c. Public Comments

- i. **Requests to Speak:** The electronic kiosks shall be made available to submit comment requests no earlier than one hour prior to a City Council meeting. If a meeting of another legislative body precedes a City Council meeting (i.e. Great Park Board), the electronic kiosks will be made available to submit comment requests as soon as possible following adjournment of the legislative meeting preceding the City Council meeting. Comment requests may not be submitted on behalf of other individuals.
- ii. **Reordering of Speakers:** Comment requests will be considered in the order in which they are received and shall only be modified by a majority vote of the City Council. Exceptions for elected officials may be granted at the request of the Mayor or a member of the City Council.
- iii. **Public Comments –Non-Agenda Items:** Each meeting agenda shall include a single item providing for members of the public to address the City Council on items of interest to the public and within the subject matter jurisdiction of

the City Council, but that are not otherwise on the agenda. If 20 or fewer comment requests are submitted, each speaker shall be limited to three minutes. If between 21 and 30 comment requests are submitted, each speaker shall be limited to two minutes. If more than 30 comment requests are submitted, each speaker shall be limited to 90 seconds. The time limit per speaker shall be established based on the number of comment requests submitted to the City Clerk. Comment requests submitted after the City Clerk announces the number of requests received shall receive no more than 90 seconds. These time limits may be further shortened or extended, or the cumulative limit on the time for all public speakers may be modified, at the discretion of the Mayor or by a majority vote of the City Council.

The City Council shall not discuss items which are raised by the public as a part of the public comment period and not included within the posted agenda. However, after all public comments are heard, Councilmembers may briefly respond to public comments to refer a matter to staff or correct a misstatement.

- iv. ***Public Comments – Consent Calendar, Public Hearings items, Council Business items, and Council Initiated items:*** Members of the public shall be permitted to speak on the Consent Calendar as a single item, each Public Hearing item, and each item of Council Business. In each case, public comments will be heard between the staff report/staff presentation (if any) and City Council deliberations and actions on each item. For each item, if 10 or fewer comment requests are submitted, each speaker shall be limited to three minutes. If between 11 and 15, inclusive, comment requests are submitted, each speaker shall be limited to two minutes. If more than 15 comment requests are submitted, each speaker shall be limited to 90 seconds. The time limit per speaker shall be established based on the number of comment requests submitted to the City Clerk before the first speaker is called for each item. Comment requests submitted after the City Clerk announces the number of requests received shall receive no more than 90 seconds. These time limits may be further shortened or extended, or the cumulative limit on the time for all public speakers may be modified, at the discretion of the Mayor or by a majority vote of the City Council.
- v. ***Unused Time:*** For all categories of public comments, public speakers may not transfer unused time to another public speaker.
- vi. ***Groupings of Commenters:*** For all categories of public comments, whenever a group of persons wishes to address the City Council on the same subject matter, it shall be proper for the presiding officer to request that the group appoint a spokesperson to address the City Council. If the group does not appoint a spokesperson, or if members of the group other than the spokesperson, seek to address the City Council, the presiding officer may limit the numbers of such speakers so as to avoid unnecessary repetition before the City Council.

- vii. ***Remote Participation:*** Members of the public shall be permitted to view public meetings and provide public comments on agenda items and non-agenda items via Zoom or other City-approved virtual platform(s) in compliance with Government Code Section 54953.4. During public comments provided by Zoom or other city-approved virtual platform(s), the exclusive focus of the visual displayed to remote attendees shall be the City Council dais, except where multimedia materials have been provided for display.
- viii. ***Technology Disruption Policy – Teleconferencing:*** The policy has been established pursuant to City Council Resolution No. 26-65, as follows:

If any City official or employee becomes aware that a disruption in technology for the purpose of remote participation is occurring, such person shall notify the City Clerk or the Mayor of the disruption. The Mayor shall announce that there is a disruption and recess the meeting for up to one hour or until service is restored, whichever occurs earlier. In lieu of a recess, the City Council may convene to Closed Session to consider matters listed on the agenda under Closed Session.

