party(ies).

12.6 Attorney's Fees. If any Party(ies) to this Agreement is required to initiate or defend litigation in any way connected with this Agreement, the prevailing Party(ies) in such litigation, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees from the losing Party(ies). If any Party(ies) to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other Party(ies), then the Party(ies) so litigating shall be entitled to reasonable attorney's fees from the other Party(ies) to this Agreement. Attorney's fees shall include attorney's fees on any appeal, and in addition any Party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, retaining expert witnesses, taking depositions and discovery, and all other necessary costs incurred with respect to such litigation.

13. REPRESENTATIONS AND WARRANTIES

(a) LCP. LCP makes the following representations and warranties as of the date of this Agreement and agrees that such representations and warranties are material provisions in this Agreement, upon which the other Parties materially rely, and shall survive and continue thereafter:

(i) *Authorization and Validation.* The execution, delivery and performance by LCP of this Agreement (i) are within the powers of LCP and upon its execution will constitute a legal, valid and binding obligation of LCP enforceable in accordance with its terms, and (ii) to LCP's knowledge will not violate any provisions of law, any order of any court or other agency of government, or any indenture, agreement or any other instrument to which LCP is a party or by which LCP, or any of its property, is bound, or be in conflict with, result in any breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of its property or assets, except as contemplated by the provisions of this Agreement.

(ii) *Defaults.* LCP is not a party to any agreement or instrument that will interfere with its performance under this Agreement, and is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions set forth in any agreement or instrument to which it is a party would have an adverse effect on its ability to perform its obligations under this Agreement.

(iii) *Pending Litigation.* To LCP's knowledge, there is not now pending or threatened, against or affecting LCP any claim, investigation, action, suit or

proceeding at law, or in equity, or before any court or administrative agency which, if adversely determined, would impair or affect the Property or LCP.

(b) Developer. Developer makes the following representations and warranties as of the date of this Agreement and agrees that such representations and warranties are material provisions in this Agreement, upon which the other Parties materially rely, and shall survive and continue thereafter:

(i) *Authorization and Validation.* The execution, delivery and performance by Developer of this Agreement (i) are within the powers of Developer and upon its execution will constitute a legal, valid and binding obligation of Developer enforceable in accordance with its terms, and (ii) to Developer's knowledge will not violate any provisions of law, any order of any court or other agency of government, or any indenture, agreement or any other instrument to which Developer is a party or by which Developer, or any of its property, is bound, or be in conflict with, result in any breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of its property or assets, except as contemplated by the provisions of this Agreement.

(ii) *Defaults.* Developer is not a party to any agreement or instrument that will interfere with its performance under this Agreement, and is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions set forth in any agreement or instrument to which it is a party would have an adverse effect on its ability to perform its obligations under this Agreement.

(iii) *Pending Litigation.* To Developer's knowledge, there is not now pending, or threatened, against or affecting Developer any claim, investigation, action, suit or proceeding at law, or in equity, or before any court or administrative agency which, if adversely determined, would impair or affect the Property or Developer.

(iv) *Existing Tenant.* No persons or entities have any current or future rights of tenancy, sub-tenancy, license or other right to occupancy or use of the Property except Riviera Beverages, LLC, which is on a month-to-month tenancy, and has waived any right to relocation benefits.

(c) City. City makes the following representations and warranties as of the date of this Agreement and agrees that such representations and warranties are material provisions in this Agreement, upon which the other Parties materially rely, and shall survive and continue thereafter:

(i) *Authorization and Validation.* The execution, delivery and performance by City of this Agreement (i) are within the powers of City and upon its execution will constitute a legal, valid and binding obligation of City enforceable in accordance with its terms, and (ii) to City's knowledge will not violate any provisions of law, any order of any court or other agency of government, or any indenture, agreement or any other instrument to which City is a party or by which City, or any of its property, is bound, or be in conflict with, result in any breach of or constitute (with due notice and/or lapse of time) a default under any such

indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of its property or assets, except as contemplated by the provisions of this Agreement.

(ii) *Defaults.* City is not a party to any agreement or instrument that will interfere with its performance under this Agreement, and is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions set forth in any agreement or instrument to which it is a party would have an adverse effect on its ability to perform its obligations under this Agreement.

(iii) *Pending Litigation.* To City's knowledge, there is not now pending, or threatened, against or affecting City any claim, investigation, action, suit or proceeding at law, or in equity, or before any court or administrative agency which, if adversely determined, would impair or affect the Property or this Agreement.

14. GENERAL PROVISIONS

14.1 Notices, Demands, and Communications Between the Parties. Formal notices, demands, and communications among City, Developer and LCP shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (c) mailing in the United States mail, certified or first class mail, postage prepaid, addressed to:

To City:	City of Irvine One Civic Center Plaza Irvine, CA 92623-9575 Attn: Director of Community Development
With copies to:	Rutan & Tucker, LLP 611 Anton Boulevard, Suite 1400 Costa Mesa, CA 92626 Attn: William H. Ihrke
To Developer:	17275 Derian, LLC 14211 Yorba Street, Suite 200 Tustin, CA 92780 Attention: Todd Cottle
With copies to:	Goldfarb & Lipman LLP 1300 Clay Street, 11th Floor Oakland, CA 94612 Attention: Lynn Hutchins

To LCP:	Lennar Central Park, LLC 25 Enterprise Aliso Viejo, CA 92656 Attn: Donna Kelly
With copies to:	Samuels, Green and Steel LLP 19800 MacArthur Blvd. Irvine, CA 92612 Attn: Herb Samuels

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

14.2 Nonliability of Officials and Employees. No member, official, employee, or contractor of any Party shall be personally liable in the event of any default or breach by such Party or for any amount which may become due to other Parties or on any of such Party's obligations under the terms of this Agreement.

14.3 Enforced Delay; Extension of Times of Performance. Time is of the essence in the performance of each of the Parties' respective obligations set forth in this Agreement. In addition to specific provisions of this Agreement, and except as expressly set forth in this Section 14.3, performance by any Party hereunder shall not be deemed to be in default and such Party shall be entitled to an extension of time to perform its obligations hereunder where delays in performance are due to causes beyond the control and without the fault of such Party, including as applicable: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation brought by third parties against one or more of the Parties that pertains to the Property; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplies that are not caused by any Party; acts of the other Parties; acts or the failure to act of City or any other public or governmental agency or entity that are not caused by LCP or Developer; or other causes beyond the reasonable control of the Party. Notwithstanding the foregoing, Developer's inability to secure satisfactory financing, interest rates, and market and economic conditions shall not entitle Developer to an extension of time to perform. An extension of time for any cause permitted under this Section 14.3 shall be limited to the period of the enforced delay, which period shall commence to run from the time of the commencement of the cause, if notice by the Party claiming such extension is sent to the other Party within thirty (30) days of knowledge of the commencement of the cause. If no written notice is sent within thirty (30) days, for purposes of measuring the extension period for performance of the obligation in question, the period of the enforced delay shall commence to run from the date written notice is sent to the other Party. Times of performance under this Agreement may be extended by mutual written agreement of the affected Parties.

14.4 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against any Party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply. The Section headings are for purposes of convenience only, and shall not be construed to limit or extend the meaning of this Agreement.

14.5 Entire Agreement, Waivers and Amendments. This Agreement integrates all of the terms and conditions mentioned herein, or incidental hereto, and supersedes all negotiations and previous agreements between the Parties with respect to the matters addressed in this Agreement. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the Party to be charged, and all amendments and modifications hereto must be in writing and signed by the appropriate authorities of each Party.

14.6 Severability. If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. In the event that all or any portion of this Agreement is found to be unenforceable, this Agreement or that portion which is found to be unenforceable shall be deemed to be a statement of intention by the Parties; and the Parties further agree that in such event, and to the maximum extent permitted by law, they shall take all steps necessary to comply with such procedures or requirements as may be necessary in order to make valid this Agreement or that portion which is found to be unenforceable.

14.7 Prohibition Against Assignment and Transfer by LCP or City. None of LCP or City shall voluntarily assign or transfer its interest in all or any part of this Agreement (which by definition includes all attachments hereto) without Developer's prior written approval, which shall not be unreasonably withheld, except such assignments and transfers expressly authorized in this Agreement.

14.8 Third Party Beneficiaries. Except as provided in this Agreement with regard to any investor limited partner in Developer's partnership, no other person or entity other than Developer, LCP or City and the permitted successors and assigns of each of them, shall be authorized to enforce the provisions of this Agreement.

14.9 Authority to Execute Agreement. The persons executing this Agreement on behalf of each Party represents and warrants to the other Parties that by proper action such persons have been duly authorized to execute and deliver this Agreement.

14.10 Contract Administration and Approvals. The City Manager shall be the person designated by City to administer this Agreement on behalf of City, the Developer Representative shall be the person designated by Developer to administer this Agreement on behalf of Developer and the LCP Representative shall be the person designated by LCP to administer this Agreement on behalf of LCP. The City Manager shall have the authority to consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities concerning this Agreement, the Density Bonus Agreement, the Ground Lease or the City Loan, including but not limited to, the execution of any additional agreements,

addenda or amendments so long as such actions do not substantially add to the costs of City as specified herein.

14.11 Further Actions and Instruments. Each of the Parties shall cooperate with and provide reasonable assistance to the other Parties to the extent contemplated hereunder in the performance of all obligations under this Agreement and the satisfaction of the conditions of this Agreement. Upon the request of any Party at any time, the requested Party(ies) shall promptly execute, with acknowledgment or affidavit if reasonably required, and file or record such required instruments and writings and take any actions as may be reasonably necessary under the terms of this Agreement to carry out the intent and to fulfill the provisions of this Agreement or to evidence or consummate the transactions contemplated by this Agreement. City hereby authorizes City Manager to take such other actions and negotiate and execute any additional agreements as may be necessary or proper to fulfill the City's obligations under this Agreement. The City Manager may delegate her or his powers and duties under this Agreement to an authorized management level employee of the City.

GROUND LEASE
(17275 Derian, Irvine, California)

This Ground Lease (the "Lease") is entered into as of March 27, 2015, by and between Irvine Community Land Trust, a California nonprofit public benefit corporation ("Lessor") and 17275 DERIAN, LLC, a California limited liability company, and its successors and assigns ("Lessee").

RECITALS

A. Lessee entered into that certain Affordable Housing, Land Disposition, Loan and Development Agreement ("AHLDLDA") with the City of Irvine, a charter city and municipal corporation ("City"), and Lennar Central Park, LLC, a California limited liability company ("Lennar"). Pursuant to the AHLDLDA and to meet some of Lennar's affordable housing obligations to the City under the City's inclusionary housing ordinance as set forth in Chapter 2-3 of the City's Municipal Code, Lennar has donated to the Lessor that certain real property located at 17275 Derian Avenue in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Exhibit A and depicted on the map attached as Exhibit B ("Leased Premises"). Under the AHLDLDA, the City agreed that the City or its successor or assign will ground lease the Leased Premises to Lessee for 99 years and Lessee has agreed to develop and operate thereon an 80-unit multifamily affordable rental housing development, with all of such units, other than the one management unit, affordable residential units.

B. As permitted under the AHLDLDA, the City has assigned its rights and obligations to ground lease the Leased Premises as set forth in the AHLDLDA to the Lessor.

C. Lessor desires to lease the Leased Premises to Lessee for a period of ninety-nine (99) years pursuant to the terms of this Lease.

D. Capitalized terms which are referred to and utilized throughout this Lease are defined in Article 1 of this Lease.

NOW, THEREFORE, for and in consideration of the foregoing premises, the covenants, representations, warranties and agreements set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

ARTICLE 1.
DEFINITIONS

Section 1.1 Definitions. For the purposes of this Lease, the following defined terms shall have the meanings ascribed thereto in this Article 1:

(a) AHLDLDA: As defined in Recital A.

(b) Approved Loans: All loans obtained from time to time by Lessee for the construction and permanent financing of the Project in compliance with the AHLDLDA and all executed attachments entered pursuant thereto.

(c) Casualty: As defined in Article 11 hereof.

(d) City: The City of Irvine, California.

(e) County: The County of Orange, California.

(f) Commencement Date: The date set forth in the first paragraph of this Lease.

(g) Density Bonus Regulatory Agreement: The Density Bonus Regulatory Agreement between the City and the Lessee, dated as of March 27, 2015 to be recorded upon the Lessee's leasehold interest of the Leased Premises in connection with the land use approvals for the Project.

(h) Environmental Laws: All federal, state or local statutes, ordinances, rules, regulations, orders, decrees, judgments or common law doctrines, and provisions and conditions of permits, licenses and other operating authorizations regulating, or relating to, or imposing liability or standards of conduct concerning (i) pollution or protection of the environment, including natural resources; (ii) exposure of persons, including employees and agents, to Hazardous Materials or other products, raw materials, chemicals or other substances; (iii) protection of the public health or welfare from the effects of by-products, wastes, emissions, discharges or releases of chemical substances from industrial or commercial activities; (iv) the manufacture, use or introduction into commerce of Hazardous Materials, including without limitation, their manufacture, formulation, labeling, distribution, transportation, handling, storage and disposal; or (iv) the use, release or disposal of Hazardous Materials or the remediation of air, surface waters, groundwaters or soil, as now or may at any later time be in effect, together with any regulations promulgated thereunder.

Section 1.2 Exhibits. The Exhibits referred to in this Agreement and attached hereto are:

Exhibit A: Legal Description of the Leased Premises
Exhibit B: Site Map of the Leased Premises
Exhibit C: Memorandum of Lease

ARTICLE 2.
LEASE OF THE LEASED PREMISES

Section 2.1 Leased Premises. Subject to the terms hereof and in consideration of the covenants of payment and performance stipulated herein, Lessor leases the Leases Premises to Lessee, and in consideration thereof, Lessee takes, hires and leases the Leased Premises from the Lessor, pursuant to the terms of this Lease.

Section 2.2 Term. Unless sooner terminated pursuant to the provisions hereof, this Lease shall continue in full force and effect for a term ("Term"), commencing on the Commencement Date and expiring on midnight the day immediately preceding the ninety ninth (99^{th}) anniversary thereof.

Section 2.3 Use. Subject to the provisions hereof, Lessee shall use the Leased Premises for the Project, which includes the construction, development and operation of the Improvements for the Project on the Leased Premises in accordance with the restrictions and requirements set forth in Article 3 hereof. Further, Lessee agrees:

(a) not to use the Leased Premises for any disorderly or unlawful purpose;

(b) to use its best efforts to prevent any action by any Tenants from committing or maintaining any nuisance or unlawful conduct on or about the Leased Premises;

(c) to use its best efforts to prevent any action by any Tenant that would cause Lessee to violate any of the covenants and conditions of this Lease with respect to the Improvements;

(d) upon notice from Lessor, to take reasonable action, if necessary, to abate any action by any Tenant that would cause Lessee to violate this Lease; and

(e) subject to the laws of the State of California and the rights of Tenants, to permit Lessor and its agents to inspect the Leased Premises or any part thereof at any reasonable time during the Term.

Section 2.4 Possession. Lessor agrees to and shall provide possession of the Leased Premises to Lessee immediately following the date of this Lease, free and clear of all rights to possession or use by any tenants or other individuals or entities other than Lessee, other than Riviera Beverages, LLC, the current existing tenant which, as represented and warranted by Lessee, is on a month-to-month lease, and free and clear of any encumbrances except as expressly approved by Lessee in writing, such as the Density Bonus Regulatory Agreement and the Regulatory Agreement.

Section 2.5 Memorandum of Lease. The Parties shall execute and acknowledge a memorandum of ground lease, which shall be recorded at Lessee's expense pursuant to the AHLDLDA.

ARTICLE 3.
THE IMPROVEMENTS

Section 3.1 Construction. Lessee shall cause the Improvements to be constructed in substantial compliance with the construction Plans and Specifications for the Improvements to be approved by Lessor, within twenty-four (24) months from the award of a preliminary reservation of low income housing tax credits for the Improvements from the California Tax Credit Allocation Committee. Any and all Improvements constructed by or on behalf of Lessee shall be constructed in a good and workerlike manner, in compliance with all applicable Legal Requirements. With the exception of the City Loan provided to Lessee pursuant to the AHLDLDA and implementing executed attachments, Lessee shall bear the entire and sole cost (through other loans, equity or other sources of funding) of planning, designing, engineering, financing, constructing, supervising, and inspecting the Improvements, including all fees and mitigation measures.

Section 3.2 Liens. Lessee shall not have any right, authority or power to bind Lessor, Lessor's Estate or any other interest of Lessor in the Leased Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in

connection with the development, construction or operation of the Improvements or any change, alteration of addition thereto. Lessee shall have the right to encumber Lessee's Estate with the Approved Financing, utility easements and other customary easements necessary and incidental to, the development, construction and operation of the Improvements, which easements are subject to the approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

The Lessee shall not create or permit or suffer to be created or to remain, and will discharge, any lien, including, but not limited to, the liens of mechanics, laborers, materialmen, suppliers or vendors for work or materials alleged to be done or furnished in connection with the Leased Premises and the Project, or any part thereof, upon the Lessor's Estate or any other interest of Lessor in the Leased Premises. If any claim of lien is filed against the Lessor's Estate or any other interest of Lessor in the Leased Premises, or a stop notice is served on any other lender or other third party in connection with the Leased Premises and the Project, then the Lessee shall, within twenty (20) days after such filing or service, either pay and fully discharge the lien or stop notice, effect the release of such lien or stop notice by delivering to the Lessor a surety bond in sufficient form and amount, or provide the Lessor with other assurance satisfactory to the Lessor that the claim of lien or stop notice will be paid or discharged. If the Lessee fails to discharge any lien, encumbrance, charge, or claim in the manner required in this Lease, then in addition to any other right or remedy, the Lessor may (but shall be under no obligation to) discharge such lien, encumbrance, charge, or claim at the Lessee's expense. The Lessee shall have the right to contest in good faith and by appropriate legal proceedings the validity or amount of any mechanics', laborers', materialmen's, suppliers' or vendors' lien or claimed lien; provided that the Lessee shall utilize all reasonable means (including the posting of adequate security for payment) to protect the Lessor's Estate or any other interest of Lessor in the Leased Premises against foreclosure. In addition to any other indemnities provided in this Lease and the AHLDEDA, Lessee shall indemnify, protect, defend (with counsel of Lessor's choosing), and hold harmless Lessor and all of its officials, officers, employees, representatives, volunteers and agents from any and all alleged or actual claims, causes of action, liabilities, and damages from any third party by reason of a mechanic's lien or work, labor, services, or materials supplied or claimed to have been supplied to Lessee or anyone holding the Leased Premises or Project, or any part thereof, through or under Lessee.

Nothing in this Lease shall be construed as constituting the consent of the Lessor, expressed or implied, to the performance of any labor or the furnishing of any materials or any specific improvements, alterations of or repairs to the Leased Premises or Project, or any part thereof, by any contractor, subcontractor, laborer or materialman, nor as giving the Lessee or any other person any right, power or authority to act as agent of or to contract for, or permit the rendering of, any services or the furnishing of any materials in such manner as would give rise to the filing of mechanics' liens or other claims against the Lessor's Estate or any other interest of Lessor in the Leased Premises. The Lessor shall have the right at all reasonable times to post and keep posted on the Leased Premises any notices which the Lessor may deem necessary for the protection of the Lessor and of Lessor's Estate or any other interest of Lessor in the Leased Premises from mechanics' liens or other claims. In addition, but subject to the paragraph above, the Lessee shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons doing any work or furnishing any materials or supplies to the Lessee, or any of its respective contractors or subcontractors in connection with the Leased Premises and the Project.

Section 3.3 Permits, Licenses and Easements. Lessor agrees to use Lessor's best reasonable efforts to assist Lessee in obtaining any and all permits, licenses, easements and other authorizations required by any Governmental Authority with respect to any construction or other work to be performed on the Leased Premises and to grant or cause to be granted all permits, licenses, easements and other governmental authorizations that are necessary or helpful for electric, telephone, gas, cable television, water, sewer, drainage, access and such other public or private utilities or facilities as may be reasonably necessary or desirable in connection with the construction or operation of the Improvements.

Section 3.4 Title to Improvements.

(a) During the Term. Lessor hereby grants to Lessee, without warranty express or implied, any right, title, or interest that Lessor may have in the Improvements now or hereafter located on the Leased Premises. Notwithstanding any provision in this Lease to the contrary, the Improvements and all alterations, additions, equipment, and fixtures built, made or installed by Lessee in, on, under or to the Leased Premises or Improvements shall be the sole property of Lessee until the expiration of the Term or other termination of this Lease; provided, however, that Lessee shall have no right to destroy, demolish or remove the Improvements except as specifically provided for in this Lease or as approved in writing by Lessor. It is the intent of the parties hereto that this Lease shall create a constructive notice of severance of the Improvements from the Leased Premises without the necessity of a deed from Lessor after the Improvements have been constructed.

(b) After the Term. Upon the expiration of the Term or other termination of the Lease, the Improvements and all alterations, additions, equipment and fixtures shall be deemed to be and shall automatically become the property of Lessor, without cost or charge to Lessor. Lessor agrees that Lessee, at any time prior to the ninetieth (90th) day after the expiration or other termination of this Lease, may remove from the Leased Premises any and all equipment which Lessee has furnished for maintenance purposes or for the use of the Management Agent, provided that Lessee shall repair any physical damage to the Leased Premises caused by the removal of such equipment and property. Lessee agrees to execute, at the request of Lessor at the end of the Term, a confirmatory quitclaim deed of the Improvements to Lessor to be recorded at Lessor's option and expense and any other documents that may be reasonably required by Lessor or Lessor's title company to provide Lessor title to the Leased Premises and the Improvements free and clear of all monetary liens and monetary encumbrances not caused or agreed to by Lessor.

Section 3.5 Benefits of Improvement During Term. Lessor acknowledges and agrees that any and all depreciation, amortization and tax credits for federal or state tax purposes relating to the Improvements located on the Leased Premises and any and all additions thereto, substitutions therefor, fixtures therein and other property relating thereto shall be deducted or credited exclusively by Lessee during the Term and for the tax years during which the Term begins and ends.

ARTICLE 4.
RENTS

Section 4.1 Ground Rent. Lessee shall pay to Lessor on the Commencement Date of this Lease and on each succeeding anniversary thereof during the Term rent in advance for the next succeeding Lease Year ("Rent") in the amount of $1.00 per Lease Year or partial Lease Year.

Section 4.2 Payments. All Rents or other sums, if any, due Lessor hereunder shall be paid by Lessee to Lessor at the address of Lessor set forth hereinafter for notices, or to such other person and/or at such other address as Lessor may direct by written notice to Lessee, without notice or demand, and without abatement, deduction or set off.

ARTICLE 5.
TAXES AND OTHER IMPOSITIONS; UTILITIES

Section 5.1 Payment of Impositions. As and when the same shall become due, Lessee will pay all of the Impositions, except that if any Imposition that Lessee is obligated to pay in whole or in part is permitted by law to be paid in installments, Lessee may pay or cause to be paid such Imposition (or its proportionate part thereof) in installments as and when such installments become due. Upon the written request of Lessor, Lessee shall provide to Lessor evidence satisfactory to Lessor of payment of all Impositions. During the first and last years of the Term, all Impositions shall become payable during each calendar, fiscal, tax or Lease Year, as applicable, shall be ratably adjusted on a per diem basis between Lessor and Lessee in accordance with the respective portions of such calendar, fiscal, tax, assessment or Lease Year during the Term. If any special assessments are payable in installments, Lessee shall pay only those installments that are due and payable during the Term.

Section 5.2 Lessor's Estate. Notwithstanding anything contained in this Lease to the contrary, any and all Impositions for taxes and assessments charged against the value of Lessor's Estate shall be the responsibility and obligation of Lessor.

Section 5.3 Contested Taxes and Other Impositions.

(a) Lessee, in its own name or in the name of Lessor if prior written consent of Lessor is obtained by Lessee, may contest the validity or amount of any Imposition relating to all or any portion of the Leased Premises, in which event the payment thereof, if authorized by applicable law, may be deferred during the pendency of such contest, if diligently prosecuted. If applicable law is silent on or expressly disallows deferring payment pending the contest of validity, Lessee shall timely pay any Imposition that is subject to dispute under protest, reserving any and all rights for repayment from the applicable taxing entity if resolution of such contest results in a decision or judgment in Lessee's favor.

(b) As may be necessary or desirable, Lessor or Lessee, as applicable, upon the request of the other Party, shall use its best reasonable efforts to assist in any such proceeding to contest the validity or amount of any Imposition.

Section 5.4 Valuation Assessment/Property Tax Exemption. If applicable, Lessee may attempt to obtain a lowering of the assessed valuation of the Leased Premises for any year or obtain a property tax exemption for the purpose of reducing taxes thereon. In such event, upon Lessee's request, Lessor shall use its reasonable efforts to assist Lessee in such endeavor; provided, however, that Lessor shall incur no liability or otherwise be construed as being in default under this Lease for any assistance (or limitation of assistance) provided to Lessee pursuant to this Section.

Section 5.5 Failure to Pay Impositions. If Lessee shall fail to pay any Impositions before the same become delinquent, except if Lessee is in good faith contesting such Impositions pursuant to Section 5.3 hereof, Lessor, at its election, may pay such Impositions (but shall not be obligated to pay same), together with any interest and penalties due thereon, and the amount so paid by Lessor shall be repayable to Lessor by Lessee, with an additional interest payment payable to Lessor in an amount of 10% of the total payment (including interest and payments) paid by Lessor for the Imposition, or the maximum amount of interest allowable pursuant to law, whichever is less, within ninety (90) days.

Section 5.6 Utilities. Lessee shall pay all utilities used, rendered or supplied upon or in connection with the Improvements and the construction thereof including, but not limited to, all charges for gas, electricity, light, heat or power, all telephone and other communications services, all water rents and sewer service charges, and all sanitation fees or charges levied or charged against the Leased Premises during the Term; provided, however, that Lessee shall have no responsibility hereunder for the payment of utilities supplied by the respective providers directly to Tenants for such Tenants' use in connection with the occupancy of their respective residential units. Lessor shall have no responsibility for the payment of utility costs.

ARTICLE 6.
INSURANCE

Section 6.1 Required Insurance Coverage.

(a) Standard "All Risk" Casualty and Fire and Extended Coverage Endorsement. Lessee shall during the Lease Term keep the Leased Premises insured against loss or damage by a standard all risk policy in amounts such that the proceeds of such insurance shall not be less than the replacement value of the Leased Premises, or, should insurance in such amount not be reasonably and commercially available, or the cost of such insurance shall not be commercially reasonable given Lessee's net income, such lesser amount as may be reasonably acceptable to both the Lessor and the Lenders. If an all risk policy insuring the full replacement value of the Leased Premises is not reasonably and commercially available, Lessee shall obtain and maintain an extended coverage endorsement that ensures the full replacement value of the Leased Premises as soon as such coverage becomes commercially and reasonably available, subject to the approval of the Lenders.

(b) Liability and Property Damage Insurance. During the Lease Term, Lessee shall keep in full force and effect a policy or policies of comprehensive general liability and

property damage insurance against liability for bodily injury to or death of any person or property damage arising out of an occurrence on or about the Leased Premises. The limits of such insurance shall be not less than One Million Dollars ($1,000,000) combined single limit for bodily injury and property damage.

(c) Workers' Compensation Insurance. Lessee shall carry or cause to be carried workers' compensation insurance covering all persons employed in connection with the Leased Premises and with respect to whom death, bodily injury, or sickness insurance claims could be asserted against Lessor and/or Lessee.

(d) Builders' Risk Insurance. During the course of any alteration, construction or reconstruction, the cost of which exceeds Two Hundred Fifty Thousand Dollars ($250,000), Lessee shall require any contractor to provide builders' risk insurance for not less than One Million Dollars ($1,000,000) combined single limit for bodily injury or property damage insuring the interests of Lessor, Lessee and any contractors and subcontractors.

Section 6.2 Insurance Policies and Premiums.

(a) All liability policies required by this Lease or any of the Lenders shall name Lessor and City, and their respective officers, employees, agents, contractors, servants, and directors as an additional insured. Duplicate copies of such policies or certificates of such insurance shall be promptly furnished to Lessor.

(b) To the extent obtainable, any policy of insurance shall provide that any change or cancellation of said policy must be made in writing and sent to Lessee and Lessor at their respective principal offices at least thirty (30) days before the effective date of change or cancellation.

(c) The rights of Lessor to any insurance proceeds will be subject and subordinate to the rights of any Lender.

Section 6.3 Proceeds of Insurance.

(a) For so long as any Leasehold Mortgage on the Leased Premises is outstanding: All fire and standard risk or extended coverage (casualty) insurance proceeds shall be applied to the payment of the costs of repairing or rebuilding that part of the Leased Premises damaged or destroyed if (i) Lessee agrees in writing within ninety (90) days after payment of the proceeds of insurance that such repair or rebuilding is economically feasible, and (ii) each Lender permits such repair or rebuilding, provided that the extent of the Lessee's obligation to restore the Leased Premises shall be limited to the amount of the insurance proceeds.

(b) If the Improvements are not repaired or rebuilt, all such proceeds shall be applied in a manner consistent with the terms of the Leasehold Mortgages.

(c) In the event that no Leasehold Mortgage is outstanding, all insurance proceeds received under the policies set forth in this Article 6 shall be paid to Lessee, provided

that Lessee shall apply such proceeds, to the extent possible, for reconstruction or repair in a manner consistent with the provisions of subsection (a)(i).

(d) To the extent any of the above provisions are inconsistent with the provisions of any of the Loan Documents, the Loan Documents shall be controlling.

Section 6.4 Limitation of Liability.

(a) In addition to any other indemnities provided in this Lease and the AHLDLDA, Lessee shall indemnify, protect, defend (with counsel of Lessor's choosing), and hold harmless Lessor, its officers, employees, agents, contractors, servants, and directors from all claims, actions, demands, costs, expenses and attorneys' fees arising out of, attributable to or otherwise occasioned, in whole or in part, by any act or omission of Lessee, its agents, contractors, servants, employees, or invitees, arising from or relating to operation of the Leased Premises.

(b) In addition to any other indemnities provided in this Lease and the AHLDLDA, Lessor shall indemnify, protect, defend (with counsel of Lessee's choosing), and hold harmless Lessee, its officers, employees, agents, contractors, servants, directors, members or partners from all claims, actions, demands, costs, expenses and attorneys' fees arising out of, attributable to or otherwise occasioned, in whole or in part, by any act or omission of Lessor, its agents, contractors, servants, employees, or invitees, arising from or relating to operation of the Leased Premises.

(c) In addition to any other indemnities provided in this Lease and the AHLDLDA, Lessee shall indemnify, protect, defend (with counsel acceptable to Lessor), and hold Lessor harmless from and against any and all liability, loss, cost, expense (including without limitation attorneys' fees and costs of litigation, mediation, arbitration, or administrative proceeding), claim, demand, action, suit, judicial or administrative proceeding, penalty, deficiency, fine, order, and damage (collectively, "Claims") including without limitation any expenses associated with the investigation, assessment, monitoring, response, removal, treatment, abatement or remediation of Hazardous Materials and administrative, enforcement or judicial proceedings resulting, arising, or based directly or indirectly in whole or in part, upon the presence, release, use generation, discharge, storage or disposal or the alleged presence, release, discharge, storage or removal of any Hazardous Materials on, under, in or about the Leased Premises other than in connection with the failure of Lessor, its officials, officers, employees, agents, contractors, subcontractors, or any person acting on behalf of any of the foregoing to comply with Environmental Laws.

ARTICLE 7.
MAINTENANCE, ALTERATIONS, REPAIRS AND REPLACEMENTS

Section 7.1 Maintenance of Leased Premises. During the Term, at Lessee's sole cost and expense, Lessee shall keep and maintain the Leased Premises, all Improvements hereafter developed, and all appurtenances thereunto belonging, in good and safe order, condition and

repair. All such maintenance and repair shall conform to and comply with all Legal Requirements affecting the Leased Premises.

Section 7.2 Alterations to Leased Premises. Lessee may make any additions, alterations or changes (sometimes collectively referred to herein as "Alterations") in or to the Improvements subject, however, to the following conditions:

(a) No Alterations shall be made that would tend to impair the structural soundness of the Improvements;

(b) No Alterations shall be undertaken that are prohibited by, or would cause the Leased Premises, the Improvements, Lessee, or Lessor to be in breach or violation of any Legal Requirements,

(c) No Alterations shall be undertaken until Lessee shall have procured, to the extent the same may be required from time to time, all permits and authorizations of all applicable Governmental Authorities, all require consents of any Lender, and the consent of Lessor. Lessor shall join in the application for such permits or authorizations whenever such action is necessary or helpful and is requested by Lessee; and shall use Lessor's reasonable efforts to obtain such permits or authorization; and

(d) Any Alterations shall be performed in good and workerlike manner and in compliance with all applicable Legal Requirements and all applicable Insurance Requirements.

(e) Any and all Alterations are consistent with the use of the Leased Premises as authorized under this Lease.

Section 7.3 Indemnifications. Notwithstanding any other provision of this Lease to the contrary, and in addition to any other indemnities provided in this Lease, Lessee hereby agrees to indemnify, protect, hold harmless and defend (by counsel reasonably satisfactory to Lessor) Lessor, its officers, directors, affiliates, agents and employees from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including, but not limited to, attorneys fees and expenses), arising from or relating to Lessee's obligations under this Lease or the construction or operations of the Improvements or any Alterations. In addition, if any contractor or subcontractor which performed any construction work for Lessee or Lessee's affiliates on the Improvements or Alterations shall assert any claim against Lessor on account of any damage alleged to have been caused by reason of acts of negligence of Lessee or Lessee's affiliates, members, partners, officers, directors, affiliates, agents, employees or construction contractors, Lessee shall defend at its own expense any suit based upon such claim; and if any judgment or claim against Lessor shall be allowed, Lessee shall pay or cause to be paid or satisfied such judgment of claim and pay all costs and expenses in connection therewith. This indemnity, as with all other indemnities set forth in this Lease, shall survive the termination of this Lease.

ARTICLE 8.
MORTGAGE LOANS

Section 8.1 Loan Obligations. Provided the Approved Loans allow for the use of the Leased Premises pursuant to the terms and conditions of this Lease and the AHLDLDA and executed attachments thereto, nothing contained in this Lease shall relieve the Lessee of its obligations and responsibilities under the Approved Loans to operate the Project as set forth therein.

Section 8.2 Liens and Encumbrances Against the Leasehold Estate. The Lessee shall have the right to encumber the Leasehold Estate and the Improvements with leasehold deeds of trust, mortgages, and regulatory and affordability agreements related to the Approved Loans (collectively, "Liens") that are in accordance to this Lease and the AHLDLDA and executed attachments thereto.

(a) For as long as there is any Lien securing any Approved Loan.

(1) Lessor shall not agree to any mutual termination or accept any surrender of this Lease, nor shall Lessor consent to any amendment or modification of this Lease without the prior written consent of the Lenders which have an outstanding Approved Loan. In the event that Lessor receives competing or conflicting offers to cure any default, Lessor shall accept the offers to cure in the following order: first, Lessee or the limited partner (or members, as applicable) therein, then each Lender in the same relative priority as their respective Liens. The Lender with the most senior Lien shall have the ultimate authority among the Approved Lenders to approve amendments and modifications of this Lease and to terminate this Lease in the event of foreclosure.

(2) Notwithstanding any default by Lessee under this Lease, Lessor shall have no right to terminate this Lease unless Lessor shall have given the Lenders which have outstanding Approved Loans written notice of such default and such Lenders shall have failed to remedy such default or acquire the Leasehold Estate or commence foreclosure or other appropriate proceedings as set forth in, and within the time specified by, this Section 8.2.

(3) Any Lender that has an outstanding Approved Loan shall have the right, but not the obligation, at any time to pay any or all of the Rent due pursuant to the terms of this Lease, and do any other act or thing required of Lessee by the terms of this Lease, to prevent termination of this Lease. Each Lender shall have sixty (60) days after receipt of notice from Lessor describing such default to cure the default, which notice shall include, with respect to any monetary default, a detailed statement identifying the amounts due and the obligations to which amounts relate and with respect to any non-monetary default, a detailed statement identifying the obligations breached and the cure expected by Landlord; provided, however, that if the default is not susceptible to cure within such period, the Lender shall have such longer period, not to exceed an additional ninety (90) days, as may be necessary to cure the default, so long as such Lender is diligently prosecuting such cure to completion (the "Initial Cure Period"). All payments so made and all things so done shall be as effective to prevent a termination of this Lease as the same would have been if made and performed by Lessee instead of by the Lender(s).

(4) In addition to the Initial Cure Period, if the default is such that possession of the Leasehold Estate may be reasonably necessary to remedy the default, any Lender that has an outstanding Approved Loan shall have a reasonable time after the expiration of the Initial Cure Period within which to remedy such default, provided that (A) such Lender shall have fully cured any default in the payment of any monetary obligations of Lessee under this Lease within the first (1st) sixty (60) days of the Initial Cure Period and shall continue to pay currently such monetary obligations when the same are due; (B) such Lender shall have acquired Lessee's Leasehold Estate hereunder or commenced foreclosure or other appropriate proceedings prior to or within the Initial Cure Period, and shall be diligently prosecuting the same; and (C) and after acquiring possession of the Leasehold Estate, such Lender shall diligently prosecute to completion within thirty (30) days of the date of acquisition, such cures as may be reasonably possible to remedy nonmonetary defaults existing under this Lease.

(5) If the Lenders are prohibited, stayed or enjoined by any bankruptcy or insolvency proceeding of any court, including without limitation a court having jurisdiction over Lessee in such proceeding, from commencing or prosecuting foreclosure proceedings, the times specified for commencing or prosecuting such foreclosure or other proceedings shall be extended for the period of such prohibition; provided that any Lender shall have fully cured any default in the payment of any monetary obligations of Lessee under this Lease, including without limitation any monetary obligations to third parties which have become, or threaten to become, liens against the Leased Premises or any portion thereof, and shall continue to pay currently such monetary obligations when the same fall due; provided, further, that, subject to paragraph (1) of this Section 8.2(a), such Lender shall not interfere with Lessor's efforts to seek compliance by Lessee with any non-monetary obligation under this Lease.

(6) Lessor shall mail or deliver to any Lenders which have any outstanding Approved Loans a duplicate copy of any notice of default which Lessor may deliver to Lessee pursuant to this Lease. Lessee shall deliver to Lessor the name and contact information for all Lenders that have outstanding Approved Loans, including successors in interest to Approved Loans. Provided Lessee has delivered Lessor the name and contact information of the Lender having an outstanding Approved Loan, no notice of default by Lessor to Lessee shall be effective as to that Lender unless and until a copy of the notice shall have been mailed or delivered to such Lender as set forth in this Section.

(7) The foreclosure of an Approved Loan, any sale thereunder, whether by judicial proceedings or by virtue of any power contained in the leasehold mortgage securing the Approved Loan, or any conveyance of the Leasehold Estate created hereby from Lessee to a Lender through or in lieu of foreclosure (a "Foreclosure Event"), shall not require the consent of Lessor or constitute a breach of any provision of this Lease. In the event any Lender or its Nominee (as defined herein) becomes Lessee under this Lease by such means or pursuant to any new lease obtained under paragraph (8) of this Section 8.2(a) below, Lessor shall recognize the Lender or its Nominee as Lessee hereunder or under such new lease and the Lender shall be personally liable under this Lease or such new lease only for the period of time that the Lender or its Nominee remains Lessee thereunder, provided that the Lender or its Nominee attorns to Lessor and agrees to be subject to the restrictions of this Lease. If a Lender

or its Nominee becomes the lessee under this Lease or any such new lease, the Lender shall have the right thereafter to assign or sublease this Lease or such new lease, provided that any assignee: (A) shall take the Leasehold Estate subject to all of the provisions of this Lease or such new lease; (B) shall assume and agree to perform all obligations of Lessee under this Lease; and (C) shall be subject to the consent of Lessor, which consent shall not be unreasonably withheld. Nothing in this Section shall be construed to obligate any Lender to remedy any default of Lessee, and any failure of any Lender to complete any such cure after commencing the same shall not give rise to any liability of any Lender to Lessor or Lessee.

(8) In the event (A) a Lender, its designee or another purchaser in foreclosure proceedings becomes the legal owner of the Leasehold Estate, (B) Lessor terminates this Lease by reason of any Event of Default (as defined herein) or if (C) this Lease shall otherwise terminate, then, upon written request by Lender given within sixty (60) days after such transfer or receipt of notice of such termination of the Leasehold Estate, Lessor shall execute and deliver a new lease of the Leased Premises (or, with respect to such Improvements, a deed therefor, if requested by such Lender) to such Lender, or its nominee, purchaser, assignee or transferee (the "Nominee"), provided that, if such Nominee is not wholly owned by one or more Lenders, such Nominee is approved by Lessor in its reasonable discretion. Such new lease shall have a term of the remainder of the Lease Term with the same agreements, covenants, reversionary interests and conditions (except for any requirements which have been fulfilled by Lessee prior to termination) as are contained in this Lease and with priority equal to this Lease with respect to encumbrances of Lessor's interest in the Leased Premises or encumbrances of Lessee's interest in the Leased Premises permitted or caused by Lessor, together with any provisions legally required in the event the Nominee is a governmental entity; provided, however, that any defaults by Lessee susceptible to cure by the Lender have been cured or reasonable assurance has been provided to Lessor that such defaults shall be cured. Upon execution and delivery of such new lease by Lessor and the Nominee, the Nominee shall have acquired all the right, title and interest of Lessee under this Lease prior to its termination. Lessor, shall cooperate in taking such action as shall be necessary to cancel and discharge this Lease and to remove Lessee from the Leased Premises.

(9) If a Lender subsequently transfers its interest under this Lease after acquiring such interest by foreclosure or deed in lieu of foreclosure and, in connection with any such transfer, the Lender takes a mortgage or deed of trust encumbering such leasehold interest to secure all or any portion of the purchase price given to the Lender for such transfer, then such mortgage or deed of trust shall be considered an Approved Loan hereunder and the Lender shall be entitled to receive the benefit of and to enforce the provisions of this Lease or the new lease approved pursuant paragraph (8) of this Section 8.2(a).

(10) Unless the Lenders otherwise consent in writing, Lessor and Lessee each hereby waives, and agrees not to assert or otherwise take the benefit of, that portion of Section 365(d)4, or any other applicable provisions, of the United States Bankruptcy Code (11 U.S.C. Section 101 et seq.), which provides for the deemed rejection of a lease in certain circumstances, so long as the trustee is paying the rent due under the Lease and performs, or causes the performance of, the uses of the Leased Premises for the Project pursuant to this Lease.

(11) Subject to the rights of the Lenders, which shall have priority over all persons or entities given rights under this clause (12), any Investor limited partners (or members, as applicable) of Lessee shall have the same rights as any Lender authorized under paragraphs (2), (3) and (6) of this Section 8.2(a) of this Lease and any reference to a Lender in paragraphs 2), (3) and (6) of this Section 8.2(a) shall be deemed to include such limited partners (or members, as applicable).

(12) Lessor shall cooperate in including in this Lease by suitable amendment from time to time any provision which may reasonably be requested by any Lender or any proposed lender, for the purpose of implementing the mortgagee-protection provisions contained in this Lease and allowing such Lender or proposed lender reasonable means to protect or preserve the lien of the leasehold mortgage and the value of its security, and to include any additional rights and privileges reasonably requested to be added by such Lender. Lessor agrees to execute and deliver (and to acknowledge, if necessary, for recording purposes) any agreement necessary to effect any such amendment; provided, however, that any such amendment shall not in any way affect Lessor's Estate or any other interest of Lessor in the Leased Premises against foreclosure, affect the Lease Term or rent under this Lease, or otherwise in any material respect adversely affect any rights of Lessor under this Lease.

(b) Any Leasehold Mortgage shall be subject to the provisions of this Lease and all rights of Lessor under this Lease.

(c) Lessor hereby agrees to modify and amend this Section 8.2 as may be reasonably required by any Lender provided that any such modification or amendment shall not in any way subject Lessor's Estate or any other interest of Lessor in the Leased Premises to foreclosure, affect the Lease Term or Rent under this Lease, or otherwise in any material respect adversely affect any rights of Lessor under this Lease.

Section 8.3 Cost of Approved Loans to be Paid by Tenant. Lessee affirms that it shall bear all of the costs and expenses in connection with (a) the preparation and securing of the Approved Loans, (b) the delivery of any instruments and documents and their filing and recording, if required, and (c) all taxes and charges payable in connection with the Approved Loans.

Section 8.4 Proceeds of Approved Loans. It is expressly understood and agreed that all Approved Loan proceeds shall be paid to and become the property of Lessee, and that Lessor shall have no right to receive any such Approved Loan proceeds.

