

City of Irvine Business Leaders Series

The Sustainability Transition: Green Business Strategies for the Future

Tuesday, August 11, 9–11 a.m. | Quail Hill Community Center, 39 Shady Canyon Drive

Discover Practical Sustainability Strategies for Your Business

Join sustainability experts and local business leaders for a discussion on how sustainability can help your business reduce costs, improve efficiency, and build long-term resilience. From energy and waste management to supply chain strategies and resource conservation, discover proven approaches that strengthen both your bottom line and your competitive advantage.

Whether you're just beginning your sustainability journey or looking to expand existing efforts, you'll leave with actionable ideas, real-world insights, and valuable resources to help your business succeed.

Agenda

- 9–9:30 a.m.** Networking, Light Breakfast & Resource Fair
- 9:30–9:45 a.m.** City Updates & Green Business Program Overview
- 9:45–11 a.m.** Panel Discussion

Resource Fair

Connect one-on-one with local organizations offering sustainability programs, technical assistance, incentives, and business resources.
