Join us for two days of networking, collaboration, and professional learning as we celebrate the vital role of local nonprofits serving the Irvine community.

The City of Irvine invites nonprofit professionals, board members, staff, and volunteers to connect with colleagues, strengthen partnerships, and explore strategies for thriving in today's evolving nonprofit landscape.

The conference features a keynote presentation by Anne Olin, Founder, President and Chief Executive Officer of Charitable Ventures, followed by breakout sessions led by nonprofit leaders from across Orange County. Topics include partnership and collaboration, fundraising and donor engagement, public policy and advocacy, leadership, and other timely issues impacting the nonprofit sector. Together, we'll share ideas, build relationships, discover new opportunities to support one another as we navigate today's challenges.

The event is free and open to nonprofit professionals and volunteers. Registration is required.