Section 8.5 Notice and Right to Cure Defaults Under Approved Loans. Upon the recording of a memorandum of this Lease, Lessor may record in the Official Records of the County of Orange a request for notice of any default under each Approved Loan. In the event of default by Lessee under an Approved Loan, Lessor shall have the right, but not the obligation, to cure the default in accordance with the Loan Documents. Any payments made by Lessor to cure a default shall be treated as rent due from Lessee which shall be paid within thirty (30) days of the date on which the payment was made by Lessor.

Section 8.6 No Fee Subordination. No deed of trust or mortgage securing an Approved Loan shall encumber the Lessor's fee interest in the Leased Premises. All deeds of trust or mortgages securing an Approved Loan shall be subject to and subordinate to this Lease or a new Lease entered into pursuant to Section 8.2(a), and shall attach only to the Lessee's Estate. A Foreclosure Event shall not impair Lessor's Estate and shall transfer only the Lessee's Estate.

Section 8.7 Rights of Investor. The Investor shall have the same notice and cure rights as any Lender for so long as it is a limited partner of Lessee.

Section 8.8 Right to Pay Taxes and Senior Mortgage. All Lenders shall have the right (but not the obligation) to pay any taxes payable by Lessor with respect to the Leased Premises, and to cure any monetary or nonmonetary default by Lessor under any mortgage or other encumbrance on the Leased Premises which has priority over this Lease; and, if a Lender does so pay or cure, Lessor agrees that it will reimburse the Lender for the amount thereof promptly following request by the Lender therefor.

ARTICLE 9.
REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 9.1 Representations, Warranties and Covenants of Lessor. As an inducement to Lessee to enter into and proceed under this Agreement, Lessor warrants and represents to Lessee as follows, which warranties, representations and covenants are true and correct as of the date of this Lease, to the actual knowledge and belief of Lessor:

(a) Lessor has good and marketable, fee simple title to the Leased Premises, subject only to encumbrances expressly approved in writing by Lessee (the "Permitted Encumbrances"), and has the right, power and authority to enter into this Lease and to lease the Leased Premises to Lessee in accordance with the terms, provisions and conditions contained in this Lease, and no other party has any right or option to or in connection with Lessor's interest in the Leased Premises;

(b) there is no litigation or action, pending or threatened, affecting the Leased Premises or any streets or other public rights-of-way abutting or serving the Leased Premises;

(c) Lessor has received no written notice and has no knowledge, nor has Lessor been otherwise advised, of any pending or threatened Taking relating to all or any part of the Leased Premises;

(d) Lessor has received no written notice and has no actual knowledge of the intention of any party holding an easement affecting the Leased Premises or any part thereof to expand the exercise of any such easement beyond the scope of the exercise thereof as reserved in any Permitted Encumbrance (as by replacing or expanding existing facilities, conduits (including underground or overhead wires, cables, or pipes) or systems for sewers, water, electric, gas, cable and other utilities);

(e) the entry by Lessor into this Lease with Lessee and the performance of all of the terms, provisions and conditions contained herein will not, or with the giving of notice or the passage of time, or both, would not, violate or cause a breach or default under any other agreement relating to the Leased Premises to which Lessor is a party or by which it is bound, including, without limitation, the Permitted Encumbrances;

(f) there is no tenant, lessee or other occupant of the Leased Premises having any right or claim to possession or use of the Leased Premises, other than Riviera Beverages, LLC, the current existing tenant which, according to representations and warranties from Lessee, is on a month-to-month lease and, based on representations and warranties from Lessee, has waived any right to relocation benefits;

(g) there are no unpaid special assessments of which Lessor has received notice for sewer, sidewalk, water, paving, gas, electrical or utility improvements or other capital expenditures, matured or unmatured, affecting the Leased Premises;

(h) there are no outstanding notices of, nor, to Lessor's knowledge, any violations of any Legal Requirements affecting any portion of the Leased Premises that materially affect the development of the Improvements;

(i) To Lessor's actual knowledge, the Leased Premises or any part thereof has not been used for the disposal of refuse or waste, or for the generation, processing, manufacture, storage, handling, treatment, transportation or disposal of any Hazardous Materials. To Lessor's actual knowledge, no Hazardous Materials have been installed, used, stored, handled, or located on or beneath the Leased Premises, which Hazardous Materials, if found on or beneath the Leased Premises, or improperly disposed of away from the Leased Premises, would subject the owner or occupant of the Leased Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Leased Premises ("Environmental Cleanup Work") in order to comply with any Legal Requirements applicable to Hazardous Materials. To Lessor's actual knowledge, there is no notice from any Governmental Authority or any Person, claiming any violation of any Legal Requirement pertaining to Hazardous Materials or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in connection with the Leased Premises, and neither Lessor, its agents or employees has ever been informed of any threatened or proposed serving of any such notice of violation or corrective work order. To Lessor's actual knowledge, no part of the Leased Premises is affected by any "Hazardous Materials Contamination," which for purposes hereof, shall mean (i) the contamination of any improvement, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on or of the Leased Premises by Hazardous Materials, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or of, any other property as a result of Hazardous Materials emanating from the Leased Premises.

Section 9.2 Representations, Warranties and Covenants of Lessee. As an inducement to Lessor to enter into and to proceed under this Lease, Lessee warrants and

represents to Lessor as follows, which warranties, representations and covenants are true and correct as of the date of this Lease:

(a) Lessee has the right, power and authority to enter into this Lease and the right, power and authority to comply with the terms, obligations, provisions and conditions contained in this Lease;

(b) the entry by Lessee into this Lease and the performance of all of the terms, provisions and conditions contained herein will not, or with the giving of notice or the passage of time, or both, would not, violate or cause a breach or default under any other agreements to which Lessee is a party or by which it is bound;

(c) Lessee (i) shall not cause or permit any Hazardous Materials to be placed, held, located or disposed of on, under or at the Leased Premises or any part thereof, except in commercially reasonable amounts used in the construction and operation of the Improvements and in accordance with Legal Requirements, and (ii) shall not cause or permit any Hazardous Materials contamination of the Leased Premises or any part thereof;

(d) Lessee represents and warrants that (i) Riviera Beverages, LLC, is the only existing tenant on the Property, (ii) Riviera Beverages, LLC, is on a month-to-month tenancy, and (iii) Riviera Beverages, LLC, has waived any right to relocation benefits. In light of the foregoing, Lessee shall be liable for any and all claims for relocation benefits sought by any existing or former tenants on the Property pursuant to any federal, state, or local relocation law, regulation, or policy, including but not limited to the Uniform Relocation Act (42 U.S.C. § 4601 *et seq.*) and implementing regulations, California Government Code Section 7260 *et seq.*, and implementing regulations (collectively referred to herein as "Relocation Laws"). Lessor shall have no obligation to pay or provide any relocation assistance under the Relocation Laws to any third party, former or current tenants (including Riviera Beverages, LLC), or any person or entity claiming a right to occupancy or use of the Property. In addition to any other indemnities provided by Lessee in this Lease, Lessee shall indemnify, protect, defend (with legal counsel of Lessor's choosing), and hold harmless Lessor from and against any and all alleged or actual claims, liabilities, suits, losses, costs, expenses and damages, including but not limited to attorneys' fees and cost, arising directly or indirectly from the transfer of the Leased Premises to the Lessee, including without limitation claims for property and franchise rights and interest, relocation benefits and assistance under any Relocation Laws, all leasehold interests and rights of tenancy or occupancy, any bonus value, business goodwill, lost income (past or future), failure to locate a suitable replacement residential or business location, lost rental income or sublease or license income, severance damages (if any), pre-condemnation damages (if any), economic or consequential damages, professional consultant fees, attorney's fees and costs, expert witness fees and costs, and any and all compensable interests, and/or damages, and/or claims, of any kind and nature, claimed or to be claimed, suffered or to be suffered, by any person or entity that is or claims to be a current or former tenant or sub-tenant or occupant with a right to use or occupy the Leased Premises.

Section 9.3 Hazardous Materials Indemnification. In addition to any other indemnities provided by Lessee in this Lease, Lessee, from and after the Commencement Date, hereby agrees to indemnify, protect, hold harmless and defend (by counsel reasonably

satisfactory to Lessor) Lessor, its councilmembers, officials, officers and employees from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including, but not limited to, attorney's fees and expenses), arising directly or indirectly, in whole or in part, out of (i) any activity by Lessee, its affiliates or its agents or contractors carried on or undertaken on or off the Leased Premises on or subsequent to the Commencement Date in connection with the handling, treatment, removal, storage, decontamination, cleanup, transport or disposal of any Hazardous Materials located or present on or under the Leased Premises; or (ii) the failure of Lessee subsequent to the Commencement Date to comply with any Environmental Laws relating to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation, or disposal of Hazardous Materials into, on, under or from the Leased Premises.

ARTICLE 10.
EMINENT DOMAIN

Section 10.1 Termination of Lease. Lessor and Lessee agree that, in the event of a Taking such that Lessee reasonably determines that the Leased Premises cannot continue to be operated, at reasonable cost, for its then-current use, then, subject to the rights of Lenders, this Lease shall, at Lessee's sole option, terminate as of the date of the Taking.

Section 10.2 Continuation of Lease and Presumption of Restoration. Lessor and Lessee agree that, in the event of Taking that does not result in the termination of this Lease pursuant to Section 10.1 above, this Lease shall continue in effect as to the remainder of the Leased Premises, and the Net Condemnation Award will be disbursed in accordance with Section 10.4 below to Lessee and/or any Lender, if the terms of the applicable Leasehold Mortgage so require, and shall be used so as to make the same as complete, unified and efficient operating unit as nearly as reasonably possible to the condition existing prior to the Taking, subject to any applicable requirements of the Lender.

Section 10.3 Temporary Taking. If there shall be a temporary Taking with respect to all or any part of the Leased Premises or of Lessee's interest in this Lease, then the Term shall not be reduced and Lessee shall continue to pay in full all Rents, Impositions and other charges required herein, without reduction or abatement thereof at the times herein specified; provided, however, that Lessee shall not be required to perform such obligations that Lessee is prevented from performing by reason of such temporary Taking.

Section 10.4 Apportionment of Award. If there is a Taking, whether whole or partial, Lessor and Lessee shall be entitled to receive and retain such separate awards and portions of lump sum awards as may be allocated to their respective interests in any condemnation proceedings, or as may be otherwise agreed, taking into consideration the fact that Lessor's interest in the Leased Premises is limited to the land (exclusive of the Improvements, as encumbered by this Lease), and a reversionary interest in the Leased Premises upon the expiration of the Term. If the Leased Premises shall be restored as in contemplated in Section 10.2 above, Lessee shall be entitled to recover the costs and expenses incurred in such restoration out of any Net Condemnation Award. Thereafter, if the condemning authority does not make

separate awards, the Parties agree that any Net Condemnation Award will be allocated on a proportionate basis. If the Parties are unable to agree as to the exact amount of such allocation, and the Parties are unable to agree as to amounts that are to be allocated to the respective interest of each Party, then each Party shall select an independent M.A.I. real estate appraiser (an "Appraiser"). Each Appraiser shall separately determine the amount of the balance of the Net Condemnation Award that is to be allocated to the interests of each Party. If the percentage of the balance of the Net Condemnation Award each Appraiser allocates to Lessor (a) are within ten percent (10%) of each other, the two allocations shall be averaged, and such average shall be the final allocation of the Net Condemnation Award, or (b) are not within ten percent (10%) of each other, the two Appraisers shall then select a third Appraiser, who shall independently allocate the Net Condemnation Award between Lessor and Lessee, and the middle of such three allocations shall be the final allocation of the Net Condemnation Award.

Section 10.5 Joinder. If a Leasehold Mortgage exists, the Lenders, to the extent permitted by law, shall be made a party to any Taking proceeding.

Section 10.6 City Reservation of Rights. Notwithstanding any provisions in this Lease to the contrary, nothing herein does or shall be construed to limit or require the City to exercise its ability to condemn any property, including the Leased Premises, in accordance with applicable law. Nothing in this Lease does or shall be construed as requiring the City to pay to Lessee, any Lender, or any other third party with an interest in the Leased Premises, any amount of money, as compensation for alleged condemnation or otherwise, if City (or its successor) seeks to enforce any of the rights and obligations under this Lease and the AHLDLDA and any executed attachments thereto. Except when City exercises its ability to condemn the Leased Premises by adoption of a resolution of necessity and pursuant to other provisions of applicable law, City shall not be a construed as pursuing or effectuating a Taking or acting as a "condemning authority" under this Lease.

ARTICLE 11.
DAMAGE OR DESTRUCTION

Section 11.1 Damage or Destruction to Leased Premises. Lessee shall give prompt written notice to Lessor after the occurrence of any fire, earthquake, act of God or other casualty to or in connection with the Leased Premises, the Improvements or any portion thereof (hereinafter sometimes referred to as "Casualty"). Subject to Section 11.2 below, if during the Term the Improvements shall be damaged or destroyed by Casualty, Lessee shall repair or restore the Improvements, so long as Lessee determines, in its sole discretion, that it is feasible to do so and in such event Lessee provides or causes to be provided sufficient additional funds which, when added to such insurance proceeds, will fully effect such repair or restoration. Upon the occurrence of any such Casualty, Lessee, promptly and with all due diligence, shall apply for and collect all applicable insurance proceeds recoverable with respect to such Casualty, for the benefit of the Lenders. In the event that Lessee shall determine, subject to the rights of the Lenders, by notice to Lessor given within thirty (30) days after receipt by Lessee of any such insurance proceeds, that it is not economically practical to restore the Improvements and/or the Leased Premises to substantially the same condition in which they existed prior to the occurrence of such Casualty, then Lessee may terminate this Lease as of a date that is not fewer than thirty

(30) days after the date of such notice. If Lessee terminates this Lease pursuant to this Section 11.1, Lessee shall surrender possession of the Leased Premises to Lessor immediately and assign to Lessor (or, if same has already been received by Lessee, pay to Lessor) all of its right, title and interest in and to the proceeds from Lessee's insurance upon the Leased Premises, subject to the prior rights of any Lender therein, as referenced in Section 11.3 below.

Section 11.2 Damage or Destruction Near End of Term. If, during the last seven (7) years of the Term, the Improvements shall be damaged by Casualty, then Lessee shall have the option, to be exercised within one hundred twenty (120) days after such Casualty:

(a) to repair or restore the Improvements as hereinabove provided in this Article 11; or

(b) subject to the rights of Lenders, to terminate this Lease by notice to Lessor, which termination shall be deemed to be effective as of the date of Casualty. If Lessee terminates this Lease pursuant to this Section 11.2, Lessee shall surrender possession of the Leased Premises to Lessor immediately and assign to Lessor (or, if same has already been received by Lessee, pay to Lessor) all of its right, title and interest in and to the proceeds from Lessee's insurance upon the Leased Premises, subject to the prior rights of any Lender therein, as referenced in Section 11.3 below.

Section 11.3 Distribution of Insurance Proceeds. In the event that this Lease is terminated pursuant to Sections 11.1 or 11.2 hereof, the insurance proceeds received as the result of such Casualty shall be distributed as follows: (a) first, if Leasehold Mortgage(s) are in place, to the Lenders to the extent of any indebtedness then owed to such Lender in order of the Lien priority of the Leasehold Mortgages; (b) second, the balance, if any, of such insurance proceeds shall be paid to Lessee or, as applicable pursuant to Sections 11.1 and 11.2 above, assigned or paid over to Lessor.

Section 11.4 Insurance Requirements. Nothing in this Article 11 does or shall be construed as permitting Lessee to maintain less than the minimum insurance requirements set forth in this Lease.

ARTICLE 12.
EVENTS OF DEFAULT

Section 12.1 Events of Default. Each of the following shall be an "Event of Default" by Lessee hereunder:

(a) failure by Lessee to pay any Rent when due or to pay or cause to be paid any Impositions, insurance premiums or other liquidated sums of money herein stipulated to be paid by Lessee, if such failure shall continue for a period of thirty (30) days after notice thereof has been given by Lessor to Lessee;

(b) failure by Lessee to perform or observe any of the provisions of this Lease (other than the provisions requiring the payment of Rents, Impositions, insurance premiums or

other liquidated sums of money) stipulated in this Lease to be observed and performed by Lessee, if such failure shall continue for a period of thirty (30) days after notice thereof has been given by Lessor to Lessee; provided, however, that if any such failure cannot reasonably be cured within such thirty (30) day period, then Lessor shall not have the right to terminate this Lease or Lessee's right to possession hereunder so long as Lessee promptly commences the curing of any such failure and thereafter proceeds in good faith and with due diligence to remedy and correct such failure within a reasonable period of time; provided, however, that such period shall not extend for more than one hundred twenty (120) days after the date of Lessor's notice to Lessee;

(c) the subjection of any right or interest of Lessee in this Lease to attachment, execution, or other levy, or to seizure under legal process, if not released within sixty (60) days; provided that the foreclosure of any Leasehold Mortgage shall not be construed as an Event of Default within the meaning of this subsection 12.1(c);

(d) the appointment of a receiver, not including receivership pursuant to any Leasehold Mortgage, to take possession of Lessee's Estate or of Lessee's operations on the Leased Premises for any reason, if such receivership is not terminated dismissed or vacated within ninety (90) days after the appointment of the receiver;

(e) the filing by Lessee of a petition for involuntary bankruptcy under the Bankruptcy Code of the United States or any similar law, state or Federal, now or hereafter in effect; if such petition is not dismissed within ninety (90) days of the date of filing;

(f) the filing against Lessee of any involuntary proceedings under such Bankruptcy Code or similar law, if such proceedings have not been vacated or stayed within ninety (90) days of filing;

(g) the appointment of a trustee or receiver for Lessee or for all or the major part of Lessee's property or the Leased Premises, in any involuntary proceeding, not including pursuant to any Leasehold Mortgage, or the taking of jurisdiction by any court over all or the major part of Lessee's property or the Leased Premises in any involuntary proceeding for the reorganization, dissolution, liquidation or winding up of Lessee, if such trustee or receiver shall not be discharged or such jurisdiction relinquished or vacated or stayed on appeal or otherwise stayed within ninety (90) days;

(h) a general assignment by Lessee for the benefit of creditors or Lessee's admittance in writing of its insolvency or inability to pay its debts generally as they become due or Lessee's consent to the appointment of a receiver or trustee or liquidator for Lessee, all or the major part of its property, or the Leased Premises; and

(i) if any of Lessee's representations or warranties is untrue or becomes untrue in any material respect, and if the failure of such representation or warranty is not cured within thirty (30) days after written notice of the default has been given by Lessor. If the default cannot reasonably be cured within thirty (30) days, Lessee shall not be in default of this Lease if Lessee commences to cure the default within such thirty-day period and diligently and in good

faith continues to cure the default until completion; provided, however, that such period shall not extend for more than one hundred twenty (120) days after the date of Lessor's notice to Lessee.

Section 12.2 Rights and Remedies

(a) At any time after the occurrence of an Event of Default hereunder, subject in all respects to the provisions of this Lease with respect to Lessor's rights to cure defaults by Lessee and with respect to the rights of any Lenders, Lessor may, in addition to any other rights and remedies available at law or in equity, terminate this Lease by giving Lessee written notice thereof (with a copy of such notice to the Lenders), setting forth in such notice an effective date for termination which is not less than thirty (30) days after the date of such notice, in which event this Lease and Lessee's Estate created hereby and all interest of Lessee and all parties claiming by, through or under Lessee shall automatically terminate upon the effective date for termination as set forth in such notice, with the same force and effect and to the same extent as if the effective date of such notice had been the date originally fixed in Article 2 hereof for the expiration of the Term. In such event, Lessor, its agents or representatives, shall have the right, without further demand or notice, to re-enter and take possession of the Leased Premises (including all buildings and other Improvements comprising any part thereof) at any time from and after the effective termination date without being deemed guilty of any manner of trespass and without prejudice to any remedies for arrears of Rent or existing breaches of covenants; provided that Lessor shall not be entitled to disturb possession of any Tenants or others in possession pursuant to Tenant Leases with Lessee so long as such Tenant or others are not in default thereunder and attorn to Lessor as their lessor.

(b) Upon the exercise of Lessor's remedies pursuant to this Section 12.2, Lessee shall execute such releases, deeds and other instruments in recordable form as Lessor shall reasonably request in order to accurately set forth of record the then current status of Lessee's Estate and Lessee's rights hereunder.

(c) Subject to Section 12.4 below, if Lessee shall have failed to cure a default by Lessee after expiration of the applicable time for cure of a particular default, Lessor, at its election, but without obligation therefor (i) may seek specific performance of any obligation of Lessee, after which Lessor shall retain, and may exercise and enforce, any and all rights that Lessor may have against Lessee as a result of such default, (ii) from time to time without releasing Lessee in whole or in part from the obligation to be performed by Lessee hereunder, may cure the default at Lessee's cost, (iii) may terminate this Lease, and/or (iv) may exercise any other remedy given hereunder or now or hereafter existing at law or in equity. Any reasonable cost incurred by Lessor in order to cure such a default by Lessee shall be due immediately from Lessee, together with interest, and may be offset against any amounts due from Lessor to Lessee.

Section 12.3 Default by Lessor.

(a) Events of Default. Lessor shall be in default of this Lease if it fails to perform any provision of this Lease that is obligated to perform or if any Lessor's representations or warranties is untrue or becomes untrue in any material respect, and if the failure to perform or the failure of such representation or warranty is not cured within thirty (30) days after written notice of the default has been given to Lessor. If the default cannot reasonably be cured within

thirty (30) days, Lessor shall not be in default of this Lease if Lessor commences to cure the default within such thirty-day period and diligently and in good faith continues to cure the default until completion.

(b) Right to Cure; Lessee's Remedies. Subject to Section 12.4 below, if Lessor shall have failed to cure a default by Lessor after expiration of the applicable time for cure of a particular default, Lessee, at its election, but without obligation therefor (i) may seek specific performance of any obligation of Lessor, after which Lessee shall retain, and may exercise and enforce, any and all rights that Lessee may have against Lessor as a result of such default, (ii) from time to time without releasing Lessor in whole or in part from the obligation to be performed by Lessor hereunder, may cure the default at Lessor's cost, (iii) may terminate this Lease, and/or (iv) may exercise any other remedy given hereunder or now or hereafter existing at law or in equity. Any reasonable cost incurred by Lessee in order to cure such a default by Lessor shall be due immediately from Lessor, together with interest, and may be offset against any amounts due from Lessee to Lessor.

Section 12.4 Notices. Notices given by Lessor under Section 12.1 or by Lessee under Section 12.3 shall specify the alleged default and the applicable Lease provisions, and shall demand that Lessee or Lessor, as applicable, perform the appropriate provisions of this Lease within the applicable period of time for cure. No such notice shall be deemed a forfeiture or termination of this Lease unless expressly set forth in such notice.

ARTICLE 13.
QUIET ENJOYMENT AND POSSESSION; INSPECTIONS

Section 13.1 Quiet Enjoyment. Lessor covenants and warrants that Lessee, upon payment of all sums herein provided and upon performance and observance of all its covenants herein contained, shall peaceably and quietly have, hold, occupy, use and enjoy, and shall have the full, exclusive and unrestricted use and enjoyment of, all of the Leased Premises during the Term, subject only to the provisions of this Lease and all applicable Legal Requirements.

Section 13.2 Lessor's Right of Inspection. Notwithstanding Section 13.1 above, Lessor, in person or through its agents, upon reasonable prior notice to Lessee, shall have the right, subject to the rights of Tenants, to enter upon the Leased Premises for purpose of reasonable inspections performed during reasonable business hours in order to assure compliance by Lessee with its obligations under this Lease.

ARTICLE 14.
VACATION OF LEASED PREMISES

Section 14.1 Vacation Upon Termination. Lessee covenants that upon any termination of this Lease, whether by lapse of time or because of any of the conditions or provisions contained herein, Lessee will peaceably and quietly yield and surrender possession of the Leased Premises to Lessor. The foregoing, however, will be subject to the rights of Tenants

or others in possession pursuant to Tenant Leases with Lessee, provided that such Tenants are not in default thereunder and attorn to Lessor as their lessor. An action of forcible detainer shall lie if Lessee holds over after a demand for possession is made by Lessor.

ARTICLE 15.
NON-MERGER

Section 15.1 Non-Merger. Except upon expiration of the Term or upon termination of this Lease pursuant to an express right of termination set forth herein, there shall be no merger of either this Lease or Lessee's Estate created hereunder with the fee estate of the Leased Premises or any part thereof by reason of the fact that the same person may acquire, own or hold, directly or indirectly, (a) this Lease, Lessee's Estate created hereunder or any interest in this Lease (including the Improvements), and (b) the fee estate in the Leased Premises or any part thereof or any interest in such fee estate (including the Improvements), unless and until the City and all persons, including any assignee of Lessor, having an interest in (i) this Lease or Lessee's Estate created hereunder, and (ii) the fee estate in the Leased Premises or any part thereof, shall join in a written instrument effecting such merger and shall duly record the same.

ARTICLE 16.
TRANSFERS

Section 16.1 Permitted Transfer by Lessee.

(a) Except as provided in this Article 16, Lessee shall have no right to Transfer any legal or beneficial interest in Lessee's Estate hereunder without Lessor's prior written consent, which shall not be unreasonably withheld, delayed or conditioned. Notwithstanding the foregoing, by its execution of this Lease, Lessor is deemed to have consented to the following ("Permitted Transfers")

(1) Permitted Encumbrances and Leasehold Mortgages;

(2) a conveyance in the Lessee's Estate resulting from the foreclosure of a Leasehold Mortgage (or an assignment, new lease or deed-in-lieu of such a foreclosure);

(3) the transfer of this Agreement, the Lessee's Estate or Lessee's interest in the Project by the Lessee to a to-be-formed limited partnership in which at least two members of the Lessee or their affiliates serve as general partners or form a new entity to serve as a general partner ("Partnership");

(4) any transfer of equity in the Lessee that does not change management or operational control of the Project other than to permit the admittance of an affiliate of Innovative Housing Opportunities, Inc. as the managing general partner of the Partnership;

(5) the lease of the residential units consistent with the Tax Credit Restrictive Covenant, the Density Bonus Agreement and the Regulatory Agreement;

(6) the transfer and sale of limited partnership interests in the Partnership;

(7) in the event that any general partner of the Partnership is removed by the limited partner of the Partnership for cause following default under the partnership agreement, the transfer of the general partner interest to an affiliate of the limited partner or a 501(c)(3) tax exempt nonprofit corporation selected by the limited partner and approved by Lessor, in its reasonable discretion, if the successor nonprofit corporation has the same or substantially similar experience, assets and access to capital and private funding as Developer did at the date of this Agreement;

(8) the transfer of the Project from the Partnership to one of the general partners the Lessee or an affiliate of the general partners the Lessee at the end of the tax credit compliance period for the Project; and

(9) any dilution of a General Partner's interest in the Partnership in accordance with the Partnership's limited partnership agreement, which limited partnership agreement is subject to approval by Lessor in its reasonable discretion.

(b) Upon the granting of any consent (deemed or otherwise) by Lessor with respect to a Transfer by Lessee, this Lease shall be binding upon and shall inure to the benefit of Lessor and Lessee and their respective heirs, successors, assigns, legal representatives, Lenders, Tenants and other transferees.

Section 16.2 Transfer by Lessor. Lessor may Transfer all or any portion of its interest in Lessor's Estate, without the prior written consent of Lessee and any Lender then in existence, provided such transfer does not cause a violation or breach of any Legal Requirement, and provided further that any successor to Lessor executes and delivers to Lessee a subordination, non-disturbance, and attornment agreement ("SNDA Agreement") that, among other terms and conditions mutually agreed upon by Lessor and Lessee, shall preserve Lessee's rights and obligations to the Leased Premises under this Lease, shall provide for Lessee's attornment to the new lessor, and shall maintain the priority and subordination of all instruments of record recorded against the Leased Premises as of the date immediately prior to such Transfer.

ARTICLE 17.
MISCELLANEOUS PROVISIONS

Section 17.1 Nonliability of Officials and Employees. No member, official, employee, or contractor of any Party shall be personally liable in the event of any default or breach by such Party or for any amount which may become due to other Parties or on any of such Party's obligations under the terms of this Lease.

Section 17.2 Enforced Delay; Extension of Times of Performance. Time is of the essence in the performance of each of the Parties' respective obligations set forth in this Lease. Except as expressly set forth in this Section 17.2, performance by any Party hereunder shall not be deemed to be in default and such Party shall be entitled to an extension of time to perform its obligations hereunder where delays in performance are due to causes beyond the control and without the fault of such Party, including as applicable: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation brought by third parties against one or more of the Parties that pertains to the Property; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplies that are not caused by any Party; acts of the other Parties; acts or the failure to act of any public or governmental agency or entity that are not caused by Lessee; or other causes beyond the reasonable control of the Party. Notwithstanding the foregoing, Lessee's inability to secure satisfactory financing, interest rates, and market and economic conditions shall not entitle Lessee to an extension of time to perform. An extension of time for any cause permitted under this Section 17.2 shall be limited to the period of the enforced delay, which period shall commence to run from the time of the commencement of the cause, if notice by the Party claiming such extension is sent to the other Party within thirty (30) days of knowledge of the commencement of the cause. If no written notice is sent within thirty (30) days, for purposes of measuring the extension period for performance of the obligation in question, the period of the enforced delay shall commence to run from the date written notice is sent to the other Party. Times of performance under this Lease may be extended by mutual written agreement of the Parties.

Section 17.3 Interpretation. The terms of this Lease shall be construed in accordance with the meaning of the language used and shall not be construed for or against any Party by reason of the authorship of this Lease or any other rule of construction which might otherwise apply. The Section headings are for purposes of convenience only, and shall not be construed to limit or extend the meaning of this Lease.

Section 17.4 Entire Agreement; Modifications. This Lease supersedes all prior discussions and agreements between the Parties with respect to the leasing of the Leased Premises. This Lease and the AHLDLDA and executed attachments thereto contain the sole and entire understanding between the parties with respect to the leasing of the Leased Premises pursuant to this Lease, and all promises, inducements, offers, solicitations, agreements, representations and warranties heretofore made between the Parties, if any, are merged into this Lease. This Lease shall not be modified or amended in any respect, except by written instrument specifically referencing such modification or amendment which is executed by or on behalf of the Parties in the same manner as this Lease is executed and to which each Lender has consented in writing.

Section 17.5 Governing Law. This Lease, and the rights and obligations of the Parties hereunder, shall be governed by and construed in accordance with the substantive laws of the State of California without regard to conflict of law principles.

Section 17.6 Binding Effect. This Lease shall inure to the benefit of and be binding upon the Parties hereto, their successors, administrators, executors and permitted assigns.

Section 17.7 Severability. In the event any provision or portion of this Lease is held by any court of competent jurisdiction to be invalid or unenforceable, such holdings shall not affect the remainder hereof, and the remaining provisions shall continue in full force and effect to the same extent as would have been the case had such invalid or unenforceable provision or portion never been a part hereof, except to the extent the rights and obligations of the parties have been materially altered by such unenforceability.

Section 17.8 Further Assurances. From and after the date of this Lease, Lessor and Lessee, at the request of the other Party, shall make, execute and deliver or obtain and deliver all such affidavits, deeds, certificates, resolutions and other instruments and documents, and shall do or cause to be done all such other things that either Party may reasonably require in order to effectuate the provisions and the intention of this Lease.

Section 17.9 Authority to Execute Agreement. The persons executing this Lease on behalf of each Party represents and warrants to the other Party that by proper action such persons have been duly authorized to execute and deliver this Agreement.

Section 17.10 Lease Administration and Approvals. The Executive Director of Lessor shall be the person designated by Lessor to administer this Lease on behalf of Lessor. The Lessor's Executive Director shall have the authority to consent to any matter requiring Lessor approval or consent as provided in this Agreement, and to perform and carry out any activities concerning this Agreement, including but not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of Lessor as specified herein.

Section 17.11 Captions. All captions, headings, paragraphs, subparagraphs, letters and other reference captions are solely for the purpose of facilitating convenient reference to this Lease, shall not supplement, limit or otherwise vary the text of this Lease in any respect, and shall be wholly disregarded when interpreting the meaning of any terms or provisions hereof. All references to particular articles, sections, subsections, paragraphs and subparagraphs by number refer to the text of such items as so numbered in this Lease.

Section 17.12 Gender. Words of any gender used in this Lease shall be held and construed to include any other gender, and words of a singular number shall be held to include the plural, and vice-versa, unless the context requires otherwise.

Section 17.13 Exhibits. Each and every exhibit referred to or otherwise mentioned in this Lease is attached to this Lease and is and shall be construed to be made a part of this Lease by such reference or other mention at each point at which such reference or other mention occurs, in the same manner and with the same effect as if each exhibit were set forth in full at length every time it is referred to and otherwise mentioned.

Section 17.14 References. All references to paragraphs or subparagraphs shall be deemed to refer to the appropriate paragraph or subparagraph of this Lease. Unless otherwise specified in this Lease, the terms "herein," "hereof," "hereinafter," "hereunder" and other terms of like similar import, shall be deemed to refer to this Lease as a whole, and not to any particular paragraph or subparagraph hereof.

Section 17.15 Cumulative. Except as expressly limited by the terms of this Lease, all rights, powers and privileges conferred hereunder shall be cumulative and not restrictive of those provided at law or in equity.

Section 17.16 Notices. All notices, requests, demands, or other communications required or permitted to be given hereunder shall be in writing and shall be addressed and delivered by certified mail, return receipt requested; by reputable commercial delivery service; or by hand delivery by a reputable courier, to each Party at the addresses set forth below. Any such notice, request, demand or other communication shall be considered given or delivered, as the case may be, on the date shown on the delivery receipt as the date of delivery, the date delivery was refused or the date the item was returned as undeliverable. By giving prior written notice thereof, any Party, from time to time, may change its address for notices under this Lease.

FORM OF CITY NOTE

(Attached on Following Page)

PROMISSORY NOTE SECURED BY LEASEHOLD DEED OF TRUST

$1,533,775 March 27, 2015

FOR VALUE RECEIVED, the undersigned, 17275 Derian LLC, a California limited liability company ("Borrower"), promises to pay to the CITY OF IRVINE, a California charter city and municipal corporation ("City"), the sum of One Million Five Hundred Thirty Three Thousand Seven Hundred Seventy-Five Dollars ($1,533,775), or so much thereof as may be disbursed hereunder ("Note Amount"), and (b) all costs and expenses payable hereunder, in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts, all subject to the terms, conditions, and provisions set forth in this Promissory Note Secured by Leasehold Deed of Trust ("Note").

Reference is made to the following documents (collectively, together with this Note, "Loan Documents"):

(i) The Affordable Housing, Land Disposition, Loan and Development Agreement, with all Attachments thereto, by and between City and 17275 Derian, LLC, a California limited liability company (and thereafter assigned to Borrower) dated as of February 10, 2015, as may be amended from time to time ("AHLDLDA"), pursuant to which (i) City agreed that its assign would ground lease to Borrower that certain unimproved real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached as Attachment No. 1 to the AHLDLDA ("Property"), and Borrower agreed to develop and operate thereon an affordable residential rental community ("Project"), and (ii) City agreed to provide financial assistance to Borrower in the cumulative amount of One Million Five Hundred Thirty Three Thousand Seven Hundred Seventy-Five Dollars ($1,533,775), ("City Loan Amount"). The source of funds for the City loan to Borrower is a payment made by Lennar Central Park, LLC to the City pursuant to the City's Inclusionary Housing Ordinance as set forth in Chapter 2-3 of the City Municipal Code and the AHLDLDA in connection with the Central Park West development. Capitalized terms used herein and not otherwise defined shall have the same meaning as set forth in the AHLDLDA.

(ii) The Regulatory Agreement and Declaration of Covenants and Restrictions (City Loan) by and between Borrower and City dated on or about the date hereof and recorded against the Property in the Official Records of Orange County, California, as may be amended from time to time ("Loan Regulatory Agreement")

(iii) The Leasehold Deed of Trust with Assignment of Rents ("Leasehold Deed of Trust") executed by Borrower for the benefit of City securing the City Loan, and

recorded in the Official Records of Orange County, California, as more particularly set forth in the Loan Agreement.

1. **Loan Documents.** The rights and obligations of Borrower and City under this Note shall be governed by the Loan Documents, and by the additional terms set forth in this Note. In the event of any inconsistencies between the terms of this Note and the terms of any of the Loan Documents or any other document related to the Note Amount, the terms of this Note shall prevail. A default under any of the provisions of any of the Loan Documents that has not been cured after notice and the expiration of any applicable cure period shall, after the expiration of any cure period under the respective agreement or document, be a default under this Note (a "Default"), and a Default under this Note, after notice and expiration of a thirty (30) day cure period, shall be a default under the Loan Documents.

2. **Interest.** The outstanding Note Amount shall bear simple interest at the rate of one-quarter percent (0.25%) per annum from the date of disbursement until paid.

3. **Repayment of Note Amount.** The Note Amount shall be paid by Borrower no later than the fifty-fifth (55th) anniversary of the date of this Note.

4. **Security.** Borrower's payment obligations under this Note shall, at all times during which any amount remains outstanding hereunder, be secured by the Leasehold Deed of Trust. The Leasehold Deed of Trust shall be subordinated to construction and permanent loans necessary of the Project pursuant to written subordination agreements in a form reasonably approved by City counsel. Upon execution of the same, the terms of the Leasehold Deed of Trust are incorporated herein and made a part hereof to the same extent and with the same force and effect as if fully set forth herein.

5. **Maturity.** This Note shall be due and payable on the fifty-fifth (55th) anniversary of the date of this Note.

6. **Application of Payments.** All payments shall be applied (i) first, to costs and fees owing under this Note, (ii) second, to the payment of interest owing under this Note, if any, and (iii) third, to the payment of principal.

7. **Waivers.**

(a) Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time at City's sole discretion and that City may accept security in consideration for any such extension or release any security for this Note at its sole discretion all without in any way affecting the liability of Borrower.

(b) No extension of time for payment of this Note made by agreement by City with any person now or hereafter liable for the payment of this Note shall operate to release, discharge, modify, change or affect the original liability of Borrower under this Note, either in whole or in part.

(c) The obligations of Borrower under this Note shall be absolute and Borrower waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reasons whatsoever.

(d) Borrower waives presentment, demand, notice of protest and nonpayment, notice of default or delinquency, notice of acceleration, notice of costs, expenses or leases or interest thereon, notice of dishonor, diligence in collection or in proceeding against any of the rights or interests in or to properties securing this Note, and the benefit of any exemption under any homestead exemption laws, if applicable.

(e) No previous waiver and no failure or delay by City in acting with respect to the terms of this Note or the Leasehold Deed of Trust shall constitute a waiver of any breach, default, or failure or condition under this Note, the Leasehold Deed of Trust or the obligations secured thereby. A waiver of any term of this Note, the Leasehold Deed of Trust or of any of the obligations secured thereby must be made in writing and shall be limited to the express written terms of such waiver.

8. **Attorneys' Fees and Costs**. Borrower agrees that if any amounts due under this Note are not paid when due, Borrower will pay all costs and expenses of collection and reasonable attorneys' fees paid or incurred in connection with the collection or enforcement of this Note, whether or not suit is filed.

9. **Joint and Several Obligation**. This Note is the joint and several obligation of all makers, sureties, guarantors and endorsers, and shall be binding upon them and their heirs, successors and assigns.

10. **Amendments and Modifications**. This Note may not be changed orally, but only by an amendment approved by City and evidenced in a writing signed by Borrower and by City.

11. **City May Assign**. City may, at its option, assign its right to receive payment under this Note without necessity of obtaining the consent of the Borrower.

12. **Borrower Assignment Prohibited**. In no event shall Borrower assign or transfer any portion of this Note without the prior express written consent of City, which consent shall not unreasonably be withheld, except pursuant to a transfer that is authorized under the AHLDLDA.

13. **Acceleration and Other Remedies**. Upon the occurrence of a Default, City may, at City's option, declare the outstanding principal amount of this Note, together with the then accrued and unpaid interest thereon and other charges hereunder, and all other sums secured by the Leasehold Deed of Trust, to be due and payable immediately, and upon such declaration, such principal and interest and other sums shall immediately become and be due and payable, without demand or notice, all as further set forth in the Leasehold Deed of Trust. All costs of collection, including, but not limited to, reasonable attorneys' fees and all expenses incurred in connection with protection of, or realization on, the security for this Note, may be added to the principal hereunder, and shall accrue interest as provided herein. City shall at all times have the right to proceed against any portion of the security for this Note in such order and in such

manner as City may consider appropriate, without waiving any rights with respect to any of the security. Any delay or omission on the part of City in exercising any right hereunder, under the AHLDLDA or under the Leasehold Deed of Trust shall not operate as a waiver of such right, or of any other right. No single or partial exercise of any right or remedy hereunder or under the AHLDLDA or any other document or agreement shall preclude other or further exercises thereof, or the exercise of any other right or remedy. The acceptance of payment of any sum payable hereunder, or part thereof, after the due date of such payment shall not be a waiver of City's right to either require prompt payment when due of all other sums payable hereunder or to declare a Default for failure to make prompt or complete payment.

14. Alternate Rate. Upon the occurrence of any Default, or upon the maturity hereof (by acceleration or otherwise), the entire unpaid principal sum, at the option of City, shall bear interest, from the date of occurrence of such Default or maturity and after judgment and until collection, at "Alternate Rate", such rate being the highest interest rate then permitted by law. Interest calculated at the Alternate Rate, when and if applicable, shall be due and payable immediately without notice or demand. Borrower agrees that in the event of any Default, City will incur additional expense in servicing the loan evidenced by this Note and will suffer damage and loss resulting from such Default. Borrower agrees that in such event City shall be entitled to damages for the detriment caused thereby, which damages are extremely difficult and impractical to ascertain. Therefore, Borrower agrees that the Alternate Rate (as applied to the unpaid principal balance, accrued interest, fees, costs and expenses incurred) is a reasonable estimate of such damages to City, and Borrower agrees to pay such sum on demand.

15. Consents. Borrower hereby consents to: (a) any extension (whether one or more) of the time of payment under this Note, (b) the release or surrender or exchange or substitution of all or any part of the security, whether real or personal, or direct or indirect, for the payment hereof, (c) the granting of any other indulgences to Borrower, and (d) the taking or releasing of other or additional parties primarily or contingently liable hereunder. Any such extension, release, surrender, exchange or substitution may be made without notice to Borrower or to any endorser, guarantor or surety hereof, and without affecting the liability of said parties hereunder.

16. Interest Rate Limitation. City and Borrower stipulate and agree that none of the terms and provisions contained herein or in any of the loan instruments shall ever be construed to create a contract for the use, forbearance or detention of money requiring payment of interest at a rate in excess of the maximum interest rate permitted to be charged by the laws of the State of California. In such event, if any holder of this Note shall collect monies which are deemed to constitute interest which would otherwise increase the effective interest rate on this Note to a rate in excess of the maximum rate permitted to be charged by the laws of the State of California, all such sums deemed to constitute interest in excess of such maximum rate shall, at the option of such holder, be credited to the payment of the sums due hereunder or returned to Borrower.

17. Successors and Assigns. Whenever "City" is referred to in this Note, such reference shall be deemed to include the City and its successors and assigns, including, without limitation, any successor to its rights, powers, and responsibilities, and any subsequent assignee or holder of this Note. All covenants, provisions and agreements by or on behalf of Borrower,

and on behalf of any makers, endorsers, guarantors and sureties hereof which are contained herein shall inure to the benefit of City and City's successors and assigns.

18. Miscellaneous. Time is of the essence hereof. This Note shall be governed by and construed under the laws of the State of California except to the extent Federal laws preempt the laws of the State of California. Borrower irrevocably and unconditionally submits to the jurisdiction of the Superior Court of the State of California for the County of Orange or the United States District Court of the Central District of California, as City may deem appropriate, in connection with any legal action or proceeding arising out of or relating to this Note. Borrower also waives any objection regarding personal or in rem jurisdiction or venue.

19. Non-Recourse Obligation. Borrower and its partners shall not be personally liable for the payment of this Note or for the payment of any deficiency established after judicial foreclosure or trustee's sale; provided, however, that the foregoing shall not in any way affect any rights City may have (as a secured party or otherwise) hereunder or under the AHLDLDA or the Leasehold Deed of Trust to recover directly from Borrower any amounts, or any funds, damages or costs (including without limitation reasonable attorneys' fees and costs) incurred by City as a result of fraud, intentional misrepresentation or bad faith, waste, and any costs and expenses incurred by City in connection therewith (including without limitation reasonable attorneys' fees and costs).

20. Late Payment. If any payment due under this Note is not received by City within thirty (30) calendar days after payment is due, Borrower shall pay to City a late charge of five percent (5%) of such payment, such late charge to be immediately due and payable without demand by City.