During the recess, the City shall make a good faith effort to restore two-way audiovisual capabilities. If the disruption is not resolved within one hour, the City Clerk shall inform the Mayor that a good faith effort was made to restore the service and the Mayor shall then reconvene the meeting and inform the City Council and members of the public that the City was unable to resolve the disruption. Following the Mayor's announcement, the City Council may take one of the following actions:

- (1) Adopt findings that (a) good faith efforts to restore the service were made together with a description of those efforts; and (b) the public interest in continuing the meeting outweighs the public interest in remote public access. Following an affirmative majority roll call vote, the City Council may resume the meeting.
- 2) Adjourn the meeting to a future date and time in accordance with the Ralph M. Brown Act (Government Code § 54950 et seq.).

The City Clerk shall ensure that this Technology Disruption Policy is publicly available on the City's website and that the meeting minutes document the nature of the disruption, the duration of the recess, a description of the efforts made to restore service, and the decisions made regarding continuation or adjournment of the meeting. Members of the public may also request a copy of the Technology Disruption Policy by contacting the City Clerk's Office at 949-724-6205 or via email at clerk@cityofirvine.org.

- ix. ***Multi-Media:*** For all categories of public comments, when using multi-media presentations, the following rules shall apply: (1) the presentation shall be provided in a time and format specified by the City Clerk and described on posted agendas, (2) multi-media presentations shall not include testimony from another person providing public comments, (3) a single multi-media presentation shall not be divided among multiple multi-media presenters, (4) unless otherwise directed by the Mayor or a majority vote of the City Council, all multi-media public comments shall be taken last in order.
- d. ***Announcements, Committee Reports, and Council Reports:*** Announcements, Committee Reports, and Council Reports shall be limited to a maximum of 3 minutes per member of the City Council. Announcements shall include brief reports on meetings attended at the expense of the City since the last regular meeting of the City Council. The Mayor shall receive any necessary additional time to deliver announcements of community events and opportunities.
- e. ***Consent Agenda:*** Items of a routine nature will be considered under the Consent Calendar and will be acted upon as one item. Any member of the City Council shall have the right to remove any item from the Consent Calendar for separate discussion.
- f. ***Reordering:*** Recognizing the occasional need to rearrange the order of business, it shall be done at the discretion of the Mayor or by a majority vote of the City Council.
- g. ***City Council Questions, Comments, and Deliberation:*** City Council questions, comments, and deliberations shall be conducted in rounds, with each councilmember receiving an opportunity to speak in each round. Speaking time shall be limited to five minutes per councilmember per round. That time limit may be shortened or extended at the discretion of the Mayor or by a majority vote of the City Council.

2. Decorum

Public Safety will assign at least one (1) officer to remain present through all City Council meetings. His/her responsibilities will include: security; maintaining the peace at all times; enforcement of the no smoking regulation; escorting Councilmembers to their vehicles if need be; and general enforcement of any order given by the Chief of Police or City Manager. The officer shall at all times be noticeably visible to the public and City Council.

3. Seating Arrangements

The seating arrangement for the City Council shall be determined by the Mayor, unless overturned by a majority vote of the City Council.

4. Motions

a. Substitute and Amended Motions. After a main motion has been made and seconded, only one substitute motion or motion to amend may be pending at any time; provided that any substitute motion or motion to amend may be modified at the request of any Councilmember if the request is accepted by the maker and seconder of the substitute motion or motion to amend.

b. Distribution. Whenever possible, motions of a substantive nature shall be drafted, copied and distributed to the City Manager, City Clerk, City Attorney, and on the dais at least one (1) hour prior to a City Council meeting at which the motion is to be considered. Councilmembers will be notified by e-mail, phone, or in person that new material awaits them. This distribution and notification notice does not automatically indicate that appropriate time has been given for individual Councilmember's or staff's consideration, but serves to help address last minute information.

