Weatherization and Utility Assistance Workshop

Wednesday, September 9, 10–11:30 a.m.
Heritage Park Community Center, 14301 Yale Ave.

The City of Irvine, in collaboration with Community Action Partnership of Orange County, is hosting a free Weatherization and Utility Assistance Workshop to provide practical ways to make your home more energy efficient. The workshop will also include information on programs that can help lower or even pay for essential utility costs.

During this workshop, you'll learn:

- Simple upgrades that can help lower your monthly energy bills.
- What "energy efficiency" means and how it can make a difference in your household.
- Programs that may help pay for electricity, gas, and other utility expenses.
- How to enroll in available assistance programs.

Connect directly with experts who can help you take the next steps toward creating a more energy-efficient home and obtaining assistance with utility costs.

Space is limited, and registration is required. Click or scan the QR code to register or visit yourirvine.org.