DO NOT RECORD

The following is a copy of Subdivisions A and B of the fictitious Deed of Trust recorded in each county in California as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

A To protect the security of this Deed of Trust, Trustor agrees:

1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in a good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at the option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

4) To pay, at least ten (10) days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock, when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and in exercising any such powers, pay necessary expenses, employ counsel and pay his or her reasonable fees.

5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from the date of expenditure at the amount allowed by law in effect at the date hereof, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B It is mutually agreed:

1) That any award in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

3) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon, or join in any extension agreement or any agreement subordinating the lien or charge hereof.

4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The Grantee in such reconveyance may be described as "the person or persons legally entitled thereto".

5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in the performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default (beyond any applicable cure period), and during the continuance of such default, Beneficiary may at any time without notice, either in person, by agent, or be a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in its own

name sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collecting of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6) That upon default by Trustor in payment of any indebtedness secured hereby or in the performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

8) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

DO NOT RECORD REQUEST FOR FULL RECONVEYANCE

RIDER TO DEED OF TRUST WITH ASSIGNMENT OF RENTS

This RIDER TO DEED OF TRUST WITH ASSIGNMENT OF RENTS ("Rider") is executed as of this 27th day of March, 2015 by 17275 Derian LLC, a California limited liability company, herein "Trustor," in favor of the CITY OF IRVINE, a California charter city and municipal corporation, herein "Beneficiary," the same parties to that certain form Deed of Trust With Assignment of Rents (City Loan), of even date hereto, to which this Rider is attached. This Rider is made a part of and is incorporated into said Deed of Trust. This Rider shall supersede any conflicting term or provision of the form Deed of Trust to which it is attached.

Reference is made to all of the following (collectively, together with this Deed of Trust, "Loan Documents"):

(i) that certain Promissory Note executed by Trustor on or about the date set forth above, the repayment of which by Trustor is secured by this Deed of Trust ("City Note");

(ii) that certain Affordable Housing, Land Disposition, Loan and Development Agreement between Trustor, Lennar Central Park, LLC, a Delaware limited liability company and Beneficiary dated for identification purposes only as February 10, 2015 ("AHLDLDA"); and

(iii) that certain Affordable Housing Regulatory Agreement, by and between Trustor and Beneficiary, for the benefit of Beneficiary, and recorded in the Official Records of the County of Orange ("Official Records").

The parties hereto agree:

1. Property. The estate subject to this Deed of Trust is Trustor's leasehold estate in the real property legally described in the foregoing Deed of Trust to which this Rider is attached ("Property").

2. Obligations Secured. Trustor makes this grant and assignment for the purpose of securing the following obligations ("Secured Obligations"):

a. Payment to Beneficiary of all indebtedness at any time owing under the terms of the City Note;

b. Payment and performance of all obligations of Trustor under this Deed of Trust;

c. Payment and performance of all future advances and other obligations of Trustor or any other person, firm, or entity with the approval of Trustor, may agree to pay and/or perform (whether as principal, surety or guarantor) for the benefit of Beneficiary, when the obligation is evidenced by a writing which recites that it is secured by this Deed of Trust; and

d. All modifications, extensions and renewals of any of the obligations secured hereby, however evidenced.

3. Obligations. The term "obligations" is used herein in its broadest and most comprehensive sense and shall be deemed to include, without limitation, all interest and charges, prepayment charges, late charges and fees at any time accruing or assessed on any of the Secured Obligations.

4. Incorporation. All terms of the Loan Documents and the Secured Obligations are incorporated herein by this reference. All persons who may have or acquire an interest in the Property shall be deemed to have notice of the terms of all of the foregoing documents.

5 Mortgagee-in-Possession. Neither the assignment of rents set forth in the Deed of Trust nor the exercise by Beneficiary of any of its rights or remedies hereunder shall be deemed to make Beneficiary a "mortgagee-in-possession" or otherwise liable in any manner with respect to the Property, unless Beneficiary, in person or by agent, assumes actual possession thereof. Nor shall appointment of a receiver for the Property by any court at the request of Beneficiary or by agreement with Trustor, or the entering into possession of the Property by such receiver, be deemed to make Beneficiary a "mortgagee-in-possession" or otherwise liable in any manner with respect to the Property.

6. No Cure. In the event Beneficiary collects and receives any rents under the Deed of Trust upon any default hereof, such collection or receipt shall in no way constitute a curing of the default, except if and to the extent the same are sufficient to cure all monetary defaults and no other defaults then exist.

7. Possession Upon Default. Upon the occurrence of and during the continuation of a default, Beneficiary, after having given notice and the applicable cure periods having expired with the default having not been cured (hereinafter, a "default"), may, at its option, without any action on its part being required and without in any way waiving such default, take possession of the Property in accordance with applicable law and have, hold, manage, lease and operate the same, on such terms and for such period of time as Beneficiary may deem proper, and may collect and receive all rents and profits, with full power to make, from time to time, all commercially reasonable alterations, renovations, repairs or replacements thereto as may seem proper to Beneficiary, and to apply such rents and profits to the payment of (a) the cost of all such alterations, renovations, repairs and replacements, and all costs and expenses incident to taking and retaining possession of the Property, and the management and operation thereof, and keeping the same properly insured; (b) all taxes, charges, claims, assessments, and any other liens which may be prior in lien or payment of the City Note, and premiums for insurance, with interest on all such items; and (c) the indebtedness secured hereby, together with all costs and attorney's fees, in such order or priority as to any of such items as Beneficiary in its sole discretion may determine, any statute, law, custom or use to the contrary notwithstanding. Any amounts received by Beneficiary or its agents in the performance of any acts prohibited by the terms of this assignment, including, but not limited to, any amounts received in connection with any cancellation, modification or amendment of any lease prohibited by the terms of this assignment and any rents and profits received by Trustor after the occurrence of a default shall be held by Trustor as trustee for Beneficiary and all such amounts shall be accounted for to

Beneficiary and shall not be commingled with other funds of the Trustor. Any person receiving any portion of such trust funds shall receive the same in trust for Beneficiary as if such person had actual or constructive notice that such funds were impressed with a trust in accordance therewith.

8. Receiver. In addition to any and all other remedies of Beneficiary set forth under this Deed of Trust or permitted at law or in equity, if a default shall have occurred and not have been cured within any applicable cure period, Beneficiary, to the extent permitted by law and without regard to the value, adequacy or occupancy of the security for the City Note and other sums secured hereby, shall be entitled as a matter of right if it so elects to the appointment of a receiver to enter upon and take possession of the Property and to collect all rents and profits and apply the same as the court may direct, and such receiver may be appointed by any court of competent jurisdiction by ex parte application and without notice, notice of hearing being hereby expressly waived. The expenses, including receiver's fees, attorneys' fees, costs and agent's compensation, incurred pursuant to the power herein contained shall be secured by this Deed of Trust.

9 Notice to Beneficiary. Notices to Beneficiary shall be sent to Beneficiary addressed to:

City of Irvine
P.O. Box 19575
Irvine, California 92623-9575
Attention: City Manager

10. Limited Partner Cure Rights. Notwithstanding anything to the contrary set forth herein, Beneficiary shall not exercise any right hereunder without providing the limited partner of Trustor with not less than thirty (30) days prior written notice and right to cure any default giving rise to the exercise of said remedy. Beneficiary agrees that any cure tendered by the limited partner of Trustor shall be accepted or rejected on the same terms and conditions as if tendered directly by Trustor.

11 Subordination Acknowledgement. Beneficiary hereby acknowledges that the loan secured by this Deed of Trust is also subordinate to the extended use agreement required to be executed by Borrower pursuant to Section 42(h)(6)(B) of the Internal Revenue Code, for purposes of the low-income housing tax credits to be allocated to Trustor. In addition, Beneficiary hereby acknowledges that the loan secured by this Deed of Trust is further subordinate to Section 42(h)(6)(e)(ii) of the Internal Revenue Code, which prohibits the eviction or termination of a tenancy, other than for good cause, of an existing tenant of any low-income housing tax credit unit or any increase in the gross rent with respect to such unit, not otherwise permitted under Section 42, for a period of three (3) years after the date the Property is acquired by Beneficiary through foreclosure or instrument in lieu of foreclosure.

IN WITNESS WHEREOF, Trustor and the Beneficiary have executed this Rider on the date of Trustor's acknowledgment herein below, to be effective for all purposes as of the day and year first set forth above.

C. City agreed to loan to Owner the amount One Million Five Hundred Thirty Three Thousand Seven Hundred Seventy-Five Dollars ($1,533,775) ("City Loan") pursuant to the terms and conditions of that certain Affordable Housing Land Disposition, Loan and Development Agreement ("Loan Agreement"), dated as of February 10, 2015, to assist Owner with the predevelopment, development, construction costs for the Project.

D. The source of the funds for the City Loan is a donation of funds received by the City from Lennar Central Park, LLC, a Delaware limited liability company, in partial satisfaction of its inclusionary housing obligations related to the Central Park West development pursuant to Chapter 2-3 of the City Municipal Code and the approved Affordable Housing Plan for the Central Park West development.

E. City and Owner desire to enter into this Agreement to place certain covenants and restrictions on Owner's development, use and operation of the Property, including the imposition of affordability covenants requiring that the Units in the Project be rented to households of certain income levels at affordable rent.

F. It is the intent of City and Owner that Owner's leasehold interest in the Property shall be subject to this Regulatory Agreement and that the terms hereof shall be binding on Owner and its successors in interest in the Property for so long as this Regulatory Agreement shall remain in effect.

AGREEMENT

Based upon the foregoing Recitals, which are hereby incorporate by this reference, and for good and valuable consideration, the receipt and sufficiency of which is acknowledged, the Parties hereby agree as follows:

1. **Definitions.** The following terms shall have the meanings in this Agreement given below unless expressly provided to the contrary:

"40% Income" shall mean an income that does not exceed the limit for 40% income level, for actual household size, as published by CTCAC annually. If CTCAC no longer publishes this information, the Developer shall calculate this limit based on the same methodology most recently used by CTCAC.

"Assumed Household Size" shall mean an assumed household size based on 1.5 persons per bedroom, regardless of the actual family size of the household, as may be revised from time to time by CTCAC in administering the low income housing tax credit programs. If CTCAC no longer publishes this information, the Developer shall use the meaning most recently used by CTCAC.

"Affordable Rent" means the maximum monthly rent that may be paid by an Extremely Low Income Tenant, 40% Income Tenant or a Very Low Income Tenant for the Affordable Units during the Affordability Term, for Assumed Household Size, as published annually by CTCAC for the designated income level in administering the low income housing tax credit programs. If CTCAC no longer publishes this rent information, the Developer shall calculate the rent limits based on the same methodology most recently used by CTCAC.

"Affordable Unit" means individually and "Affordable Units" means collectively the seventy-nine (79) Units within the Project to be rented by Owner to an Eligible Tenant at Affordable Rent during the Affordability Term or Extension Rent during the Extension Term in accordance with this Agreement

"Affordability Term" shall have the meaning ascribed in Section 3 of this Agreement.

"Affordable Unit Mix" shall mean the household income levels permitted for the Units through the Affordability Term, as follows:

Size of Unit	Extremely Low Income	40% Income	Very Low Income	Manager's Unit	Total Units
1 Bedroom	3	5	17	0	25
2 Bedroom	3	6	17	0	26
3 Bedroom	3	5	20	1	29
Total	9	16	54	1	80

"Agreement" shall mean this Regulatory Agreement and Declaration of Covenants and Restrictions (City Loan) by and between City and Owner.

"City" shall mean the City of Irvine, a municipal corporation, organized under the laws of the State of California and having its offices at One Civic Center Plaza, Irvine, CA 92623-9575.

"City Loan" shall mean the loan to be provided by City to Owner in the amount not to exceed the sum of One Million Five Hundred Thirty Three Thousand Seven Hundred Seventy-Five Dollars ($1,533,775) for predevelopment, development and construction costs attributable to the Units.

"City Manager" shall mean the City Manager of City or his or her designee.

"CPI Adjustment" means the percentage increase in the cost of living index, as measured by the Consumer Price Index for all urban consumers, Los Angeles-Anaheim-Orange statistical area, all items (1982-84 = 100) published by the United States Department of Labor, Bureau of Labor Statistics ("CPI") between the CPI figure in effect as of the date a certificate of occupancy has been issued for each building in the Project (or alternatively, all building permits issued for the Project have obtained final inspection approval (as noted in each building permit card)) and the CPI figure in effect as of the date on which an adjustment is made. If such index is discontinued or revised, such other index with which such index is replaced (or if not replaced, another index which reasonably reflects and monitors consumer prices) shall be used in order to obtain substantially the same results as would have been obtained if the discontinued index had not been discontinued or revised. If the CPI is changed so that the base year is other than 1982-84, the CPI shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics.

"CTCAC" shall mean the California Tax Credit Allocation Committee, or successor agency.

"Deed of Trust" shall mean the Leasehold Deed of Trust with Assignment of Rents (City Loan) executed by Owner that secures Owner's repayment of the City Loan.

"Eligible Tenant" shall mean a tenant of one of the Affordable Units within the Project whose household income as of the commencement date of his or her occupancy does not exceed the applicable limits permitted to meet the Affordability Unit Mix during the Affordability Term or the Extension Mix during the Extension Term as required under this Agreement.

"Extension Term" shall have the meaning ascribed in Section 3 of this Agreement

"Extension Mix" shall mean the household income levels permitted for the Units during the Extension Term, as follows:

Size of Unit	Low Income	Manager's Unit	Total Units
1 Bedroom	25	0	25
2 Bedroom	26	0	26
3 Bedroom	28	1	29
Total	79	1	**80**

"Extension Rent" means the maximum monthly rent that may paid by a Low Income Tenant for the Affordable Units during the Extension Term, for Assumed Household Size, which shall be the average of the rents for the 60% income and the 100% income levels for Assumed Household Size published by CTCAC annually in administering the low income housing tax credit programs. If CTCAC no longer publishes this rent information, the Developer shall calculate the rent limits based on the same methodology most recently used by CTCAC.

"Extremely Low Income" shall mean an income that does not exceed the limit for 30% of income level, for actual household size, as published by the CTCAC annually. If CTCAC no longer publishes this limit, the Developer shall calculate this limit based on the same methodology most recently used by CTCAC.

"Ground Lease" shall mean the Ground Lease between Owner, as lessee, and City, as lessor, for the ground lease of the Property to Owner.

"LCP" shall mean Lennar Central Park, LLC, a Delaware limited liability company.

"Loan Agreement" shall mean the certain Affordable Housing Land Disposition, Loan and Development Agreement among LCP, City and Owner, referenced in Recital C of this Agreement, including all exhibits and other documents attached thereto, as may be amended from time to time.

"Low Income" shall mean an income that does not exceed the limit for 80% of income level, for actual household size, as published by the CTCAC annually. If CTCAC no longer publishes this limit, the Developer shall calculate this limit based on the same methodology most recently used by CTCAC.

"Note" shall mean that certain Promissory Note Secured by Leasehold Deed of Trust, evidencing Owner's obligation to repay the City Loan.

"Owner" shall mean 17275 Derian LLC, a California limited liability company, and its permitted successors and assigns in and to the Property.

"Owner Personnel" shall mean any partner, member, employee, volunteer, contractor, subcontractor, or agent of Owner or any other person under Owner's supervision and direction, including the contractors and subcontractors constructing the Project. Owner is responsible for the full compliance of all Owner Personnel with this Agreement and the Loan Agreement, including without limitation all labor standards applicable to the Project.

"Partnership Agreement" shall mean the Limited Partnership Agreement of Owner when the Owner is in the form of a limited partnership

"Project" shall mean the leasehold interest in the Property and the development on the Property of an 80-unit apartment project with landscaping, driveways, and related improvements, and all other required on-Property and off-Property improvements, with all improvements to be consistent with the development and building plans and permits approved by City. In the event of any inconsistency between the description of the Project in this Agreement and the approved plans and permits, the approved plans and permits shall govern.

"Property Manager" shall have the meaning ascribed in Section 6.1 of this Agreement.

"Property Management Plan" shall have the meaning ascribed in Section 6.3 of this Agreement.

"Property" shall mean that certain real property located in the City of Irvine, more particularly described in the legal description attached hereto as Exhibit "A" and incorporated herein by this reference.

"Term" shall have the meaning ascribed in Section 3 of this Agreement.

"Unit(s)" shall mean the eighty (80) Affordable Units to be developed on the Property.

"Very Low Income" shall mean an income that does not exceed the limit for 50% of income level, for actual household size, as published by the CTCAC annually. If CTCAC no longer publishes this limit, the Developer shall calculate this limit based on the same methodology most recently used by CTCAC.

2. Development of the Project. Owner shall commence and complete development of the Project on the Property within the times and subject to the terms and conditions set forth in the Loan Agreement and the Ground Lease.

3. Term. The covenants set forth in this Agreement shall commence on the Effective Date and shall remain in effect until the date that is ninety-nine (99) years after the Effective Date (the "Term"). The "Affordability Term" shall commence on the Effective Date and shall remain in effect until the date that is the later of (a) the date that is fifty-five (55) years following the date of a certificate of occupancy has been issued for each building in the Project (or alternatively, the date that all building permits issued for the Project have obtained final inspection approval (as noted on each building permit card)), or (b) the date the City Loan and all amounts due under the Loan Agreement, City Note and Leasehold Deed of Trust have been paid in full. The "Extension Term" shall commence immediately after the end of the Affordability Term and end on the date that is ninety-nine (99) years after the Effective Date

4. Use; Affordability Covenants. Owner hereby covenants and agrees that the Property shall be managed and operated in accordance with the provisions set forth in this Section 4.

4.1 General. Owner shall devote the Property for use as an affordable residential rental complex with the Affordable Units to be rented to and occupied or held available for occupancy only by Eligible Tenants, at Affordable Rent in compliance with the Affordable Unit Mix during the Affordability Term and at Extension Rent in compliance with the Extension Mix during the Extension Term. Owner shall not permit the Units to be utilized on a transient basis, or as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, trailer court or park, day care facilities, or non-residential uses.

4.2. Occupancy by Eligible Tenants. The lease for each Affordable Unit shall provide that it is to be used as the principal residence of the Affordable Unit's Eligible Tenant and for no other purpose. The lease shall further provide that an Eligible Tenant shall not lease or sublease its Affordable Unit or its right of occupancy. Owner shall institute a program to ensure that the Affordable Units remain occupied by Eligible Tenants.

4.3 Occupancy Limits. The number of persons permitted to occupy each Affordable Unit shall not exceed the occupancy permitted pursuant to the CTCAC in administering the low income housing tax credit programs. If CTCAC no longer publishes this limit, the Developer use the occupancy limits most recently used by CTCAC. The lease for each Affordable Unit shall include a provision limiting the number of persons permitted to occupy each Affordable Unit in accordance with this Section 4.3 and Owner shall enforce such occupancy restrictions.

4.4 Determination of Eligible Tenant Status. Immediately prior to an Eligible Tenant's occupancy of an Affordable Unit, Owner shall obtain an Income Computation and Certification Form (which may be the form used in connection with the CTCAC regulatory agreement, the form attached to this Agreement as Exhibit "B", or other form approved by the City Manager) from each such Eligible Tenant dated immediately prior to the date of initial occupancy of the Affordable Unit by such Eligible Tenant. In addition, Owner shall provide such further information as may be reasonably required by City for purposes of verifying a tenant's status as an Eligible Tenant at the appropriate income level to meet the Affordable Unit Mix or Extension Mix, as applicable, under this Agreement. Owner shall use good faith efforts to verify that the income provided by an applicant is accurate by taking the following steps as a part of the verification process: (a) obtain three (3) pay stubs for the most recent pay periods; (b) obtain a written verification of income and employment from the applicant's current employer; (c) obtain an income verification form from the Social Security Administration, California Department of Social Services, and/or California Employment Development Department if the applicant receives assistance from any of said agencies; (d) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other evidence and/or verification of such applicant's total income received during the calendar year from any source, taxable or nontaxable; (e) any documentation for income certification as permitted by CTCAC in administering the low income housing tax credit programs, and (f) such other information as may be requested by City to verify an applicant's income. Owner shall maintain in its records each Income Computation and Certification Form obtained pursuant to this Section and Section 4.5 for a minimum period of three (3) years.

4.5 Recertification. Within sixty (60) days prior to the first anniversary date of the occupancy of an Affordable Unit by an Eligible Tenant, and on each anniversary date thereafter, or if preferred by Owner on the same cycle as income recertifications are required to be made to CTCAC each year, Owner shall recertify the income of such Eligible Tenant by obtaining a completed Income Computation and Certification Form based upon the current income of each occupant of the Affordable Unit. During the Term, in the event the recertification demonstrates that such household's income exceeds one hundred forty percent (140%) of the 100% income levels as published by CTCAC, or successor agency, such household will no longer qualify as an Eligible Tenant and to the extent then permitted by CTCAC, the occupants' lease shall not be renewed and said occupants shall be required to vacate the Affordable Unit within one hundred eighty (180) days after the recertification. Otherwise, the next available Affordable Unit with the same bedroom mix of the over-income unit that is comparable to said unit in terms of size and features (a "Comparable Unit") shall be designated as an Affordable Unit at the income level necessary to meet the Affordable Unit Mix or Extension Mix, as applicable ; provided, however, that if a Comparable Unit is already occupied by an Eligible Tenant, such Comparable Unit may instead be designated as an Affordable Unit to cause the Project to be in compliance with the Affordable Unit Mix or Extension Mix, as applicable, as quickly as possible.

4.6 Affordable Rent. The rent for each Affordable Unit shall not exceed Affordable Rent for the applicable income level for the Affordable Unit to comply with the Affordable Unit Mix during the Affordability Term and shall not exceed the Extension Rent in compliance with the Extension Mix during the Extension Term. If the Eligible Tenant is paying utilities and services, the rent may not exceed the maximum rent minus the monthly allowance established by the Orange County Housing Authority for utilities and services.

It shall constitute a default for Owner to accept rent amounts from tenants in excess of the Affordable Rent or Extension Rent, as applicable. In the event that Owner receives such higher rental amounts from a tenant, in addition to any other remedy City shall have, Owner shall be required to repay each tenant the entire amount of rent received from the tenant in excess of the amount permitted pursuant to this Agreement.

4.7 Leasing Affordable Units. The Affordable Units shall be available for rental on a continuous basis and Owner shall not give preference to any particular class or group in renting Affordable Units, except to the extent that the Affordable Units are required to be rented to Eligible Tenants at designated income levels and except as provided in the next sentence. Owner shall maintain a list of persons who have applied for an Affordable Unit and, subject to the priority to be given to veterans to the extent permitted under applicable fair housing laws, should multiple tenants be equally eligible (as to income, credit history, and other nondiscriminatory criteria) and qualified to rent a Affordable Unit, Owner shall rent available Affordable Units to Eligible Tenants on a first qualified (with reasonable efforts made to qualify applicants in the order that the applications are received), first offered basis, or pursuant to a lottery system. Owner shall use commercially reasonable efforts to lease Affordable Units that become available as quickly as possible. Owner shall market the Affordable Units to the citizens of the City of Irvine and veterans on a nonexclusive basis.

4.8 Lease. The form of the lease between Owner and each of the Eligible Tenants for the Affordable Units shall be approved by City prior to the rental or leasing of any of the Affordable Units, which approval shall not be unreasonably withheld, conditioned or delayed so long as the lease is consistent with this Agreement. Once approved, no changes shall be made to the form of the lease without City's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed so long as the lease is consistent with this Agreement. The lease agreement shall obligate the Eligible Tenants to comply with the provisions set forth in Section 4 of this Agreement and an Eligible Tenant who violates such requirements shall be in default under the rental agreement. Each lease agreement with an Eligible Tenant shall include a provision to the effect that Owner has relied on the information provided by the Eligible Tenant on the Income Computation and Certification Form and all other supporting information supplied by the Eligible Tenant in determining qualification for occupancy of the applicable Affordable Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease agreement. In addition, each lease agreement shall contain a provision that failure to cooperate with the annual recertification process may disqualify the Eligible Tenant as such and will be will be cause for immediate termination of such lease agreement

4.9 Monitoring. City shall monitor and evaluate Owner's performance under this Agreement to determine compliance with this Agreement. Owner shall reasonably cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide City the reasonable right of access to the Property and the Affordable Units during normal business hours for the purpose of assuring compliance with this Agreement and evaluating Owner's performance hereunder.

5. Operation of Project.

5.1 Occupants of Housing Facilities. To the extent permitted by applicable law, the leases with the tenants of the Affordable Units shall include a requirement that the occurrence of any illegal activity by the tenant or by the tenant's guests at the Property shall be grounds for immediate termination of the tenant's right to reside within the Affordable Unit and City shall have the right to require that Owner enforce such provision.

5.2 No Discrimination. Owner shall not discriminate against, or segregate, any person or group of persons on account of race, color, creed, national origin, ancestry, sex, gender or sexual orientation, marital status, or religion in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall Owner for itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property.

5.3 Maintenance of Property. For the entire Term, Owner shall maintain or cause to be maintained the Property and all improvements on the Property in a good condition and repair (and, as to landscaping, in a healthy condition) and in accordance with all applicable laws, rules, ordinances, orders, and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction. City places prime importance on quality maintenance to protect its investment and to ensure that affordable housing projects

are not allowed to deteriorate due to substandard maintenance. In addition, Owner shall keep the Property free from all graffiti and any accumulation of debris or waste material. Owner shall make all repairs and replacements necessary to keep the improvements in first class condition and repair and shall promptly eliminate all graffiti and replace dead and diseased plants and landscaping with comparable approved materials. In the event that Owner breaches any of the covenants contained in this Section 5.3, and such default continues for a period of thirty (30) days after written notice from City or such longer period of time as is reasonably necessary to correct the condition, then City in addition to whatever other remedy it may have at law or in equity, shall have the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, City shall be permitted (but not required) to enter upon the Property and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to charge a fee to Owner in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by City and/or costs of such cure, including a ten percent (10%) administrative charge, which amount shall be promptly paid by Owner to City upon demand. City shall indemnify Owner for any damage caused to the Project or Property by such entry.

6. Management.

6.1 Property Manager. Owner shall manage or cause the Project, and all appurtenances thereto, to be managed in accordance with this Agreement and in a prudent and business-like manner, consistent with good property management standards for other comparable high quality, well-managed affordable rental housing projects in the City of Irvine. Owner may contract with a property management company or individual property manager to operate and maintain the Project in accordance with the terms of this Section 6.1 ("Property Manager"); provided, however, the selection and hiring of the Property Manager (and each successor or assignee) is and shall be subject to the prior written approval of City in its reasonable discretion. Advanced Property Services LLC is approved by the City as a Property Manager. Owner shall conduct due diligence and background evaluation of any potential third party property manager or property management company to evaluate experience, references, credit worthiness, and related qualifications as a property manager. Any proposed property manager shall have significant and relevant prior experience with affordable housing projects and properties comparable to the Project, and the references and credit record of such property manager/company shall be investigated (or caused to be investigated) by Owner prior to submitting the name and qualifications of such proposed property manager to City for review and approval. Approval of a Property Manager by City shall not be unreasonably delayed but shall be in its reasonable discretion, and City shall use good faith efforts to respond as promptly as practicable in order to facilitate effective and ongoing property management of the Project by a qualified Property Manager. The replacement of the Property Manager by Owner and/or the selection by Owner of any new or different Property Manager shall also be subject to the foregoing requirements. The City shall be deemed to have approved any proposed Property Manager within fifteen (15) after the submission of the proposed name and background information to City unless City disapproves a proposed property manager in writing within the fifteen (15)-day period.

6.2 On-Property Residential Manager. The Property Manager, or an employee or agent of Property Manager, shall reside full-time in a residential unit located within the Project, which unit shall be such person's only residence.

6.3 Property Management Plan. Prior to the completion of the Project, Owner shall prepare and submit to City for review and approval, which approval shall not be unreasonably withheld, a management plan which shall include a detailed plan and strategy for long term marketing, operation, maintenance, repair and security of the Project, and the method of selection of tenants, rules and regulations for tenants, and other rental policies for the Project ("Property Management Plan"). The ongoing management and operation of the Project shall be in compliance with the approved Property Management Plan. Owner and its Property Manager may from time to time submit to City amendments to the Property Management Plan, the implementation of which shall be subject to the prior written approval of City, which approval shall not be unreasonably withheld, delayed or conditioned. The Property Management Plan or amendments thereto shall be deemed approved by the City within fifteen (15) days after the submission to the City of the proposed Property Management Plan or amendment thereto unless City disapproves such Property Management Plan in writing within the fifteen (15)-day period.

6.4 Gross Mismanagement. In the event of "Gross Mismanagement" (as that term is defined below) of the Project, City shall have and retain the authority to direct and require any condition(s), acts, or inactions of Gross Mismanagement to cease and/or be corrected immediately, and further to direct and require the removal of the Property Manager pursuant to Section 6.5 below. For purposes of this Agreement, the term "Gross Mismanagement" shall mean management of the Project in a manner which violates the terms and/or intention of this Agreement to operate a high quality affordable housing complex, and shall include, but is not limited to, any one or more of the following:

(a) Leasing to tenants who exceed the prescribed income levels with the knowledge that the tenants do not income qualify;

(b) Allowing the tenants to exceed the prescribed occupancy levels without taking immediate action to stop such overcrowding upon learning of the violation;

(c) The failure to timely maintain the Project in accordance with the Property Management Plan and this Agreement, which is not corrected within the periods specified in Section 14.1;

(d) Fraud or embezzlement of Project funds, including without limitation funds in the reserve accounts, and

(e) Failing to comply with reasonable recommendations of the Irvine Police Department or other local law enforcement agency(ies) with jurisdiction over the Project, in maintaining a crime-free environment within the Project.

(f) Failing to reasonably cooperate with City, including its code enforcement division, or other local health and safety enforcement agency(ies) with jurisdiction over the Project, in maintaining a decent, safe, and sanitary environment within the Project;

Notwithstanding the requirements of the Property Manager to correct any condition of Gross Mismanagement as described above, Owner is obligated and shall use its best efforts to correct any defects in property management or operations at the earliest feasible time and, if necessary, to replace the Property Manager, as provided in Section 6.5 below. Owner shall include provisions of the requirements of this Agreement within any contract between Owner and its Property Manager for the Property.

6.5 **Removal of Property Manager.** In the event of "Gross Mismanagement" as defined in Section 6.4, the City may require the Owner change a management practice or replace the Property Manager and retain a different Property Manager, reasonably approved by the City. The City agrees that prior to requiring the Owner to change its Property Manager or the management practices the City shall informally consult with Owner, in an attempt to resolve the dispute. If the City determines that such an attempt at informal resolution has been unsuccessful, it shall give the Owner thirty (30) days written notice to change the Property Manager or practice, as the case may be. If Owner fails to do as requested by the City in the written notice, the City may then require the immediate change of the management practice or Property Manager, as the case may be. The management agreement shall provide that it is subject to termination by the Owner without penalty, upon thirty (30) days prior written notice. Within ten (10) business days following a direction of the City to replace the Property Manager after the process set forth in this Section 6.5, the Owner shall select another Property Manager or make other arrangements satisfactory to the City for continuing management of the Project. The Owner shall notify the City upon learning that there is a voluntary change in the management or control of the Property Manager, and, if the change is unsatisfactory to the City, the City shall be entitled to require the Owner to change the Property Manager in accordance with the terms of this Section 6.5.

7. **Code Enforcement.** Owner acknowledges and agrees that City and its employees and authorized agents shall have the right to conduct code compliance and/or code enforcement inspections of the Project and the individual Affordable Units, both exterior and interior, at reasonable times and upon reasonable notice to Owner and/or an individual tenant. If such notice is provided by City or its representative(s) to Owner, then Owner (or its Property Manager) shall promptly and directly advise any affected tenant of such upcoming inspection and cause access to the area(s) and/or Affordable Units of the Project to be made available and open for inspection. Owner shall include express advisement of such inspection rights within the lease agreements for each Affordable Unit of the Project in order for each and every tenant and tenant household to be aware of this inspection right.

8. **Records.** Owner shall maintain complete and accurate records pertaining to the Affordable Units for a period of three (3) years, and shall permit any duly authorized representative of City to inspect the books and records of Owner pertaining to the Affordable Units.

9. **Right to Inspect.** City shall have the right to inspect the Property and the Affordable Units for purposes of assuring compliance with this Agreement, during normal business hours.

10. Indemnification. Owner shall defend, indemnify and hold harmless City and its officers, officials, agents, employees, representatives, and volunteers from and against any loss, damage, costs, expenses, liability, claim, or judgment relating in any manner to the Property and the operation of the rental project thereon or Owner's performance under this Agreement, except to the extent caused by the active negligence or willful misconduct of City, officers, officials, employees, volunteers, agents, and representatives.

11. Insurance. Upon completion of the Project and for the Term of this Agreement, Owner shall procure and keep in full force and effect or cause to be procured and kept in full force and effect for the mutual benefit of Owner and City, and shall provide City evidence reasonably acceptable to City, of insurance policies meeting the minimum requirements set forth in this Section 11.

11.1 Types of Insurance Policies. The insurance policies to be maintained by Owner upon completion of the Project and for the duration of the Term of this Agreement are as follows:

(a) Commercial General Liability insurance with respect to the Property and the operations of or on behalf of Owner, in an amount not less than One Million Dollars ($1,000,000.00) per occurrence combined single limit including products, completed operations, contractual, bodily injury, personal injury, death and property damage liability, subject to such increases in amount as City may reasonably require from time to time; provided, that the percentage increase in coverage shall not be required to exceed the percentage increase in the Consumer Price Index published by the United States Department of Labor, Bureau of Labor Statistics, for Urban Wage Earners and Clerical Workers, Los Angeles-Long Beach-Anaheim Average, All Items (1984 = 100) ("Index"), from and after the date of this Agreement, or, if said Index is discontinued, such official index as may then be in existence and which is most nearly equivalent to said Index ("CPI Adjustment"). Unless otherwise approved in advance by the City, the insurance to be provided by Owner may provide for a deductible or self-insured retention of not more than Ten Thousand Dollars ($10,000.00), with such maximum amount to increase at the same rate as the periodic increases in the minimum amount of total insurance coverage set forth above. City and its officers, officials, employees, volunteers, agents, and representatives shall be named as additional insureds under such policy or policies.

(b) With respect to the improvements and any fixtures and furnishings to be owned or leased by Owner on the Property, all risk property insurance against fire, vandalism, and malicious mischief, and such other additional perils, hazards, and risks as now are or may be included in the standard "all risk" form in general use in Orange County, California, with the standard form fire insurance coverage in an amount equal to full actual replacement cost thereof, as the same may change from time to time. The above insurance policy or policies shall include coverage for earthquakes to the extent generally and commercially available at commercially reasonable rates, if such insurance is generally obtained for rental apartment projects of this size and type in Orange County, California. City shall be a loss payee under such policy or policies and such insurance shall contain a replacement cost endorsement.

11.2 Policy Requirements. A copy of each paid-up policy evidencing such insurance (appropriately authenticated by the insurer) or a certificate of the insurer, certifying that such policy has been issued, providing the coverage required herein, and containing the provisions specified herein, shall be delivered to City on or prior to the completion of the Project, and thereafter, upon renewals, not less than thirty (30) days prior to the expiration of coverage (10 days for non-payment of premiums). City may, at any time, and from time to time, inspect and/or copy any and all insurance policies required to be procured by Owner hereunder. In no event shall the limits of any policy be considered as limiting the liability of Owner hereunder. In addition to the requirements set forth in Section 11.1, each insurance policy required to be carried by Owner pursuant to this Agreement:

(a) shall be primary insurance and not contributory with any other insurance which City or its officers, officials, employees, volunteers, agents, or representatives may have;

(b) shall contain no special limitations on the scope of protection afforded to City or its officers, officials, employees, volunteers, agents, and representatives;

(c) shall be "per occurrence" rather than "claims made" insurance;

(d) shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability;

(e) to the extent reasonably and commercially available, shall provide that the policy will not be cancelled by the insurer or Owner unless there is a minimum of thirty (30) days (10 days for nonpayment of premium) prior written notice by mail, return receipt requested to City;

(f) shall be written by a California licensed insurer with a Best rating of not less than A:VII;

(g) shall be endorsed to state that any failure to comply with the reporting provisions of the policies shall not affect coverage provided to City and its officers, officials, employees, volunteers, agents, and representatives; and

(h) shall contain a waiver by the insurer of any right to subrogation against City, and its officers, officials, employees, volunteer and agents, which arises or might arise by reason of any payment under such policy or policies or by reason of any act or omission of City or its officers, officials, members, employees, agents, or representatives.

12. Repair of Damage. If any improvements on the Property shall be totally or partially destroyed or rendered wholly or partly uninhabitable by fire or other casualty, Owner shall promptly proceed to obtain insurance proceeds, and, provided the insurance proceeds are sufficient to restore the Property and the insurance proceeds are made available therefor by the secured lenders, take all steps necessary to begin reconstruction and, immediately upon receipt of insurance proceeds, to promptly and diligently commence the repair or replacement of the improvements to substantially the same condition as the improvements are required to be maintained in pursuant to this Agreement, and Owner shall complete the same as soon as

possible thereafter so that the Project can continue to be operated and occupied as an affordable housing project in accordance with this Agreement.

13. **Owner Ground Lease.** Owner shall comply with each and every condition, responsibility, and obligation it may have pursuant to the Ground Lease to not to cause a default thereunder. Owner shall not amend or modify the Ground Lease in any respect inconsistent with this Agreement or in any respect that affects the rights of City as a leasehold mortgagee, without the prior written consent of City, which consent City may withhold in its reasonable discretion. Owner shall promptly give City notice of any defaults and default notices issued under the Ground Lease.

14. **Defaults and Remedies.**

14.1 Defaults. Failure or delay by any Party to perform any term or provision of this Agreement which is not cured within thirty (30) days after receipt of notice from the other Party specifying the default (or such other period specifically provided herein) constitutes a default under this Agreement; provided, however, if such default is of the nature requiring more than thirty (30) days to cure, the defaulting Party shall avoid default hereunder by commencing to cure within such thirty (30) day period, and thereafter diligently pursuing such cure to completion within an additional sixty (60) days following the conclusion of such thirty (30) day period (for a total of ninety (90) days). Except as required to protect against further damages, the injured Party may not institute proceedings against the Party in default until the time for cure has expired. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default.

In addition to Owner's cure rights hereunder, the Owner's investor limited partner, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Agreement and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Agreement; provided, however if the non-monetary default is incapable of being cured within thirty (30) days. Owner's investor limited partner shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. City shall accept any cure made by Owner's investor limited partner as if made by Owner.

14.2 Institution of Legal Actions. In addition to any other rights or remedies, any Party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that county.

14.3 Rights and Remedies are Cumulative. The rights and remedies of the Parties are cumulative, and the exercise by either Party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

15. Miscellaneous.

15.1 Entire Agreement, Waivers, and Amendments. This Agreement contains the entire agreement between the Parties relating to the subject matter hereof, and supersedes all negotiations and previous agreements between the Parties with respect to all or part of the subject matter hereof, with the exception of the Loan Agreement and the agreements attached to the Loan Agreement. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the Party to be charged. A waiver of the breach of the covenants, conditions or obligations under this Agreement by either Party shall not be construed as a waiver of any succeeding breach of the same or other covenants, conditions or obligations of this Agreement. Any amendment or modification to this Agreement must be in writing and executed by the appropriate authorities of Owner and City.

15.2 Attorneys' Fees and Costs. If Owner or City commences an action against the other arising out of or in connection with this Agreement, the prevailing Party shall be entitled to recover reasonable attorneys' fees, expert witness fees, costs of investigation, and costs of suit from the losing party.

15.3 Prohibition Against Assignment and Transfer by Owner. The qualifications and identity of Owner are of particular concern to City. It is because of those qualifications and identity that City has provided financial assistance to Owner and entered into this Agreement with Owner. Accordingly, except as expressly set forth herein, Owner shall not, whether voluntarily, involuntarily, or by operation of law, undergo any significant change in ownership or assign all or any part of this Agreement or any rights hereunder or in the Property or in the Project without the City's prior written approval.

Notwithstanding the foregoing paragraph, the following shall not require City approval (except as specifically provided below) for the purpose of this Section 15.3 ("Permitted Transfers"):

(a) Permitted Encumbrances as defined in the Loan Agreement;

(b) a conveyance of the leasehold interest or fee interest in the Property resulting from the foreclosure of a Permitted Encumbrances (or an assignment, new lease or deed-in-lieu of such a foreclosure);

(c) the transfer of this Agreement, the leasehold interest in the Property or Project by the Owner to a to-be-formed limited partnership in which at least two members of the Owner or their affiliates serve as general partners or form a new entity to serve as a general partner ("Partnership");

(d) any transfer of equity in the Owner that does not change management or operational control of the Project other than to permit the admittance of an affiliate of Innovative Housing Opportunities, Inc. as the managing general partner of the Partnership;

(e) the lease of the Units consistent with this Agreement;

(f) the transfer and sale of limited partnership interests in the Partnership;

(g) in the event that any general partner of the Partnership is removed by the limited partner of the Partnership for cause following default under the partnership agreement, the transfer of the general partner interest to an affiliate of the limited partner or a 501(c)(3) tax exempt nonprofit corporation selected by the limited partner and approved by the City, in its reasonable discretion, if the successor nonprofit corporation has the same or substantially similar experience, assets and access to capital and private funding as Owner did at the date of this Agreement;

(h) the transfer of the Project from the Partnership to one of the general partners the Owner or an affiliate of one of the general partners the Owner at the end of the tax credit compliance period for the Project; and

(i) any dilution of a general partner's interest in the Partnership in accordance with the Partnership's limited partnership agreement.

Owner shall deliver written notice to City requesting approval of any assignment or transfer requiring City approval hereunder. In considering whether it will grant approval to any assignment by Owner of its interest in the Property and this Agreement or any portion thereof, City shall consider factors such as the financial strength and capability of the proposed transferee to perform Owner's obligations hereunder and the proposed assignee's experience and expertise in the planning, financing, development, and operation of similar projects.

No transfer, excluding Permitted Transfers, shall be effective as to City unless and until the proposed assignee and Owner execute and deliver to City an assignment and assumption agreement in form reasonably satisfactory to the City Manager and legal counsel for City.

15.4 Prohibition Against Assignment and Transfer by City. The City shall not voluntarily assign or transfer its interest in all or any part of this Agreement (which by definition includes all attachments hereto), except to the Irvine Community Land Trust, without Owner's prior written approval, which shall not be unreasonably withheld.

15.5 Compliance with Laws and Regulations. Owner shall carry out the design, construction and operation of the Project, and operate the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction. Owner shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, and/or expense (including reasonable attorneys' fees, court and litigation costs, and fees of expert witnesses) that results or arises in any way from any of the following the noncompliance by Owner of any applicable local, state and/or federal law.

15.6 Interpretation; Governing Law. This Agreement shall be construed according to its fair meaning and as if prepared by both of the Parties hereto. This Agreement shall be interpreted in accordance with the internal laws of the State of California, without regard to conflict of law principles.

15.7 Severability. If any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Agreement, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision(s) had never been contained herein.

15.8 Notices. Formal notices, demands, and communications between City and Owner shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, (c) mailing in the United States mail, certified or first class mail, postage prepaid, or (d) delivery by electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed to:

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices delivered by email shall be deemed effective the next business day; not less than 24 hours, following the date of transmittal and confirmation of delivery to the intended recipient. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

15.9 Covenants Run with the Land. This Agreement shall be binding on Owner's successors in interest in the leasehold interest in the Property until the expiration of the Term. This Agreement is designed to create equitable servitudes and covenants running with the Property, in favor of City. The covenants, conditions, restrictions, reservations, equitable servitudes, liens and charges set forth herein shall be binding upon all persons having any right, title or interest in the leasehold interest in the Property, or any part thereof, their heirs, successive owners and assigns; shall inure to the benefit of City and its successors and assigns; shall be binding upon Owner, its successors and assigns and successors in interest; and may be enforced by Owner and its successors and assigns. Owner hereby declares its understanding and intent that the burden of the covenants set forth herein touch and concern the land. Owner hereby further declares its understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Property for purposes of affordable housing. City shall have the right to designate real property as benefited by the covenants contained herein during the Term of this Agreement. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided herein both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate.

The parties acknowledge and agree that this Agreement encumbers Owner's leasehold interest in the Property and not the fee interest.

15.10 Compliance with Other Agreements. The parties acknowledge that other affordable housing regulatory agreements have been or will be recorded against the Property, imposing income restrictions on the tenants of the Affordable Units and limiting the amount of rent that may be charged, which agreements include:

(a) Density Bonus Housing Agreement executed by the City and 17275 Derian, LLC, a California limited liability company ("DBHA").