5. Voting

City Council roll call votes shall be taken by the use of electronic voting lights, unless otherwise mandated by law or necessitated by technical difficulties

6. Supplemental Information

Councilmembers who wish to present supplemental information at a City Council meeting, i.e., overheads, visuals, handouts, etc., should provide that information to the City Manager, City Clerk, and Director of Communications & Engagement no less than 4 hours prior to the scheduled City Council meeting to ensure adequate time to arrange for the presentation.

7. Applicability to Commissions and Committees

These policies and procedures, except for the Technology Disruption Policy (City Council Resolution No. 26-65), shall apply to all City commissions and committees (to the extent they are otherwise subject to the Brown Act). When applying these policies to City commissions and committees, the word "commissioner" or "committee member" shall be substituted for the word "councilmember" and the word "presiding officer" shall be substituted for the word "mayor." In the event of any inconsistency between these policies and any adopted rule or regulation of a City commission or committee (e.g., bylaws), this policy shall control.

City Council Policy / Procedure

City Council Meetings; Invocation

Reference: Minute Order 01-22-13

Invocation

The Irvine City Council has intermittently included an invocation on the City Council meeting agendas. In 2002, the California Court of Appeal ruled that certain invocations—those that constitute sectarian prayer—violate the Establishment Clause of the United States Constitution; and the California Supreme Court and the United States Supreme Court denied requests to hear the case. (Rubin v. City of Burbank (2002) 101 Cal. App. 4th 1194.) The purpose of this Policy is to ensure that invocations comply with the law so that we retain the right to open public meetings with words of inspiration and wisdom.

The City Council believes that the purpose of an invocation is to recognize the role that freedom of religion has played in the history of our country and the contribution that religious groups make to the quality of life in our community—and to neither promote nor disparage any denomination or particular religious belief. The City Council is confident that anyone who agrees to give an invocation consistent with this Policy will offer words that respect the laws and institutions that protect the freedoms that we enjoy.

The City Council has determined that invocations that comply with the following guidelines are consistent with the Rubin decision.

1. The tone, tenor and content of the invocation would not, to a reasonable person, be considered as advancing or disparaging a specific religion.
2. The invocation does not refer to terms associated with a specific religion, sect or deity such as “Jesus Christ,” “Allah” or “Our Father in Heaven.”
3. The invocation does not refer to a particular religious holiday, significant dates, holy day or religious event.
4. The person giving the invocation does not read or quote from any sectarian book, doctrine or material.

The City Clerk shall send a letter to each person who has agreed to give an invocation expressing the City Council’s appreciation for volunteering and confirming his/her intention to offer an invocation that is fully consistent with this Policy.

City Council Policy / Procedure

City Council Compensation and Expense Policy (Updated January 1, 2009)

Reference: Municipal Code Sec. 1-2-108
Resolution No. 06-22
Ordinance No. 08-04

Compensation

Compensation for City Council members shall be set, and from time to time shall be changed, in accordance with the compensation schedule for the Mayor and City Council members established in Government Code § 36516. Compensation for Councilmembers is \$880 per month as of January 1, 2009.

Expense Policy

1. Each City Councilmember shall be paid monthly, during his or her term of office, a lump sum automobile allowance in the amount of \$715 per month.
2. All other job-related expenses incurred by a City Councilmember or City legislative body member may be reimbursed subject to the following policy.
3. Authorized Expenses. City funds, equipment, supplies (including letterhead), titles and staff time must be used for authorized City business. The following types of expenses generally constitute authorized expenses, provided the other requirements of this policy are met:
 - a. Communicating with representatives of regional, state, and national government on City adopted policy positions;
 - b. Attending educational seminars designed to improve officials' skill and information levels;
 - c. Participating in regional, state, and national organizations whose activities affect the City's interests;
 - d. Recognizing service to the City (for example, thanking a long time official or employee with a retirement gift or celebration of nominal value and cost);
 - e. Attending City events;

- f. Implementing a City-approved strategy for attracting or retaining businesses to the City of Irvine, this will typically involve at least one staff member.

