

Popsicle Stick American Flags

Show off your patriotism with these American Flags made out of popsicle sticks as decorations at your BBQ, picnic, or family dinner.

SUPPLIES NEEDED:

- 9 popsicle sticks
- Red, white, and blue paint, crayons, or markers
- Glue
- Paintbrushes
- Q-tip or paint brush end

STEP 1:

Paint or color 2 sticks all red, 2 all white, 2 half red and blue and 1 half white and blue. Paint the sticks in half vertically.

STEP 2:

Take a stick and put glue on one side to hold all the painted sticks on to it. This stick will act as a flagpole.

STEP 3:

Line up the sticks in the following order to glue to the flagpole stick:

- Blue and red
- Blue and white
- Blue and red
- All white
- All red
- All white
- All red

STEP 5:

Use the last stick as a support for the colored sticks. Put glue on one full side and attach it to the back of the colored sticks.

STEP 6:

While the glue is drying, flip the flag over and dip the Q-tip or the end of a paintbrush into white paint and put dots in the blue section of the flag to represent the stars.

STEP 7:

After it is dry, use the flag as decoration in your yard, centerpieces, or in your plants.