(b) Regulatory Agreement and Declaration of Covenants and Restrictions executed by the City and Owner in connection with the DBHA.

(c) Regulatory Agreement between CTCAC and the Owner.

Owner shall comply with the most restrictive terms of such agreements. Declarant acknowledges that to effectuate the foregoing the actual rent paid by Eligible Tenants to Owner may be less than the Affordable Rent or Extension Rent, as applicable, amounts set forth in this Agreement.

15.11 Execution in Counterparts. This Agreement may be executed in two or more counterparts, each of which when so executed and delivered shall be deemed an original and all of which, when taken together, shall constitute one and the same instrument.

[SIGNATURES ON NEXT PAGE]

SIGNATURE OF Owner/REPRESENTATIVE DATE

INSTRUCTIONS FOR COMPLETING
TENANT INCOME CERTIFICATION

This form is to be completed by the Owner or an authorized representative.

Part I - Development Data

Check the appropriate box for Initial Certification (move-in), Recertification (annual recertification), or Other. If Other, designate the purpose of the recertification (i.e., a unit transfer, a change in household composition, or other state-required recertification).

Move-in Date	Enter the date the tenant has or will take occupancy of the unit.
Effective Date	Enter the effective date of the certification. For move-in, this should be the move-in date. For annual recertification, this effective date should be no later than one year from the effective date of the previous (re)certification.
Property Name	Enter the name of the development
County	Enter the county (or equivalent) in which the building is located.
BIN #	Enter the Building Identification Number (BIN) assigned to the building (from IRS Form 8609)
Address	Enter the address of the building.
Unit Number	Enter the unit number.
# Bedrooms	Enter the number of bedrooms in the unit.

Part II - Household Composition

List all occupants of the unit. State each household member's relationship to the head of household by using one of the following coded definitions:

H	-	Head of Household	S	-	Spouse
A	-	Adult co-tenant	O	-	Other family member
C	-	Child	F	-	Foster child(ren)/adult(s)
L	-	Live-in caretaker	N	-	None of the above

Enter the date of birth, student status, and social security number or alien registration number for each occupant.

If there are more than 7 occupants, use an additional sheet of paper to list the remaining household members and attach it to the certification.

Part III - Annual Income

See HUD Handbook 4350.3 for complete instructions on verifying and calculating income, including acceptable forms of verification.

From the third party verification forms obtained from each income source, enter the gross amount anticipated to be received for the twelve months from the effective date of the (re)certification. Complete a separate line for each income-earning member. List the respective household member number from Part II.

Column (A) Enter the annual amount of wages, salaries, tips, commissions, bonuses, and other income from employment; distributed profits and/or net income from a business.

Column (B) — Enter the annual amount of Social Security, Supplemental Security Income, pensions, military retirement, etc.

Column (C) — Enter the annual amount of income received from public assistance (i.e., TANF, general assistance, disability, etc.)

Column (D) — Enter the annual amount of alimony, child support, unemployment benefits, or any other income regularly received by the household.

Row (E) — Add the totals from columns (A) through (D), above. Enter this amount

Part IV - Income from Assets

See HUD Handbook 4350.3 for complete instructions on verifying and calculating income from assets, including acceptable forms of verification.

From the third party verification forms obtained from each asset source, list the gross amount anticipated to be received during the twelve months from the effective date of the certification. List the respective household member number from Part II and complete a separate line for each member.

Column (F) — List the type of asset (i.e., checking account, savings account, etc.)

Column (G) — Enter C (for current, if the family currently owns or holds the asset), or I (for imputed, if the family has disposed of the asset for less than fair market value within two years of the effective date of (re)certification).

Column (H) — Enter the cash value of the respective asset.

Column (I) — Enter the anticipated annual income from the asset (i.e., savings account balance multiplied by the annual interest rate).

TOTALS — Add the total of Column (H) and Column (I), respectively.

If the total in Column (H) is greater than $5,000, you must do an imputed calculation of asset income. Enter the Total Cash Value, multiply by 2% and enter the amount in (J), Imputed Income

Row (K) — Enter the greater of the total in Column (I) or (J)

Row (L) — Total Annual Household Income From all Sources — Add (E) and (K) and enter the total

HOUSEHOLD CERTIFICATION AND SIGNATURES

After all verifications of income and/or assets have been received and calculated, each household member age 18 or older must sign and date the Tenant Income Certification. For move-in, it is recommended that the Tenant Income Certification be signed no earlier than 5 days prior to the effective date of the certification

Part V - Determination of Income Eligibility

Total Annual Household Income from all Sources — Enter the number from item (L).

Current Income Limit per Family Size — Enter the Current Move-in Income Limit for the household size.

Household income at move-in Household size at move-in	For recertifications only. Enter the household income from the move-in certification. On the adjacent line, enter the number of household members from the move-in certification.
Household Meets Income Restriction	Check the appropriate box for the income restriction that the household meets according to what is required by the set-aside(s) for the project.
Current Income Limit x 140%	For recertifications only. Multiply the Current Maximum Move-in Income Limit by 140% and enter the total. Below, indicate whether the household income exceeds that total. If the Gross Annual Income at recertification is greater than 140% of the current income limit, then the available unit rule must be followed.

Part VI - Rent

Tenant Paid Rent	Enter the amount the tenant pays toward rent (not including rent assistance payments such as Section 8).
Rent Assistance	Enter the amount of rent assistance, if any.
Utility Allowance	Enter the utility allowance. If the Owner pays all utilities, enter zero.
Other non-optional charges	Enter the amount of non-optional charges, such as mandatory garage rent, storage lockers, charges for services provided by the development, etc.
Gross Rent for Unit	Enter the total of Tenant Paid Rent plus Utility Allowance and other non-optional charges
Maximum Rent Limit for this unit	Enter the maximum allowable gross rent for the unit.
Unit Meets Rent Restriction at	Check the appropriate rent restriction that the unit meets according to what is required by the set-aside(s) for the project.

Part VII - Student Status

If all household members are full time* students, check "yes". If at least one household member is not a full time student, check "no".

If "yes" is checked, the appropriate exemption must be listed in the box to the right. If none of the exemptions apply, the household is ineligible to rent the unit.

**Full time is determined by the school the student attends.*

Part VIII - Program Type

Mark the program(s) for which this household's unit will be counted toward the property's occupancy requirements. Under each program marked, indicate the household's income status as established by this certification/recertification. If the property does not participate in the HOME, Tax-Exempt Bond, Affordable Housing Disposition, or other housing program, leave those sections blank.

Tax Credit See Part V above.

HOME If the property participates in the HOME program and the unit this household will occupy will count towards the HOME program set-asides, mark the appropriate box indicting the household's designation.

Tax Exempt If the property participates in the Tax Exempt Bond program, mark the appropriate box indicating the household's designation.

1603\16\1646182.3

AHDP If the property participates in the Affordable Housing Disposition Program (AHDP), and this household's unit will count towards the set-aside requirements, mark the appropriate box indicting the household's designation.

Other If the property participates in any other affordable housing program, complete the information as appropriate.

SIGNATURE OF Owner/REPRESENTATIVE

It is the responsibility of the Owner or the Owner's representative to sign and date this document immediately following execution by the resident(s).

The responsibility of documenting and determining eligibility (including completing and signing the Tenant Income Certification form) and ensuring such documentation is kept in the tenant file is extremely important and should be conducted by someone well trained in tax credit compliance.
These instructions should not be considered a complete guide on tax credit compliance. The responsibility for compliance with federal program regulations lies with the Owner of the building(s) for which the credit is allowable

AFFORDABLE HOUSING AND LOAN AGREEMENT

(Home Funds)

This AFFORDABLE HOUSING AND LOAN AGREEMENT ("**Agreement**") is entered into this 1st day of March, 2016, by and between the CITY OF IRVINE, a California municipal corporation (the "**City**"), and 17275 DERIAN, LP, a California limited partnership ("**Developer**").

RECITALS

A. City participates in the HOME Investment Partnership Act program administered by the United States Department of Housing and Urban Development ("**HUD**") under Title II of the Cranston-Gonzalez National Affordable Housing Act, as amended (42 U.S.C. § 12741, *et seq.*), and the implementing regulations (24 C.F.R. § 92, *et seq.*).

B. Pursuant to the HOME Investment Partnership Act program, the City receives funds from HUD ("**HOME Funds**") to be used for the development of affordable housing projects. As part of the City's annual HOME funding process, City approved an allocation of HOME Funds to Developer in the amount of the City HOME Loan (defined below).

C. Developer has acquired a leasehold interest in that certain real property located in the City of Irvine, California located at 17275 Derian Avenue ("**Property**") for the development, construction, ground leasehold ownership and operation of a multi-family housing project consisting of 80 units, common areas, and other amenities on the Property ("**Project**") pursuant to that certain Affordable Housing Land Disposition, Loan and Development Agreement by and between the City of Irvine, a municipal corporation ("**City**"), Lennar Central Park, LLC, a Delaware limited liability company ("**Lennar**") and 17275 Derian LLC, a California limited liability company ("**Derian LLC**"), dated as of February 10, 2015, with all attachments and exhibits thereto, and as amended from time to time ("**Affordable Housing Agreement**"). Derian LLC's rights, interests and obligations under the Affordable Housing Agreement were assigned to Developer as an approved successor under the Affordable Housing Agreement pursuant to that certain Assignment and Assumption Agreement (AHLDLDA) between Derian LLC and Developer, dated as of March 1, 2016.

D. City and Derian LLC entered into that certain Density Bonus Housing Agreement, dated as of March 27, 2015 and recorded on the Property as Document No. 2015000157915 on March 27, 2015, as may be amended from time to time ("**Density Bonus Agreement**"). Pursuant to the Density Bonus Agreement, Derian LLC and City entered into that certain Regulatory Agreement and Declaration of Covenants and Restrictions, dated as of December 16, 2015 and recorded on the Property as Document No. 2016000008376 on January 8, 2016, as may be amended from time to time ("**Density Bonus Regulatory Agreement**") to ensure the Property and the Project are used for the intended purpose of providing rent restricted housing available to low and very low income individuals and families. Derian LLC's rights, interests and obligations under the Density Bonus Agreement and the Density Bonus Regulatory Agreement were assigned to the Developer as an approved successor under the Density Bonus Agreement and Density Bonus Regulatory Agreement pursuant to that certain Assignment and Assumption

Agreement (Density Bonus Documents) between Derian LLC and Developer, dated as of March 1, 2016.

E. Pursuant to the Affordable Housing Agreement, Derian LLC and Land Trust entered into that certain Ground Lease, dated as March 27, 2015, as may be amended from time to time, which was memorialized by a Memorandum of Ground Lease recorded on the Property as Document No. 2015000157914 on March 27, 2015, as may be amended from time to time (collectively, "**Ground Lease**"). Derian LLC's rights, interests and obligations under the Ground Lease were assigned to Developer as an approved successor under the Ground Lease pursuant to that certain Assignment and Assumption Agreement between Derian LLC and Developer (Ground Lease), dated as of March 1, 2016.

F. Pursuant to the Affordable Housing Agreement, Developer executed that certain Promissory Note Secured by Leasehold Deed of Trust, dated March 27, 2015, in the amount of $1,533,755, as may be amended from time to time ("**City Loan Promissory Note**"), which constituted the "City Loan" for purposes identified in the Affordable Housing Agreement. The City Loan in the amount of $1,533,775 is secured by that certain Leasehold Deed of Trust with Assignment of Rents (City Loan) dated as of March 27, 2015 and recorded on the Property as Document No. 2015000157917 on March 27, 2015, as may be amended from time to time ("**City Loan Leasehold Deed of Trust**"), and pursuant to the Affordable Housing Agreement, Derian LLC and the City entered into that certain Regulatory Agreement and Declaration of Covenants and Restrictions (City Loan) dated as of March 27, 2015 and recorded on the Property as Document No. 2015000157918 on March 27, 2015, as may be amended from time to time ("**City Loan Regulatory Agreement**") to ensure the Property and the Project are used for the intended purpose of providing rent restricted housing available to low and very low income individuals and families. Derian LLC's rights, interests and obligations under the City Loan Promissory Note, City Loan Leasehold Deed of Trust, and City Loan Regulatory Agreement were assigned to Developer as an approved successor under the Regulatory Agreement pursuant to that certain Assignment and Assumption Agreement between Derian LLC and Developer (City Loan Documents), dated as of March 1, 2016. The "City Loan" described in this Recital is separate and distinct, and governed under separate documents, from the "City HOME Loan" governed by this Agreement. All City-funded loans as described in those agreement and this Agreement, however, are for the Project.

G. Seventy-nine (79) units (80 units excluding one management unit) in the Project will be income and rent restricted such that the units will be affordable to low and very low income individuals and families ("**Income Restricted Units**").

H. City desires to assist with certain costs attributable to four (4) of the Project units by (a) providing financial assistance to Developer in the form of a loan of HOME Funds in the amount not to exceed Six Hundred Three Thousand Eight Hundred Forty-Eight Dollars ($603,848.00) ("**City HOME Loan**"), on the terms set forth in this Agreement.

I. The Project will be subject to certain affordability covenants requiring that the HOME Units and certain other residential units be rented to income eligible households at an affordable rent.

J. The development and operation of the Project on Developer's leasehold interest in the Property pursuant to this Agreement, and the fulfillment generally of this Agreement, are in the vital and best interests of the City and the welfare of its residents, and in accordance with the public purposes and provisions of applicable federal, state, and local laws and requirements.

AGREEMENT

Based upon the foregoing Recitals, which are a substantive part of and incorporated into this Agreement, and for good and valuable consideration, the receipt and sufficiency of which is acknowledged by both parties, City and Developer hereby agree as follows:

"HOME Funds" shall mean the funds allocated to City by HUD under the HOME Investment Partnership Act at Title II of the Cranston-Gonzales National Affordable Housing Act.

"HOME Loan Leasehold Deed of Trust" shall mean the Leasehold Deed of Trust With Assignment of Rents substantially in the form attached hereto as Attachment No. 6 which secures, among other things, Developer's payment obligations under the City HOME Loan Note.

"HOME Requirements" shall mean the requirements of the HOME Investment Partnership Act, as amended (42 U.S.C. § 12741, *et seq.*), and the implementing regulations (24 C.F.R. § 92, *et seq.*), and the legal requirements summarized or referenced in Attachment No. 3 attached hereto and incorporated herein by this reference.

"HOME Unit Mix" shall mean the household income levels permitted for each HOME Unit, as follows:

1 two-bedroom unit shall be occupied by households earning 50% or less of the Median Income, adjusted for family size.

1 one-bedroom unit, 1 two-bedroom unit, and 1 three-bedroom unit shall be occupied by households earning 60% or less of the Median Income, adjusted for family size.

"HOME Units" shall mean four (4) units in the Project comprised of the HOME Unit Mix. In accordance with 24 C.F.R. § 92.252(j), the HOME Units shall be permitted to float among all 79 Income Restricted Units in the Project so long as the HOME Units are comprised of the bedroom mix set forth in the HOME Unit Mix and each substituted HOME Unit is comparable in terms of size and features to the originally designated HOME Unit. No later than thirty (30) days after unit numbers (address numbers) have been assigned by Developer to the Project or the Construction Completion Date, whichever is later, Developer shall deliver to City the unit numbers (addresses) that comprise the 4 HOME Units, in a format mutually agreed upon by City and Developer. Developer shall promptly deliver to City a written update of the unit numbers (addresses) that comprise the 4 HOME Units if Developer changes any unit number (address) of a HOME Unit at any time during the term of this Agreement.

"HUD" shall mean the United States Department of Housing and Urban Development.

"Income Restricted Units" shall mean the meaning set forth in Recital G above.

"Insurance Approval Date" shall have the meaning set forth in Section 3.10 of this Agreement.

"Investor" shall have the meaning set forth in Section 7.2 of this Agreement.

"Land Trust" shall mean the Irvine Community Land Trust, a California nonprofit public benefit corporation.

"Median Income" shall mean the Orange County area median income, as determined by HUD pursuant to the HOME Requirements. Upon request by Developer, City shall provide to Developer the amount of the Median Income.

"Memorandum" shall mean the Memorandum of Affordable Housing and Loan Agreement substantially in the form attached hereto as Attachment No. 8.

"Occupants" shall have the meaning set forth in Section 4.7 of this Agreement.

"Performance Report" shall have the meaning set forth in Section 5.2.1 of this Agreement.

"Permitted Encumbrances" shall have the meaning ascribed in Section 3.11.2 of this Agreement.

"Program" shall mean the affordable rental housing program to be operated on the Property and all obligations and activities that constitute the Program Activities.

"Program Activities" shall mean the tasks, activities, and operations set forth in this Agreement and the City HOME Loan Regulatory Agreement, all activities assisted with the City HOME Loan, and all other obligations under this Agreement and the HOME Requirements that Developer is required to perform.

"Program Default" shall have the meaning set forth in Section 4.6 of this Agreement.

"Project" shall have the meaning set forth in Recital C above, which shall include landscaping, driveways, and related improvements, and all other on-site and off-site improvements required for development, with all improvements to be consistent with the development and building plans and permits approved by City. The Project shall be comprised of one-bedroom units, two-bedroom units and three-bedroom units, shall be restricted to occupancy by Eligible Tenants, and the HOME Units shall be available and occupied by Eligible HOME Unit Tenants and shall be in compliance with the HOME Unit Mix and the City HOME Loan Regulatory Agreement. In the event of any inconsistency between the description of the Project in this Agreement and the approved plans and permits, the approved plans and permits shall govern.

"Project Budget" shall mean the costs estimates for the Project set forth in Attachment No. 4 to this Agreement, which is incorporated herein by this reference. The Project Budget may not be materially changed without the prior written approval of City's Contract Officer (a material change is a change that causes the total Project costs, or any line item in the Project Budget, to increase or decrease by more than ten percent (10%) from what is shown in the Project Budget).

"Schedule of Performance" shall mean that certain Schedule of Performance attached hereto as Attachment No. 2 and incorporated herein by this reference, setting out the dates and/or time periods by which certain obligations set forth in this Agreement must be performed.

"Title Company" shall have the meaning set forth in Section 2.3 of this Agreement.

2. CITY HOME LOAN.

2.1 Amount and Source of City HOME Loan. Subject to the terms and conditions set forth herein, City shall provide Developer financial assistance for the Eligible HOME Loan Expenses in the form of a loan not to exceed the sum of Six Hundred Three Thousand Eight Hundred Forty-Eight Dollars ($603,848.00). The source of the City HOME Loan is HOME Funds.

2.2 Permissible Use of City HOME Loan; Eligible Loan Expenses. Pursuant to all of the terms and conditions of this Agreement, Developer shall be permitted to use the City HOME Loan proceeds only for the Eligible HOME Loan Expenses that are actually and reasonably incurred by Developer and approved by City, and for no other purpose.

2.3 City HOME Loan Funding Conditions. Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to disburse any of the City HOME Loan proceeds to Developer unless all of the following conditions (collectively the "**Funding Conditions**") are satisfied, or waived by City in its sole discretion:

(a) *Execution and Delivery of Documents.* Developer shall have executed and delivered to City the documents referred to in Section 2.7 of this Agreement.

(b) *City Title Policy.* Fidelity National Title Company or such other title company approved by the City ("**Title Company**") is irrevocably committed to issue to City an ALTA lender's policy of title insurance ("**City HOME Loan Title Policy**"), with liability in the amount of the City HOME Loan, showing the leasehold interest in the Property vested in Developer, insuring in favor of City the HOME Loan Leasehold Deed of Trust, subject only to (i) the standard printed exceptions and exclusions contained in the form of the Title Policy commonly used by Title Company; (ii) non-delinquent property taxes and assessments; (iii) easement and reservations required by the City for the construction of the Project; (iv) the Ground Lease, the Density Bonus Agreement, the Density Bonus Regulatory Agreement, the City Loan Leasehold Deed of Trust, the City

Loan Regulatory Agreement, the HOME Loan Leasehold Deed of Trust, the City HOME Loan Regulatory Agreement, the Memorandum, the Bank Loan Deed of Trust, the Bank Loan Ground Lease Nondisturbance Agreement and the Bank Loan Subordination Agreement required to be recorded in connection with the loan of Bank Loan Funds, and the CCRC Deed of Trust, and (v) such other matters as may be approved by City in its reasonable discretion. Developer shall pay the premium for the City HOME Loan Title Policy.

(c) *Insurance.* Developer shall have provided to City evidence of the insurance required under Section 3.10 of this Agreement.

(d) *Plans and Permits.* Developer shall have obtained the grading permits for the Project or such permits shall be ready to be issued upon the payment of fees and all other development approvals shall have been issued except for building permits.

(e) *Evidence of Financing.* City shall have approved Developer's evidence of financing in accordance with Section 3.11.3 of this Agreement, and the financing specific to the construction of the Project shall close and be available to Developer.

(f) *Ground Lease.* The Ground Lease shall be in full force and effect with no defaults existing and all contingencies satisfied (i.e., there are no conditions that remain to be satisfied for the effectiveness of the Ground Lease or the performance by Developer thereunder and the fulfillment of the Ground Lease and Developer's possession of the Property is absolute and not terminable and not subject to any unsatisfied conditions).

(g) *Other Agreements.* There is, or with the passage of time, shall be no default by the Developer under the Affordable Housing Agreement, City Loan Promissory Note, City Loan Leasehold Deed of Trust, City Loan Regulatory Agreement, or Density Bonus Agreement.

(h) *Clearance.* If applicable, in accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," the Request for Release of Funds and related certifications have been approved for the Project or City has determined an exemption is applicable.

(i) *Approval of Third Party Contracts.* City shall have approved any Third Party Contracts entered into before commencement of construction that City elects to review.

(j) *No Default.* There shall be no event of default under this Agreement, and there shall be no event which, with the passage of time or the giving of notice, would constitute a default, and all representations and warranties of Developer in this Agreement remain true and correct in all material respects.

(k) *HUD Approvals.* City has received all approvals required from HUD for the disbursement of the City HOME Loan.

In the event that any of the Funding Conditions are not satisfied on or before March 21, 2016, or such later deadline as may be mutually approved in writing by City and Developer in the sole and absolute discretion of each of them, City may terminate this Agreement by delivering written notice to Developer.

2.4 Disbursement of City HOME Loan. Provided Developer is not in default of this Agreement, the City HOME Loan, less the final hold back amount of $25,000 ("**Hold Back Amount**"), shall be deposited into the Construction Escrow, and upon the satisfaction of all of the Funding Conditions, the City shall instruct the Escrow Holder to disburse the City HOME Loan proceeds (other than the Hold Back Amount) to the Developer to pay soft costs and impact and permit fees that qualify as the Eligible HOME Loan Expenses in the first disbursement upon close of the Construction Escrow. Disbursement of the City HOME Loan to Developer shall be made in more than one draw. Developer shall not request disbursement from the City for the final draw in the Hold Back Amount until Developer is prepared to be able to provide City within 120 days thereafter with such project completion information as is required by 24 CFR 92.502(d)(1). In the event the Eligible HOME Loan Expenses are not incurred by Developer within fifteen (15) days after City's deposit of the City HOME Loan proceeds (less the Hold Back Amount), or such longer time as City approves in its reasonable discretion, City shall have the right to require that Developer return the City HOME Loan proceeds to City. In addition, if it is determined, as a result of an audit or otherwise, that the disbursement of City HOME Loan proceeds were improper or made for expenditures not eligible for payment, Developer shall immediately repay to City the amounts of such disbursements.

2.5 [reserved].

2.6 Repayment of City HOME Loan; Leasehold Deed of Trust. Developer's obligation to repay the City HOME Loan shall be as set forth in the City HOME Loan Note. The City HOME Loan Note generally provides for Developer to pay to City a percentage of the cash flow generated from the Property. Developer's obligation to repay the City HOME Loan will be secured by the HOME Loan Leasehold Deed of Trust. The HOME Loan Leasehold Deed of Trust contains an acceleration clause entitling City to declare the entire indebtedness evidenced thereby to be immediately due and payable and collectible, regardless of the date of maturity, on the terms and conditions more specifically set forth in the HOME Loan Leasehold Deed of Trust.

2.7 Execution and Delivery of Documents. No later than the date that is five (5) days prior to the anticipated closing date of the Construction Escrow, or such later date as approved by City, Developer shall deliver to City the following documents to be held by City in trust until the Funding Conditions Satisfaction Date or deposited into the Construction Escrow with the approval of City: (a) the City HOME Loan Note, executed by Developer; (b) the HOME Loan Leasehold Deed of Trust, executed and acknowledged by Developer; (c) the City HOME Loan Regulatory Agreement, executed and acknowledged by Developer; and (d) the Memorandum, executed and acknowledged by Developer. Within ten (10) days after the Funding Conditions Satisfaction Date but no later than the date that is five (5) days prior to the anticipated closing date of the Construction Escrow, and prior to City's disbursement of any City HOME Loan proceeds to Developer, City shall execute the City HOME Loan Regulatory Agreement and the Memorandum, and shall cause the City HOME Loan Regulatory Agreement, the Memorandum, and the HOME Loan Leasehold Deed of Trust to be recorded in the Official Records of Orange

County, California. In the event the Funding Conditions are not satisfied and this Agreement is terminated pursuant to Section 2.3, City shall return to Developer the documents delivered by Developer to City pursuant to this Section.

3. GROUND LEASE AND DEVELOPMENT OF THE PROJECT.

3.1 Leasehold Interest in Property. The Property is currently owned by the Land Trust, and is subject to the Ground Lease. Developer shall keep City informed of the status of the Option to Ground Lease, including any amendment thereto or termination thereof. City shall have the right to approve the form of any amendment to the Ground Lease before it is executed for the limited purpose of confirming that terms and conditions of this Agreement are satisfied. Upon execution of any amendment to the Ground Lease by Developer and Land Trust, Developer shall deliver a copy of the executed amendment to City.

3.2 Scope of Development. Developer shall develop the Project on the Property in strict accordance with the plans and drawings approved by City. If Developer desires to make any change in any approved development or building plans, the proposed change shall be submitted to City for approval. Developer shall be responsible for all construction and installation and for obtaining all necessary permits and approvals.

3.3 Development Approvals and Permits. Prior to commencement of the grading of the Property, Developer shall, at its own expense, secure or cause to be secured the grading permit from City and all permits, licenses and approvals which may be required by any governmental agency having jurisdiction over the Property and the Project other than building permits. Prior to commencement of development of any other improvements to the Property, Developer shall have obtained, at its own expense, approval of the final plans for the Project and the building permits for the Project.

3.4 Construction Contract. Developer acknowledges that the requirements of Section 3.5 of this Agreement shall apply to the construction contracts and subcontracts for the Project and Developer shall ensure compliance with all such provisions and requirements. If applicable to the Project and not exempt from HOME Requirements, Developer shall cause the inclusion of the applicable classification and wage rate determination for the Project in the construction contract for the Project which, if authorized by law, may be satisfied by Developer incorporating by reference said classification and wage rate determination.

3.5 Third Party Contracts. If Developer enters into any agreements ("**Third Party Contracts**") with contractor(s) for the construction of the Project ("**Other Contracting Party**"), such Third Party Contract shall be subject to the reasonable approval of City and must be consistent with the terms of this Agreement. Developer shall include in all Third Party Contracts the following minimum requirements: (a) provisions for the Other Contracting Party to comply with all terms of this Agreement to the extent applicable to the work or services provided by the Other Contracting Party, and all applicable legal requirements, including the HOME Requirements; (b) provisions for the Other Contracting Party to cooperate with City and make available to City all information, documents, and records reasonably requested by City in connection with the activities under this Agreement; (c) provisions for City to be granted the right of access to the Property for purposes of this Agreement and evaluating Developer's

performance hereunder; and (d) a provision naming City as an intended third party beneficiary with the right but not the obligation to enforce the agreement upon the occurrence of and during the continuance of a default under the relevant Third Party Contract. In connection with the preceding sentence, City shall have the right to require Developer to terminate the Third Party Contract if such default occurs. If Developer believes that any of the HOME Requirements are not applicable to a Third Party Contract, it is Developer's responsibility to provide to City evidence that the requirement is not applicable; however, it is ultimately Developer's responsibility to include all legal requirements in its Third Party Contracts and City shall have no liability for Developer's failure to comply with this obligation. In connection therewith, any statement made by City to Developer as to the non-applicability of a particular legal requirement shall be provided as an accommodation to Developer and as a statement of City's opinion, but shall not be relied upon by Developer or excuse Developer from Developer's responsibility to include all applicable legal requirements in its Third Party Contracts or to comply with such requirements. Developer acknowledges that City's approval of a Third Party Contract shall in no way constitute an assumption by City of any responsibility whatsoever for the construction of the Project or performance of any activity that is the subject of the Third Party Contract, or Developer's or the Other Contracting Party's compliance with applicable laws, statutes, ordinances, codes, rules and regulations, or Developer's compliance with this Agreement. In connection therewith, City assumes no responsibility or liability for any act or omission of any Other Contracting Party and in no way guarantees any of the work to be done or materials to be supplied or services to be performed. Developer shall comply with all terms of Third Party Contracts.

3.6 No Debarred, Suspended, or Ineligible Parties. Developer shall not employ, engage the services of, or award any contractors to any party that is debarred, suspended, or otherwise ineligible to participate in a project that is receiving HOME Funds pursuant to the HOME Requirements. Developer shall provide to City such certifications as required by City demonstrating compliance with this Section.

3.7 Construction Meeting. Developer shall attend and cause the contractor(s) for the Project to attend any construction meetings or conferences arranged by City among the contractor, Developer, and City, including pre-construction meetings, relating to undertaking and completing the Project in conformance with this Agreement and applicable local, state, and federal laws. The requirements in this section may be satisfied by a regular monthly meeting arranged by Developer and attended by Developer and the respective representatives of the contractor(s) and City, as may be needed.

3.8 Schedule of Performance.

(a) Subject to subsection (b) below and the force majeure provisions of Section 9.3 of this Agreement, Developer shall commence, prosecute, and complete construction of the Project within the time set forth in the Schedule of Performance. Construction shall be continuously and diligently pursued to completion and shall not be abandoned for more than ten (10) consecutive business days, except when due to causes beyond the control and without the fault of Developer, as set forth in Section 9.3 of this Agreement. The Schedule of Performance is subject to revision from time to time as may be mutually agreed upon in writing between Developer and City. During the course of

construction, Developer shall, if requested by City, provide to City monthly written reports on the progress of construction.

(b) In the event that the Funding Conditions are not satisfied by the time for performance identified as Item #4 in the Schedule of Performance because (i) Developer was unable to close the Construction Escrow by such date due to the unavailability of all financing specific to the construction of the Project as approved by the City, and (ii) the inability of Developer to close the Construction Escrow was not caused by Developer's failure to diligently pursue such financing, then the Contract Officer may extend the times for performance in the Schedule of Performance according to the following: (a) the Funding Conditions (Item #4 in the Schedule of Performance) shall be satisfied, and the Construction Escrow shall close no event later than March 21, 2016, unless a later deadline is mutually approved by the Developer and City; and (b) Developer shall commence or cause the commencement of the grading of the Property and the construction of the vertical improvements for the Project (Items #7 & #8 in the Schedule of Performance) no later than two (2) months after the close of the Construction Escrow. Except as provided in this subsection (b), the times for performance shall remain as set forth in the Schedule of Performance. The Contract Officer may not unreasonably withhold his/her approval of any requested extension of Items #4, #7 and #8 as contemplated by this Section 3.8(b); provided, however, in the event the Contract Officer does not extend such time for performance, then Developer or the City may terminate this Agreement (and all related documents) by written notice delivered to the other party, and any funds disbursed to Developer shall be returned to the City without any further liability of Developer or the City.

3.9 Rights of Inspection. Representatives of the City shall have a reasonable right of access to the Property during normal business hours for the purposes of this Agreement, including, but not limited to, the inspection of the work being performed. Developer shall cooperate with, and shall cause the contractor and any subcontractor to cooperate with, City in connection with its inspection and access rights. It is understood that City does not by this Section 3.9 assume any responsibility or liability for a negligent inspection or failure to inspect. All inspections by City or on behalf of City, approvals of payment requests by City and other actions by City in connection therewith are not to be construed as a representation by City that there has been compliance with any permits or plans and specifications, legal requirements, or that the Project is free of defects in materials or workmanship. Any inspections or determinations made by City or lien waivers, receipts, or other agreements, documents, and instruments obtained by City are made or obtained solely for City's own benefit and not in any way for the benefit or protection of Developer. City has no obligation to Developer to ensure compliance by the contractor or any other person in carrying out such construction. No such inspections or review will limit any of the rights and remedies of City pursuant to this Agreement.

3.10 Insurance. Developer shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance:

(a) *Commercial General Liability Insurance.* A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of One Million Dollars ($1,000,000) or its equivalent.

(b) *Worker's Compensation Insurance.* A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California if Developer has employees.

(c) *Builder's Risk.* Builder's risk coverage written on a completed value basis in an amount equal to the full replacement cost of the improvements with coverage available on the so-called non-reporting "all risk" form of policy, including coverage against collapse, fire, and water damage, with such insurance to be in such amounts and form and written by such companies as shall be approved by City. City agrees to accept a builder's risk insurance policy from Developer's general contractor in conformance with the requirements set forth herein, including without limitation the requirement that City be named as a loss payee.

(d) *Automobile Liability Insurance.* Automobile liability insurance (bodily injury and property damage liability) which coverage shall include owned, hired, and non-owned automobiles, with limits of liability of not less than Five Hundred Thousand Dollars ($500,000.00) combined single limit per accident for bodily injury and property damage combined.

All of the above policies of insurance shall be primary insurance and except for the Worker's Compensation Insurance shall name the City, its officers, employees and agents as additional insureds or, with respect to the builder's risk policy, as a loss payee. Said policies shall be satisfactory only if issued by companies qualified to do business in California and rated A:VII or better in the most recent edition of the Best Rating Guide. The insurer shall waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. All of said policies of insurance shall provide that said insurance may not be amended or canceled without providing thirty (30) days prior written notice by registered mail to City. In the event any of said policies of insurance are canceled, Developer shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 3.10 to the Contract Officer. The foregoing obligations shall remain in effect until the completion of the Project, at which time Developer shall maintain the insurance set forth in the City HOME Loan Regulatory Agreement.

Developer agrees that the provisions of this Section 3.10 shall not be construed as limiting in any way the extent to which Developer may be held responsible for the payment of damages to any persons or property resulting from Developer's activities or the activities of any person or persons for which Developer is otherwise responsible. No later than the Insurance Approval Date, Developer shall provide evidence of the above-required insurance (such as Certificates of Insurance of appropriate insurance binders) and obtain approval thereof from the Contract Officer, which approval shall not be unreasonably withheld or delayed and may be waived in Contract Officer's sole and absolute discretion. As used herein, the term "**Insurance Approval Date**" shall mean the date that is the date that is five (5) days prior to the anticipated

closing date of the Construction Escrow. City's approval of Developer's insurance is a Funding Condition.

3.11 Financing the Project.

3.11.1 Developer Responsible for Cost of Development. Except to the extent City has specifically agreed to provide the City HOME Loan pursuant to Section 2 of this Agreement, and the City Loan pursuant to the Affordable Housing Agreement, Developer shall be responsible for all costs of developing the Project, including but not limited to: Predevelopment costs incurred for items such as planning, design, engineering, and environmental remediation; all development and building fees; the cost incurred to demolish and clear any and all existing improvements, furnishings, fixtures, and equipment from the Property requiring removal; relocation expenses payable to existing occupants of the Property; costs for insurance and bonds (as required); costs for financing; all on-site construction costs; legal fees and any necessary public improvements not already provided to the Property under the Project.

3.11.2 Permitted Encumbrances. Developer may mortgage or encumber its leasehold interest in the Property in order to finance the development and operation of the Project, provided that the terms of any such loan and loan documents are reasonably approved by City and the mortgage or encumbrance (deed of trust) complies with one of the following: (a) a deed of trust(s) that secures the Bank Loan Funds and the CCRC Deed of Trust; or (b) a deed of trust securing financing for the development and operation of the Project for which the cumulative amount of the loans encumbering the Property does not exceed: (i) prior to the completion of construction of the Project, ninety percent (90%) of the appraised as-completed value of the Property plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, and (ii) after the completion of construction of the Project, ninety percent (90%) of the appraised value of the Property plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, with said values evidenced by an appraisal or other evidence acceptable to City ("**Permitted Encumbrances**").

3.11.3 Evidence of Financial Capability. No later than the date that is five (5) days prior to the anticipated closing date of the Construction Escrow, Developer shall submit to City evidence reasonably satisfactory to City that Developer has the financial capability necessary to develop the Project pursuant to this Agreement and the Project Budget. Such evidence of financial capability shall include the following:

(a) a copy of the commitment or loan agreement obtained by Developer for each source of funds to assist in financing the construction of the Project. All copies of commitments submitted by Developer to City shall be certified by Developer to be true and correct copies thereof. Each commitment for financing shall be in such form and content acceptable to City as reasonably evidences a firm and enforceable commitment, with only those conditions which are standard or typical for the lender involved for similar projects;

(b) if the total costs set forth in the Project Budget exceed the amount of financing commitments received pursuant to subparagraph (a) above, a financial statement and/or other documentation reasonably satisfactory to City sufficient to demonstrate that Developer has adequate funds available and committed to cover such difference; and

(c) a copy of the guaranteed maximum price or stipulated sum construction contract between Developer and its general contractor for all of the improvements required to be constructed by Developer hereunder, certified by Developer to be a true and correct copy thereof.

3.11.4 Subordination. The City Manager of City and the Community Development Director or their respective designees each shall have the authority on behalf of City to enter into subordination agreements, intercreditor agreements, and other similar agreements; provided, however, that nothing herein shall obligate City to subordinate its financing except that City shall subordinate the HOME Loan Leasehold Deed of Trust to the priority lien(s) (deeds of trust) securing the Bank Loan Funds and the City Loan by subordination agreements approved in form by City in its reasonable discretion. City shall also subordinate the City HOME Loan Regulatory Agreement to the Bank Loan Funds provided the Land Trust's fee interest in the Property remains senior. The Land Trust's fee interest in the Property shall be senior to all liens (deeds of trust) securing financing for the Project and shall continue to apply to the Project and the Property in the event of a foreclosure (or deed in lieu thereof) by any lienholder.

4. USE OF THE PROPERTY; PROGRAM ACTIVITIES.

4.1 General. Developer and its successors and assigns shall use, operate, and maintain the Property as a rental housing project in accordance with the provisions of this Agreement and the City HOME Loan Regulatory Agreement, consistent with the HOME Requirements. The City HOME Loan Regulatory Agreement contains provisions requiring the units on the Property be maintained as affordable rental units for a period of twenty (20) years.

4.2 Ground Lease. Developer shall comply with each and every condition, responsibility, and obligation it may have pursuant to the Ground Lease in order not to cause a default thereunder. Developer shall not amend or modify the Ground Lease in any respect inconsistent with this Agreement or any of the agreements attached hereto or in any respect that affects the rights of City as a leasehold mortgagee without the prior written consent of City, which consent City may withhold in its reasonable discretion. Developer shall provide to City notice of any defaults or notices of default under the Ground Lease.

4.3 Program Activities. Developer shall operate the Program and perform all Program Activities in a competent, professional, and first class manner and to the satisfaction of City in its reasonable discretion and in accordance with this Agreement. In addition, Developer shall operate the Program and perform the Program Activities in compliance with the HOME Requirements and the legal requirements set forth in Attachment No. 3 attached to this Agreement and the statutes referenced therein. In addition to the reports referred to in Section 5.2, Developer shall, if requested by City, provide to City quarterly written reports on the

progress of any Program Service. Developer shall cause the Program Activities to be performed by Developer or Developer Personnel under Developer's direct supervision, and shall ensure that all Developer Personnel engaged in the Program Activities are fully qualified and authorized and permitted under applicable law to operate the Program. Developer shall secure, at its sole cost and expense, any and all licenses, permits and approvals that may be required by law for the performance of the Program Activities. Developer shall be responsible for all costs related to the Program.

4.4 Management. If any manager or supervisor of the Program engages in any of the conduct that is not in compliance with Section 4.6 or knowingly allows such conduct to occur at the Property or by Developer Personnel, or knowingly allows illegal activity to occur at the Property, City shall have the right to require that Developer immediately replace such manager or supervisor for the Program.

4.5 Drug Free Covenant. Developer shall use its best efforts to maintain a drug free environment on the Property. Developer covenants to City that Developer shall use its best efforts pursuant to Section 4.7 of this Agreement to ensure that all persons residing on the Property shall not unlawfully manufacture, distribute, dispense, possess, or use controlled substances as defined in 21 United States Code section 812 and California Health and Safety Code section 11007, or successor statutes, and as prohibited by City law.

4.6 Program Defaults. If Developer shall or permit Developer Personnel to:

(a) engage in any act injuring, abusing, mistreating, or endangering any employee or client of the Program or other persons receiving services under the Program, including any tenants or occupants of the Project as reasonably determined by City; or

(b) fail to use best efforts in violation of Section 4.5 above; or

(c) engage in any act or transgression that, in the reasonable judgment of City, may cause embarrassment to City, reflect adversely upon the City or its funding programs or upon Developer, tend to bring the Program into public disrepute, contempt, scandal, or ridicule, or tend to shock, insult or offend the community or public morals or decency, then

Developer and City agree to meet and confer within ten (10) days of the request of City to determine a resolution reasonably acceptable to City and Developer agrees to thereafter promptly implement the resolution. The failure of Developer to implement the resolution shall constitute a default under this Agreement ("**Program Default**").

4.7 Occupants of Housing Facilities. To the extent permitted by applicable law, Developer shall include in its occupancy or lease agreements with the persons residing in the facility ("**Occupants**") a requirement that the occurrence of any illegal activity by the Occupant, or by Occupant's guests at the Property, shall be grounds for immediate termination of the Occupant's right to reside within the housing facility and City shall have the right to require that Developer enforce such provision.

4.8 Monitoring. City shall monitor and evaluate Developer's performance under this Agreement to determine compliance with this Agreement and the HOME Requirements. Developer shall reasonably cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide City the reasonable right of access to the Property and the affordable units during normal business hours for the purpose of assuring compliance with this Agreement and evaluating Developer's performance hereunder.

4.9 Compliance with Laws and Regulations and HOME Requirements. Developer shall carry out the design, construction and operation of the Project, and operate the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the HOME Requirements and the legal requirements set forth in Attachment No. 3 attached to this Agreement and the statutes referenced therein, the City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and, if applicable to the Project, all federal and state fair labor standards and prevailing wage requirements. Because the source of the City HOME Loan is funds received from HUD pursuant to the federal government's HOME program, Developer is required to comply with all applicable HOME Requirements. In the case of any conflict between the HOME Requirements and this Agreement, the HOME Requirements shall control; it being understood, however, that in order to be in compliance with this Agreement and the HOME Requirements, Developer shall, to the extent possible, comply with the most restrictive provisions in this Agreement and the HOME Requirements. Each and every provision required by law to be included in this Agreement shall be deemed to be included, and this Agreement shall be read and enforced as though all such provisions were included. Developer acknowledges and agrees that it shall be and remain, and shall cause the Developer Personnel to be and remain, fully knowledgeable and apprised of all local, state and federal laws, rules and regulations in any manner affecting the performance under this Agreement, including the HOME Requirements. Developer shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, expense and/or "increased costs" (including reasonable attorneys' fees, court and litigation costs, and fees of expert witnesses) that results or arises in any way from any of the following: (a) the noncompliance by Developer or Developer Personnel of any applicable local, state and/or federal law, including, without limitation, any applicable federal and/or state labor laws (including, without limitation, if applicable, the requirement to pay state or federal prevailing wages and hire apprentices); (b) the implementation of Section 1781 of the California Labor Code, as the same may be amended from time to time, or any other similar law, by Developer or Developer Personnel; and/or (c) failure by Developer or Developer Personnel to provide any required disclosure or identification as required by Labor Code Section 1781, as the same may be amended from time to time, or any other similar law. The foregoing indemnity shall survive termination of this Agreement.

4.10 Program Income. Developer shall submit to City annual reports as set forth in Section 5.2 on all program income as defined 24 C.F.R. 92.503(a) generated by activities carried out with HOME Funds, if any. The program income shall, at City's election, (a) be returned to City or (b) retained by Developer and utilized for the Project expenses set forth in the Project Budget or such other activities approved in writing by City, in which case all provisions of this Agreement shall apply to the activities funded by the program income. Upon the completion of

the Project or the earlier termination of this Agreement, all unused program income shall be returned to City at the election of City.