Expenses which exceed the budgeted annual limits established for each Councilmember and member of a City legislative body require the approval of the City Council.

Examples of personal expenses that the City will not reimburse include, but are not limited to:

- a. The personal portion of any trip;
- b. Political or charitable contributions or events;
- c. Family expenses, including partner's expenses when accompanying the Councilmember or member of a City legislative body on City-related business, as well as children or pet related expenses;
- d. Entertainment expenses, including theater, movies (either in-room or at a theater), sporting events (including gym, massage and /or golf related expenses), or other cultural events;
- e. Non-mileage personal automobile expenses, including repair, traffic citations, insurance and gasoline;
- f. Personal losses incurred while on City business.

Any questions regarding the propriety of a particular expense should be resolved by the City Council before the expense is incurred.

- 4. General Standards/Cost Control. The intent of this policy is to emphasize economy and practicality with reasonable subsistence and accommodations while on City business. The policy is not intended to address every issue, exception or contingency that may arise in the course of City travel or attendance at meetings. Accordingly, the basic standard that should prevail is to use good judgment in the use and stewardship of City funds. Any deviations from the policy should be approved by the City Council. To conserve City resources and keep expenses within community standards for public officials, Councilmembers and members of City legislative bodies should adhere to the guidelines provided within this policy.
- 5. Allowable Types of Expenses.
 - a. Transportation. The most economical mode and class of transportation reasonably consistent with scheduling needs and cargo space requirements must be used, using the most direct and time-efficient route. In the event that a more expensive transportation form or route is used, the cost borne by the City will be limited to the cost of the most economical, direct, efficient and reasonable transportation form unless

otherwise approved by the City Council. Government and group rates must be used when available.

- i. For members of City legislative bodies, automobile mileage is reimbursable at Internal Revenue Service rates presently in effect (see www.irs.gov). These rates are designed to compensate the driver for gasoline, insurance, maintenance, and other expenses associated with operating the vehicle. This amount does not include bridge and toll roads, which are also reimbursable with receipts.
 - ii. Airfares that are reasonable and economical shall be eligible for purposes of reimbursement. Airport parking may be used during travel on official City business and is reimbursable with receipts.
 - iii. If car rental is required, rental rates that are reasonable and economical shall be eligible for purposes of reimbursement. When determining the type of rental car to be used, consideration should be given to the economic standards set forth in this policy and the appropriate use and stewardship of City funds.
 - iv. Taxis or shuttle fares may be reimbursed, including a 15 percent gratuity per fare, when the cost of such fares is equal or less than the cost of car rentals, gasoline and parking combined, or when such transportation is necessary for time-efficiency.
- b. Lodging. Lodging expenses will be reimbursed or paid when travel on official City business reasonably requires an overnight stay. If such lodging is in connection with a conference, lodging expenses must not exceed the group rate published by the conference sponsor for the meeting in question if such rates are available at the time of booking. Travelers must request government rates, when available. If the group rate is not available, reimbursement at the IRS rate in effect at the time of travel shall apply (IRS Publication 463).
- c. Meals. Meal expenses, including beverages, and associated gratuities will be reimbursed subject to the maximum per diem for the meal as set by the IRS rate in effect at the time of travel. (see Cal. Gov't. Code 53232.2(c) and Publication 1542 at www.irs.gov or www.policyworks.gov.perdiem)
- d. Telephone/Fax/Cellular. City Councilmembers and members of City legislative bodies will be reimbursed for actual telephone and fax expenses incurred on City business. Telephone bills should identify which calls were made on City business. For cellular calls, when the Councilmember/member of City legislative body has a particular number of minutes included in his/her plan, the Councilmember/member of City legislative body can identify the percentage of calls made on public basis.

