

# America 250 Agamograph

Two images in one! View from one angle to see one image, shift your view to see the other.

## SUPPLIES NEEDED:

- Printed template
- Preferred medium-Color pencils, markers, paint, etc.
- Scissors
- Glue stick
- Cardstock paper or construction paper

## STEP 1:

Print templates

## STEP 2:

Color the 2 designs using markers, color pencils, paint, etc.

## STEP 3:

Cut each graphic rectangle out. Then cut each vertical line. Each graphic will create 5 strips.

## STEP 4:

Glue the strip (glue stick preferred) in the sequence from left to right weaving A-E and 1-5 strips on a separate piece of paper. \*For best results glue on a cardstock or construction paper.

## STEP 5:

Fold the strips at each line back and forth, accordion style.

## STEP 6:

Stand the agamograph up and view from different angles!