4.11 Relocation. City shall not be responsible for relocating any occupants from the Property to the extent any occupants are located on the Property. If relocation is required, Developer shall have the sole and exclusive responsibility for providing relocation assistance and paying all relocation costs required to comply with all applicable federal and state laws, rules, and regulations. Developer shall indemnify, defend, and hold City harmless from and against any claims, liabilities, damages, or losses made against it by tenants or occupants of the Property, including without limitation claims for relocation assistance, inverse condemnation, and claims otherwise arising from any act or omission of Developer pursuant to this Section 4.10.

4.12 Affordability Covenants. Developer acknowledges and agrees that the Income Restricted Units on the Property will be required to be maintained as affordable rental units in accordance with the City HOME Loan Regulatory Agreement.

4.13 Indemnification. Developer shall indemnify, defend, and hold harmless City and its officers, officials, employees, representatives and agents (collectively, the "**Indemnitee**") from and against any and all claims, causes of action, liabilities, and damages arising out of any acts or omissions of Developer or Developer's officers, employees, contractors, and agents, in the performance under this Agreement and the agreements attached hereto and/or with respect to the Property including the construction of the Project thereon. The Indemnitee shall promptly notify Developer of the filing of any such action and cooperate with Developer in the defense thereof (at no cost to Indemnitee).

4.14 Extended Use Agreement. City acknowledges that Developer and the California Tax Credit Allocation Committee have or intend to enter into an extended use agreement pursuant to Section 42(h) of the Internal Revenue Code ("**Extended Use Agreement**") which will be recorded against the Property. City acknowledges that, in the event of a foreclosure of its interest under the HOME Loan Leasehold Deed of Trust or delivery by Developer of a deed in lieu thereof (collectively, a "**Foreclosure**"), pursuant to Sections 42(h)(6)(E)(ii) of the Internal Revenue Code, for a period of three (3) years from the date of Foreclosure, with respect to any unit that had been regulated by the Extended Use Agreement, (i) none of the eligible tenants occupying those units at the time of Foreclosure may be evicted or their tenancy terminated (other than for good cause), (ii) nor may the rent of any such eligible tenant be increased except as otherwise permitted under Section 42 of the Internal Revenue Code.

5. RECORDS AND REPORTS.

5.1 Records.

5.1.1 Records to be maintained. Developer shall keep and maintain records providing a full description of the Program Activities undertaken, records demonstrating that the Program Activities meet the HOME Requirements, records demonstrating the eligibility of the activities constituting the Eligible HOME Loan Expenses, and such other records as may be reasonably required by City to enable City to evaluate Developer's compliance with the HOME Requirements, to identify and account for the use of the City HOME Loan proceeds and

expenditures of Eligible HOME Loan Expenses and all costs pertaining to this Agreement, and to enable City to comply with City's recordkeeping and reporting requirements under the HOME Requirements. Books and records pertaining to the Eligible HOME Loan Expenses shall be kept and prepared in accordance with generally accepted accounting principles.

5.1.2 Retention. The books and records required to be maintained by Developer under this Agreement shall be retained for a period of five (5) years following the date that all units in the Project have received all required occupancy permits from the City; provided, however, in the event any litigation, audit, negotiation, or other action involving the books and records is commenced prior to the expiration of the five (5) year retention period, Developer shall retain the books and records until completion of the action and resolution of all issues which arise from it.

5.1.3 Location of Records. The books and records required to be maintained by Developer shall be kept at the Property or at the office of Developer or such other location in Orange County, California, approved by City.

5.1.4 Access to Records. City and HUD and/or their representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Developer pertaining to this Agreement at all times during normal business hours upon 48 hours prior written notice to Developer.

5.1.5 Audits. Developer shall perform all audits of its books and records required by HUD, the HOME Requirements or reasonably required by City and a copy of such audits shall be forwarded to the City within thirty (30) days after completion. Developer shall be subject to all audit and review requirements imposed on City in connection with this Agreement and shall, at its sole cost and expense, cause such audits and reviews to be timely performed.

5.2 Reports.

5.2.1 Reports During and Post-Construction. No later than fifteen (15) days after the end of each Quarter prior to the Construction Completion Date, and no later than thirty (30) days after the end of each calendar year after the Construction Completion Date, Developer shall submit to City, for the duration of the term of this Agreement, the following reports on forms approved by the Contract Officer:

(a) *Performance Reports.* A report on the summary of the Program Activities and activities undertaken by Developer under this Agreement for the previous Quarter or calendar year, as applicable ("**Performance Report**"). The Performance Report shall, at a minimum, describe the status of each Program Activity required to be performed and met during that Quarter or calendar year (as applicable), progress towards completing the other Program Activities, costs incurred, funds remaining, a narrative explanation of problems, delays, or adverse conditions which impaired the ability of Developer to meet any obligations if any were not met, favorable developments which enabled Developer to satisfy obligations and meet objectives sooner or at less cost than anticipated or

producing more beneficial results than planned, and any additional pertinent information related to contract performance.

(b) *Program Income.* A report on the program income generated for the Quarter or calendar year (as applicable), if any, as more fully explained in Section 4.10 of this Agreement, which shall include a description of the expenditures of program income and a progress report for the activities funded by the program income if Developer is permitted to retain program income.

5.2.2 Other Reports. In addition to the reports referenced in Section 5.2.1, Developer shall, at such times and in such forms as reasonably required by City, prepare and submit to the Contract Officer, such other reports concerning the performance of the Program Activities, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement and compliance with applicable HOME Requirements, as City may reasonably require from time to time.

6. TERMINATION.

6.1 Termination. In addition to any other termination provision set forth in this Agreement, this Agreement may be terminated by City as follows:

(i) *Lack of Funding.* If, for any reason beyond the control of City, the HOME Funds required by City to fund the Eligible HOME Loan Expenses are withdrawn from City by HUD, the City may unilaterally terminate or modify the terms of this Agreement to reflect the loss of funding, without liability to Developer. This subdivision shall not be applicable after the date the City has disbursed to Developer (i) the funds for the City HOME Loan or (ii) City obtains, at City's election and in its sole discretion, another source of funds acceptable to Developer, in Developer's sole discretion.

(ii) *Default.* If a default shall occur under this Agreement that is not cured within an applicable notice and cure period (other than a default of City), City may terminate this Agreement in whole or in part.

(iii) *Failure to Receive Environmental Clearance.* In accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," HUD or the state does not approve the Request for Release of Funds (RROF) and related certifications for the Project and the Project is not otherwise exempt such that no RROF is required.

(iv) *Termination for Convenience.* This Agreement may be terminated by City for convenience as provided in 24 C.F.R. § 85.44.

6.2 Obligations Survive Termination. Notwithstanding the expiration or earlier termination of this Agreement, Developer's obligations to City shall not terminate until all closeout requirements are completed. In addition, the following obligations of Developer shall survive the termination of this Agreement: (a) Developer's indemnity obligations; (b) the obligation to cause audits to be performed relating to Developer's activities and costs under this Agreement; (c) the obligation to repay to City the City HOME Loan proceeds improperly disbursed to Developer or disbursed or used for ineligible expenditures; and (d) any other

obligations which cannot by their nature be performed until after the expiration of the Agreement. No termination under this Agreement shall release either party then in default from liability for such default.

7. DEFAULTS AND REMEDIES.

7.1 Defaults-General. The occurrence of any of the following shall be deemed a default under this Agreement:

(a) The failure or delay by either party to perform any term or provision of this Agreement if such failure is not cured, corrected or remedied within any specific time period set forth in this Agreement.

(b) If no other specific time period is set forth herein, the failure to cure a monetary default under this Agreement (other than any monetary defaults specifically listed in any of the other subparagraphs of this Section 7.1) within ten (10) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default.

(c) If no other specific time period is set forth herein, the failure to cure a non-monetary default under this Agreement (other than any non-monetary defaults specifically listed in any of the other subparagraphs of this Section 7.1) within thirty (30) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default; provided, however, that if the failure cannot be corrected within such period, it shall not constitute a default if the failure is correctable without material adverse effect on the Property, and if corrective action is instituted by Developer within such period and diligently pursued until the failure is corrected, and provided further that any such failure is cured within ninety (90) days of receipt of notice of such failure.

(d) Subject to Section 9.3, Developer does not proceed with the commencement, construction and completion of the Project as herein provided.

(e) Subject to Section 9.3, work ceases on the Project for ten (10) consecutive business days.

(f) The occurrence of a Program Default.

(g) Subject to the notice and cure provisions in Subsection (c) above, any of the warranties or representations made by Developer herein are or become false, incorrect or misleading in any material respect.

(h) Developer commits any act of bankruptcy or if any relief under the federal Bankruptcy Act is sought by or against Developer, or if a receiver is appointed to take charge of the assets or affairs of Developer, or if Developer should make an assignment for the benefit of creditors, or if Developer should become insolvent, or upon any liquidation or termination of Developer; provided, however, that if any such proceeding

is brought involuntarily against Developer, Developer shall have ninety (90) days to obtain the dismissal of such proceeding.

(i) The filing of a notice of judgment lien against Developer, or the recording of any abstract of judgment against Developer, or the service of a notice of levy and/or of a writ of attachment or execution, or other like process, against the assets of Developer, or the entry of a judgment, order or decree against Developer, any or all of which would have a material and adverse effect upon Developer's ability to perform under this Agreement, unless the same is dismissed within ninety (90) days.

(j) There is a default by Developer of the Affordable Housing Agreement, City Loan Promissory Note, City Loan Leasehold Deed of Trust, City Loan Regulatory Agreement, or Density Bonus Agreement, after expiration of any notice and cure periods in the applicable agreement(s).

(k) Developer shall default under the Ground Lease and such default is not cured within any notice and cure period expressly provided in the Ground Lease.

(l) Developer shall default in the payment or performance of any obligation, or any defined event of default, under the terms of any contract or instrument pursuant to which Developer has incurred any debt or other liability to City, or any other person or entity that has an interest secured by a lien recorded against the Property, which default is not cured within any grace and cure period expressly provided in such contract or instrument.

The party in default shall provide to the other party immediate written notice of the occurrence of any event that would constitute a default hereunder.

7.2 Remedies Upon Default. In addition to any other rights or remedies available at law or in equity, upon a default under this Agreement (other than a default of City) that is not cured within any applicable notice and cure periods herein, City may take one or more of the following actions:

(i) Wholly or partially suspend or terminate this Agreement.

(ii) Withhold further awards for the Project, including further disbursements of the City HOME Loan.

(iii) Require Developer to repay the City HOME Loan funds.

(iv) Institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement.

In addition to the foregoing, City shall have the right to withhold disbursements of City HOME Loan proceeds during such period as may be necessary to determine whether a default has occurred and during any cure period. Upon the occurrence of an event which, with the passage of time or the giving of notice, would constitute a default under this Agreement (other

than a default of City), City may temporarily withhold disbursements of City HOME Loan proceeds pending correction of the default by Developer.

In addition to Developer's cure rights hereunder, NEF Assignment Corporation, as nominee, or its successors and assigns pursuant to this Agreement ("**Investor**"), for so long as Investor is a limited partner investor in Developer, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Agreement and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Agreement; provided however, if the non-monetary default is incapable of being cured within thirty (30) days, Investor shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. Developer shall have the obligation to deliver to City written notice of any change in the Investor's mailing address from the address set forth in Section 9.1 for purposes of delivering any default notice. City shall accept any cure made by Investor as if made by Developer, but failure by City in timely delivering a default notice to Investor shall not be a default or breach by City under this Agreement.

Except as otherwise expressly provided in this Agreement, any failure or delay by a party in giving a notice of default or in asserting any of its rights and remedies as to any default shall not constitute a waiver of any default, nor shall it change the time of default, nor shall it deprive such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

7.3 Institution of Legal Actions and Venue. In addition to any other rights or remedies, either party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that county.

7.4 Applicable Law. The internal laws of the State of California without regard to conflict of law principles shall govern the interpretation and enforcement of this Agreement.

7.5 Rights and Remedies are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Attorney's Fees. If either party to this Agreement is required to initiate or defend litigation in any way connected with this Agreement, the prevailing party in such litigation, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees from the losing party. If any party to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other party, then the party so litigating shall be entitled to reasonable attorney's fees from the other party to this Agreement. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other

reasonable costs for investigating such action, retaining expert witnesses, taking depositions and discovery, and all other necessary costs incurred with respect to such litigation.

8. REPRESENTATIONS AND WARRANTIES OF DEVELOPER.

Developer makes the following representations and warranties as of the date of this Agreement and agrees that such representations and warranties shall survive and continue thereafter:

(a) *Authorization and Validation.* The execution, delivery and performance by Developer of this Agreement (i) are within the powers of Developer and upon its execution will constitute a legal, valid and binding obligation of Developer enforceable in accordance with its terms, and (ii) to Developer's knowledge will not violate any provisions of law, any order of any court or other agency of government, or any indenture, agreement or any other instrument to which Developer is a party or by which Developer, or any of its property, is bound, or be in conflict with, result in any breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of its property or assets, except as contemplated by the provisions of this Agreement.

(b) *Correct Information.* To Developer's knowledge, all reports, papers, data and information given to City with respect to Developer and this Agreement, including the Property and Program are accurate and correct in all material respects and complete insofar as completeness may be necessary to give City a true and accurate knowledge of the subject matters thereof, and there has been no change in such information.

(c) *Defaults.* Developer is not a party to any agreement or instrument that will interfere with its performance under this Agreement, and is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions set forth in any agreement or instrument to which it is a party would have an adverse effect on its ability to perform its obligations under this Agreement.

(d) *Pending Litigation.* There is not now pending, or to Developer's knowledge threatened, against or affecting Developer any claim, investigation, action, suit or proceeding at law, or in equity, or before any court or administrative agency which, if adversely determined, would impair or affect the Property or Developer.

(e) *Compliance.* Developer has examined and is familiar with all conditions, restrictions, reservations and ordinances affecting the Property and Project.

9. GENERAL PROVISIONS.

9.1 Notices, Demands, and Communications Between the Parties. Formal notices, demands, and communications between City and Developer shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, (c) mailing in the United States mail,

certified or first class mail, postage prepaid, or (d) delivery by electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed to::

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices delivered by email shall be deemed effective the next business day, not less than 24 hours, following the date of transmittal and confirmation of

delivery to the intended recipient. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

9.2 Nonliability of City Officials and Employees. No member, official, employee, or contractor of City shall be personally liable to Developer in the event of any default or breach by City or for any amount which may become due to Developer or on any obligations under the terms of this Agreement.

9.3 Enforced Delay; Extension of Times of Performance. Time is of the essence in the performance of each of the parties' respective obligations set forth in this Agreement. In addition to specific provisions of this Agreement, and except as expressly set forth in this Section 9.3, performance by either party hereunder shall not be deemed to be in default and such party shall be entitled to an extension of time to perform its obligations hereunder where delays in performance are due to causes beyond the control and without the fault of such party, including as applicable: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplies that are not caused by Developer; acts of the other party; acts or the failure to act of City or any other public or governmental agency or entity that are not caused by Developer; or other causes beyond the reasonable control of the party. Notwithstanding the foregoing, Developer's inability to secure satisfactory financing, interest rates, and market and economic conditions shall not entitle Developer to an extension of time to perform. An extension of time for any cause permitted under this Section 9.3 shall be limited to the period of the enforced delay, which period shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of knowledge of the commencement of the cause. If no written notice is sent within thirty (30) days, for purposes of measuring the extension period for performance of the obligation in question, the period of the enforced delay shall commence to run from the date written notice is sent to the other party. Times of performance under this Agreement may be extended by mutual written agreement of City and Developer.

9.4 Inspection of Books and Records. City shall have the right at all reasonable times to inspect the books and records of Developer pertaining to the Property and the Project as pertinent to the purposes of this Agreement.

9.5 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against any party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply. The section headings are for purposes of convenience only, and shall not be construed to limit or extend the meaning of this Agreement.

9.6 Entire Agreement, Waivers and Amendments. This Agreement integrates all of the terms and conditions mentioned herein, or incidental hereto, and supersedes all negotiations and previous agreements between the parties with respect to the City HOME Loan. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities

of the party to be charged, and all amendments and modifications hereto must be in writing and signed by the appropriate authorities of City and Developer. The City hereby authorizes the Director of Community Development for the City of Irvine or designee, to the extent allowed by federal, state or local law, to approve or consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities, including but not limited to, the execution of any additional agreements, addenda or amendments to effectuate the purpose of this Agreement and the intent of the parties hereto.

9.7 Severability. If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. In the event that all or any portion of this Agreement is found to be unenforceable, this Agreement or that portion which is found to be unenforceable shall be deemed to be a statement of intention by the parties; and the parties further agree that in such event, and to the maximum extent permitted by law, they shall take all steps necessary to comply with such procedures or requirements as may be necessary in order to make valid this Agreement or that portion which is found to be unenforceable.

9.8 Restriction on Transfer of Developer's Rights and Obligations. Developer shall not sell, assign, transfer, mortgage, lease, hypothecate, or convey (collectively, a "Transfer") the leasehold interest in Property, or any part thereof or any of Developer's rights or obligations hereunder without the City's prior written consent, which consent may be granted or withheld in the City's or City Assign's reasonable discretion except for the following ("**Permitted Transfers**"):

(a) Permitted Encumbrances;

(b) a conveyance of the Developer's leasehold interest in the Property under the Ground Lease and/or the Developer's interest in the fee interest in the improvements thereon resulting from the foreclosure of a Permitted Encumbrance (or a deed-in-lieu of such a foreclosure);

(c) the transfer of the Developer's interest in this Agreement, the Developer's leasehold interest in the Property under the Ground Lease and the Developer's fee interest in the improvements thereon by the Developer to a limited partnership in which at least two members of the Developer or their affiliates serve as general partners, or at least two members of the Developer or their affiliates have and maintain a controlling interest in the management and ownership of the limited partnership ("**Partnership**");

(d) any transfer of equity in the Developer that does not change management or operational control of the Project other than to permit the admittance of an affiliate of Innovative Housing Opportunities, Inc. as the managing general partner of the Partnership;

(e) the lease of the Residential Units consistent with the HOME Loan Regulatory Agreement;

(f) the transfer and sale of limited partnership interests in the Partnership;

(g) in the event that any general partner of the Partnership is removed by the limited partner of the Partnership for cause following default under the partnership agreement, the transfer of the general partner interest to an affiliate of the limited partner or a 501(c)(3) tax exempt nonprofit corporation selected by the limited partner and approved by City, in its reasonable discretion, if the successor nonprofit corporation has the same or substantially similar experience, assets and access to capital and private funding as Developer did at the Effective Date of this Agreement;

(h) the transfer of the Project from the Partnership to one of the general partners the Developer or an affiliate of the general partners of the Developer at the end of the tax credit compliance period for the Project; and

(i) any dilution of a general partner's interest in the Partnership in accordance with the Partnership's limited partnership agreement, which limited partnership agreement is subject to approval by City in its reasonable discretion.

Developer acknowledges that the identity of Developer is of particular concern to the City, and it is because of Developer's identity that the City has entered into this Agreement with Developer. Except for pursuant to any Permitted Transfer, no voluntary or involuntary successor in interest of Developer shall acquire any rights or powers under this Agreement.

Developer shall deliver written notice to City requesting approval of any assignment or transfer requiring City approval hereunder. In considering whether it will grant approval to any assignment by Developer of its interest in the Property and this Agreement or any portion thereof, City shall consider factors such as the financial strength and capability of the proposed transferee to perform Developer's obligations hereunder and the proposed assignee's experience and expertise in the planning, financing, development, and operation of similar projects.

No assignment, excluding assignments for Permitted Encumbrances, shall be effective as to City unless and until the proposed assignee and Developer execute and deliver to City an assignment and assumption agreement in form reasonably satisfactory to the Contract Officer and the City Attorney.

9.9 Prohibition Against Assignment and Transfer by City. The City shall not voluntarily assign or transfer its interest in all or any part of this Agreement (which by definition includes all attachments hereto) without Developer's prior written approval, which shall not be unreasonably withheld. Notwithstanding the foregoing sentence, the City may, with the approval of Developer, which shall not be unreasonably withheld or delayed, assign or transfer all or any part of its interest in this Agreement to the Land Trust.

9.10 Third Party Beneficiaries. The Land Trust is an intended third party beneficiary of this Agreement and shall have the right, but not the obligation, to enforce its terms. Except as provided in this Section 9.10, no person or entity other than Developer and the City and the permitted successors and assigns of each of them, shall be authorized to enforce the provisions of this Agreement.

9.11 Authority to Execute Agreement. The persons executing this Agreement on behalf of each party represents and warrants to the other party that by proper action such persons have been duly authorized to execute and deliver this Agreement.

9.12 Contract Administration and Approvals. The Contract Officer shall be the person designated by City to administer this Agreement on behalf of City and such administrative authority shall include but not be limited to the right to approve extensions of time on behalf of City and to issue waivers, and the Developer Representative shall be the person designated by Developer to administer this Agreement on behalf of Developer. The City Manager and the Community Development Director (or their respective authorized representatives) each shall have the authority to consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities concerning the City HOME Loan, including but not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of City as specified herein.

9.13 Covenants to Run with the Land. This Agreement shall be binding on Developer's successors in interest in the Property until the date that all units in the Project have received all required occupancy permits and City has verified that all improvements required to be constructed in connection with the Project have been completed ("**Construction Completion Date**"). Accordingly, the provisions of this Section 9.13 shall be applicable until the Construction Completion Date.

This Agreement is designed to create equitable servitudes and covenants running with the Property, in favor of City. The covenants, conditions, restrictions, reservations, equitable servitudes, liens and charges set forth herein shall be binding upon all persons having any right, title or interest in the Property, or any part thereof, their heirs, successive owners and assigns; shall inure to the benefit of City and its successors and assigns, shall be binding upon Developer, its successors and assigns and successors in interest; and may be enforced by City and its successors and assigns. Developer hereby declares its understanding and intent that the burden of the covenants set forth herein touch and concern the land. Developer hereby further declares its understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Property for purposes of affordable housing. City shall have the right to designate real property as benefited by the covenants contained herein during the term of this Agreement. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided herein both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate.

City shall execute, acknowledge, and deliver to Developer upon Developer's request after the Construction Completion Date, a document in recordable form removing the Memorandum from title to the Property. The removal of the Memorandum from title shall not result in a termination of this Agreement as between Developer and City but any party thereafter owning or acquiring Developer's interest in the Property shall not because of such ownership or acquisition

incur any obligation under this Agreement, but such party shall be subject to any other recorded agreements, including without limitation the City HOME Loan Regulatory Agreement and the HOME Loan Leasehold Deed of Trust.

The parties acknowledge that the Memorandum, HOME Loan Regulatory Agreement and HOME Loan Leasehold Deed of Trust recorded against the Property will encumber Developer's leasehold interest in the Property and not the Land Trust's fee interest in the Property.

9.14 Time of the Essence. Time is of the essence in the performance of this Agreement.

9.15 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

9.16 Attachments. This Agreement contains eight (8) Attachments, attached hereto and made a part hereof by this reference. Said Attachments are identified as follows:

1	Legal Description of Property
2	Schedule of Performance
3	Summary of Legal Requirements for HOME Funds

SUMMARY OF LEGAL REQUIREMENTS FOR HOME FUNDS

In addition to the requirements set forth in other provisions of the Agreement, Developer shall comply, and shall cause all Developer Personnel to comply, with the following regulations and requirements.[1]

1. **Use of the HOME Funds**. The City HOME Loan shall be used only for eligible costs (see, e.g., 24 C.F.R. § 92.206, 92.214, 92.300(c), and 92.301), and any development work shall be completed within the times referred to in the Affordable Housing and Loan Agreement between City and Developer.

2. **Affordability**. The HOME Units shall meet the affordability requirements of the HOME Requirements (24 C.F.R. § 92.254) or this Agreement and the City HOME Loan Regulatory Agreement, whichever is more restrictive. If the HOME Units do not meet the affordability requirements of the HOME Requirements for the specified time period, Developer shall repay the City HOME Loan to City promptly upon demand by City. In such event, Developer shall not be released from the affordability and other covenants and restrictions set forth in this Agreement and the City HOME Loan Regulatory Agreement, which shall continue to apply independent of the HOME Requirements.

3. **Equal Opportunity and Nondiscrimination.**

a. **Title VI of the Civil Rights Act of 1964, as amended, including Public Law 88-352 implemented in 24 CFR Part 1**. This law provides in part that no person shall, on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. In regard to the sale or lease of the Property, Developer shall cause or require a covenant running with the land to be inserted in the deed and leases prohibiting discrimination under this Title, and providing that City and the United States are beneficiaries of and entitled to enforce such covenants. Developer shall enforce such covenant and shall not itself so discriminate.

b. **Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended, including Public Law 90-234.** The Fair Housing Act provides in part that there shall be no discrimination in housing practices on the basis of race, color, religion, sex, and national origin. The Fair Housing Act was amended in 1988 to provide protections from discrimination in any aspect of the sale or rental of housing for families with children and persons with disabilities. The Fair Housing Act also establishes requirements for the design and construction of new rental or for-sale multi-family housing to ensure a minimum level of accessibility for persons with disabilities.

[1] **This exhibit is a list and summary of some of the applicable legal requirements and is not a complete list of all Developer requirements. The description set forth next to a statute or regulation is a summary of certain provisions in the statute or regulation and is in no way intended to be a complete description or summary of the statute or regulation. In the event of any conflict between this summary and the requirements imposed by applicable laws, regulations, and requirements, the applicable laws, regulations, and requirements shall apply.**

c. **Section 109 of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq.*, 42 U.S.C. 6101 *et. seq.*, and 29 U.S.C. 794.** This law provides in part that no person on the grounds of race, color, national origin, sex, or religion shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any activity funded in whole or part with funds under this Title.

d. **Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq*.** This law provides in part that any grant under Section 106 shall be made only if the grantee certifies to the satisfaction of the Secretary of HUD that the grantee will, among other things, affirmatively further fair housing.

e. **Executive Order 11246, as amended**. This order includes a requirement that grantees and subrecipients and their contractors and subcontractors not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

f. **Executive Order 11063, as amended, including 24 CFR Part 107.** This order and its implementing regulations include requirements that all actions necessary be taken to prevent discrimination because of race, color, religion, sex, or national origin in the use, occupancy, sale, leasing, rental, or other disposition of property assisted with Federal loans, advances, grants, or contributions.

g. **Section 504 of the Rehabilitation Act of 1973, as amended**. This Act specifies in part that no otherwise qualified individual shall solely by reason of his or her disability or handicap be excluded from participation (including employment), denied program benefits, or subjected to discrimination under any program or activity receiving Federal assistance. Developer must ensure that its programs are accessible to and usable by persons with disabilities.

h. **The Americans with Disabilities Act (ADA) of 1990, as amended.** This Act prohibits discrimination on the basis of disability in employment by state and local governments and in places of public accommodation and commercial facilities. The ADA also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. The Act defines the range of conditions that qualify as disabilities and the reasonable accommodations that must be made to assure equality of opportunity, full participation, independent living, and economic self-sufficiency for persons with disabilities.

i. **The Age Discrimination Act of 1975, as amended**. This law provides in part that no person shall be excluded from participation in, be denied program benefits, or subjected to discrimination on the basis of age under any program or activity receiving federal assistance.

j. **EEO/AA Statement.** Developer shall, in all solicitations or advertisements for employees placed by or on behalf of Developer, state that it is an Equal Opportunity or Affirmative Action employer.

k. **Minority/Women Business Enterprise**. Developer will use its best efforts to afford small businesses and minority and women-owned business enterprises the maximum practicable opportunity to participate in the performance of the Agreement. As used in the Agreement, the term "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women-owned

business enterprise" means a business at least fifty-one percent (51%) owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. Developer may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

l. **Nondiscrimination**. Developer shall comply with the federal requirements and nondiscrimination provisions in 24 C.F.R. § 92.350, which include requirements on nondiscrimination and equal opportunity, disclosure requirements, debarred, suspended or ineligible contractors, and maintaining a drug-free workplace.

4. **Environmental**.

a. **Air and Water**. Developer shall comply with the following regulations insofar as they apply to the performance of the Agreement: Clean Air Act, 42 U.S.C. 7401, *et seq.*; Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, *et seq.*, as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder; and the U.S. Environmental Protection City regulations pursuant to 40 CFR Part 50, as amended.

b. **Flood Disaster Protection Act of 1973**. Developer shall assure that for activities located in an area identified by FEMA as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained.

c. **Lead-Based Paint**. Developer shall comply with the Lead-Based Paint Regulations referenced in 24 C.F.R. 92.355, including 24 C.F.R. Part 35, *et. al.*

d. **Historic Preservation**. Developer shall comply with the historic preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 C.F.R. Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties and related laws and Executive Orders, insofar as they apply to the performance of this Agreement. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a federal, state, or local historic property list.

e. **Limitation on Activities Pending Clearance**. In accordance with 24 C.F.R. § 58.22 entitled "Limitations on activities pending clearance," neither a recipient nor any participant in the development process, including public or private nonprofit or for-profit entities, or any of their contractors, may commit HUD assistance under a program listed in 24 C.F.R. § 58.1(b) on an activity or project until HUD or the state has approved the recipient's Request for Release of Funds (RROF) and the related certifications have been approved. Neither a recipient nor any participant in the development process may commit non-HUD funds or undertake an activity or project that would have an adverse environmental impact or limit the choice of reasonable alternatives. Upon completion of environmental review or receipt of environmental clearance, City shall notify Developer. HUD funds shall not be utilized before this requirement is satisfied. The environmental review or violation of the provisions may result in approval, modification of cancellation of the City HOME Loan. If a project or activity is exempt under 24 C.F.R. § 58.34, or is categorically excluded (except in extraordinary circumstances) under 24 C.F.R. § 58.35(b), no RROF is required and the

recipient may undertake the activity immediately after the City has documented its determination that each activity or project is exempt and meets the conditions specified for such exemption under this section by issuing a Notice to Proceed.

5. **Uniform Administrative Requirements**. Developer shall comply with applicable uniform administrative requirements as described in 24 C.F.R. §§ 92.205.

6. **Other Program Requirements**. Developer shall carry out each activity under the Agreement in accordance with all applicable federal laws and regulations described in Subpart H of 24 C.F.R. § 92 except for City's responsibility for initiating the environmental review process under the provisions of 24 C.F.R. Part 58.

7. **Intentionally Omitted**.

8. **Intentionally Omitted**.

9. **Project Requirements**. Developer shall comply with all project requirements set forth in 24 C.F.R. §§ 92.250-92.258, as applicable in accordance with the type of project assisted.

10. **Property Standards**. Developer shall perform any construction work and maintain the HOME Units in compliance with the property standards in 24 C.F.R. § 92.251 and the lead-based paint requirements in 24 C.F.R. § 92 Part 35, Subparts A, B, J, K, M and R, as applicable.

11. **Records and Reports**. Developer shall provide to City all records and reports relating to the Program Activities that may be reasonably requested by City in order to enable it to perform its recordkeeping and reporting obligations pursuant to the HOME Requirements, including 24 C.F.R. §§ 92.508 and 92.509.

12. **Intentionally Omitted**.

13. **Conflict of Interest.** Developer will comply with 2 C.F.R. Part 200 and 24 C.F.R. 84.42, 85.36 and 92.356, as applicable, regarding the avoidance of conflict of interest, which provisions include (but are not limited to) the following:

i. Developer shall maintain a written code or standards of conduct that shall govern the performance of its officers, employees or agents engaged in the award and administration of contracts supported by Federal funds.

ii. No employee, officer or agent of the Developer shall participate in the selection, or in the award, or administration of, a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

iii. No covered persons who exercise or have exercised any functions or responsibilities with respect to HOME-assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the HOME-assisted activity, or with

respect to the proceeds from the HOME-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee, the Developer, or any designated public agency.

14. Intentionally Omitted.

15. Affirmative Marketing. If the City HOME Loan will be used for housing containing 5 or more assisted units, Developer shall establish for City's review and approval a plan and procedures to affirmatively market the units. The objective of the plan shall be to provide information and attract eligible persons from all racial, ethnic and general groups in the housing market area to the available housing. In connection therewith, Developer shall perform those affirmative marketing responsibilities set forth in 24 C.F.R. § 92.351(a) and the marketing plan shall include the following:

a. methods for informing the public, owners, and potential tenants about federal fair housing loans and the City's affirmative marketing policy;

b. requirements and practices Developer must adhere to in order to carry out the affirmative marketing procedures and requirements;

c. procedures to be used by Developer to inform and solicit applications from persons in the housing market area that are not likely to apply for the housing without special outreach;

d. records that will be kept describing actions taken by Developer to affirmatively market units and records to assess the results of those actions; and

e. a description of how Developer will assess the success of affirmative marketing actions and what corrective actions will be taken where affirmative marketing requirements are not met.

16. Displacement. Consistent with the other goals and objectives of Subpart H of 24 C.F.R. § 92, Developer shall take all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of the Program Activities.

17. Debarment and Suspension. As required in 24 C.F.R. § 92.357, Developer shall comply with all debarment and suspension certifications.

18. Enforcement of Agreement. In addition to the other provisions set forth in the Agreement, City shall have the authority to enforce Developer's obligation to comply with the HOME Requirements.

19. Return of HOME Funds. Upon the completion of the Project or earlier termination of the Agreement, Developer shall transfer to City any HOME funds on hand for which Eligible Loan Expenses have not been incurred and any accounts receivable attributable to

the use of HOME funds. In addition to the foregoing, in the event the Eligible Loan Expenses for which any disbursement of City HOME Loan funds are disbursed are not incurred by Developer within thirty (30) days after City's disbursement, or such longer time as City approves in its sole discretion, City shall have the right to require that Developer immediately return the City HOME Loan proceeds to City.

20. Monitoring. Not less than once per year, City shall review Developer's activities and operations under the Agreement and Developer's compliance with the HOME Requirements. Such review may include an on-site inspection of the HOME Units (including unit interiors). If such an on-site inspection of the HOME Units is to be undertaken, City shall coordinate such inspection with Developer. The monitoring required pursuant to this paragraph shall be in compliance with the requirements of 24 C.F.R. § 92.504.

21. Tenant Participation Plan. Developer shall provide to City for approval the form of the lease agreement to be used for the rental units, which lease must be fair and provide for a grievance procedure. In addition, Developer shall provide to City for approval a plan that provides for tenant participation in management decisions. (24 C.F.R § 92.303.)

22. Anti-Lobbying Certification. By its execution of the Agreement, Developer hereby certifies that:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

iii. It will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. This certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure. At the request of City, Developer shall execute a separate document that contains the certifications set forth above.

23. Drug-Free Workplace Requirements. Developer shall comply with and be subject to the requirements of the federal drug-free workplace requirements, which include the following actions be taken:

i. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

ii. Establishing an ongoing drug-free awareness program to inform employees about: (a) the dangers of drug abuse in the work place; (b) the grantee's policy of maintaining a drug-free workplace; (c) any available drug counseling, rehabilitation, and employee assistance programs; and (d) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

iii. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (i).

iv. Notifying the employee in the statement required by paragraph (i) that, as a condition of employment under the grant, the employee will: (a) abide by the terms of the statement; and (b) notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.

v. Notifying the agency in writing, within ten calendar days after receiving notice under sub-paragraph (iv)(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant.

vi. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (iv)(b), with respect to any employee who is so convicted: (a) taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or (b) requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

vii. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (i), (ii), (iii), (iv), (v), and (vi).

24. Procurement. If applicable, Developer will comply with the procurement standards under 24 CFR 85.36 for governmental subrecipients and 24 CFR 84.40-48 for subrecipients that are non-profit organizations. Developer shall comply with all existing and future City policies concerning the purchase of equipment.

25. **Labor Provisions.**

a. **Section 3 of the Housing and Community Development Act of 1968.** Developer shall comply with and cause its contractors and subcontractors to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. § 1701u), the HUD regulations issued pursuant thereto at 24 C.F.R, Part 135, and any applicable rules and orders of HUD issued thereunder. The Section 3 clause, set forth in 24 C.F.R § 135.38 provides:

i. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

ii. The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

iii. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

iv. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 135.

v. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. Part 135.

vi. Noncompliance with HUD's regulations in 24 C.F.R Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

Developer shall abide by the Section 3 clause set forth above and will also cause this Section 3 clause to be inserted in all contracts relating to the construction of the Project.

PROMISSORY NOTE (CITY HOME LOAN) SECURED BY LEASEHOLD DEED OF TRUST

$603,848.00 March 1, 2016

FOR VALUE RECEIVED, the undersigned, 17275 DERIAN, LP, a California limited partnership ("Borrower"), promises to pay to the CITY OF IRVINE, a California municipal corporation ("City"), the sum of Six Hundred Three Thousand Eight Hundred Forty-Eight Dollars ($603,848.00), plus accrued interest on the unpaid principal, plus such other costs, charges, and fees which may be owing from time to time, all subject to the terms, conditions, and provisions set forth in this HOME Loan Promissory Note Secured by Leasehold Deed of Trust ("Note"). All terms not otherwise defined herein shall have the meaning ascribed in Exhibit "A" to this Note.

Reference is made to the following documents (collectively, together with this Note, the "Loan Documents"):

(i) The Affordable Housing and Loan Agreement (HOME Funds), with all Attachments thereto, by and between City and Borrower, dated as of March 1, 2016, as may be amended from time to time, ("Loan Agreement"), which sets forth terms and conditions for Borrower's development and operation of an affordable residential rental project ("Project") on that certain real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached as Attachment No. 1 to the Loan Agreement ("Property"). Capitalized terms used herein and not otherwise defined shall have the same meaning as set forth in the Loan Agreement.

(ii) The HOME Loan Regulatory Agreement and Declaration of Covenants and Restrictions between Borrower and City dated on or about the date hereof and recorded against the Property in the Official Records of Orange County, California, as may be amended from time to time ("Regulatory Agreement").

(iii) The HOME Loan Leasehold Deed of Trust ("Leasehold Deed of Trust") that shall be executed by Borrower for the benefit of City securing the City HOME Loan, and recorded in the Official Records of Orange County, California, as more particularly set forth in the Loan Agreement.

(iv) The Memorandum of Affordable Housing and Loan Agreement ("Memorandum") that shall be executed by Borrower and City on or about the date of this Note, and recorded in the Official Records of Orange County, California, and may be amended from time to time, and as more particularly set forth in the Loan Agreement.

1. Loan Amount. The principal amount of the City's loan to Borrower is Six Hundred Three Thousand Eight Hundred Forty-Eight Dollars ($603,848.00) ("City HOME Loan"), which shall accrue simple interest at the rate of 0.25% per annum commencing on the

date of this Note. The City HOME Loan shall be disbursed to Borrower in accordance with the Loan Agreement when costs are incurred for Eligible HOME Loan Expenses.

2. Term of Note; Repayment of Loan Amount. Except as provided below, the entire City HOME Loan and accrued interest shall be due and payable in a single lump-sum payment on the date that is fifty-five (55) years after all units in the Project have received all required occupancy permits from the City, but in no event later than the date that is sixty (60) years after the date of this Note. There shall be no penalty to Borrower for any prepayment of the City HOME Loan. Commencing in the calendar year after the end of the tax credit compliance period for the Project under Internal Revenue Code Section 42(i)(1), Borrower shall make annual payments to City in an amount equal to fifty percent (50%) of Project Cash Flow for the preceding calendar year until the City HOME Loan is paid in full.

3. Records. For the purposes of ascertaining the amount of Project Cash Flow, Borrower shall prepare and keep or cause to be prepared and kept on the Property or at Borrower's principal place of business if located in Orange County, California (or at such other location approved by City, which approval shall not be unreasonably withheld) for a period of not less than twenty-four (24) months following the end of each calendar year, adequate records for the computation of Gross Income and Operating Expenses.

4. Reports. Commencing in the calendar year after the end of the tax credit compliance period for the Project under Internal Revenue Code Section 42(i)(1), Borrower shall submit to City on or before August 1 of each calendar year, together with the remittance of the payment due, if any, a written audit report prepared and certified by an independent professional accountant of Borrower's choosing, and acknowledged and signed by Borrower (or if Borrower is a corporation or a partnership, by a duly authorized corporate officer or general partner of Borrower) to be true and correct, showing in reasonable, accurate detail the amount of Project Cash Flow for the immediately preceding calendar year. The reports and certificates referred to herein shall be in such form and style and contain such details and breakdown as City may deem reasonably acceptable. The acceptance by City of payments shall be without prejudice to City's right to an examination of the books and records of Borrower in order to verify the amount of Project Cash Flow. If Borrower fails to prepare and deliver promptly any required audit report, City shall have the right, at Borrower's expense, to make an audit of all books and records of Borrower, including its respective bank accounts, which in any way pertain to or show Project Cash Flow, and to prepare the report or reports which Borrower has failed to prepare and deliver. Borrower shall give City access to such books and records at all reasonable times for purposes of preparing any such report.

5. Audit. From time to time and at any time, City or City's representative may examine any records required to be maintained under Section 3 during regular business hours upon not less than seventy-two (72) hours written notice for the purpose of investigating and verifying the accuracy of any statement of Project Cash Flow. City may from time to time and at any time, upon reasonable notice, cause an audit of Borrower's books and records to be made by a person or persons of City's selection and, if any statements of Project Cash Flow made to City shall be found to be inaccurate, one party shall pay to the other on demand such sums as may be necessary to settle in full the actual payment that should have been paid to City for the calendar years covered by such inaccurate statement or statements. If said audit shall disclose an

inaccuracy which resulted in an underpayment to City greater than two and one-half percent (2.5%) for the applicable period, then Borrower shall immediately pay to City the cost of such audit; otherwise, the cost of such audit shall be paid by City.

6. Default. Borrower shall be deemed in default of this Note in the event (i) Borrower fails to timely make a required payment within ten (10) days following the due date of any payment due hereunder, or (ii) Borrower is in default of any of the other terms of this Note and such default is not cured within thirty (30) days after Borrower's receipt of written notice from City specifying the event constituting the default or, for defaults that cannot be cured within such thirty (30) day period, the cure of such default is not commenced within thirty (30) days after Borrower's receipt of the written notice of default from City and thereafter diligently prosecuted to completion within an additional sixty (60) days following the conclusion of such thirty (30) days period (for a total of ninety (90) days), or (iii) Borrower is in default of the Loan Agreement, or the HOME Loan Leasehold Deed of Trust, and fails to timely cure such default under the terms of the applicable agreement, it being understood and agreed by Borrower that a default of any of the foregoing agreements (beyond any applicable cure period) shall be a default of this Note. In the event Borrower is in default under this Note (and after expiration of the cure periods described in the preceding sentence), City may declare the City HOME Loan immediately due and payable.

In addition to Borrower's cure rights hereunder, NEF Assignment Corporation, as nominee, or its successors and assigns pursuant to the Loan Agreement and Regulatory Agreement ("**Investor**"), for so long as Investor is a limited partner investor in Borrower, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Note and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Agreement; provided however, if the non-monetary default is incapable of being cured within thirty (30) days, Investor shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. Borrower shall have the obligation to deliver to City written notice of any change in the Investor's mailing address from the one set forth in Section 15 of this Note for purposes of delivering any default notice. City shall accept any cure made by Investor as if made by Borrower, but failure by City in timely delivering a default notice to Investor shall not be a default or breach by City under this Note.

7. Additional Terms; Place of Payment, Etc.

(i) Payment of the City HOME Loan shall be in satisfaction of the annual or final payment due from Borrower in accordance with the terms of this Note, and shall be made in lawful money of the United States to City at the address set forth below in this Note or at such other address as City or the holder of this Note may direct pursuant to written notice delivered to Borrower.

(ii) If Borrower fails to timely make a required payment within ten (10) days following the due date of such payment, interest at the rate of ten percent (10%) per annum or the maximum legal rate then applicable, whichever is less, shall accrue on the outstanding amount due commencing from the date payment was due.

(iii) Borrower agrees to pay the following costs, expenses, and reasonable attorney's fees paid or incurred by City, or adjudged by the court, in the collection of amounts in default or other costs incurred as a result of a default by Borrower: (i) reasonable costs of collection, including costs and expenses and attorney's fees paid or incurred in connection with the collection or enforcement of this Note, whether or not suit is filed, and (ii) costs of suit and such sums as the court may adjudge as reasonable attorney's fees in any action to enforce payment of this Note or any part of it if City prevails in such suit.

8. Assignment. This Note shall not be assignable or assumable without the prior, express, written consent of City which may be given or withheld in City's sole and absolute discretion.

9. Waiver of Presentment. Notwithstanding any other provision herein to the contrary, to the extent permitted by law Borrower hereby waives the following: (i) notice of default or delinquency except defaults or delinquencies of which City has actual notice, (ii) notice of acceleration, (iii) notice of nonpayment, (iv) notice of costs, expenses and losses and interest thereon, (v) notice of interest on interest and late charges, (vi) diligence in taking any action to collect any sums owing under this Note or in proceeding against any of the rights and presentment for payment, demand, protest, and notices of dishonor and/or protest; (vii) the benefits of all waivable exemptions; and (viii) all defenses and pleas on the grounds of any extension or extensions of the time of payment or of any due date under this Note, in whole or in part, whether before or after maturity and with or without notice.