- e. Other expenses not already discussed in this policy, but reasonably incurred in the course of official City business, may be reimbursed with the approval of the City Manager or his/her designee and/or the City Council. Appropriate documentation should be provided with the reimbursement request. Expenses for which Councilmembers and members of City legislative bodies receive reimbursement from another agency are not reimbursable.
6. Methods of Payment. The City will pay all legitimate expenses for City-related business, including transportation, lodging, registration fees, meals, and any other expenses incurred for official City business and in accordance with these guidelines. There are three methods of payment that may be used for business related expenses, individually or in combination:
- a. Direct payments to vendors by check may be used to pay for specific costs related to the trip, usually for registration fees, lodging, and airfare.
 - b. The City does not issue individual credit cards to Councilmembers or members of City legislative bodies, however payments by a City credit card may be used to prepay travel expenses, including registration fees, lodging and airfare, or may be used to cover business expenses as they arise on the trip. City credit cards shall not be used for personal expenses, even if the Councilmember or member of the City legislative body subsequently reimburses the city.
 - c. Reimbursement to the Councilmember/City legislative body member with appropriate receipts for incurred expenses.
7. Expense Report Content and Submission Deadline. All credit card expenses and expense reimbursement requests must be submitted on an expense report form provided by the City. Expense reports must document that the expense in question met with the requirements of this policy. Officials must submit their expense reports within sixty (60) calendar days of an expense being incurred, accompanied by receipts documenting each expense. Inability to provide such documentation in a timely fashion may result in the expense being borne by the official.

In the event the official does not attend the trip and non-refundable expenses have been incurred for registration, lodging and/or travel, the non-attending official shall submit written explanation of the reasons for non-attendance to the City Manager. The City Manager shall determine if the public funds advanced must be reimbursed to the City. Any decision by the City Manager may be appealed to the City Council.

All expenses are subject to verification that they comply with this policy.

8. Report to City Council, Board, or Commission. In accordance with pre-existing City Council policy, Councilmembers shall provide a brief report in either written or verbal form, on meetings attended at City expense, at the next meeting of the City Council. Members of Boards or Commissions shall provide a brief report in either written or verbal form, on Brown Act meetings attended at City expense.
9. Compliance With Laws; Violations. City officials should keep in mind that some expenditures may be subject to reporting under the Political Reform Act and other laws. All agency expenditures are public records subject to disclosure under the Public Records Act and other applicable laws. Use of public resources or falsifying expense reports in violation of this policy may result in any or all of the following:
 - a. Loss of reimbursement privileges;
 - b. A demand for restitution from the City;
 - c. The agency's reporting the expenses as income to the elected official to state and federal authorities;
 - d. Civil penalties of up to \$1,000 per day and three times the value of the resources used;
 - e. Prosecution for the misuse of public resources.

City Council Policy / Procedure

City Council Travel

Reference: Resolution No. 01-139
Minute Order 2-14-06
Resolution No. 17-74

The City shall pay all allowable expenses of the City's elected and appointed officials for domestic and international travel on City business, including transportation, lodging, registration fees, meals, and other incidental expenses, if they are for official City business, fit within the City's policy guidelines, and comply with applicable regulations of the California Fair Political Practices Commission (FPPC). City business is defined as conferences, training sessions, meetings, economic development, and other official City business, including Sister and Friendship City programs, which is a direct result of employment with, or representation of, the City of Irvine. Please refer to City Council Policy/Procedure "Compensation and Expense Policy" for further clarification on allowable travel expenses.

The following criteria are utilized to determine whether City Council and/or appointed official travel related to official City business: (a) the conference or meeting is being held by an organization or agency of which the City is a member; (b) the purpose of the travel is City representation in support of a City Council approved program, or at the direction of the City Council; and (c) adequate funds are available within the approved individual City Council Business Expense budget or approved by the City Council separately.

