## High School Art Exhibition

Irvine Civic Center · April 7–May 23, 2025

Opening Reception: April 24, 4:30–6:30 p.m.

The annual *High School Art Exhibition* features a curated selection of artworks ranging from photography, drawing, painting, ceramics, and mixed media pieces that span a diversity of themes and styles. Celebrating the unique perspectives and talents of budding high school-aged artists, the exhibition features artworks from students from Beckman High School, Crean Lutheran High School, Irvine High School, Northwood High School, Portola High School, University High School, and Woodbridge High School.

This year's exhibition is guest juried by Marinta Skupin, former Curator of Education at Laguna Art Museum in Laguna Beach. Marinta is an artist and educator with over two decades of professional experience in art education.

*Artwork on front: Shobi Loewenstein, Completely Normal, 2025, digital and mixed media, University High School.*