10. Acceleration Upon Sale, Lease, Encumbrance, or Refinance. To the extent permitted by applicable law, if: (a) Borrower shall directly or indirectly, voluntarily or involuntarily, or by operation of law or otherwise, including transfers by devise, foreclosure (or deed in lieu of foreclosure) on another deed of trust other than the City's HOME Loan Deed of Trust, sell, assign, transfer, dispose of, alienate, encumber, lease, or agree to sell, assign, transfer, dispose of, alienate, encumber, or lease all or any portion of the leasehold interest in the property encumbered by the HOME Loan Leasehold Deed of Trust (excluding the lease of the units on the Property in accordance with the Loan Agreement and HOME Loan Regulatory Agreement, the lien of the Permitted Encumbrances, a transfer that is permitted under the Loan Agreement or the HOME Loan Regulatory Agreement without City approval provided an assignment and assumption agreement in a form approved by City is executed, and any other assignment, transfer, or encumbrance approved in writing by City's Contract Officer); (b) Borrower shall refinance any lien or encumbrance on terms not reasonably approved by City or, unless otherwise approved in writing by City's Contract Officer, for a loan amount which when combined with all of the other security financing encumbering the Property exceeds: (i) prior to the completion of construction of the Project, ninety percent (90%) of the appraised as-completed value of the Property plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, and (ii) after the completion of construction of the Project, ninety percent (90%) of the appraised value of the Property plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, with said values evidenced by an appraisal or other evidence acceptable to City; (c) Borrower shall refinance any lien or encumbrance and use the proceeds for any purpose other than the construction and operation of the rental project on the Property; (d) any default shall

occur under the Loan Agreement or HOME Loan Leasehold Deed of Trust, other than a default of City, or Borrower shall be in default under any documents relating to any other financing that is secured by the Property, and any such default is not cured under the terms of the applicable agreement if there is a cure period; or (e) Borrower's Ground Lease for the Property terminates for any reason, then City, at its option, may declare the entire indebtedness evidenced hereby to be immediately due and payable and collectible then or thereafter as City may elect, regardless of the date of maturity.

11. Collection Costs; Litigation. If this Note is not paid when due, whether at maturity or by acceleration, Borrower promises to pay all costs of collection, including, but not limited to, reasonable attorneys' fees and all expenses incurred in connection with the protection or realization of the collateral securing the payment hereof or enforcement of any guarantee, incurred by City on account of such collection, whether or not suit is filed hereon. In any litigation between the parties arising out of this Note, the Superior Court of the State of California in and for the County of Orange shall have exclusive jurisdiction. The prevailing party in any litigation between the parties arising out of or connected to this Note, in addition to whatever other relief to which the prevailing party is entitled, shall also be entitled to reasonable attorney's fees, including fees and costs for discovery, and any fees and costs for appeal.

12. No Waiver by City. No waiver of any breach, default, or failure of condition under the terms of this Note or the Leasehold Deed of Trust or the obligations secured thereby shall be implied from any failure of City to take, or any delay be implied from any failure by City in taking, action with respect to such breach, default, or failure from any prior waiver of any similar or unrelated breach, default, or failure.

13. Severability; Governing Law; Amendment. The unenforceability or invalidity of any provision or provisions of this Note as to any persons or circumstances shall not render that provision or those provisions unenforceable or invalid as to any other provisions or circumstances, and all provisions hereof, in all other respects, shall remain valid and enforceable. This Note has been executed and delivered by Borrower in the State of California and is to be governed and construed in accordance with the laws thereof without regard to conflict of law principles. Neither this Note nor any term hereof may be waived, amended, discharged, modified, changed, or terminated orally; nor shall any waiver of any provision hereof be effective except by an instrument in writing signed by Borrower and City.

14. Time of the Essence. Time is of the essence in this Note.

15. Notices. Formal notices, demands, and communications between City and Borrower shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, (c) mailing in the United States mail, certified or first class mail, postage prepaid, or (d) delivery by electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed to:

Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

16. Nonrecourse Obligation. Borrower shall not have any personal liability under this Note or any of the other Loan Documents to pay the indebtedness evidenced under this Note, and any judgment, decree or order for the payment of money obtained in any action to enforce the obligation of Borrower to pay the City HOME Loan shall be enforceable against Borrower only to the extent of Borrower's interest in the Property. The foregoing shall not apply to the extent Borrower no longer retains in interest in the Property. Nothing contained in this Section 16 shall in any manner or way constitute or be deemed a release of the debt evidenced by the Note or otherwise affect or impair the enforceability against Borrower of the liens, deeds of trust, assignments, rights and security interests created by the HOME Loan Leasehold Deed of Trust or any other instrument or agreement evidencing, securing or related to the indebtedness evidenced by the Note. Nothing in this Section 16 shall: (a) preclude City from foreclosing the lien of the HOME Loan Leasehold Deed of Trust or from enforcing any of its rights or remedies in law or in equity against Borrower or its assets except as stated in this Section 16; (b) impair, in any manner, any right, remedy or recourse City may have against any party executing a guaranty or indemnity or any obligor of a performance or payment bond furnished under the Loan Documents pursuant to such performance or payment bond; (c) impair, in any manner, any right, remedy or recourse City may have against Borrower for fraud, bad faith waste or an intentional or knowing breach of any of the representations and warranties contained in any of the Loan Documents; (d) impair, in any manner, any right, remedy or recourse City may have against Borrower for indemnification under any of the Loan Documents; (e) impair, in any manner, any right, remedy or recourse City may have against Borrower for Borrower's failure to procure or maintain policies of insurance required by City to the extent of any loss proceeds which would have been generated by an uninsured loss which Borrower was required to insure hereunder; or (f) impair, in any manner, any right, remedy or recourse City may have against Borrower for any prohibited sale, transfer, conveyance or encumbrance in breach of any of the Loan Documents.

EXHIBIT A TO PROMISSORY NOTE

DEFINITIONS APPLICABLE TO PROMISSORY NOTE

""Assessments" shall mean any and all special assessments, levies and charges on the Property made by any governmental entity, political subdivision, maintenance district, and any like entity, and homeowner association payments applicable to the Property and payable by Borrower.

"Gross Income" shall mean all amounts received by Borrower from third parties for the use or occupancy of the Project or any portion thereof, and for services provided thereon, whether or not denominated rent, including without limitation, rent, cost reimbursements, parking charges and amounts received by, payable to, or payable to the order of Borrower, but excluding security deposits.

"Index" shall mean the Consumer Price Index--Urban Consumers (Los Angeles-Anaheim-Riverside CA, area; Base 1982-8 = 100), as published by the United States Department of Labor, Bureau of Labor Statistics or any successor index or agency reasonably acceptable to the parties.

"Operating Expenses" shall mean, subject to the limitations set forth below, all expenses paid by Borrower in connection with the Project, whether ordinary or extraordinary, except expenses reimbursed by insurance, to the extent so reimbursed, and federal and state taxes on net income. The term Operating Expenses shall include (I) all insurance premiums, including, without limitation, premiums for fire, extended coverage, earthquake and flood insurance, liability insurance, boiler and machinery insurance and business interruption and loss of rents insurance and any other insurance required by any Mortgagee or any limited partner of Borrower; (II) all Taxes and Assessments; (III) all costs and expenses of ownership, operation, management, maintenance and repair of the Project (including walkways, parking areas and landscaped areas), including, but not limited to, the following costs by way of illustration: (A) utility expenses (including heating, ventilating, and air conditioning); (B) labor costs, costs of materials, and contractors' fees incurred in the management, maintenance, repair and/or operation of the Project; (C) maintenance, repair and component replacement of mechanical, plumbing, heating and air conditioning systems and elevators (whether considered an operating or capitalized expense); (D) property management fees not to exceed not to exceed eight percent (8%) of Gross Income per year; (E) accounting; (F) janitorial; (G) security; (H) supplies; (I) materials and equipment; (J) social services provided to tenants to the extent not paid by tenants or other sources; and (K) waste disposal; (IV) debt service on (A) indebtedness secured by a first position mortgage or deed of trust (other than the indebtedness payable from Project Cash Flow) in accordance with the original loan documents consented to by City evidencing such indebtedness or any refinancing of such indebtedness consented to by City; (B) any loan consented to by City to the extent the proceeds are used to restore, repair (and, if necessary, reconfigure) the improvements on the Property to the extent the proceeds of Borrower's portion of an award from a partial taking are insufficient or unavailable for such work provided City has approved the amount and terms of such loan in the exercise of their reasonable discretion; and (C) any deed of trust or mortgage securing a loan the proceeds of which are used to repair,

restore, maintain, improve or alter the improvements on the Property, if (i) such maintenance, repair, improvement or alterations is required or permitted by the terms of the Ground Lease and (ii) has approved the amount and terms of such loan in the exercise of its reasonable discretion; (V) payments into operating and replacement reserves otherwise required by a mortgagee or limited partner in Borrower and approved as an Operating Expense by City in its reasonable discretion; (VI) payments on any deferred developer fee, approved by City in its reasonable discretion, in an amount not to exceed the amount required by a mortgagee or limited partner in Borrower; (VII) any partnership management fee paid to a general partner in Borrower not to exceed $25,000 per calendar year escalating by 3% annually; (VIII) an asset management fee paid to a limited partner in Borrower not to exceed $5,000 per calendar year escalating by 3% annually; and (IX) the rent payable under the Ground Lease.

Notwithstanding anything to the contrary in the foregoing, Operating Expenses shall not exceed the reasonable cost thereof as measured by fees paid to third parties rendering similar services, Operating Expenses shall not include any items paid from any of the reserves described in subsection (V) above, and Operating Expenses shall not include debt service on the indebtedness evidenced by the Subordinate Financing. Legal and accounting fees shall only be included in Operating Expenses to the extent directly related to the operation, maintenance, improvement or leasing of the Project, drafting and negotiating leases and construction contracts, calculating tenant reimbursements, prosecuting unlawful detainer actions, preparation of tax returns, accounting reports and audits, reports and studies required by any governmental agency, and appeals in respect of taxes, assessments, or income and franchise taxes; provided, however, that costs associated with appeals of real property taxes and assessments shall be included in Operating Expenses only if City has approved Borrower's undertaking the applicable appeal in writing in advance (such approval not to unreasonably withheld, conditioned or delayed).

"Project Cash Flow" shall mean, with respect to any calendar year, the amount of Gross Income for such calendar year reduced by the Operating Expenses for such calendar year, determined on a basis consistent with prior periods in accordance with the cash method of accounting, and otherwise in accordance with generally accepted business and accounting principles; provided, however that for purposes of calculating Project's Cash Flow, the term "Operating Expenses" may not include the amount of any Taxes for which Borrower (or any successor under the Ground Lease) is or was entitled to an exemption under Sections 214(g) or 236 of the California Revenue and Taxation Code, and such exemption was not obtained due to a failure on the part of said Borrower or successor to use commercially reasonable efforts to obtain the exemption.

"Subordinate Financing" shall mean any financing from any funding source, public or private, secured by a deed of trust that is subordinate to the City's HOME Loan Leasehold Deed of Trust.

"Taxes" shall mean real and personal property taxes, fees, assessments and charges, water and sewer rates and charges, and other similar governmental charges and impositions, whether general or special, ordinary or extraordinary, which may be levied, assessed, charged or imposed, or may become a lien or charge upon the Property or any part or parts thereof, or upon Borrower's leasehold interest in the Property, Borrower's ownership rights in the improvements and fixtures on the Property, and Borrower's rights pursuant to the Ground Lease (and excluding

any and all limited partnership interests in Borrower), or upon Land Trust's fee simple ownership of the Property, Land Trust's rights pursuant to the Ground Lease, and Land Trust's reversionary rights in and to the Property upon termination or expiration of the Ground Lease.

Attn: Director of Community Development

(Space Above For Recorder's Use)

This Leasehold Deed of Trust with Assignment of Rents is recorded at the request and for the benefit of the City of Irvine and is exempt from the payment of a recording fee pursuant to Government Code Section 27383.

LEASEHOLD DEED OF TRUST WITH ASSIGNMENT OF RENTS
(HOME Loan)

This LEASEHOLD DEED OF TRUST WITH ASSIGNMENT OF RENTS ("Leasehold Deed of Trust") is made this 1st day of March, 2016 among 17275 DERIAN, LP, a California limited partnership ("Trustor"), whose address is 14211 Yorba Street, Suite 200, Tustin, CA 92780, FIDELITY NATIONAL TITLE COMPANY, a California corporation ("Trustee"), and the CITY OF IRVINE, a California municipal corporation ("Beneficiary").

1. Grant In Trust. For the purposes and upon the terms and conditions in this Leasehold Deed of Trust, Trustor grants, transfers, and assigns to Trustee, in trust, with power of sale and right of entry and possession, the following property and any interest therein (collectively, the "Trust Estate"): (a) Trustor's leasehold interest in and to that certain real property in the City of Irvine, County of Orange, State of California, described as set forth in Exhibit "A" attached hereto and incorporated herein by reference, as provided by that certain Ground Lease dated March 27, 2105, as may be amended from time to time, which was memorialized by a Memorandum of Ground Lease recorded as Document No. 2015000157914 on March 27, 2015, as may be amended from time to time ("Ground Lease"), by and between Trustor and the fee owner of the property ("Real Property"); (b) all buildings and other improvements and structures now or hereafter located on the Real Property (collectively, the "Improvements" and together with the Real Property shall sometimes be referred to as the "Property"); (c) all existing and future leases, subleases, subtenancies, licenses, agreements and concessions relating to the use, occupancy or enjoyment of all or any part of the Property, together with any and all guaranties and other agreements relating to or made in connection with any of the foregoing (individually, a "Lease", and collectively, the "Leases"); and (d) all rents, issues, income, revenues, royalties, profits, proceeds and earnings now or hereafter payable with respect to or otherwise derived from the ownership, use, management, operation, leasing or occupancy of the Property, including, without limitation, cash or security deposited under any of the leases to secure the performance by the lessees of their obligations thereunder (collectively, the "Rents").

2. **Obligations Secured**. Trustor makes this grant and assignment for the purpose of securing the following: (a) payment of the sum of Six Hundred Three Thousand Eight Hundred Forty-Eight Dollars ($603,848.00), according to the terms of a promissory note dated on or about the date hereof made by Trustor, payable to order of Beneficiary, and extensions, modifications or renewals thereof ("City HOME Loan Note"); (b) Trustor's performance of the obligations and all amounts that become due under this Leasehold Deed of Trust; and (c) payment of additional sums and interest thereon which may hereafter be loaned to Trustor, or its successors or assigns, when evidenced by a promissory note or notes reciting that they are secured by this Leasehold Deed of Trust. This Leasehold Deed of Trust, the City HOME Loan Note, the Affordable Housing and Loan Agreement (HOME Funds) by and among Trustor and Beneficiary dated as of March 1, 2016, as may be amended from time to time ("HOME Loan Agreement"), and the Regulatory Agreement and Declaration of Covenants and Restrictions between Trustor and Beneficiary recorded against Developer's leasehold interest in the Property on or about the date hereof, in the Official Records of Orange County, California ("HOME Loan Regulatory Agreement"), as such agreements may be amended from time to time, are collectively referred to herein as the "Loan Documents." Any capitalized terms contained in this Leasehold Deed of Trust which are not defined herein shall have the meaning given in the HOME Loan Agreement, unless expressly provided to the contrary.

3. **Acceleration of Loan Upon Sale, Encumbrance, Refinance, or Default**. To the extent permitted by applicable law, if: (a) Trustor shall directly or indirectly, voluntarily or involuntarily, or by operation of law or otherwise, including transfers by devise, foreclosure (or deed in lieu of foreclosure) on another deed of trust other than this Leasehold Deed of Trust, sell, assign, transfer, dispose of, alienate, encumber, lease, or agree to sell, assign, transfer, dispose of, alienate, encumber, or lease all or any portion of the Trust Estate (excluding the lease of the units on the Property in accordance with the HOME Loan Agreement and HOME Loan Regulatory Agreement, the lien of the Permitted Encumbrances, a transfer that is permitted under the HOME Loan Agreement or the HOME Loan Regulatory Agreement without Beneficiary approval provided an assignment and assumption agreement in a form approved by Beneficiary is executed, and any other assignment, transfer, or encumbrance approved in writing by Beneficiary's Contract Officer); (b) Trustor shall refinance any lien or encumbrance on terms not reasonably approved by Beneficiary or, unless otherwise approved in writing by Beneficiary's Contract Officer, for a loan amount which when combined with all of the other security financing encumbering the Property exceeds: (i) prior to the completion of construction of the Project, ninety percent (90%) of the appraised as-completed value of the Property plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, and (ii) after the completion of construction of the Project, ninety percent (90%) of the appraised value of the Property plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, with said values evidenced by an appraisal or other evidence acceptable to Beneficiary; (c) Trustor shall refinance any lien or encumbrance and use the proceeds for any purpose other than the construction and operation of the rental project on the Property; (d) any default shall occur under the HOME Loan Agreement or City HOME Loan Note other than a default of Beneficiary, or Trustor shall be in default under any documents relating to any other financing that is secured by the Property, and any such default is not cured under the terms of the applicable agreement if there is a cure period; or (e) if Trustor's Ground Lease for the Property terminates for any reason, then

Beneficiary, at its option, may declare the entire indebtedness evidenced hereby to be immediately due and payable and collectible then or thereafter as Beneficiary may elect, regardless of the date of maturity.

AN EVENT OF ACCELERATION OR PAYMENT UNDER THE CITY NOTE, WHETHER VOLUNTARY OR DUE TO AN EVENT OF ACCELERATION, SHALL NOT TERMINATE THE HOME LOAN REGULATORY AGREEMENT, AS PERFORMANCE UNDER SAID REGULATORY AGREEMENT IS NOT SECURED BY THIS LEASEHOLD DEED OF TRUST.

4. Assignment of Rents and Performance of Leases.

4.1 Assignment of Rents and Leases. Subject to the rights of each mortgagee or beneficiary of any mortgage, deed of trust, or other security instrument authorized to have priority over this Leasehold Deed of Trust, Trustor hereby irrevocably, absolutely and unconditionally assigns and transfers to Beneficiary all of Trustor's right, title and interest in and to the Leases and the Rents; provided, however, that so long as no default has occurred and is continuing, Trustor shall have the right under a license granted hereby to collect and receive all Rents as trustee for the benefit of Beneficiary and to apply the amounts so collected first to the payment of costs and expenses associated with the ownership, maintenance, operation and leasing of the Property, including, principal, interest and all other amounts required to be paid under the Loan Documents, before using or applying such Rents for any other purpose. No Rents or such other income shall be distributed or paid to Trustor, unless such costs and expenses which are then due have been paid in full. Thereafter, so long as no Event of Default has occurred and is continuing, the balance may be distributed to Trustor. If an Event of Default has occurred and is continuing, Trustor's right to collect and receive the Rents under the license granted hereby shall cease and the license shall be revoked automatically, and Beneficiary shall have the sole right, with or without taking possession of the Property, to collect all Rents; provided, however, if such Event of Default is cured, then such license shall be automatically reinstated. This is an absolute assignment and not an assignment for security only. For purposes of this Section 4.1, the term "Event of Default" shall mean (a) the failure of Trustor to timely pay, within ten (10) days of its due date, any payment due under the City HOME Loan Note, or (b) the failure of Trustor to promptly and completely observe or perform any term, condition, covenant, agreement or obligation contained in this Leasehold Deed of Trust or the HOME Loan Agreement, or any other instrument or agreement secured hereby, and the continuation of such failure following the expiration of any applicable notice, cure or grace period, if any, provided for therein or herein; provided, however, that in the event no cure or grace period is otherwise provided for herein or therein, such failure shall not be an Event of Default hereunder if Trustor observes or performs such term, condition, covenant, agreement or obligation within thirty (30) days of receipt of written notice from Beneficiary of Trustor's failure to observe or perform any such term, condition, covenant, agreement or obligation or, if not reasonably susceptible of cure within thirty (30) days, then provided the cure is commenced in thirty (30) days and diligently and continuously prosecuted to completion within an additional sixty (60) days following the conclusion of such thirty (30) days period (for a total of ninety (90) days).

4.2 Covenants Regarding Leases. Trustor shall not, without the prior written consent of Beneficiary, (a) collect any rent from any lessee for a period of more than one (1)

month in advance, or (b) except as may be expressly permitted under the HOME Loan Agreement, execute any further assignment of any of its right, title and interest in the Leases and the Rents. Trustor shall (a) observe, perform and discharge each and every obligation, term, covenant, condition and agreement of Trustor under the Leases in all material respects, (b) enforce the performance of each and every obligation, term, covenant, condition and agreement in the Leases to be performed by any lessee or guarantor thereof in all material respects, (c) use good faith commercially reasonable efforts to keep the Property leased at a good and sufficient rental and on such other terms and conditions as are reasonably acceptable to Beneficiary, (d) execute and deliver to Beneficiary upon demand, at any time and from time to time, any and all assignments and other instruments which Beneficiary may deem reasonably advisable to carry out the true purposes and intent of the assignment set forth in Section 4.1 above, and (e) at the written request of Beneficiary, cause any or all tenants under a lease or sublease to execute a subordination, nondisturbance and attornment agreement and estoppel certificate in form and substance reasonably satisfactory to Beneficiary.

5. Default. Except as otherwise provided herein, Trustor shall be deemed in default of this Leasehold Deed of Trust in the event Trustor fails to perform any obligation hereunder and such default is not cured within thirty (30) days after Trustor's receipt of written notice from Beneficiary specifying the event constituting the default or, for defaults that cannot be cured within such thirty (30) day period, the cure of such default is not commenced within thirty (30) days after Trustor's receipt of the notice of default and thereafter diligently prosecuted to completion within an additional sixty (60) days following the conclusion of such thirty (30) days period (for a total of ninety (90) days). City shall accept any cure made by Trustor's limited partner as if made by Trustor as provided in the HOME Loan Agreement.

6. Actions Affecting Property. Trustor shall give Beneficiary and Trustee prompt written notice of the assertion of any claim with respect to, or the filing of any action or proceeding purporting to affect the Property, the security hereof or the rights or powers of Beneficiary or Trustee. Trustor shall appear in and contest any such action or proceeding and shall pay all costs and expenses, including cost of evidence of title and attorney's fees, in any such action or proceeding.

7. Beneficiary Expenditures. If any action or proceeding is commenced that would materially affect Beneficiary's interest in the Property or if Trustor fails to comply with any provision of this Leasehold Deed of Trust or any Loan Documents, including but not limited to Trustor's failure to discharge or pay when due any amounts Trustor is required to discharge or pay under this Leasehold Deed of Trust or the Loan Documents, Beneficiary on Trustor's behalf may (but shall not be obligated to) take any action that Beneficiary deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Property and paying all costs for insuring, maintaining and preserving the Property. All such expenses will become a part of the indebtedness secured by this Leasehold Deed of Trust and, at Beneficiary's option, will (i) be payable upon demand, (ii) be added to the balance of the City HOME Loan Note and be payable on the same terms as the original amount provided thereunder, or (iii) be treated as a balloon payment which will be due and payable upon the maturity date of the City HOME Loan Note. This Leasehold Deed of Trust shall secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Beneficiary may be entitled upon a default.

Notwithstanding the foregoing, Trustor shall have the right to contest in good faith and with reasonable diligence the amount or validity of any lien or claim of lien so long as Trustor shall provide Beneficiary, at Trustor's sole cost and expense, with such bond or other security as Beneficiary may reasonably require to insure payment thereof and prevent any sale, foreclosure or forfeiture of all or any part of the Property.

8. Nonrecourse Obligation. The repayment of the City HOME Loan and any other indebtedness secured by this Leasehold Deed of Trust shall be nonrecourse to Borrower, on the terms, and subject to the conditions, set forth in paragraph 16 of the City HOME Loan Note.

9. Repair of Damage. Notwithstanding anything herein to the contrary, Beneficiary shall permit insurance and condemnation proceeds to be used to rebuild the Project provided that (i) sufficient funds are provided from other sources to effectively rebuild the Project to a lawfully authorized multifamily housing complex, and (ii) subject to the rights of senior lenders, Beneficiary shall hold all such proceeds and disburse them based on the progress of construction, subject to such additional reasonable conditions as Beneficiary may impose.

10. Extended Use Agreement. This Leasehold Deed of Trust shall be subject and subordinate to the terms of that certain extended use agreement to be executed by the Trustor in connection with the Trustor's allocation of low-income housing tax credits under Section 42 of the Code (the "Extended Use Agreement"). If Beneficiary or its successors or assigns (collectively, the "Subsequent Owner') acquires Trustor's interest in the Property by foreclosure (or instrument in lieu of foreclosure), then the "extended use period" (as defined in Section 42(h)(6)(D) of the Internal Revenue Code) shall terminate, except for the obligation of the Subsequent Owner to comply with the limitations on evictions, termination of tenancy and increase in rents for the three year period following the Subsequent Owner's acquisition of Trustor's interest in the Property, as set forth in Section 42(h)(6)(E)(ii) of the Internal Revenue Code.

11. Incorporation of Fictitious Leasehold Deed of Trust. To protect the security of this Leasehold Deed of Trust, and with respect to the Property above described, Trustor expressly makes each and all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth in subdivision A, and it is mutually agreed that each and all of the terms and provisions set forth in subdivision B, of the fictitious deed of trust recorded in the Orange County Recorder's Office on August 17, 1964, and in all other counties on August 18, 1964, in the book and at the page of Official Records in the office of the county recorder of the county where said property is located, noted below opposite the name of such county, namely:

DO NOT RECORD

The following is a copy of Subdivisions A and B of the fictitious Deed of Trust recorded in each county in California as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

A. To protect the security of this Deed of Trust, Trustor agrees:

1) To keep said property in good condition and repair, not to remove or demolish any building thereon; to complete or restore promptly and in a good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor, to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at the option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

4) To pay: at least ten (10) days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary of Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same is such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from the date of expenditure at the amount allowed by law in effect at the date hereof, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. It is mutually agreed:

1) That any award in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

3) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon, or join in any extension agreement or any agreement subordinating the lien or charge hereof.

4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The Grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in the performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or be a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collecting of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6) That upon default by Trustor in payment of any indebtedness secured hereby or in the performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

8) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

"Ground Lease" shall mean the Ground Lease between Declarant, as lessee, and the Irvine Community Land Trust, as lessor, for the ground lease of the Property to Declarant.

"HOME Affordable Rent" shall mean the rent limits set forth in the HOME Requirements including 24 C.F.R. §92.252, which are summarized in Section 4.6 of this Agreement.

"HOME Requirements" shall collectively refer to the requirements of the HOME Investment Partnership Act, as amended (42 U.S.C. § 12741, *et seq.*), and the implementing regulations (24 C.F.R. § 92, *et seq.*), and the legal requirements summarized or referenced in Attachment No. 3 to the Loan Agreement which is incorporated herein by this reference.

"HOME Unit Mix" shall mean the household income levels permitted for each HOME Unit, as follows:

1 two-bedroom unit shall be occupied by households earning 50% or less of the Median Income, adjusted for family size.

1 one-bedroom unit, 1 two-bedroom unit, and 1 three-bedroom unit shall be occupied by households earning 60% or less of the Median Income, adjusted for family size.

"HOME Units" shall mean four (4) units in the Project comprised of the HOME Unit Mix. In accordance with 24 C.F.R. § 92.252(j), the HOME Units shall be permitted to float among all 79 Income Restricted Units in the Project so long as the HOME Units are comprised of the bedroom mix set forth in the HOME Unit Mix and each substituted HOME Unit is comparable in terms of size and features to the originally designated HOME Unit. No later than thirty (30) days after unit numbers (address numbers) have been assigned by Declarant to the Project or the Construction Completion Date, whichever is later, Declarant shall deliver to City the unit numbers (addresses) that comprise the 4 HOME Units, in a format mutually agreed upon by City and Declarant. Declarant shall promptly deliver to City a written update of the unit numbers (addresses) that comprise the 4 HOME Units if Declarant changes any unit number (address) of a HOME Unit at any time during the term of this Agreement.

"HUD" shall mean the United States Department of Housing and Urban Development.

"Index" shall have the meaning ascribed in Section 16.1 of this Agreement.

"Investor" shall have the meaning ascribed in Section 19.1 of this Agreement.

"Land Trust" shall mean the Irvine Community Land Trust, a California nonprofit public benefit corporation, or successor in interest.

"Median Income" shall mean the Orange County area median income, as periodically published by the HUD pursuant to the HOME Requirements, or successor regulation. Upon request by Declarant, City shall provide to Declarant the amount of the Median Income.

"Operating Expense" shall have the meaning ascribed in Section 11.2 of this Agreement.

"Operating Reserve Account" shall have the meaning ascribed in Section 11.2 of this Agreement.

"Program" shall mean the affordable rental housing program to be operated on the Property and all obligations and activities that constitute the Program Activities.

"Program Activities" shall mean the tasks, activities, and operations set forth in this Agreement, all activities assisted with the City HOME Loan, and all other obligations under this Agreement that Declarant is required to perform.

"Program Default" shall have the meaning ascribed in Section 6.4 of this Agreement.

"Project" shall mean the leasehold interest in the Property, the grading of the Property and the development on the Property of a 80-unit apartment project with landscaping, driveways, and related improvements, and all other on-site and off-site improvements required for development, with all improvements to be consistent with the development and building plans and permits approved by City. The Project shall be comprised of one-bedroom units, two-bedroom units and three-bedroom units, shall be restricted to occupancy by Eligible Tenants, and the HOME Units shall be available and occupied by Eligible HOME Unit Tenants and shall be in compliance with the HOME Unit Mix and the City HOME Loan Regulatory Agreement. In the

event of any inconsistency between the description of the Project in this Agreement and the approved plans and permits, the approved plans and permits shall govern.

"Property" shall mean that certain real property located in the City of Irvine, more particularly described in the legal description attached hereto as Exhibit "A" and incorporated herein by this reference

"Property Manager" shall have the meaning ascribed in Section 9.1 of this Agreement.

"Property Management Plan" shall have the meaning ascribed in Section 9.3 of this Agreement.

"Regulatory Agreement Effective Date" is defined in the Preamble of this Agreement.

"Residential Unit(s)" shall mean the eighty (80) residential units to be developed on the Property. The Residential Units shall include the HOME Units in accordance with the HOME Unit Mix.

"Target Balance" shall have the meaning ascribed in Section 11.2 of this Agreement.

"TCAC" shall mean the California Tax Credit Allocation Committee or successor state agency responsible for the administration of the federal and state Low-Income Housing Tax Credit Program authorized pursuant to Section 42 of the Internal Revenue Code.

"TCAC Requirements" shall mean all federal, state, and local laws, regulations, and policies governing the administration of the federal and state Low-Income Housing Tax Credit Program authorized pursuant to Section 42 of the Internal Revenue Code.

2. Development of the Project. Declarant shall commence and complete development of the Project on the Property within the times and subject to the terms and conditions set forth in the City HOME Loan Agreement.

3. Term. The covenants set forth in this Agreement shall commence on the Regulatory Agreement Effective Date and shall remain in effect until the date that is twenty (20) years following the Construction Completion Date ("**Affordability Term**").

4. Use; Affordability Covenants. Declarant hereby covenants and agrees that the Property shall be managed and operated in accordance with the provisions set forth in this Section 4.

4.1 General. Declarant shall devote the Property for use as an affordable residential rental complex with the HOME Units to be rented to and occupied or held available for occupancy only by Eligible HOME Unit Tenants at Affordable Rent in compliance with the HOME Unit Mix. Declarant shall not permit the Residential Units to be utilized on a transient basis, or as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, trailer court or park, day care facilities, or non-residential uses.

4.2. Occupancy by Eligible Tenants. The lease for each HOME Unit shall provide that it is to be used as the principal residence of the Eligible HOME Unit Tenant and for no other purpose. The lease shall further provide that an Eligible Tenant shall not lease or sublease its HOME Unit or its right of occupancy. Declarant shall institute a program to ensure that the HOME Units remain occupied by the Eligible HOME Unit Tenants.

4.3 Occupancy Limits. The number of persons permitted to occupy each HOME Unit shall not exceed the occupancy permitted pursuant to the general requirements of the United States Department of Housing and Urban Development, which as of the date of this Agreement is two persons per bedroom, plus one person (e.g., for a two bedroom unit the maximum number of persons residing in the unit can be five persons). The lease for each HOME Unit shall include a provision limiting the number of persons permitted to occupy each HOME Unit in accordance with the preceding sentence and Declarant shall enforce such occupancy restrictions.

4.4 Determination of Eligible Tenant Status. Immediately prior to an Eligible HOME Unit Tenant's occupancy of a HOME Unit, Declarant shall obtain an Income Computation and Certification Form in a form approved by City (which may be the form used in connection with the regulatory agreement for low income housing tax credits, or other form approved by the Contract Officer) from each such Eligible HOME Unit Tenant dated immediately prior to the date of initial occupancy of the HOME Unit by such Eligible HOME Unit Tenant. In addition, Declarant shall provide such further information as may be reasonably required by City for purposes of verifying a tenant's status as an Eligible HOME Unit Tenant, provided the same is reasonably available to Declarant without unreasonable expense in connection with obtaining the same. Declarant shall use good faith efforts to verify that the income provided by an applicant is accurate by taking the following steps as a part of the verification process: (a) obtain three (3) pay stubs for the most recent pay periods; (b) obtain a written verification of income and employment from the applicant's current employer; (c) obtain an income verification form from the Social Security Administration, California Department of Social Services, and/or California Employment Development Department if the applicant receives assistance from any of said agencies; (d) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other evidence and/or verification of such applicant's total income received during the calendar year from any source, taxable or nontaxable; and (e) such other information as may be requested by the City to verify an applicant's income. Declarant shall maintain in its records each Income Computation and Certification Form obtained pursuant to this Section and Section 4.5 for a minimum period of five (5) years.

4.5 Recertification. Within sixty (60) days prior to the first anniversary date of the occupancy of a HOME Unit by an Eligible HOME Unit Tenant, and on each anniversary date thereafter, or if preferred by Declarant and approved in writing by City, within sixty (60) days prior to January 1 of each year, Declarant shall recertify the income of such Eligible HOME Unit Tenant by obtaining a completed Income Computation and Certification Form based upon the current income of each occupant of the HOME Unit. Subject to Section 5.2 during the Affordability Term, in the event the recertification demonstrates that such household's income exceeds one hundred forty percent (140%) of the income at which such household originally qualified, such household will no longer qualify as an Eligible HOME Unit Tenant at that

original income level. If the occupant's income falls within one of the other income categories of Eligible HOME Unit Tenants, the rent shall be increased to the Affordable Rent applicable to the new income category, provided a HOME Unit reserved for the new income category exists and is permitted pursuant to Declarant's agreement with any third party as may be in effect as described in the definition of "Unit Mix" set forth in Section 1 of this Agreement. To the extent permitted by applicable law, including the requirements of Section 42 of the United States Internal Revenue Code, if the income exceeds the income permitted for Eligible HOME Unit Tenant status, the occupants' lease shall not be renewed and said occupants shall be required to vacate the unit within one hundred eighty (180) days after the recertification. Otherwise, the next available Residential Unit will be leased to an Eligible HOME Unit Tenant at an income level that will cause the Project to be in compliance with the HOME Unit Mix as quickly as possible.

4.6 Affordable Rent. The rent for each HOME Unit shall not exceed the rent limits set forth in the HOME Requirements including 24 C.F.R. §92.252. The allowable rent under the HOME Requirements is summarized below:

(a) HOME Rent Limitations. The HOME Requirements establish maximum rent limits at the lesser of (a) the fair market rent for existing housing for comparable units in the area as established by HUD under 24 C.F.R. § 888.111, or (b) a rent that does not exceed thirty percent (30%) of the adjusted income of a family whose annual income equals sixty-five percent (65%) of the median income for the Orange County area, as determined by HUD, with adjustments for the number of bedrooms in the HOME Unit. The HOME rent limits provided by HUD will include average occupancy per unit and adjusted income assumptions.

(b) Additional HOME Rent Limitations. The Home Requirements also require that affordable units occupied by Eligible HOME Unit Tenants whose income does not exceed 50% of the median income meet one of the following rent requirements:

(i) The rent does not exceed the lesser of (X) the rent calculated under subparagraph (a) above, or (Y) an amount equal to thirty percent (30%) of the annual income of a family whose income equals fifty percent (50%) of the Median Income, with adjustments for smaller and larger families. HUD provides the HOME rent limits which include average occupancy per unit and adjusted income assumptions.

(ii) The rent does not exceed 30% of the family's adjusted income. If the HOME Unit receives federal or state project-based rental subsidy and the Eligible HOME Unit Tenant pays as a contribution toward rent not more than 30% of the family's adjusted income, then the maximum rent (i.e., tenant contribution plus project-based rental subsidy) is the rent allowable under the federal or state project-based rental subsidy program.

If the Eligible HOME Unit Tenant is paying utilities and services, the rent may not exceed the maximum rent minus the monthly allowance established by the Orangey County Housing Authority for utilities and services.

It shall constitute a default for Declarant to charge or accept rent amounts in excess of the Affordable Rent. In the event that Declarant charges or receives such higher rental amounts, in addition to any other remedy City shall have, Declarant shall be required to pay to City the entire amount of rent received in excess of the amount permitted pursuant to this Agreement.

4.7 Leasing HOME Units. The HOME Units shall be available for rental on a continuous basis and Declarant shall not give preference to any particular class or group in renting HOME Units, except to the extent that the HOME Units are required to be rented to Eligible HOME Unit Tenants and except as provided in the next sentence. Declarant shall maintain a list of persons who have applied for a HOME Unit and, subject to the priority to be given to displaced persons as set forth above, should multiple tenants be equally eligible (as to income, credit history, and other nondiscriminatory criteria) and qualified to rent a HOME Unit, Declarant shall rent available HOME Units to Eligible HOME Unit Tenants on a first qualified (with reasonable efforts made to qualify applicants in the order that the applications are received), first offered basis, or pursuant to a lottery system. Declarant shall use commercially reasonable efforts to lease HOME Units that become available as quickly as possible. Declarant shall market the HOME Units to the citizens of the City of Irvine on a nonexclusive basis.

4.8 Rental Agreement. The form of the lease agreement between Declarant and each of the Eligible HOME Unit Tenants shall comply with Section 5.3 of this Agreement.

5. HOME Requirements. The covenants set forth in this Section 5 shall be applicable during the Affordability Term and shall apply notwithstanding any other provision herein to the contrary.

5.1 Compliance with HOME Requirements. Declarant shall operate the Project in accordance with, and shall comply with, all applicable HOME Requirements. Declarant, at its expense, shall submit to the appropriate entities any and all reports requested by City that are required to be submitted pursuant to the HOME Requirements. In the case of any conflict between the HOME Requirements and this Agreement, the HOME Requirements shall control; it being understood, however, that in order to be in compliance with this Agreement and the HOME Requirements, Declarant shall, to the extent possible, comply with the most restrictive provisions in this Agreement and the applicable HOME Requirements.

5.2 Recertification. In accordance with 24 C.F.R. §92.252(i), in the event a recertification demonstrates that a household's income exceeds the income allowed for Eligible HOME Unit Tenant status, such household will no longer qualify as an Eligible HOME Unit Tenant and will be required to pay as rent an amount equal to the lesser of the amount payable by the tenant under State or local law or 30% of the family's adjusted income, except that if the HOME Unit has been allocated low income housing tax credits by a housing credit agency pursuant to Section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42), the tenant must pay rent governed by Section 42 of the Internal Revenue Code.

5.3 Lease. The form of the lease between Declarant and each Eligible HOME Unit Tenant shall be approved by City prior to the rental or leasing of any of the HOME Units, which approval shall not be unreasonably withheld, conditioned or delayed so long as the lease is consistent with this Agreement and the HOME Requirements. Once approved, no changes shall

be made to the form of the lease without City's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed so long as the lease is consistent with this Agreement and the HOME Requirements. The lease between Declarant and the Eligible HOME Unit Tenants shall comply with 24 C.F.R. § 92.253 and may not contain any of the following provisions: (i) an agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of Declarant in a lawsuit brought in connection with the lease; (ii) an agreement by the tenant that Declarant may seize or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties (this provision does not apply to disposition of personal property of a tenant who has vacated his/her unit); (iii) an agreement by the tenant not to hold Declarant or Declarant's agents legally responsible for any action or failure to act, whether intentional or negligent; (vi) an agreement of the tenant that Declarant may institute a lawsuit without notice to the tenant; (v) an agreement by the tenant that Declarant may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties; (vi) an agreement by the tenant to waive any right to a trial by jury; (vii) an agreement by the tenant to waive the tenant's right to appeal or to otherwise challenge in court a court decision in connection with the lease; and (viii) an agreement by the tenant to pay attorneys' fees or other legal costs even if the tenant wins in a court proceeding by Declarant against the tenant (the tenant may, however be obligated to pay costs if the tenant loses).

In addition, the form of the lease between Declarant and each Eligible HOME Unit Tenant shall obligate the Eligible HOME Unit Tenant to comply with the provisions set forth in Section 4 of this Agreement and an Eligible HOME Unit Tenant who violates such requirements shall be in default under the rental agreement. Each lease agreement with an Eligible HOME Unit Tenant shall include a provision to the effect that the Declarant has relied on the information provided by the Eligible HOME Unit Tenant on the Income Computation and Certification Form and all other supporting information supplied by the Eligible HOME Unit Tenant in determining qualification for occupancy of the applicable HOME Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease agreement. In addition, each lease agreement shall contain a provision that failure to cooperate with the annual recertification process may disqualify the Eligible HOME Unit Tenant as such and will be will be cause for immediate termination of such lease agreement.

5.4 Monitoring. City shall monitor and evaluate Declarant's performance under this Agreement to determine compliance with this Agreement and the HOME Requirements. Declarant shall reasonably cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide City the reasonable right of access to the Property and the HOME Units during normal business hours for the purpose of assuring compliance with this Agreement and evaluating Declarant's performance hereunder.

5.5 Records to be Maintained. Declarant shall keep and maintain records providing a full description of the activities undertaken pursuant to this Agreement demonstrating that the activities meet the HOME Requirements, and such other records as may be reasonably required by City to enable City to evaluate Declarant's compliance with the HOME Requirements and to enable City to comply with City's recordkeeping and reporting

requirements under the HOME Requirements. The books and records required to be maintained by Declarant shall be kept at a location in Orange County, California. City and HUD and/or their representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Declarant pertaining to this Agreement at all times during normal business hours upon 48 hours prior written notice to Declarant.

5.6 Audits. Declarant shall perform all audits of its books and records required by HUD or the HOME Requirements or reasonably required by City and a copy of such audits shall be forwarded to the City within thirty (30) days after completion. Declarant shall be subject to all audit and review requirements imposed on City in connection with this Agreement and shall, at its sole cost and expense, cause such audits and reviews to be timely performed.

6. Operation of Program.

6.1 Standard of Performance. Declarant shall operate or cause to be operated the Program, and perform or cause to be performed all Program Activities, in a competent, professional, and first class manner and to the satisfaction of City in its reasonable discretion and in accordance with this Agreement and in compliance with all applicable laws including the HOME Requirements. Declarant shall, if requested by City, provide to City monthly written reports on the progress of any Program Service. Declarant shall cause the Program Activities to be performed by Declarant or Declarant Personnel under Declarant's direct supervision, and shall ensure that all Declarant Personnel engaged in the Program Activities are fully qualified and authorized and permitted under applicable law to operate the Program. Declarant shall secure, at its sole cost and expense, any and all licenses, permits and approvals that may be required by law for the performance of the Program Activities. Declarant shall be responsible for all costs related to the Program.

6.2 Management. If any manager or supervisor of the Program engages in any of the conduct described in Section 6.4 or knowingly allows such conduct to occur at the Property or by Declarant Personnel, or knowingly allows illegal activity to occur at the Property, City shall have the right to require that Declarant immediately replace such manager or supervisor of the Program.

6.3 Drug Free Covenant. Declarant shall use its best efforts to maintain a drug free environment on the Property. Declarant covenants to City that Declarant shall use its best efforts pursuant to Section 6.5 of this Agreement to ensure that all persons residing on the Property shall not unlawfully manufacture, distribute, dispense, possess, or use controlled substances as defined in 21 United States Code section 812 and California Health and Safety Code section 11007, or successor statutes, and as prohibited by City law.