In circumstances where travel expenses are paid by a source other than a state, local, or federal government agency, the requirements and restrictions of FPPC Regulation 18950.1 shall also apply. That regulation prohibits payment for food, lodging or travel to a member of the City Council (and appointed officials) "unless the transportation, lodging, and food is directly related to the official's public duties, is for a purpose that would otherwise be paid for with the agency's funds, is authorized in the same manner as transportation, lodging, and food using the agency's own funds, and otherwise meets the requirements of subdivision (a) of [FPPC Regulation 18950.1]." Subdivision (a) of Regulation 18950.1, in turn, allows payment for travel from sources other than a state, local, or federal government agency only if all of the following requirements are satisfied:

1. The payment is made directly to or coordinated with the City, and not made to the City official using the travel.
2. The payment is used for "official agency business" as defined in FPPC Regulation 18950.1(c).
3. The City determines the City official who will make use of the payment.

4. The payment provides no personal benefit to the City official who makes use of the payment.
5. The duration of the travel is limited to that necessary to accomplish the purpose for which the travel was provided as determined by the City using the same standards imposed for travel paid with City funds.
6. The City reports the payment as provided in FPPC Regulation 18950.1(f).

City Council members and appointed officials shall provide a brief report, in either written or verbal form, on meetings attended at City expense at the next regularly scheduled meeting of the City Council or City commission (as the case may be).

All travel requests that do not otherwise adhere to this Travel Policy shall be requested through a memorandum addressed to the City Manager for City Council consideration. The following information, at a minimum, shall be included in the request:

1. The purpose or specific benefit of the trip that would be achieved by sending a City official and/or supporting City staff.
2. The anticipated dates of the travel and destination(s).
3. Detailed financing information, including any cost that may be incurred by the City.
4. An explanation of Council Executive Assistant support, if requested.

Council Services Office

Reference: Municipal Code Sec. 1-5-102
Resolution No. 02-69

Meetings

Meetings are scheduled for Councilmembers based upon their preferred schedules. Requests for City staff attendance at meetings should be made through the Council Services office. City Council calendars are not public records; however, they are made available to the City Manager and Council Services staff to facilitate scheduling.

Phone Calls

Phone messages are forwarded to Councilmembers as soon as possible after the call is received. Arrangements will be made with each Councilmember to establish the best procedure to expeditiously forward phone messages.

Each Councilmember has private voicemail on his/her City telephone line. Voicemail will not be accessed by Council Services staff; retrieval of voicemail messages is the responsibility of each individual Councilmember.

Files

The Council Services Office maintains chronological (chron) files of all correspondence generated by individual Councilmembers. Chron files are maintained for four (4) years as required by public records law. It is the responsibility of each individual Councilmember to maintain his/her own working files as they deem necessary.

Mail (Postal Service)

All mail relating to City business that is addressed to the Mayor, City Council or to individual Councilmembers, will be copied and distributed to the Mayor, to all Councilmembers, and to the City Manager and appropriate departmental staff. Copies of all City business-related mail are maintained in the City Clerk's Office for four (4) years as required by public records law.

Mail not related to City business is opened and distributed only to the addressee and no copies are made. Mail marked “personal” or “confidential” is given, unopened, to the addressee only.

Electronic Mail (Email)

Citizens may contact the City Council through three different email addresses.

1. Each Councilmember has a private email address on his/her City computer. Council Services staff does not access these personal email boxes; it is the responsibility of each individual Councilmember to retrieve their own email from their personal email boxes.
2. A generic City Council email box exists on the City’s web site, irvinecitycouncil@cityofirvine.org. Council Services staff accesses this email box and distributes in conformance with procedures listed under general mail (postal).
3. A generic City Council email box exists in the Council Services office, irvinecc@cityofirvine.org. Typically, this email box is used for citizens who wish to send invitations to the City Council electronically, but also at times receives general correspondence. Council Services staff accesses this email box and distributes in conformance with procedures listed under general mail (postal).

