

GREAT PARK ALL-WHEELED PLAZA FEASIBILITY & FEEDBACK

Community Town Hall

Community Listening & Feedback
Thursday, February 29 • 6–7:30 p.m.

Portola Springs Community Park • 900 Tomato Springs, Irvine

The City of Irvine is conducting a concept development and feasibility study for a new all-wheeled plaza at the Great Park. This designed space has the potential to be one of the finest in the country, with multiple amenities to attract wheeled action sports from bikes and skateboards, to scooters and wheelchairs.

The community's input and ideas are crucial as we shape the vision and future of the Great Park. The City has engaged a skate park and landscape design team, and together with your input we can create a space that truly reflects the needs and aspirations of our vibrant community. You can also share your feedback by emailing Ryan Painter at rpainter@cityofirvine.org.