6.4 Program Defaults. If Declarant shall or permit Declarant Personnel to:

(a) engage in any act injuring, abusing, mistreating, or endangering any employee or client of the Program or other persons receiving services under the Program, including any tenants or occupants of the Project as reasonably determined by City; or

(b) fail to use best efforts in violation of Section 6.3 above; or

(c) engage in any act or transgression that, in the reasonable judgment of City, may cause embarrassment to the City, reflect adversely upon the City or its funding programs or upon Declarant, tend to bring the Program into public disrepute, contempt, scandal, or ridicule, or tend to shock, insult or offend the community or public morals or decency, then

Declarant and City agree to meet and confer within ten (10) days of the request of City to determine a resolution reasonably acceptable to City and Declarant agrees to thereafter promptly implement the resolution. The failure of Declarant to implement the resolution shall constitute a default under this Agreement ("**Program Default**").

6.5 Occupants of Housing Facilities. To the extent permitted by applicable law, Declarant shall include in its occupancy or lease agreements with the Eligible HOME Unit Tenants a requirement that the occurrence of any illegal activity by the tenant or by the tenant's guests at the Property, shall be grounds for immediate termination of the tenant's right to reside within the HOME Unit and City shall have the right to require that Declarant enforce such provision.

7. No Discrimination. Declarant shall not discriminate against, or segregate, any person or group of persons on account of race, color, creed, national origin, ancestry, sex, sexual orientation, marital status, or religion in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall the Declarant for itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property.

8. Maintenance of Property. For the entire Affordability Term, Declarant shall maintain or cause to be maintained the Property and all improvements on the Property in a good condition and repair (and, as to landscaping, in a healthy condition) and in accordance with all applicable laws, rules, ordinances, orders, and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction. City places prime importance on quality maintenance to protect its investment and to ensure that affordable housing projects are not allowed to deteriorate due to substandard maintenance. In addition, Declarant shall keep the Property free from all graffiti and any accumulation of debris or waste material. Declarant shall make all repairs and replacements necessary to keep the improvements in first class condition and repair and shall promptly eliminate all graffiti and replace dead and diseased plants and landscaping with comparable approved materials. In the event that Declarant breaches any of the covenants contained in this Section 8, and such default continues for a period of fifteen (15) days after written notice from City or such longer period of time as is reasonably necessary to correct the condition (with respect to landscaping, graffiti, debris, waste material, and general maintenance) or thirty (30) days after written notice from City or such longer period of time as is reasonably necessary to correct the condition (with respect to building improvements), then City in addition to whatever other remedy it may have at law or in equity, shall have the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, City shall be permitted (but not required) to enter upon the Property and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to charge a

fee to Declarant in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by City and/or costs of such cure, including a ten percent (10%) administrative charge, which amount shall be promptly paid by Declarant to City upon demand.

9. Management.

9.1 Property Manager. Declarant shall manage or cause the Project, and all appurtenances thereto, to be managed in accordance with this Agreement and in a prudent and business-like manner, consistent with good property management standards for other comparable high quality, well-managed affordable rental housing projects in the City of Irvine. Declarant may contract with a property management company or individual property manager to operate and maintain the Project in accordance with the terms of this Section 9.1 ("**Property Manager**"); provided, however, the selection and hiring of the Property Manager (and each successor or assignee) is and shall be subject to the prior written approval of City in its reasonable discretion. Declarant shall conduct due diligence and background evaluation of any potential third party property manager or property management company to evaluate experience, references, credit worthiness, and related qualifications as a property manager. Any proposed property manager shall have significant and relevant prior experience with affordable housing projects and properties comparable to the Project, and the references and credit record of such property manager/company shall be investigated (or caused to be investigated) by Declarant prior to submitting the name and qualifications of such proposed property manager to City for review and approval. A complete and true copy of the results of such background evaluation shall be provided to City. Approval of a Property Manager by City shall not be unreasonably delayed but shall be in its sole reasonable discretion, and City shall use good faith efforts to respond as promptly as practicable in order to facilitate effective and ongoing property management of the Project by one qualified Property Manager. The replacement of the Property Manager by Declarant and/or the selection by Declarant of any new or different Property Manager shall also be subject to the foregoing requirements. City hereby approves Advanced Property Services, LLC as the initial Property Manager.

9.2 On-Property Residential Manager. The Property Manager, or an employee or agent of Property Manager, shall reside full-time in a residential unit located within the Project, and said residential unit shall be the Property Manager's only residence.

9.3 Property Management Plan. Prior to the completion of the Project, Declarant shall prepare and submit to City for review and approval, which approval shall not be unreasonably withheld, a management plan which shall include a detailed plan and strategy for long term marketing, operation, maintenance, repair and security of the Project, and the method of selection of tenants, rules and regulations for tenants, and other rental policies for the Project ("**Property Management Plan**"). The ongoing management and operation of the Project shall be in compliance with the approved Property Management Plan. Declarant and its Property Manager may from time to time submit to City amendments to the Property Management Plan, the implementation of which shall be subject to the prior written approval of City, which approval shall not be unreasonably withheld.

9.4 Gross Mismanagement. In the event of "Gross Mismanagement" (as that term is defined below) of the Project, City shall have and retain the authority to direct and

require any condition(s), acts, or inactions of Gross Mismanagement to cease and/or be corrected immediately, and further to direct and require the immediate removal of the Property Manager. For purposes of this Agreement, the term "Gross Mismanagement" shall mean management of the Project in a manner which violates the terms and/or intention of this Agreement to operate a high quality affordable housing complex, and shall include, but is not limited to, any one or more of the following occurring twice within a 365 day period:

(a) Leasing to tenants who exceed the prescribed income levels with the knowledge that the tenants do not income qualify;

(b) Allowing the tenants to exceed the prescribed occupancy levels without taking immediate action to stop such overcrowding upon learning of the violation;

(c) Underfunding required reserve accounts to the extent sufficient cash flow is available;

(d) The failure to timely maintain the Project in accordance with the Property Management Plan and this Agreement, which is not corrected within the periods specified in Section 19;

(e) Fraud or embezzlement of Project funds, including without limitation funds in the reserve accounts;

(f) Failing to comply with reasonable recommendations of the Irvine Police Department or other local law enforcement agency(ies) with jurisdiction over the Project, in maintaining a crime-free environment within the Project upon learning of the violation;

(g) Failing to reasonably cooperate with City, including its code enforcement division, or other local health and safety enforcement agency(ies) with jurisdiction over the Project, in maintaining a decent, safe, and sanitary environment within the Project, upon learning of the violation; and

(h) Spending funds from the Capital Replacement Reserve account for items that are not defined eligible as costs, including eligible capital and/or replacement costs, under the standards imposed by generally accepted accounting principles ("**GAAP**") (and/or, as applicable, generally accepted auditing principles).

Notwithstanding the requirements of the Property Manager to correct any condition of Gross Mismanagement as described above, Declarant is obligated and shall use its best efforts to correct any defects in property management or operations at the earliest feasible time and, if necessary, to replace the Property Manager, as provided above. Declarant shall include provisions of the foregoing requirements and requirements of this Agreement within any contract between Declarant and its Property Manager for the Property.

10. Code Enforcement. Declarant acknowledges and agrees that City and its employees and authorized agents shall have the right to conduct code compliance and/or code enforcement inspections of the Project and the individual Residential Units, both exterior and interior, at reasonable times and upon reasonable notice to Declarant and/or an individual tenant.

If such notice is provided by City or its representative(s) to Declarant, then Declarant (or its Property Manager) shall promptly and directly advise any affected tenant of such upcoming inspection and cause access to the area(s) and/or Residential Units of the Project to be made available and open for inspection. Declarant shall include express advisement of such inspection rights within the lease agreements for each Residential Unit of the Project in order for each and every tenant and tenant household to be aware of this inspection right.

11. Reserves.

11.1 Capital Reserve Requirements. Commencing upon the date that the construction financing for the Project is converted to permanent financing, Declarant shall annually set aside into a separate interest-bearing trust account an amount of the lesser of (i) $250.00 per Residential Unit, increasing by 3% every year (or such increased amount as reasonably agreed upon by City and Declarant from time to time), or (ii) the minimum amount for capital reserves per Residential Unit required by the TCAC Requirements ("**Capital Replacement Reserve**"). Funds in the Capital Replacement Reserve shall be used only for capital repairs, improvements and replacements to the Project, including fixtures and equipment, which are normally capitalized under GAAP. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve or lessen Declarant's obligation to undertake any and all necessary capital repairs, improvements, or replacements and to continue to maintain the Project in the manner prescribed herein. Not less than once per year, Declarant, at its expense, shall submit to City an accounting for the Capital Replacement Reserve. Capital improvements and repairs to, and replacements of the Project shall include only those items with a long life in excess of one year, including without limitation the following: carpet and drapery replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement; irrigation pipe and controls replacement; sewer line replacement; water line replacement; gas line replacement; and lighting fixture replacement. Any capital replacement reserve requirements of any other lenders or parties shall not increase the Capital Replacement Reserve funding requirements under this Section. Any capital replacement reserve requirements of any other lenders that are not an affiliate (as defined in Section 20.3 below) of Declarant, or any capital replacement reserve requirements of the Land Trust in the Ground Lease, may be deemed to satisfy the Capital Replacement Reserve funding requirements under this Section upon prior written approval by City in its reasonable discretion.

11.2 Operating Reserve. Declarant shall establish an interest bearing account to be known as the "**Operating Reserve Account**." Commencing upon the closing of the permanent financing for the Project, Declarant shall deposit into the Operating Reserve Account an amount equal to pay both three (3) months' of Operating Expenses and three (3) months' of debt service for the Property ("**Target Balance**"). Funds in the Operating Reserve Account shall be invested in an interest bearing account and any earnings shall become and remain a part of the Operating Reserve Account. Declarant may draw upon the funds in the Operating Reserve Account only when the amount of Affordable Rent received by Declarant is insufficient to pay Operating Expenses. If for any reason the amount in the Operating Reserve Account falls below an amount equal to 50% of the Target Balance amount, Declarant shall deposit Project Cash

Flow in the Operating Reserve Account until the Target Balance is restored. In the event of a failure by Declarant to pay Operating Expenses or in the event of a default by Declarant under the City HOME Loan Agreement or this Agreement that would provide for the acceleration of the City HOME Loan, then City may, after delivery of notice to Declarant and the expiration of any applicable cure periods, apply the funds in the Operating Reserve Account to the City HOME Loan or use such funds for the continued operation of the Project. Nothing in this Section 11.2 shall modify or be deemed to modify any payment obligation of Declarant pursuant to the City HOME Loan Agreement or any attachments thereto entered into by and between Declarant and City. "**Operating Expenses**" shall have the meaning ascribed to that term in the City HOME Loan Note evidencing the City HOME Loan. Upon the Project achieving an annual debt service coverage ratio of 1.25 or greater for three consecutive years after permanent loan funding for the Project, this Operating Reserve requirement is released.

12. Records. Declarant shall maintain complete and accurate records pertaining to the HOME Units for a period of five (5) years (unless a longer period of time is expressly set forth herein), and shall permit any duly authorized representative of City to inspect the books and records of Declarant pertaining to the HOME Units.

13. Right to Inspect. City shall have the right to inspect the Property and the Residential Units for purposes of assuring compliance with this Agreement during normal business hours on not less than seventy-two (72) hours written notice.

14. Relocation. Declarant shall be responsible for providing any relocation benefits or assistance and paying relocation costs to any tenants or occupants who may be displaced from the Property if such benefits or assistance are required to be provided by a public agency, such as the City, under any applicable federal, state, or local laws, rules or regulations. Declarant shall indemnify, defend, and hold harmless City from and against any and all claims, liabilities, damages or losses arising out of any claims for relocation benefits or assistance that may be asserted by any tenants or occupants of the Project.

15. Indemnification. Declarant shall defend, indemnify and hold harmless City and its officers, officials, agents, employees, representatives, and volunteers from and against any loss, damage, costs, expenses, liability, claim, or judgment relating in any manner to the Property and the operation of the rental project thereon or Declarant's performance under this Agreement, except to the extent caused by the active negligence or willful misconduct of City.

16. Insurance. Upon completion of the Project and for the term of this Agreement, Declarant shall procure and keep in full force and effect or cause to be procured and kept in full force and effect for the mutual benefit of Declarant and City, and shall provide City evidence reasonably acceptable to City, of insurance policies meeting the minimum requirements set forth in this Section 16.

16.1. Types of Insurance Policies. The insurance policies to be maintained by Declarant upon completion of the Project and for the duration of the term of this Agreement are as follows:

i. Commercial General Liability insurance with respect to the Property and the operations of or on behalf of Declarant, in an amount not less than One Million Dollars ($1,000,000.00) per occurrence combined single limit including products, completed operations, contractual, bodily injury, personal injury, death and property damage liability, subject to such increases in amount as City may reasonably require from time to time; provided, that the percentage increase in coverage shall not be required to exceed the percentage increase in the Consumer Price Index published by the United States Department of Labor, Bureau of Labor Statistics, for Urban Wage Earners and Clerical Workers, Los Angeles-Long Beach-Anaheim Average, All Items (1984 = 100) (the "**Index**"), from and after the date of this Agreement, or, if said Index is discontinued, such official index as may then be in existence and which is most nearly equivalent to said Index (the "**CPI Adjustment**"). Unless otherwise approved in advance by the City, the insurance to be provided by Declarant may provide for a deductible or self-insured retention of not more than Ten Thousand Dollars ($10,000.00), with such maximum amount to increase at the same rate as the periodic increases in the minimum amount of total insurance coverage set forth above. City and its officers, officials, employees, volunteers, agents, and representatives shall be named as additional insureds under such policy or policies.

ii. With respect to the improvements and any fixtures and furnishings to be owned or leased by Declarant on the Property, all risk property insurance against fire, vandalism, and malicious mischief, and such other additional perils, hazards, and risks as now are or may be included in the standard "all risk" form in general use in Orange County, California, with the standard form fire insurance coverage in an amount equal to full actual replacement cost thereof, as the same may change from time to time. The above insurance policy or policies shall include coverage for earthquakes to the extent generally and commercially available at commercially reasonable rates, if such insurance is generally obtained for rental apartment projects of this size and type in Orange County, California. City shall be a loss payee under such policy or policies and such insurance shall contain a replacement cost endorsement.

16.2 Policy Requirements. A copy of each paid-up policy evidencing such insurance (appropriately authenticated by the insurer) or a certificate of the insurer, certifying that such policy has been issued, providing the coverage required herein, and containing the provisions specified herein, shall be delivered to City on or prior to the completion of the Project, and thereafter, upon renewals, not less than thirty (30) days prior to the expiration of coverage (10 days for non-payment of premiums). City may, at any time, and from time to time, inspect and/or copy any and all insurance policies required to be procured by Declarant hereunder. In no event shall the limits of any policy be considered as limiting the liability of Declarant hereunder.

In addition to the requirements set forth in Section 16.1, each insurance policy required to be carried by Declarant pursuant to this Agreement:

i. shall be primary insurance and not contributory with any other insurance which City or its officers, officials, employees, volunteers, agents, or representatives may have;

ii. shall contain no special limitations on the scope of protection afforded to City or its officers, officials, employees, volunteers, agents, and representatives;

iii. shall be "per occurrence" rather than "claims made" insurance;

iv. shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability;

v. shall provide that the policy will not be cancelled by the insurer or Declarant unless there is a minimum of thirty (30) days (10 days for nonpayment of premium) prior written notice by mail, return receipt requested to City;

vi. shall be written by a California licensed insurer with a Best rating of not less than A:VII;

vii. shall be endorsed to state that any failure to comply with the reporting provisions of the policies shall not affect coverage provided to City and its officers, officials, employees, volunteers, agents, and representatives; and

viii. shall contain a waiver by the insurer of any right to subrogation against City, and its officers, officials, employees, volunteer and agents, which arises or might arise by reason of any payment under such policy or policies or by reason of any act or omission of City or its officers, officials, members, employees, agents, or representatives.

17. Repair of Damage. If any improvements on the Property shall be totally or partially destroyed or rendered wholly or partly uninhabitable by fire or other casualty, Declarant shall promptly proceed to obtain insurance proceeds, and, provided the insurance proceeds are sufficient to restore the Property and the insurance proceeds are made available therefor by the secured lenders, take all steps necessary to begin reconstruction and, immediately upon receipt of insurance proceeds, to promptly and diligently commence the repair or replacement of the improvements to substantially the same condition as the improvements are required to be maintained in pursuant to this Agreement, and Declarant shall complete the same as soon as possible thereafter so that the Project can continue to be operated and occupied as an affordable housing project in accordance with this Agreement. In no event shall the repair, replacement, or

restoration period exceed two (2) years from the date of the destruction subject to events of force majeure unless City, in its sole and absolute discretion, approves a longer period of time.

18. Declarant Ground Lease. Declarant represents and warrants that Declarant's performance under this Agreement will not cause Declarant to be in default of the Ground Lease, and the development, use and operation of the Property under this Agreement is consistent with the use of the Property permitted under the terms of the Ground Lease. Declarant shall comply with each and every condition, responsibility, and obligation it may have pursuant to the Ground Lease in order not to cause a default thereunder. Declarant shall not amend or modify the Ground Lease in any respect inconsistent with this Agreement or in any respect that affects the rights of City as a leasehold mortgagee, without the prior written consent of City, which consent City may withhold in its reasonable discretion. Declarant shall promptly give City notice of any defaults and default notices issued under the Ground Lease.

19. Defaults and Remedies.

19.1 Defaults. Failure or delay by any Party to perform any term or provision of this Agreement which is not cured within thirty (30) days after receipt of notice from the other Party specifying the default (or such other period specifically provided herein) constitutes a default under this Agreement; provided, however, if such default is of the nature requiring more than thirty (30) days to cure, the defaulting Party shall avoid default hereunder by commencing to cure within such thirty (30) day period, and thereafter diligently pursuing such cure to completion within an additional sixty (60) days following the conclusion of such thirty (30) day period (for a total of ninety (90) days). Except as required to protect against further damages, the injured Party may not institute proceedings against the Party in default until the time for cure has expired. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default.

In addition to Declarant's cure rights hereunder, NEF Assignment Corporation, as nominee, or its successors and assigns pursuant to this Agreement ("**Investor**"), for so long as Investor is a limited partner investor in Declarant, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Agreement and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Agreement; provided however, if the non-monetary default is incapable of being cured within thirty (30) days, Investor shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default and is diligently proceeding to cure such default through the end of such period. Declarant shall have the obligation to deliver to City written notice of any change in the Investor's mailing address from the one set forth in Section 20.9 for purposes of delivering any default notice. City shall accept any cure made by Investor as if made by Declarant, but failure by City in timely delivering a default notice to Investor shall not be a default or breach by City under this Agreement.

19.2 Institution of Legal Actions. In addition to any other rights or remedies, any Party may institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement. Such legal actions must be instituted and maintained in the Superior Court of the County of Orange, State of California, or in any other appropriate court in that county.

19.3 Rights and Remedies are Cumulative. The rights and remedies of the Parties are cumulative, and the exercise by either Party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

20. Miscellaneous.

20.1 Entire Agreement, Waivers, and Amendments. This Agreement contains the entire agreement between the Parties relating to the subject matter hereof, and supersedes all negotiations and previous agreements between the Parties with respect to all or part of the subject matter hereof, with the exception of the City HOME Loan Agreement and all executed versions of the agreements attached to those agreements. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the Party to be charged. A waiver of the breach of the covenants, conditions or obligations under this Agreement by either Party shall not be construed as a waiver of any succeeding breach of the same or other covenants, conditions or obligations of this Agreement. Any amendment or modification to this Agreement must be in writing and executed by the appropriate authorities of City and Declarant.

20.2 Attorney's Fees and Costs. If either Party to this Agreement commences an action against the other Party to this Agreement arising out of or in connection with this Agreement, the prevailing Party shall be entitled to recover reasonable attorney's fees, expert witness fees, costs of investigation, and costs of suit from the losing Party.

20.3 Prohibition Against Assignment and Transfer by Declarant. The qualifications and identity of Declarant are of particular concern to City. It is because of those qualifications and identity that City has provided financial assistance to Declarant and entered into this Agreement with Declarant. Accordingly, except as expressly set forth herein, Declarant shall not, whether voluntarily, involuntarily, or by operation of law, undergo any significant change in ownership or assign all or any part of this Agreement or any rights hereunder or in the Property or in the Project without the City's prior written approval. As used herein, the term "significant change in ownership" shall mean any change by virtue of which any member of C & C Development Co., LLC or any affiliated entity does not continue to be a managing member of the developer general partner of Declarant.

Notwithstanding the foregoing paragraph, the following shall not require City approval (except as specifically provided below) for the purpose of this Section 20.3 (the Permitted Transfers"):

(a) Permitted Encumbrances (as defined in the City HOME Loan Agreement);

(b) a conveyance of the Declarant's leasehold interest in the Property under the Ground Lease and/or the Declarant's interest in the fee interest in the improvements thereon resulting from the foreclosure of a Permitted Encumbrance (or a deed-in-lieu of such a foreclosure);

(c) the transfer of the Declarant's interest in this Agreement, the Declarant's leasehold interest in the Property under the Ground Lease and the Declarant's fee interest

in the improvements thereon by the Declarant to a limited partnership in which at least two members of the Declarant or their affiliates serve as general partners, or at least two members of the Declarant or their affiliates have and maintains a controlling interest in the management and ownership of the limited partnership ("**Partnership**");

(d) any transfer of equity in the Declarant that does not change management or operational control of the Project other than to permit the admittance of an affiliate of Innovative Housing Opportunities, Inc. as the managing general partner of the Partnership;

(e) the lease of the Residential Units consistent with the HOME Loan Regulatory Agreement;

(f) the transfer and sale of limited partnership interests in the Partnership;

(g) in the event that any general partner of the Partnership is removed by the limited partner of the Partnership for cause following default under the partnership agreement, the transfer of the general partner interest to an affiliate of the limited partner or a 501(c)(3) tax exempt nonprofit corporation selected by the limited partner and approved by City, in its reasonable discretion, if the successor nonprofit corporation has the same or substantially similar experience, assets and access to capital and private funding as Declarant did at the Regulatory Agreement Effective Date of this Agreement;

(h) the transfer of the Project from the Partnership to one of the general partners the Declarant or an affiliate of the general partners of the Declarant at the end of the tax credit compliance period for the Project; and

(i) any dilution of a general partner's interest in the Partnership in accordance with the Partnership's limited partnership agreement, which limited partnership agreement is subject to approval by City in its reasonable discretion.

As used in this Section, the term "affiliate" shall mean an entity that directly or indirectly controls or is controlled by Declarant.

Declarant shall deliver written notice to City requesting approval of any assignment or transfer requiring City approval hereunder. In considering whether it will grant approval to any assignment by Declarant of its interest in the Property and this Agreement or any portion thereof, Declarant shall consider factors such as the financial strength and capability of the proposed transferee to perform Declarant's obligations hereunder and the proposed assignee's experience and expertise in the planning, financing, development, and operation of similar projects.

No assignment, excluding assignments for Permitted Encumbrances, shall be effective as to City unless and until the proposed assignee and Declarant execute and deliver to City an assignment and assumption agreement in form reasonably satisfactory to the Contract Officer and legal counsel for City.

20.4 Prohibition Against Assignment and Transfer by City. The City shall not voluntarily assign or transfer its interest in all or any part of this Agreement (which by

definition includes all attachments hereto) without Declarant's prior written approval, which shall not be unreasonably withheld. Notwithstanding the foregoing sentence, the City may assign or transfer all or any part of its interest in this Agreement without Declarant's prior written approval to the Land Trust.

20.5 Compliance with Laws and Regulations. Declarant shall carry out the design, construction and operation of the Project, and operate the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the legal requirements set forth in Attachment No. 3 to the City HOME Loan Agreement and the statutes referenced therein. Each and every provision required by law to be included in this Agreement shall be deemed to be included, and this Agreement shall be read and enforced as though all such provisions were included. Declarant acknowledges and agrees that it shall be and remain, and shall cause the Declarant Personnel to be and remain, fully knowledgeable and apprised of all local, state and federal laws, rules and regulations in any manner affecting the performance under this Agreement, including the HOME Requirements. Declarant shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, and/or expense (including reasonable attorneys' fees, court and litigation costs, and fees of expert witnesses) that results or arises in any way from any of the following the noncompliance by Declarant or Declarant Personnel of any applicable local, state and/or federal law.

20.6 Interpretation; Governing Law. This Agreement shall be construed according to its fair meaning and as if prepared by both of the Parties hereto. This Agreement shall be interpreted in accordance with the internal laws of the State of California, without regard to conflict of law principles.

20.7 Severability. If any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Agreement, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision(s) had never been contained herein.

20.8. Third Party Beneficiaries. The Land Trust is an intended third party beneficiary of this Agreement and shall have the right, but not the obligation, to enforce its terms including the rights and benefits that City has under this Agreement. Except as provided herein, no person or entity other than City, Declarant and the Land Trust and the permitted successors and assigns of each of them, shall be authorized to enforce the provisions of this Agreement.

20.9. Notices. Formal notices, demands, and communications between City and Declarant shall be given either by (a) personal service, (b) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, (c) mailing in the United States mail, certified or first class mail, postage prepaid, or (d) delivery by electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed to:

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices delivered by email shall be deemed effective the next business day, not less than 24 hours, following the date of transmittal and confirmation of delivery to the intended recipient. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

20.10 Covenants Run with the Land. This Agreement shall be binding on Declarant's successors in interest in the Property until the expiration of the Affordability Term. This Agreement is designed to create equitable servitudes and covenants running with the Property, in favor of City. The covenants, conditions, restrictions, reservations, equitable servitudes, liens and charges set forth herein shall be binding upon all persons having any right, title or interest in the Property, or any part thereof, their heirs, successive owners and assigns; shall inure to the benefit of City and its successors and assigns, shall be binding upon Declarant, its successors and assigns and successors in interest; and may be enforced by Declarant and its successors and assigns. Declarant hereby declares its understanding and intent that the burden of the covenants set forth herein touch and concern the land. Declarant hereby further declares its understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Property for purposes of affordable housing. City shall have the right to designate real property as benefited by the covenants contained herein during the term of this Agreement. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided herein both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate.

The parties acknowledge and agree that this Agreement encumbers Declarant's leasehold interest in the Property and not the Land Trust's fee interest in the Property.

20.11 Compliance with Other Agreements. The parties acknowledge that other affordable housing regulatory agreements will be recorded against the Property, imposing income restrictions on the tenants of the Residential Units and limiting the amount of rent that may be charged. Declarant shall comply with the most restrictive terms of such agreements. Declarant acknowledges that in order to effectuate the foregoing the actual rent paid by Eligible HOME Unit Tenants to Declarant may be less than the Affordable Rent amounts set forth in this Agreement.

20.12 Execution in Counterparts. This Agreement may be executed in two or more counterparts, each of which when so executed and delivered shall be deemed an original and all of which, when taken together, shall constitute one and the same instrument.

[signatures on next page]

IN WITNESS WHEREOF, City and Declarant have caused this instrument to be executed on their behalf by their respective officers or agents herein duly authorized as of the date set forth above.

One Civic Center Plaza
Irvine, CA 92623
Attn: Director of Community Development

(Space Above For Recorder's Use)

This Memorandum is recorded at the request and for the benefit of the City of Irvine and is exempt from the payment of a recording fee pursuant to Government Code Section 27383.

MEMORANDUM OF AFFORDABLE HOUSING AND LOAN AGREEMENT (HOME Funds)

This MEMORANDUM OF AFFORDABLE HOUSING AND LOAN AGREEMENT ("Memorandum") is entered into this 1st day of March, 2016, by and between the CITY OF IRVINE, a California municipal corporation ("City"), and 17275 DERIAN, LP, a California limited partnership ("Developer").

This Memorandum is made with reference to the following:

1. Developer is the ground lessee of that certain real property located in the City of Irvine, County of Orange, State of California, more particularly described in the legal description attached hereto as Exhibit "A" ("Property").

2. On or about March 1, 2016, City and Developer entered into that certain Affordable Housing and Loan Agreement (HOME Funds) ("Agreement") relating to the development and operation of an affordable housing rental project on the Property.

3. The Agreement provides for City and Developer to enter into this Memorandum and to record the same in the Official Records of Orange County, California, to provide notice to all persons of the existence of said Agreement, which Agreement is binding on Developer and Developer's successors-in-interest in and to the Property.

4. This Memorandum is not intended as a full description of the terms and conditions of the Agreement. This Memorandum shall not replace, alter, or modify any term or condition set forth in the Agreement, nor shall it be used to interpret the terms and conditions of the Agreement.

5. This Memorandum may be executed in several counterparts, and all so executed shall constitute one agreement binding on both parties hereto, notwithstanding that both parties are not signatories to the original or the same counterpart.

6. City shall execute, acknowledge, and deliver to Developer upon Developer's request after the date that all units in the Project have received all required occupancy permits and City has verified that all improvements required to be constructed in connection with the Project have been completed, a document in recordable form removing this Memorandum from title to the Property.

7. This Memorandum shall encumber Developer's leasehold interest in the Property and not the Irvine Community Land Trust's fee interest in the Property.

IN WITNESS WHEREOF, City and Developer have entered into this Memorandum as of the date first set forth above.

AFFORDABLE HOUSING AND LOAN AGREEMENT

(Home Funds)

This AFFORDABLE HOUSING AND LOAN AGREEMENT ("**Agreement**") is entered into this 5th day of June, 2019, by and between the CITY OF IRVINE, a California municipal corporation (the "**City**"), and Cypress Village CIC, LP, a California limited partnership ("**Developer**").

RECITALS

A. City participates in the HOME Investment Partnership Act program administered by the United States Department of Housing and Urban Development ("**HUD**") under Title II of the Cranston-Gonzalez National Affordable Housing Act, as amended (42 U.S.C. § 12741, *et seq.*), and the implementing regulations (24 C.F.R. § 92, *et seq.*).

B. Pursuant to the HOME Investment Partnership Act program, the City receives funds from HUD ("**HOME Funds**") to be used for the development of affordable housing projects. As part of the City's annual HOME funding process, City approved an allocation of HOME Funds to Developer in the amount of the "City HOME Loan" (as defined in Recital M below).

C. On or about the same date hereof, Developer has acquired a leasehold interest in that certain real property comprising approximately two and five hundred eighty-three thousandths (2.583) acres located in the City of Irvine, California located at the northeast corner of Nightmist and Sand Canyon Avenue in Cypress Village, Planning Area (PA) 40 ("**Property**") for the development, construction, ownership, and operation of a multi-family housing project consisting of eighty (80) units, common areas, and other amenities on the Property ("**Project**").

D. Pursuant to a 2006 Development Agreement ("**Development Agreement**") executed between the City and the prior owner of the Property, the Irvine Company LLC and the Irvine Community Development Company LLC (collectively, "**The Irvine Company**"), for Planning Area 39, The Irvine Company is required to convey to the City multiple sites over time, totaling fifteen (15) acres, for affordable housing. Conveyance Agreements between the Irvine Company and the City have been approved by the City Council for nine and six tenths (9.6) of the fifteen (15) acres.

E. Per the Development Agreement, The Irvine Company will transfer the remaining five and four tenths (5.4) additional acres to the City for affordable housing by or before December 2023.

F. On May 10, 2016, the City Council of the City of Irvine ("**City Council**") approved a Conveyance Agreement setting forth the terms and conditions on which the City would accept a conveyance of the Property from the Irvine Company.

G. On June 28,2016, the City Council approved an Affordable Housing Land Transfer Agreement ("**Affordable Housing Transfer Agreement**") by and between the

City and Irvine Community Land Trust ("**Land Trust**"). The Affordable Housing Transfer Agreement set forth the terms and conditions on which the Property would be conveyed to the Land Trust, for the development of permanent affordable housing.

H. In July 2017, the Land Trust separated from the City, becoming an independent entity.

I. On October 23, 2018, the City Council approved Amendment 1 to the Affordable Housing Transfer Agreement to allow up to 550 square feet of interior building area to be utilized as community facility space and/or offices.

J. On or about the same date hereof, City and Developer entered into and recorded against the Property (i) that certain Density Bonus Housing Agreement ("**Density Bonus Agreement**"), and (ii) that certain Regulatory Agreement and Declaration of Covenants and Restrictions ("**Density Bonus Regulatory Agreement**") to ensure the Property and the Project are used for the intended purpose of providing rent restricted housing available to very low income individuals and households.

K. On or about the same date hereof, Developer and Land Trust (i) entered into that certain Ground Lease, which was memorialized by a Memorandum of Ground Lease recorded against the Property on or about the same date hereof (collectively, "**Ground Lease**"), and (ii) entered into and recorded against the Property that certain Affordable Housing Regulatory Agreement ("**Land Trust Regulatory Agreement**") to ensure the Property and Project are used for the intended purpose of providing rent restricted housing available to very low income individuals and households .

L. Pursuant to the Ground Lease and Land Trust Regulatory Agreement entered into between Developer and Land Trust, seventy-nine (79) units in the Project will be income and rent restricted such that the units will be affordable to very low income individuals and families ("**Income Restricted Units**").

M. City desires to assist with certain costs attributable to eleven (11) of the Project units by (a) providing financial assistance to Developer in the form of a loan of HOME Funds in the amount not to exceed Six Hundred Seventy-Six Thousand Nine Hundred Fifty-Two Dollars ($676,952.00) ("**City HOME Loan**"), on the terms set forth in this Agreement.

N. The Project will be subject to certain affordability covenants requiring that the HOME Units and certain other residential units be rented to income eligible households at an affordable rent.

O. The development and operation of the Project on the Property pursuant to this Agreement, and the fulfillment generally of this Agreement, are in the vital and best interests of the City and the welfare of its residents, and in accordance with the public purposes and provisions of applicable federal, state, and local laws and requirements.

"Title Company" shall have the meaning set forth in Section 2.3 of this Agreement.

2. CITY HOME LOAN.

2.1 Amount and Source of City HOME Loan. Subject to the terms and conditions set forth herein, City shall provide Developer financial assistance for the Eligible HOME Loan Expenses in the form of a loan not to exceed the sum of Six Hundred Seventy-Six Thousand Nine Hundred Fifty-Two Dollars ($676,952.00). The source of the City HOME Loan is HOME Funds.

2.2 Permissible Use of City HOME Loan; Eligible Loan Expenses. Pursuant to all of the terms and conditions of this Agreement, Developer shall be permitted to use the City HOME Loan proceeds only for the Eligible HOME Loan Expenses that are actually and reasonably incurred by Developer and approved by City, and for no other purpose.

2.3 City HOME Loan Funding Conditions. Notwithstanding any other provision of this Agreement to the contrary, City shall have no obligation to disburse any of the City HOME Loan proceeds to Developer unless all of the following conditions (collectively the "**Funding Conditions**") are satisfied, or waived by City in its sole discretion:

(a) *Execution and Delivery of Documents.* Developer shall have executed and delivered to City the documents referred to in Section 2.7 of this Agreement.

(b) *City Title Policy.* First American Title Company or such other title company approved by the City ("**Title Company**") is irrevocably committed to issue to City an ALTA lender's policy of title insurance ("**City HOME Loan Title Policy**"), with liability in the amount of the City HOME Loan, showing the leasehold interest in the Property vested in Developer, insuring in favor of City the City HOME Loan Leasehold Deed of Trust, subject only to (i) the standard printed exceptions and exclusions contained in the form of the Title Policy commonly used by Title Company; (ii) non-delinquent property taxes and assessments; (iii) the Ground Lease (or a memorandum thereof), the Density Bonus Agreement, the Density Bonus Regulatory Agreement, the City HOME Loan Leasehold Deed of Trust, the City HOME Regulatory Agreement, the Memorandum, the Bank Loan Deed of Trust, the Bank Loan Ground Lease Nondisturbance Agreement, the Bank Loan Subordination Agreement required to be recorded in connection with the loan of Bank Loan Funds, the Land Trust Regulatory Agreement, the Orange County HOME loan regulatory agreement and deed of trust , the Orange County Housing Successor Agency loan regulatory agreement and deed of trust, and the tax-exempt bond regulatory agreement, and (iv) such other matters as may be approved by City in its reasonable discretion. Developer shall pay the premium for the City HOME Loan Title Policy.

(c) *Insurance.* Developer shall have provided to City evidence of the insurance required under Section 3.10 of this Agreement.

(d) *Plans and Permits.* Developer shall have obtained the grading permits for the Project or such permits shall be ready to be issued upon the payment of fees and all other development approvals shall have been issued except for building permits.

(e) *Evidence of Financing.* City shall have approved Developer's evidence of financing in accordance with Section 3.11.3 of this Agreement, and the financing specific to the construction of the Project shall close and be available to Developer.

(f) *Ground Lease.* The Ground Lease shall be in full force and effect with no defaults existing and all contingencies satisfied (i.e., there are no conditions that remain to be satisfied for the effectiveness of the Ground Lease or the performance by Developer thereunder and the fulfillment of the Ground Lease and Developer's possession of the Property is absolute and not terminable and not subject to any unsatisfied conditions).

(g) *Other Agreements.* There is, or with the passage of time, shall be no default by the Developer under the City HOME Loan Note, City HOME Loan Leasehold Deed of Trust, City HOME Regulatory Agreement, Density Bonus Agreement, or Land Trust Regulatory Agreement.

(h) *Clearance.* If applicable, in accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," the Request for Release of Funds and related certifications have been approved for the Project or City has determined an exemption is applicable.

(i) *Approval of Third Party Contracts.* City shall have approved any Third Party Contracts entered into before commencement of construction that City elects to review.

(j) *No Default.* There shall be no event of default under this Agreement, and there shall be no event which, with the passage of time or the giving of notice, would constitute a default, and all representations and warranties of Developer in this Agreement remain true and correct in all material respects.

(k) *HUD Approvals.* City has received all approvals required from HUD for the disbursement of the City HOME Loan.

City acknowledges and agrees that as of the Effective Date, the Funding Conditions set forth in clauses (a), (c), (d), (e), (h), and (i) have been satisfied. In the event that any of the Funding Conditions are not satisfied within thirty (30) days after an anticipated disbursement date of City Home Loan funds, as set forth in Section 2.4 below, or such later deadline as may be mutually approved in writing by City and Developer in

the sole and absolute discretion of each of them, City may terminate this Agreement by delivering written notice to Developer.

2.4 Disbursement of City HOME Loan. On or about the Effective Date, City deposited into the Construction Escrow the City HOME Loan less the sum of (i) Ten Thousand Dollars ($10,000) as interim disbursement funding ("**Interim Disbursement Amount**"), and (ii) the final hold back amount of Twenty-Five Thousand Dollars ($25,000) ("**Hold Back Amount**"), and hereby instructs the Escrow Holder to disburse the City HOME Loan proceeds (other than the Hold Back Amount and Interim Disbursement Amount) to the Developer to pay soft costs and impact and permit fees that qualify as Eligible HOME Loan Expenses in the first disbursement of City HOME Loan proceeds, upon close of the Construction Escrow. A disbursement of Five Thousand Dollars ($5,000) of the Interim Disbursement Amount shall be made to Developer on or about the date that is nine (9) months after the close of the Construction Escrow, and a disbursement of the remaining Five Thousand Dollars ($5,000) of the Interim Disbursement Amount shall be made to Developer on or about the date that is eighteen (18) months after the close of the Construction Escrow. Developer shall not request disbursement from the City for the final draw in the Hold Back Amount until Developer is prepared to be able to provide City within one hundred twenty (120) days thereafter with such project completion information as is required by 24 CFR 92.502(d)(1). In the event the Eligible HOME Loan Expenses are not incurred by Developer within the timeframes above for disbursements of portions of the City HOME Loan, City shall have the right to require that Developer return all portions of the City HOME Loan proceeds that have been disbursed to City. In addition, if it is determined, as a result of an audit or otherwise, that the disbursement of City HOME Loan proceeds were improper or made for expenditures not eligible for payment, Developer shall immediately repay to City the amounts of such disbursements.

2.5 [reserved].

2.6 Repayment of City HOME Loan; City HOME Loan Leasehold Deed of Trust. Developer's obligation to repay the City HOME Loan shall be as set forth in the City HOME Loan Note. The City HOME Loan Note generally provides for Developer to pay to City a percentage of the cash flow generated from the Property. Developer's obligation to repay the City HOME Loan will be secured by the City HOME Loan Leasehold Deed of Trust. The City HOME Loan Leasehold Deed of Trust contains an acceleration clause entitling City to declare the entire indebtedness evidenced thereby to be immediately due and payable and collectible, regardless of the date of maturity, on the terms and conditions more specifically set forth in the City HOME Loan Leasehold Deed of Trust.

2.7 Execution and Delivery of Documents. On or before the Effective Date, (i) Developer has delivered to City the City HOME Loan Note, executed by Developer, and deposited into the Construction Escrow: (a) the City HOME Loan Leasehold Deed of Trust, executed and acknowledged by Developer, (b) the City HOME Regulatory Agreement, executed and acknowledged by Developer, and (c) the Memorandum, executed and acknowledged by Developer; and (ii) City has executed and acknowledged and deposited into the Construction Escrow the City HOME Regulatory Agreement and

the Memorandum. City and Developer hereby instruct Escrow Holder to record the City HOME Regulatory Agreement, the Memorandum, and the City HOME Loan Leasehold Deed of Trust in the Official Records of Orange County, California.

3. GROUND LEASE AND DEVELOPMENT OF THE PROJECT.

3.1 Leasehold Interest in Property. The Property is currently owned by the Land Trust, and is subject to the Ground Lease. City shall have the right to approve the form of any amendment to the Ground Lease before it is executed for the limited purpose of confirming that terms and conditions of this Agreement are satisfied. Upon execution of any amendment to the Ground Lease by Developer and Land Trust, Developer shall deliver a copy of the executed amendment to City.

3.2 Scope of Development. Developer shall develop the Project on the Property in strict accordance with the plans and drawings approved by City. If Developer desires to make any change in any approved development or building plans, the proposed change shall be submitted to City for approval. Developer shall be responsible for all construction and installation and for obtaining all necessary permits and approvals.

3.3 Development Approvals and Permits. Prior to commencement of the grading of the Property, Developer shall, at its own expense, secure or cause to be secured the grading permit from City and all permits, licenses and approvals which may be required by any governmental agency having jurisdiction over the Property and the Project other than building permits. Prior to commencement of development of any other improvements to the Property, Developer shall have obtained, at its own expense, approval of the final plans for the Project and the building permits for the Project.

3.4 Construction Contract. Developer acknowledges that the requirements of Section 3.5 of this Agreement shall apply to the construction contracts and subcontracts for the Project and Developer shall ensure compliance with all such provisions and requirements. If applicable to the Project and not exempt from HOME Requirements, Developer shall cause the inclusion of the applicable classification and wage rate determination for the Project in the construction contract for the Project which, if authorized by law, may be satisfied by Developer incorporating by reference said classification and wage rate determination.

3.5 Third Party Contracts. If Developer enters into any agreements ("**Third Party Contracts**") with contractor(s) for the construction of the Project ("**Other Contracting Party**"), such Third Party Contract shall be subject to the reasonable approval of City and must be consistent with the terms of this Agreement. Developer shall include in all Third Party Contracts the following minimum requirements: (a) provisions for the Other Contracting Party to comply with all terms of this Agreement to the extent applicable to the work or services provided by the Other Contracting Party, and all applicable legal requirements, including the HOME Requirements; (b) provisions for the Other Contracting Party to cooperate with City and make available to City all information, documents, and records reasonably requested by City in connection with the activities under this Agreement; (c) provisions for City to be granted the right of access to

the Property for purposes of this Agreement and evaluating Developer's performance hereunder; and (d) a provision naming City as an intended third party beneficiary with the right but not the obligation to enforce the Third Party Contract upon the occurrence of and during the continuance of a default under the relevant Third Party Contract. In connection with the preceding sentence, City shall have the right to require Developer to terminate the Third Party Contract if such default occurs and is not timely cured. If Developer believes that any of the HOME Requirements are not applicable to a Third Party Contract, it is Developer's responsibility to provide to City evidence that the requirement is not applicable; however, it is ultimately Developer's responsibility to include all legal requirements in its Third Party Contracts and City shall have no liability for Developer's failure to comply with this obligation. In connection therewith, any statement made by City to Developer as to the non-applicability of a particular legal requirement shall be provided as an accommodation to Developer and as a statement of City's opinion, but shall not be relied upon by Developer or excuse Developer from Developer's responsibility to include all applicable legal requirements in its Third Party Contracts or to comply with such requirements. Developer acknowledges that City's approval of a Third Party Contract shall in no way constitute an assumption by City of any responsibility whatsoever for the construction of the Project or performance of any activity that is the subject of the Third Party Contract, or Developer's or the Other Contracting Party's compliance with applicable laws, statutes, ordinances, codes, rules and regulations, or Developer's compliance with this Agreement. In connection therewith, City assumes no responsibility or liability for any act or omission of any Other Contracting Party and in no way guarantees any of the work to be done or materials to be supplied or services to be performed. Developer shall comply with all terms of Third Party Contracts.