Email communication constitutes “preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained by the public agency in the ordinary course of business” within the meaning of Government Code § 6254(a), unless the email communication is printed and retained in official City files. It is the City’s policy to automatically delete email after 30 days (City Council Resolution No. 02-69). Email that is saved in another computer file or is printed and filed as a hard copy becomes subject to all applicable public records requirements.

Invitations

Councilmembers are invited to a number of events each week. Council Services staff summarizes these invitations and, along with the original invitations, the list is forwarded to each Councilmember at the end of each work week. Councilmembers are asked to return their invitation list as soon as possible, noting which events they would like to attend, so staff can RSVP. Last minute invitations will be immediately forwarded to Councilmembers for a response.

Distribution of Written Legal Opinions from the City Attorney

Reference: Resolution No. 16-61

Purpose

To provide clear direction regarding the distribution of City Attorney written legal opinions, henceforth, requested by a member of the Irvine City Council. For purpose of this policy, the term “City Attorney” shall refer to the City’s appointed City Attorney, or any attorney or law firm acting as official counsel and/or special counsel for the City.

Background

The City Attorney is the chief legal advisor to the City Council, the City Manager, and all City departments, offices, and agencies acts under the administrative direction of the City Manager. (Charter Section 701.) The City Attorney represents the City in all legal proceedings and performs such other duties as may be prescribed by the City Council. (Charter Section 701.) The client of the City Attorney is the City as a whole and not individual elected officials, members of boards or commissions, the City Manager or city staff.

Legal questions periodically arise concerning policy items and/or city matters of interest to the City Council. It is appropriate that the City Attorney provide legal analysis to members of the City Council, at their request and for their benefit as they consider City matters.

Policy/Procedure

1. City Council Request for a Confidential City Attorney Written Legal Opinion:
 - a. Members of the City Council requesting a written legal opinion from the City Attorney may submit the question to the City Manager, or directly to the City Attorney. The City Attorney will endeavor to answer the question and provide the opinion to the requesting member of the City Council, with a copy to the City Manager.
 - b. Whenever the City Attorney issues a written legal opinion or informal memorandum containing privileged information, the City Attorney shall label it as “Privileged and Confidential.” Written opinions may take the form of memorandum, correspondence, email or text messages, but shall not include verbal advice. A City Official receiving confidential advice from the City Attorney may not waive the confidentiality created by the attorney-client privilege unless authorized to do so by a majority vote of the City Council. Since the holder of the privilege is the City, the privilege belongs to the City rather than to any individual officer or employee.

2. Distribution of Confidential Written Legal Opinions to all City Councilmembers:
 - a. The City Attorney shall provide the confidential written legal opinions to the requesting member of the City Council, with a copy to the City Manager.
 - b. The City Manager will distribute the confidential written legal opinion to the remaining members of the City Council in the normal course of business in an envelope marked “confidential” in the weekly packet. Such opinions remain subject to the attorney client privilege, unless official City Council action directs otherwise for a specific document.
3. Dissemination of Confidential Written Legal Opinions to the Public:
 - a. To maximize transparency, a member of the City Council may request City Council consideration to make a confidential City Attorney written opinion publicly available upon a majority vote by the City Council.

City Council Policy / Procedure

Conflict of Interest

Reference: Resolution No. 01-139

As elected officers, the Mayor and members of the City Council are subject to conflict of interest laws of the State of California. The Fair Political Practices Commission (FPPC) and the State Legislature have established rules related to conflicts of interest, Cal. Code Regs., Section 18704.2. A memo from the City Attorney in the Appendix provides a general overview of the laws regarding potential financial conflicts of interest of public officials. The applicability of the conflict of interest laws depends on the unique facts of each particular case. Questions regarding specific situations should be directed to the City Attorney, or to the Fair Political Practices Commission (“FPPC”).

