CONSTRUCTION NOTICE

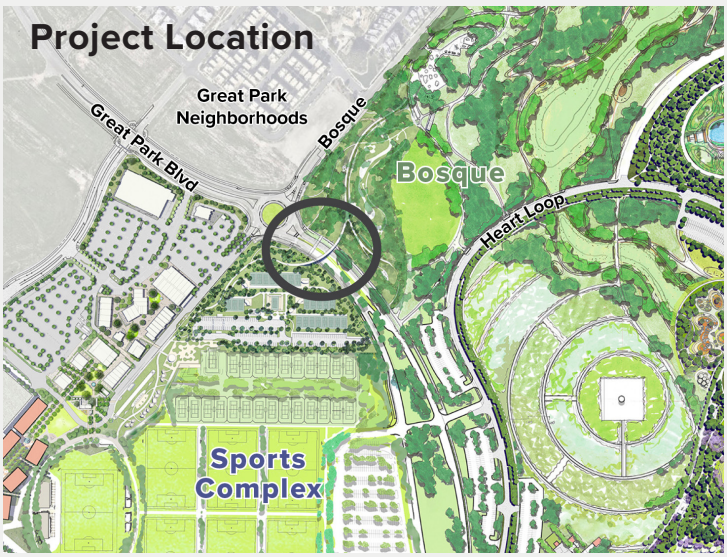

Bosque Bridge

The Bosque Bridge will connect visitors from all areas of the Great Park to the upcoming shopping and lifestyle center, The Canopy. It will provide a direct, grade-separated connection between the Bosque Trail network and The Canopy.

Construction will commence with site preparation, which includes temporary fencing, equipment mobilization, clearing, and grading. Crews will then construct the bridge foundations and abutments. Once the foundations are complete, the bridge structure will be delivered and lifted into place. Work will include building connecting pathways and ramps, installing railings and lighting, and completing paving and landscaping.

Hours & Schedule

- Work will occur from 7 a.m. to 7 p.m. on weekdays and from 9 a.m. to 6 p.m. on weekends. Work will not occur on legal holidays.
- There will be temporary road closures during construction that will impact travel on Great Park Boulevard.
- Construction began in November and will last approximately 12 months.

For questions about project construction, contact 949-724-4430 or *greatpark@cityofirvine.org*.