3.6 No Debarred, Suspended, or Ineligible Parties. Developer shall not employ, engage the services of, or award any contractors to any party that is debarred, suspended, or otherwise ineligible to participate in a project that is receiving HOME Funds pursuant to the HOME Requirements. Developer shall provide to City such certifications as required by City demonstrating compliance with this Section.

3.7 Construction Meeting. Developer shall attend and cause the contractor(s) for the Project to attend any construction meetings or conferences arranged by City among the contractor, Developer, and City, including pre-construction meetings, relating to undertaking and completing the Project in conformance with this Agreement and applicable local, state, and federal laws. The requirements in this section may be satisfied by a regular monthly meeting arranged by Developer and attended by Developer and the respective representatives of the contractor(s) and City, as may be needed.

3.8 Schedule of Performance.

(a) Subject to subsection (b) below and the force majeure provisions of Section 9.3 of this Agreement, Developer shall commence, prosecute, and complete construction of the Project within the time set forth in the Schedule of Performance. Construction shall be continuously and diligently pursued to completion and shall not be abandoned for more than ten (10) consecutive business days, except when due to causes beyond the control and without the fault

of Developer, as set forth in Section 9.3 of this Agreement. The Schedule of Performance is subject to revision from time to time as may be mutually agreed upon in writing between Developer and City. During the course of construction, Developer shall, if requested by City, provide to City monthly written reports on the progress of construction.

(b) Developer shall commence or cause the commencement of the grading of the Property and the construction of the vertical improvements for the Project (Items #7 & #8 in the Schedule of Performance) no later than two (2) months after the close of the Construction Escrow. Except as provided in this subsection (b), the times for performance shall remain as set forth in the Schedule of Performance. In the event the Contract Officer does not extend any such time for performance, then Developer or the City may terminate this Agreement (and all related documents) by written notice delivered to the other party, and any funds disbursed to Developer shall be returned to the City without any further liability of Developer or the City.

3.9 Rights of Inspection. Representatives of the City shall have a reasonable right of access to the Property during normal business hours for the purposes of this Agreement, including, but not limited to, the inspection of the work being performed. Developer shall cooperate with, and shall cause the contractor and any subcontractor to cooperate with, City in connection with its inspection and access rights. It is understood that City does not by this Section 3.9 assume any responsibility or liability for a negligent inspection or failure to inspect. All inspections by City or on behalf of City, approvals of payment requests by City and other actions by City in connection therewith are not to be construed as a representation by City that there has been compliance with any permits or plans and specifications, legal requirements, or that the Project is free of defects in materials or workmanship. Any inspections or determinations made by City or lien waivers, receipts, or other agreements, documents, and instruments obtained by City are made or obtained solely for City's own benefit and not in any way for the benefit or protection of Developer. City has no obligation to Developer to ensure compliance by the contractor or any other person in carrying out such construction. No such inspections or review will limit any of the rights and remedies of City pursuant to this Agreement.

3.10 Insurance. Developer shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance:

(a) *Commercial General Liability Insurance*. A policy of commercial general liability insurance written on a per occurrence basis in an amount not less than a combined single limit of Three Million Dollars ($3,000,000) or its equivalent.

(b) *Worker's Compensation Insurance*. A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California if Developer has employees.

(c) *Builder's Risk.* Builder's risk coverage written on a completed value basis in an amount equal to the full replacement cost of the improvements with coverage available on the so-called non-reporting "all risk" form of policy, including coverage against collapse, fire, and water damage, with such insurance to be in such amounts and form and written by such companies as shall be approved by City. City agrees to accept a builder's risk insurance policy from Developer's general contractor in conformance with the requirements set forth herein, including without limitation the requirement that City be named as a loss payee.

(d) *Automobile Liability Insurance*. Automobile liability insurance (bodily injury and property damage liability) which coverage shall include owned, hired, and non-owned automobiles, with limits of liability of not less than Two Million Dollars ($2,000,000.00) combined single limit per accident for bodily injury and property damage combined.

All of the above policies of insurance shall be primary insurance and except for the Worker's Compensation Insurance shall name the City, its officers, employees and agents as additional insureds or, with respect to the builder's risk policy, as a loss payee. Said policies shall be satisfactory only if issued by companies qualified to do business in California and rated A:VII or better in the most recent edition of the Best Rating Guide. The insurer shall waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. All of said policies of insurance shall provide that said insurance may not be amended or canceled without providing thirty (30) days prior written notice by registered mail to City. In the event any of said policies of insurance are canceled, Developer shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 3.10 to the Contract Officer. The foregoing obligations shall remain in effect until the completion of the Project, at which time Developer shall maintain the insurance set forth in the City HOME Regulatory Agreement.

Developer agrees that the provisions of this Section 3.10 shall not be construed as limiting in any way the extent to which Developer may be held responsible for the payment of damages to any persons or property resulting from Developer's activities or the activities of any person or persons for which Developer is otherwise responsible. Prior to the Effective Date Developer has provided evidence of the above-required insurance (such as Certificates of Insurance of appropriate insurance binders) and obtained approval thereof from the Contract Officer.

3.11 Financing the Project.

3.11.1 Developer Responsible for Cost of Development. Except to the extent City has specifically agreed to provide the City HOME Loan pursuant to Section 2 of this Agreement, Developer shall be responsible for all costs of developing the Project, including but not limited to: predevelopment costs incurred for items such as planning, design, engineering, and environmental remediation; all development and building fees; the cost incurred to demolish and clear any and all existing improvements, furnishings, fixtures, and equipment from the Property requiring removal; relocation expenses payable

to existing occupants of the Property; costs for insurance and bonds (as required); costs for financing; all on-site construction costs; legal fees and any necessary public improvements not already provided to the Property under the Project.

3.11.2 Permitted Encumbrances. Developer may mortgage or encumber its leasehold interest in the Property in order to finance the development and operation of the Project, provided that the terms of any such loan and loan documents are reasonably approved by City and the mortgage or encumbrance (deed of trust) complies with one of the following: (a) a deed of trust(s) that secures the Bank Loan Funds, the Land Trust loan funds, or the Orange County HOME loan and Housing Successor Agency loan funds; or (b) a deed of trust securing financing for the development and operation of the Project for which the cumulative amount of the loans encumbering the Property does not exceed: (i) prior to the completion of construction of the Project, ninety percent (90%) of the appraised as-completed value of the Property plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, and (ii) after the completion of construction of the Project, ninety percent (90%) of the appraised value of the Property plus the value of tax credits allocated to the Project pursuant to a Low Income Housing Tax Credit Program approved by the California Tax Credit Allocation Committee, with said values evidenced by an appraisal or other evidence acceptable to City ("**Permitted Encumbrances**").

3.11.3 Evidence of Financial Capability. As a condition to City entering into this Agreement, Developer shall have submitted to City evidence reasonably satisfactory to City that Developer has the financial capability necessary to develop the Project pursuant to this Agreement and the Project Budget. Such evidence of financial capability shall have included the following:

(a) a copy of the commitment or loan agreement obtained by Developer for each source of funds to assist in financing the construction of the Project. All copies of commitments submitted by Developer to City shall be certified by Developer to be true and correct copies thereof. Each commitment for financing shall be in such form and content acceptable to City as reasonably evidences a firm and enforceable commitment, with only those conditions which are standard or typical for the lender involved for similar projects;

(b) if the total costs set forth in the Project Budget exceed the amount of financing commitments received pursuant to subparagraph (a) above, a financial statement and/or other documentation reasonably satisfactory to City sufficient to demonstrate that Developer has adequate funds available and committed to cover such difference; and

(c) a copy of the guaranteed maximum price or stipulated sum construction contract between Developer and its general contractor for all of the improvements required to be constructed by Developer hereunder, certified by Developer to be a true and correct copy thereof.

3.11.4 Subordination. The City's Neighborhood Services Manager and the Community Development Director or their respective designees each shall have the authority on behalf of City to enter into subordination agreements, intercreditor agreements, and other similar agreements; provided, however, that nothing herein shall obligate City to subordinate its financing except that City shall subordinate the City HOME Loan Leasehold Deed of Trust to the priority lien(s) (deeds of trust) securing the Bank Loan Funds, the Orange County HOME loan funds and Orange County Housing Successor Agency loan funds by subordination agreements approved in form by City in its reasonable discretion.

4. USE OF THE PROPERTY; PROGRAM ACTIVITIES.

4.1 General. Developer and its successors and assigns shall use, operate, and maintain the Property as a rental housing project in accordance with the provisions of this Agreement and the City HOME Regulatory Agreement, consistent with the HOME Requirements. The City HOME Regulatory Agreement contains provisions requiring the HOME Units on the Property to be maintained as affordable rental units for a period of twenty (20) years.

4.2 Ground Lease and Land Trust Regulatory Agreement. Developer shall comply with each and every condition, responsibility, and obligation it may have pursuant to each of the Ground Lease and Land Trust Regulatory Agreement in order not to cause a default under either of such documents. Developer shall not amend or modify the Ground Lease or Land Trust Regulatory Agreement in any respect inconsistent with this Agreement or any of the agreements attached hereto or in any respect that affects the rights of City as a leasehold mortgagee without the prior written consent of City, which consent City may withhold in its reasonable discretion. Developer shall provide to City notice of any defaults or notices of default under the Ground Lease or under the Land Trust Regulatory Agreement.

4.3 Program Activities. Developer shall operate the Program and perform all Program Activities in a competent, professional, and first class manner and to the satisfaction of City in its reasonable discretion and in accordance with this Agreement. In addition, Developer shall operate the Program and perform the Program Activities in compliance with the HOME Requirements and the legal requirements set forth in Attachment No. 3 attached to this Agreement and the statutes referenced therein. In addition to the reports referred to in Section 5.2, Developer shall, if requested by City, provide to City quarterly written reports on the progress of any Program Service. Developer shall cause the Program Activities to be performed by Developer or Developer Personnel under Developer's direct supervision, and shall ensure that all Developer Personnel engaged in the Program Activities are fully qualified and authorized and permitted under applicable law to operate the Program. Developer shall secure, at its sole cost and expense, any and all licenses, permits and approvals that may be required by law for the performance of the Program Activities. Developer shall be responsible for all costs related to the Program.

4.4 Management. If any manager or supervisor of the Program engages in any of the conduct described in Section 4.6 or knowingly allows such conduct to occur at the Property or by Developer Personnel, or knowingly allows illegal activity to occur at the Property, City shall have the right to require that Developer immediately replace such manager or supervisor for the Program.

4.5 Drug Free Covenant. Developer shall use its best efforts to maintain a drug free environment on the Property. Developer covenants to City that Developer shall use its best efforts pursuant to Section 4.7 of this Agreement to ensure that all persons residing on the Property shall not unlawfully manufacture, distribute, dispense, possess, or use controlled substances as defined in 21 United States Code section 812 and California Health and Safety Code section 11007, or successor statutes, and as prohibited by City law.

4.6 Program Defaults. If Developer shall or permit Developer Personnel to:

(a) engage in any act injuring, abusing, mistreating, or endangering any employee or client of the Program or other persons receiving services under the Program, including any tenants or occupants of the Project as reasonably determined by City; or

(b) fail to use best efforts in violation of Section 4.5 above; or

(c) engage in any act or transgression that, in the reasonable judgment of City, may cause embarrassment to City, reflect adversely upon the City or its funding programs or upon Developer, tend to bring the Program into public disrepute, contempt, scandal, or ridicule, or tend to shock, insult or offend the community or public morals or decency, then

Developer and City agree to meet and confer within ten (10) days of the request of City to determine a resolution reasonably acceptable to City, and Developer agrees to thereafter promptly implement the resolution. The failure of Developer to implement the resolution shall constitute a default under this Agreement ("**Program Default**").

4.7 Occupants of Housing Facilities. To the extent permitted by applicable law, Developer shall include in its occupancy or lease agreements with the persons residing in the facility ("**Occupants**") a requirement that the occurrence of any illegal activity by the Occupant, or by Occupant's guests at the Property, shall be grounds for immediate termination of the Occupant's right to reside within the housing facility and City shall have the right to require that Developer enforce such provision.

4.8 Monitoring. City shall monitor and evaluate Developer's performance under this Agreement to determine compliance with this Agreement and the HOME Requirements. Developer shall reasonably cooperate with City and shall make available to City all information, documents, and records reasonably requested by City and shall provide City the reasonable right of access to the Property and the affordable units during normal business hours for the purpose of assuring compliance with this Agreement and evaluating Developer's performance hereunder.

4.9 Compliance with Laws and Regulations and HOME Requirements. Developer shall carry out the design, construction and operation of the Project, and operate the Program, in conformity with all applicable laws, regulations, and rules of governmental agencies having jurisdiction, including without limitation, the HOME Requirements and the legal requirements set forth in Attachment No. 3 attached to this Agreement and the statutes referenced therein, the City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and, if applicable to the Project, all federal and state fair labor standards and prevailing wage requirements. Because the source of the City HOME Loan is funds received from HUD pursuant to the federal government's HOME program, Developer is required to comply with all applicable HOME Requirements. In the case of any conflict between the HOME Requirements and this Agreement, the HOME Requirements shall control; it being understood, however, that in order to be in compliance with this Agreement and the HOME Requirements, Developer shall, to the extent possible, comply with the most restrictive provisions in this Agreement and the HOME Requirements. Each and every provision required by law to be included in this Agreement shall be deemed to be included, and this Agreement shall be read and enforced as though all such provisions were included. Developer acknowledges and agrees that it shall be and remain, and shall cause the Developer Personnel to be and remain, fully knowledgeable and apprised of all local, state and federal laws, rules and regulations in any manner affecting the performance under this Agreement, including the HOME Requirements. Developer shall indemnify, protect, defend and hold harmless City and its officials, officers, employees, and agents, with counsel reasonably acceptable to City, from and against any and all loss, liability, damage, claim, cost, expense and/or "increased costs" (including reasonable attorneys' fees, court and litigation costs, and fees of expert witnesses) that results or arises in any way from any of the following: (a) the noncompliance by Developer or Developer Personnel of any applicable local, state and/or federal law, including, without limitation, any applicable federal and/or state labor laws (including, without limitation, if applicable, the requirement to pay state or federal prevailing wages and hire apprentices); (b) the implementation of Section 1781 of the California Labor Code, as the same may be amended from time to time, or any other similar law, by Developer or Developer Personnel; and/or (c) failure by Developer or Developer Personnel to provide any required disclosure or identification as required by Labor Code Section 1781, as the same may be amended from time to time, or any other similar law. The foregoing indemnity shall survive termination of this Agreement.

4.10 Program Income. Developer shall submit to City annual reports as set forth in Section 5.2 on all program income as defined 24 C.F.R. 92.503(a) generated by activities carried out with HOME Funds, if any. The program income shall, at City's election, (a) be returned to City or (b) retained by Developer and utilized for the Project expenses set forth in the Project Budget or such other activities approved in writing by City, in which case all provisions of this Agreement shall apply to the activities funded by the program income. Upon the completion of the Project or the earlier termination of this Agreement, all unused program income shall be returned to City at the election of City.

4.11 Relocation. City shall not be responsible for relocating any occupants from the Property to the extent any occupants are located on the Property. If relocation is

required, Developer shall have the sole and exclusive responsibility for providing relocation assistance and paying all relocation costs required to comply with all applicable federal and state laws, rules, and regulations. Developer shall indemnify, defend, and hold City harmless from and against any claims, liabilities, damages, or losses made against it by tenants or occupants of the Property, including without limitation claims for relocation assistance, inverse condemnation, and claims otherwise arising from any act or omission of Developer pursuant to this Section 4.11.

4.12 Affordability Covenants. Developer acknowledges and agrees that the Income Restricted Units on the Property will be required to be maintained as affordable rental units in accordance with the Ground Lease and regulatory agreement to be entered into between Developer and Land Trust.

4.13 Indemnification. Developer shall indemnify, defend, and hold harmless City and its officers, officials, employees, representatives and agents (collectively, the "**Indemnitee**") from and against any and all claims, causes of action, liabilities, and damages arising out of any acts or omissions of Developer or Developer's officers, employees, contractors, and agents, in the performance under this Agreement and the agreements attached hereto and/or with respect to the Property including the construction of the Project thereon. The Indemnitee shall promptly notify Developer of the filing of any such action and cooperate with Developer in the defense thereof (at no cost to Indemnitee).

4.14 Extended Use Agreement. City acknowledges that Developer and the California Tax Credit Allocation Committee have or intend to enter into an extended use agreement pursuant to Section 42(h) of the Internal Revenue Code ("**Extended Use Agreement**") which will be recorded against the Property. City acknowledges that, in the event of a foreclosure of its interest under the City HOME Loan Leasehold Deed of Trust or delivery by Developer of a deed in lieu thereof (collectively, a "**Foreclosure**"), pursuant to Sections 42(h)(6)(E)(ii) of the Internal Revenue Code, for a period of three (3) years from the date of Foreclosure, with respect to any unit that had been regulated by the Extended Use Agreement, (i) none of the eligible tenants occupying those units at the time of Foreclosure may be evicted or their tenancy terminated (other than for good cause), (ii) nor may the rent of any such eligible tenant be increased except as otherwise permitted under Section 42 of the Internal Revenue Code.

5. RECORDS AND REPORTS.

5.1 Records.

5.1.1 Records to be Maintained. Developer shall keep and maintain records providing a full description of the Program Activities undertaken, records demonstrating that the Program Activities meet the HOME Requirements, records demonstrating the eligibility of the activities constituting the Eligible HOME Loan Expenses, and such other records as may be reasonably required by City to enable City to evaluate Developer's compliance with the HOME Requirements, to identify and account for the use of the City HOME Loan proceeds and expenditures of Eligible HOME

Loan Expenses and all costs pertaining to this Agreement, and to enable City to comply with City's recordkeeping and reporting requirements under the HOME Requirements. Books and records pertaining to the Eligible HOME Loan Expenses shall be kept and prepared in accordance with generally accepted accounting principles.

5.1.2 Retention. The books and records required to be maintained by Developer under this Agreement shall be retained for a period of five (5) years following the date that all units in the Project have received all required occupancy permits from the City; provided, however, in the event any litigation, audit, negotiation, or other action involving the books and records is commenced prior to the expiration of the five (5) year retention period, Developer shall retain the books and records until completion of the action and resolution of all issues which arise from it.

5.1.3 Location of Records. The books and records required to be maintained by Developer shall be kept at the Property or at the office of Developer or such other location in Orange County, California, approved by City.

5.1.4 Access to Records. City and HUD and/or their representatives shall have full and free access to, and the right to examine, inspect, and audit, all books and records of Developer pertaining to this Agreement at all times during normal business hours upon forty-eight (48) hours prior written notice to Developer.

5.1.5 Audits. Developer shall perform all audits of its books and records required by HUD, the HOME Requirements or reasonably required by City and a copy of such audits shall be forwarded to the City within thirty (30) days after completion. Developer shall be subject to all audit and review requirements imposed on City in connection with this Agreement and shall, at its sole cost and expense, cause such audits and reviews to be timely performed.

5.2 Reports.

5.2.1 Reports During and Post-Construction. No later than fifteen (15) days after the end of each Quarter prior to the Construction Completion Date, and no later than thirty (30) days after the end of each calendar year after the Construction Completion Date, Developer shall submit to City, for the duration of the term of this Agreement, the following reports on forms approved by the Contract Officer:

(a) *Performance Reports.* A report on the summary of the Program Activities and activities undertaken by Developer under this Agreement for the previous Quarter or calendar year, as applicable ("**Performance Report**"). The Performance Report shall, at a minimum, describe the status of each Program Activity required to be performed and met during that Quarter or calendar year (as applicable), progress towards completing the other Program Activities, costs incurred, funds remaining, a narrative explanation of problems, delays, or adverse conditions which impaired the ability of Developer to meet any obligations if any were not met, favorable developments which enabled Developer to satisfy

obligations and meet objectives sooner or at less cost than anticipated or producing more beneficial results than planned, and any additional pertinent information related to contract performance.

(b) *Program Income*. A report on the program income generated for the Quarter or calendar year (as applicable), if any, as more fully explained in Section 4.10 of this Agreement, which shall include a description of the expenditures of program income and a progress report for the activities funded by the program income if Developer is permitted to retain program income.

5.2.2 Other Reports. In addition to the reports referenced in Section 5.2.1, Developer shall, at such times and in such forms as reasonably required by City, prepare and submit to the Contract Officer, such other reports concerning the performance of the Program Activities, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement and compliance with applicable HOME Requirements, as City may reasonably require from time to time.

6. TERMINATION.

6.1 Termination. In addition to any other termination provision set forth in this Agreement, this Agreement may be terminated by City as follows:

(i) *Lack of Funding*. If, for any reason beyond the control of City, the HOME Funds required by City to fund the Eligible HOME Loan Expenses are withdrawn from City by HUD, the City may unilaterally terminate or modify the terms of this Agreement to reflect the loss of funding, without liability to Developer. This subdivision shall not be applicable after the date the City has disbursed to Developer (i) the funds for the City HOME Loan or (ii) City obtains, at City's election and in its sole discretion, another source of funds acceptable to Developer, in Developer's sole discretion.

(ii) *Default*. If a default shall occur under this Agreement that is not cured within an applicable notice and cure period (other than a default of City), City may terminate this Agreement in whole or in part.

(iii) *Failure to Receive Environmental Clearance*. In accordance with 24 CFR § 58.22 entitled "Limitations on activities pending clearance," HUD or the state does not approve the Request for Release of Funds (RROF) and related certifications for the Project and the Project is not otherwise exempt such that no RROF is required.

(iv) *Termination for Convenience*. This Agreement may be terminated by City for convenience as provided in 24 C.F.R. § 85.44.

6.2 Obligations Survive Termination. Notwithstanding the expiration or earlier termination of this Agreement, Developer's obligations to City shall not terminate until all closeout requirements are completed. In addition, the following obligations of Developer

shall survive the termination of this Agreement: (a) Developer's indemnity obligations; (b) the obligation to cause audits to be performed relating to Developer's activities and costs under this Agreement; (c) the obligation to repay to City the City HOME Loan proceeds improperly disbursed to Developer or disbursed or used for ineligible expenditures; and (d) any other obligations which cannot by their nature be performed until after the expiration of the Agreement. No termination under this Agreement shall release either party then in default from liability for such default.

7. DEFAULTS AND REMEDIES.

7.1 Defaults-General. The occurrence of any of the following shall be deemed a default under this Agreement:

(a) The failure or delay by either party to perform any term or provision of this Agreement if such failure is not cured, corrected or remedied within any specific time period set forth in this Agreement.

(b) If no other specific time period is set forth herein, the failure to cure a monetary default under this Agreement (other than any monetary defaults specifically listed in any of the other subparagraphs of this Section 7.1) within ten (10) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default.

(c) If no other specific time period is set forth herein, the failure to cure a non-monetary default under this Agreement (other than any non-monetary defaults specifically listed in any of the other subparagraphs of this Section 7.1) within thirty (30) days after the nonperforming party's receipt of written notice from the other party specifying the nature of the default; provided, however, that if the failure cannot be corrected within such period, it shall not constitute a default if the failure is correctable without material adverse effect on the Property, and if corrective action is instituted by Developer within such period and diligently pursued until the failure is corrected, and provided further that any such failure is cured within ninety (90) days of receipt of notice of such failure.

(d) Subject to Section 9.3, Developer does not proceed with the commencement, construction and completion of the Project as herein provided.

(e) Subject to Section 9.3, work ceases on the Project for ten (10) consecutive business days.

(f) The occurrence of a Program Default.

(g) Subject to the notice and cure provisions in Subsection (c) above, any of the warranties or representations made by Developer herein are or become false, incorrect or misleading in any material respect.

(h) Developer commits any act of bankruptcy or if any relief under the federal Bankruptcy Act is sought by or against Developer, or if a receiver is

appointed to take charge of the assets or affairs of Developer, or if Developer should make an assignment for the benefit of creditors, or if Developer should become insolvent, or upon any liquidation or termination of Developer; provided, however, that if any such proceeding is brought involuntarily against Developer, Developer shall have ninety (90) days to obtain the dismissal of such proceeding.

(i) The filing of a notice of judgment lien against Developer, or the recording of any abstract of judgment against Developer, or the service of a notice of levy and/or of a writ of attachment or execution, or other like process, against the assets of Developer, or the entry of a judgment, order or decree against Developer, any or all of which would have a material and adverse effect upon Developer's ability to perform under this Agreement, unless the same is dismissed within ninety (90) days.

(j) There is a default by Developer of the City HOME Loan Note, City HOME Loan Leasehold Deed of Trust, City HOME Regulatory Agreement, or Density Bonus Agreement, after expiration of any notice and cure periods in the applicable agreement(s).

(k) Developer shall default under the Ground Lease or Land Trust Regulatory Agreement and such default is not cured within any notice and cure period expressly provided in the Ground Lease or Regulatory Agreement (as applicable).

(l) Developer shall default in the payment or performance of any obligation, or any defined event of default, under the terms of any contract or instrument pursuant to which Developer has incurred any debt or other liability to City, or any other person or entity that has an interest secured by a lien recorded against the Property, which default is not cured within any grace and cure period expressly provided in such contract or instrument.

The party in default shall provide to the other party immediate written notice of the occurrence of any event that would constitute a default hereunder.

7.2 Remedies Upon Default. In addition to any other rights or remedies available at law or in equity, upon a default under this Agreement (other than a default of City) that is not cured within any applicable notice and cure periods herein, City may take one or more of the following actions:

(i) Wholly or partially suspend or terminate this Agreement.

(ii) Withhold further awards for the Project, including further disbursements of the City HOME Loan.

(iii) Require Developer to repay the City HOME Loan funds.

(iv) Institute legal action to cure, correct, or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purposes of this Agreement.

In addition to the foregoing, City shall have the right to withhold disbursements of City HOME Loan proceeds during such period as may be necessary to determine whether a default has occurred and during any cure period. Upon the occurrence of an event which, with the passage of time or the giving of notice, would constitute a default under this Agreement (other than a default of City), City may temporarily withhold disbursements of City HOME Loan proceeds pending correction of the default by Developer.

In addition to Developer's cure rights hereunder, Citi Community Capital, or its successors and assigns pursuant to this Agreement ("**Investor**"), for so long as Investor is a limited partner investor in Developer, shall have ten (10) days after receipt of a default notice from City to cure a monetary default of this Agreement and thirty (30) days after receipt of a default notice to cure any non-monetary default under this Agreement; provided however, if the non-monetary default is incapable of being cured within thirty (30) days, Investor shall have an additional ninety (90) days to cure such default provided it has commenced to cure the default within such thirty (30) day period and is diligently proceeding to cure such default through the end of such period. Developer shall have the obligation to deliver to City written notice of the Investor's mailing address for purposes of delivering any default notice. City shall accept any cure made by Investor as if made by Developer, but failure by City in timely delivering a default notice to Investor shall not be a default or breach by City under this Agreement.

Except as otherwise expressly provided in this Agreement, any failure or delay by a party in giving a notice of default or in asserting any of its rights and remedies as to any default shall not constitute a waiver of any default, nor shall it change the time of default, nor shall it deprive such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

7.3 Institution of Legal Actions and Venue. In addition to any other rights or remedies and subject to the restrictions set forth in this Agreement, either party may institute an action at law or equity to seek specific performance of the terms of this Agreement, or to cure, correct or remedy any default, to recover damages for any default (subject to the restriction on Developer's rights to recover monetary damages against City set forth in the final clause of this sentence), or to obtain any other remedy consistent with the purpose of this Agreement; provided, however, that notwithstanding anything in the foregoing to the contrary, in no event shall Developer be entitled to obtain monetary damages of any kind from City, including but not limited to damages for economic loss, lost profits, or any other economic or consequential damages of any kind. Such legal actions must be instituted in the Superior Court of the State of California in and for the County of Orange, California, in any other appropriate court within the County of Orange, California, or in the United States District Court for the Central District of California.

7.4 Applicable Law. The internal laws of the State of California without regard to conflict of law principles shall govern the interpretation and enforcement of this Agreement.

7.5 Rights and Remedies are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Attorney's Fees. If either party to this Agreement is required to initiate or defend litigation in any way connected with this Agreement, the prevailing party in such litigation, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees from the losing party. If any party to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other party, then the party so litigating shall be entitled to reasonable attorney's fees from the other party to this Agreement. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, retaining expert witnesses, taking depositions and discovery, and all other necessary costs incurred with respect to such litigation.

8. REPRESENTATIONS AND WARRANTIES OF DEVELOPER.

Developer makes the following representations and warranties as of the date of this Agreement and agrees that such representations and warranties shall survive and continue thereafter:

(a) *Authorization and Validation.* The execution, delivery and performance by Developer of this Agreement (i) are within the powers of Developer and upon its execution will constitute a legal, valid and binding obligation of Developer enforceable in accordance with its terms, and (ii) to Developer's knowledge will not violate any provisions of law, any order of any court or other agency of government, or any indenture, agreement or any other instrument to which Developer is a party or by which Developer, or any of its property, is bound, or be in conflict with, result in any breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of its property or assets, except as contemplated by the provisions of this Agreement.

(b) *Correct Information.* To Developer's knowledge, all reports, papers, data and information given to City with respect to Developer and this Agreement, including the Property and Program are accurate and correct in all material respects and complete insofar as completeness may be necessary to give City a true and accurate knowledge of the subject matters thereof, and there has been no change in such information.

(c) *Defaults*. Developer is not a party to any agreement or instrument that will interfere with its performance under this Agreement, and is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions set forth in any agreement or instrument to which it is a party would have an adverse effect on its ability to perform its obligations under this Agreement.

(d) *Pending Litigation*. There is not now pending, or to Developer's knowledge threatened, against or affecting Developer any claim, investigation, action, suit or proceeding at law, or in equity, or before any court or administrative agency which, if adversely determined, would impair or affect the Property or Developer.

(e) *Compliance.* Developer has examined and is familiar with all conditions, restrictions, reservations and ordinances affecting the Property and Project.

9. GENERAL PROVISIONS.

Notices personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices delivered by email shall be deemed effective the next business day, not less than twenty-four (24) hours, following the date of transmittal and confirmation of delivery to the intended recipient. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as any Party may from time to time designate in writing.

9.2 Nonliability of City Officials and Employees. No member, official, employee, or contractor of City shall be personally liable to Developer in the event of any default or breach by City or for any amount which may become due to Developer or on any obligations under the terms of this Agreement.

9.3 Enforced Delay; Extension of Times of Performance. Time is of the essence in the performance of each of the parties' respective obligations set forth in this Agreement. In addition to specific provisions of this Agreement, and except as expressly set forth in this Section 9.3, performance by either party hereunder shall not be deemed to be in default and such party shall be entitled to an extension of time to perform its obligations hereunder where delays in performance are due to causes beyond the control and without the fault of such party, including as applicable: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplies that are not

caused by Developer; acts of the other party; acts or the failure to act of City or any other public or governmental agency or entity that are not caused by Developer; or other causes beyond the reasonable control of the party. Notwithstanding the foregoing, Developer's inability to secure satisfactory financing, interest rates, and market and economic conditions shall not entitle Developer to an extension of time to perform. An extension of time for any cause permitted under this Section 9.3 shall be limited to the period of the enforced delay, which period shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of knowledge of the commencement of the cause. If no written notice is sent within thirty (30) days, for purposes of measuring the extension period for performance of the obligation in question, the period of the enforced delay shall commence to run from the date written notice is sent to the other party. Times of performance under this Agreement may be extended by mutual written agreement of City and Developer.

9.4 Inspection of Books and Records. City shall have the right at all reasonable times to inspect the books and records of Developer pertaining to the Property and the Project as pertinent to the purposes of this Agreement.

9.5 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against any party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply. The section headings are for purposes of convenience only, and shall not be construed to limit or extend the meaning of this Agreement.

9.6 Entire Agreement, Waivers and Amendments. This Agreement integrates all of the terms and conditions mentioned herein, or incidental hereto, and supersedes all negotiations and previous agreements between the parties with respect to the City HOME Loan. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the party to be charged, and all amendments and modifications hereto must be in writing and signed by the appropriate authorities of City and Developer. The City hereby authorizes the Neighborhood Services Manager or Director of Community Development for the City of Irvine or either of their designee, to the extent allowed by federal, state or local law, to approve or consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities, including but not limited to, the execution of any additional agreements, addenda or amendments to effectuate the purpose of this Agreement and the intent of the parties hereto.

9.7 Severability. If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. In the event that all or any portion of this Agreement is found to be unenforceable, this Agreement or that portion which is found to be unenforceable shall be deemed to be a statement of intention by the parties; and the parties further agree that

in such event, and to the maximum extent permitted by law, they shall take all steps necessary to comply with such procedures or requirements as may be necessary in order to make valid this Agreement or that portion which is found to be unenforceable.

9.8 Restriction on Transfer of Developer's Rights and Obligations. Developer shall not sell, assign, transfer, mortgage, lease, hypothecate, or convey (any of the foregoing, a "**Transfer**") the leasehold interest in Property, or any part thereof or any of Developer's rights or obligations hereunder without the City's prior written consent, which consent may be granted or withheld in the City's reasonable discretion except for the following ("**Permitted Transfers**"):

(a) Permitted Encumbrances;

(b) a conveyance of the Developer's leasehold interest in the Property under the Ground Lease and/or the Developer's interest in the fee interest in the improvements thereon resulting from the foreclosure of a Permitted Encumbrance (or a deed-in-lieu of such a foreclosure);

(c) the transfer of the Developer's interest in this Agreement, the Developer's leasehold interest in the Property under the Ground Lease and the Developer's fee interest in the improvements thereon by the Developer to a limited partnership in which at least two members of the Developer or their affiliates serve as general partners, and at least two members of the Developer or their affiliates have and maintains a controlling interest in the management and ownership of the limited partnership ("**Partnership**");

(d) any transfer of equity in the Developer that does not change management or operational control of the Project;

(e) the lease of the Residential Units consistent with the City HOME Regulatory Agreement, Ground Lease, and Land Trust Regulatory Agreement;

(f) the transfer and sale of limited partnership interests in the Partnership;

(g) in the event that any general partner of the Partnership is removed by the limited partner of the Partnership for cause following default under the partnership agreement, the transfer of the general partner interest to an affiliate of the limited partner or a 501(c)(3) tax exempt nonprofit corporation selected by the limited partner and approved by City, in its reasonable discretion, if the successor nonprofit corporation has the same or substantially similar experience, assets and access to capital and private funding as Developer did at the Effective Date of this Agreement;

(h) the transfer of the Project from the Partnership to one of the general partners the Developer or an affiliate of the general partners of the Developer at the end of the tax credit compliance period for the Project; and

(i) any dilution of a general partner's interest in the Partnership in accordance with the Partnership's limited partnership agreement, which limited partnership agreement is subject to approval by City in its reasonable discretion.

Developer acknowledges that the identity of Developer is of particular concern to the City, and it is because of Developer's identity that the City has entered into this Agreement with Developer. Except for pursuant to any Permitted Transfer, no voluntary or involuntary successor in interest of Developer shall acquire any rights or powers under this Agreement.

Developer shall deliver written notice to City requesting approval of any assignment or transfer requiring City approval hereunder. In considering whether it will grant approval to any assignment by Developer of its interest in the Property and this Agreement or any portion thereof, City shall consider factors such as the financial strength and capability of the proposed transferee to perform Developer's obligations hereunder and the proposed assignee's experience and expertise in the planning, financing, development, and operation of similar projects.

No assignment, excluding assignments for Permitted Encumbrances, shall be effective as to City unless and until the proposed assignee and Developer execute and deliver to City an assignment and assumption agreement in form reasonably satisfactory to the Contract Officer and the City Attorney.

9.9 Prohibition Against Assignment and Transfer by City. The City shall not voluntarily assign or transfer its interest in all or any part of this Agreement (which by definition includes all attachments hereto) without Developer's prior written approval, which shall not be unreasonably withheld.

9.10 Third Party Beneficiaries. No person or entity other than Developer and the City and the permitted successors and assigns of each of them, shall be authorized to enforce the provisions of this Agreement.

9.11 Authority to Execute Agreement. The persons executing this Agreement on behalf of each party represents and warrants to the other party that by proper action such persons have been duly authorized to execute and deliver this Agreement.

9.12 Contract Administration and Approvals. The Contract Officer shall be the person designated by City to administer this Agreement on behalf of City and such administrative authority shall include but not be limited to the right to approve extensions of time on behalf of City and to issue waivers, and the Developer Representative shall be the person designated by Developer to administer this Agreement on behalf of Developer. The City Manager and the Community Development Director (or their respective authorized representatives) each shall have the authority to consent to any matter requiring City approval or consent as provided in this Agreement, and to perform and carry out any activities concerning the City HOME Loan, including but not limited to, the execution of any additional agreements, addenda or amendments so long as such actions do not substantially add to the costs of City as specified herein.

9.13 Covenants to Run with the Land. This Agreement shall be binding on Developer's successors in interest in the Property until the date that all units in the Project have received all required occupancy permits and City has verified that all improvements

required to be constructed in connection with the Project have been completed ("**Construction Completion Date**"). Accordingly, the provisions of this Section 9.13 shall be applicable until the Construction Completion Date.

This Agreement is designed to create equitable servitudes and covenants running with the Property, in favor of City. The covenants, conditions, restrictions, reservations, equitable servitudes, liens and charges set forth herein shall be binding upon all persons having any right, title or interest in the Property, or any part thereof, their heirs, successive owners and assigns; shall inure to the benefit of City and its successors and assigns, shall be binding upon Developer, its successors and assigns and successors in interest; and may be enforced by City and its successors and assigns. Developer hereby declares its understanding and intent that the burden of the covenants set forth herein touch and concern the land. Developer hereby further declares its understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Property for purposes of affordable housing. City shall have the right to designate real property as benefited by the covenants contained herein during the term of this Agreement. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that City shall be deemed a beneficiary of the agreements and covenants provided herein both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of City and such covenants shall run in favor of City for the entire period during which such covenants shall be in force and effect, without regard to whether City is or remains an owner of any land or interest therein to which such covenants relate.

City shall execute, acknowledge, and deliver to Developer upon Developer's request after the Construction Completion Date, a document in recordable form removing the Memorandum from title to the Property. The removal of the Memorandum from title shall not result in a termination of this Agreement as between Developer and City but any party thereafter owning or acquiring Developer's interest in the Property shall not because of such ownership or acquisition incur any obligation under this Agreement, but such party shall be subject to any other recorded agreements, including without limitation the City HOME Regulatory Agreement and the City HOME Loan Leasehold Deed of Trust.

The parties acknowledge that the Memorandum, City HOME Regulatory Agreement and City HOME Loan Leasehold Deed of Trust recorded against the Property will encumber Developer's leasehold interest in the Property and not the Land Trust's fee interest in the Property.

9.14 Time of the Essence. Time is of the essence in the performance of this Agreement.

9.15 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

9.16 Attachments. This Agreement contains eight (8) Attachments, attached hereto and made a part hereof by this reference. Said Attachments are identified as follows:

1	Legal Description of Property
2	Schedule of Performance
3	Summary of Legal Requirements for HOME Funds

ATTACHMENT NO. 3

SUMMARY OF LEGAL REQUIREMENTS FOR HOME FUNDS

In addition to the requirements set forth in other provisions of the Agreement, Developer shall comply, and shall cause all Developer Personnel to comply, with the following regulations and requirements.[1]

1. **Use of the HOME Funds**. The City HOME Loan shall be used only for eligible costs (see, e.g., 24 C.F.R. § 92.206, 92.214, 92.300(c), and 92.301), and any development work shall be completed within the times referred to in the Affordable Housing and Loan Agreement between City and Developer.

2. **Affordability**. The HOME Units shall meet the affordability requirements of the HOME Requirements (24 C.F.R. § 92.254) or this Agreement and the City HOME Regulatory Agreement, whichever is more restrictive. If the HOME Units do not meet the affordability requirements of the HOME Requirements for the specified time period, Developer shall repay the City HOME Loan to City promptly upon demand by City. In such event, Developer shall not be released from the affordability and other covenants and restrictions set forth in this Agreement and the City HOME Regulatory Agreement, which shall continue to apply independent of the HOME Requirements.

3. **Equal Opportunity and Nondiscrimination.**

a. **Title VI of the Civil Rights Act of 1964, as amended, including Public Law 88-352 implemented in 24 CFR Part 1**. This law provides in part that no person shall, on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. In regard to the sale or lease of the Property, Developer shall cause or require a covenant running with the land to be inserted in the deed and leases prohibiting discrimination under this Title, and providing that City and the United States are beneficiaries of and entitled to enforce such covenants. Developer shall enforce such covenant and shall not itself so discriminate.

b. **Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended, including Public Law 90-234.** The Fair Housing Act provides in part that there shall be no discrimination in housing practices on the basis of race, color, religion, sex, and national origin. The Fair Housing Act was amended in 1988 to provide protections from discrimination in any aspect of the sale or rental of housing for families with children and persons with disabilities. The Fair Housing Act also establishes requirements for the

The description set forth next to a statute or regulation is a summary of certain provisions in the statute or regulation and is in no way intended to be a complete description or summary of the statute or regulation. In the event of any conflict between this summary and the requirements imposed by applicable laws, regulations, and requirements, the applicable laws, regulations, and requirements shall apply.**

design and construction of new rental or for-sale multi-family housing to ensure a minimum level of accessibility for persons with disabilities.

c. Section 109 of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq.*, 42 U.S.C. 6101 *et. seq.*, and 29 U.S.C. 794. This law provides in part that no person on the grounds of race, color, national origin, sex, or religion shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any activity funded in whole or part with funds under this Title.

d. Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, including 42 U.S.C. 5301 *et. seq*. This law provides in part that any grant under Section 106 shall be made only if the grantee certifies to the satisfaction of the Secretary of HUD that the grantee will, among other things, affirmatively further fair housing.

e. Executive Order 11246, as amended. This order includes a requirement that grantees and subrecipients and their contractors and subcontractors not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

f. Executive Order 11063, as amended, including 24 CFR Part 107. This order and its implementing regulations include requirements that all actions necessary be taken to prevent discrimination because of race, color, religion, sex, or national origin in the use, occupancy, sale, leasing, rental, or other disposition of property assisted with Federal loans, advances, grants, or contributions.

g. Section 504 of the Rehabilitation Act of 1973, as amended. This Act specifies in part that no otherwise qualified individual shall solely by reason of his or her disability or handicap be excluded from participation (including employment), denied program benefits, or subjected to discrimination under any program or activity receiving Federal assistance. Developer must ensure that its programs are accessible to and usable by persons with disabilities.

h. The Americans with Disabilities Act (ADA) of 1990, as amended. This Act prohibits discrimination on the basis of disability in employment by state and local governments and in places of public accommodation and commercial facilities. The ADA also requires that facilities that are newly constructed or altered, by, on behalf of, or for use of a public entity, be designed and constructed in a manner that makes the facility readily accessible to and usable by persons with disabilities. The Act defines the range of conditions that qualify as disabilities and the reasonable accommodations that must be made to assure equality of opportunity, full participation, independent living, and economic self-sufficiency for persons with disabilities.

i. The Age Discrimination Act of 1975, as amended. This law provides in part that no person shall be excluded from participation in, be denied program

benefits, or subjected to discrimination on the basis of age under any program or activity receiving federal assistance.

j. EEO/AA Statement. Developer shall, in all solicitations or advertisements for employees placed by or on behalf of Developer, state that it is an Equal Opportunity or Affirmative Action employer.

k. Minority/Women Business Enterprise. Developer will use its best efforts to afford small businesses and minority and women-owned business enterprises the maximum practicable opportunity to participate in the performance of the Agreement. As used in the Agreement, the term "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women-owned business enterprise" means a business at least fifty-one percent (51%) owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. Developer may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

l. Nondiscrimination. Developer shall comply with the federal requirements and nondiscrimination provisions in 24 C.F.R. § 92.350, which include requirements on nondiscrimination and equal opportunity, disclosure requirements, debarred, suspended or ineligible contractors, and maintaining a drug-free workplace.

4. Environmental.

a. Air and Water. Developer shall comply with the following regulations insofar as they apply to the performance of the Agreement: Clean Air Act, 42 U.S.C. 7401, *et seq.*; Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, *et seq.*, as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder; and the U.S. Environmental Protection City regulations pursuant to 40 CFR Part 50, as amended.

b. Flood Disaster Protection Act of 1973. Developer shall assure that for activities located in an area identified by FEMA as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained.

c. Lead-Based Paint. Developer shall comply with the Lead-Based Paint Regulations referenced in 24 C.F.R. 92.355, including 24 C.F.R. Part 35, *et. al.*