Maps are provided to City Councilmembers and Planning Commissioners for the purpose of determining whether a conflict of interest exists in any particular matter coming before the City Councilmember or the Planning Commission as a direct result of the individual’s property proximity to a proposed project.

Real property in which the public official has an economic interest will be deemed “directly involved” where the realty is either the subject of the government action or is located within 500 feet of the real property that is the subject of the governmental action. Real property is the “subject of government action” in any of the following contexts: zoning; rezoning; annexation; de-annexation; land use entitlement; license; permit; taxes; fees; and public improvements (e.g., streets, water, sewer, etc.). (FPPC § 18704.2.)

The “City of Irvine Gift to a Public Agency Compliance Form” is adopted as the appropriate form to be completed in order to assure compliance with the written record requirement of Section 18944.2 of Title 2 of the California Code of Regulations. (City Council Resolution No. 01-139)

City Council Policy / Procedure

Political Activities of Public Employees

Reference: Resolution No. 84-30

In order to maintain the integrity of the City's governmental function, it is necessary and proper that the City, in its official capacity, maintain a neutral position during political campaigns, especially involving elections to the office of Mayor and City Council. The City Council has adopted rules and regulations relative to political activities of public employees on public premises and while on duty or in uniform.

The following rules and regulations are in effect to ensure that such a neutral position is maintained by restricting political activities by City officers and employees while on City premises, on duty and/or in uniform.

1. There shall be no active political campaigning or solicitations for contributions on City premises including the City Hall, the Public Safety Department, public parks, the Corporation Yard, the Animal Care Facility, or annexes thereof. Active political campaigning refers to verbal political advertising or campaigning and the carrying or posting of signs, pins, buttons, posters or banners within City offices.
2. No political signs, pins, buttons, posters or banners or other political advertisements (i.e., bumper stickers) shall be posted on or affixed to properties owned by the City, including City offices and automobiles.
3. Officers and employees of the City shall not directly or indirectly knowingly solicit political contributions from other officers or employees or from employment lists of the City.
4. City employees shall not engage in any political activities of a candidate during working hours. This prohibition includes wearing of campaign buttons, making telephone calls, or promoting a candidate in any manner.
5. City employees involved in political campaigns shall not participate in a campaign in any form or manner while wearing a City uniform or any insignia identifying them as employees or officers of the City of Irvine.

6. No person shall, on election day or any time that a voter may be casting a ballot, and within 100 feet of a polling place or an election official's office (City Clerk), be permitted to; circulate an initiative or similar type of petition; solicit a vote or speak to a voter on the subject of marking a ballot; place a sign relating to a voter's qualifications; or do any electioneering. Since the City Clerk is the election official, all activities listed in this paragraph apply to City Hall. Additionally, several City facilities are utilized as polling places and should be noted accordingly.

In addition, there are numerous regulations that apply to use of City facilities by candidates and organizations sponsoring candidate forums, posting of political signs, literature and flyers, etc., to be found in the Municipal Code and the Elections Code.

6. Requests for Proclamations and Commendations should be presented to the City Clerk in writing a minimum of 14 days prior to the City Council meeting date.

8. Final determination on the issuance of Proclamations and Commendations shall be the responsibility of the City Council.

Certificates of Recognition

Certificates of Recognition provide a vehicle for City Councilmembers to more easily recognize individuals and groups, beyond the more formal requirements of Proclamations and Commendations. Certificates are issued by individual Councilmembers at their own discretion and do not require formal City Council approval. 6. Donors of major park improvement gifts (i.e., structure, play yard, courts) may elect to provide a dedicatory plaque not exceeding 10"x 12" with name, date and appropriate text not exceeding 25 words.

Process:

1. Donations of any amount shall be received by the Community Services Department, which will coordinate with the appropriate staff to forward funds to the designated section's interest-bearing special fund account.
